### REPORT OF INDEPENDENT AUDITORS

To the Participants and Administrator of the  
Penton Media, Inc. 401(k) Retirement Savings Plan

In our opinion, the accompanying statements of net assets available for benefits and the related statement of changes in net assets available for benefits present fairly, in all material respects, the net assets available for benefits of the Penton Media, Inc. 401(k) Retirement Savings Plan (the "Plan") at December 31, 2002 and 2001, and the changes in net assets available for benefits for the year ended December 31, 2002 in conformity with accounting principles generally accepted in the United States of America. These financial statements are the responsibility of the Plan's management; our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits of these statements in accordance with auditing standards generally accepted in the United States of America, which require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule, Schedule H, Part IV, Item 4i, Schedule of Assets (Held At End of Year), is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

### PENTON MEDIA, INC. 401(k) RETIREMENT SAVINGS PLAN

#### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2002 AND 2001

##### 1. PLAN DESCRIPTION

The following description of the Penton Media, Inc. 401(k) Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

##### GENERAL

Prior to August 7, 1998, Penton Media, Inc. ("Penton" or the "Company") was a wholly owned subsidiary of Pittway Corporation ("Pittway"). Pittway distributed 100% of Penton's common stock on August 7, 1998, to Pittway's shareholders in a tax-free spinoff. On September 1, 1998, the Company adopted the Plan, a 401(k) defined contribution plan. Effective January 1, 2001, the Plan was amended and restated to incorporate various plan qualification requirements made by the Uruguay Round Agreements Act (GATT), the Taxpayer Relief Act of 1997, the Reemployment Rights Act of 1994 (USERA), the Internal Revenue Service Restructuring and Reform Act of 1998 and the Small Business Job Protection Act of 1996 (SBJPA). The Plan was amended in 2002 to reflect the adoption of various provisions of the Economic Growth and Tax Relief Reconciliation Act of 2001 (EGTRRA).

The Plan is subject to the provisions of the Employee Retirement Income

## Edgar Filing: PENTON MEDIA INC - Form 11-K

Security Act of 1974 (ERISA). Employees of the Company become eligible to participate in the plan on the first day of the month that is at least 30 days after the date on which the employee begins employment with the Company.

### CONTRIBUTIONS

Prior to January 1, 2002, participants were able to contribute up to 15% of pre-tax annual compensation, as defined in the Plan. Effective January 1, 2002, participants may contribute up to 25%. Unless waived, 3% of an eligible employee's compensation will automatically be deducted and contributed to the Plan. The matching percentage contributed by the Company is determined by the Board of Directors of the Company. Prior to January 1, 2002, the matching contribution was equal to 50% of the first 6% of the participants' contributions to the Plan. Effective January 1, 2002, the Company suspended the Company match. The Plan does not have any non-participant directed contributions.

Effective October 1, 2002, the Plan was amended to allow for catch-up contributions for participants age 50 or older.

The Plan also permits rollover contributions from other qualified retirement plans. Rollover contributions are included in participant contributions and amounted to \$110,758 in 2002.

### PARTICIPANT ACCOUNTS

Fidelity Investments Institutional Operations Company, Inc., the trustee of the Plan ("Fidelity" or the "Trustee"), maintains an individual account for each participant. This account is credited with participant contributions, employer matching contributions and Plan earnings, as allocated based upon each participant's election.

### VESTING

Participants are immediately vested in both employee and employer matching contributions, plus actual earnings thereon.

Interest rates range from 5.75% to 11.50%. Principal and interest are paid ratably through payroll deductions.

## Edgar Filing: PENTON MEDIA INC - Form 11-K

NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2002 AND 2001

---

### ACCOUNTING PRONOUNCEMENTS

In June 1998, the Financial Accounting Standards Board issued Statement of Financial Accounting Standards ("SFAS") No. 133, "Accounting for Derivative Instruments and Hedging Activities" ("SFAS No. 133"). SFAS No. 133, as amended by SFAS No. 137, "Accounting for Derivative Instruments and Hedging Activities - Deferral of the Effective Date of SFAS No. 133" and SFAS No. 138, "Accounting for Derivative Instruments and Hedging Activities - an amendment of SFAS No. 133" is effective for fiscal years beginning after June 15, 2000. SFAS No. 133 establishes standards for accounting and reporting for derivative instruments, including certain derivative instruments embedded in other contracts, and for hedging purposes. It requires that an entity recognize all derivatives as either assets or liabilities. The adoption of SFAS No. 133 as of January 1, 2001, did not have a material impact on the financial statements.

### USE OF ESTIMATES

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from these estimates.

### INVESTMENT VALUATION AND INCOME RECOGNITION

Investments in the AptarGroup, Inc. Stock Fund and Penton Media, Inc. Stock Fund are valued at quoted market prices at year-end. Investments in the Fidelity Growth and Income Portfolio, Fidelity Retirement Government Money Market Portfolio, Fidelity Managed Income Portfolio, Fidelity Aggressive Growth Fund, Fidelity Magellan Fund, Spartan 500 Index Fund, Fidelity Diversified International Fund, Fidelity Mid-Cap Stock Fund, PIMCO Total Return Fund II, Neuberger Berman Genesis Trust, Morgan Stanley Value Added Equity Fund, and Fidelity Freedom Funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end.

Purchases and sales of securities, including related gains and losses, are recorded as of the trade date. Interest income is recorded when earned. Dividend income is recorded on the ex-dividend date.

The Plan presents in the statement of changes in net assets available for benefits the net appreciation or depreciation in the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments.

### PAYMENT OF BENEFITS

Benefits are recorded when paid by the Plan.

### ADMINISTRATIVE EXPENSES

Certain Trustee and administrative expenses incurred in the administration of the Plan are paid by the Plan. Audit and legal fees incurred on behalf of the Plan are paid by the Company.

### 3. RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination of stocks, bonds, fixed income securities, mutual funds, and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to

## Edgar Filing: PENTON MEDIA INC - Form 11-K

changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

#### 4. PARTY-IN-INTEREST TRANSACTIONS

Plan investments managed by and fees paid to the Trustee qualify as a party-in-interest transaction. Party-in-interest transactions also include loans made to participants and investments made in the Penton Media, Inc. Stock Fund and the AptarGroup, Inc. Stock Fund.

### APTARGROUP, INC. STOCK FUND

Effective July 1, 2003, the AptarGroup, Inc. Stock Fund will no longer be available as an investment option. ### UNREGISTERED SALES OF COMPANY COMMON STOCK

The sales of common stock under the Plan from May 2001 through March 2003 were not registered under the federal securities laws (the "unregistered sales"). As a result, certain Plan participants may have the right to rescind their purchases for an amount equal to the purchase price paid for the shares, plus interest from the date of purchase. The Company may also be subject to civil and other penalties by regulatory authorities. On March 31, 2003, the Company filed a Form S-8 registration and registered 6.0 million additional shares to be offered under the Plan.

In April 2003, the Company offered to reimburse employees who had purchased Company common stock through the Plan between March 25, 2002 and March 25, 2003. Employees who sign a release of federal securities law claims would be reimbursed the amount by which the price paid for the common stock exceeds the closing price of the stock on the date they

execute the release, or if the stock has been sold, the amount by which the price paid by the employee exceeds the sales price. Employees who do not sign the release by May 22, 2003, retain their rights under the Federal securities laws. Rescission remedies available under Federal securities laws expire on the one-year anniversary of the date the unregistered shares were purchased. As of June 23, 2003, approximately eighty percent of the employees who were offered the reimbursement have accepted the terms of the release, representing a liability to the Company of approximately \$0.6 million. The estimated total liability to the Company for all employees who were offered is approximately \$1.0 million.
