Proxy Statement for

Annual Meeting of Shareholders To Be Held On May 26, 2005

GENERAL INFORMATION

The Board of Directors is furnishing this proxy statement in order to solicit proxies on its behalf to be voted at the annual meeting of shareholders of the Company. The annual meeting will be held at The Manor, 24111 Tungsten/Rockwell Road, Euclid, Ohio 44117 on Thursday, May 26, 2005, at 10:00 A.M., Cleveland Time, and any and all adjournments, postponements or continuations thereof.

Proxy materials are first being mailed to shareholders on or about April 14, 2005. A shareholder giving a proxy may revoke it, without affecting any vote previously taken, by a later appointment received by the Company prior to the annual meeting or by giving notice to the Company in writing or in open meeting. Attendance at the meeting will not in itself revoke a proxy. Shares represented by properly executed proxies will be voted at the meeting. If a shareholder has specified how the proxy is to be voted with respect to a matter listed on the proxy, it will be voted in accordance with such specifications. If no specification is made, the executed proxy will be voted FOR the election of the nominees for directors. The Company's Articles of Incorporation do not provide for cumulative voting in the election of directors.

The record date for the determination of shareholders entitled to notice of and to vote at the 2005 annual meeting is April 1, 2005. As of April 1, 2005, there were issued and outstanding 10,902,601 shares of the Company's common stock, par value \$1.00 per share (the Common Stock). Each share has one vote.

So far as the Company is aware, no matters other than those described in this proxy statement will be presented to the meeting for action on the part of the shareholders. If any other matters are properly brought before the meeting, of which we did not have notice of on or prior to February 25, 2005, or that applicable law otherwise permits proxies to vote on a discretionary basis, it is the intention of the persons named in the accompanying proxy to vote the shares to which the proxy relates thereon in accordance with their best judgment. Abstentions and broker non-votes will be counted as present at the meeting for purposes of determining a quorum, but will not be counted as voting, except as otherwise required by law and indicated herein.

The cost of soliciting proxies, including the charges and expenses incurred by brokerage firms and other persons for the forwarding of proxy materials to the beneficial owners of such shares, will be borne by the Company. Proxies may be solicited by officers and employees of the Company, by letter, by telephone or in person. Such individuals will not be additionally compensated but may be reimbursed by the Company for reasonable out-of-pocket expenses incurred in connection therewith. In addition, the Company has retained Morrow & Co., Inc., a professional proxy soliciting firm, to assist in the solicitation of proxies and will pay such firm a fee, estimated to be \$4,000, plus reimbursement of out-of-pocket expenses.

ELECTION OF DIRECTORS

General

The authorized number of directors of the Company is presently fixed at nine, divided into three classes of three members. The directors of each class are elected for three-year terms so that the term of office of one class of directors expires at each annual meeting. Proxies may only be voted for the nominees identified in the section entitled Nominees for Election.

The class of directors to be elected in 2005, who will hold their positions for a term of three years and until the election of their successors, has been fixed at three. Unless otherwise directed, proxies in the accompanying form will be voted in favor of electing to that class: Edward F. Crawford, Kevin R. Greene and Ronna Romney, all of whom have been previously elected as directors by you. The persons named in the accompanying proxy will vote the proxies received by them (unless authority to vote is withheld) for the election of Edward F. Crawford, Kevin R. Greene and Ronna Romney. If any nominee is not available at the time of election, the proxy holders may vote in their discretion for a substitute or such vacancy may be filled later by the Board. The Company has no reason to believe any nominee will be unavailable.

Recommendation and Vote Required

The affirmative vote of a plurality of the shares of Common Stock represented at the meeting is required to elect Edward F. Crawford, Kevin R. Greene and Ronna Romney as directors of the Company to serve until the annual meeting of shareholders in the year 2008.

Your Board of Directors unanimously recommends a vote FOR Edward F. Crawford, Kevin R. Greene and Ronna Romney as directors.

Mr. Wert also filed a Form 5 on March 1, 2005 in order to report the sale of 5,000 shares on December 16, 2004 and correct a Form 4 filed on December 21, 2004 to document the gifting of 6,000 shares on December 16, 2004 instead of December 17, 2004, as reported.

CERTAIN MATTERS PERTAINING TO THE BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Corporate Governance

The Board believes that there should be a substantial majority of independent directors on the Board. The Board also believes that it is useful and appropriate to have members of management, including the Chief Executive Officer and President, as directors. The current Board members include seven independent directors (including two of the nominees).

Director Independence. Each of our directors other than Messrs. E. Crawford and M. Crawford qualify as independent in accordance with the published listing requirements of the National Association of Securities Dealers, Inc. (the NASD). The NASD independence definition includes a series of objective tests, such as that the director is not an employee of the Company and has not engaged in various types of business dealings with the Company. In addition, as further required by the NASD listing requirements, the Board has made a subjective determination as to each independent director that no relationships exist that, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In making these determinations, the directors reviewed and discussed information provided by the directors and the Company with regard to each director's business and personal activities as they may relate to the Company and management.

In addition, as required by NASD listing requirements, the members of the Audit Committee each qualify as independent under special standards established by the Securities and Exchange Commission (the SEC) for members of audit committees. The Audit Committee also includes at least one independent member who the Board has determined meets the qualifications of an audit committee financial expert in accordance with SEC rules. Lewis E. Hatch, Jr. is the independent director who has been determined to be an audit committee financial expert. Shareholders should understand that this designation is a disclosure requirement of the SEC related to Mr. Hatch's experience and understanding with respect to certain accounting and auditing matters. The designation does not impose upon Mr. Hatch any duties, obligations or liability that are greater than are generally imposed on him as a member of the Audit Committee and the Board, and his designation as an audit committee financial expert pursuant to this SEC requirement does not affect the duties, obligations or liability of any other member of the Audit Committee or the Board.

Code of Business Conduct and Ethics. All directors, officers and employees of the Company must act ethically at all times and in accordance with the policies comprising the Company's Code of Business Conduct and Ethics. A copy of the code is available, without charge, upon written request to: Secretary, Park-Ohio Holdings Corp., 23000 Euclid Ave., Cleveland, Ohio 44117. A copy of the code is also available on the Company's website at www.pkoh.com.

Board of Directors and Committees

Board Committees and Charters. The Board currently has, and appoints the members of, Audit, Compensation, Nominating and Corporate Governance, and Executive Committees. Each member of the Audit, Compensation, and Nominating and Corporate Governance Committees is an independent director in accordance with the NASD listing requirements. The Audit Committee has a written charter approved by the Board.

Audit Committee. The Audit Committee consists of Messrs. Auletta, Greene, Hatch and Wert, with Mr. Hatch as its chairman. The Audit Committee assists the Board in its general oversight of the Company's financial reporting, internal controls and audit functions, and is directly responsible for the appointment, retention, compensation and oversight of the work of the Company's independent auditors. In 2004, the Audit

Committee held seven meetings. The responsibilities and activities of the Audit Committee are described in greater detail in Audit Committee Report and Audit Committee Charter. The Audit Committee Charter is available on the Company's website at www.pkoh.com.

Compensation Committee. The Compensation Committee consists of Messrs. Hatch, Selhorst and Wert, with Mr. Selhorst as its chairman. The Compensation Committee reviews and approves salaries, performance-based incentives and other matters relating to executive compensation, and administers the Company's stock option plans, including reviewing and granting stock options to executive officers. The Compensation Committee also reviews and approves various other Company compensation policies and matters. The Compensation Committee held no meetings in 2004. For more information, see Compensation Committee Report.

Executive Committee. The Executive Committee consists of Messrs. E. Crawford, Wert and Auletta, with Mr. Wert as its chairman. The Executive Committee may exercise the authority of the Board between Board meetings, except to the extent that the Board has delegated authority to another committee or to other persons and except as limited by Ohio law and the Company regulations. The Executive Committee held no meetings in 2004, but also regularly acts by written consent.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee consists of Messrs. Auletta, Greene, Hatch, Moore, Selhorst, Wert and Ms. Romney, with Mr. Wert as its chairman, and consists of all of the Company's independent directors, in accordance with NASD listing requirements. The Nominating and Corporate Governance Committee makes recommendations to the Board regarding the size and composition of the Board. The Nominating and Corporate Governance Committee is responsible for reviewing with the Board from time to time the appropriate skills and characteristics required of Board members in the context of the current size and make-up of the Board. This assessment includes issues of diversity in numerous factors such as: age; understanding of and achievements in manufacturing, technology, finance and marketing; and international experience and culture. These factors, and any other qualifications considered useful by the Committee, are reviewed in the context of an assessment of the perceived needs of the Board at a particular point in time. As a result, the priorities and emphasis of the Nominating and Corporate Governance Committee and of the Board may change from time to time to take into account changes in business and other trends and the portfolio of skills and experience of current and prospective Board members. Therefore, while focused on the achievement and the ability of potential candidates to make a positive contribution with respect to such factors, the Nominating and Corporate Governance Committee has not established any specific minimum criteria or qualifications that a nominee must possess. The Nominating and Corporate Governance Committee establishes procedures for the nomination process, recommends candidates for election to the Board and also nominates officers for election by the Board. The Nominating and Corporate Governance Committee has not yet adopted a written charter.

Consideration of new Board nominee candidates typically involves a series of internal discussions, review of information concerning candidates and interviews with selected candidates. In general, candidates for nomination to the Board are suggested by Board members or by employees. The Nominating and Corporate Governance Committee will consider candidates proposed by shareholders. The Committee evaluates candidates proposed by shareholders using the same criteria as for other candidates. Any shareholder nominations proposed for consideration by the Nominating and Corporate Governance Committee should include (1) complete information as to the identity and qualifications of the proposed nominee, including name, address, present and prior business and/or professional affiliations, education and experience and particular fields of expertise, (2) an indication of the nominee's consent to serve as a director of the Company if elected, and (3) the reasons why, in the opinion of the recommending shareholder, the proposed nominee is qualified and suited to be a director of the Company, and should be addressed to the Secretary of the Company at 23000 Euclid Avenue, Euclid, Ohio 44117.

The Nominating and Corporate Governance Committee reviews and reports to the Board on a periodic basis with regard to matters of corporate governance. The Nominating and Corporate Governance Committee also reviews and assesses the effectiveness of the Board's Code of Business Conduct and Ethics and recommends to the Board proposed revisions to the code. In addition, the Nominating and Corporate Governance Committee reviews shareholder proposals and makes recommendations to the Board for action on such proposals.

Pursuant to the NASD listing requirements, all of the members of the Nominating and Corporate Governance Committee met regularly without the presence of management directors on an informal basis and met at least twice during 2004.

Attendance at Board, Committee and Annual Shareholders Meetings. The Board held five meetings in 2004. All directors are expected to attend each meeting of the Board and the committees on which he or she serves, and are also expected to attend the Annual Shareholders Meeting. In 2004, except for Mr. Moore, no director attended less than 75% of the meetings of the Board and the committees on which he or she served. Directors are encouraged to attend the annual meeting of shareholders, and four directors attended the 2004 Annual Shareholders Meeting.

Shareholder Communications

The Board believes that it is important for shareholders to have a process to send communications to the Board. Accordingly, shareholders who wish to communicate with the Board of Directors or a particular director may do so by sending a letter to the Secretary of the Company at 23000 Euclid Avenue, Euclid, Ohio 44117. The mailing envelope must contain a clear notation indicating that the enclosed letter is a Shareholder-Board Communication or Shareholder-Director Communication. All such letters must identify the author as a shareholder and clearly state whether the intended recipients are all members of the Board or certain specified individual directors. The Secretary will make copies of all such letters and circulate them to the appropriate director or directors.

Compensation of the Board of Directors

The Company compensates non-employee directors for serving on the Board of Directors and reimburses them for expenses incurred in connection with Board of Directors meetings. During 2004, each non-employee director received as an annual retainer a grant of 2,000 restricted shares of Common Stock. The restricted shares were granted in accordance with the Company's Amended and Restated 1998 Long-Term Incentive Plan. The non-employee directors also received a \$2,000 fee per Board meeting attended, or a \$500 fee per Board meeting attended telephonically, and a \$500 fee per committee meeting attended. Mr. Wert receives an annual reimbursement of \$3,140 for a club membership.

Company Affiliations with the Board of Directors and Nominees

The following affiliation exists between the Company and nominees or directors:

Mr. Auletta served as President of KeyBank National Association in 2004 and is currently President Emeritus of KeyBank. The Company has a secured \$200,000,000 revolving credit facility of J. P. Morgan Chase Bank, N.A. (successor by merger to Bank One, N.A.), as lead arranger and lender. KeyBank is a participant in this credit facility in the amount of approximately \$38 million as syndication agent and lender. KeyBank received interest income and fee income during 2004 from the Company.

Amended and Restated 1998 Long-Term Incentive Plan (the 1998 Plan) permits the granting of stock options (either incentive stock options within the meaning of Section 422 of the Internal Revenue Code or nonstatutory stock options), stock appreciation rights, restricted shares, performance shares or stock awards. The 1998 Plan is administered by the Compensation Committee of the Board of Directors, which has authority to select officers and key employees to be participants and to determine the type and number of awards to be granted.

The number of shares currently available for grant under the 1998 Plan shall not exceed 1,650,000, subject to adjustment under certain circumstances when the number of outstanding shares changes. The option price for stock options granted under the 1998 Plan is fixed by the Compensation Committee, but in no event will it be less than the fair market value of the Company's Common Stock on the date of grant. The 1998 Plan continues in effect until terminated by the Board of Directors.

The Compensation Committee did not grant stock options to the Named Executive Officers of the Company under the 1998 Plan during 2004. The following table sets forth information regarding the value of unexercised options as of December 31, 2004.

Aggregated Option/ SAR Exercises in Last Fiscal Year and December 31, 2004 Option/ SAR Values

Robert D. Vilsack	5,000	\$ 106,600	3,333/16,667	\$ 74,893/363,907

(1) The Value of Unexercised In-the-Money Options/ SARs at December 31, 2004 was calculated by determining the difference between the fair market value of the underlying Common Stock at December 31, 2004 (the Nasdaq closing price of the Common Stock on December 31, 2004 was \$25.81) and the exercise price of the option. An option is In-the-Money when the fair market value of the underlying Common Stock exceeds the exercise price of the option.

Compensation Committee Report

The Compensation Committee of the Board of Directors has furnished the following report on executive compensation for fiscal 2004.

What is the Company's philosophy of executive officer compensation?

The Committee has structured its executive compensation program to support the objectives and entrepreneurial culture of the Company. The Company's compensation program for executives consists of three key elements:

a base salary,

a performance-based annual bonus, and

periodic grants of stock based compensation (options, restricted shares, etc.).

Under this approach, a substantial proportion of executive pay (bonus and stock-based compensation) is at risk. The variable annual bonus is based, in significant part, on Company performance. Stock-based compensation relates a significant portion of long-term remuneration directly to stock price appreciation and aligns the interests of executives with the interests of the Company's shareholders. We believe that this three-part approach best serves the interests of the Company and its shareholders.

Base salary. Base salaries for the Company's executive officers, other than the Chief Executive Officer, including any annual or other adjustments, are determined after taking into account recommendations by the Chief Executive Officer, after considering such factors as competitive industry salaries, a subjective assessment of the nature of the position and the contribution and experience of the officer and the length of the officer's service.

Annual Bonus. Awards of annual bonuses to executive officers, other than the Chief Executive Officer, are determined after taking into account recommendations by the Chief Executive Officer. In making his recommendations, the Chief Executive Officer considers the performance of the Company in meeting financial targets and each executive's individual efforts unrelated to Company financial performance. The financial targets are based on one or more of the following business criteria:

net income,

earnings before interest, taxes, depreciation and amortization,

return on assets,

earnings per share, or

any combination of the above.

Stock-Based Compensation. Awards of stock-based compensation to executive officers, other than the Chief Executive Officer, are determined after taking into account recommendations by the Chief Executive Officer.

All decisions to grant stock-based awards are in the sole discretion of the Compensation Committee. While such awards typically vest over a three-year period, awards granted to certain executive officers may have shorter vesting periods.

How is the Company's Chief Executive Officer compensated?

Mr. Crawford received a base salary of \$750,000 for 2003. After review, the Compensation Committee determined that Mr. Crawford's salary should not be increased for 2004.

Mr. Crawford is eligible to receive an annual bonus and stock-based compensation. Annual bonuses for Mr. Crawford are generally based upon the Company meeting certain performance targets. The Compensation Committee determined that the performance target for net income was met and Mr. Crawford was awarded a bonus in the amount of \$806,480 for the year ended December 31, 2004. Mr. Crawford received no new awards of stock-based compensation in 2004.

How is the Company addressing Internal Revenue Code limits on deductibility of compensation?

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public corporations for compensation over \$1,000,000 paid for any fiscal year to the corporation's chief executive officer and four other most highly-compensated executive officers as of the end of any fiscal year. However, the status exempts qualifying performance-based compensation from the deduction limit if certain requirements are met.

The Compensation Committee believes that it is generally in the Company's best interests to attempt to structure performance-based compensation, including stock option grants and annual bonuses, to executive officers who may be subject to Section 162(m) in a manner that satisfies the statute's requirements. However, the Committee also recognizes the need to retain flexibility to make compensation decisions that may not meet Section 162(m) standards when necessary to enable the Company to meet its overall objectives, even if the Company may not deduct all of the compensation. Accordingly, the Board and the Compensation Committee have expressly reserved the authority to award non-deductible compensation in appropriate circumstances.

During 2004, the members of the Compensation Committee were:

Lawrence O. Selhorst, *Chairman*

AUDIT COMMITTEE

Audit Committee Report

The Audit Committee oversees the Company's accounting and financial reporting processes and the audits of the Company's financial statements. The Committee selects the independent auditors. The Committee is composed of four directors, each of whom is independent as defined under the NASD listing requirements and SEC rules. Currently, the Audit Committee is composed of Messrs. Hatch, Auletta, Greene and Wert. The Committee operates under a written charter adopted by the Board of Directors.

Management is responsible for the Company's internal controls and financial reporting process. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with auditing standards generally accepted in the United States of America and to issue a report thereon. The Committee's responsibility is to monitor and oversee these processes.

In connection with these responsibilities, the Committee met with management and Ernst & Young LLP to review and discuss the audited consolidated financial statements for the year ended December 31, 2004. The Committee discussed with Ernst & Young LLP their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required by Statement on Auditing Standards No. 61 (*Communication with Audit Committees*). In addition, the Committee has received the written disclosures and the letter from Ernst & Young LLP required by Rule 3600T of the Public Company Accounting Oversight Board, which adopted on an interim basis, Independence Standards Board Standard No. 1 (*Independence Discussions with Audit Committees*), has discussed with Ernst & Young LLP its independence from management and has considered the compatibility of nonaudit services with the auditors' independence.

The Committee meets with the internal and independent auditors, with and without management present, to discuss the overall scope and plans for their respective audits, the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors, and the Board of Directors has approved, that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2004. We also selected Ernst & Young LLP as the Company's independent auditors for 2005.

Audit-related fees principally included fees in connection with pension plan audits and accounting consultations. Tax fees included tax compliance and tax planning.

Pre-approval policy

In accordance with SEC rules issued pursuant to the Sarbanes-Oxley Act of 2002, which were effective as of May 6, 2003 and require, among other things, that the Audit Committee pre-approve all audit and non-audit services provided by the Company's independent auditor, the Audit Committee has adopted a formal policy on auditor independence requiring the approval by the Audit Committee of all professional services rendered by the Company's independent auditor prior to the commencement of the specified services.

Since May 6, 2003, 100% of the services described in Audit Fees, Audit-Related Fees, Tax Fees, and All Other Fees were pre-approved by the Audit Committee in accordance with the Company's formal policy on auditor independence.

Appointment of Independent Auditors

The Audit Committee has appointed Ernst & Young LLP, registered independent public accounting firm, to audit and report on the consolidated financial statements of the Company for the fiscal year ending December 31, 2005 and to perform such other services as may be required of them. In making the appointment, the Audit Committee reviewed both the audit scope and estimated fees of Ernst & Young for the audit of the 2004 financial statements.

Representatives of Ernst & Young LLP will have an opportunity to make a statement at the Annual Meeting, if they so desire, and will be available to respond to appropriate shareholders' questions.

PERFORMANCE GRAPH

The graph and chart set forth below compare the cumulative total shareholder return of the Company's Common Stock for the five years ended December 31, 2004 to (a) the Total Return Index for the Nasdaq Stock Market (U.S. Companies), and (b) the S&P SmallCap Performance 600. In all cases shown, the chart assumes the investment of \$100 on December 31, 1999 and the reinvestment of all dividends.

The Company has chosen the data represented in the S&P SmallCap Performance 600 Index as an index of issuers with similar market capitalizations because the Company does not believe it can reasonably identify a peer group or select an appropriate published industry or line-of-business index. Such industry or line-of-business indices are comprised primarily of either retailers or manufacturers whose business is not substantially similar to the Company's businesses.
