On September 2, 2005, the Human Resources and Compensation Committee (the Compensation Committee) of the Board of Directors of Cardinal Health, Inc. (the Company) approved annual cash incentive award payments for fiscal 2005 to be paid in fiscal 2006 to each of the Company's executive officers (the Named Executive Officers) who are required to be included in the summary compensation table in the Company's proxy statement for its 2005 annual meeting of shareholders, which is expected to be filed with the Securities and Exchange Commission in September 2005, and to Jeffrey W. Henderson, the Company's Executive Vice President and Chief Financial Officer. Although the applicable pre-established corporate and business segment performance objectives were generally not achieved at levels necessary to trigger the amounts paid pursuant to the Company's annual cash incentive award program, the Compensation Committee exercised its judgment and discretion in determining that cash incentive awards should be paid based upon, among other things, individual performance and the desire to recognize the major efforts underway in developing a new organizational structure and implementing a strategic agenda that focuses on the long-term.

Following preliminary discussions by the Compensation Committee of anticipated cash incentive awards for fiscal 2005, Mr. Walter indicated that it was his desire that his ultimate bonus to be awarded by the Compensation Committee be reduced from the amount initially determined by the Committee. Mr. Walter requested that the amount reduced from the proposed bonus be used to provide an increased pool for the fiscal 2005 cash incentive awards of executive officers other than Mr. Fotiades and those executive officers who have fiscal 2005 bonus guarantees as part of their employment arrangements with the Company, which includes Mr. Henderson. Accordingly, the Compensation Committee has determined that the fiscal 2005 cash incentive awards to be paid by the Company are as follows:

Name	Cash Incentive Award
Robert D. Walter Chairman and Chief Executive Officer	\$ 1,585,851
George L. Fotiades President and Chief Operating Officer	\$ 683,839
Ronald K. Labrum Chairman and Chief Executive Officer Integrated Provider Solutions and Cardinal Health International	\$ 392,861
David L. Schlotterbeck Chairman and Chief Executive Officer Clinical Technologies and Services	\$ 200,203*
Anthony J. Rucci Executive Vice President and President of Strategic Corporate Resources	\$ 303,375
Jeffrey W. Henderson Executive Vice President and Chief Financial Officer	\$ 111,507*

* Messrs. Schlotterbeck's and Henderson's award amounts reflect the fact that they were participants in the Company's annual cash incentive award program for less than the full fiscal year.
