Amendment to Credit Agreement with JPMorgan Chase Bank, N.A.

On January 10, 2008, Park National Corporation, an Ohio corporation (Park), entered into an Amendment to Credit Agreement, dated as of January 10, 2008 (the Amendment), between Park, as the Borrower , and JPMorgan Chase Bank, N.A., as the Bank . The Amendment amends the Credit Agreement, dated as of March 12, 2007 (the Credit Agreement), between Park and the Bank. The Credit Agreement, as amended by the Amendment, is referred to as the Amended Credit Agreement . Pursuant to the Amendment, the aggregate principal sum available under the revolving line of credit facility provided for in the Amended Credit Agreement is increased from \$40,000,000 to \$50,000,000. In connection with the Amendment, Park executed a Line of Credit Note, dated January 10, 2008 (the Note), in favor of the Bank in the original principal amount of \$50,000,000. The Note was given by Park in replacement, renewal and/or extension of, but did not serve to extinguish the indebtedness evidenced by, the Line of Credit Note, dated March 12, 2007 (the Prior Note), executed by Park in favor of the Bank in the original principal amount of \$40,000,000. Under the Note, the interest rate payable by Park will be based on an adjusted one-month LIBOR Rate as described below.

The Bank has committed, subject to the terms and conditions set forth in the Amended Credit Agreement and the Note, to provide Park with a revolving line of credit facility in the aggregate principal sum of up to \$50,000,000 (the Credit Facility) with any outstanding amounts due and payable on January 31, 2009. The proceeds from the Credit Facility may be used for Park s working corporate purposes. As of the date of this Current Report on Form 8-K, there are no amounts outstanding under the Credit Facility.

The following description of the Credit Facility is qualified in its entirety by reference to (i) the Credit Agreement, a copy of which was filed as Exhibit 10.1(a) to Park s Current Report on Form 8-K filed on March 15, 2007; (ii) the Amendment, a copy of which is filed with this Current Report on Form 8-K as Exhibit 10.1; and (iii) the Note, a copy of which is filed with this Current Report on Form 8-K as Exhibit 10.2; each of which is incorporated herein by this reference.

Interest. Interest on the outstanding balance under the Credit Facility is payable at a rate (the Note Rate) equal to: (i) the sum of (a) the one-month LIBOR Rate (as defined in the Note) and (b) 0.95% per annum. As of the date of the Amendment (January 10, 2008), Park believes that if there had been any advances initiated on January 10, 2008, they would have borne interest at a per annum rate equal to 5.27%.

Optional Prepayments. Park may prepay any advance under the Credit Facility only at the end of an Interest Period (as defined in the Note).

Table of Contents

Security for the Credit Facility. Park's obligations under the Credit Facility are not secured.

Representations and Warranties; Covenants; Events of Default. The terms of the Credit Facility include customary representations and warranties, customary affirmative and negative covenants and customary events of default.

At any time after the occurrence of an event of default under the Credit Facility, the Bank may, among other options, declare any amounts outstanding under the Credit Facility immediately due and payable and terminate any commitment to make further advances to Park under the Credit Facility. In addition, after a default has occurred under the Credit Facility, whether or not the Bank elects to accelerate the maturity of the Credit Facility because of such default, all advances under the Credit Facility will bear interest at a per annum rate equal to the Note Rate plus three percent (3.00%) from the date the Bank elects to impose such rate.
