Item 1.01 Entry into a Material Definitive Agreement.

On December 6, 2006, the Registrant entered into a \$1,000,000 line of credit agreement ("Credit Agreement") with Pharmachem Laboratories, Inc. Money borrowed under said agreement may be repaid and repeatedly reborrowed. Loans under the Credit Agreement bear interest at prime plus 1.5% and are secured by assets of the Registrant (other than real property). All accrued and unpaid interest is payable monthly in arrears on the first of each month. The Registrant is already a party to a loan with Pharmachem Laboratories, Inc., pursuant to which it borrowed \$100,000 at an interest rate of 10%, secured by a second lien on real property of the Registrant. Under the Credit Agreement the existing \$100,000 loan plus accrued interest will be repaid by an automatic drawdown on the line of credit. As a result of the foregoing and the \$200,000 advance extended to the Registrant on November 27, 2006, as described in Item 2.03, which is incorporated herein by reference, in excess of \$300,000 are currently outstanding under the Credit Agreement. All loans under the Credit Agreement are due and payable on December 5, 2007.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation Under an Off Balance Sheet Arrangement

On November 27, 2006 the Registrant received a loan of \$200,000 from Pharmachem Laboratories, Inc. The terms of the loan were finalized on December 6, 2006 and are set forth in Item 1.01, which is incorporated herein by reference.

Item 5.02 Departure of Directors or Principal Officers, Election of Directors, Appointment of Principal Officers.

(a)(1) Resignation of Director

On November 30, 2006 Rajiv Mathur, resigned as a member of the Board of Directors of the Registrant. Mr. Mathur was a member of the Organization and Compensation Committee, the Audit Committee and the Nominating Committee of the Registrant. The Registrant believes Mr. Mathur resigned because he disagreed with financing alternatives that the Registrant was exploring. A copy of Mr. Mathur's letter of resignation is attached as Exhibit 99.1.

Item 8.01 Other Events.

On November 30, 2006, DermWorx, Inc. ("DermWorx") wired to the Registrant \$250,000 for rights to a certain product pursuant to a certain product development and manufacturing agreement between the Registrant and DermWorx. The Registrant currently owns approximately 19.9% of the issued and outstanding shares of DermWorx, however such percentage is subject to dilution as DermWorx issues additional securities. Pursuant to the agreement, DermWorx must pay the Registrant an additional \$750,000 by February 15, 2007 to be credited against development of other products. If Dermworx fails to make such payment it will lose the rights to certain specified products.
