PRELIMINARY SHORT FORM BASE SHELF PROSPECTUS

New Issue

December 15, 2011

ROGERS COMMUNICATIONS INC.

US\$4,000,000,000
Debt Securities

We may offer from time to time, during the 25-month period that this prospectus, including any amendments hereto, remains valid, debt securities in an aggregate amount not to exceed US\$4,000,000,000 (or its equivalent in any other currency used to denominate the debt securities at the time of offering). These debt securities may consist of debentures, notes or other types of debt and may be issuable in one or more series. The basis for calculating the dollar value of debt securities distributed under this prospectus will be the aggregate principal amount of debt securities that we issue except in the case of any debt securities that are issued at an original issue discount, the dollar value of which will be calculated on the basis of the gross proceeds that we receive.

This offering is made by a foreign issuer that is permitted, under a multijurisdictional disclosure system adopted by the United States, to prepare this prospectus in accordance with the disclosure requirements of its home country. Prospective investors should be aware that such requirements are different from those of the United States. The financial statements included or incorporated herein, if any, have been prepared in accordance with foreign generally accepted accounting principles, and may be subject to foreign auditing and auditor independence standards, and thus may not be comparable to financial statements of United States companies.

Prospective investors should be aware that the acquisition of the securities described herein may have tax consequences both in the United States and Canada. Such consequences for investors who are resident in, or citizens of, the United States are not described herein and may not be fully described in any applicable prospectus supplement.

The enforcement by investors of civil liabilities under the United States federal securities laws may be affected adversely by the fact that we are incorporated or organized under the laws of a foreign country, that some or all of our officers and directors may be residents of a foreign country, that some or all of the underwriters or experts named in the registration statement may be residents of a foreign country and that all or a substantial portion of our assets and said persons may be located outside the United States.

THESE SECURITIES HAVE NOT BEEN APPROVED OR DISAPPROVED BY THE SECURITIES AND EXCHANGE COMMISSION NOR HAS THE COMMISSION PASSED UPON THE ACCURACY OR ADEQUACY OF THIS PROSPECTUS. ANY REPRESENTATION TO THE CONTRARY IS A CRIMINAL OFFENSE.

The debt securities offered hereby have not been qualified for sale under the securities laws of any province or territory of Canada (other than the Province of Ontario) and, unless otherwise provided in the prospectus supplement relating to a particular issue of debt securities, will not be offered or sold, directly or indirectly, in Canada or to any resident of Canada except in the Province of Ontario.

Table of Contents

The debt securities may be offered separately or together, in amounts, at prices and on terms to be determined based on market conditions and other factors. We will provide the specific terms of any debt securities we offer in one or more prospectus supplements which will accompany this prospectus. You should read this prospectus and any applicable prospectus supplement carefully before you invest. This prospectus may not be used to offer debt securities unless accompanied by a prospectus supplement.

We may sell debt securities to or through underwriters or dealers purchasing as principals, and may also sell debt securities to one or more purchasers directly or through agents. The prospectus supplement relating to a particular issue of debt securities will identify each underwriter, dealer or agent engaged by us in connection with the offering and sale of that issue, and will set forth the terms of the offering of such issue, including, to the extent applicable, the proceeds to be received by us and any compensation payable to underwriters, dealers or agents. In connection with any offering of debt securities, the underwriters or agents may over-allot or effect transactions which stabilize or maintain the market price of the debt securities offered at levels other than those that otherwise might prevail on the open market. Such transactions, if commenced, may be discontinued at any time. See “Plan of Distribution”.

Unless otherwise specified in the applicable prospectus supplement, each issue of debt securities will be a new issue of debt securities with no established trading market. There is currently no market through which the debt securities may be sold and purchasers may not be able to resell the debt securities purchased under this prospectus. This may affect the pricing of the debt securities in the secondary market, the transparency and availability of trading prices, the liquidity of the debt securities, and the extent of issuer regulation. See “Risks Related to the Notes” in the applicable prospectus supplement.

The debt securities may be sold from time to time in one or more transactions at a fixed price or prices or at non-fixed prices. If offered on a non-fixed price basis, debt securities may be offered at market prices prevailing at the time of sale, at prices related to such prevailing market prices or at prices to be negotiated with purchasers. The price at which the debt securities will be offered and sold may vary from purchaser to purchaser and during the distribution period.

References to this “prospectus” include documents incorporated by reference herein. We have not authorized anyone to provide you with information that is different. We are not making an offer of these debt securities in any jurisdiction where the offer is not permitted by law.

Except as set forth under “Description of Debt Securities” or unless the context otherwise requires, in this prospectus (excluding the documents incorporated by reference herein) the terms “RCI”, “Company”, “we”, “us” and “our” refer to Rogers Communications Inc. and its subsidiaries, references to “Cdn\$” and “\$” are to Canadian dollars, and references to “U.S. dollars” or “US\$” are to United States dollars.

All information permitted under applicable laws to be omitted from this prospectus will be contained in one or more prospectus supplements that will be delivered to purchasers together with this prospectus. Each prospectus supplement will be incorporated by reference into this prospectus for the purposes of securities legislation as of the date of the prospectus supplement and only for the purposes of the distribution of those debt securities to which the prospectus supplement pertains. We have filed an undertaking with the Ontario Securities Commission that we will not distribute under this prospectus specified derivatives or asset-backed securities that, at the time of distribution, are novel without pre-clearing with the Ontario Securities Commission the disclosure to be contained in the prospectus supplement pertaining to the distribution of such securities.

We have prepared our audited consolidated financial statements as at and for the years ended December 31, 2010 and 2009 in accordance with generally accepted accounting principles in Canada (“Canadian GAAP”), which were in effect at the date of such financial statements. On January 1, 2011, we commenced reporting under Canadian GAAP as revised to incorporate International Financial Reporting Standards as issued by the International Accounting Standards Board (“IFRS”). As a result, our unaudited interim consolidated financial statements as at September 30, 2011 and for the three and nine months ended September 30, 2011 and 2010 have been prepared in accordance with IFRS. The presentation and disclosure of financial information under Canadian GAAP as in effect prior to January 1, 2011 and IFRS may be materially different. A description of the material differences between these two bases of accounting is provided in Notes 2 and 3 to our unaudited interim consolidated financial statements as at and for the periods ended March 31, 2011 and September 30, 2011 and details of our conversion to IFRS are provided in our management’s discussion and analysis in respect of those statements, which are incorporated by reference herein. Any future changes to current IFRS as issued by the International Accounting Standards Board relative to the accounting policies that we have selected at the transition to IFRS from Canadian GAAP may impact our unaudited interim consolidated financial statements as at September 30, 2011 and for the three and nine months ended September 30, 2011 and 2010. Our financial statements are stated in Canadian dollars.

Such transactions, if commenced, may be discontinued at any time. Certain underwriters, dealers or agents may make a market in the debt securities but will not be obligated to do so and may discontinue any market making at any time without notice. DESCRIPTION OF DEBT SECURITIES

We may offer unsecured general obligations or secured obligations, which may be senior (the “senior debt securities”) or subordinated (the “subordinated debt securities”). The senior debt securities and the subordinated debt securities are together referred to in this prospectus as the “debt securities”. Unless otherwise provided in a prospectus supplement, the senior debt securities will have the same rank as all our other unsubordinated debt. The subordinated debt securities may be senior or junior to, or rank *pari passu* with, our other subordinated obligations and will be entitled to payment only after payment on our senior indebtedness. Any debt securities we sell under this prospectus must be, at the time of sale, investment grade securities, as defined in General Instruction I.A to Form F-9, as promulgated from time to time by the SEC, and will not be convertible for a period of at least one year from the time of sale.

The following description sets forth certain general terms of the debt securities. The particular terms of a series of debt securities offered by any prospectus supplement and the extent, if any, to which such general terms may apply to those debt securities will be described in the related prospectus supplement. Accordingly, for a description of the terms of a particular issue of debt securities, reference must be made to both the related prospectus supplement and to the following description. Prospective investors should rely on information in the applicable prospectus supplement if it is different from the following information. In this description, the words “we”, “us”, “our”, “RCI” and “Rogers Communication Inc.” refer to Rogers Communications Inc. (or its successors, if any) and not any of its subsidiaries.

Unless otherwise specified in a prospectus supplement, the senior debt securities and the subordinated debt securities will be issued under the base indenture (the “base indenture”) between us and The Bank of New York Mellon, as trustee, dated as of August 6, 2008, as supplemented by one or more supplemental indentures. A copy of the base indenture is attached as an exhibit to the registration statement of which this prospectus forms a part. A copy of the base indenture may also be obtained over the Internet at the Canadian Securities Administrators’ website at www.sedar.com. When we issue a series of debt securities, the terms and provisions that are particular to those securities will be set forth in a supplemental indenture. When we refer to the “indenture” in this prospectus in respect of a particular series of debt securities, we are referring to the base indenture, as supplemented by the supplemental indenture applicable to such series. The following summary is of certain provisions of the base indenture and certain general features of the debt securities and this summary does not purport to be complete and is subject to, and is qualified in its entirety by reference to, all the provisions of the base indenture and the applicable provisions of the United States Trust Indenture Act of 1939 (the “TIA”), as amended.

General

The base indenture does not limit the amount of debt securities that may be issued. The debt securities may be issued in one or more series as may be authorized from time to time. The particular terms of any series of debt securities will be established at the time of issuance and will be described in the applicable prospectus supplement. These terms may include, but are not limited to, any of the following where applicable:

the title of that series,

any limit on the amount that may be issued in respect of that series,

whether we will issue the series of debt securities in global form and, if so, who the depositary will be,

the maturity date of the debt securities,

whether the debt securities are to be issued at an original issue discount and/or whether the debt securities are to be interest bearing,

if the debt securities are to be interest bearing, the annual interest rate or interest basis upon which the annual interest rate may be determined, any credit spread or margin over such interest rate, which may be fixed or variable, or any other method for determining the interest rate and the date interest will begin to accrue, the dates interest will be payable and the regular record dates for interest payment dates or the method for determining such dates,

Table of Contents

whether the debt securities will be secured or unsecured and, if secured, the terms of any security provided, any guarantees, including the terms of any such guarantees,

the ranking of the series of debt securities relative to our other debt and the terms of the subordination of any series of subordinated debt securities,

the place where payments will be payable,

our right, if any, to defer payment of interest and the maximum length of any such deferral period,

the date, if any, after which, and the price at which, we may, at our option, redeem the series of debt securities pursuant to any optional redemption provisions,

the date, if any, on which, and the price at which, we are obligated, pursuant to any mandatory sinking fund provisions or otherwise, to redeem or, at the holders' option, to purchase, the series of debt securities,

whether any covenants or events of default in addition to, or that are different from, those provided in the base indenture will apply to the series of debt securities,

the price at which the debt securities will be issued or whether the debt securities will be issued on a non-fixed price basis,

the currency or currencies in which the debt securities are being sold and in which the principal of, and interest, premium or other amounts, if any, on, such debt securities will be payable,

the denominations in which we will issue the series of debt securities, and

any other specific material terms, preferences, rights or limitations of, or restrictions on, the series of debt securities.

Unless otherwise provided in the applicable prospectus supplement, any guarantee in respect of debt securities would fully and unconditionally guarantee the payment of the principal of, and interest and premium, if any, on, such debt securities when such amounts become due and payable, whether at maturity thereof or by acceleration, notice of redemption or otherwise. In addition, if there is more than one guarantor for any debt securities, the guarantees would be joint and several as between the guarantors. We expect any guarantee provided in respect of senior debt securities would constitute a senior unsecured obligation of the applicable guarantor. Other debt securities that we may issue also may be guaranteed and the terms of such guarantees (including any subordination) would be described in the applicable prospectus supplement and set forth in the applicable supplemental indenture. If any debt securities are to be guaranteed, we expect that Rogers Communications Partnership ("RCP"), an Ontario partnership, would be the guarantor. RCP is our wholly-owned subsidiary.

One or more series of debt securities may be sold at a discount below or premium above their stated principal amount, and may bear no interest or interest at a rate that at the time of issuance is below or above market rates. One or more series of debt securities may be variable rate debt securities that may be exchanged for fixed rate debt securities.

Debt securities may be issued where the amount of principal and/or interest payable is determined by reference to one or more currency exchange rates, commodity prices, equity indices, securities, instruments, loans or other

factors. Holders of such securities may receive a principal amount or a payment of interest that is greater than or less than the amount of principal or interest otherwise payable on such dates, depending upon the value of the applicable currencies, commodities, equity indices, securities, instruments, loans or other factors. Information as to the methods for determining the amount of principal or interest, if any, payable on any date, and the currencies, commodities, equity indices, securities, instruments, loans or other factors to which the amount payable on such date is linked, will be set forth in the applicable prospectus supplement.

The term debt securities includes debt securities denominated in Canadian dollars, U.S. dollars or, if specified in the applicable prospectus supplement, in any other freely transferable currency or units based on or relating to foreign currencies.

Form, Denomination, Exchange and Transfer

We expect most debt securities to be issued in fully registered form without coupons and in denominations of Cdn\$1,000 or US\$1,000 and any integral multiple thereof.

Subject to the limitations provided in the indenture and except as otherwise provided in the applicable prospectus supplement, debt securities that are issued in registered form may be transferred or exchanged at the office of the trustee maintained in the Borough of Manhattan, The City of New York or the principal corporate trust office of the trustee, without the payment of any service charge, other than any tax or other governmental charge payable in connection therewith.

Table of Contents

Optional Redemption

The debt securities will be redeemable, in whole or in part, at the option of RCI at any time at the applicable redemption price specified in the applicable prospectus supplement.

Notice of any redemption will be given at least 30 days but not more than 60 days before the redemption date to each holder of the debt securities to be redeemed.

Unless RCI defaults in payment of the applicable redemption price, on and after the redemption date, interest will cease to accrue on the debt securities or portions of the debt securities called for redemption.

In the case of a partial redemption of debt securities, selection of debt securities from such series for redemption will be made on a pro rata basis. If any debt security is redeemed in part, the notice of redemption relating to such debt security shall state the portion of the principal amount thereof to be redeemed; provided that no debt security in an aggregate principal amount of Cdn\$1,000 or US\$1,000, as the case may be, or less shall be redeemed in part. A replacement debt security in principal amount equal to the unredeemed portion thereof will be issued in the name of the holder thereof upon cancellation of the original debt security.

Redemption Upon Changes in Withholding Taxes

Each series of debt securities will also be subject to redemption as a whole, but not in part, at the option of RCI at any time, on not less than 30 nor more than 60 days' prior written notice, at 100% of the principal amount, together with accrued interest thereon to the redemption date, in the event RCI has become or would become obligated to pay, on the next date on which any amount would be payable with respect to such series of debt securities, any Additional Amounts with respect to such series of debt securities as a result of a change in the laws (including any regulations promulgated thereunder) or treaties of Canada (or any political subdivision or taxing authority thereof or therein), or any change in any official position regarding the application or interpretation of such laws, regulations or treaties, which change is announced or becomes effective on or after the date of issuance of such series. See the subsection entitled "— Additional Amounts".

Convertible Debt Securities

The prospectus supplement will describe, if applicable, the terms on which the debt securities will be convertible into equity of RCI. The prospectus supplement will describe how the number of shares of RCI to be received would be calculated and the anti-dilution protections, if any. No debt securities will be convertible for a period of at least one year from the time of sale.

Certain Covenants

The following describes certain covenants contained in the base indenture. The base indenture also contains certain covenants not described herein. To the extent any additional or different covenants will apply to a particular series of debt securities, this will be set forth in the supplemental indenture relating to such series of debt securities and described in the applicable prospectus supplement.

Provision of Financial Information

RCI shall supply without cost to each holder of the debt securities, and file with the trustee within 30 days after RCI is required to file the same with the Commission, copies of the annual reports and quarterly reports and of the information, documents and other reports which RCI may be required to file with the Commission pursuant to Section 13 or 15(d) of the Exchange Act.

If RCI is not required to file with the Commission such reports and other information, unless otherwise indicated in the applicable prospectus supplement, RCI will furnish (without cost) to each holder of the debt securities and file with the trustee (i) within 120 days after the end of each fiscal year, its audited year-end financial statements prepared in accordance with GAAP and substantially in the form prescribed by applicable Canadian regulatory authorities for Canadian public reporting companies (whether or not RCI is a public reporting company at the time), (ii) within 60 days after the end of each of the first three fiscal quarters of each fiscal year, its interim unaudited financial statements for such fiscal quarter prepared in accordance with GAAP and substantially in the form prescribed by applicable Canadian regulatory authorities for Canadian public reporting companies (whether or not RCI is a public reporting company at the time). RCI shall also make such reports available to prospective purchasers of the debt securities,

securities analysts and broker-dealers upon their request.

Mergers, Amalgamations and Sales of Assets by RCI

RCI may not amalgamate or consolidate with or merge with or into any other Person or convey, transfer, lease or otherwise dispose of its properties and assets substantially as an entirety to any Person by liquidation, winding-up or otherwise (in one transaction or a series of related transactions) unless: (a) either (1) RCI is the continuing corporation or (2) the Person (if other than RCI) formed by such consolidation or amalgamation or into which RCI is merged or the Person which acquires by conveyance, transfer, lease or other disposition the properties and assets of RCI substantially as an entirety (i) is a corporation, company, partnership or trust organized and validly existing under (A) the federal laws of Canada or the laws of any Province thereof or (B) the laws of the United States or any State thereof or the District of Columbia, and (ii) assumes by operation of law or expressly assumes, by a supplemental indenture with respect to all debt securities of each series outstanding under the indenture, all of the obligations of RCI under such debt securities; and (b) immediately after giving effect to such transaction (and, to the extent applicable to any additional covenants of a particular series of debt securities, treating any Debt which becomes an obligation of RCI or a Subsidiary in connection with or as a result of such transaction as having been incurred at the time of such transaction), no Default or Event of Default shall have occurred and be continuing.

Table of Contents

In the event of any transaction described in and complying with the conditions listed in the immediately preceding paragraph in which RCI is not the continuing corporation, the successor or continuing Person formed or remaining will succeed to, and be substituted for, and may exercise every right and power of, RCI under the indenture, and thereafter RCI will, except in the case of a lease, be discharged from all obligations and covenants under the indenture and the outstanding debt securities of each series.

Events of Default

Unless otherwise indicated in the applicable prospectus supplement of a particular series of debt securities, an Event of Default will occur with respect to a series of debt securities if:

- (a) there is a failure to pay when due the principal of (or any applicable redemption price of) any of the debt securities of such series; or
- (b) there is a failure to pay any interest or any Additional Amounts on any of the debt securities of such series for 30 days after the date when due; or
- (c) RCI or any Restricted Subsidiary fails to perform or observe any other covenant that is applicable to such series of debt securities contained in the indenture for a period of 60 days after written notice of such failure has been given to RCI by the trustee or to RCI and the trustee by the holders of 25% or more in aggregate principal amount of the outstanding debt securities of such series; or
- (d) (i) there shall have occurred one or more defaults of RCI or any Restricted Subsidiary in the payment of the principal of or premium on any indebtedness for money borrowed having an aggregate principal amount in excess of the greater of \$100.0 million and 3.5% of Shareholders' Equity, when the same becomes due and payable at the Stated Maturity thereof, and such default or defaults shall continue after any applicable grace period and have not been cured or waived or (ii) there shall occur and be continuing any acceleration of the maturity of the principal amount of any indebtedness for money borrowed of RCI or any Restricted Subsidiary having an aggregate principal amount in excess of the greater of \$100.0 million and 3.5% of Shareholders' Equity and, in any case referred to in the foregoing clause (i), such Debt has not been paid or, in any case referred to in the foregoing clause (ii), such acceleration has not been rescinded or annulled, in each case within 10 days of such non-payment or acceleration; or
- (e) any judgments or orders aggregating an amount in excess of the greater of \$100.0 million and 3.5% of Shareholders' Equity rendered against RCI or any Restricted Subsidiary remain unsatisfied and unstayed for 60 consecutive days; or
- (f) certain events of bankruptcy, insolvency or reorganization affecting RCI or any Restricted Subsidiary shall occur.

Except as otherwise provided in the applicable prospectus supplement, if an Event of Default (other than an Event of Default specified in clause (f) above) occurs and is continuing in respect of any series of debt securities, the trustee or the holders of not less than 25% in aggregate principal amount of the outstanding debt securities of such affected series may declare the principal of all outstanding debt securities of such series due and payable. If an Event of Default specified in clause (f) above occurs and is continuing in respect of a series of debt securities, then the principal of all outstanding debt securities of such series will become due and payable without any declaration or other act on the part of the trustee or any holder of such series.

At any time after a declaration of acceleration with respect to a series of debt securities has been made, but before a judgment or decree for payment of the money due has been obtained by the trustee, the holders of a majority in aggregate principal amount of the outstanding debt securities of such accelerated series acting in writing may, on behalf of the holders of all the debt securities of such individual accelerated series, rescind and annul such declaration of acceleration and its consequences if (a) RCI has paid or deposited, or caused to be paid or deposited, with the trustee a sum sufficient to pay (i) all sums paid or advanced by the trustee with respect to such series of debt securities and the reasonable compensation, expenses, disbursements and advances of the trustee, its agents and counsel, (ii) the principal of, and interest, premium or other amounts, if any, on, any debt securities of such series that have become due and payable otherwise than by such declaration of acceleration, and (iii) to the extent provided in the applicable prospectus supplement and to the extent that payment of such interest is lawful, interest upon overdue interest at the rate provided for such purpose in the prospectus supplement for such series; and (b) all Events of Default, other than the non-payment of principal of, or interest, premium or other amounts, if any, on, the debt securities of such series which have become due solely by such declaration of acceleration, have been cured or waived.

The base indenture contains a provision entitling the trustee to be funded and indemnified by the holders of debt securities of the applicable series before proceeding to exercise any right or power under the indenture at the request or direction of such holders. Subject to such provisions for funding and indemnification of the Trustee and certain other limitations and conditions contained in the base indenture, the base indenture provides that the holders of a majority in aggregate principal amount of outstanding debt securities of the applicable series may direct the time, method and place of conducting any proceeding for any remedy available to the trustee or exercising any trust or power conferred upon the trustee under the indenture. The base indenture provides that no holder of debt securities of any series may pursue a remedy with respect to the indenture except under certain circumstances where the trustee has failed to act.

Table of Contents

During the existence of an Event of Default, the trustee is required to exercise such rights and powers vested in it under the indenture and use the same degree of care and skill in its exercise as a prudent person would exercise under the circumstances in the conduct of such person's own affairs.

RCI will be required to furnish to the trustee annually a statement as to any default by RCI in the performance and observance of its obligations under the indenture.

Defeasance and Covenant Defeasance of Indenture

Unless otherwise indicated in the relevant prospectus supplement of a particular series of debt securities, RCI may, at its option, and at any time, elect to have the obligations of RCI (and any applicable guarantors) discharged with respect to all outstanding debt securities or all outstanding debt securities of any series. We refer to this discharge of obligations as "defeasance". Defeasance means that RCI (and any such guarantors) will be deemed to have paid and discharged the entire indebtedness represented by the applicable outstanding debt securities and to have satisfied its other obligations under the indenture with respect to those debt securities, except for (i) the rights of holders of such outstanding debt securities to receive, solely from the trust fund described in the paragraph below, payments in respect of the principal of (and premium, if any) and interest on such debt securities when such payments are due, (ii) RCI's obligations under the indenture with respect to such debt securities relating to the issuance of temporary debt securities, the registration, transfer and exchange of debt securities, the replacement of mutilated, destroyed, lost or stolen debt securities, the payment of Additional Amounts, the maintenance of any office or agency for payments in respect of such debt securities, the holding of money for security payments in trust and statements as to compliance with such indenture, (iii) RCI's obligations under the indenture in connection with the rights, powers, trusts, duties and immunities of the trustee, (iv) the defeasance provisions of the indenture and (v) RCI's right of redemption in the event of Additional Amounts becoming payable under certain circumstances.

In addition, RCI may, at its option and at any time, elect to be released from its obligations (and to release any applicable guarantors from their obligations) with respect to certain covenants in respect of any series of debt securities under the indenture (including those described under the subsections entitled "—Provision of Financial Information" and "—Mergers, Amalgamations and Sales of Assets by RCI") and any and all additional and different covenants identified in the applicable prospectus supplement of such series of debt securities (unless otherwise indicated in such prospectus supplement) ("covenant defeasance") and any omission to comply with such obligations thereafter shall not constitute a Default or an Event of Default with respect to that series of debt securities. In the event we exercise covenant defeasance in respect of a series, the events (excluding failure to pay and bankruptcy and insolvency events) described under the subsection entitled "—Events of Default", as well as any additional and different Events of Default specified in the prospectus supplement of such series, will no longer constitute Events of Default with respect to the debt securities of such series.

In order to exercise either defeasance or covenant defeasance, (i) RCI must irrevocably deposit with the trustee, in trust, cash in the currency or currencies in which such debt securities are payable, certain Government Obligations, or a combination thereof in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants or chartered accountants, to pay the principal of (and premium, if any, on) and interest on the outstanding debt securities of such series on the Stated Maturity (or redemption date, if applicable) of such principal (and premium, if any) or installment of interest; (ii) in the case of defeasance, RCI shall have delivered to the trustee an opinion of counsel in the United States stating that (x) RCI has received from, or there has been published by, the Internal Revenue Service a ruling or (y) since the date of the applicable supplemental indenture with respect to a series of debt securities, there has been a change in the applicable U.S. federal income tax law, in either case to the effect that, and based thereon such opinion of counsel shall confirm that, the holders of the outstanding debt securities of such series will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such

defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such defeasance had not occurred; (iii) in the case of covenant defeasance, RCI shall have delivered to the trustee an opinion of counsel in the United States to the effect that the holders of the outstanding debt securities of such series will not recognize income, gains or loss for U.S. federal income tax purposes as a result of such covenant defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such covenant defeasance had not occurred; (iv) in the case of defeasance or covenant defeasance, RCI shall have delivered to the trustee an opinion of counsel in Canada to the effect that holders of the outstanding debt securities of such series will not recognize income, gain or loss for Canadian federal or provincial income tax or other tax (including withholding tax) purposes as a result of such defeasance or covenant defeasance, as applicable, and will be subject to Canadian federal or provincial income tax and other tax (including withholding tax) on the same amounts, in the same manner and at the same times as would have been the case if such defeasance or covenant defeasance, as applicable, had not occurred (which condition may not be waived by any holder or the trustee); and (v) RCI must comply with certain other conditions.

Additional Amounts

All payments made by RCI under or with respect to the debt securities will be made free and clear of and without withholding or deduction for or on account of any present or future tax, duty, levy, impost, assessment or other governmental charge imposed or levied by or on behalf of the Government of Canada or of any province or territory thereof or by any authority or agency therein or thereof having power to tax (hereinafter “Taxes”), unless RCI is required to withhold or deduct Taxes by law or by the interpretation or administration thereof. If RCI is so required to withhold or deduct any amount for or on account of Taxes from any payment made under or with respect to the debt securities, RCI will pay as interest such additional amounts (“Additional Amounts”) as may be necessary so that the net amount received by each holder of such debt securities in respect of a beneficial owner (including Additional Amounts) after such withholding or deduction will not be less than the amount such holder would have received in respect of the beneficial owner if such Taxes had not been withheld or deducted; provided that no Additional Amounts will be payable with respect to a payment made to a holder of debt securities in respect of a beneficial owner (each an “Excluded Person”) (i) with which RCI does not deal at arm’s length (within the meaning of the Income Tax Act (Canada)) at the time of making such payment, (ii) which is subject to such Taxes by reason of its being connected with Canada or any province or territory thereof otherwise than by the acquisition or mere holding of debt securities or the receipt of payments thereunder, (iii) which is subject to such Taxes by reason of its failure to comply with any certification, identification, documentation or other reporting requirements if compliance is required by law, regulation, administrative practice or an applicable treaty as a pre-condition to exemption from, or a reduction in the rate of deduction or withholding of, such Taxes, (iv) if the debt securities are presented for payment more than 15 days after the date on which such payment or such debt securities became due and payable or the date on which payment thereof is duly provided for, whichever is later (except to the extent that the holder would have been entitled to such Additional Amounts had the debt securities been presented on the last day of such 15-day period) or (v) to the extent that such withholding is imposed on a payment to a holder or beneficial owner who is an individual pursuant to European Union Directive 2003/48/EC on the taxation of savings or any law implementing or complying with, or introduced in order to conform to, such Directive. RCI will also (a) make such withholding or deduction and (b) remit the full amount deducted or withheld to the relevant authority in accordance with applicable law. Upon the written request of a holder of debt securities, RCI will furnish, as soon as reasonably practicable, to such holder of debt securities certified copies of tax receipts evidencing such payment by RCI. RCI will indemnify and hold harmless each holder of debt securities in respect of a beneficial owner (other than an Excluded Person) and, upon written request of any holder of debt securities (other than an Excluded Person), reimburse such holder for the amount of (i) any such Taxes so levied or imposed and paid by such holder as a result of any failure of RCI to withhold, deduct or remit to the relevant tax authority, on a timely basis, the full amounts required under applicable law; and (ii) any such Taxes so levied or imposed with respect to any reimbursement under the foregoing clause (i), so that the net amount received by such holder in respect of a beneficial owner after such reimbursement would not be less than the net amount such holder would have received in respect of the beneficial owner if such taxes on such reimbursement had not been imposed.

At least 30 days prior to each date on which any payment under or with respect to the debt securities is due and payable, if RCI will be obligated to pay Additional Amounts with respect to such payment, RCI will deliver to the trustee an officer’s certificate stating the fact that such Additional Amounts will be payable, stating the amounts so payable and setting forth such other information necessary to enable the trustee, on behalf of the Company, to pay such Additional Amounts to holders of debt securities on the payment date. Whenever in the indenture there is mentioned, in any context, the payment of principal (and premium, if any), redemption price, interest or any other amount payable under or with respect to any debt securities, such mention shall be deemed to include mention of the payment of Additional Amounts to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

In the event that RCI has become or would become obligated to pay, on the next date on which any amount would be payable under or with respect to the debt securities of any series, any Additional Amounts as a result of certain changes affecting Canadian withholding tax laws, RCI may redeem all, but not less than all, the debt securities of such series at any time at 100% of the principal amount, together with accrued interest thereon to the redemption date. See the subsection entitled “— Redemption Upon Changes in Withholding Taxes”.

Modification and Waiver

Modifications and amendments to the indenture, including to any supplemental indenture relating to a series of debt securities, or the particular terms and conditions of any series of debt securities may be made by RCI (and any applicable guarantors) and the trustee, and will be made by the trustee on the request of RCI, with the consent of the holders of not less than a majority in aggregate principal amount of outstanding debt securities of each such series issued under the indenture to which such modification or amendment will apply; provided, however, that no such modification or amendment may, without the consent of the holder of each outstanding debt security of such series affected thereby: (i) change the Stated Maturity of the principal of, or any installment of interest on, any such debt security, or reduce the principal amount thereof or the rate of interest thereon, or reduce the redemption price thereof, or change the coin or currency in which any such debt security or any premium or the interest thereon is payable, or impair the right to institute suit for the enforcement of any such payment after the Stated Maturity thereof (or, in the case of redemption, on or after the applicable redemption date); (ii) reduce the percentage in principal amount of outstanding debt securities of such series, the consent of whose holders is necessary to amend or waive compliance with certain provisions of the base indenture or the supplemental indenture applicable to such series or to waive certain Defaults; or (iii) modify any of the provisions relating to the modification or amendment of the base indenture or the particular terms and conditions of such series which provisions require the consent of holders of outstanding debt securities of such series or relating to the waiver of past Defaults, except to increase the percentage of outstanding debt securities of such series the consent of whose holders is required for such actions or to provide that certain other provisions of the base indenture or the supplemental indenture applicable to such series cannot be modified or waived without the consent of the holder of each debt security of such series affected thereby.

Table of Contents

In addition, modifications and amendments to the indenture or the particular terms and conditions of any series of debt securities may be made by RCI (and any applicable guarantors) and the trustee without the consent of any holders of debt securities in order to, among other things, (i) provide certain additional rights or benefits to the holders of any series of debt securities, (ii) cure any ambiguity or correct or supplement any defective or inconsistent provision or make any other change to the indenture or a series of debt securities, provided, in each case, that such modification or amendment does not adversely affect the interests of the holders of debt securities of any such series in any material respect, and (iii) give effect to any direction or other act of the holders of a series of debt securities permitted to be given, made or taken under the indenture.

Any modification or amendment to the indenture or the particular terms and conditions of a series of debt securities that is permitted or authorized for a particular series will be binding on all holders of debt securities of that series notwithstanding whether a particular holder has approved it and, except as otherwise provided in any required approval for such modification or amendment, regardless of whether the holders of any other affected series of debt securities has approved it.

The holders of a majority in aggregate principal amount of the outstanding debt securities of any affected series may, on behalf of all holders of the debt securities of such series, waive RCI's compliance with certain covenants and other provisions of the base indenture that apply to such series of debt securities and the supplemental indenture applicable to such series, including any existing Default or Event of Default and its consequences under the base indenture and such supplemental indenture other than a Default or Event of Default (i) in the payment of interest (or premium, if any) on, or the principal of, the debt securities of that series or (ii) in respect of a covenant or other provision that cannot be modified or amended without the consent of the holders of each outstanding debt security of that series.

Global Securities

We expect the following provisions to apply to all debt securities.

The debt securities of a series may be issued in whole or in part in the form of one or more global securities that will be deposited with, or on behalf of, a depository (the "depository") identified in the prospectus supplement. Global securities will be issued in registered form and in either temporary or definitive form. Unless and until it is exchanged in whole or in part for the individual debt securities, a global security may not be transferred except as a whole by the depository for such global security to a nominee of such depository or by a nominee of such depository to such depository or another nominee of such depository or by such depository or any such nominee to a successor of such depository or a nominee of such successor.

The specific terms of the depository arrangement with respect to any debt securities of a series and the rights of and limitations upon owners of beneficial interests in a global security will be described in the prospectus supplement. We expect that the following provisions will generally apply to depository arrangements.

Upon the issuance of a global security, the depository for such global security or its nominee will credit, on its book-entry registration and transfer system, the respective principal amounts of the individual debt securities represented by such global security to the accounts of persons that have accounts with such depository. Such accounts shall be designated by the dealers, underwriters or agents with respect to the debt securities or by us if such debt securities are offered and sold directly by us. Ownership of beneficial interests in a global security will be limited to persons that have accounts with the applicable depository ("participants") or persons that may hold interests through participants. Ownership of beneficial interests in such global security will be shown on, and the transfer of that ownership will be effected only through, records maintained by the applicable depository or its nominee with respect to interests of participants and the records of participants with respect to interests of persons other than participants.

So long as the depositary for a global security, or its nominee, is the registered owner of a global security, except as required by law, such depositary or such nominee, as the case may be, will be considered the sole owner or holder of the debt securities represented by that global security for all purposes under the indenture governing those debt securities. Except as provided below, owners of beneficial interests in a global security will not be entitled to have any of the individual debt securities of the series represented by that global security registered in their names, will not receive or be entitled to receive physical delivery of any debt securities of such series in definitive form and will not be considered the owners or holders thereof under the indenture governing such debt securities.

Table of Contents

Payments of principal, premium, if any, and interest, if any, on individual debt securities represented by a global security registered in the name of a depositary or its nominee will be made to the depositary or its nominee, as the case may be, as the registered owner of the global security representing the debt securities. None of RCI, the trustee for the debt securities or any paying agent or registrar for the debt securities will have any responsibility or liability for any aspect of the records relating to or payments made by the depositary or any participants on account of beneficial ownership interests in the global security for the debt securities or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

We expect that the depositary for a series of debt securities or its nominee, upon receipt of any payment of principal, premium or interest in respect of a global security representing the debt securities, immediately will credit participants' accounts with payments in amounts proportionate to their respective beneficial interests in the principal amount of such global security for the debt securities as shown on the records of the depositary or its nominee. We also expect that payments by participants to owners of beneficial interests in a global security held through such participants will be governed by standing instructions and customary practices, as is now the case with securities held for the accounts of customers in bearer form or registered in street name. Such payments will be the responsibility of such participants.

If the depositary for a series of debt securities is at any time unwilling, unable or ineligible to continue as depositary and a successor depositary is not appointed by us within 90 days, we will issue definitive debt securities of that series in exchange for the global security or securities representing that series of debt securities. In addition, we may at any time and in our sole discretion, subject to any limitations described in the prospectus supplement relating to the debt securities, determine not to have any debt securities of a series represented by one or more global securities, and, in such event, will issue definitive debt securities of that series in exchange for the global security or securities representing that series of debt securities. A global security for a series of debt securities will also be exchangeable for definitive debt securities in the event that an Event of Default in respect of such series shall occur and be continuing. If definitive debt securities are issued, an owner of a beneficial interest in a global security will be entitled to physical delivery of definitive debt securities of the series represented by that global security equal in principal amount to that beneficial interest and to have the debt securities registered in its name.

Concerning the Trustee

The Bank of New York Mellon is the trustee under the indenture.

Governing Law

The indenture, any supplemental indentures and the debt securities will be governed by and construed in accordance with the laws of the State of New York.

Enforceability of Judgments

Since substantially all of the assets of RCI are located outside the United States, any judgment obtained in the United States against RCI, including judgments with respect to the payment of principal or redemption price on the debt securities, may not be collectible within the United States. RCI has been informed by its Canadian counsel, Davies Ward Phillips & Vineberg LLP, that, under the laws of the Province of Ontario and the federal laws of Canada applicable in that province (collectively, "Applicable Laws"), a court of competent jurisdiction in the Province of Ontario (an "Ontario Court") would give a judgment based upon a final and conclusive in personam judgment of a court exercising jurisdiction in the State of New York ("New York Court") for a sum certain, obtained against RCI with respect to a claim arising out of the indenture and the debt securities (a "New York Judgment"), without reconsideration

of the merits (a) provided that (i) an action to enforce the New York Judgment is commenced in the Ontario Court within any applicable limitation period; (ii) the Ontario Court has discretion to stay or decline to hear an action on the New York Judgment if the New York Judgment is under appeal or there is another subsisting judgment in any jurisdiction relating to the same cause of action as the New York Judgment; (iii) the Ontario Court will render judgment only in Canadian dollars; and (iv) an action in the Ontario Court on the New York Judgment may be affected by bankruptcy, insolvency or other laws affecting the enforcement of creditors' rights generally; and (b) subject to the following defenses: (i) that the New York Judgment was obtained by fraud or in a manner contrary to the principles of natural justice; (ii) that the New York Judgment is for a claim which under Applicable Laws would be characterized as based on a foreign revenue, expropriatory, penal or other public law; (iii) that the New York Judgment is contrary to public policy or to an order made by the Attorney General of Canada under the Foreign Extraterritorial Measures Act (Canada) or by the Competition Tribunal under the Competition Act (Canada) in respect of certain judgments referred to in these statutes; or (iv) that the New York Judgment has been satisfied or is void or voidable under the laws of the State of New York.

as if each such transaction had occurred on January 1, 2010; provided, however, that the redemptions of our 9.625% Senior Notes due 2011, 7.25% Senior Notes due 2011, 7.625% Senior Notes due 2011, 7.875% Senior Notes due 2012 and 7.25% Senior Notes due 2012 reflect the actual prices of such redemptions on August 27, 2010, August 31, 2010 and March 21, 2011, as applicable. For a further description of the above transactions, see Note 14 to our audited consolidated financial statements as at and for the years ended December 31, 2010 and 2009 and Note 10 to our unaudited interim consolidated financial statements as at September 30, 2011 and for the three and nine months ended September 30, 2011 and 2010 and our management's discussion and analysis in respect of those statements.

	12 Months Ended December 31, 2010	12 Months Ended September 30, 2011
Earnings before borrowing costs and income taxes	2,783 \$million	2,784 \$million
Pro forma borrowing cost requirements(1)	\$671 million	\$million 679
Pro forma earnings coverage ratio(2)	4.15x	4.10x

- (1) Pro forma borrowing cost requirements refers to our aggregate interest expense in respect of our financial liabilities for the applicable period as adjusted to reflect the items noted above the table.
- (2) Pro forma earnings coverage ratio refers to the ratio of (i) our earnings before borrowing costs and income taxes for the applicable period and (ii) our pro forma borrowing cost requirements for the applicable period.

The pro forma earnings coverage ratios and associated financial information presented above do not give effect to the issuance of debt securities under this prospectus that may be issued pursuant to any prospectus supplement since the aggregate principal amounts and the terms of such debt securities are not presently known. Nor does this pro forma information give effect to adjustments for normal course advances and repayments of borrowings under our bank credit facility subsequent to the periods presented, as these would not materially affect the ratios. The earnings coverage ratios set out above do not purport to be indicative of earnings coverage ratios for any future periods.

RISK FACTORS

An investment in the debt securities involves risk. Before deciding whether to invest in the debt securities, you should consider carefully the risks described in the documents incorporated by reference into this prospectus (including subsequent documents incorporated by reference into this prospectus) and, if applicable, those described in a prospectus supplement relating to a specific offering of debt securities. Discussions of certain risks and uncertainties affecting our business are provided in our annual information form, our management's discussion and analysis for the year ended December 31, 2010 and our management's discussion and analysis for the nine months ended September 30, 2011 (or, as applicable, our annual information form and our management's discussion and analysis for subsequent periods), each of which is incorporated by reference into this prospectus. These are not the only risks and uncertainties that we face. Additional risks not presently known to us or that we currently consider immaterial may also materially and adversely affect us. If any of the events identified in these risks and uncertainties were to actually occur, our business, financial condition or results of operations could be materially harmed.

ENFORCEABILITY OF CERTAIN CIVIL LIABILITIES

We are a corporation organized under the laws of the Province of British Columbia, Canada and substantially all of our assets are located in Canada. In addition, most of our directors, substantially all of our officers and most of the experts named herein are resident outside the United States. We have appointed an agent for service of process in the United States (as set forth below), but it may be difficult for U.S. investors to effect service of process within the United States upon such directors, officers or experts to enforce against them judgments of U.S. courts based upon, among other things, the civil liability provisions of the U.S. federal securities laws. In addition, we have been advised by Davies Ward Phillips & Vineberg LLP, our Canadian counsel, that there is some doubt as to the enforceability in original actions in Canadian courts of liabilities based upon the U.S. federal securities laws, and as to the enforceability in Canadian courts of judgments of U.S. courts obtained in actions based upon the civil liability provisions of the U.S. federal securities laws.

We filed with the SEC, concurrently with our registration statement on Form F-9, an appointment of agent for service of process on Form F-X. Under the Form F-X, we appointed CT Corporation System, 111 Eighth Avenue, New York, New York 10011, as our agent for service of process in the United States in connection with any investigation or administrative proceeding conducted by the SEC, and any civil suit or action brought against us in a United States court arising out of or related to or concerning the offering of the debt securities under our registration statement.

CERTAIN INCOME TAX CONSIDERATIONS

The applicable prospectus supplement may describe the principal Canadian federal income tax considerations generally applicable to investors described therein of purchasing, holding and disposing of the debt securities offered thereunder. The applicable prospectus supplement may also describe certain U.S. federal income tax considerations generally applicable to the purchase, holding and disposition of those debt securities by an investor who is a United States person.

LEGAL MATTERS

Certain legal matters relating to debt securities offered by this short form base shelf prospectus will be passed upon on our behalf by Davies Ward Phillips & Vineberg LLP, our Canadian counsel, and Cravath, Swaine & Moore LLP, our U.S. counsel. As of the date of this prospectus, the partners and associates of Davies Ward Phillips & Vineberg LLP, as a group, own beneficially, directly or indirectly, less than 1% of our outstanding securities of any class and less than 1% of the outstanding securities of any class of our associates or affiliates.

EXPERTS

Our consolidated financial statements as at and for the years ended December 31, 2010 and 2009 incorporated by reference into this prospectus have been audited by KPMG LLP, as indicated in their report incorporated by reference into this prospectus, and are incorporated herein in reliance upon the authority of said firm as experts in accounting and auditing in giving said report.

STATUTORY RIGHTS OF WITHDRAWAL AND RESCISSION

Securities legislation in the Province of Ontario provides purchasers with the right to withdraw from an agreement to purchase securities. This right may be exercised within two business days after receipt or deemed receipt of a prospectus and accompanying prospectus supplement relating to the securities purchased by a purchaser and any amendment thereto. The securities legislation further provides a purchaser with remedies for rescission or damages if the prospectus and accompanying prospectus supplement relating to the securities purchased by a purchaser and any amendment thereto contains a misrepresentation or is not delivered to the purchaser, provided that the remedies for rescission or damages are exercised by the purchaser within the time limit prescribed by the securities legislation in the Province of Ontario. The purchaser should refer to any applicable provisions of the securities legislation in the Province of Ontario for the particulars of these rights or consult with a legal advisor.

INFORMATION NOT REQUIRED TO BE

INDEMNIFICATION

Rogers Communications Inc.

Under Section 160 of the Business Corporations Act (British Columbia) (the “BCBCA”),

- (a) a director or officer of Rogers Communications Inc. (“RCI”),
- (b) a former director or officer of RCI,
- (c) a director, former director, officer or former officer of another corporation at a time when the corporation is or was an affiliate of RCI or at the request of RCI,
- (d) an individual who is or was, or holds or held a position equivalent to that of, a director or officer of a partnership, trust, joint venture or other unincorporated entity, at the request of RCI (any corporation or entity referred to in (c) or (d), an “associated corporation”; and any individual described in (a) through (d), an “eligible individual”) or
- (e) any heirs and personal or other legal representatives of an eligible individual (any person described in (e) and any eligible individual, an “eligible party”)

may be indemnified by RCI against all judgments, penalties or fines awarded or imposed or to which the eligible party may be liable in, or amounts paid in settlement of, any civil, criminal, quasi-criminal, administrative or regulatory action or proceeding or investigative action, whether current, threatened, pending or completed, in which the eligible party, by reason of an eligible individual being or having been a director or officer of, or holding or having held a position equivalent to that of a director or officer of, RCI or an associated corporation is or may be joined as a party, or is or may be liable for or in respect of a judgment, penalty or fine in, or costs, charges and expenses, including legal and other fees (“expenses”) related to, any such action or proceeding (an “eligible proceeding”); and after the final disposition of an eligible proceeding, may be paid the expenses actually and reasonably incurred by the eligible party in respect of that proceeding.

Under Section 161 of the BCBCA, an eligible party must, after the final disposition of an eligible proceeding, be paid by RCI the expenses actually and reasonably incurred by the eligible party in respect of the eligible proceeding if the eligible party is wholly successful on the merits or otherwise, or is substantially successful on the merits, in the outcome of the proceeding.

Under Section 162 of the BCBCA, an eligible party may be paid by RCI, as expenses are incurred in advance of the final disposition of an eligible proceeding, the expenses actually and reasonably incurred by the eligible party in respect of that proceeding; provided that RCI must not pay such expenses unless RCI first receives from the eligible party a written undertaking that the eligible party will repay the amounts advanced if it is ultimately determined that (i) the eligible individual in relation to the subject matter of the eligible proceeding did not act honestly and in good faith with a view to the best interests of RCI or associated corporation, as the case may be, (ii) in the case of an eligible proceeding other than a civil proceeding, the eligible individual did not have reasonable grounds for believing the eligible individual’s conduct in respect of which the proceeding was brought was lawful, (iii) the eligible

proceeding is brought by or on behalf of RCI or an associated corporation or (iv) in certain circumstances, RCI is or was prohibited from doing so by its charter (each of items (i) to (iv), a “statutory prohibition”).

Under Section 163 of the BCBCA, RCI must not make an indemnification or payment under Sections 160 to 162 if there is a statutory prohibition.

Table of Contents

Under Section 164 of the BCBCA, the Supreme Court of British Columbia may, on application of RCI or an eligible party, order RCI to indemnify or to pay expenses, despite Sections 160 to 163 of the BCBCA.

The articles of RCI provide that RCI shall indemnify, and pay expenses in advance of the final disposition of a proceeding of, a director or officer or former director or officer of RCI or a person who acts or acted at RCI's request as a director or officer, or in a similar capacity of another entity, and the heirs and personal or other legal representatives of such a person, in accordance with, and to the fullest extent and in all circumstances permitted by the BCBCA. The articles further provide that RCI may enter into indemnification agreements, including without limitation, provisions therein whereby a court order approving indemnification will be applied for, if required. The foregoing rights and powers of RCI are in addition to and not in substitution for any other rights and powers regarding indemnification, payment of expenses and insurance.

Under the BCBCA, the articles of RCI may affect the power or obligation of RCI to give an indemnity or pay expenses to the extent that the articles prohibit giving the indemnity or paying the expenses. As indicated above, this is subject to the overriding power of the Supreme Court of British Columbia under Section 164 of the BCBCA.

As contemplated by Section 165 of the BCBCA, RCI has purchased insurance against potential claims against the directors or officers of RCI and against loss for which RCI may be required or permitted by law to indemnify such directors and officers.

RCI has entered into indemnification agreements with certain of its officers and directors that indemnify such persons to the maximum amount permitted by applicable law. Pursuant to these agreements, RCI has agreed to provide such persons an advance of defense costs prior to final disposition of a proceeding, subject to an obligation to repay in certain circumstances.

Rogers Communications Partnership

Under the Partnerships Act (Ontario), each partner of Rogers Communications Partnership ("RCP") is liable jointly with the other partners for all debts and obligations of RCP incurred while such partner is a partner.

Pursuant to the amended and restated partnership agreement dated July 1, 2010 forming RCP, the partners of RCP are, as among themselves, liable for, and have agreed to indemnify each other from, the debts, liabilities, obligations and losses of RCP in proportion to the number of partnership units owned by them respectively.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling the Registrants pursuant to the foregoing provisions, the Registrants have been informed that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.
