Item 1.01 Entry into a Material Definitive Agreement

Edgar Filing: BAY NATIONAL CORP - Form 8-K

On September 28, 2004, Bay National Corporation. (the Company) entered into a \$5 million, three year unsecured non-revolving credit facility with Drovers Bank of York, Pennsylvania, a division of Fulton Bank. The proceeds from the credit facility will be used to provide regulatory capital to the Company's wholly owned subsidiary, Bay National Bank (the Bank). The loan bears interest at the prime rate as offered by Drovers Bank.

The credit facility will expire on September 28, 2007, at which time all outstanding amounts under the credit facility, including accrued but unpaid interest, will be due and payable. The Company may repay interest and principal under the credit facility at any time without premium or penalty.

The credit facility agreement contains usual and customary covenants for transactions of this type. In addition, the credit facility provides for the following additional covenants:

1. The Bank's Total Risk-Based Capital Ratio (as defined for bank regulatory purposes) will be maintained at a minimum of 10%.
2. The Bank's Tier 1 Risk-Based Capital Ratio (as defined for bank regulatory purposes) will be maintained at a minimum of 6%.
3. The bank will maintain Loan Loss Reserves at a level required by federal regulatory agencies, provided that such Loan Loss Reserve also equals not less than three hundred percent (300.00%) of the sum of the balances of loans in a non-accrual status, loans more than 90 days past due, and renegotiated loans.

In the event of a default by the Company under the credit facility, Drovers Bank may terminate the credit facility, declare the amount outstanding, including all accrued interest and unpaid fees, payable immediately, and enforce any and all rights created and existing under the credit facility documents, and other rights available under applicable law. Upon default, interest on the outstanding loan balance bears interest at 5% over the prime rate.

Fulton Bank has provided the Bank with a \$2 million unsecured borrowing facility. There were no outstanding balances on this facility as of September 30, 2004. The Company's shareholder records indicate that an affiliate of Fulton bank owns 10,000 shares of the Company, and executive officer of Fulton Bank owns 1,000 shares of the Company. The Company is not aware of any other material relationship between Drovers Bank nor Fulton Bank and the Company or the Bank.

The Company has borrowed \$500,000 under the credit facility as of the date hereof.

Item 2.03. Creation of Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.
