PART II

INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. *Incorporation of Certain Documents by Reference.*

We hereby incorporate, or will be deemed to have incorporated, herein by reference the following documents filed (File No. 1-6028) with the Securities and Exchange Commission (the "SEC") in accordance with the Securities Exchange Act of 1934 (the "Exchange Act"):

- Our Annual Report on Form 10-K for the fiscal year ended December 31, 2005;
- The Jefferson-Pilot Corporation Teamshare Plan's Annual Report on Form 11-K for the fiscal year ended December 31, 2004;
- Our Current Reports on Form 8-K filed with the SEC on January 13, January 20, January 31, February 13, February 14 (one report), February 28, March 15 (two reports) and April 3, 2006;
- The description of our common stock contained in Form 10 filed with the SEC on April 28, 1969, including any amendments or reports filed for the purpose of updating that description; and
- The description of our common stock purchase rights contained in our Registration Statement on Form 8-A/A, Amendment No. 1, filed with the SEC on December 2, 1996, including any amendments or reports filed for the purpose of updating that description.

Each document filed subsequent to the date of this Registration Statement pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act, prior to the filing of a post-effective amendment which indicates that all securities offered have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference in this Registration Statement and to be a part hereof from the date of the filing of such documents. Any statement contained in a document incorporated or deemed to be incorporated herein by reference shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein (or in any other subsequently filed document which also is or is deemed to be incorporated by reference herein) modifies or supersedes such statement. Any such statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute part of this Registration Statement.

Item 4. *Description of Securities.*

Not applicable.

Item 5. *Interests of Named Experts and Counsel.*

The validity of our Common Stock offered hereby will be passed upon for us by Dennis L. Schoff, Esquire, Senior Vice President and General Counsel of Lincoln National Corporation. As of the date of this Registration Statement, Mr. Schoff beneficially owns approximately 96,250 shares of our Common Stock including options exercisable within sixty days of the date of the Registration Statement.

Item 6. *Indemnification of Officers and Directors.*

Our bylaws, pursuant to authority contained in the IBCL and the Indiana Insurance Law, respectively, provide for the indemnification of our officers, directors and employees against the following:

- reasonable expenses (including attorneys' fees) incurred by them in connection with the defense of any action, suit or proceeding to which they are made or threatened to be made parties (including those brought by, or on behalf of us) if they are successful on the merits or otherwise in the defense of such proceeding except with respect to matters as to which they are adjudged liable for negligence or misconduct in the performance of duties to their respective corporations.
- reasonable costs of judgments, settlements, penalties, fines and reasonable expenses (including attorneys' fees) incurred with respect to, any action, suit or proceeding, if the person's conduct was in good faith and the person reasonably believed that his/her conduct was in our best interest. In the case of a criminal proceeding, the person must also have reasonable cause to believe his/her conduct was lawful.

Indiana Law requires that a corporation, unless limited by its articles of incorporation, indemnify its directors and officers against reasonable expenses incurred in the successful defense of any proceeding arising out of their serving as a director or officer of the corporation.

No indemnification or reimbursement will be made to an individual judged liable to us, unless a court determines that in spite of a judgment of liability to the corporation, the individual is reasonably entitled to indemnification, but only to the extent that the court deems proper. Additionally, if an officer, director or employee does not meet the standards of conduct described above, such individual will be required to repay us for any advancement of expenses it had previously made.

In the case of directors, a determination as to whether indemnification or reimbursement is proper will be made by a majority of the disinterested directors or, if it is not possible to obtain a quorum of directors not party to or interested in the proceeding, then by a committee thereof or by special legal counsel. In the case of individuals who are not directors, such determination will be made by the chief executive officer of the respective corporation, or, if the chief executive officer so directs, in the manner it would be made if the individual were a director of the corporation.

Such indemnification may apply to claims arising under the Securities Act. Insofar as indemnification for liabilities arising under the Securities Act may be permitted for our directors, officers or controlling persons pursuant to the foregoing provisions, we have been informed that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and therefore unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by us of expenses incurred or paid by one of our directors, officers or controlling persons in the successful defense of any action, suit or proceeding) is asserted by such director, officer or

controlling

2

person in connection with the securities being registered, we will, unless in the opinion of our counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by us is against public policy as expressed in the Securities Act and will be governed by the final adjudication of the issue by the court.

We maintain a program of insurance under which our directors and officers are insured, subject to specified exclusions and deductible and maximum amounts, against actual or alleged errors, misstatements, misleading statements, acts or omissions, or neglect or breach of duty while acting in their respective capacities for us.

The indemnification and advancement of expenses provided for in our bylaws does not exclude or limit any other rights to indemnification and advancement of expenses that a person may be entitled to under other agreements, shareholders' and board resolutions and our articles of incorporation.

Item 7. Exemption from Registration Claimed.

Not Applicable.

Item 8. Exhibits.

The registrant understands that the registrant will submit or has submitted the Teamshare Plan and any amendment thereto to the Internet Revenue Service in a timely manner and has made or will make all changes required by the IRS in order to qualify the Teamshare Plan.

The exhibits filed with this Registration Statement are listed on page E-1.

Item 9. Undertakings.

(a) The Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represents a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which is registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement.

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) of this Item 9 do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the SEC by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
