Item 5. Other Events.

Terex Corporation ("Terex") announced by press release dated May 17,

## Edgar Filing: TEREX CORP - Form 8-K

2002 that it has entered into an agreement to acquire Demag Mobile Cranes GmbH & Co. KG ("Demag"). Demag manufactures and distributes telescopic and lattice boom cranes, with 2001 revenues of approximately \$360 million. The transaction is subject to customary closing conditions, including regulatory approval, and is anticipated to close at the end of the second quarter or early in the third quarter of 2002.

Terex believes that the acquisition of Demag will improve its product offering and will create a worldwide crane company with broad geographic and product offerings. Terex anticipates that the acquisition of DeMag will add \$360 million in pro forma annual revenues and will be accretive to Terex by \$0.20 to \$0.30 per share after planned cost reductions are implemented.
