INFORMATION ABOUT THE ANNUAL MEETING

Our annual meeting will be held on September 14, 2004 at 8:00 a.m. local time at the Courtyard Marriott, 533 Herndon Parkway, Herndon, Virginia 20170.

The annual meeting has been called to consider and take action on the following proposals:

2. To ratify the appointment of Deloitte & Touche LLP as our independent auditors for our fiscal year ending March 31, 2005.
3. To transact such other business as may properly come before the annual meeting.

Our Board of Directors, or in the case of proposal 2, the Audit Committee of our Board of Directors, has unanimously approved each of the proposals and recommends that you vote in favor of each of the proposals. All holders of record of our common stock at the close of business on July 16, 2004, the record date, will be entitled to vote at the annual meeting.

INFORMATION ABOUT THIS PROXY STATEMENT

We have sent you this proxy statement because ePlus' Board of Directors is soliciting your proxy to vote at the annual meeting. ePlus is bearing the cost of this proxy solicitation. If you own ePlus common stock in more than one account, such as individually and also jointly with your spouse, you may receive more than one set of these proxy materials. To assist us in saving money and to provide you with better stockholder services, we encourage you to have all of your accounts registered in the same name and address. You may do this by contacting our transfer agent, National City Bank, Victor LaTessa, at (216) 222-3579. This proxy statement contains information that we are required to provide to you under the rules of the Securities and Exchange Commission and is designed to assist you in voting your shares. On or about July 28, 2004, we began mailing these proxy materials to all stockholders of record at the close of business on July 16, 2004.

-1-

INFORMATION ABOUT VOTING

Stockholders can vote in person at the annual meeting or by proxy. To vote by proxy, please mail the enclosed proxy card in the enclosed envelope. Please sign and date your proxy card before mailing.

Each share of ePlus common stock is entitled to one vote on all matters presented at the annual meeting. If your shares are held in the name of a bank, broker, or other holder of record, you will receive instructions from the holder

Edgar Filing: EPLUS INC - Form DEF 14A

of record that you must follow in order for your shares to be voted. If your shares are not registered in your own name and you plan to attend the annual meeting and vote your shares in person, you should contact your broker or agent in whose name your shares are registered to obtain a broker's proxy card and bring it to the annual meeting in order to vote. If you vote by proxy, the individuals named on the card (your proxy holders) will vote your shares in the manner you indicate. You may specify whether your shares should be voted for none, one, or both of the nominees for director and for or against the other proposal. If you sign and return the card without indicating your instructions, your shares will be voted for:

- o the election of both the Class II nominees for director; and
- o the ratification of the appointment of Deloitte & Touche LLP as our independent auditors for the fiscal year ending March 31, 2005.

You may revoke or change your proxy at any time before it is voted by sending a written notice of your revocation to ePlus' Corporate Secretary, Erica S. Stoecker at ePlus' principal executive office.

QUORUM REQUIREMENTS

As of July 16, 2004, the record date for this solicitation of proxies, there were 8,916,258 shares of common stock outstanding, each of which is entitled to one vote. The holders of record of a majority of the shares of common stock entitled to vote at the meeting, present in person, or by proxy, will constitute a quorum for the transaction of business at the annual meeting or any adjournment thereof. If a quorum is not present, the annual meeting may be adjourned until a quorum is obtained.

-2-

VOTING REQUIREMENTS

Proposal 1: Election of Class II Directors

To be elected as a Class II Director, a nominee must be one of the two persons receiving the greatest number of affirmative votes cast at the meeting for Class II Directors.

Proposal 2: Ratification of Appointment of Deloitte & Touche LLP as Independent Auditors

To be approved, Proposal 2 requires the affirmative vote of the holders of at least a majority of the shares present in person or represented by proxy at the meeting and entitled to vote on the proposal.

Effect of Abstentions and Broker Non-Votes

Abstentions and broker non-votes will be counted only for the purpose of determining the existence of a quorum, but will not be counted as an affirmative vote for the purposes of determining whether a proposal has been approved. Therefore, an abstention or a broker non-vote will not have any effect on the votes for proposal 1 but will have the effect as a vote against proposal 2.

All signed proxies received will be voted in accordance with the choices specified on such proxies. Proxies will be voted in favor of a proposal if no contrary specification is made. All valid proxies obtained will be voted at the discretion of the Board of Directors with respect to any other business that may come before the annual meeting.

Edgar Filing: EPLUS INC - Form DEF 14A

We may solicit proxies by use of the mails, in person, by telephone, e-mail, or other electronic communications. We will bear the cost of soliciting proxies in the accompanying form. We may reimburse brokerage firms and others for their expenses in forwarding proxy materials to the beneficial owners and soliciting them to execute the proxies.

DISSENTERS' RIGHTS OF APPRAISAL

The Board of Directors does not propose any action for which the laws of the state of Delaware, or the Certificate of Incorporation, Bylaws, or corporate resolutions of ePlus provide a right of a stockholder to dissent and obtain payment for shares.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires ePlus' officers, directors, and persons who own more than ten percent of a registered class of ePlus' equity securities, to file reports of ownership and changes in ownership of equity securities of ePlus with the SEC. Officers, directors, and greater-than-ten-percent stockholders are required by SEC regulations to furnish ePlus with copies of all Section 16(a) forms that they file.

Based solely upon a review of Forms 3, Forms 4, and Forms 5 furnished to ePlus pursuant to Rule 16a-3 under the Exchange Act, ePlus believes that all such forms required to be filed pursuant to Section 16(a) of the Exchange Act were timely filed, as necessary, by the officers, directors, and security holders required to file such forms.

The Board of Directors

Our Board of Directors is divided into three classes: Class I, comprised of two directors; Class II, comprised of two directors; and Class III, comprised of two directors. Subject to the provisions of the Bylaws, at each annual meeting of stockholders, the successors to the class of directors whose term is then expiring shall be elected to hold office for a term expiring at the third succeeding annual meeting of stockholders. Messrs. O'Donnell and Cooper, our Class II Directors, are standing for re-election at the 2004 annual meeting. Each director holds office until his or her successor has been duly elected and qualified or until he or she has resigned or been removed in the manner provided in the Bylaws. The members of the three classes of directors are as follows:

- o Class I
 - C. Thomas Faulders, III
 - Lawrence S. Herman

-7-

- o Class II
 - Terrence O'Donnell
 - Milton E. Cooper, Jr.
- o Class III
 - Phillip G. Norton
 - Bruce M. Bowen

The Class III Directors will stand for re-election at the Annual Meeting of Stockholders in 2005. The Class I Directors will stand for re-election at the Annual Meeting of Stockholders in 2006. The classification of the Board of Directors, with staggered terms of office, was implemented for the purpose of maintaining continuity of management and of the Board of Directors.

There are no material proceedings to which any director, executive officer, or affiliate of ePlus, any owner of record or beneficially of more than five percent of any class of voting securities of ePlus, or any associate of any such director, executive officer, affiliate of ePlus, or security holder is a party adverse to ePlus or any of its subsidiaries or has a material interest adverse to ePlus or any of its subsidiaries. Directors Milton E. Cooper, Jr., C. Thomas Faulders III, Lawrence S. Herman, and Terrence O'Donnell are independent as that term is defined under the rules of the National Association of Securities Dealers.

Edgar Filing: EPLUS INC - Form DEF 14A

Director Compensation

Directors who are also employees of ePlus do not currently receive any compensation for service as members of the Board of Directors. Each outside director receives an annual grant of 10,000 stock options and \$500 for each committee meeting. All directors will be reimbursed for their out-of-pocket expenses incurred to attend board or committee meetings.

Meetings and Committees of the Board of Directors

The Board of Directors met six times during the fiscal year ended March 31, 2004. In addition to meetings of the full Board, directors also attended meetings of Board Committees. No incumbent director attended fewer than 75% of the total number of meetings held by the Board of Directors and the meetings of any committee on which the director served. Directors are encouraged to attend Annual Meetings of ePlus Stockholders. Five directors attended last year's Annual Meeting. The Board of Directors has the following committees: the Audit Committee, the Compensation Committee, the Stock Incentive Committee, and the Nominating and Corporate Governance Committee.

Audit Committee

General. The Audit Committee of the Board of Directors is responsible for selecting ePlus' independent public accountants, monitoring and reviewing the quality and activities of ePlus' internal and external audit functions,

-8-

monitoring the adequacy of ePlus' operating and internal controls as reported by management and the external or internal auditors, and reviewing ePlus' periodic reports that are filed with the Securities and Exchange Commission. The members of the Audit Committee as of March 31, 2004 were Terrence O'Donnell (Chairman), C. Thomas Faulders, III, and Lawrence S. Herman. Each member of the Audit Committee is independent as that term is defined under the rules of the National Association of Securities Dealers. In addition, the Board of Directors has determined that C. Thomas Faulders III qualifies as an "Audit Committee Financial Expert" as defined in regulations issued by the Securities and Exchange Commission. During the fiscal year ended March 31, 2004, four meetings of the Audit Committee were held. The Charter of the Audit Committee is attached hereto as Appendix A.

Audit Committee Report. The Audit Committee is composed of three directors who are independent as defined under the rules of the National Association of Securities Dealers. The committee operates under a written charter approved by the Board of Directors, which was included as Appendix A to ePlus' proxy statement for the 2001 annual meeting of stockholders.

The committee reviews ePlus' financial reporting process on behalf of the Board of Directors. In fulfilling its responsibilities, the committee has reviewed and discussed the audited financial statements contained in our Annual Report on Form 10-K for the year ended March 31, 2004 with ePlus' management. Management is responsible for our financial statements and the financial reporting process, including internal controls. The independent accountants are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States of America.

The Audit Committee has discussed with the independent accountants the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended. The committee has discussed with the independent accountant the accountants' independence from ePlus and its

Edgar Filing: EPLUS INC - Form DEF 14A

management including the matters in the written disclosures provided to the committee as required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees. The committee has also considered whether the provision of non-audit services by the independent accountants to ePlus is compatible with maintaining auditors' independence.

Based on the reviews and discussions referred to above, the committee recommended to the Board of Directors, and the Board of Directors approved, that the audited financial statements be included in our Annual Report on Form 10-K for the year ended March 31, 2004 for filing with the Securities and Exchange Commission.

Herman, all of whom were independent directors as that term is defined under the rules of the National Association of Securities Dealers. Mr. Norton and Mr. Bowen, as directors, do not vote on any matters affecting their personal compensation. Mr. Bowen and Mr. Norton are responsible for reviewing and establishing salaries, benefits, and other compensation, excluding stock-based compensation, for all other employees.

Compensation arrangements during our 2004 fiscal year were determined in accordance with the executive compensation policy set forth below. The Compensation Committee considers compensation paid to our executive officers to be deductible for purposes of Section 162(m) of the Internal Revenue Code.

Compensation Committee Report. The Compensation Committee of the Board of Directors has prepared the following report on our policies with respect to the compensation of executive officers for the fiscal year ended March 31, 2004. The compensation programs of ePlus are designed to align compensation with business objectives and performance, and to enable ePlus to attract, retain, and reward executives who contribute to the long-term success of ePlus.

The Compensation Committee believes that executive pay should be linked to performance. Therefore, ePlus provides an executive compensation program which includes three principal elements: (1) base pay, (2) potential cash bonus, and (3) long-term incentive opportunities through the use of stock options.

Criteria for Determination of Executive Compensation. In determining each of the principal elements of each executive's compensation, as well as the overall compensation package thereof, the following criteria are considered by the persons responsible for recommending or approving such compensation: (1) the compensation awarded to executives with comparable titles and responsibilities to those of such executive by companies in our industry (or, to the extent information is not available, in comparable industries) whose revenues and earnings are comparable to those of ePlus, as reported by reliable independent sources; (2) the results of operations of ePlus during the past year, on an absolute basis and compared with ePlus' targeted results for such year as well

Edgar Filing: EPLUS INC - Form DEF 14A

as with the results of the comparable companies, as reported by reliable independent sources; (3) the performance of such executive during the past year, on an absolute basis and as compared with the performance targets set by ePlus for such executive for such year and the performance of the other executives of ePlus during such year; and (4) any other factor which the Compensation Committee determines to be relevant. The weight to be given to each of the foregoing criteria is determined by the Compensation Committee in the exercise of its reasonable judgment in accordance with the purposes of this executive compensation policy and may vary from time to time or from executive to executive.

-10-

The role of the Compensation Committee is limited to the review of the compensation, excluding stock-based compensation for Mr. Norton and Mr. Bowen, who are principal stockholders of ePlus. Section 162(m) of the Internal Revenue Code imposes a limit, with certain exceptions, on the amount that a publicly-held corporation may deduct in any year for the compensation paid with respect to its five most highly compensated executive officers. While the Compensation Committee cannot predict with certainty how ePlus' compensation tax deduction might be affected, the Compensation Committee tries to preserve the tax deductibility of all executive compensation while maintaining flexibility with respect to ePlus' compensation programs as described in this report.

Chief Executive Officer Compensation. The executive compensation policy described above is applied in setting Mr. Norton's compensation. Mr. Norton generally participates in the same executive compensation plans and arrangements available to the other executives. Accordingly, his compensation also consists of an annual base salary, a potential annual cash bonus, and, potentially, long-term equity-linked compensation in the form of stock options. The Compensation Committee's general approach in establishing Mr. Norton's compensation is to be competitive with peer companies, but to have a large percentage of his target based upon objective performance criteria and targets established in our strategic plan.

Mr. Norton's compensation for the year ended March 31, 2004 included \$250,000 in base salary. Mr. Norton received a bonus of \$150,000 for the fiscal year ended March 31, 2004. Mr. Norton's salary was based on, among other factors, ePlus' performance and the 2003 compensation of chief executive officers of comparable companies, although his compensation was not linked to any particular group of these companies.

During the fiscal year ended March 31, 2004, three meetings of the Compensation Committee were held.

consent of each nominee to serve as a Director of ePlus if so elected. In addition, the stockholder making such nomination shall promptly provide any other information reasonably requested by ePlus.

In evaluating such nominations, the Nominating and Corporate Governance Committee seeks to achieve a balance of knowledge, experience, and capability on the Board of Directors. Furthermore, any member of the Board of Directors must have the highest personal ethics and values and have experience at the policy-making level of business, and should be committed to enhancing

The purpose of the Committee shall be to (a) assist Board of Directors oversight of (i) the integrity of the Company's financial statements, (ii) the Company's compliance with legal and regulatory requirements, (iii) the independent auditor's qualifications and independence, and (iv) the performance of the Company's internal audit function and independent auditor, and (b) prepare the report SEC rules require be included in the Company's annual proxy statement. The registered public accounting firm shall report directly to the Committee. The Committee shall pre-approve all auditing services (which may entail providing comfort letters in connection with securities underwritings), and all non-audit services provided to the Company by the Company's registered public accounting firm, subject to a de minimis exception as set forth by the SEC. The Committee may, in its sole discretion, delegate to one or more of its members the authority to pre-approve any audit or non-audit services to be performed by the registered public accounting firm, provided that any such approvals are ratified by the Committee at its next scheduled meeting.
