Dear Stockholders:

On behalf of the Board of Directors of Ashford Inc., I cordially invite you to attend our 2018 Annual Meeting of Stockholders, which will be held at 9:00 a.m. Central time on Friday, June 15, 2018.

2017 was a year of considerable achievement for Ashford Inc. as we delivered solid financial results, successfully executed our high-growth, fee-based business model and continued to leverage our hospitality and investment experience to identify and invest in hospitality-related opportunities where we can leverage our management expertise and the size and diversity of the hotel portfolios at our managed REITs to accelerate substantial growth. We are confident in our long-term strategy and believe we have significant opportunities to continue to accelerate Ashford's growth and create meaningful value for our stockholders.

In 2017, as measured by our Adjusted EBITDA and Adjusted EPS we delivered solid financial and operating performance with significant growth in revenue and adjusted earnings and we are very pleased with the groundwork we are laying for the continued success of our platform. We entered 2018 well positioned for further growth and we expect that a lower effective tax rate will have a significant positive impact on our earnings in 2018 and future years.

Within our managed platforms, we can grow through the expansion of the asset bases of the companies we currently advise both organically as well as through accretive acquisitions. Looking ahead, we are well positioned to grow Ashford Inc., not only through the internal or external growth of Ashford Hospitality Trust, Inc. and Braemar Hotels & Resorts Inc. (formerly Ashford Hospitality Prime, Inc.), but also by adding additional investment platforms or by acquiring, managing or incubating additional hospitality or real estate related businesses, continuing a trend we displayed in 2017 and through the beginning of 2018.

We have accomplished a great deal over the last year, and we are excited about our progress and our plans for 2018. We believe the structure of the Ashford group of companies will continue to benefit investors as our managed companies provide the flexibility to choose the investment strategies that best fit their needs and objectives. Our team's main goal has always been and will remain building stockholder value.

We encourage you to read this proxy statement carefully and to vote your proxy as soon as possible so that your shares will be represented at the meeting.

Sincerely,

Monty J. Bennett
Founder, Chief Executive Officer and Chairman of the Board

In such a case, the Company will file an amended proxy statement that will identify the substitute nominees, disclose whether such nominees have consented to being named in such revised proxy statement and to serve, if elected, and include such other disclosure relating to such nominees as may be required under the Exchange Act.

CORPORATE GOVERNANCE

The Board is committed to corporate governance practices that promote the long-term interest of our stockholders. The Board regularly reviews developments in corporate governance and updates the Company's corporate governance framework, including its corporate governance policies and guidelines, as it deems necessary and appropriate. Our policies and practices reflect corporate governance initiatives that comply with the listing requirements of the NYSE American and the corporate governance requirements of the Sarbanes-Oxley Act of 2002. We maintain a corporate governance section on our website, which includes key information about our corporate governance initiatives including our Corporate Governance Guidelines, charters for the committees of the Board, our Code of Business Conduct and Ethics and our Code of Ethics for the Chief Executive Officer, Chief Financial Officer and Chief Accounting Officer. The corporate governance section can be found on our website at www.ashfordinc.com by clicking "INVESTORS" and then "Corporate Governance." The information contained on our website is expressly not incorporated by reference into this proxy statement.

Code of Business Conduct and Ethics

Our Code of Business Conduct and Ethics applies to our Chief Executive Officer, Chief Financial Officer and Chief Accounting Officer, as well as our other officers and our directors and to each employee of the Company or Ashford LLC. Among other matters, our Code of Business Conduct and Ethics is designed to deter wrongdoing and to promote:

honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;

full, fair, accurate, timely and understandable disclosure in our public communications;

compliance with applicable governmental laws, rules and regulations;

prompt internal reporting of violations of the code to appropriate persons identified in the code; and

accountability for adherence to the code.

Any waiver of the Code of Business Conduct and ethics for our officers or directors may be made only by the Board or one of the Board committees and will be promptly disclosed if and to the extent required by law or stock exchange regulations.

Board Leadership Structure

The Board regularly considers the optimal leadership structure for the Company and its stockholders. In making decisions related to our leadership structure, specifically when determining whether to have a joint chief executive officer and chairman or to separate these offices, the Board considers many factors, including the specific needs of the Company in light of its current strategic initiatives and the best interest of our stockholders.

Upon the completion of our spin-off from Ashford Trust in November 2014, the Board determined that Mr. Monty J. Bennett was the best candidate to fill the role of Chairman of the Board as well as to serve as our Chief Executive Officer. In making this determination, the Board took into consideration the Company's strategic initiatives, Mr. Bennett's expertise in the hospitality industry, which he has developed over the last 20 years, and his superior performance, as evidenced by the total stockholder return during Mr. Bennett's tenure as Chief Executive Officer of Ashford Trust. The Board continues to believe that combining the roles of chairman and chief executive officer at this time is in the best interest of our stockholders and that our current leadership structure provides a very

Table of Contents

well-functioning and effective balance between strong company leadership and appropriate safeguards and oversight by independent directors.

The combined role of chairman and chief executive officer is both counterbalanced and enhanced by an independent director serving as the lead director. Pursuant to our Corporate Governance Guidelines, in 2017 the Board re-appointed Mr. Brian Wheeler to serve as the lead independent director for a one-year term. The lead director has the following duties and responsibilities:

preside at all meetings of the Board at which the Chairman is not present and all executive sessions of the independent or non-employee directors;

advise the Chairman and Chief Executive Officer of decisions reached and suggestions made at meetings of independent directors or non-employee directors;

serve as liaison between the Chairman and the independent directors;

approve information sent to the Board;

approve meeting agendas for the Board;

approve meeting schedules to assure that there is sufficient time for discussion of all agenda items;

authorize the calling of meetings of the independent directors; and

if requested by major stockholders, be available for consultation and direct communication.

In 2017, our independent directors held 2 independent executive sessions.

In addition, pursuant to our bylaws and our Corporate Governance Guidelines, the Board must maintain a majority of independent directors at all times, and if the Chairman of the Board is not an independent director, at least two-thirds of the directors must be independent. The Board must also comply with each of the conflict of interest policies discussed in "Certain Relationships and Related Person Transactions Conflicts of Interest Policies." Our corporate governance policies prohibit hedging or pledging of any stock held by our directors, officers or employees. Our bylaw provisions, corporate governance policies and conflicts of interest policies are designed to provide a strong and independent board that provides balance to the chief executive officer and chairman positions and ensure independent director input and control over matters involving potential conflicts of interest.

Board Role

The business and affairs of the Company are managed by or under the direction of the Board in accordance with Maryland law. The Board provides direction to, and oversight of, management of the Company. In addition, the Board establishes the strategic direction of the Company and oversees the performance of the Company's business, management and the employees. The management of the Company is responsible for presenting business objectives, opportunities and/or strategic plans to our Board for review and approval and for implementing the Company's strategic direction and the Board's directives.

Strategy

The Board recognizes the importance of ensuring that our overall business strategy is designed to create long-term value for our stockholders and maintains an active oversight role in formulating, planning and implementing the Company's strategy. The Board regularly considers the progress of and challenges to the Company's strategy and related risks throughout the year. At each regularly-scheduled board meeting, the management and the Board discuss strategic and other significant business

Table of Contents

developments since the last meeting and the Board considers, recommends and approves any changes in strategies for the Company.

Risk Oversight

Our full Board has ultimate responsibility for risk oversight, but the committees of the Board help oversee risk in areas over which they have responsibility. The Board does not view risk in isolation. Risks are considered in virtually every business decision and as part of the Company's business strategy. The Board and the Board committees receive regular updates related to various risks for both our Company and our industry. The Audit Committee regularly receives and discusses reports from members of management who are involved in the risk assessment and risk management functions of the Company. The Compensation Committee annually reviews the overall structure of our equity compensation programs to ensure that those programs do not encourage executives to take unnecessary or excessive risks.

Succession Planning

The Board, acting through the Nominating and Corporate Governance Committee, has reviewed and concurred in a management succession plan, developed by our Chairman, to ensure continuity in senior management. This plan, on which our Chief Executive Officer is to report from time to time, addresses:

emergency Chief Executive Officer succession;

Chief Executive Officer succession in the ordinary course of business; and

succession for the other members of senior management.

The plan also includes an assessment of senior management experience, performance, skills and planned career paths.

Board Refreshment

In addition to ensuring the Board reflects an appropriate mix of experiences, qualifications, attributes and skills, the Nominating and Corporate Governance Committee also focuses on director succession and tenure. For example, our bylaws provide that individuals who would be 70 years of age at the time of their election may not serve on the Board unless the Board waives such limitation. Upon attaining age 70 while serving as a director of the Company and annually thereafter, an individual must tender a letter of proposed retirement from the Board effective at the expiration of such individual's current term, and the Board may accept the retirement of the director or request such director to continue to serve as a director. In 2017, our Nominating and Corporate Governance Committee recommended, and our full board nominated, Ms. Uno Immanivong to serve as a director. Ms. Immanivong was elected by our stockholders in our 2017 annual meeting of stockholders, resulting in lower average tenure, younger average age, and broadened gender and racial diversity of background for the Board.

Director Nomination Procedures by the Company

The Nominating and Corporate Governance Committee recommends qualified candidates for Board membership based on the following criteria:

integrity, experience, achievements, judgment, intelligence, competence, personal character, expertise, skills, knowledge useful to the oversight of the Company's business, ability to make independent analytical inquiries, willingness to devote adequate time to Board duties and likelihood of a sustained period of service on the Board;

Table of Contents

business or other relevant experience; and

the extent to which the interplay of the candidate's expertise, skills, knowledge and experience with that of other Board members will build a Board that is effective, collegial and responsive to the needs of the Company.

In connection with the selection of nominees for director, consideration will also be given to the Board's desire for an overall balance of diversity, including diversity in background, experience, perspective, sex, race, ethnicity, color, age, geography, viewpoint, education and skills. The Board, taking into consideration the recommendations of the Nominating and Corporate Governance Committee, is responsible for selecting the director nominees for election by the stockholders and for appointing directors to the Board between annual meetings to fill vacancies, with primary emphasis on the criteria set forth above. The Board and the Nominating and Corporate Governance Committee assess the effectiveness of the Board's diversity efforts as part of the annual Board evaluation process.

Stockholder Nominations and Recommendations

Our bylaws permit stockholders to nominate candidates for election as directors of the Company at an annual meeting of stockholders. Stockholders wishing to nominate director candidates can do so by providing a written notice to the Corporate Secretary, Ashford Inc., 14185 Dallas Parkway, Suite 1100, Dallas, Texas 75254. Stockholder nomination notices and the accompanying certificate, as described below, must be received by the Corporate Secretary not earlier than January 30, 2019 and not later than 5:00 p.m., Eastern time, on March 1, 2019 for the nominated individuals to be considered for candidacy at the 2019 annual meeting of stockholders. Such nomination notices must include all information regarding the proposed nominee that would be required to be disclosed in connection with the solicitation of proxies for the election of the proposed nominee as a director in an election contest pursuant to the SEC's proxy rules under Exchange Act as well as certain other information regarding the proposed nominee, the stockholder nominating such proposed nominee and certain persons associated with such stockholder, and must be accompanied by a certificate of the nominating stockholder as to certain matters, all as prescribed in the Company's bylaws. A detailed description of the information required to be included in such notice and the accompanying certificate is included in the Company's bylaws. You may contact the Corporate Secretary at the address above to obtain a copy of the relevant bylaw provisions regarding the requirements for making stockholder nominations.

Failure of the notice and certificate to comply fully with the requirements of the Company's bylaws in such regard will result in the stockholder nomination being invalid and the election of the proposed nominee as a director of the Company not being voted on at the pertinent annual meeting of stockholders.

Stockholders may recommend director candidates for consideration by the Nominating and Corporate Governance Committee. Any such recommendation must include verification of the stockholder status of the person submitting the recommendation and the nominee's name and qualifications, attributes, skills and experiences for Board membership. Stockholder recommendations may be submitted by writing to the Corporate Secretary, Ashford, Inc., 14185 Dallas Parkway, Suite 1100, Dallas, Texas 75254 and must be received not earlier than January 30, 2019 and not later than 5:00 p.m., Eastern time, on March 1, 2019 for the recommended individual to be considered for nomination for election as a director of the Company at the 2019 annual meeting of stockholders. The Nominating and Corporate Governance Committee expects to use a similar process to evaluate candidates recommended by stockholders as the one it uses to evaluate candidates otherwise identified by the Nominating and Corporate Governance Committee.

On December 15, 2016, the board adopted and approved an amendment to our bylaws that modified the advance notice procedures to require that only stockholders that have owned at least 1% of our outstanding common stock continuously for at least one year may nominate director candidates

and propose other business to be considered at an annual meeting of stockholders. The amendment was previously approved by our stockholders at our annual meeting held on May 13, 2015.

Stockholder and Interested Party Communication with the Board of Directors

Stockholders and other interested parties who wish to contact any of our directors either individually or as a group may do so by writing to them c/o the Corporate Secretary, Ashford Inc., 14185 Dallas Parkway, Suite 1100, Dallas, Texas 75254. Stockholders' and other interested parties' letters are screened by company personnel based on criteria established and maintained by our Nominating and Corporate Governance Committee, which includes filtering out improper or irrelevant topics such as solicitations.

Director Orientation and Continuing Education

The Board and senior management conduct a comprehensive orientation process for new directors to become familiar with our vision, strategic direction, core values, including ethics, financial matters, corporate governance policies and practices and other key policies and practices through a review of background material and meetings with senior management. The Board also recognizes the importance of continuing education for directors and is committed to providing education opportunities in order to improve both the Board's and its committees' performance. Senior management will assist in identifying and advising our directors about opportunities for continuing education, including conferences provided by independent third parties.

Director Retirement Policy

Upon attaining the age of 70 and annually thereafter, as well as when a director's principal occupation or business association changes substantially from the position he or she held when originally invited to join the Board, a director will tender a letter of proposed retirement or resignation, as applicable, from the Board to the chairperson of the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee will review the director's continuation on the Board, and recommend to the board whether, in light of all the circumstances, the Board should accept such proposed resignation or request that the director continue to serve.

BOARD OF DIRECTORS AND COMMITTEES

Our business is managed through the oversight and direction of the Board. Members of the Board are kept informed of our business through discussions with the Chairman of the Board, Chief Executive Officer, Lead Director and other officers, by reviewing materials provided to them and by participating in meetings of the Board and its committees.

During the year ended December 31, 2017, the Board held four regular meetings, five special meetings and two executive sessions of our non-employee directors, each of whom is an independent director. Our Board must hold at least two regularly scheduled meetings per year of the non-employee directors without management present. All of our incumbent directors standing for re-election attended, in person or by telephone, at least 75 percent of all meetings of the Board and committees on which such director served, held during the period for which such person was a director or was a member of such committees, as applicable.

Mr. Monty J. Bennett serves as Chairman of the Board of Directors as well as Chief Executive Officer of the Company. He also serves as Chief Executive Officer of Remington and as the Chairman of the Board of Directors of each of Braemar and Ashford Trust. Because of the conflicts of interest created by the relationships among us, Ashford Trust, Braemar, Remington and each of their affiliates, many of the responsibilities of the Board have been delegated to our independent directors, as discussed below and under "Certain Relationships and Related Person Transactions Conflict of Interest Policies."

Board Member Independence

The Board determines the independence of our directors in accordance with Section 803A of the NYSE American LLC Company Guide and in accordance with our Corporate Governance Guidelines. The full text of Corporate Governance Guidelines can be found in the Investor Relations section of our website at www.ashfordinc.com by clicking "INVESTORS," then "Corporate Governance," then "Governance Documents," and then "Corporate Governance Guidelines." The NYSE American LLC Company Guide requires an affirmative determination by the Board that the director does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In determining whether any director has a relationship with us that would impair independence, the Board reviewed both the NYSE American LLC Company Guide and our own Corporate Governance Guidelines. The information contained on our website is expressly not incorporated by reference into this proxy statement.

Following deliberations, the Board has affirmatively determined that, with the exception of Mr. Monty J. Bennett, our Chief Executive Officer and Chairman, and Mr. J. Robison Hays, III, our Co-President and Chief Strategy Officer, each director of the Company is independent of the Company and its management under the standards set forth in our Corporate Governance Guidelines and the NYSE American LLC Company Guide.

In making the independence determinations with respect to our current directors, the Board examined all relationships between each of our directors or their affiliates and the Company or its affiliates, including those reported below under the heading "Certain Relationships and Related Person Transactions" in this proxy statement and one additional relationship that did not rise to the level of a reportable related person transaction but were taken into consideration by the Board in making independence determinations. Mr. Wheeler's wife owns a commercial printing company that is occasionally utilized by Ashford Inc., Ashford Trust and Braemar for printing needs. Total fees paid to this company by Ashford Inc., Ashford Trust and Braemar were \$64,397, \$95,614 and \$83,319 in 2017, 2016 and 2015, respectively. The Board determined that these transactions did not impair the independence of the director involved. As a result of such analysis and independence determinations, the Board is comprised of a majority of independent directors, as required by Section 803A of the

NYSE American LLC Company Guide. Any reference to an independent director herein means such director satisfies the independence criteria set forth in the NYSE American LLC Company Guide.

Board Committee and Meetings

The standing committees of the Board have been the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. Each of these committees is composed exclusively of independent directors. The independence of the members of the Audit Committee and the Compensation Committee is determined in accordance with the heightened independence standards for membership on such committees of the rules of the NYSE American and applicable rules of the SEC. Each of the Committees is governed by a written charter that has been approved by the Board. A copy of each charter can be found in the Investor section of our website at www.ashfordinc.com by clicking "INVESTORS," then "Corporate Governance," and then "Governance Documents." The information contained on our website is expressly not incorporated by reference into this proxy statement. Executive Compensation

We are a leading provider of asset management and other services to companies within the hospitality industry. Currently, we serve as the advisor to two NYSE listed real estate investment trusts, namely Ashford Trust and Braemar. Combined, Ashford Trust and Braemar have 132 hotels with more than 28,500 rooms and approximately \$6 billion in assets. The Company also holds investments in and controlling stakes in various enterprises that provide products and services to the lodging industry.

In our capacity as the advisor to Ashford Trust and Braemar, we are responsible for implementing the investment strategies and managing the day-to-day operations of Ashford Trust and Braemar, in each case subject to the supervision and oversight of the respective board of directors of such entity. We provide the personnel and services necessary to allow each of Ashford Trust and Braemar to conduct its respective business. Ashford Trust and Braemar have no employees and all of their respective executive officers are employees of Ashford LLC, our subsidiary. We receive fees and reimbursement of certain expenses from each of Ashford Trust and Braemar for providing such services, the proceeds of which are used in part to pay compensation to our personnel, but Ashford Trust and Braemar do not specifically reimburse us for any executive employee compensation or benefits costs and the amount of our fees does not vary based on the amount of such executive compensation and benefits costs.

Compensation Approach

The compensation program balances three important objectives:

provide adequate compensation to attract and retain talented employees;

provide strong incentives for management to craft and execute a value-creating growth strategy; and

manage the compensation program in a way that the cost to stockholders is appropriate for the performance achieved.

Our program has three components:

salary, which is set at competitive levels to attract required talent;

annual cash bonus plan, which rewards management for meeting the Company's annual business objectives; and

long-term equity incentive plan, which rewards management for the effective execution of a long-term growth strategy and an incentive to remain committed to the long-term success of the organization.

All three components are designed to allow us to compete for and retain the services of the persons needed for the growth and success of the Company.

We have or, in the case of Mr. Brooks, had employment agreements with each of our executive officers, pursuant to which Mr. Bennett served as our Chief Executive Officer, Mr. Kessler served as our President and Mr. Brooks served as our Chief Operating Officer, General Counsel and Secretary in 2017. The current term of our employment agreements with each of Mr. Bennett and Mr. Kessler expires on December 31, 2018, but each agreement is subject to automatic one-year renewals, unless either party to the applicable employment agreement provides at least 120 days' notice of non-renewal of such employment agreement. Welter was appointed to serve as our Co-President and Chief Operating Officer, and Mr. J. Robison Hays, III, was appointed to serve as our Co-President and Chief Strategy Officer. Mr. Brooks's employment agreement terminated upon his death.

The employment agreements for each of our executive officers provided for in 2017:

an annual base salary of \$950,000 for Mr. Monty J. Bennett, \$725,000 for Mr. Kessler (effective February 21, 2017) and \$550,000 for Mr. Brooks, subject to annual adjustments;

medical and other group welfare plan coverage.

All of these benefits are available to all of our salaried employees. Additionally, the senior executives of the Company have the following additional benefits, which are not extended to all salaried employees:

director's and officer's liability insurance coverage;

payment for an extensive annual medical exam conducted at UCLA Medical Center; and

additional disability and life insurance policies available only to our senior executives.

The cumulative cost of the medical exam and the additional disability and life insurance is not expected to exceed \$10,000 annually for any individual executive.

Mr. Monty J. Bennett's targeted annual cash bonus range is 100% to 250% of his base salary. Mr. Kessler's targeted annual cash bonus range is 75% to 175% of his base salary. Mr. Brooks's targeted annual cash bonus range was 75% to 200% of his base salary.

2014 Incentive Plan

Our 2014 Incentive Plan provides for both equity and cash-based incentive compensation and for the grant of incentive awards to employees, consultants and non-employee directors of our company

Table of Contents

and its affiliates. The 2014 Incentive Plan is administered by the compensation committee of our board of directors.

Material Terms of Our 2014 Incentive Plan

Our 2014 Incentive Plan authorizes (i) a plan participant to purchase common stock of the Company for cash at a purchase price to be decided by the Compensation Committee, but not more than the fair market value per share of such common stock purchased on the date of such purchase, and (ii) the grant of:

nonqualified stock options to purchase common stock;

incentive options to purchase common stock;

unrestricted stock;

restricted stock;

phantom stock;

stock appreciation rights; and

other stock or cash-based awards.

Shares Subject to Our 2014 Incentive Plan. We initially reserved 420,000 shares of common stock for issuance under our 2014 Incentive Plan, which is the equivalent of approximately 15% of the sum of (i) the issued and outstanding shares of our common stock immediately following our spin-off from Ashford Trust in November 2014 and (ii) the shares of our common stock reserved for issuance pursuant to the deferred compensation obligations we assumed in connection with the spin-off. In the event the outstanding shares of common stock are changed into or exchanged for a different number or kind of shares or other securities of the company by reason of a merger, consolidation, recapitalization, reclassification, stock split, stock dividend, combination of shares or the like, the aggregate number and class of securities available under our 2014 Incentive Plan will be ratably adjusted. In the event the number of shares to be delivered upon the exercise or payment of any award granted under the 2014 Incentive Plan is reduced for any reason whatsoever, including any optional forfeitures for the payment of taxes, or in the event any award granted under our 2014 Incentive Plan can no longer under any circumstances be exercised or paid, the number of shares no longer subject to such award will be released from such award and be available under the 2014 Incentive Plan for the grant of additional awards.

The 2014 Incentive Plan contains a provision pursuant to which there is an automatic increase of authorized shares on January 1 of each year equal to 15% of the sum of (i) the fully diluted share count as of January 1 of such year and (ii) the shares of common stock reserved for issuance under the company's deferred compensation plan, less shares available under the 2014 Incentive Plan as of December 31 of the previous year. After application of this provision, as of January 1, 2018, we had 491,571 shares of our common stock, or securities convertible into 491,571 shares of our common stock available for issuance under our 2014 Incentive Plan.

Eligibility. Under the 2014 Incentive Plan, we may grant awards to the employees, consultants and non-management directors of our company and its affiliates. While we may grant incentive stock options only to employees of the company or its affiliates, we may grant nonqualified stock options, bonus stock, stock appreciation rights, stock awards and performance awards to any eligible participant. We have approximately 104 employees and five non-management directors, all of whom are eligible to participate in the 2014 Incentive Plan.

Table of Contents

Administration. Our 2014 Incentive Plan is administered by the compensation committee of our board of directors. With respect to any grant or award to any individual covered by Section 162(m) of the Internal Revenue Code of 1986, as amended (the "**Code**") which is intended to be performance-based compensation, the compensation committee has consisted and continues to consist solely of two or more members of our board of directors, each of whom qualifies as a "non-management director" within the meaning of Section 16b-3 under the Exchange Act.

The compensation committee selects the participants who are granted any award, and employees, consultants and non-management directors of our company or our affiliates are eligible to receive awards under the 2014 Incentive Plan, except that only employees of our company are eligible to receive an award of an incentive stock option and only employees, consultants and non-management directors of our company are eligible to receive an award of a nonqualified stock option or stock appreciation right.

The 2014 Incentive Plan will terminate on the tenth anniversary of the date of approval by our stockholders, and no new awards may be granted after the termination date. Awards made before the termination of our 2014 Incentive Plan will continue in accordance with their terms.

Non-Equity Incentive Plan Compensation Awards

Cash bonuses are set by the Compensation Committee based upon the achievement of strategic and financial objectives set at the beginning of the year by the Board and management. In 2017, the objectives included relative total stockholder return, earnings growth, new services and increased exposure to the investment and analyst communities. The compensation committee selected seven metrics, assigned weights to each and set performance targets for threshold, mid-point and maximum bonus levels, with interpolation for performance between the threshold, mid-point and maximum targets, as shown in the table below.

In 2017, the named executive officers met or exceeded the maximum performance target for all but one of the measures as shown in the table below. As a result, each executive earned a bonus for 2017 at a level equal to 94.6% of their maximum potential.

Tax Considerations

Section 162(m) of the Code limits the deductibility of compensation paid to certain of our executive officers. Prior to the recently enacted Tax Cut and Jobs Act (the "***Tax Act***") Section 162(m) of the Code contained an exemption from such limit on the deductibility of compensation in excess of \$1,000,000 to certain officers of companies with securities registered under Section 12 of the Exchange Act for certain performance-based compensation. To qualify for deductibility under Section 162(m) of the Code, compensation in excess of \$1,000,000 paid to our named executive officers (other than our chief financial officer who was not subject to Section 162(m) of the Code prior to the Tax Act, but will be so after the Tax Act) during any fiscal year generally was required to be "performance-based" compensation as determined under Section 162(m) of the Code. Compensation generally qualified as performance-based if, among other requirements, was payable only upon the attainment of pre-established, objective performance goals based on performance criteria that had been approved by our stockholders, and the committee of our board that established and certified the attainment of such goals consists only of "outside directors." All members of our compensation committee have at all pertinent times qualified as outside directors for purposes of Section 162(m). The Tax Act amended Section 162(m) to eliminate the exemption from the limit on deductibility for performance-based income and to expand the officers covered by the limitation.

Our company is structured such that compensation is not paid and deducted by the corporation, but at the lower-level operating partnership, which also serves as the employer. The IRS has previously issued a private letter ruling holding that in the event that a publicly held corporation's covered employees receive compensation from a partnership in which such corporation has an ownership interest for services performed to such partnership, Section 162(m) of the Code does not apply to either the partnership, for compensation paid to the covered employee, or to the corporation, for its share of income or loss from the partnership that includes compensation expenses for such services performance by the covered employee. Consistent with that ruling, we have taken a position that compensation expense paid and incurred at the operating partnership level is not subject to the Section 162(m) of the Code limit. As such, the compensation committee does not believe that it is necessary to meet the requirements of the performance-based compensation exception to Section 162(m) of the Code. As private letter rulings are applicable only for the taxpayer who obtains the ruling, and we have not obtained a private letter ruling addressing this issue, there can be no assurance that the IRS will not challenge our position that Section 162(m) of the Code does not apply to compensation paid at the operating partnership level.

While the tax impact of any compensation arrangement is one factor to be considered, such impact is evaluated in light of the compensation committee's overall compensation philosophy and objectives.

Deferred Compensation Plan

In 2007, Ashford Trust implemented a deferred compensation plan which allowed its executives and directors, at their election, to defer portions of their compensation. We assumed the plan in connection with the spin-off, and it was subsequently amended and restated. Mr. Monty Bennett is the

Table of Contents

only named executive officer that has participated in this plan. On the spin-off date, we assumed a liability of \$16,956,712 in connection with Mr. Bennett's portion of the deferred compensation plan. No additional compensation has been deferred under the amended and restated plan following the spin-off.

Pursuant to the terms of the amended and restated plan, Mr. Bennett elected to invest his deferred compensation amounts in our common stock. As a result of this election, we have agreed to issue Mr. Bennett 195,579 shares of our common stock to satisfy the assumed deferred compensation obligation, and such shares will be issued beginning when the applicable deferral periods expire. We became obligated to begin payment of the deferred compensation obligations (and issuance of shares of our common stock) to Mr. Bennett over a five-year period that will begin in 2020. Such shares will be issued in equal quarterly installments of 9,779 shares per installment beginning in the first quarter of 2020.

Prior to our assumption and amendment of the deferred compensation plan in November 2014, Ashford Trust paid deferred compensation plan participants who elected the company stock investment option dividend equivalents, which accrued as additional shares, if and to the extent Ashford Trust paid dividends on its common stock. Thereby, each executive who participated in the deferred compensation plan and elected the company stock investment option received his investment shares plus any related dividend equivalent shares at the time that distributions were made from the plan subject to applicable rules and limitations. After our assumption and amendment of the deferred compensation plan in November 2014, deferred compensation plan participants may elect our common stock as an investment option, and we will continue to make such dividend equivalent payments in shares of our common stock to the extent we pay dividends and deferred compensation plan participants elect common stock as the investment option.

Compensation Risk Assessment

The Compensation Committee has overall responsibility for overseeing the risks relating to our compensation policies and practices. The committee uses its independent compensation consultant, Gressle & McGinley, to independently consider and analyze the extent, if any, to which our compensation policies and practices might create risks for the Company, as well as policies and practices that could mitigate any risks. After conducting this review in early 2018, the Compensation Committee has determined that none of our compensation policies and practices create any risks that are reasonably likely to have a material adverse effect on our Company.

Potential Payments Upon Termination of Employment or Change of Control

We have employment agreements with each of our executive officers, some of which were approved while the Company was a controlled subsidiary of Ashford Trust prior to the spin-off, and we assumed Ashford Trust's existing deferred compensation plan. Under the terms of the employment agreements, each of our named executive officers is entitled to receive certain severance benefits after termination of employment. The amount and nature of these benefits vary depending on the circumstances under which employment terminates. The employment agreements provide for certain specified benefits during the entire term of the employment agreement.

Each of the employment agreements of our named executive officers provides that, if the executive's employment is terminated as a result of death or disability of the executive; by us without cause (including non-renewal of the agreement by us); by the executive for "good reason"; or after a "change of control" (each as defined in the applicable employment agreement), the executive will be entitled to accrued and unpaid salary to the date of such termination, pay for unused vacation and any unpaid incentive bonus from the prior year plus the following severance payments and benefits, subject to his execution and non-revocation of a general release of claims:

a lump-sum cash severance payment (more fully described below);

Table of Contents

pro-rated payment of the incentive bonus for the year of termination, payable at the time incentive bonuses are paid to the remaining senior executives for the year in which the termination occurs;

all restricted equity securities held by such executive will become fully vested; provided however, for all executives other than Messrs. Bennett and Kessler, if a change of control occurs and the executive's employment is terminated by the executive without good reason, only unvested restricted equity securities awarded prior to September 13, 2017 will become fully vested and the unvested restricted equity securities awarded on or after September 13, 2017 will be forfeited; and

health benefits for 36 months following the termination of employment of Messrs. Bennett and Kessler, or 24 months following the termination of employment of the other executives, and life and disability benefits for 36 months following the termination of employment of Messrs. Bennett and Kessler, or 24 months following the termination of employment of the other executives, in each case at the same level of benefit as in effect immediately preceding such termination, subject to reduction to the extent that the executive receives comparable benefits from a subsequent employer (other than a Remington affiliate for Mr. Bennett), payable by the Company over the period of coverage.

The lump sum severance payment payable upon termination of an executive's employment agreement in any of the circumstances described above is calculated as the sum of such executive's then-current annual base salary plus his average bonus over the prior three years, multiplied by a severance multiplier. The severance multiplier is:

one for all executives in the event of termination as a result of death or disability of the executive;

two for all executives other than Messrs. Bennett and Kessler and three for Messrs. Bennett and Kessler in the event of and termination by us without cause (including non-renewal of the agreement) or termination by the executive for good reason;

two for Mr. Brooks and three for Messrs. Bennett and Kessler in the event of termination by the Company without cause or by the executive for any reason within one year following a change in control.

If an executive's employment is terminated by the executive officer without "good reason" (as defined in the applicable employment agreement), the executive will be entitled to accrued and unpaid salary to the date of such termination and any unpaid incentive bonus from the prior year. Additionally, the employment agreements for each of the executives includes non-compete provisions, and in the event the executive elects to end his employment with us without good reason, in exchange for the executive honoring his non-compete provisions, he will be entitled to the following additional payments:

health benefits for the duration of the executive's non-compete period following the executive's termination of employment at the same level of benefit as in effect immediately preceding such termination, subject to reduction to the extent that the executive receives comparable benefits from a subsequent employer; and

a non-compete payment equal to the sum of his then-current annual base salary plus average bonus over the prior three years, paid equally over the twelve-month period immediately following the executive's termination.

If any named executive officer's employment agreement is terminated by the Company for "cause" (as defined in the applicable employment agreement) the executive will be entitled solely to any

Table of Contents

accrued and unpaid salary to the date of such termination and any unpaid incentive bonus from the prior year.

Each of the employment agreements contain standard confidentiality, non-compete, non-solicitation and non-interference provisions. The confidentiality provisions apply during the term of the employment agreement and for anytime thereafter. The non-interference provisions apply during the term of the employment agreement. The non-solicitation provisions apply during the term of the agreement, and for a period of one year following the termination of the executive. The non-compete provisions apply during the term of the employment agreements and for a period of one year thereafter. The non-compete provisions of Mr. Monty Bennett's employment agreement specifically allow Mr. Bennett to engage in certain potentially competitive activities consistent with his positions at Remington and consistent with the mutual exclusivity agreement between Remington and the Company.

Additionally, in the event of an executive's termination for any reason, all deferred compensation amounts payable under our deferred compensation plan become due and payable in a single lump sum payment within 45 days of the termination date.

Mr. Brooks, a named executive officer of the Company, passed away on March 29, 2018. As a result, we expect to pay to Mr. Brooks's estate a cash payment in accordance with the provisions of the employment agreement between Mr. Brooks and the Company discussed above. In addition, all equity awards granted to Mr. Brooks, including non-qualified stock options, vested immediately upon his passing.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the executive compensation disclosure with the Company's management, and based on this review and discussion, the Compensation Committee has recommended to the Board that the executive compensation disclosure be included, in this proxy statement.

PROPOSAL TWO EXTENSION OF OUR STOCKHOLDER RIGHTS PLAN

On November 16, 2014, the Board adopted a stockholder rights plan by entering into a Rights Agreement, dated November 17, 2014, with Computershare Trust Company, N.A., as rights agent (the "**Rights Agent**") (as amended and restated from time to time, the "**Rights Agreement**"). Our Board implemented the rights plan by declaring a dividend of one preferred share purchase right (a "**Right**") that was paid on November 27, 2014, for each outstanding share of common stock, par value \$0.01 per share, outstanding on November 27, 2014 to the stockholders of record on that date. Each Right becomes exercisable on the Distribution Date (as defined below) and entitles the registered holder to purchase from the Company one one-thousandth of a share of Series A Preferred Stock, par value \$0.01 per share, of the Company, at a price of \$275 per one one-thousandth of a Preferred Share represented by a Right, subject to adjustment.

On August 12, 2015, the Company and the Rights Agent entered into an Amended and Restated Rights Agreement (the "**Amended and Restated Rights Agreement**"), which extended the initial expiration date to February 25, 2018 (the "**Prior Expiration Date**"). On October 31, 2016, the Company and the Rights Agent entered into Amendment No. 1 ("**Amendment No. 1**") to the Amended and Restated Rights Agreement, which amendment made such changes as were necessary to reflect the reincorporation of the Company from Delaware to Maryland.

On April 6, 2018, the Company and the Rights Agent entered into Amendment No. 2 to the Amended and Restated Rights Agreement (the Amended and Restated Rights Agreement as amended by Amendment No. 1, as further amended by Amendment No. 2, the "**Rights Agreement**"), which (i) extended the Prior Expiration Date with respect to the Rights until the date of the Annual Meeting (the "**Current Expiration Date**") and (ii) excluded Mr. Monty J. Bennett, Mr. Archie Bennett, Jr. and their respective affiliates and associates from the definition of "Acquiring Person."

Summary Description of the Rights Agreement

The Rights Agreement is intended to ensure the fair and equal treatment of the Company's stockholders in connection with any initiative to acquire effective control of the Company. It is also intended to reduce the likelihood that any person or group would gain control of the Company by open market accumulation of shares of our common stock or otherwise without paying a control premium for all shares of our common stock.

Initially, the Rights will be attached to all certificates representing our common stock, and no separate certificates evidencing the Rights will be issued. The Rights Agreement provides that, until the Distribution Date, the Rights will be transferred only with the shares of our common stock. The Distribution Date will occur, and the Rights would separate and begin trading separately from the shares of our common stock, and certificates representing the Rights will be issued to evidence the Rights, on the earlier to occur of:

- (i) 10 business days following a public announcement, or the public disclosure of facts indicating, that a person or group of affiliated or associated persons has acquired beneficial ownership (as defined in the Rights Agreement) of 10% or more of the outstanding shares of common stock (referred to, subject to certain exceptions as "Acquiring Persons") (or, in the event an exchange of the Rights for shares of our common stock is effected in accordance with certain provisions of the Rights Agreement and the Board of Directors determines that a later date is advisable, then such later date that is not more than 20 days after such public announcement); or
- (ii) 10 business days (or such later date as may be determined by action of the Board of Directors prior to such time as any person becomes an Acquiring Person) following the commencement of, or announcement of an intention to make, a tender offer or exchange offer the

Table of Contents

consummation of which would result in the beneficial ownership by a person or group of 10% or more of the outstanding shares of our common stock.

The Rights also become exercisable if a person or group that already beneficially owns 10% or more of our common stock acquires any additional shares of our common stock without the approval of the Board, except that the Distribution Date will not occur as a result of our Company, one of our subsidiaries, one of our employee benefit plans or a trustee for one of those plans, or Mr. Monty J. Bennett, Mr. Archie Bennett, Jr. and their respective and affiliates and associates, acquiring additional shares of our common stock, and those persons will not be Acquiring Persons.

If a person or group becomes an Acquiring Person at any time, with certain limited exceptions, the Rights will become exercisable for shares of our common stock (or, in certain circumstances, shares of our Series A Preferred Stock or other of our securities that are similar) having a value equal to two times the exercise price of the Right. From and after the announcement that any person has become an Acquiring Person, if certificated Rights are or were at any time on or after the earlier of (i) the date of such announcement or (ii) the Distribution Date acquired or beneficially owned by an Acquiring Person or an associate or affiliate of an Acquiring Person, such Rights shall become void, and any holder of such Rights shall thereafter have no right to exercise such Rights. In addition, if, at any time after a person becomes an Acquiring Person, (i) we consolidate with, or merge with and into, any other person; (ii) any person consolidates with us, or merges with and into us and we are the continuing or surviving corporation of such merger and, in connection with such merger, all or part of the shares of our common stock are or will be changed into or exchanged for stock or other securities of any other person (or of ours) or cash or any other property; or (iii) 50% or more of our consolidated assets or earning power (as defined in the Rights Agreement) are sold, then proper provision will be made so that each holder of a Right will thereafter have the right to receive, upon the exercise of a Right at the then current exercise price of the Right, that number of shares of common stock of the acquiring company which at the time of such transaction will have a market value of two times the exercise price of the Right. Upon the occurrence of an event of the type described in this paragraph, if the Board so elects, we will deliver upon payment of the exercise price of a Right an amount of cash or securities equivalent in value to the shares of common stock issuable upon exercise of a Right. If we fail to meet that obligation within 30 days following of the announcement that a person has become an Acquiring Person, we must deliver, upon exercise of a Right but without requiring payment of the exercise price then in effect, shares of our common stock (to the extent available) and cash equal in value to the difference between the value of the shares of our common stock otherwise issuable upon the exercise of a Right and the exercise price then in effect.

The Proposed Extension

The Rights issued under the Rights Agreement were set to expire on the date of the Annual Meeting, the Current Expiration Date. Approval of the extension of the Current Expiration Date requires the affirmative "FOR" vote of the holders of a majority of all of the votes cast on such proposal. If approved, the Final Expiration Date (as defined in the Rights Agreement) will be extended immediately. If the stockholders do not approve such extension, the

PROPOSAL FOUR ADJOURNMENT OR POSTPONEMENT OF ANNUAL MEETING

The stockholders of the Company are being asked to approve a proposal that will give the Company the authority, if necessary or appropriate, to adjourn or postpone the Annual Meeting for the purpose of soliciting additional proxies in favor of the other proposals if there are not sufficient votes at the time of the Annual Meeting to approve such proposal. If this adjournment proposal is approved, the Annual Meeting could be adjourned by the Board. In addition, under Article I, Section 5 of the Company's bylaws, the chairman of a meeting has the authority to adjourn the Annual Meeting, whether or not a quorum is present.

We do not anticipate that we will adjourn or postpone the Annual Meeting unless (i) necessary or appropriate to solicit additional proxies if there are insufficient votes at the time of the Annual Meeting to approve the other proposals, or (ii) counsel advises us that such adjournment or postponement is necessary under applicable law. Any signed proxies received by the Company in which no voting instructions are provided on such matter will be voted in favor of an adjournment or postponement in these circumstances. Any adjournment or postponement of the Annual Meeting for the purpose of soliciting additional proxies will allow the Company's stockholders who have already sent in their proxies to revoke them at any time prior to their use at the Annual Meeting, as adjourned or postponed.

Approval of this Proposal Four requires the affirmative "FOR" vote of a majority of the votes cast on such proposal. You may vote "FOR," "AGAINST" or "ABSTAIN" from voting. CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

This section of the proxy statement describes certain relationships and related person transactions we have that could give rise to conflicts of interest. A "related transaction" is any transaction, arrangement or relationship, or series of similar transactions, arrangements or relationships, since the beginning of our last fiscal year or currently proposed, in which: (i) our Company was or is to be a participant, (ii) the amount involved exceeds \$120,000, and (iii) any related person had or will have a direct or indirect material interest.

A "related person" means: (i) any director, director nominee or executive officer of the Company, (ii) any person known to the Company to be the beneficial owner of more than 5% of its outstanding voting stock at the time of the transaction, (iii) any immediate family member of either of the foregoing or (iv) a firm, corporation or other entity in which any of the foregoing is a partner or principal or in a similar position or in which such person has at least a 10% equity interest.

Conflict of Interest Policies

We take conflicts of interest seriously and aim to ensure that transactions involving conflicts or potential conflicts are thoroughly examined and only approved by independent board members.

Because we could be subject to various conflicts of interest arising from our relationships with Ashford Trust, Braemar, AIM, their respective affiliates and other parties, to mitigate any potential conflicts of interest, we have adopted a number of conflict of interest policies. As described above under "Corporate Governance Board Leadership Structure," our bylaws require that, at all times, a majority of the Board be independent directors and our Corporate Governance Guidelines require that two-thirds of the board be independent directors at all times that we do not have an independent chairman.

Our Corporate Governance Guidelines also provide that all decisions related to our advisory agreements with Ashford Trust and Braemar, our mutual exclusivity agreement with Remington and certain agreements with Ashford Trust that we entered into pursuant to our spin-off from Ashford Trust in 2014 be approved by a majority of the independent directors, except as specifically provided otherwise in such agreements.

Finally, our directors also are subject to provisions of Maryland law that address transactions between Maryland corporations and our directors or other entities in which our directors have a material financial interest. Such transactions may be voidable under Maryland law, unless certain safe harbors are met. Our charter contains a requirement, consistent with one such safe harbor, that any transaction or agreement involving us, any of our wholly owned subsidiaries or our operating partnership and a director or officer or an affiliate or associate of any director or officer requires the approval of a majority of disinterested directors.

Advisory Agreements and Relationships with Ashford Trust and Braemar

We, through our operating subsidiary, Ashford LLC, advise Ashford Trust and Braemar in the management of their investments and day-to-day operations, subject to the supervision and oversight of the respective board of directors of such entities, pursuant to advisory agreements executed between Ashford LLC and each of Ashford Trust and Braemar. We may also perform similar services for new or existing platforms created by us, Ashford Trust or Braemar. We share many of the same executive officers with Ashford Trust and Braemar, and we all have one common director, Mr. Monty J. Bennett, our Chief Executive Officer and Chairman.

Advisory Agreement with Ashford Trust

Our advisory agreement with Ashford Trust has an initial 10-year term that expires on June 10, 2025 and is automatically renewed for successive five-year terms after its expiration unless terminated either by us or Ashford Trust, as applicable. We are entitled to receive from Ashford Trust an annual base fee calculated as 0.70% or less of the total market capitalization of Ashford Trust, subject to a minimum quarterly fee. We are also entitled to receive an incentive fee from Ashford Trust based on its out-performance, as measured by total annual stockholder return, as compared to Ashford Trust's defined peer group. For the year ended December 31, 2017, we earned a base fee of \$34.7 million and an incentive fee of \$1.8 million.

In addition, we are entitled to receive directly or be reimbursed, on a monthly basis, for all expenses paid or incurred by us or our affiliates on behalf of Ashford Trust or in connection with the services provided by us pursuant to our advisory agreement with Ashford Trust, which includes Ashford Trust's pro rata share of our office overhead and administrative expenses incurred in providing our duties under the advisory agreement.

The board of directors of Ashford Trust also has the authority to make annual equity awards to us or directly to our employees, officers, consultants and non-employee directors, based on the achievement by Ashford Trust of certain financial and other hurdles established by its boards of directors. In March 2017, Ashford Trust awarded equity grants of its common stock, LTIP units, performance stock units, and performance LTIP units to executives valued at approximately \$12.6 million. In April 2017, Ashford Trust awarded common equity grants of its common stock and LTIP units valued at approximately \$1.9 million to our non-executive employees.

We are also entitled to receive a termination fee from Ashford Trust under certain circumstances.

Advisory Agreement with Braemar

In connection with the amendment and restatement of our advisory agreement with Braemar, which amendment was approved by Braemar's stockholders at its 2017 annual meeting of stockholders and effective as of June 9, 2017, we received a cash payment from Braemar of \$5.0 million at the time the amended advisory agreement became effective. Our current advisory agreement with Braemar has an initial 10-year term that expires on January 24, 2027 and is subject to renewal by us for up to seven additional successive 10-year terms.

Generally, we are entitled to receive from Braemar an annual base fee fixed at 0.70% of the total market capitalization of Braemar, payable on a monthly basis. We are also entitled to receive an incentive fee from Braemar based on its out-performance, as measured by total annual stockholder return, as compared to Braemar's peers. For the year ended December 31, 2017, we earned a base fee of \$8.8 million and an incentive fee of \$1.3 million from Braemar.

In addition, we are entitled to receive directly or be reimbursed, on a monthly basis, for all expenses paid or incurred by us or our affiliates on behalf of Braemar or in connection with the services provided by us pursuant to our advisory agreement with Braemar, which includes Braemar's pro rata share of our office overhead and administrative expenses incurred in providing our duties under the advisory agreement. For the year ended December 31, 2017, we received reimbursable overhead and internal audit, insurance claims and advisory fees of \$2.1 million from Braemar.

The board of directors of Braemar also has the authority to make annual equity awards to us or directly to our employees, officers, consultants and non-employee directors, based on the achievement by Braemar of certain financial and other hurdles established by its boards of directors. In March 2017, Braemar award equity grants of its common stock, LTIP units, performance stock units, and performance LTIP units to executives valued at approximately \$5.7 million. In April 2017, Braemar

awarded equity grants of its common stock or LTIP units to our non-executive employees valued at approximately \$0.4 million

We are also entitled to receive a payment of initially equal to \$45 million, in addition to the termination fee from Braemar, in the event the advisory agreement is terminated prior to any net incremental growth in Braemar's hotel portfolio. This amount may reduce ratably to zero over time based on such net incremental asset growth. We are also required to provide quarterly public disclosure of the incremental expenses of Ashford Inc. used to calculate the termination fee.

Service Providers

In accordance with our advisory agreements, we, or entities in which we have an interest, have a right to provide products or services to hotels owned by Ashford Trust and Braemar or their affiliates at market rates, provided such transactions are evaluated and approved by the independent directors of Ashford Trust and Braemar. Our relationships with such product and service providers often results in preferred pricing, premium service, and other benefits for Ashford Trust and Braemar hotels. We also anticipate that this arrangement will facilitate better long-term quality control and accountability.

If our independent directors request performance of services outside the scope of the advisory agreement, Ashford Trust and Braemar are obligated to pay for such services separately and in additional to the other fees charged by us under the applicable advisory agreement.

The table below sets forth entities in which we had an interest as of December 31, 2017 with which some of Ashford Trust's hotels and Braemar's hotels contracted for products and services, the approximate amounts paid or by or received from affiliates of Ashford Trust or Braemar for those services, our interests in such entities, and the number of board seats we are entitled to on such companies' boards.

Our Relationship and Agreements with Remington

Mutual Exclusivity Agreement

Immediately prior to the completion of our spin-off from Ashford Trust in 2014, we entered into a mutual exclusivity agreement with Remington, pursuant to which we agreed to utilize Remington to provide property management, project management and development services for all hotels, if any, that we may acquire as well as all hotels that future companies advised by us may acquire, to the extent that we have the right, or control the right, to direct such matters, unless our independent directors either (i) unanimously vote not to utilize Remington for such services or (ii) based on special circumstances or past performance, by a majority vote elect not to engage Remington because they have determined, in their reasonable business judgment, that it would be in our best interest not to engage Remington or that another manager or developer could perform the duties materially better. In exchange for our agreement to engage Remington for such services for all hotels, if any, that we may acquire as well as all hotels that future companies advised by us may acquire, Remington has agreed to grant to any such companies advised by us a right of first refusal to purchase any investments identified by Remington and any of its affiliates that meet the initial investment criteria of such entities, as identified in the advisory agreement between us and such entities, subject to any prior rights granted by Remington to other entities, including Ashford Trust, Braemar and us. The services that Remington provides under the mutual exclusivity agreement to Ashford Trust, Braemar and future companies advised by us includes (i) property management services, which consist of the day-to-day operations of hotels; (ii) project management services, which consist of construction management, interior design, architectural oversight, and the purchasing, expediting, warehousing, freight management, installation and supervision of furniture, fixtures, and equipment, and related services; and (iii) development services, which consist of building hotel properties or constructing hotel improvements. In connection with the consummation of the potential acquisition of the project management business of Remington contemplated by that certain combination agreement, dated April 6, 2018, by and among the Company, Remington, Monty J. Bennett, Archie Bennett, Jr., Remington Holdings GP, LLC, Project Management LLC, MJB Investments, LP, Mark A. Sharkey, Ashford Holding Corp. and Ashford Merger Sub Inc., we and Remington expect (a) to amend and restate the mutual exclusivity agreement such that we will still agree to use Remington to provide only all property management services (and not project management and development services) for all hotels, if any, that we may acquire in the future, as well as all hotels that future companies that we advise may acquire, to the extent that we have the right, or control the right, to direct such matters (subject to the same exceptions with respect to votes of our independent directors as are currently contained in the mutual exclusivity agreement) and (b) Remington and its affiliates will assign their rights under the mutual exclusivity agreement with respect to project management and development services to PM LLC.

Mr. Monty J. Bennett, our Chief Executive Officer and Chairman of the board, is also the Chief Executive Officer of Remington and, together with his father Mr. Archie Bennett, Jr. beneficially owns, directly or indirectly, 100% of Remington, and, as a result, Mr. Monty J. Bennett will potentially benefit, directly or indirectly, from Remington's receipt of property management fees, project management fees and development fees by Remington from such future companies that we advise, as well as any such fees payable by us if we acquire or develop hotels in the future. Currently, our business strategy does not contemplate the acquisition or development of hotels.

Remington-Related Transactions

On September 17, 2015, we entered into an acquisition agreement to acquire 80% of Remington. The acquisition was subject to customary closing conditions, including that the transaction must be approved by our stockholders. Our stockholders approved the transaction on April 12, 2016. Effective March 24, 2017, Remington and Ashford Inc. mutually agreed to terminate the acquisition agreement due to the failure of certain closing conditions to be fully satisfied.

Table of Contents

On April 6, 2018, we entered into a combination agreement to acquire the project management business of Remington, which transaction is subject to customary closing conditions, including that the proposed transaction be approved by our stockholders to the extent required by applicable law or the terms of the Company's listing on the NYSE American.

For a stockholder proposal to be considered for inclusion in the company's proxy statement for the 2019 annual meeting of stockholders, our corporate secretary must receive the written proposal at our principal office no later than the close of business on January 30, 2019. Such proposals also must comply with Exchange Act Rule 14a-8 regarding the inclusion of stockholder proposals in company-sponsored proxy materials. GENERAL INFORMATION ABOUT VOTING

Solicitation of Proxies

The enclosed proxy is solicited by and on behalf of the Board of Directors. In addition to the solicitation of proxies by use of the mail, we expect that director, officers and other employees of Ashford may solicit the return of proxies by personal interview, telephone, e-mail or facsimile. We will not pay additional compensation to our directors, officers and employees for their solicitation efforts, but we will reimburse them for any out-of-pocket expenses they incur in their solicitation efforts. We also intend to request persons holding shares of our common stock in their name or custody, or in the name of a nominee, to send proxy materials to their principals and request authority for the execution of the proxies, and we will reimburse such persons for their expense in doing so. We will bear the expense of soliciting proxies for the Annual Meeting, including the cost of mailing.

We have retained MacKenzie to aid in the solicitation of proxies and to verify records relating to the solicitation. MacKenzie will receive a base fee of \$15,000, plus out-of-pocket expenses.

Electronic Availability of Proxy Materials

Most stockholders can elect to view future proxy statements electronically instead of receiving paper copies in the mail. This will save us the cost of producing and mailing these documents.

If you are a stockholder of record, you may choose electronic delivery by following the instructions provided when you vote over the Internet. If you hold our common stock through a broker, bank, trust or other holder of record, you will receive information from that entity regarding the availability of electronic delivery. If you choose to view future proxy statements and annual reports over the Internet, you will receive an e-mail message next year containing the Internet address to access our proxy statement. Your choice will remain in effect until you cancel your election. You do not have to elect Internet access each year.

Voting Securities

Our only outstanding voting equity securities are shares of our common stock. Each share of common stock entitles the holder to one vote. As of May 4, 2018 there were 2,103,353 shares of common stock outstanding and entitled to vote. Only stockholders of record at the close of business on May 4, 2018 are entitled to notice of and to vote at the Annual Meeting and any postponement or adjournment of the Annual Meeting.

Voting

If you hold your common stock in your own name as a holder of record, you may instruct the proxies to vote your common stock by signing, dating and mailing the proxy card in the postage-paid envelope provided. You may also vote your common stock in person at the Annual Meeting. Each stockholder may appoint only one proxy holder or representative to attend the meeting on his or her behalf.

If your common stock is held on your behalf by a broker, bank or other nominee, you will receive instructions from them that you must follow to have your common stock voted at the Annual Meeting.

Counting of Votes

A quorum will be present at the Annual Meeting if the holders of a majority in voting power of the outstanding shares entitled to vote are present in person or by proxy. If you have returned valid proxy instructions or if you hold your shares in your own name as a holder of record and attend the Annual Meeting in person, your shares will be counted for the purpose of determining whether there is

Table of Contents

a quorum. If a quorum is not present, the Annual Meeting may be adjourned by the chairman of the meeting or by a vote of a majority of the shares represented at the Annual Meeting until a quorum has been obtained.

The affirmative vote of a plurality of all of the votes cast for and against each nominee will be required to elect each nominee to the Board of Directors (Proposal One). Each share may be voted for as many individuals as there are directors to be elected and for whose election the share is entitled to be voted. Cumulative voting is not permitted. The affirmative vote of a majority of all of the votes cast on such proposal will be required to extend the term of our stockholder rights plan for an additional three years (Proposal Two), to ratify the appointment of BDO USA, LLP as our independent auditors for the year ending December 31, 2018 (Proposal Three) and to approve the adjournment or postponement of the Annual Meeting (Proposal Four) and for any other matter that may properly come before the stockholders at the Annual Meeting.

If you are the beneficial owner of shares held in the name of a broker, trustee or other nominee and do not provide that broker, trustee or other nominee with voting instructions, your shares may constitute "broker non votes." The election of directors (Proposal One), the extension of the term of our stockholder rights plan (Proposal Two) and the adjournment or postponement of the Annual Meeting (Proposal Four) are non-discretionary items under the rules of the NYSE American and may not be voted by brokers, banks or other nominees who have not received specific voting instructions from the beneficial owner of the shares. It is therefore important that you provide instructions to your broker so that your shares will be counted for purposes of Proposals One, Two and Four. The ratification of the appointment of BDO USA, LLP as independent auditors (Proposal Three) is a discretionary item, and as such, banks, brokers and other nominees that do not receive voting instructions from beneficial owners may vote on this proposal in their discretion.

Abstentions and broker non-votes are included in determining whether a quorum is present, as they are considered present and entitled to cast a vote (even if, in the case of broker non-votes, they are only entitled to vote on Proposal Three). Abstentions and broker non-votes, if any, will not be considered as votes cast, and accordingly will have no effect on the outcome of, Proposals One, Two, Three and Four.

If you sign and return your proxy card without giving specific voting instructions, your shares will be voted consistent with Board's recommendations.

Right To Revoke Proxy

If you hold shares of common stock in your own name as a holder of record, you may revoke your proxy instructions through any of the following methods:

notify our corporate secretary in writing before your shares of common stock have been voted at the Annual Meeting;

sign, date and mail a new proxy card to Broadridge; or

attend the Annual Meeting and vote your shares of common stock in person.

You must meet the same deadline when revoking your proxy as when voting your proxy. See the "**Voting**" section of this proxy statement for more information.

If shares of common stock are held on your behalf by a broker, bank or other nominee, you must contact them to receive instructions as to how you may revoke your proxy instructions.

Multiple Stockholders Sharing the Same Address

The SEC rules allow for the delivery of a single copy of an annual report and proxy statement to two or more stockholders who share an address, unless we have received contrary instructions from one or more of the stockholders. We will deliver promptly upon written or oral request separate copies of our annual report and proxy statement to a stockholder at a shared address to which a single copy was delivered. Requests for additional copies of the proxy materials, and requests that in the future separate proxy materials be sent to stockholders who share an address, should be directed to Ashford Inc., Attention: Investor Relations, 14185 Dallas Parkway, Suite 1100, Dallas, Texas, 75254 or by calling (972) 490-9600. In addition, stockholders who share a single address but receive multiple copies of the proxy materials may request that in the future they receive a single copy by contacting us at the address and phone number set forth in the previous sentence. Depending upon the practices of your broker, bank or other nominee, you may need to contact them directly to continue duplicate mailings to your household. If you wish to revoke your consent to householding, you must contact your broker, bank or other nominee. If you hold shares of common stock in your own name as a holder of record, householding will not apply to your shares.

If you wish to request extra copies, free of charge, of any annual report, proxy statement or information statement, please send your request to Ashford Inc., Attention: Investor Relations, 14185 Dallas Parkway, Suite 1100, Dallas, Texas, 75254 or call (972) 490-9600. AMENDED AND RESTATED RIGHTS AGREEMENT

This Amended and Restated Rights Agreement (this "**Agreement**") dated as of August 12, 2015 is between Ashford Inc., a Delaware corporation (the "**Company**"), and Computershare Trust Company, N.A., a federally chartered trust company (the "**Rights Agent**").

The Board of Directors of the Company (the "**Board**") adopted resolutions creating a series of preferred stock designated as "Series A Preferred Stock" and authorized and declared a dividend of one preferred share purchase right (a "**Right**") for each Common Share, par value \$0.01 per share, of the Company outstanding on the Close of Business (as defined below) on November 27, 2014 (the "**Record Date**") and authorized the issuance of one Right (subject to adjustment) with respect to each additional Common Share issued by the Company between the Record Date and the earliest of (i) the Close of Business on the Distribution Date, (ii) the Redemption Date or (iii) the Close of Business on the Final Expiration Date (as all are defined below), and additional Common Shares that shall become outstanding after the Distribution Date as provided in Section 22 of this Agreement, each Right initially representing the right to purchase one one-thousandth (subject to adjustment) of a Preferred Share (as defined below), subject to adjustment, upon the terms and subject to the conditions below.

The Company and the Rights Agent entered into that certain Rights Agreement, dated as of November 17, 2014 (the "**Original Agreement**") and the Board and the stockholders of the Company approved the extension of the Final Expiration Date (as defined therein) to February 25, 2018.

The parties wish to enter into this Agreement to amend and restate in its entirety the Original Agreement to integrate such extension into the Agreement.

Accordingly, in consideration of the premises and the mutual agreements herein set forth, the parties agree as follows:

1. Definitions. For purposes of this Agreement, the following terms have the meanings indicated:

1.1 "**Acquiring Person**" means any Person (other than an Exempt Person) who or which, together with all Affiliates and Associates of such Person, shall be the Beneficial Owner of 10% or more of the Common Shares of the Company then outstanding, but shall not include (i) the Company, (ii) any Subsidiary of the Company, (iii) any employee benefit plan of the Company or of any Subsidiary of the Company, (iv) any entity or trustee holding (or acting in a fiduciary capacity in respect of) Common Shares for or pursuant to the terms of any such employee benefit plan or for the purpose of funding any such plan or funding other employee benefits for employees of the Company or of any Subsidiary of the Company, (v) Monty J. Bennett and his Affiliates and Associates (collectively, "**Bennett**") for so long as they collectively, in the aggregate, are the Beneficial Owners of, directly or indirectly, 20% or less (the "**Bennett Threshold**") of the then outstanding Common Shares of the Company (*provided* that (a) Common Shares Beneficially Owned by any of (w) Archie Bennett, Jr., (x) Ashford Hospitality Trust Inc. ("**AHT**"), (y) Ashford Hospitality Prime, Inc. ("**Ashford Prime**"), or (z) any directors or officers of AHT, Ashford Prime or the Company and (b) Common Shares issuable or reserved for issuance to, or held in trust on behalf of or for the benefit of, Monty J. Bennett or any of his beneficiaries pursuant to any nonqualified deferred compensation plan maintained by the Company or any of its Affiliates shall, in all cases, not be aggregated with Bennett for purposes of determining whether Bennett is the Beneficial Owner of Common Shares in excess of the Bennett Threshold), and (vi) any Person who or which, at the Close of Business on the Record Date, was a Beneficial Owner of 10% or more of the Common Shares of the Company then outstanding, other than a Person who or which is not an Affiliate or Associate of the Beneficial Owner on the Record Date and who or which subsequently becomes an Affiliate or Associate of such Beneficial Owner without the prior written approval of the Board of Directors (a "**Grandfathered Stockholder**"); *provided, however*, that if a

Table of Contents

Grandfathered Stockholder becomes, after the Record Date, the Beneficial Owner of additional Common Shares (other than Common Shares acquired solely as a result of corporate action of the Company not caused, directly or indirectly, by such Person) at any time such that the Grandfathered Stockholder is or thereby becomes the Beneficial Owner of 10% or more of the Common Shares then outstanding (or such other percentage as would otherwise result in such Person becoming an Acquiring Person), then such Grandfathered Stockholder shall be deemed an Acquiring Person; *provided, however*, that upon the first decrease of a Grandfathered Stockholder's Beneficial Ownership below 10%, such Grandfathered Stockholder shall no longer be considered a Grandfathered Stockholder and this clause (v) shall have no further force or effect with respect to such Grandfathered Stockholder.

Notwithstanding the foregoing, no Person shall become an Acquiring Person as the result of an acquisition of Common Shares by the Company which, by reducing the number of shares outstanding, increases the proportionate number of Common Shares Beneficially Owned by such Person to 10% or more of the then outstanding Common Shares of the Company (or such other percentage as would otherwise result in such Person becoming an Acquiring Person); *provided, however*, that if a Person would, but for the provisions of this paragraph, become an Acquiring Person by reason of an acquisition of Common Shares by the Company and shall, after such share purchases by the Company, become the Beneficial Owner of any additional Common Shares of the Company at any time such that the Person is or thereby becomes the Beneficial Owner of 10% or more of the Common Shares of the Company then outstanding (or such other percentage as would otherwise result in such Person becoming an Acquiring Person) (other than Common Shares acquired solely as a result of corporate action of the Company not caused, directly or indirectly, by such Person), then such Person shall be deemed to be an Acquiring Person.

Notwithstanding the foregoing paragraphs of this Section 1.1, if the Board of Directors of the Company determines that a Person who would otherwise be an Acquiring Person, has become such inadvertently (including, without limitation, because (A) such Person was unaware that it Beneficially Owned that number of Common Shares that would otherwise cause such Person to be an "Acquiring Person" or (B) such Person was aware of the extent of its Beneficial Ownership of Common Shares but had no actual knowledge of the consequences of such Beneficial Ownership under this Agreement) and without any intention of obtaining, changing or influencing control of the Company, and such Person divests as promptly as practicable (as determined by the Board of Directors of the Company) a sufficient number of Common Shares so that such Person would no longer be an Acquiring Person, then such Person shall not be deemed to have become an Acquiring Person for any purposes of this Agreement. Notwithstanding the foregoing, if a bona fide swaps or derivatives dealer who would otherwise be an "Acquiring Person" has become so as a result of its actions in the ordinary course of its business that the Board of Directors of the Company determines, in its sole discretion, were taken without the intent or effect of evading or assisting any other Person to evade the purposes and intent of this Agreement, or otherwise seeking to control or influence the management or policies of the Company, then, and unless and until the Board of Directors shall otherwise determine, such Person shall not be deemed to be an "Acquiring Person" for any purposes of this Agreement.

1.2 A Person shall be deemed to be "**Acting in Concert**" with another Person if such Person knowingly acts (whether or not pursuant to an express agreement, arrangement or understanding) in concert or in parallel with such other Person, or towards a common goal with such other Person, relating to (i) acquiring, holding, voting or disposing of voting securities of the Company or (ii) changing or influencing the control of the Company or in connection with or as a participant in any transaction having that purpose or effect, where (x) each Person is conscious of the other Person's conduct or intent and this awareness is an element in their decision-making processes and (y) at least one additional factor supports a determination by the Board that such Persons intended to act in concert or in parallel, which such additional factors may include,

Table of Contents

without limitation, exchanging information, attending meetings, conducting discussions, or making or soliciting invitations to act in concert or in parallel. A Person who is Acting in Concert with another Person shall also be deemed to be Acting in Concert with any third Person who is also Acting in Concert with such other Person. Notwithstanding the foregoing, no Person shall be deemed to be Acting in Concert with another Person solely as a result of (i) making or receiving a solicitation of, or granting or receiving, revocable proxies or consents given in response to a public proxy or consent solicitation made pursuant to, and in accordance with, Section 14(a) of the Exchange Act by means of a proxy or solicitation statement filed on Schedule 14A, or (ii) soliciting or being solicited for, or tendering or receiving tenders of securities in a public tender or exchange offer made pursuant to, and in accordance with, Section 14(d) of the Exchange Act by means of a tender offer statement filed on Schedule TO.

1.3 "Affiliate" and "Associate" shall have the respective meanings ascribed to such terms in Rule 12b-2 of the General Rules and Regulations under the Exchange Act, as in effect on the date of this Agreement.

1.4 A Person shall be deemed the "Beneficial Owner" of, shall be deemed to have "beneficial ownership" of and shall be deemed to "beneficially own" any securities:

1.4.1 which such Person or any of such Person's Affiliates or Associates beneficially owns, directly or indirectly, within the meaning of Rule 13d-3 of the General Rules and Regulations under the Exchange Act;

1.4.2 which such Person or any of such Person's Affiliates or Associates has (i) the right or the obligation to acquire (whether such right is exercisable, or such obligation is required to be performed, immediately or only after the passage of time or upon the satisfaction of conditions) pursuant to any agreement, arrangement or understanding (other than customary agreements with and between underwriters and selling group members with respect to a bona fide public offering of securities), written or otherwise, or upon the exercise of conversion rights, exchange rights, rights (other than the Rights), warrants or options, or otherwise; *provided, however*, that a Person shall not be deemed to be the Beneficial Owner of, or to beneficially own, (w) securities tendered pursuant to a tender or exchange offer made pursuant to, and in accordance with, the applicable rules and regulations promulgated under the Exchange Act by or on behalf of such Person or any of such Person's Affiliates or Associates until such tendered securities are accepted for purchase or exchange, (x) securities which such Person has a right to acquire upon the exercise of Rights at any time prior to the time that any Person becomes an Acquiring Person, (y) securities issuable upon the exercise of Rights from and after the time that any Person becomes an Acquiring Person if such Rights were acquired by such first Person or any of such first Person's Affiliates or Associates prior to the Distribution Date or pursuant to Section 3.1 or Section 22 hereof ("Original Rights") or pursuant to Section 11.9 or Section 11.14 with respect to an adjustment to Original Rights, or (z) securities which such Person or any of such Person's Affiliates or Associates may acquire, does or do acquire or may be deemed to have the right to acquire, pursuant to any merger or other acquisition agreement between the Company and such Person (or one or more of such Person's Affiliates or Associates) if such agreement has been approved by the Board of Directors prior to such Person's becoming an Acquiring Person; or (ii) the right to vote pursuant to any agreement, arrangement or understanding; *provided, however*, that a Person shall not be deemed the Beneficial Owner of, or to beneficially own, any security by reason of such agreement, arrangement or understanding if the agreement, arrangement or understanding to vote such security (A) arises solely from a revocable proxy or consent given to such Person in response to a public proxy or consent solicitation made pursuant to, and in accordance with, the applicable rules and regulations promulgated under the Exchange Act

Table of Contents

and (B) is not also then reportable on Schedule 13D under the Exchange Act (or any comparable or successor report);

1.4.3 which are beneficially owned, directly or indirectly, by any other Person (or any Affiliate or Associate of such other Person) with which such first Person or any of such first Person's Affiliates or Associates or any other Person (or any Affiliate or Associate of such other Person) with whom such first Person (or any Affiliates or Associates of such first Person) is Acting in Concert, has any agreement, arrangement or understanding, whether or not in writing, for the purpose of acquiring, holding, voting (except pursuant to a revocable proxy as described in clause (ii) of Section 1.3.2) or disposing of any voting securities of the Company; or

1.4.4 which are the subject of, or the reference securities for, or that underlie, any Derivative Interest of such Person or any of such Person's Affiliates or Associates, with the number of Common Shares deemed Beneficially Owned being the notional or other number of Common Shares specified in the documentation evidencing the Derivative Interest as being subject to be acquired upon the exercise or settlement of the Derivative Interest or as the basis upon which the value or settlement amount of such Derivative Interest is to be calculated in whole or in part or, if no such number of Common Shares is specified in such documentation, as determined by the Board of Directors to be the number of Common Shares to which the Derivative Interest relates.

Notwithstanding anything in this definition of Beneficial Owner to the contrary, the phrase "**then outstanding**," when used with reference to a Person's beneficial ownership of securities of the Company, means the number of such securities then issued and outstanding together with the number of such securities not then actually issued and outstanding which such Person would be deemed to beneficially own hereunder but the number of securities not outstanding that such Person is otherwise deemed to beneficially own for purposes of this Agreement shall not be included for the purpose of computing the percentage of the outstanding securities beneficially owned by any other Person (unless such other Person is also deemed to beneficially own for purposes of this Agreement such securities not outstanding).

1.5 "**Book Entry**" shall mean an uncertificated book entry for the Common Shares.

1.6 "**Business Day**" means any day other than a Saturday, a Sunday or a day on which banking institutions in the state of New York are authorized or obligated by law or executive order to close.

1.7 "**Close of Business**" on any given date means 5:00 p.m., New York time, on such date; *provided, however*, that if such date is not a Business Day, it means 5:00 p.m., New York time, on the next succeeding Business Day.

1.8 "**Common Shares**" when used with reference to the Company or without reference means the shares of common stock, par value \$0.01 per share, of the Company. Any registered holder desiring to transfer, split up, combine or exchange any Right Certificate shall make such request in writing delivered to the Rights Agent, and shall surrender the Right Certificate to be transferred, split up, combined or exchanged at the principal office of the Rights Agent. 6.2 Subject to the provisions of Section 14, at any time after the Close of Business on the Distribution Date, and prior to the earlier of the Redemption Date or the Close of Business on the Final Expiration Date, upon receipt by the Company and the Rights Agent of evidence reasonably satisfactory to them of the loss, theft, destruction or mutilation of a Right Certificate, and, in case of loss, theft or destruction, of indemnity or security reasonably satisfactory to them, and, at the Company's request, reimbursement to the Company and the Rights Agent of all reasonable expenses incidental thereto, and, in case of mutilation, upon surrender to the Rights Agent and cancellation of the Right Certificate, the Company will make and deliver a new Right Certificate of like tenor to the Rights Agent for delivery to the registered holder in lieu of the Right Certificate so lost, stolen, destroyed or mutilated.

7. Exercise of Rights; Purchase Price; Expiration Date of Rights.

7.5 Notwithstanding anything in this Agreement to the contrary, neither the Rights Agent nor the Company shall be obligated to undertake any action with respect to a registered holder of Rights upon the occurrence of any purported transfer or exercise of Rights as set forth in Section 6 or this Section 7 unless such registered holder shall have (i) properly completed and signed the certificate contained in the form of assignment or form of election to purchase set forth on the reverse side of the Right Certificate surrendered for such transfer or exercise and (ii) provided such additional evidence of the identity of the Beneficial Owner (or former Beneficial Owner) or Affiliates or Associates thereof as the Company and the Rights Agent shall reasonably request.

The Company shall deliver to the Rights Agent for cancellation and retirement, and the Rights Agent shall so cancel and retire, any other Right Certificate purchased or acquired by the Company otherwise than upon the exercise thereof. 9.3 The Company further covenants and agrees that it will pay when due and payable any and all federal and state transfer taxes and charges which may be payable in respect of the issuance or delivery of the Right Certificates or the issuance and delivery of any certificates or depository receipts or entries in the Book Entry account system of the transfer agent for the of any Preferred Shares (or other securities of the Company) upon the exercise of Rights. The Company shall not, however, be required to pay any transfer tax which may be payable in respect of any transfer or delivery of Right Certificates to a Person other than, or the issuance or delivery of certificates or depository receipts for the Preferred Shares (or other securities of the Company) in a name other than that of, the registered holder of the Right Certificate evidencing Rights surrendered for exercise, and shall not be required to issue or deliver any certificates or depository receipts for Preferred Shares (or other securities of the Company) upon the exercise of any Rights until any such tax shall have been paid (any such tax being payable by the holder of such Right Certificate at the time of surrender) or until it has been established to the Company's reasonable satisfaction that no such tax is due.

10. Preferred Shares Record Date. Each Person in whose name any certificate or entry in the Book Entry account system of the transfer agent for the Preferred Shares is issued upon the exercise of Rights shall for all purposes be deemed to have become the holder of record of the Preferred Shares (or other securities of the Company) represented thereby on, and such certificate shall be dated, the date upon which the Right Certificate evidencing such Rights was duly surrendered and payment of the Purchase Price (and any applicable transfer taxes) was made; *provided, however*, that, if the date of such surrender and payment is a date upon which the Preferred Shares transfer books of the Company are closed, such Person shall be deemed to have become the record holder of such shares on, and such certificate shall be dated, the next succeeding Business Day on which the Preferred Shares transfer books of the Company are open. Prior to the exercise of the Rights evidenced thereby, the holder of a Right Certificate shall not be entitled to any rights of a holder of Preferred Shares for which the Rights shall be exercisable, including, without limitation, the right to vote, to receive dividends or other distributions, or to exercise any preemptive rights, and shall not be entitled to receive any notice of any proceedings of the Company, except as provided herein.

11. Adjustment of Purchase Price, Number of Shares or Number of Rights.

11.1 General.

11.1.1 In the event the Company shall at any time after the date of this Agreement and prior to the Distribution Date (i) declare a dividend on the Preferred Shares payable in Preferred Shares, (ii) subdivide the outstanding Preferred Shares, (iii) combine the outstanding Preferred Shares into a smaller number of Preferred Shares or (iv) issue any shares of its capital stock in a reclassification of the Preferred Shares (including any such reclassification in connection with a consolidation or merger in which the Company is the continuing or surviving corporation), except as otherwise provided in this Section 11.1, the number and kind of shares of capital stock issuable upon the exercise of a Rights as of the record date for such dividend or the effective date of such subdivision, combination or reclassification, shall be proportionately adjusted so that the holder of any Right exercised after such time shall be entitled to receive the aggregate number and kind of shares of capital stock which, if such Right had been exercised immediately prior to such date, the holder would have owned upon such exercise and been entitled to receive by virtue of such dividend, subdivision, combination or reclassification; *provided, however*, that in no event shall the consideration to be paid upon the exercise of one Right be less than the aggregate par value of the shares of capital stock of the Company issuable upon exercise of one Right.

11.1.2 Subject to the second paragraph of this Section 11.1.2 and to Section 24, on the Stock Acquisition Date, each holder of a Right shall thereafter have a right to receive, upon

exercise of each Right to purchase one one-thousandth of a Preferred Share at a price equal to the then current Purchase Price, in accordance with the terms of this Agreement and in lieu of Preferred Shares, such number of Common Shares of the Company as shall equal the result obtained by dividing the current Purchase Price by 50% of the then Current Per Share Market Price of the Company's Common Shares (determined pursuant to Section 11.4) on the Stock Acquisition Date.

From and after the Stock Acquisition Date, any Rights that are or were acquired or beneficially owned by (x) such Acquiring Person (or any Associate or Affiliate of such Acquiring Person) (y) a transferee of any Acquiring Person (or of any such Affiliate or Associate) who becomes a transferee after the Stock Acquisition Date or (z) a transferee of any Acquiring Person (or of any such Affiliate or Associate) who became a transferee prior to or on the Stock Acquisition Date pursuant to either (I) a transfer (whether or not for consideration) from the Acquiring Person to holders of its equity securities or to any Person with whom it has any continuing agreement, arrangement or understanding (whether or not in writing) regarding the transferred Rights or (II) a transfer which the Board of Directors has determined is part of a plan, arrangement or understanding which has the purpose or effect of avoiding the provisions of this paragraph, and subsequent transferees, either direct transferees or transferees through one or more intermediate transferees, of such Persons, shall be void, and any holder of such Rights shall thereafter have no right to exercise such Rights under any provision of this Agreement. No Right Certificate shall be issued pursuant to Section 3 that represents Rights that are or have become void pursuant to the preceding sentence. No Right Certificate shall be issued at any time upon the transfer of any Rights to an Acquiring Person whose Rights would be void pursuant to this Section 11.1.2 or to any Associate or Affiliate thereof or to any nominee of such Acquiring Person, Associate or Affiliate. Any Right Certificate delivered to the Rights Agent for transfer to an Acquiring Person whose Rights would be void pursuant to the preceding sentence, or to any Associate or Affiliate thereof, shall be canceled.

11.1.3 If there are not sufficient authorized but unissued Common Shares to permit the exercise in full of the Rights in accordance with Section 11.1.2, or should the Board of Directors so elect, the Company shall with respect to such deficiency, to the extent permitted by applicable law and any material agreements to which the Company is a party, (i) determine the excess (the "**Spread**") of (A) the value of the Common Shares issuable upon the exercise of a Right as provided in Section 11.1.2 (the "**Current Value**") over (B) the Purchase Price, and (ii) with respect to each Right (other than Rights which have become void pursuant to Section 11.1.2), make adequate provision to substitute for such Common Shares, upon payment of the applicable Purchase Price, any one or more of the following having an aggregate value determined by the Board of Directors to be equal to the Current Value: (A) cash, (B) a reduction in the Purchase Price, (C) Common Shares or other equity securities of the Company (including, without limitation, shares, or fractions of shares, of preferred stock which the Board of Directors of the Company has determined to have the same value as Common Shares ("**Common Stock Equivalents**")), (D) debt securities of the Company or (E) other assets; *provided, however*, if the Company shall not have made adequate provision to deliver value pursuant to clause (ii) above within thirty days following the Stock Acquisition Date, then the Company shall be obligated to deliver, to the extent permitted by law and any material agreements then in effect to which the Company is a party, upon the surrender for exercise of a Right and without requiring payment of the Purchase Price, Common Shares (to the extent available) and then, if necessary, cash, which shares and cash shall have an aggregate value equal to the Spread.

If the Board of Directors of the Company shall determine that it is likely that sufficient additional Common Shares could be authorized for issuance upon exercise in full of the Rights, the thirty-day period set forth above may be extended to the extent necessary, but not more than ninety days after

Table of Contents

the Stock Acquisition Date, in order that the Company may seek stockholder approval for the authorization of such additional shares (such period, as it may be extended, the "**Substitution Period**"). If the Company determines that action need be taken pursuant to this Section 11.1.1, the Company (x) shall provide, subject to Section 7.5 and the last paragraph of Section 11.1.2, that such action shall apply uniformly to all outstanding Rights, and (y) may suspend the exercisability of the Rights until the expiration of the Substitution Period in order to seek any authorization of additional shares, decide the appropriate form of distribution to be made and determine the value thereof. If the exercisability of the Rights is suspended pursuant to this Section 11.1.1, the Company shall make a public announcement, and shall deliver to the Rights Agent a statement, stating that the exercisability of the Rights has been temporarily suspended. When the suspension is no longer in effect, the Company shall make another public announcement, and deliver to the Rights Agent a statement, so stating. For purposes of this Section 11.1.1, the value of the Common Shares shall be the Current Per Share Market Price (as determined pursuant to Section 11.4.1) of the Common Shares as of the Stock Acquisition Date, and the value of any Common Stock Equivalent shall be deemed to have the same value as the Common Shares on such date.

11.2 If the Company fixes a record date for the issuance of rights, options or warrants to all holders of Preferred Shares entitling them (for a period expiring within forty-five calendar days after such record date) to subscribe for or purchase Preferred Shares (or shares having the same rights, privileges and preferences as the Preferred Shares ("**Equivalent Preferred Shares**") or securities convertible into Preferred Shares or Equivalent Preferred Shares at a price per Preferred Share or Equivalent Preferred Share (or having a conversion price per share, if a security convertible into Preferred Shares or Equivalent Preferred Shares) less than the then Current Per Share Market Price of the Preferred Shares (as defined in Section 11.4.2) on such record date, the Purchase Price to be in effect after such record date shall be adjusted by multiplying the Purchase Price in effect immediately prior to such record date by a fraction, (i) the numerator of which shall be (A) the number of Preferred Shares outstanding on such record date plus (B) the number of Preferred Shares which the aggregate offering price of the total number of Preferred Shares or Equivalent Preferred Shares to be offered (or the aggregate initial conversion price of the convertible securities to be offered) would purchase at such Current Per Share Market Price and (ii) the denominator of which shall be (A) the number of Preferred Shares outstanding on such record date plus (B) the number of additional Preferred Shares or Equivalent Preferred Shares to be offered for subscription or purchase (or into which the convertible securities to be offered are initially convertible); *provided, however*, that in no event shall the consideration to be paid upon the exercise of one Right be less than the aggregate par value of the Preferred Shares issuable upon exercise of one Right. If such subscription price may be paid in a consideration part or all of which shall be in a form other than cash, the value of such consideration shall be as determined by the Board of Directors of the Company, whose determination shall be described in a statement filed with the Rights Agent. Preferred Shares owned by or held for the account of the Company shall not be deemed outstanding for the purpose of any such computation. Such adjustment shall be made successively whenever such a record date is fixed. If such rights, options or warrants are not so issued, the Purchase Price shall be adjusted to be the Purchase Price that would then be in effect if such record date had not been fixed.

11.3 If the Company fixes a record date for the making of a distribution to all holders of the Preferred Shares (including any distribution made in connection with a consolidation or merger in which the Company is the continuing or surviving corporation) of evidences of indebtedness or assets (other than a regular quarterly cash dividend or a dividend payable in Preferred Shares) or subscription rights or warrants (excluding those referred to in Section 11.2), the Purchase Price to be in effect after such record date shall be determined by multiplying the Purchase Price in effect immediately prior to such record date by a fraction, (i) the numerator of which shall be the then Current Per Share Market Price of the Preferred Shares on such record date, less the fair market

value (as determined in good faith by the Board of Directors of the Company, whose determination shall be described in a statement filed with the Rights Agent) of the portion of the assets or evidences of indebtedness to be distributed or of such subscription rights or warrants applicable to one Preferred Share and (ii) the denominator of which shall be the then Current Per Share Market Price of the Preferred Shares; *provided, however*, that in no event shall the consideration to be paid upon the exercise of one Right be less than the aggregate par value of the Preferred Shares to be issued upon exercise of one Right. Such adjustments shall be made successively whenever such a record date is fixed. If such distribution is not so made, the Purchase Price shall again be adjusted to be the Purchase Price that would then be in effect if such record date had not been fixed.

11.4 *Current Per Share Market Price.*

11.4.1 Except as otherwise provided herein, for the purpose of any computation hereunder, the "**Current Per Share Market Price**" of any security on any date shall be deemed to be the average of the daily closing prices per share of such security for the thirty consecutive Trading Days immediately prior to such date; *provided, however*, that if the Current Per Share Market Price of the security is determined during a period (i) following the announcement by the issuer of such security of (A) a dividend or distribution on such security payable in shares of such security or other securities convertible into such shares, or (B) any subdivision, combination or reclassification of such security, and (ii) prior to the expiration of thirty Trading Days after the ex-dividend date for such dividend or distribution, or the record date for such subdivision, combination or reclassification, then, and in each such case, the Current Per Share Market Price shall be appropriately adjusted to reflect the current market price per share equivalent of such security. The closing price for each day shall be the last sale price or, if no such sale takes place on such day, the average of the closing bid and asked prices, in either case as reported by the NYSE, or, if on any such date the security is not quoted by the NYSE, the average of the closing bid and asked prices as furnished by a professional market maker making a market in the security selected by the Board of Directors of the Company.

11.4.2 For the purpose of any computation hereunder, the "**Current Per Share Market Price**" of the Preferred Shares, if the Preferred Shares are publicly traded, the Current Per Share Market Price shall be determined in accordance with the method set forth in Section 11.4.1. If the Preferred Shares are not publicly traded, the "**Current Per Share Market Price**" of the Preferred Shares shall be conclusively deemed to be the Current Per Share Market Price of the Common Shares as determined pursuant to Section 11.4.1 (appropriately adjusted to reflect any stock split, stock dividend or similar transaction occurring after the date hereof) multiplied by one thousand. If neither the Common Shares nor the Preferred Shares are publicly held or so listed or traded, "**Current Per Share Market Price**" means the fair value per share as determined in good faith by the Board of Directors of the Company, whose determination shall be described in a statement filed with the Rights Agent.

11.5 No adjustment in the Purchase Price shall be required unless such adjustment would require an increase or decrease of at least 1% in the Purchase Price; *provided, however*, that any adjustments which by reason of this Section 11.5 are not required to be made shall be carried forward and taken into account in any subsequent adjustment. All calculations under this Section 11 shall be made to the nearest cent or to the nearest one ten-millionth of a Preferred Share or one ten-thousandth of any other share or security as the case may be. Notwithstanding the first sentence of this Section 11.5, any adjustment required by this Section 11 shall be made no later than three years from the date of the transaction which requires such adjustment.

11.6 If, as a result of an adjustment made pursuant to Section 11.1, the holder of any Right thereafter exercised shall become entitled to receive any shares of capital stock of the Company other than Preferred Shares, the Purchase Price and number of such other shares so receivable upon exercise of any Right shall thereafter be subject to adjustment from time to time in a manner and on terms as nearly equivalent as practicable to the provisions with respect to the Preferred Shares contained in Sections 11.1 through 11.3, inclusive, and the provisions of Sections 7, 9, 10 and 13 with respect to the Preferred Shares shall apply on like terms to any such other shares.

11.7 All Rights originally issued by the Company subsequent to any adjustment made to the Purchase Price hereunder shall evidence the right to purchase, at the adjusted Purchase Price, the number of one one-thousandths of a Preferred Share purchasable from time to time hereunder upon exercise of the Rights, all subject to further adjustment as provided herein.

11.8 Unless the Company exercises its election as provided in Section 11.9, upon each adjustment of the Purchase Price as a result of the calculations made in Sections 11.2 and 11.3, each Right outstanding immediately prior to the making of such adjustment shall thereafter evidence the right to purchase, at the adjusted Purchase Price, that number of one one-thousandth of a Preferred Share (calculated to the nearest one ten-millionth of a Preferred Share) obtained by (i) multiplying the number of one one-thousandth of a Preferred Share covered by a Right immediately prior to this adjustment by the Purchase Price in effect immediately prior to such adjustment of the Purchase Price and (ii) dividing the product by the Purchase Price in effect immediately after such adjustment of the Purchase Price.

11.9 The Company may elect on or after the date of any adjustment of the Purchase Price to adjust the number of Rights in substitution for any adjustment in the number of one one-thousandth of a Preferred Share purchasable upon the exercise of a Right. Each of the Rights outstanding after such adjustment of the number of Rights shall be exercisable for the number of one one-thousandth of a Preferred Share for which a Right was exercisable immediately prior to such adjustment. Each Right held of record prior to such adjustment of the number of Rights shall become that number of Rights (calculated to the nearest one hundred-thousandth) obtained by dividing the Purchase Price in effect immediately prior to adjustment of the Purchase Price by the Purchase Price in effect immediately after adjustment of the Purchase Price. The Company shall make a public announcement of its election to adjust the number of Rights (with written notice to the Rights Agent), indicating the record date for the adjustment and, if known at the time, the amount of the adjustment to be made. The record date may be the date on which the Purchase Price is adjusted or any day thereafter but, if the Right Certificates have been distributed, shall be at least ten days after the date of the public announcement. If Right Certificates have been distributed, upon each adjustment of the number of Rights pursuant to this Section 11.9, the Company shall, as promptly as practicable, cause to be distributed to holders of record of Right Certificates on such record date Right Certificates evidencing, subject to Section 14, the additional Rights to which such holders shall be entitled as a result of such adjustment or, at the option of the Company, shall cause to be distributed to such holders of record in substitution and replacement for the Right Certificates held by such holders prior to the date of adjustment, and upon surrender thereof if required by the Company, new Right Certificates evidencing all the Rights to which such holders shall be entitled after such adjustment. Right Certificates to be so distributed shall be issued, executed and countersigned in the manner provided for herein and shall be registered in the names of the holders of record of Right Certificates on the record date specified in the public announcement.

11.10 Irrespective of any adjustment or change in the Purchase Price or the number of one one-thousandths of a Preferred Share issuable upon the exercise of the Rights, the Right Certificates theretofore and thereafter issued may continue to express the Purchase Price and the

Table of Contents

number of one one-thousandths of a Preferred Share which were expressed in the initial Right Certificates issued hereunder.

11.11 Before taking any action that would cause an adjustment reducing the Purchase Price below the then par value of the fraction of Preferred Shares or other shares of capital stock issuable upon exercise of the Rights, the Company shall take any corporate action which may, in the opinion of its counsel, be necessary in order that the Company may validly and legally issue fully paid and non-assessable Preferred Shares or other such shares at such adjusted Purchase Price.

11.12 If this Section 11 requires that an adjustment in the Purchase Price be made effective as of a record date for a specified event, the Company may defer, until the occurrence of such event, issuing to the holder of any Right exercised after such record date Preferred Shares and other capital stock or securities of the Company, if any, issuable upon such exercise over and above the Preferred Shares and other capital stock or securities of the Company, if any, issuable upon such exercise on the basis of the Purchase Price in effect prior to such adjustment; *provided, however*, that the Company shall deliver to such holder a due bill or other appropriate instrument evidencing such holder's right to receive such additional shares upon the occurrence of the event requiring adjustment.

11.13 Anything in this Section 11 to the contrary notwithstanding, the Company shall be entitled to make such reductions in the Purchase Price, in addition to those adjustments expressly required by this Section 11, as and to the extent that it in its sole discretion shall determine to be advisable in order that any (i) combination or subdivision of the Preferred Shares, (ii) issuance wholly for cash of any Preferred Shares at less than the Current Per Share Market Price, (iii) issuance wholly for cash of Preferred Shares or securities which by their terms are convertible into or exchangeable for Preferred Shares, (iv) dividends on Preferred Shares payable in Preferred Shares, or (v) issuance of any rights, options or warrants referred to in Section 11.2 made by the Company after the date of this Agreement to holders of its Preferred Shares shall not be taxable to such stockholders.

11.14 If, at any time after the date of this Agreement and prior to the Distribution Date, the Company (i) declares or pays any dividend on the Common Shares payable in Common Shares or (ii) effects a subdivision, combination or consolidation of the Common Shares (by reclassification or otherwise other than by payment of dividends in Common Shares) into a greater or lesser number of Common Shares, then in any such case (i) the number of one one-thousandths of a Preferred Share purchasable after such event upon exercise of each Right shall be determined by multiplying the number of one one-thousandths of a Preferred Share so purchasable immediately prior to such event by a fraction, the numerator of which is the number of Common Shares outstanding immediately before such event and the denominator of which is the number of Common Shares outstanding immediately after such event, and (ii) each Common Share outstanding immediately after such event shall have issued with respect to it that number of Rights which each Common Share outstanding immediately prior to such event had issued with respect to it. The adjustments provided for in this Section 11.14 shall be made successively whenever such a dividend is declared or paid or such a subdivision, combination or consolidation is affected.

12. Certificate of Adjustment. Whenever an adjustment is made as provided in Sections 11 and 13, the Company shall promptly (i) prepare a certificate setting forth such adjustment and a brief statement of the facts accounting for such adjustment, (ii) file with the Rights Agent and with each transfer agent for the Common Shares or the Preferred Shares a copy of such certificate, and (iii) if such adjustment occurs following a Distribution Date, mail a brief summary thereof to each holder of a Right Certificate in accordance with Section 25. Notwithstanding the foregoing sentence, the failure of the Company to make such a certification or give such notice shall not affect the validity of such

adjustment or the force or effect of the requirement for such adjustment. The Rights Agent shall be fully protected in relying on any such certificate and on any adjustment therein contained and shall not be obligated or responsible for calculating any adjustment, nor shall the Rights Agent be deemed to have knowledge of such an adjustment, unless and until it shall have received such certificate.

13. Consolidation, Merger, Sale or Transfer of Assets or Earning Power.

13.1 If, at any time after a Stock Acquisition Date, (i) the Company consolidates with, or merges with and into, any other Person; (ii) any Person consolidates with the Company, or merges with and into the Company, and the Company is the continuing or surviving corporation of such merger and, in connection with such merger, all or part of the Common Shares are or will be changed into or exchanged for stock or other securities of any other Person (or the Company) or cash or any other property; or (iii) the Company sells or otherwise transfers (or one or more of its Subsidiaries sell or otherwise transfer), in one or more transactions, assets or Earning Power aggregating 50% or more of the assets or Earning Power of the Company and its Subsidiaries (taken as a whole) to any other Person other than the Company or one or more of its wholly owned Subsidiaries, then proper provision shall be made so that (A) each holder of a Right (except for Rights which have become void as provided herein) shall thereafter have the right to receive, upon the exercise of each Right to purchase one one-thousandths of a Preferred Share represented by a Right at a price equal to the then current Purchase Price, in accordance with the terms of this Agreement and in lieu of Preferred Shares, such number of Common Shares of such other Person (including the Company as successor thereto or as the surviving corporation) equal to the result obtained by dividing the then current Purchase Price by 50% of the then Current Per Share Market Price of the Common Shares of such other Person (determined pursuant to Section 11.4 hereof) on the date of consummation of such consolidation, merger, sale or transfer; (B) the issuer of such Common Shares shall thereafter be liable for, and shall assume, by virtue of such consolidation, merger, sale or transfer, all the obligations and duties of the Company pursuant to this Agreement; (C) the term "Company" shall thereafter be deemed to refer to such issuer; and (D) such issuer shall take steps (including, but not limited to, the reservation of a sufficient number of shares of its common stock in accordance with Section 9) in connection with such consummation as may be necessary to ensure that the provisions hereof shall thereafter be applicable, as nearly as reasonably may be, in relation to the common stock thereafter deliverable upon the exercise of the Rights; provided that, upon the subsequent occurrence of any consolidation, merger, sale or transfer of assets or other extraordinary transaction in respect of such issuer, each holder of a Right shall thereupon be entitled to receive, upon exercise of a Right and payment of the Purchase Price as provided in this Section 13.1, such cash, shares, rights, warrants and other property which such holder would have been entitled to receive had such holder, at the time of such transaction, owned Common Shares of the issuer receivable upon the exercise of a Right pursuant to this Section 13.1, and such issuer shall take such steps (including, but not limited to, reservation of shares of stock) as may be necessary to permit the subsequent exercise of the Rights in accordance with the terms hereof for such cash, shares, rights, warrants and other property.

13.2 The Company shall not consummate any such consolidation, merger, sale or transfer unless prior thereto the Company and such issuer shall have executed and delivered to the Rights Agent a supplemental agreement providing for such issuer's compliance with this Section 13. The Company shall not enter into any transaction of the kind referred to in this Section 13 if, at the time of such transaction, there are any rights, warrants, instruments or securities outstanding or any agreements or arrangements which, as a result of the consummation of such transaction, would eliminate or substantially diminish the benefits intended to be afforded by the Rights. The provisions of this Section 13 shall apply to successive mergers or consolidations or sales or other transfers.

13.3 Notwithstanding anything contained herein to the contrary, in the event of any merger or other acquisition transaction involving the Company pursuant to a merger or other acquisition agreement between the Company and any Person (or one or more of such Person's Affiliates or Associations) which agreement has been approved by the Board of Directors prior to any Person becoming an Acquiring Person, this Agreement and the rights of holders of Rights hereunder shall be terminated in accordance with Section 7.1.

13.4 For purposes hereof, the "**Earning Power**" of the Company and its Subsidiaries shall be determined in good faith by the Company's Board of Directors on the basis of the operating earnings of each business operated by the Company and its Subsidiaries during the three fiscal years preceding the date of such determination (or, in the case of any business not operated by the Company or any Subsidiary during three full fiscal years preceding such date, during the period such business was operated by the Company or any Subsidiary).

14. Fractional Rights and Fractional Shares.

14.1 The Company shall not be required to issue fractions of Rights (except prior to the Distribution Date in accordance with Section 11.14) or to distribute Right Certificates which evidence fractional Rights. In lieu of such fractional Rights, there shall be paid to the registered holders of the Right Certificates with regard to which such fractional Rights would otherwise be issuable an amount in cash equal to the same fraction of the current market value of a whole Right. For the purposes of this Section 14.1, the current market value of a whole Right shall be the closing price of the Rights for the Trading Day immediately prior to the date on which such fractional Rights would have been otherwise issuable.

14.2 The Company shall not be required to issue fractions of Preferred Shares (other than fractions which are integral multiples of one one-thousandth of a Preferred Share) upon exercise of the Rights or to distribute certificates which evidence fractional Preferred Shares (other than fractions which are integral multiples of one one-thousandth of a Preferred Share). Fractions of Preferred Shares in integral multiples of one one-thousandth of a Preferred Share may, at the election of the Company, be evidenced by depositary receipts, pursuant to an agreement between the Company and a depositary selected by the Company; *provided*, that such agreement shall provide that the holders of such depositary receipts shall have all the rights, privileges and preferences to which they are entitled as Beneficial Owners of the Preferred Shares represented by such depositary receipts. In lieu of fractional Preferred Shares that are not integral multiples of one one-thousandth of a Preferred Share, the Company shall pay to each registered holder of Right Certificates at the time such Rights are exercised or exchanged as herein provided an amount in cash equal to the same fraction of the current market value of one Preferred Share as the fraction of one Preferred Share that such holder would otherwise receive upon the exercise of the aggregate number of rights exercised by such holder. For the purposes of this Section 14.2, the current market value of a Preferred Share shall be the closing price of a Preferred Share (pursuant to Section 11.4.1) for the Trading Day immediately prior to the date of such exercise or exchange.

14.3 The closing price for any day shall be the last quoted price or, if not so quoted, the average of the high bid and low asked prices as reported by the NYSE, or if on any such date the Rights or Preferred Shares, as applicable, are not quoted by any such organization, the average of the closing bid and asked prices as furnished by a professional market maker making a market in the Rights or Preferred Shares, as applicable, selected by the Board of Directors of the Company. If on any such date no such market maker is making a market in the Rights or Preferred Shares, as applicable, the fair value of the Rights or Preferred Shares, as applicable, on such date as determined by the Board of Directors of the Company shall be used.

14.4 The holder of a Right by the acceptance of the Right expressly waives any right to receive fractional Rights or fractional shares upon exercise of a Right (except as provided in this Section 14).

15. Rights of Action. All rights of action in respect of this Agreement, excepting the rights of action given to the Rights Agent under Section 18, are vested in the respective registered holders of the Right Certificates and, prior to the Distribution Date, the registered holders of the Common Shares. Any registered holder of any Right Certificate or, prior to the Distribution Date, of Common Shares may, without the consent of the Rights Agent or of the holder of any other Right Certificate or, prior to the Distribution Date, of Common Shares, on such holder's own behalf and for such holder's own benefit, enforce, and may institute and maintain any suit, action or proceeding against the Company to enforce, or otherwise act in respect of, such holder's right to exercise the Rights evidenced by such Right Certificate in the manner provided in such Right Certificate and in this Agreement. Without limiting the foregoing or any remedies available to the holders of Rights, it is specifically acknowledged that the holders of Rights would not have an adequate remedy at law for any breach of this Agreement and will be entitled to specific performance of the obligations under, and injunctive relief against actual or threatened violations of the obligations of any Person subject to, this Agreement.

16. Agreement of Right Holders. Every holder of a Right, by accepting the same, consents and agrees with the Company and the Rights Agent and with every other holder of a Right that:

16.1 prior to the Distribution Date, the Rights will be transferable only in connection with the transfer of the Common Shares;

16.2 after the Distribution Date, the Right Certificates are transferable only on the registry books maintained by the Rights Agent if surrendered at the principal office of the Rights Agent, duly endorsed or accompanied by a proper instrument of transfer; and

16.3 the Company and the Rights Agent may deem and treat the Person in whose name the Right Certificate (or, prior to the Distribution Date, the associated Common Shares certificate or Book Entry) is registered as the absolute owner thereof and of the Rights evidenced thereby (notwithstanding any notations of ownership or writing on the Right Certificates or the associated Common Shares certificate Book Entry made by anyone other than the Company or the Rights Agent) for all purposes whatsoever, and neither the Company nor the Rights Agent, subject to Section 7.5 hereof, shall be affected by any notice to the contrary.

17. Right Certificate Holder Not Deemed a Stockholder. No holder, as such, of any Right Certificate shall be entitled to vote or receive dividends, or be deemed for any purpose the holder of the Preferred Shares or any other securities of the Company that may at any time be issuable on the exercise or exchange of the Rights represented thereby, nor shall anything contained herein or in any Right Certificate be construed to confer upon the holder of any Right Certificate, as such, any of the rights of a stockholder of the Company or any right to vote for the election of directors or upon any matter submitted to stockholders at any meeting thereof, to give or withhold consent to any corporate action, to receive notice of meetings or other actions affecting stockholders (except as provided in Section 25), or to receive dividends or subscription rights, or otherwise, until the Rights evidenced by such Right Certificate shall have been exercised or exchanged in accordance with the provisions hereof.

18. Concerning the Rights Agent. The Company agrees to pay to the Rights Agent reasonable compensation for all services rendered by it hereunder and, from time to time, on demand of the Rights Agent, its reasonable expenses and counsel fees and other disbursements incurred in the administration and execution of this Agreement and the exercise and performance of its duties hereunder. The Company also agrees to indemnify the Rights Agent for, and to hold it harmless against, any loss, liability or expense, incurred without negligence, bad faith or willful misconduct on

the part of the Rights Agent, for anything done or omitted by the Rights Agent in connection with the acceptance and administration of this Agreement, including the costs and expenses of defending against any claim or liability arising therefrom, directly or indirectly.

The Rights Agent shall be protected and shall incur no liability for or in respect of any action taken, suffered or omitted by it in connection with its administration of this Agreement in reliance upon any Right Certificate or certificate for Preferred Shares, Common Shares, or for other securities of the Company, instrument of assignment or transfer, power of attorney, endorsement, affidavit, letter, notice, direction, consent, certificate, statement, or other paper or document believed by it to be genuine and to be signed, executed and, where necessary, verified or acknowledged by the proper Person or Persons, or otherwise upon the advice of counsel as set forth in Section 20 hereof. The Rights Agent shall not be deemed to have knowledge of any event of which it was supposed to receive written notice thereof hereunder, but for which it has not received such written notice, and the Rights Agent shall (subject to the limitations set forth herein) be fully protected and shall incur no liability for failing to take action in connection therewith unless and until it has received such written notice.

19. Merger or Consolidation or Change of Name of Rights Agent. Any entity into which the Rights Agent or any successor Rights Agent may be merged or with which it may be consolidated, or any corporation resulting from any merger or consolidation to which the Rights Agent or any successor Rights Agent shall be a party, or any entity succeeding to the corporate trust powers of the Rights Agent or any successor Rights Agent, shall be the successor to the Rights Agent under this Agreement without the execution or filing of any paper or any further act on the part of any of the parties hereto; *provided* that such entity would be eligible for appointment as a successor Rights Agent under the provisions of Section 21. If, at the time such successor Rights Agent shall succeed to the agency created by this Agreement, any of the Right Certificates shall have been countersigned but not delivered, any such successor Rights Agent may adopt the countersignature of the predecessor Rights Agent and deliver such Right Certificates so countersigned. If, at that time, any of the Right Certificates shall not have been countersigned, any successor Rights Agent may countersign such Right Certificates either in the name of the predecessor Rights Agent or in the name of the successor Rights Agent. In all such cases such Right Certificates shall have the full force provided in the Right Certificates and in this Agreement.

If, at any time, the name of the Rights Agent changes and any of the Right Certificates have been countersigned but not delivered, the Rights Agent may adopt the countersignature under its prior name and deliver Right Certificates so countersigned. If, at that time, any of the Right Certificates have not been countersigned, the Rights Agent may countersign such Right Certificates either in its prior name or in its changed name. In all such cases such Right Certificates shall have the full force provided in the Right Certificates and in this Agreement.

The provisions of this Section 19 and Section 20 below shall survive the termination of this Agreement, the resignation, replacement or removal of the Rights Agent and the exercise, termination and the expiration of the Rights. In no event shall the Rights Agent be liable for special, punitive, incidental, indirect or consequential loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Rights Agent has been advised of the likelihood of such loss or damage and regardless of the form of the action (unless the Rights Agent has been found liable for such special, punitive, incidental, indirect or consequential loss or damage by a court of competent jurisdiction); and the Company agrees to indemnify the Rights Agent and to hold it harmless to the fullest extent permitted by law against any loss, liability or expense incurred as a result of claims for special, punitive, incidental, indirect or consequential loss or damages of any kind whatsoever provided in each case that such claims are not based on the gross negligence, bad faith or willful misconduct of the Rights Agent (each as determined by a final judgment of a court of competent jurisdiction).

20. Duties of Rights Agent. The Rights Agent undertakes the duties and obligations set forth in this Agreement. The Rights Agent shall perform those duties and obligations upon the following terms and conditions, by all of which the Company and the holders of Right Certificates, by their acceptance thereof, shall be bound:

Table of Contents

20.1 The Rights Agent may consult with legal counsel selected by it (who may be outside legal counsel for the Rights Agent or the Company), and the opinion of such counsel shall be full and complete authorization and protection to the Rights Agent and the Rights Agent will have no liability for or in respect of any action taken, suffered or omitted to be taken by it in the absence of bad faith and in accordance with such advice or opinion.

20.2 Whenever in the performance of its duties under this Agreement the Rights Agent shall deem it necessary or desirable that any fact or matter (including the identity of any Acquiring Person and the determination of Current Market Price) be proved or established by the Company prior to taking, suffering, or omitting to take any action hereunder, such fact or matter (unless other evidence in respect thereof is specifically prescribed herein) may be deemed to be conclusively proved and established by a certificate signed by any one of the Chief Executive Officer, the Chairman of the Board, the President, a Vice President, the Treasurer or the Secretary of the Company and delivered to the Rights Agent, and such certificate shall be full and complete authorization and protection to the Rights Agent and the Rights Agent shall incur no liability for or in respect of any action taken, suffered or omitted to be taken by it, in the absence of bad faith, under the provisions of this Agreement in reliance upon such certificate.

20.3 The Rights Agent shall be liable to the Company and any other Person hereunder only for its own gross negligence, bad faith or willful misconduct (which gross negligence, bad faith or willful misconduct must be determined by a judgment of a court of competent jurisdiction).

20.4 The Rights Agent shall not be liable for or by reason of any of the statements of fact or recitals contained in this Agreement or in the Right Certificates (except as to its countersignature thereof) or be required to verify the same. All such statements and recitals are and shall be deemed to have been made by the Company only.

20.5 The Rights Agent shall not have any liability for nor be under any responsibility in respect of the validity of this Agreement or the execution and delivery hereof (except the due execution and delivery hereof by the Rights Agent) or in respect of the validity or execution of any Right Certificate (except its countersignature thereof); nor shall it be liable or responsible for any breach by the Company of any covenant or failure by the Company to satisfy any condition contained in this Agreement or in any Right Certificate; nor shall it be responsible for any adjustment required under the provisions of Sections 11 or 13 or for the manner, method or amount of any such adjustment or the ascertaining of the existence of facts that would require any such adjustment (except with respect to the exercise of Rights evidenced by Right Certificates after receipt of a certificate furnished pursuant to Section 12 describing such adjustment); nor shall it by any act hereunder be deemed to make any representation or warranty as to the authorization or reservation of any shares of Preferred Shares or other securities to be issued pursuant to this Agreement or any Right Certificate or as to whether any Preferred Shares or other securities will, when so issued, be validly authorized and issued, fully paid, and non-assessable.

20.6 The Company agrees that it will perform, execute, acknowledge and deliver, or cause to be performed, executed, acknowledged and delivered, all such further and other acts, instruments and assurances as may reasonably be required by the Rights Agent for the carrying out or performing by the Rights Agent of the provisions of this Agreement.

20.7 The Rights Agent is hereby authorized and directed to accept instructions with respect to the performance of its duties hereunder and certificates delivered pursuant to any provision hereof from any one of the Chief Executive Officer, the Chairman of the Board, the President, a Vice President, the Treasurer or the Secretary of the Company, and to apply to such officers for advice or instructions in connection with its duties. The Rights Agent shall not be liable for any action taken or suffered to be taken by it, in the absence of bad faith, in accordance with instructions of any such officer and such advice or instruction shall be full authorization and protection to the

Table of Contents

Rights Agent and the Rights Agent shall incur no liability for or in respect of any action taken or suffered or omitted to be taken by it by it, in the absence of bad faith, in accordance with advice or instructions of any such officer or for any delay in acting while waiting for those instructions.

20.8 The Rights Agent and any stockholder, director, officer or employee of the Rights Agent may buy, sell or deal in any of the Rights or other securities of the Company, or become pecuniarily interested in any transaction in which the Company may be interested, or contract with or lend money to the Company, or otherwise act as fully and freely as though it were not the Rights Agent under this Agreement. Nothing herein shall preclude the Rights Agent from acting in any other capacity for the Company or for any other legal entity.

20.9 The Rights Agent may execute and exercise any of the rights or powers hereby vested in it or perform any duty hereunder either itself (through its directors, officers and employees) or by or through its attorneys or agents. The Rights Agent shall not be answerable or accountable for any act, default, neglect, or misconduct of any such attorneys or agents or for any loss to the Company resulting from any such act, default, neglect or misconduct; *provided* that reasonable care was exercised in the selection and continued employment of such attorneys or agents.

20.10 No provision of this Agreement shall require the Rights Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of its rights if there shall be reasonable grounds for believing that repayment of such funds or adequate indemnification against such risk or liability is not reasonably assured to it.

20.11 The Rights Agent shall not be required to take notice or be deemed to have notice of any fact, event or determination (including, without limitation, any dates or events defined in this Agreement or the designation of any Person as an Acquiring Person, Affiliate or Associate) under this Agreement unless and until the Rights Agent shall be specifically notified in writing by the Company of such fact, event or determination.

21. Change of Rights Agent. The Rights Agent or any successor Rights Agent may resign and be discharged from its duties under this Agreement upon thirty days' notice in writing mailed to the Company and, in the event that the Rights Agent or one of its Affiliates is not also the transfer agent for the Company, to each transfer agent of the Common Shares and the Preferred Shares by registered or certified mail. In the event the transfer agency relationship in effect between the Company and the Rights Agent terminates, the Rights Agent will be deemed to have resigned automatically and be discharged from its duties under this Agreement as of the effective date of such termination, and the Company shall be responsible for sending any required notice. The Company may remove the Rights Agent or any successor Rights Agent upon thirty days' notice in writing, mailed to the Rights Agent or successor Rights Agent, as the case may be, and to each transfer agent of the Common Shares and the Preferred Shares by registered or certified mail, and, after the Distribution Date, to the holders of the Right Certificates by first class mail. If the Rights Agent shall resign or be removed or shall otherwise become incapable of acting, the Company shall appoint a successor to the Rights Agent. If the Company shall fail to make such appointment within a period of thirty days after giving notice of such removal or after it has been notified in writing of such resignation or incapacity by the resigning or incapacitated Rights Agent or by the holder of a Right Certificate (who shall, with such notice, submit such Right Certificate for inspection by the Company), then the registered holder of any Right Certificate may apply to any court of competent jurisdiction for the appointment of a new Rights Agent. Any successor Rights Agent, whether appointed by the Company or by such a court, shall be a corporation or trust company organized and doing business under the laws of the United States or of any state of the United States, in good standing, which is authorized under such laws to exercise corporate trust or stock transfer powers, is subject to supervision or examination by federal or state authority, and has, along with its Affiliates, at the time of its appointment as Rights Agent a combined capital and surplus of at least \$50 million. After appointment, the successor Rights Agent shall be

vested with the same powers, rights, duties and responsibilities as if it had been originally named as Rights Agent without further act or deed, and the predecessor Rights Agent shall deliver and transfer to the successor Rights Agent any property at the time held by it hereunder, and shall execute and deliver any further assurance, conveyance, act or deed necessary for the purpose. Not later than the effective date of any such appointment the Company shall file notice thereof in writing with the predecessor Rights Agent and each transfer agent of the Common Shares and the Preferred Shares, and, after the Distribution Date, mail a notice in writing to the registered holders of the Right Certificates. Failure to give any notice provided for in this Section 21, however, or any defect therein, shall not affect the legality or validity of the resignation or removal of the Rights Agent or the appointment of the successor Rights Agent, as the case may be.

22. Issuance of New Right Certificates. Notwithstanding any of the provisions of this Agreement or of the Right Certificates to the contrary, the Company may, at its option, issue new Right Certificates evidencing Rights in such form as may be approved by its Board of Directors to reflect any adjustment or change in the Purchase Price and the number or kind or class of shares or other securities or property purchasable under the Right Certificates made in accordance with the provisions of this Agreement. In addition, in connection with the issuance or sale of Common Shares following the Distribution Date and prior to the earlier of the Redemption Date and the Close of Business on the Final Expiration Date, the Company may, with respect to Common Shares so issued or sold (i) pursuant to the exercise of stock options; (ii) under any employment plan or arrangement; (iii) upon the exercise, conversion or exchange of securities, notes or debentures issued by the Company, or (iv) pursuant to a contractual obligation of the Company, in each case existing prior to the Distribution Date, issue Right Certificates representing the appropriate number of Rights in connection with such issuance or sale.

23. Redemption.

23.1 The Board of Directors of the Company may, at its option, at any time prior to such time as any Person becomes an Acquiring Person, redeem all, but not less than all, of the then outstanding Rights at a redemption price of \$0.001 per one one-thousandths of a Preferred Share represented by a Right, appropriately adjusted to reflect any stock split, stock dividend or similar transaction occurring after the date hereof (the "**Redemption Price**"). The redemption of the Rights by the Board of Directors may be made effective at such time, on such basis and subject to such conditions as the Board of Directors in its sole discretion may establish. The Redemption Price shall be payable, at the option of the Company, in cash, Common Shares or such other form of consideration as the Board of Directors shall determine.

23.2 Immediately upon the time of the effectiveness of the redemption of the Rights or such earlier time as may be determined by the Board of Directors of the Company in the action ordering such redemption (although not earlier than the time of such action) (the "**Redemption Date**"), and without any further action and without any notice, the right to exercise the Rights shall terminate and the only right thereafter of the holders of Rights shall be to receive the Redemption Price. The Company shall promptly give public notice of any such redemption; *provided, however*, that the failure to give, or any defect in, any such notice shall not affect the validity of such redemption. Within ten days after action of the Board of Directors ordering the redemption of the Rights (or such later time as the Board of Directors may establish for the effectiveness of such redemption), the Company shall mail a notice of redemption to all the holders of the then outstanding Rights at their last addresses as they appear upon the registry books of the Rights Agent or, prior to the Distribution Date, on the registry books of the transfer agent for the Common Shares. Any notice mailed in the manner herein provided shall be deemed given, whether or not the holder receives the notice. If the payment of the Redemption Price is not included with such notice, each such notice shall state the method by which the payment of the Redemption Price will be made. Neither the Company nor any of its Affiliates or Associates may

redeem, acquire or purchase for value any Rights at any time in any manner other than that specifically set forth in this Section 23 or in Section 24, other than in connection with the purchase of Common Shares prior to the Distribution Date.

24. Exchange.

24.1 The Board of Directors of the Company may, at its option, at any time after a Stock Acquisition Date, exchange all or part of the then outstanding and exercisable Rights (which excludes Rights that have become void pursuant to Section 11.1.2) for Common Shares at an exchange ratio of one Common Share per one one-thousandths of a Preferred Share represented by a Right, appropriately adjusted to reflect any stock split, stock dividend or similar transaction occurring after the date hereof (the "**Exchange Ratio**"). Notwithstanding the foregoing, the Board of Directors shall not be empowered to effect such exchange at any time after an Acquiring Person becomes the Beneficial Owner of a majority of the Common Shares then outstanding. From and after the occurrence of an event specified in Section 13.1, any rights that theretofore have not been exchanged pursuant to this Section 24 shall thereafter be exercisable only in accordance with Section 13 and may not be exchanged pursuant to this Section 24. The exchange of the Rights by the Board of Directors of the Company may be made effective at such time, on such basis and with such conditions as the Board of Directors of the Company in its sole discretion may establish.

24.2 Immediately upon effectiveness of the action of the Board of Directors of the Company ordering the exchange of any Rights pursuant to Section 24.1, and without any further action and without any notice, the right to exercise such Rights shall terminate and the only right thereafter of a holder of such Rights shall be to receive that number of Common Shares equal to the number of such Rights held by such holder multiplied by the Exchange Ratio. The Company shall promptly give public notice of any such exchange; *provided, however*, that the failure to give, or any defect in, such notice shall not affect the validity of such exchange. The Company promptly shall mail a notice of any such exchange to all of the holders of such Rights at their last addresses as they appear upon the registry books of the Rights Agent. Any notice which is mailed in the manner herein provided shall be deemed given, whether or not the holder receives the notice. Each such notice of exchange will state the method by which the exchange of the Common Shares for Rights will be effected and, in the event of any partial exchange, the number of Rights which will be exchanged. Any partial exchange shall be effected *pro rata* based on the number of Rights (other than Rights which have become void pursuant to the provisions of Section 11.1.2) held by each holder of Rights.

24.3 In any exchange pursuant to this Section 24, the Company, at its option, may substitute Preferred Shares or Common Stock Equivalents for Common Shares exchangeable for Rights, at the initial rate of one one-thousandth of a Preferred Share (or an appropriate number of Common Stock Equivalents) for each Common Share, as appropriately adjusted to reflect adjustments in the voting rights of the Preferred Shares pursuant to the terms thereof, so that the fraction of a Preferred Share delivered in lieu of each Common Share shall have the same voting rights as one Common Share.

24.4 If there shall not be sufficient Common Shares, Preferred Shares or Common Stock Equivalents authorized but unissued to permit any exchange of Rights as contemplated in accordance with this Section 24, the Company shall take all such action as may be necessary to authorize additional Common Shares, Preferred Shares or Common Stock Equivalents for issuance upon exchange of the Rights.

24.5 The Company shall not be required to issue fractions of Common Shares or to distribute certificates which evidence fractional Common Shares. In lieu of issuing fractional Common Shares, the Company may instead pay to the registered holders of the Right Certificates with regard to which such fractional Common Shares would otherwise be issuable an amount in cash

Table of Contents

equal to the same fraction of the current per share market value of a whole Common Share. For the purposes of this Section 24.5, the current per share market value of a whole Common Share shall be the closing price of a Common Share (as determined pursuant to the second sentence of Section 11.4.1) for the Trading Day immediately prior to the date of exchange pursuant to this Section 24.

24.6 Notwithstanding anything in this Section 24 to the contrary, the exchange of the Rights may be made effective at such time, on such basis and with such conditions as the Board of Directors in its sole discretion may establish. Without limiting the preceding sentence, the Board of Directors may (i) in lieu of issuing Common Shares or any other securities contemplated by this Section 24 to the Persons entitled thereto in connection with the exchange (such Persons, the "Exchange Recipients," and such shares and other securities, together with any dividends or distributions made on such shares or other securities, the "Exchange Property") issue, transfer or deposit the Exchange Property to or into a trust or other entity that may hold such Exchange Property for the benefit of the Exchange Recipients (provided that such trust or other entity may not be controlled by the Company or any of its Affiliates or Associates and provided further that the trustee or similar fiduciary of the trust or other entity will attempt to distribute the Exchange Property to the Exchange Recipients as promptly as practicable), (ii) permit such trust or other entity to exercise all of the rights that a stockholder of record would possess with respect to any shares deposited in such trust or entity and (iii) impose such procedures as are necessary to verify that the Exchange Recipients are not Acquiring Persons or Affiliates or Associates of Acquiring Persons as of any time periods established by the Board of Directors or such trust or entity. In the event the Board of Directors determines, before the Distribution Date, to effect an exchange, such Board may delay the occurrence of the Distribution Date to such time as such Board deems advisable; provided that the Distribution Date must occur no later than twenty days after the Stock Acquisition Date.

25. Notice of Certain Events.

25.1 If the Company shall after the Distribution Date propose (i) to pay any dividend payable in stock of any class to the holders of its Preferred Shares or to make any other distribution to the holders of its Preferred Shares (other than a regular quarterly cash dividend); (ii) to offer to the holders of its Preferred Shares rights or warrants to subscribe for or to purchase any additional Preferred Shares or shares of stock of any class or any other securities, rights or options; (iii) to effect any reclassification of its Preferred Shares (other than a reclassification involving only the subdivision of outstanding Preferred Shares); (iv) to effect any consolidation or merger into or with any other Person, or to effect any sale or other transfer (or to permit one or more of its Subsidiaries to effect any sale or other transfer), in one or more transactions, of 50% or more of the assets or Earning Power of the Company and its Subsidiaries (taken as a whole) to any other Person; (v) to effect the liquidation, dissolution or winding-up of the Company; or (vi) to declare or pay any dividend on the Common Shares payable in Common Shares, or to effect a subdivision, combination or consolidation of the Common Shares (by reclassification or otherwise than by payment of dividends in Common Shares), then, in each such case, the Company shall give to each holder of a Right Certificate, in accordance with Section 26, a notice of such proposed action, which shall specify the record date for the purposes of such stock dividend, or distribution of rights or warrants, or the date on which such reclassification, consolidation, merger, sale, transfer, liquidation, dissolution or winding-up is to take place and the date of participation therein by the holders of the Common Shares or Preferred Shares or both, if any such date is to be fixed, and such notice shall be so given in the case of any action covered by clause (i) or (ii) above at least ten days prior to the record date for determining holders of the Preferred Shares for purposes of such action, and in the case of any such other action, at least ten days prior to the date of the taking of such proposed action or the date of participation therein by the holders of the Common

Shares or Preferred Shares or both, whichever shall be the earlier. The failure to give notice required by this Section 25.1 or any defect there in shall not affect the legality or validity of the action taken by the Company or the vote upon any such action.

25.2 The Company shall, as soon as practicable after a Stock Acquisition Date, give to each holder of a Right Certificate (or if occurring prior to the Distribution Date, the holders of Common Shares), in accordance with Section 26, a notice that describes the transaction in which the a Person became an Acquiring Person and the consequences of the transaction to holders of Rights under Section 11.1.2.

26. Notices. Notices or demands authorized by this Agreement to be given or made by the Rights Agent or by the holder of any Right Certificate to or on the Company shall be sufficiently given or made if sent by overnight delivery service or first-class mail, postage prepaid, addressed (until another address is filed in writing with the Rights Agent) as follows:

27. Supplements and Amendments. The Company may from time to time, and the Rights Agent shall if the Company so directs, supplement or amend this Agreement without the approval of any holders of Right Certificates in order to cure any ambiguity, to correct or supplement any provision contained herein which may be defective or inconsistent with any other provisions herein, or to make any change to or delete any provision hereof or to adopt any other provisions with respect to the Rights which the Company may deem necessary or desirable; *provided, however*, that, from and after such time as any Person becomes an Acquiring Person, this Agreement shall not be amended or supplemented in any manner which would adversely affect the interests of the holders of Rights (other than an Acquiring Person and its Affiliates and Associates). Without limited the foregoing, the Company may at any time prior to such time as any Person becomes an Acquiring Person amend this Agreement to lower the thresholds set forth in Section 1(a) and 3(a) hereof to not less than 5% (the

Reduced Threshold); *provided, however*, that no Person who, at the time of the amendment setting a Reduced Threshold, Beneficially Owns a number of Common Shares equal to or greater than the Reduced Threshold shall become an Acquiring Person unless such Person shall, after the public announcement of the Reduced Threshold, increase its Beneficial Ownership of the then outstanding Common Shares (other than as a result of an acquisition of Common Shares by the Company) to an amount equal to or greater than the greater of (x) the Reduced Threshold or (y) the sum of (i) the lowest Beneficial Ownership of such Person as a percentage of the outstanding Common Shares as of any date on or after the date of the public announcement of such Reduced Threshold plus (ii) .001%. Any supplement or amendment authorized by this Section 27 will be evidenced by a writing signed by the Company and the Rights Agent. Notwithstanding anything in this Agreement to the contrary, no supplement or amendment that changes the rights and duties of the Rights Agent under this Agreement will be effective against the Rights Agent without the execution of such supplement or amendment by the Rights Agent.

This Agreement shall be for the sole and exclusive benefit of the Company, the Rights Agent and the registered holders of the Right Certificates (and, prior to the Distribution Date, the Common Shares).

30. Severability. SERIES A PREFERRED STOCK
of
ASHFORD INC.

(Pursuant to Section 151 of the General Corporation Law of the State of Delaware)

Ashford Inc., a corporation organized and existing under the General Corporation Law of the State of Delaware (the "**Corporation**"), hereby certifies that the following resolution was adopted by the Board of Directors of the Corporation (the "**Board of Directors**") as required by Section 151 of the General Corporation Law at a meeting duly called and held on November 16, 2014:

RESOLVED, that pursuant to the authority granted to and vested in the Board of Directors in accordance with the provisions of the Amended and Restated Certificate of Incorporation of the Corporation (the "**Certificate of Incorporation**"), the Board of Directors hereby creates a series of Preferred Stock, par value \$0.01 per share (the "**Preferred Stock**"), of the Corporation and hereby states the designation and number of shares, and fixes the voting and other powers, preferences and relative, participating, optional and other rights of the shares of such series, and the qualifications, limitations and restrictions thereof as follows:

Section 1. *Designation and Amount.* The shares of this series shall be designated as Series A Preferred Stock (the "**Series A Preferred Stock**"), and the number of shares constituting the Series A Preferred Stock shall be two million (2,000,000). Such number of shares may be increased or decreased by resolution of the Board of Directors; *provided*, that no decrease shall reduce the number of shares of Series A Preferred Stock to a number less than the number of shares then outstanding plus the number of shares reserved for issuance upon the exercise of outstanding options, rights or warrants or upon the conversion of any outstanding securities issued by the Corporation convertible into Series A Preferred Stock.

Section 2. *Dividends and Distributions.*

(A) Subject to the rights of the holders of any shares of any class or series of Preferred Stock (or any other stock of the Corporation) ranking prior and superior to the shares of Series A Preferred Stock with respect to dividends, the holders of shares of Series A Preferred Stock, in preference to the holders of shares of any class or series of stock of the Corporation ranking junior to the Series A Preferred Stock in respect thereof, shall be entitled to receive, when, as and if declared by the Board of Directors out of funds legally available for the purpose, quarterly dividends payable in cash on the last day of March, June, September and December in each year (each such date a "**Quarterly Dividend Payment Date**"), commencing on the first Quarterly Dividend Payment Date after the first issuance of a share or fraction of a share of Series A Preferred Stock, in an amount (if any) per share (rounded to the nearest cent), subject to the provision for adjustment hereinafter set forth, equal to 1,000 multiplied by the aggregate per share amount of all cash dividends, and 1,000 multiplied by the aggregate per share amount (payable in

Table of Contents

kind) of all non-cash dividends or other distributions, other than a dividend payable in shares of Common Stock, par value \$0.01 per share (the "**Common Stock**"), of the Corporation or a subdivision of the outstanding shares of Common Stock (by reclassification or otherwise) declared on the Common Stock since the immediately preceding Quarterly Dividend Payment Date or, with respect to the first Quarterly Dividend Payment Date, since the first issuance of any share or fraction of a share of Series A Preferred Stock. In the event the Corporation shall at any time declare or pay any dividend on the Common Stock payable in shares of Common Stock, or effect a subdivision or combination or consolidation of the outstanding shares of Common Stock (by reclassification or otherwise than by payment of a dividend in shares of Common Stock) into a greater or lesser number of shares of Common Stock, then in each such case the amount to which holders of shares of Series A Preferred Stock were entitled immediately prior to such event under the preceding sentence shall be adjusted by multiplying such amount by a fraction, the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

(B) The Corporation shall declare a dividend or distribution on the Series A Preferred Stock as provided in paragraph (A) of this Section 2 immediately after it declares a dividend or distribution on the Common Stock (other than a dividend payable in shares of Common Stock).

(C) Dividends due pursuant to paragraph (A) of this Section 2 shall begin to accrue and be cumulative on outstanding shares of Series A Preferred Stock from the Quarterly Dividend Payment Date next preceding the date of issue of such shares, unless the date of issue of such shares is prior to the record date for the first Quarterly Dividend Payment Date, in which case dividends on such shares shall begin to accrue from the date of issue of such shares, or unless the date of issue is a Quarterly Dividend Payment Date or is a date after the record date for the determination of holders of shares of Series A Preferred Stock entitled to receive a quarterly dividend and before such Quarterly Dividend Payment Date, in either of which events such dividends shall begin to accrue and be cumulative from such Quarterly Dividend Payment Date. Accrued but unpaid dividends shall not bear interest. Dividends paid on the shares of Series A Preferred Stock in an amount less than the total amount of such dividends at the time accrued and payable on such shares shall be allocated pro rata on a share-by-share basis among all such shares at the time outstanding.

The Board of Directors may fix a record date for the determination of holders of shares of Series A Preferred Stock entitled to receive payment of a dividend or distribution declared thereon, which record date shall be not more than 60 days prior to the date fixed for the payment thereof.

Section 3. *Voting Rights.* The holders of shares of Series A Preferred Stock shall have the following voting rights:

(A) Subject to the provision for adjustment hereinafter set forth, each share of Series A Preferred Stock shall entitle the holder thereof to 1,000 votes on all matters submitted to a vote of the stockholders of the Corporation. In the event the Corporation shall at any time declare or pay any dividend on the Common Stock payable in shares of Common Stock, or effect a subdivision or combination or consolidation of the outstanding shares of Common Stock (by reclassification or otherwise than by payment of a dividend in shares of Common Stock) into a greater or lesser number of shares of Common Stock, then in each such case the number of votes per share to which holders of shares of Series A Preferred Stock were entitled immediately prior to such event shall be adjusted by multiplying such number by a fraction, the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of

Table of Contents

which is the number of shares of Common Stock that were outstanding immediately prior to such event.

(B) Except as otherwise provided in the Certificate of Incorporation, including any other Certificate of Designations creating a series of Preferred Stock or any similar stock, or by law, the holders of shares of Series A Preferred Stock and the holders of shares of Common Stock and any other capital stock of the Corporation having general voting rights shall vote together as one class on all matters submitted to a vote of stockholders of the Corporation.

(C) Except as set forth herein, or as otherwise required by law, holders of Series A Preferred Stock shall have no special voting rights and their consent shall not be required (except to the extent they are entitled to vote with holders of Common Stock as set forth herein) for taking any corporate action.

Section 4. *Certain Restrictions.*

(A) Whenever quarterly dividends or other dividends or distributions payable on the Series A Preferred Stock as provided in Section 2 are in arrears, thereafter and until all accrued and unpaid dividends and distributions, whether or not declared, on shares of Series A Preferred Stock outstanding shall have been paid in full, the Corporation shall not:

- (i) declare or pay dividends, or make any other distributions, on any shares of stock ranking junior (either as to dividends or upon liquidation, dissolution or winding-up) to the Series A Preferred Stock;
- (ii) declare or pay dividends, or make any other distributions, on any shares of stock ranking on a parity (either as to dividends or upon liquidation, dissolution or winding-up) with the Series A Preferred Stock, except dividends paid ratably on the Series A Preferred Stock and all such parity stock on which dividends are payable or in arrears in proportion to the total amounts to which the holders of all such shares are then entitled; or
- (iii) redeem or purchase or otherwise acquire for consideration shares of any stock ranking junior (either as to dividends or upon liquidation, dissolution or winding-up) to the Series A Preferred Stock, provided that the Corporation may at any time redeem, purchase or otherwise acquire shares of any such junior stock in exchange for shares of any stock of the Corporation ranking junior (as to dividends and upon dissolution, liquidation or winding-up) to the Series A Preferred Stock.

(B) The Corporation shall not permit any subsidiary of the Corporation to purchase or otherwise acquire for consideration any shares of stock of the Corporation unless the Corporation could, under paragraph (A) of this Section 4, purchase or otherwise acquire such shares at such time and in such manner.

Section 5. *Reacquired Shares.* Any shares of Series A Preferred Stock purchased or otherwise acquired by the Corporation in any manner whatsoever shall be retired and canceled promptly after the acquisition thereof. The Corporation shall take all such actions as are necessary to cause all such shares to become authorized but unissued shares of Preferred Stock that may be reissued as part of a new series of Preferred Stock subject to the conditions and restrictions on issuance set forth herein or in the Certificate of Incorporation, including any Certificate of Designations creating a series of Preferred Stock or any similar stock, or as otherwise required by law.

Section 6. *Liquidation, Dissolution or Winding-Up.*

(A) Upon any liquidation, dissolution or winding-up of the Corporation, voluntary or otherwise, no distribution shall be made to the holders of stock ranking junior (either as to dividends or upon liquidation, dissolution or winding-up) to the Series A Preferred Stock unless,

Table of Contents

prior thereto, the holders of Series A Preferred Stock shall have received an amount per share (the "**Series A Liquidation Preference**") equal to an amount per share, subject to the provision for adjustment hereinafter set forth, equal to 1,000 multiplied by the aggregate amount to be distributed per share to holders of shares of Common Stock plus an amount equal to any accrued and unpaid dividends. In the event the Corporation shall at any time declare or pay any dividend on the Common Stock payable in shares of Common Stock, or effect a subdivision or combination or consolidation of the outstanding shares of Common Stock (by reclassification or otherwise than by payment of a dividend in shares of Common Stock) into a greater or lesser number of shares of Common Stock, then in each such case the aggregate amount to which holders of shares of Series A Preferred Stock were entitled immediately prior to such event under the preceding sentence shall be adjusted by multiplying such amount by a fraction, the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

(B) If there are not sufficient assets available to permit payment in full of the Series A Liquidation Preference and the liquidation preferences of all other classes and series of stock of the Corporation, if any, that rank on a parity with the Series A Preferred Stock in respect thereof, then the assets available for such distribution shall be distributed ratably to the holders of the Series A Preferred Stock and the holders of such parity shares in proportion to their respective liquidation preferences.

(C) Neither the merger or consolidation of the Corporation into or with another entity nor the merger or consolidation of any other entity into or with the Corporation shall be deemed to be a liquidation, dissolution or winding-up of the Corporation within the meaning of this Section 6.

Section 7. *Consolidation, Merger, Etc.* If the Corporation shall enter into any consolidation, merger, combination or other transaction in which the shares of Common Stock are exchanged for or changed into other stock or securities, cash and/or any other property, then in any such case each share of Series A Preferred Stock shall at the same time be similarly exchanged or changed into an amount per share, subject to the provision for adjustment hereinafter set forth, equal to 1,000 multiplied by the aggregate amount of stock, securities, cash and/or any other property (payable in kind), as the case may be, into which or for which each share of Common Stock is changed or exchanged. In the event the Corporation shall at any time declare or pay any dividend on the Common Stock payable in shares of Common Stock, or effect a subdivision or combination or consolidation of the outstanding shares of Common Stock (by reclassification or otherwise than by payment of a dividend in shares of Common Stock) into a greater or lesser number of shares of Common Stock, then in each such case the amount set forth in the preceding sentence with respect to the exchange or change of shares of Series A Preferred Stock shall be adjusted by multiplying such amount by a fraction, the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

Section 8. *Amendment.* At any time that any shares of Series A Preferred Stock are outstanding, the Certificate of Incorporation shall not be amended in any manner, including in a merger, consolidation or otherwise, which would alter, change or repeal the powers, preferences or special rights of the Series A Preferred Stock so as to affect them adversely without the affirmative vote of the holders of at least two-thirds of the outstanding shares of Series A Preferred Stock, voting separately a single class.

Section 9. *Rank.* The Series A Preferred Stock shall rank, with respect to the payment of dividends and upon liquidation, dissolution and winding-up, junior to all other series of Preferred

Stock, unless the terms of any such series shall provide otherwise, and shall rank senior to the Common Stock as to such matters.

EXHIBIT C

UNDER CERTAIN CIRCUMSTANCES, AS SET FORTH IN THE RIGHTS AGREEMENT, RIGHTS OWNED BY OR TRANSFERRED TO ANY PERSON WHO IS OR BECOMES AN ACQUIRING PERSON (AS DEFINED IN THE RIGHTS AGREEMENT) AND CERTAIN TRANSFEREES THEREOF WILL BECOME NULL AND VOID AND WILL NO LONGER BE TRANSFERABLE.

SUMMARY OF RIGHTS TO PURCHASE
PREFERRED SHARES

On November 16, 2014, the Board of Directors of Ashford Inc. (the "**Company**") declared a dividend of one preferred share purchase right (a "**Right**") for each outstanding share of Common Stock, par value \$0.01 per share (the "**Common Shares**") outstanding on November 27, 2014 (the "**Record Date**") to the stockholders of record on that date. Each Right entitles the registered holder to purchase from the Company one one-thousandth of a share of Series A Preferred Stock, par value \$0.01 per share (the "**Preferred Shares**"), of the Company, at a price of \$275 per one one-thousandth of a Preferred Share represented by a Right (the "**Purchase Price**"), subject to adjustment. The description and terms of the Rights are set forth in an Amended and Restated Rights Agreement (the "**Rights Agreement**") dated as of August 12, 2015, as the same may be amended from time to time between the Company and Computershare Trust Company, N.A., a federally chartered trust company, as Rights Agent.

Until the earlier to occur of (i) 10 business days following a public announcement that a person or group of affiliated or associated persons has acquired beneficial ownership of 10% or more of the outstanding Common Shares (with certain exceptions as described below, an "**Acquiring Person**") (or, in the event an exchange is effected in accordance with Section 24 of the Rights Agreement and the Board determines that a later date is advisable, then such later date that is not more than 20 days after such public announcement) or (ii) 10 business days (or such later date as may be determined by action of the Board of Directors prior to such time as any person becomes an Acquiring Person) following the commencement of, or announcement of an intention to make, a tender offer or exchange offer the consummation of which would result in the beneficial ownership by a person or group of 10% or more of the outstanding Common Shares (the earlier of such dates, the "**Distribution Date**"), the Rights will be evidenced, with respect to any of the Common Share certificates outstanding as of the Record Date, by such Common Share certificate with a copy of this Summary of Rights attached thereto.

A Person shall not be deemed to be an "**Acquiring Person**" if (i) such Person, on the date of the first public announcement of the adoption of the Rights Agreement, is a Beneficial Owner of 10% or more of the Common Shares of the Company then outstanding, (a "**Grandfathered Stockholder**"); *provided, however, that* Monty J. Bennett and his Affiliates and Associates shall not be deemed to be an Acquiring Person for so long as they collectively, in the aggregate, are the Beneficial Owners of, directly or indirectly, 20% or less (the "**Bennett Threshold**") of the then outstanding Common Shares of the Company (*provided that* (a) Common Shares held any of by (i) Archie Bennett, Jr., (ii) Ashford Hospitality Trust Inc. ("**AHT**") or (iii) any directors or officers of AHT, Ashford Hospitality Prime, Inc. or the Company and (b) Common Shares issuable or reserved for issuance to, or held in trust on behalf of or for the benefit of, Monty J. Bennett or any of his beneficiaries pursuant to any nonqualified deferred compensation plan maintained by the Company or any of its Affiliates shall, in all cases, not be aggregated for purposes of determining whether Bennett is the Beneficial Owner of Common Shares in excess of the Bennett Threshold); *provided, further, that* if a Grandfathered Stockholder becomes, after the Record Date, the Beneficial Owner of additional Common Shares (other than Common Shares acquired solely as a result of corporate action of the Company not caused, directly or indirectly, by such Person) at any time such that the Grandfathered Stockholder is or thereby becomes the Beneficial Owner of 10% or more of the Common Shares then outstanding (or

Table of Contents

such other percentage as would otherwise result in such Person becoming an Acquiring Person), then such Grandfathered Stockholder shall be deemed an Acquiring Person; *provided, however*, that upon the first decrease of a Grandfathered Stockholder's Beneficial Ownership below 10%, such Grandfathered Stockholder shall no longer be considered a Grandfathered Stockholder. "*Beneficial Ownership*" shall include any securities such Person or any of such Person's Affiliates or Associates (i) beneficially owns, directly or indirectly, (ii) has the right to acquire, (iii) which are beneficially owned, directly or indirectly, by any other Person (or any Affiliate or Associate of such other Person) with which such first Person or any of such first Person's Affiliates or Associates or any other Person (or any Affiliate or Associate of such other Person) with whom such first Person (or any Affiliates or Associates of such first Person) is Acting in Concert has any agreement, arrangement or understanding, whether or not in writing, for the purpose of acquiring, holding, voting (subject to certain limited exceptions) or disposing of any voting securities of the Company, and (iv) which are the subject of, or the reference securities for, or that underlie, any derivative securities (as defined under Rule 16a-1 under the Exchange Act) of such Person or any of such Person's Affiliates or Associates that increase in value as the value of the underlying equity increases, with the number of Common Shares deemed Beneficially Owned being the notional or other number of Common Shares specified in the documentation evidencing the derivative interest as being subject to be acquired upon the exercise or settlement of the derivative interest or as the basis upon which the value or settlement amount of such derivative interest is to be calculated in whole or in part or, if no such number of Common Shares is specified in such documentation, as determined by the Board of Directors in its sole discretion to be the number of Common Shares to which the derivative interest relates.

The Rights Agreement provides that, until the Distribution Date (or earlier expiration of the Rights), the Rights will be transferred with and only with the Common Shares. Until the Distribution Date (or earlier redemption or expiration of the Rights), new Common Share certificates issued after the Record Date or upon transfer or new issuance of Common Shares will contain a notation incorporating the Rights Agreement by reference. Until the Distribution Date (or earlier redemption or expiration of the Rights), the surrender for transfer of any certificates for Common Shares outstanding as of the Record Date, even without such notation or a copy of this Summary of Rights being attached thereto, will also constitute the transfer of the Rights associated with the Common Shares represented by such certificate. As soon as practicable following the Distribution Date, separate certificates evidencing the Rights ("**Right Certificates**") will be mailed to holders of record of the Common Shares as of the close of business on the Distribution Date, and such separate Right Certificates alone will evidence the Rights.

The Rights are not exercisable until the Distribution Date. The Rights will expire on February 25, 2018 (the "**Final Expiration Date**"), unless the Final Expiration Date is extended or unless the Rights are earlier redeemed or exchanged by the Company, in each case, as described below, or upon the occurrence of certain transactions.

The Purchase Price payable, and the number of Preferred Shares or other securities or property issuable, upon exercise of the Rights is subject to adjustment from time to time to prevent dilution (i) in the event of a stock dividend on, or a subdivision, combination or reclassification of, the Preferred Shares; (ii) upon the grant to holders of the Preferred Shares of certain rights or warrants to subscribe for or purchase Preferred Shares at a price, or securities convertible into Preferred Shares with a conversion price, less than the then current market price of the Preferred Shares; or (iii) upon the distribution to holders of the Preferred Shares of evidences of indebtedness or assets (excluding regular periodic cash dividends or dividends payable in Preferred Shares) or of subscription rights or warrants (other than those referred to above).

The number of outstanding Rights and the number of Preferred Shares issuable upon exercise of each Right are also subject to adjustment in the event of a stock split of the Common Shares or a

Table of Contents

stock dividend on the Common Shares payable in Common Shares or subdivisions, consolidations or combinations of the Common Shares occurring, in any such case, prior to the Distribution Date.

Preferred Shares purchasable upon exercise of the Rights will not be redeemable. Each Preferred Share will be entitled, when, as and if declared, to a quarterly dividend payment of 1,000 multiplied by the dividend declared per Common Share. In the event of liquidation, dissolution or winding up of the Company, the holders of the Preferred Shares will be entitled to a payment per share equal to 1,000 multiplied by the aggregate payment made per Common Share. Each Preferred Share will have 1,000 votes, voting together with the Common Shares. In the event of any merger, consolidation or other transaction in which Common Shares are converted or exchanged, each Preferred Share will be entitled to receive 1,000 multiplied by the amount received per Common Share. These rights are protected by customary antidilution provisions.

Because of the nature of the dividend, liquidation and voting rights of the Preferred Shares, the value of the one one-thousandth interest in a Preferred Share purchasable upon exercise of each Right should approximate the value of one Common Share.

From and after the time any person becomes an Acquiring Person, if the Rights evidenced by this Right Certificate are or were at any time on or after the earlier of (i) the date of such event or (ii) the Distribution Date acquired or beneficially owned by an Acquiring Person or an Associate or Affiliate of an Acquiring Person (as such terms are defined in the Rights Agreement), such Rights shall become void, and any holder of such Rights shall thereafter have no right to exercise such Rights.

If, at any time after a person becomes an Acquiring Person, the Company is acquired in a merger or other business combination transaction or 50% or more of its consolidated assets or Earning Power (as defined in the Rights Agreement) are sold, proper provision will be made so that each holder of a Right will thereafter have the right to receive, upon the exercise thereof at the then current exercise price of the Right, that number of shares of common stock of the acquiring company which at the time of such transaction will have a market value of two times the exercise price of the Right. If any Person becomes an Acquiring Person, proper provision shall be made so that each holder of a Right, other than Rights beneficially owned by the Acquiring Person and its Affiliates and Associates (which will thereafter be void), will thereafter have the right to receive upon exercise that number of Common Shares having a market value of two times the exercise price of the Right. If the Board of Directors so elects, the Company shall deliver upon payment of the exercise price of a Right an amount of cash or securities equivalent in value to the Common Shares issuable upon exercise of a Right; *provided that*, if the Company fails to meet such obligation within 30 days following the date a person becomes an Acquiring Person, the Company must deliver, upon exercise of a Right but without requiring payment of the exercise price then in effect, Common Shares (to the extent available) and cash equal in value to the difference between the value of the Common Shares otherwise issuable upon the exercise of a Right and the exercise price then in effect. The Board of Directors may extend the 30-day period described above for up to an additional 60 days to permit the taking of action that may be necessary to authorize sufficient additional Common Shares to permit the issuance of Common Shares upon the exercise in full of the Rights.

At any time after any person becomes an Acquiring Person and prior to the acquisition by any Person or group of a majority of the outstanding Common Shares, the Board of Directors of the Company may exchange the Rights (other than Rights owned by such Person or group which have become void), in whole or in part, at an exchange ratio of one Common Share per Right (subject to adjustment).

With certain exceptions, no adjustment in the Purchase Price will be required until cumulative adjustments require an adjustment of at least 1% in such Purchase Price. No fractional Preferred Shares will be issued (other than fractions which are integral multiples of one one-thousandth of a Preferred Share, which may, at the election of the Company, be evidenced by depositary receipts), and

Table of Contents

in lieu thereof, an adjustment in cash will be made based on the market price of the Preferred Shares on the last trading day prior to the date of exercise.

At any time prior to the time any person or group becomes an Acquiring Person, the Board of Directors of the Company may redeem the Rights in whole, but not in part, at a price of \$0.001 per Right (the "**Redemption Price**"). The redemption of the Rights may be made effective at such time, on such basis and with such conditions as the Board of Directors in its sole discretion may establish. Immediately upon any redemption of the Rights, the right to exercise the Rights will terminate and the only right of the holders of Rights will be to receive the Redemption Price.

The terms of the Rights Agreement may be amended by the Board of Directors of the Company without the consent of the holders of the Rights provided that no such amendment may adversely affect the interests of the holders of Rights. Without limiting the foregoing, the Company may at any time prior to such time as any Person being an Acquiring Person amend the Rights Agreement to lower the threshold at which a person or group becomes an Acquiring Person, but may not lower the threshold below 5% of the outstanding Common Shares. In addition, the Board may not cause a person or group to become an Acquiring Person by lowering this threshold below the percentage interest that such person or group already owns from and after such time as any Person becomes an Acquiring Person no such amendment may adversely affect the interests of the holders of the Rights (other than the Acquiring Person and its Affiliates and Associates).

Until a Right is exercised or exchanged, the holder thereof, as such, will have no rights as a stockholder of the Company, including, without limitation, the right to vote or to receive dividends.

A copy of the Rights Agreement has been filed with the Securities and Exchange Commission as an Exhibit to a Quarterly Report on Form 10-Q dated August 14, 2015. A copy of the Rights Agreement is available free of charge from the Company. This summary description of the Rights does not purport to be complete and is qualified in its entirety by reference to the Rights Agreement, which is hereby incorporated herein by reference.

EXHIBIT A
(Terms of Series A Preferred Stock)

Series A Preferred Stock.

(a) *Designation and Amount.* The shares of this series shall be designated as Series A Preferred Stock (the "**Series A Preferred Stock**"), and the number of shares constituting the Series A Preferred Stock shall be two million (2,000,000). Such number of shares may be increased or decreased by resolution of the Board; *provided*, that no decrease shall reduce the number of shares of Series A Preferred Stock to a number less than the number of shares then outstanding plus the number of shares reserved for issuance upon the exercise of outstanding options, rights or warrants or upon the conversion of any outstanding securities issued by the Corporation convertible into Series A Preferred Stock.

(b) *Dividends and Distributions.*

(i) Subject to the rights of the holders of any shares of any class or series of Preferred Stock (or any other stock of the Corporation) ranking prior and superior to the shares of Series A Preferred Stock with respect to dividends, the holders of shares of Series A Preferred Stock, in preference to the holders of shares of any class or series of stock of the Corporation ranking junior to the Series A Preferred Stock in respect thereof, shall be entitled to receive, when, as and if declared by the Board out of funds legally available for the purpose, quarterly dividends payable in cash on the last day of March, June, September and December in each year (each such date a "**Quarterly Dividend Payment Date**"), commencing on the first Quarterly Dividend Payment Date after the first issuance of a share or fraction of a share of Series A Preferred Stock, in an amount (if any) per share (rounded to the nearest cent), subject to the provision for adjustment hereinafter set forth, equal to 1,000 multiplied by the aggregate per share amount of all cash dividends, and 1,000 multiplied by the aggregate per share amount (payable in kind) of all non-cash dividends or other distributions, other than a dividend payable in shares of Common Stock or a subdivision of the outstanding shares of Common Stock (by reclassification or otherwise) declared on the Common Stock since the immediately preceding Quarterly Dividend Payment Date or, with respect to the first Quarterly Dividend Payment Date, since the first issuance of any share or fraction of a share of Series A Preferred Stock. In the event the Corporation shall at any time declare or pay any dividend on the Common Stock payable in shares of Common Stock, or effect a subdivision or combination or consolidation of the outstanding shares of Common Stock (by reclassification or otherwise than by payment of a dividend in shares of Common Stock) into a greater or lesser number of shares of Common Stock, then in each such case the amount to which holders of shares of Series A Preferred Stock were entitled immediately prior to such event under the preceding sentence shall be adjusted by multiplying such amount by a fraction, the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

(ii) The Corporation shall declare a dividend or distribution on the Series A Preferred Stock as provided in *Section (b)(i)* immediately after it declares a dividend or distribution on the Common Stock (other than a dividend payable in shares of Common Stock).

(iii) Dividends due pursuant to *Section (b)(i)* shall begin to accrue and be cumulative on outstanding shares of Series A Preferred Stock from the Quarterly Dividend Payment Date next preceding the date of issue of such shares, unless the date of issue of such shares is prior to the record date for the first Quarterly Dividend Payment Date, in which case dividends on such shares shall begin to accrue from the date of issue of such shares, or unless the date of issue is a Quarterly Dividend Payment Date or is a date after the record date for the determination of holders of shares of Series A Preferred Stock entitled to receive a quarterly dividend and before

Table of Contents

such Quarterly Dividend Payment Date, in either of which events such dividends shall begin to accrue and be cumulative from such Quarterly Dividend Payment Date. Accrued but unpaid dividends shall not bear interest. Dividends paid on the shares of Series A Preferred Stock in an amount less than the total amount of such dividends at the time accrued and payable on such shares shall be allocated pro rata on a share-by-share basis among all such shares at the time outstanding. The Board may fix a record date for the determination of holders of shares of Series A Preferred Stock entitled to receive payment of a dividend or distribution declared thereon, which record date shall be not more than 60 days prior to the date fixed for the payment thereof.

(c) *Voting Rights.* The holders of shares of Series A Preferred Stock shall have the following voting rights:

(i) Subject to the provision for adjustment hereinafter set forth, each share of Series A Preferred Stock shall entitle the holder thereof to 1,000 votes on all matters submitted to a vote of the stockholders of the Corporation. In the event the Corporation shall at any time declare or pay any dividend on the Common Stock payable in shares of Common Stock, or effect a subdivision or combination or consolidation of the outstanding shares of Common Stock (by reclassification or otherwise than by payment of a dividend in shares of Common Stock) into a greater or lesser number of shares of Common Stock, then in each such case the number of votes per share to which holders of shares of Series A Preferred Stock were entitled immediately prior to such event shall be adjusted by multiplying such number by a fraction, the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

(ii) Except as otherwise provided in the Charter, including any other Articles Supplementary creating a series of Preferred Stock or any similar stock, or by law, the holders of shares of Series A Preferred Stock and the holders of shares of Common Stock and any other Capital Stock having general voting rights shall vote together as one class on all matters submitted to a vote of stockholders of the Corporation.

(iii) Except as set forth herein, or as otherwise required by law, holders of Series A Preferred Stock shall have no special voting rights and their consent shall not be required (except to the extent they are entitled to vote with holders of Common Stock as set forth herein) for taking any corporate action.

(d) *Certain Restrictions.*

(i) Whenever quarterly dividends or other dividends or distributions payable on the Series A Preferred Stock as provided in *Section (b)* are in arrears, thereafter and until all accrued and unpaid dividends and distributions, whether or not declared, on shares of Series A Preferred Stock outstanding shall have been paid in full, the Corporation shall not:

(A) declare or pay dividends, or make any other distributions, on any shares of stock ranking junior (either as to dividends or upon liquidation, dissolution or winding-up) to the Series A Preferred Stock;

(B) declare or pay dividends, or make any other distributions, on any shares of stock ranking on a parity (either as to dividends or upon liquidation, dissolution or winding-up) with the Series A Preferred Stock, except dividends paid ratably on the Series A Preferred Stock and all such parity stock on which dividends are payable or in arrears in proportion to the total amounts to which the holders of all such shares are then entitled; or

Table of Contents

(C) redeem or purchase or otherwise acquire for consideration shares of any stock ranking junior (either as to dividends or upon liquidation, dissolution or winding-up) to the Series A Preferred Stock, provided that the Corporation may at any time redeem, purchase or otherwise acquire shares of any such junior stock in exchange for shares of any stock of the Corporation ranking junior (as to dividends and upon dissolution, liquidation or winding-up) to the Series A Preferred Stock.

(ii) The Corporation shall not permit any subsidiary of the Corporation to purchase or otherwise acquire for consideration any shares of stock of the Corporation unless the Corporation could, under paragraph (a) of this *Section (d)*, purchase or otherwise acquire such shares at such time and in such manner.

(e) *Reacquired Shares.* Any shares of Series A Preferred Stock purchased or otherwise acquired by the Corporation in any manner whatsoever shall be retired and canceled promptly after the acquisition thereof. All such shares shall automatically and without further Board action become authorized but unissued shares of Preferred Stock that may be reissued as part of a new series of Preferred Stock subject to the conditions and restrictions on issuance set forth herein or in the Charter, including any Articles Supplementary creating a series of Preferred Stock or any similar stock, or as otherwise required by law.

(f) *Liquidation, Dissolution or Winding-Up.*

(i) Upon any liquidation, dissolution or winding-up of the Corporation, voluntary or otherwise, no distribution shall be made to the holders of stock ranking junior (either as to dividends or upon liquidation, dissolution or winding-up) to the Series A Preferred Stock unless, prior thereto, the holders of Series A Preferred Stock shall have received an amount per share (the "**Series A Liquidation Preference**") equal to an amount per share, subject to the provision for adjustment hereinafter set forth, equal to 1,000 multiplied by the aggregate amount to be distributed per share to holders of shares of Common Stock plus an amount equal to any accrued and unpaid dividends. In the event the Corporation shall at any time declare or pay any dividend on the Common Stock payable in shares of Common Stock, or effect a subdivision or combination or consolidation of the outstanding shares of Common Stock (by reclassification or otherwise than by payment of a dividend in shares of Common Stock) into a greater or lesser number of shares of Common Stock, then in each such case the aggregate amount to which holders of shares of Series A Preferred Stock were entitled immediately prior to such event under the preceding sentence shall be adjusted by multiplying such amount by a fraction, the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

(ii) If there are not sufficient assets available to permit payment in full of the Series A Liquidation Preference and the liquidation preferences of all other classes and series of stock of the Corporation, if any, that rank on a parity with the Series A Preferred Stock in respect thereof, then the assets available for such distribution shall be distributed ratably to the holders of the Series A Preferred Stock and the holders of such parity shares in proportion to their respective liquidation preferences.

(iii) Neither the merger nor consolidation of the Corporation into or with another entity nor the merger or consolidation of any other entity into or with the Corporation shall be deemed to be a liquidation, dissolution or winding-up of the Corporation within the meaning of this *Section (f)*.

(g) *Consolidation, Merger, Etc.* If the Corporation shall enter into any consolidation, merger, combination or other transaction in which the shares of Common Stock are exchanged for or changed into other stock or securities, cash and/or any other property, then in any such case each share of

Table of Contents

Series A Preferred Stock shall at the same time be similarly exchanged or changed into an amount per share, subject to the provision for adjustment hereinafter set forth, equal to 1,000 multiplied by the aggregate amount of stock, securities, cash and/or any other property (payable in kind), as the case may be, into which or for which each share of Common Stock is changed or exchanged. In the event the Corporation shall at any time declare or pay any dividend on the Common Stock payable in shares of Common Stock, or effect a subdivision or combination or consolidation of the outstanding shares of Common Stock (by reclassification or otherwise than by payment of a dividend in shares of Common Stock) into a greater or lesser number of shares of Common Stock, then in each such case the amount set forth in the preceding sentence with respect to the exchange or change of shares of Series A Preferred Stock shall be adjusted by multiplying such amount by a fraction, the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

(h) *Amendment.* At any time that any shares of Series A Preferred Stock are outstanding, the Charter shall not be amended in any manner, including in a merger, consolidation or otherwise, which would alter, change or repeal the powers, preferences or special rights of the Series A Preferred Stock so as to affect them adversely without the affirmative vote of the holders of at least two-thirds of the outstanding shares of Series A Preferred Stock, voting separately a single class.

(i) *Rank.* The Series A Preferred Stock shall rank, with respect to the payment of dividends and upon liquidation, dissolution and winding-up, junior to all other series of Preferred Stock, unless the terms of any such series shall provide otherwise, and shall rank senior to the Common Stock as to such matters.

UNDER CERTAIN CIRCUMSTANCES, AS SET FORTH IN THE RIGHTS AGREEMENT, RIGHTS OWNED BY OR TRANSFERRED TO ANY PERSON WHO IS OR BECOMES AN ACQUIRING PERSON (AS DEFINED IN THE RIGHTS AGREEMENT) AND CERTAIN TRANSFEREES THEREOF WILL BECOME NULL AND VOID AND WILL NO LONGER BE TRANSFERABLE.

**SUMMARY OF RIGHTS TO PURCHASE
PREFERRED SHARES**

On November 16, 2014, the Board of Directors of Ashford Inc. (the "**Company**") declared a dividend of one preferred share purchase right (a "**Right**") for each outstanding share of Common Stock, par value \$0.01 per share (the "**Common Shares**") outstanding on November 27, 2014 (the "**Record Date**") to the stockholders of record on that date. Each Right entitles the registered holder to purchase from the Company one one-thousandth of a share of Series A Preferred Stock, par value \$0.01 per share (the "**Preferred Shares**"), of the Company, at a price of \$275 per one one-thousandth of a Preferred Share represented by a Right (the "**Purchase Price**"), subject to adjustment. The description and terms of the Rights are set forth in an Amended and Restated Rights Agreement (the "**Amended and Restated Rights Agreement**") dated as of August 12, 2015, as amended by Amendment No. 1 to the Amended and Restated Rights Agreement, dated October 31, 2016 (the "**Amendment No. 1**"), as the same may be further amended from time to time between the Company and Computershare Trust Company, N.A., a federally chartered trust company, as Rights Agent (the Amended and Restated Rights Agreement as amended by Amendment No. 1 and as further amended, the "**Rights Agreement**").

Until the earlier to occur of (i) 10 business days following a public announcement that a person or group of affiliated or associated persons has acquired beneficial ownership of 10% or more of the outstanding Common Shares (with certain exceptions as described below, an "**Acquiring Person**") (or, in the event an exchange is effected in accordance with Section 24 of the Rights Agreement and the Board determines that a later date is advisable, then such later date that is not more than 20 days after such public announcement) or (ii) 10 business days (or such later date as may be determined by action of the Board of Directors prior to such time as any person becomes an Acquiring Person) following the commencement of, or announcement of an intention to make, a tender offer or exchange offer the consummation of which would result in the beneficial ownership by a person or group of 10% or more of the outstanding Common Shares (the earlier of such dates, the "**Distribution Date**"), the Rights will be evidenced, with respect to any of the Common Share certificates outstanding as of the Record Date, by such Common Share certificate with a copy of this Summary of Rights attached thereto.

A Person shall not be deemed to be an "**Acquiring Person**" if (i) such Person, on the date of the first public announcement of the adoption of the Rights Agreement, is a Beneficial Owner of 10% or more of the Common Shares of the Company then outstanding, (a

"**Grandfathered Stockholder**"; *provided, however*, that Monty J. Bennett and his Affiliates and Associates shall not be deemed to be an Acquiring Person for so long as they collectively, in the aggregate, are the Beneficial Owners of, directly or indirectly, 20% or less (the "**Bennett Threshold**") of the then outstanding Common Shares of the Company (*provided* that (a) Common Shares held any of by (i) Archie Bennett, Jr., (ii) Ashford Hospitality Trust Inc. ("**AHT**") or (iii) any directors or officers of AHT, Ashford Hospitality Prime, Inc. or the Company and (b) Common Shares issuable or reserved for issuance to, or held in trust on behalf of or for the benefit of, Monty J. Bennett or any of his beneficiaries pursuant to any nonqualified deferred compensation plan maintained by the Company or any of its Affiliates shall, in all cases, not be aggregated for purposes of determining whether Monty J. Bennett is the Beneficial Owner of Common Shares in excess of the Bennett Threshold); *provided*,

further, that if a Grandfathered Stockholder becomes, after the Record Date, the Beneficial Owner of additional Common Shares (other than Common Shares acquired solely as a result of corporate action of the Company not caused, directly or indirectly, by such Person) at any time such that the Grandfathered Stockholder is or thereby becomes the Beneficial Owner of 10% or more of the Common Shares then outstanding (or such other percentage as would otherwise result in such Person becoming an Acquiring Person), then such Grandfathered Stockholder shall be deemed an Acquiring Person; *provided, however*, that upon the first decrease of a Grandfathered Stockholder's Beneficial Ownership below 10%, such Grandfathered Stockholder shall no longer be considered a Grandfathered Stockholder. "**Beneficial Ownership**" shall include any securities such Person or any of such Person's Affiliates or Associates (i) beneficially owns, directly or indirectly, (ii) has the right to acquire, (iii) which are beneficially owned, directly or indirectly, by any other Person (or any Affiliate or Associate of such other Person) with which such first Person or any of such first Person's Affiliates or Associates or any other Person (or any Affiliate or Associate of such other Person) with whom such first Person (or any Affiliates or Associates of such first Person) is Acting in Concert has any agreement, arrangement or understanding, whether or not in writing, for the purpose of acquiring, holding, voting (subject to certain limited exceptions) or disposing of any voting securities of the Company, and (iv) which are the subject of, or the reference securities for, or that underlie, any derivative securities (as defined under Rule 16a-1 under the Exchange Act) of such Person or any of such Person's Affiliates or Associates that increase in value as the value of the underlying equity increases, with the number of Common Shares deemed Beneficially Owned being the notional or other number of Common Shares specified in the documentation evidencing the derivative interest as being subject to be acquired upon the exercise or settlement of the derivative interest or as the basis upon which the value or settlement amount of such derivative interest is to be calculated in whole or in part or, if no such number of Common Shares is specified in such documentation, as determined by the Board of Directors in its sole discretion to be the number of Common Shares to which the derivative interest relates.

The Rights Agreement provides that, until the Distribution Date (or earlier expiration of the Rights), the Rights will be transferred with and only with the Common Shares. Until the Distribution Date (or earlier redemption or expiration of the Rights), new Common Share certificates issued after the Record Date or upon transfer or new issuance of Common Shares will contain a notation incorporating the Rights Agreement by reference. Until the Distribution Date (or earlier redemption or expiration of the Rights), the surrender for transfer of any certificates for Common Shares outstanding as of the Record Date, even without such notation or a copy of this Summary of Rights being attached thereto, will also constitute the transfer of the Rights associated with the Common Shares represented by such certificate. As soon as practicable following the Distribution Date, separate certificates evidencing the Rights ("**Right Certificates**") will be mailed to holders of record of the Common Shares as of the close of business on the Distribution Date, and such separate Right Certificates alone will evidence the Rights.

The Rights are not exercisable until the Distribution Date. The Rights will expire on February 25, 2018 (the "**Final Expiration Date**"), unless the Final Expiration Date is extended or unless the Rights are earlier redeemed or exchanged by the Company, in each case, as described below, or upon the occurrence of certain transactions.

The Purchase Price payable, and the number of Preferred Shares or other securities or property issuable, upon exercise of the Rights is subject to adjustment from time to time to prevent dilution (i) in the event of a stock dividend on, or a subdivision, combination or reclassification of, the Preferred Shares; (ii) upon the grant to holders of the Preferred Shares of certain rights or warrants to subscribe for or purchase Preferred Shares at a price, or securities convertible into Preferred Shares with a conversion price, less than the then current market price of the Preferred Shares; or (iii) upon the distribution to holders of the Preferred Shares of evidences of indebtedness or assets (excluding

Table of Contents

regular periodic cash dividends or dividends payable in Preferred Shares) or of subscription rights or warrants (other than those referred to above).

The number of outstanding Rights and the number of Preferred Shares issuable upon exercise of each Right are also subject to adjustment in the event of a stock split of the Common Shares or a stock dividend on the Common Shares payable in Common Shares or subdivisions, consolidations or combinations of the Common Shares occurring, in any such case, prior to the Distribution Date.

Preferred Shares purchasable upon exercise of the Rights will not be redeemable. Each Preferred Share will be entitled, when, as and if declared, to a quarterly dividend payment of 1,000 multiplied by the dividend declared per Common Share. In the event of liquidation, dissolution or winding up of the Company, the holders of the Preferred Shares will be entitled to a payment per share equal to 1,000 multiplied by the aggregate payment made per Common Share. Each Preferred Share will have 1,000 votes, voting together with the Common Shares. In the event of any merger, consolidation or other transaction in which Common Shares are converted or exchanged, each Preferred Share will be entitled to receive 1,000 multiplied by the amount received per Common Share. These rights are protected by customary antidilution provisions.

Because of the nature of the dividend, liquidation and voting rights of the Preferred Shares, the value of the one one-thousandth interest in a Preferred Share purchasable upon exercise of each Right should approximate the value of one Common Share.

From and after the time any person becomes an Acquiring Person, if the Rights evidenced by this Right Certificate are or were at any time on or after the earlier of (i) the date of such event or (ii) the Distribution Date acquired or beneficially owned by an Acquiring Person or an Associate or Affiliate of an Acquiring Person (as such terms are defined in the Rights Agreement), such Rights shall become void, and any holder of such Rights shall thereafter have no right to exercise such Rights.

If, at any time after a person becomes an Acquiring Person, the Company is acquired in a merger or other business combination transaction or 50% or more of its consolidated assets or Earning Power (as defined in the Rights Agreement) are sold, proper provision will be made so that each holder of a Right will thereafter have the right to receive, upon the exercise thereof at the then current exercise price of the Right, that number of shares of common stock of the acquiring company which at the time of such transaction will have a market value of two times the exercise price of the Right. If any Person becomes an Acquiring Person, proper provision shall be made so that each holder of a Right, other than Rights beneficially owned by the Acquiring Person and its Affiliates and Associates (which will thereafter be void), will thereafter have the right to receive upon exercise that number of Common Shares having a market value of two times the exercise price of the Right. If the Board of Directors so elects, the Company shall deliver upon payment of the exercise price of a Right an amount of cash or securities equivalent in value to the Common Shares issuable upon exercise of a Right; *provided* that, if the Company fails to meet such obligation within 30 days following the date a person becomes an Acquiring Person, the Company must deliver, upon exercise of a Right but without requiring payment of the exercise price then in effect, Common Shares (to the extent available) and cash equal in value to the difference between the value of the Common Shares otherwise issuable upon the exercise of a Right and the exercise price then in effect. The Board of Directors may extend the 30-day period described above for up to an additional 60 days to permit the taking of action that may be necessary to authorize sufficient additional Common Shares to permit the issuance of Common Shares upon the exercise in full of the Rights.

At any time after any person becomes an Acquiring Person and prior to the acquisition by any Person or group of a majority of the outstanding Common Shares, the Board of Directors of the Company may exchange the Rights (other than Rights owned by such Person or group which have become void), in whole or in part, at an exchange ratio of one Common Share per Right (subject to adjustment).

Table of Contents

With certain exceptions, no adjustment in the Purchase Price will be required until cumulative adjustments require an adjustment of at least 1% in such Purchase Price. No fractional Preferred Shares will be issued (other than fractions which are integral multiples of one one-thousandth of a Preferred Share, which may, at the election of the Company, be evidenced by depositary receipts), and in lieu thereof, an adjustment in cash will be made based on the market price of the Preferred Shares on the last trading day prior to the date of exercise.

At any time prior to the time any person or group becomes an Acquiring Person, the Board of Directors of the Company may redeem the Rights in whole, but not in part, at a price of \$0.001 per Right (the "**Redemption Price**"). The redemption of the Rights may be made effective at such time, on such basis and with such conditions as the Board of Directors in its sole discretion may establish. Immediately upon any redemption of the Rights, the right to exercise the Rights will terminate and the only right of the holders of Rights will be to receive the Redemption Price.

The terms of the Rights Agreement may be amended by the Board of Directors of the Company without the consent of the holders of the Rights provided that no such amendment may adversely affect the interests of the holders of Rights. Without limiting the foregoing, the Company may at any time prior to such time as any Person being an Acquiring Person amend the Rights Agreement to lower the threshold at which a person or group becomes an Acquiring Person, but may not lower the threshold below 5% of the outstanding Common Shares. In addition, the Board may not cause a person or group to become an Acquiring Person by lowering this threshold below the percentage interest that such person or group already owns from and after such time as any Person becomes an Acquiring Person no such amendment may adversely affect the interests of the holders of the Rights (other than the Acquiring Person and its Affiliates and Associates).

Until a Right is exercised or exchanged, the holder thereof, as such, will have no rights as a stockholder of the Company, including, without limitation, the right to vote or to receive dividends.

A copy of the Rights Agreement is available free of charge from the Company. This summary description of the Rights does not purport to be complete and is qualified in its entirety by reference to the Rights Agreement, which is hereby incorporated herein by reference.

UNDER CERTAIN CIRCUMSTANCES, AS SET FORTH IN THE RIGHTS AGREEMENT, RIGHTS OWNED BY OR TRANSFERRED TO ANY PERSON WHO IS OR BECOMES AN ACQUIRING PERSON (AS DEFINED IN THE RIGHTS AGREEMENT) AND CERTAIN TRANSFEREES THEREOF WILL BECOME NULL AND VOID AND WILL NO LONGER BE TRANSFERABLE.

SUMMARY OF RIGHTS TO PURCHASE

PREFERRED SHARES

On November 16, 2014, the Board of Directors of Ashford Inc. (the "**Company**") declared a dividend of one preferred share purchase right (a "**Right**") for each outstanding share of Common Stock, par value \$0.01 per share (the "**Common Shares**"), outstanding on November 27, 2014 (the "**Record Date**") to the stockholders of record on that date. Each Right entitles the registered holder to purchase from the Company one one-thousandth of a share of Series A Preferred Stock, par value \$0.01 per share (the "**Preferred Shares**"), of the Company, at a price of \$275 per one one-thousandth of a Preferred Share represented by a Right (the "**Purchase Price**"), subject to adjustment. The description and terms of the Rights are set forth in an Amended and Restated Rights Agreement (the "**Amended and Restated Rights Agreement**") dated as of August 12, 2015, as amended by Amendment No. 1 to the Amended and Restated Rights Agreement, dated as of October 31, 2016 (the "**Amendment No. 1**"), as further amended by Amendment No. 2 to the Amended and Restated Rights Agreement dated as of April 6, 2018 (the "**Amendment No. 2**"), as the same may be further amended from time to time by and between the Company and Computershare Trust Company, N.A., a federally chartered trust company, as Rights Agent (the Amended and Restated Rights Agreement as amended by Amendment No. 1 and Amendment No. 2 and as further amended, the "**Rights Agreement**").

Until the earlier to occur of (i) 10 business days following a public announcement that a person or group of affiliated or associated persons has acquired beneficial ownership of 10% or more of the outstanding Common Shares (with certain exceptions as described below, an "**Acquiring Person**") (or, in the event an exchange is effected in accordance with Section 24 of the Rights Agreement and the Board determines that a later date is advisable, then such later date that is not more than 20 days after such public announcement) or (ii) 10 business days (or such later date as may be determined by action of the Board of Directors prior to such time as any person becomes an Acquiring Person) following the commencement of, or announcement of an intention to make, a tender offer or an exchange offer the consummation of which would result in the beneficial ownership by a person or group of 10% or more of the outstanding Common Shares (the earlier of such dates, the "**Distribution Date**"), the Rights will be evidenced, with respect to any of the Common Share certificates outstanding as of the Record Date, by such Common Share certificate with a copy of this Summary of Rights attached thereto.

A Person shall not be deemed to be an "**Acquiring Person**" if (i) such Person, on the date of the first public announcement of the adoption of the Rights Agreement, is a Beneficial Owner of 10% or more of the Common Shares of the Company then outstanding, (a "**Grandfathered Stockholder**"); *provided, however*, that Monty J. Bennett, Archie Bennett, Jr. and their respective Affiliates and Associates shall not be deemed to be an Acquiring Person; *provided, further*, that if a Grandfathered Stockholder becomes, after the Record Date, the Beneficial Owner of additional Common Shares (other than Common Shares acquired solely as a result of corporate action of the Company not caused, directly or indirectly, by such Person) at any time such that the Grandfathered Stockholder is or thereby becomes the Beneficial Owner of 10% or more of the Common Shares then outstanding (or such other percentage as would otherwise result in such Person becoming an Acquiring Person), then such Grandfathered Stockholder shall be deemed an Acquiring Person; *provided, however*, that upon the first decrease of a Grandfathered Stockholder's Beneficial Ownership below 10%, such Grandfathered

Stockholder shall no longer be considered a Grandfathered Stockholder. "**Beneficial Ownership**" shall include any securities such Person or any of such Person's Affiliates or Associates (i) beneficially owns, directly or indirectly, (ii) has the right to acquire, (iii) which are beneficially owned, directly or indirectly, by any other Person (or any Affiliate or Associate of such other Person) with which such first Person or any of such first Person's Affiliates or Associates or any other Person (or any Affiliate or Associate of such other Person) with whom such first Person (or any Affiliates or Associates of such first Person) is Acting in Concert has any agreement, arrangement or understanding, whether or not in writing, for the purpose of acquiring, holding, voting (subject to certain limited exceptions) or disposing of any voting securities of the Company, and (iv) which are the subject of, or the reference securities for, or that underlie, any derivative securities (as defined under Rule 16a-1 under the Exchange Act) of such Person or any of such Person's Affiliates or Associates that increase in value as the value of the underlying equity increases, with the number of Common Shares deemed Beneficially Owned being the notional or other number of Common Shares specified in the documentation evidencing the derivative interest as being subject to be acquired upon the exercise or settlement of the derivative interest or as the basis upon which the value or settlement amount of such derivative interest is to be calculated in whole or in part or, if no such number of Common Shares is specified in such documentation, as determined by the Board of Directors in its sole discretion to be the number of Common Shares to which the derivative interest relates.

The Rights Agreement provides that, until the Distribution Date (or earlier expiration of the Rights), the Rights will be transferred with and only with the Common Shares. Until the Distribution Date (or earlier redemption or expiration of the Rights), new Common Share certificates issued after the Record Date or upon transfer or new issuance of Common Shares will contain a notation incorporating the Rights Agreement by reference. Until the Distribution Date (or earlier redemption or expiration of the Rights), the surrender for transfer of any certificates for Common Shares outstanding as of the Record Date, even without such notation or a copy of this Summary of Rights being attached thereto, will also constitute the transfer of the Rights associated with the Common Shares represented by such certificate. As soon as practicable following the Distribution Date, separate certificates evidencing the Rights ("**Right Certificates**") will be mailed to holders of record of the Common Shares as of the close of business on the Distribution Date, and such separate Right Certificates alone will evidence the Rights.

The Rights are not exercisable until the Distribution Date. The Rights will expire on the date of the Company's 2018 annual meeting of stockholders (the "**Final Expiration Date**"), unless the Final Expiration Date is extended or unless the Rights are earlier redeemed or exchanged by the Company, in each case, as described below, or upon the occurrence of certain transactions.

The Purchase Price payable, and the number of Preferred Shares or other securities or property issuable, upon exercise of the Rights is subject to adjustment from time to time to prevent dilution (i) in the event of a stock dividend on, or a subdivision, combination or reclassification of, the Preferred Shares; (ii) upon the grant to holders of the Preferred Shares of certain rights or warrants to subscribe for or purchase Preferred Shares at a price, or securities convertible into Preferred Shares with a conversion price, less than the then current market price of the Preferred Shares; or (iii) upon the distribution to holders of the Preferred Shares of evidences of indebtedness or assets (excluding regular periodic cash dividends or dividends payable in Preferred Shares) or of subscription rights or warrants (other than those referred to above).

The number of outstanding Rights and the number of Preferred Shares issuable upon exercise of each Right are also subject to adjustment in the event of a stock split of the Common Shares or a stock dividend on the Common Shares payable in Common Shares or subdivisions, consolidations or combinations of the Common Shares occurring, in any such case, prior to the Distribution Date.

Table of Contents

Preferred Shares purchasable upon exercise of the Rights will not be redeemable. Each Preferred Share will be entitled, when, as and if declared, to a quarterly dividend payment of 1,000 multiplied by the dividend declared per Common Share. In the event of liquidation, dissolution or winding up of the Company, the holders of the Preferred Shares will be entitled to a payment per share equal to 1,000 multiplied by the aggregate payment made per Common Share. Each Preferred Share will have 1,000 votes, voting together with the Common Shares. In the event of any merger, consolidation or other transaction in which Common Shares are converted or exchanged, each Preferred Share will be entitled to receive 1,000 multiplied by the amount received per Common Share. These rights are protected by customary antidilution provisions.

Because of the nature of the dividend, liquidation and voting rights of the Preferred Shares, the value of the one one-thousandth interest in a Preferred Share purchasable upon exercise of each Right should approximate the value of one Common Share.

From and after the time any person becomes an Acquiring Person, if the Rights evidenced by this Right Certificate are or were at any time on or after the earlier of (i) the date of such event or (ii) the Distribution Date acquired or beneficially owned by an Acquiring Person or an Associate or Affiliate of an Acquiring Person (as such terms are defined in the Rights Agreement), such Rights shall become void, and any holder of such Rights shall thereafter have no right to exercise such Rights.

If, at any time after a person becomes an Acquiring Person, the Company is acquired in a merger or other business combination transaction or 50% or more of its consolidated assets or Earning Power (as defined in the Rights Agreement) are sold, proper provision will be made so that each holder of a Right will thereafter have the right to receive, upon the exercise thereof at the then current exercise price of the Right, that number of shares of common stock of the acquiring company which at the time of such transaction will have a market value of two times the exercise price of the Right. If any Person becomes an Acquiring Person, proper provision shall be made so that each holder of a Right, other than Rights beneficially owned by the Acquiring Person and its Affiliates and Associates (which will thereafter be void), will thereafter have the right to receive upon exercise that number of Common Shares having a market value of two times the exercise price of the Right. If the Board of Directors so elects, the Company shall deliver upon payment of the exercise price of a Right an amount of cash or securities equivalent in value to the Common Shares issuable upon exercise of a Right; *provided*, that if the Company fails to meet such obligation within 30 days following the date a person becomes an Acquiring Person, the Company must deliver, upon exercise of a Right but without requiring payment of the exercise price then in effect, Common Shares (to the extent available) and cash equal in value to the difference between the value of the Common Shares otherwise issuable upon the exercise of a Right and the exercise price then in effect. The Board of Directors may extend the 30-day period described above for up to an additional 60 days to permit the taking of action that may be necessary to authorize sufficient additional Common Shares to permit the issuance of Common Shares upon the exercise in full of the Rights.

At any time after any person becomes an Acquiring Person and prior to the acquisition by any Person or group of a majority of the outstanding Common Shares, the Board of Directors of the Company may exchange the Rights (other than Rights owned by such Person or group which have become void), in whole or in part, at an exchange ratio of one Common Share per Right (subject to adjustment).

With certain exceptions, no adjustment in the Purchase Price will be required until cumulative adjustments require an adjustment of at least 1% in such Purchase Price. No fractional Preferred Shares will be issued (other than fractions which are integral multiples of one one-thousandth of a Preferred Share, which may, at the election of the Company, be evidenced by depositary receipts), and in lieu thereof, an adjustment in cash will be made based on the market price of the Preferred Shares on the last trading day prior to the date of exercise.

Table of Contents

At any time prior to the time any person or group becomes an Acquiring Person, the Board of Directors of the Company may redeem the Rights in whole, but not in part, at a price of \$0.001 per Right (the "**Redemption Price**"). The redemption of the Rights may be made effective at such time, on such basis and with such conditions as the Board of Directors in its sole discretion may establish. Immediately upon any redemption of the Rights, the right to exercise the Rights will terminate and the only right of the holders of the Rights will be to receive the Redemption Price.

The terms of the Rights Agreement may be amended by the Board of Directors of the Company without the consent of the holders of the Rights, provided, that no such amendment may adversely affect the interests of the holders of the Rights. Without limiting the foregoing, the Company may at any time prior to such time as any Person being an Acquiring Person amend the Rights Agreement to lower the threshold at which a person or group becomes an Acquiring Person, but may not lower the threshold below 5% of the outstanding Common Shares. In addition, the Board may not cause a person or group to become an Acquiring Person by lowering this threshold below the percentage interest that such person or group already owns from and after such time as any Person becomes an Acquiring Person no such amendment may adversely affect the interests of the holders of the Rights (other than the Acquiring Person and its Affiliates and Associates).

Until a Right is exercised or exchanged, the holder thereof, as such, will have no rights as a stockholder of the Company, including, without limitation, the right to vote or to receive dividends.

A copy of the Rights Agreement is available free of charge from the Company. This summary description of the Rights does not purport to be complete and is qualified in its entirety by reference to the Rights Agreement, which is hereby incorporated herein by reference.
