ANNUAL MEETING OF SHAREHOLDERS
FOR THE FISCAL YEAR ENDED JULY 31, 2003
TO BE HELD ON DECEMBER 16, 2003

This Proxy Statement is being furnished to the shareholders of Accelr8 Technology Corporation, a Colorado corporation (the "Company"), in connection with the solicitation of proxies by the Board of Directors of the Company (the "Board of Directors") from holders (the "Shareholders") of outstanding shares of

Edgar Filing: ACCEL8 TECHNOLOGY CORP - Form DEF 14A

common stock, no par value, of the Company (the "Common Stock"), for use at the Annual Meeting of the Shareholders for the fiscal year ended July 31, 2003, to be held at 2:00 p.m., local time, on December 16, 2003, at the Warwick Hotel Denver, 1776 Grant Street, Denver, Colorado 80203, and any adjournments or postponements thereof (the "Annual Meeting"). This Proxy Statement, Notice of Annual Meeting of Shareholders and the accompanying Proxy Card are first being mailed to shareholders on or about November 18, 2003.

VOTING SECURITIES AND VOTE REQUIRED

Only Shareholders of record at the close of business on November 17, 2003 (the "Record Date") are entitled to notice of and to vote the shares of Common Stock, no par value, of the Company held by them on such date at the Annual Meeting or any and all adjournments thereof. As of the Record Date, there were 9,679,960 shares of Common Stock issued and outstanding with 1,129,110 shares held in a Rabbi Trust by the Company for the benefit of Thomas V. Geimer. As a result, there are 8,550,850 shares entitled to vote at the Company's Annual Meeting. There was no other class of voting securities outstanding as of the Record Date.

Each share of Common Stock held by a Shareholder entitles such Shareholder to one vote on each matter that is voted upon at the Annual Meeting or any adjournments thereof.

The presence, in person or by proxy, of the holders of 33% of the outstanding shares of Common Stock is necessary to constitute a quorum at the Annual Meeting. Assuming that a quorum is present, the affirmative vote of the holders of a majority of the shares of Common Stock present at the Annual Meeting in person or by proxy will be required to (i) elect each of the three nominees for directors of the Company and (ii) ratify the selection of Anton Collins Mitchell LLP as the independent public accountants of the Company for the fiscal year ending July 31, 2004.

Abstentions and broker "non-votes" will be counted toward determining the presence of a quorum for the transaction of business; however, abstentions will have the effect of a negative vote on the proposals being submitted. Abstentions may be specified on all proposals. A broker "non-vote" will have no effect on the outcome of any of the proposals.

If the accompanying proxy is properly signed and returned to the Company and not revoked, it will be voted in accordance with the instructions contained therein. Unless contrary instructions are given, the persons designated as proxy holders in the accompanying Proxy will vote "FOR" the election of the three nominees for directors of the Company and "FOR" the ratification of the selection of Anton Collins Mitchell LLP as the independent public accountants of the Company for the fiscal year ending July 31, 2004, and as recommended by the Board of Directors with regard to any other matters or, if no such recommendation is given, in their own discretion. The Company's executive officers, directors and key employees have advised the Company that they intend to vote their shares (including those shares over which they hold voting power), representing approximately 11.96% as of October 15, 2003, of the outstanding shares of Common Stock, in favor of each of the proposals above. Each Proxy granted by a Shareholder may be revoked by such Shareholder at any time thereafter by writing to the Secretary of the Company prior to the Annual Meeting, or by execution and delivery of a subsequent Proxy or by attendance and voting in person at the Annual Meeting, except as to any matter or matters upon which, prior to such revocation, a vote shall have been cast pursuant to the authority conferred by such Proxy.

Edgar Filing: ACCEL8 TECHNOLOGY CORP - Form DEF 14A

Representatives from Anton Collins Mitchell LLP are expected to attend the Annual Meeting. As a result, the Company anticipates that a representative from Anton Collins Mitchell LLP will be available to make a statement or respond to any questions at the Annual Meeting.

The cost of soliciting these Proxies, consisting of the printing, handling, and mailing of the Proxy and related material, and the actual expense incurred by brokerage houses, custodians, nominees and fiduciaries in forwarding proxy materials to the beneficial owners of the shares of Common Stock, will be paid by the Company.

In order to assure that there is a quorum, it may be necessary for certain officers, directors, regular employees and other representatives of the Company to solicit Proxies by telephone, facsimile or in person. These persons will receive no extra compensation for their services.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information regarding beneficial ownership of the Company's Common Stock as of October 15, 2003 by (i) each person who is known by the Company to own beneficially more than 5% of the Company's outstanding Common Stock; (ii) each of the Company's executive officers and directors; and (iii) all executive officers and directors as a group. On October 15, 2003, the Company had 9,679,960 shares of its Common Stock issued and outstanding. This calculation includes the 1,129,110 shares which are held by the Rabbi Trust for the benefit of Thomas V. Geimer that are treated as

2

outstanding in the calculation of beneficial ownership but are not included in Mr. Geimer's total as set forth below in footnote 1, and have not been included in the calculation of the shares entitled to vote. Common Stock not outstanding but deemed beneficially owned by virtue of the right of an individual to acquire shares is treated as outstanding only when determining the amount and percentage of Common Stock owned by such individual. Except as noted, each person or entity has sole voting and sole investment power with respect to the shares shown.

BOARD OF DIRECTORS AND COMMITTEE MEETINGS

The Board of Directors currently consists of three members, each of whom is proposed for election at the Annual Meeting.

The Board of Directors maintains a Compensation Committee and an Audit Committee. The Audit Committee and Compensation Committee is comprised of Messrs. Arnold and Gerretson, the Company's independent, non-management directors. The primary function of the Compensation Committee is to review and make recommendations to the Board with respect to the compensation, including bonuses, of the Company's officers and to administer the Company's stock option plans. The function of the Audit Committee is to review and approve the scope of audit procedures employed by the Company's independent auditors, to review and approve the audit reports rendered by the Company's independent auditors and to approve the audit fee charged by the independent auditors. The Audit Committee reports to the Board of Directors with respect to such matters and recommends the selection of independent auditors. The Audit Committee's financial expert is Charles E. Gerretson.

During fiscal year ended July 31, 2003, the board of directors held one board meeting with all board members present, the Audit Committee held four meetings with no director attending fewer than 75% of the aggregate of all the meetings of the Audit Committee. The Compensation Committee held one meeting during the fiscal year, prior to Mr. Gerretson's appointment as a Director of the Company, with both members attending the meeting.

The Audit Committee has also discussed with Anton Collins Mitchell LLP the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants.

Edgar Filing: ACCEL8 TECHNOLOGY CORP - Form DEF 14A

Compensation Pursuant to Plans

Employee Retirement Plan. During fiscal year 1996, we established a SARSEP-IRA employee pension plan that covers substantially all full-time employees. Under the plan, employees have the option to contribute up to the lesser of 15% of their compensation or \$10,500. We may make discretionary contributions to the plan based on recommendations from the Board of Directors. We made no contribution for the fiscal years ended July 31, 2003 or 2002. The plan was terminated during the year ended July 31, 2003.

Deferred Compensation Plan. In January 1996, we established a deferred compensation plan for our employees. We may make discretionary contributions to the plan based upon recommendations from the Board of Directors. For each of the fiscal years ended July 31, 2003 and 2002, we contributed \$75,000 to the plan. The \$75,000 contribution for the fiscal year ended July 31, 2003 was made on October 14, 2003.

1987 Non-Qualified Stock Option Plan. We currently have no outstanding options issued to employees of the Company pursuant to our 1987 non-qualified stock option plan (the "1987 Plan"). During the year, 100,000 options at a price of \$.36 each were exercised for \$36,000 and 6,500 options at a price of \$.36 expired. During the 1994 fiscal year, the Board of Directors adopted a resolution providing that for so long as a recipient of an option grant remains in the employ of the Company, the options held will not expire and if the recipient's employment is terminated, the holder will have up to 90 days after termination to exercise any vested but previously unexercised options. In 1997, the Board of Directors passed a further resolution clarifying that upon the death of an optionee, an unexercised option will remain exercisable for a period of one year by, and only by, the person to whom the optionee's rights have passed by will or by the laws of descent and distribution. All options previously granted were administered by our Board of Directors. The options provide for adjustment of the number of shares issuable in the case of stock dividends or stock splits or combinations and adjustments in the case of recapitalization, merger or sale of assets. Since all 300,000 shares originally reserved had been issued the plan has been terminated.

On October 14, 1997, Thomas V. Geimer exercised an aggregate of 1,140,000 warrants and options to acquire 1,140,000 shares of the Company's Common Stock at an exercise price of \$0.24 per share. Under the terms of the Rabbi Trust, we will hold the shares in trust and carry the shares as held for employee benefit by the Company. The Rabbi Trust provides that upon Mr. Geimer's death, disability, or termination of his employment the shares will be released ratably over the subsequent ten (10) years, unless the Board of Directors determines otherwise. See Note 6 and 9 to the Financial Statement included in Form 10-KSB for the year ended July 31, 2003, which has been filed with Securities and Exchange Commission and which has been sent to all of the shareholders along with this proxy statement.

The 1996 Stock Option Plans

The Board of Directors of the Company has adopted an incentive stock option plan (the "Qualified Plan") which provides for the grant of options to purchase an aggregate of not more than 700,000 shares of the Company's Common Stock. The purpose of the Qualified Plan is to make options available to management and

employees of the Company in order to provide them with a more direct stake in the future of the Company and to encourage them to remain with the Company. The Qualified Plan provides for the granting to management and employees of

Edgar Filing: ACCEL8 TECHNOLOGY CORP - Form DEF 14A

"incentive stock options" within the meaning of Section 422 of the Internal Revenue Code of 1986 (the "Code").

The Board of Directors of the Company has adopted a non-qualified stock option plan (the "Non-Qualified Plan") which provides for the grant of options to purchase an aggregate of not more than 300,000 shares of the Company's Common Stock. The purpose of the Non-Qualified Plan is to provide certain key employees, independent contractors, technical advisors and directors of the Company with options in order to provide additional rewards and incentives for contributing to the success of the Company. These options are not incentive stock options within the meaning of Section 422 of the Code.

The Qualified Plan and the Non-Qualified Plan (the "Stock Option Plans") are administered by a committee (the "Committee") appointed by the Board of Directors which determines the persons to be granted options under the Stock Option Plans and the number of shares subject to each option. No options granted under the Stock Option Plans are transferable by the optionee other than by will or the laws of descent and distribution and each option is exercisable, during the lifetime of the optionee, only by such optionee. Any options granted to an employee terminate 90 days after his ceasing to be an employee, except in limited circumstances, including death of the employee, and where the Committee deems it to be in the Company's best interests not to terminate the options.

The exercise price of all incentive stock options granted under the Qualified Plan must be equal to the fair market value of such shares on the date of grant as determined by the Committee, based on guidelines set forth in the Qualified Plan. The exercise price may be paid in cash or (if the Qualified Plan shall meet the requirements of rules adopted under the Exchange Act) in Common Stock or a combination of cash and Common Stock. The term of each option and the manner in which it may be exercised will be determined by the Committee, subject to the requirement that no option may be exercisable more than 10 years after the date of grant. With respect to an incentive stock option granted to a participant who owns more than 10% of the voting rights of the Company's outstanding capital stock on the date of grant, the exercise price of the option must be at least equal to 110% of the fair market value on the date of grant and the option may not be exercisable more than five years after the date of grant.

The Stock Option Plans were approved by our shareholders at a special shareholders meeting held on November 8, 1996. At the annual meeting of shareholders held on December 12, 2002, shareholders approved the following amendments to the Qualified Plan and the Non-Qualified Plan: (i) the Committee was given the power to amend and alter the Qualified Plan and the Non-Qualified Plan so long as the amendments do not affect any outstanding options; (ii) provide that any shares cancelled, terminated, or expired pursuant to the Qualified Plan and the Non-Qualified Plan be made available for purposes of the Qualified Plan and the Non-Qualified Plan; (iii) provide that the cashless exercise provision of the Qualified Plan and the Non-Qualified Plan be in the sole discretion of the Committee; and (iv) extended the expiration date of the Qualified Plan and the Non-Qualified Plan until December 12, 2012.

8

As of July 31, 2003, 300,000 options had been granted to the Company's Board members and certain consultants pursuant to the Non-Qualified Plan with 225,000 options outstanding and 75,000 options exercised. As of July 31, 2003, a total of 532,500 options had been granted to employees pursuant to the Qualified Plan with 530,000 options outstanding and 2,500 options exercised. The Company has 200,000 options outstanding that were issued outside of the Qualified Plan and Non-Qualified Plan.

CERTAIN TRANSACTIONS

Edgar Filing: ACCEL8 TECHNOLOGY CORP - Form DEF 14A

During fiscal year 1996, we established a deferred compensation plan for our employees. We may make discretionary contributions to the plan based on recommendations from the Board of Directors. As of July 31, 2003, the Board of Directors had authorized deferred compensation totaling \$600,000 since fiscal year 1996 of which is fully vested to Mr. Geimer of which \$525,000 had been funded.

In connection with the settlement reached with the SEC on July 12, 2001, we agreed to indemnify the individual officers with respect to the civil penalties assessed against the individual officers on an after tax basis. For more information, please see "Legal Proceedings--Concluded Legal Matter."

There were no other transactions or series of transactions for the fiscal year ended July 31, 2003, nor are there any currently proposed transactions, or series of the same to which we are a party, in which the amount involved exceeds \$60,000 and in which, to the knowledge of the Company, any director, executive officer, nominee, 5% shareholder or any member of the immediate family of the foregoing persons, have or will have a direct or indirect material interest.

COMPLIANCE WITH SECTION 16(a) OF THE EXCHANGE ACT

Section 16(a) of the Exchange Act, generally requires the Company's directors and executive officers and persons who own more than 10% of a registered class of the Company's equity securities ("10% owners") to file with the SEC initial reports of ownership and reports of changes in ownership of Common Stock and other equity securities of the Company. Directors and executive officers and 10% owners are required by Securities and Exchange Commission regulation to furnish the Company with copies of all Section 16(a) forms they file. To the Company's knowledge, based solely on review of copies of such reports furnished to us and verbal representations that no other reports were required to be filed during the fiscal year ended July 31, 2003, all Section 16(a) filing requirements applicable to its directors, executive officers and 10% owners were met, except that Harry J. Fluery, an officer of the Company failed to timely file a Form 4 in April disclosing one transaction. Mr. Fluery filed a Form 4 on May 29, 2003 disclosing this transaction. David C. Wilhelm, a former director of the Company, failed to timely file a Form 4 in July to report two transactions. Mr. Wilhelm filed a Form 4 on August 6, 2003 disclosing these transactions. Further, DDX sold approximately 207,000 shares to individuals during the fiscal year ended July 31, 2003, and as of the date of this report has failed to file a Form 4 disclosing the transactions.

LEGAL PROCEEDINGS

Concluded Legal Matter

On November 16, 1999, the SEC filed suit in the United States District Court for the District of Colorado against the Company, Thomas V. Geimer, Harry J. Fleury, and James Godkin (collectively the "Defendants"), Civil Action No. 99-D-2203. The SEC sought an injunction permanently restraining and enjoining each defendant from violating Section 10(b) of the Exchange Act, and Rule 10b-5 promulgated thereunder; Section 13(a) of the Exchange Act, and Rules 12b-20, 13a-1, and 13a-13 promulgated thereunder, and, in addition, that Mr. Geimer and Mr. Godkin be enjoined from future violations of Section 13(b)(2) of the Exchange Act, Section 10(b) of the Exchange Act and Rule 10b-5 thereunder related to securities fraud. The SEC alleged that the Defendants made material misrepresentations of fact regarding the capability of certain of the Company's products, and the Company's financial condition, including its revenues and earnings and that Mr. Geimer and Mr. Godkin failed to implement, or

Edgar Filing: ACCEL8 TECHNOLOGY CORP - Form DEF 14A

circumvented, a system of internal accounting controls, falsified books and records, and made misrepresentations to the Company's accountants. On July 12, 2001, the Defendants, without admitting or denying the allegations of the Third Amended Complaint filed by the SEC, consented to the entry of Final Orders in which the court dismissed the securities fraud claims against all Defendants with prejudice. The Court made no findings that any violation of law occurred, and enjoined the Defendants from future violations of Section 13 of the Exchange Act, and the regulations thereunder referred to above. None of the Defendants were found to have made any misstatement as to the Company's product's performance or capabilities or misstatements to the Company's accountants nor did the suit result in any restatement of the Company's financial statements. In connection with the settlement, Mr. Geimer paid a civil penalty of \$65,000, Mr. Fleury paid a civil penalty of \$20,000, and Mr. Godkin paid a civil penalty of \$20,000. The costs of the defense plus the civil penalties were borne by the Company.

Pending Legal Matter

The Company is party to one current legal proceeding, which is a lawsuit against Deloitte & Touche LLP and the corresponding Deloitte & Touche LLP counterclaim against the Company.

On November 20, 2002, the Company initiated an action against Deloitte & Touche LLP ("Deloitte"), the Company's former auditors, captioned Accelr8 Technology Corporation v. Deloitte & Touche LLP, Case No. 02CV8102, District Court, City and County of Denver, State of Colorado. In this action, the Company seeks damages from Deloitte for breach of contract as a result of Deloitte's resignation as the Company's auditors. On January 13, 2003, Deloitte answered the Complaint and filed a counterclaim against the Company, and third-party claims against Thomas V. Geimer and Harry J. Fleury. The counter-claim asserts claims for breach of contract, deceit based on fraud, and negligent misrepresentation and seeks damages estimated at \$349,472. Third-party claims allege deceit based on fraud and negligent misrepresentation, and also seek

unspecified damages. On February 18, 2003, the Company, as counterclaim defendant, and Messrs. Geimer and Fleury, as third-party defendants, moved to dismiss the counterclaims and third-party complaint. On May 29, 2003, the Court denied the motion to dismiss the counterclaims against the Company, and granted the motion to dismiss the third-party claims against Messrs Geimer and Fleury. The Company believes it has substantial defenses to the counterclaims and the Company intends to contest the counterclaims vigorously. However, there can be no assurance that the resolution of the counterclaims will not have a material adverse effect on the Company.
