**Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year, and
Item 8.01 Other Events**

On September 28, 2006, Vectren Corporation (“Vectren” or the “Company”) announced that its Board of Directors had unanimously approved changes designed to further enhance its corporate governance practices. Amended By-law and policy changes were approved at a meeting held on September 27, 2006, and become effective October 1, 2006.

The Company made the following changes to its By-laws:

- Vectren’s Board of Directors amended the Company’s By-laws to create of a single class of directors who are elected annually. This modification eliminates the current three classes with staggered term expiration dates.
- Vectren’s Board of Directors incorporated into the By-laws director selection criteria. Previously the By-laws did not address selection criteria.

In addition to these By-law changes, the Company’s Board of Directors adopted a policy providing for a majority vote standard for director elections. Under the new policy, any nominee for director in an uncontested election who receives a greater number of votes "withheld" from his or her election than votes "for" his or her election will tender his or her resignation promptly following certification of the shareholder vote. The Board’s Corporate Governance and Nominating Committee will consider the tendered resignation and recommend to the Board whether it should be accepted or rejected.

A copy of the press release is attached as Exhibit 99.1 to this Current Report on Form 8-K.
