Item 8.01. Other Events

The Tax Cuts and Jobs Act, which decreased the corporate tax rate from 35 percent to 21 percent, was signed into law on Dec. 22, 2017, and became effective on Jan. 1, 2018. On February 16, 2018, the Indiana Utility Regulatory Commission (IURC) issued an order providing guidance on a process on how utilities can reflect in their rates and charges the effects of the recent reduction in federal tax rates. This guidance aligns with the intentions of Vectren Energy Delivery of Indiana - North and Vectren Energy Delivery of Indiana - South to request IURC authority to adjust rates and charges to begin providing the benefits of those tax reductions in the near term. If Vectren's request is approved, the result will be lower energy bills for customers.

A copy of the Press Releases are attached as Exhibit 99.1 and Exhibit 99.2 to this Current Report on Form 8-K.

In connection with the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995, the Company is hereby furnishing cautionary statements identifying important factors that could cause actual results of the Company and its subsidiaries, including Vectren Utility Holdings, Inc., to differ materially from those projected in forward-looking statements of the Company and its subsidiaries made by, or on behalf of, the Company and its subsidiaries. These cautionary statements are attached as Exhibit 99.3.
