This Amendment No. 1 amends and supplements the Solicitation/Recommendation Statement on Schedule 14D-9 filed with the Securities and
Exchange Commission by CryoCor, Inc. on April 29, 2008. Except as otherwise indicated, the information set forth in the original Schedule
14D-9 remains unchanged. Capitalized terms used but not defined herein have the meanings ascribed to them in the Schedule 14D-9.

Item 8. Additional Information.

Item 8 is amended and supplemented by inserting the following section entitled Litigation Related to the Merger:

On May 8, 2008, two alleged plaintiff holders of Common Stock (the Plaintiffs) filed a complaint in the Superior Court of the State of California, County of San Diego, naming as defendants each member of the Board, the Company and BSC. The complaint is styled Secondido, et al., v. CryoCor, Inc., et al., Case No. 37-2008-00083630-CU-MC-CTL (the Action). The Plaintiffs in the Action purport to bring the Action on behalf of a class consisting of all holders of Common Stock, except the defendants and their affiliates.

The Plaintiffs allege that the Board, aided and abetted by BSC, breached their fiduciary duties in approving the Merger Agreement because the \$1.35 Offer Price is grossly unfair, inadequate and provides value to CryoCor s stockholders that is substantially below the fair or inherent value of the Company.

The Action seeks, among other things, an order enjoining the Transaction and awarding the costs and disbursements of the Action, including reasonable attorneys and experts fees.

Based on its review of the complaint, the Company believes that the allegations in the Action are without merit and intends to defend against the Action vigorously.
