SCHEDULE 13D

(Amendment No. 4)

Statement of

Smart Hydrogen Inc.

**Pursuant to Section 13(d) of the Securities Exchange Act of 1934
in respect of**

Plug Power Inc.

Explanatory Note: This Amendment No. 4 (this Amendment No. 4) amends and supplements the Statement on Schedule 13D of Smart Hydrogen Inc. (Smart Hydrogen), MMC Norilsk Nickel (Norilsk Nickel), Clayburn Development Inc. (Clayburn), Branton Limited (Branton), and Vladimir O. Potanin (Mr. Potanin), originally filed on April 20, 2006 (the Original Statement), as amended by Amendment No. 1 filed on June 29, 2006 (Amendment No. 1), Amendment No. 2 filed on April 24, 2008 (Amendment 2), Amendment No. 3 filed on May 15, 2008 (Amendment 3 and collectively with the Original Statement, Amendment No. 1, Amendment No. 2, and this Amendment No. 4, the Statement). Unless otherwise indicated herein, terms used but not defined in this Amendment No. 4 have the same meaning given to them in the Original Statement.

Item 4. Purpose of the Transaction

Item 4 of the Statement is hereby amended and supplemented as follows:

This Statement relates to Smart Hydrogen's beneficial ownership of 44,626,939 shares of Common Stock, representing approximately 34.95% of the Issuer's outstanding Common Stock. These shares consist of 5,126,939 shares of Common Stock and 395,000 shares of Class B Capital Stock which are presently convertible into 39,500,000 shares of Common Stock (collectively, the Issuer Stock). The ownership percentages contained in this Amendment No. 4 and in the cover pages hereto are based upon information contained in the Issuer's most recently available filings with the Securities and Exchange Commission that, as of August 7, 2008, 88,180,132 shares of Common Stock and 395,000 shares of Class B Capital Stock were outstanding.

This Amendment No. 4 relates to Smart Hydrogen's plans to dispose of beneficial ownership of the Issuer Stock pursuant to a Share Purchase Agreement, dated October 14, 2008, by and between Smart Hydrogen and OJSC «Third Generation Company of the Wholesale Electricity Market», an open joint stock company organized under the laws of the Russian Federation (WGC-3), a copy of which is attached hereto as Exhibit A and is incorporated by reference herein (the WGC-3 Purchase Agreement). Pursuant to the WGC-3 Purchase Agreement, Smart Hydrogen has agreed, subject to the terms and conditions of the WGC-3 Purchase Agreement, to sell all of the Issuer Stock to WGC-3 for an aggregate purchase price of \$33,023,935. The consummation of the transaction under the WGC-3 Purchase Agreement are subject to certain conditions precedent, including the receipt of any necessary governmental approvals and the consent of the Issuer to the transfer of Class B Capital Stock.

Norilsk Nickel directly and indirectly owns approximately 74% of WGC-3. The transaction contemplated by the WGC-3 Purchase Agreement is a component of a restructuring of certain assets of Norilsk Nickel in which non-strategic/portfolio power assets of Norilsk Nickel are to be consolidated within a single subsidiary, WGC-3. This consolidation will allow Norilsk Nickel to focus on its core business while still maintaining a passive role in the investment. The purchase of the Issuer Stock will allow WGC-3 to execute on a diversification strategy that they have identified as a priority for the further growth of their revenue stream. This purchase will represent the first investment for WGC-3 in the alternative energy space which has been acknowledged as being a potential economic driver in the next decade.

Except as set forth in this Statement, none of the Reporting Persons listed in Item 2 has any present plans or proposals that relate to or would result in the occurrence of any of the events specified in clauses (a) through (j) of the instructions to Item 4 of Schedule 13D. The Reporting Persons reserve the right to formulate plans or make proposals, and take such actions with respect to their investment in the Issuer, including any action that relates to or would result in the occurrence of any or all of the events specified in clauses (a) through (j) of the instructions to Item 4 of Schedule 13D, and any other actions, as they may determine. The Reporting Persons intend to review continually their investment in the Issuer, depending upon future evaluations of the business prospects of the Issuer and upon other developments, including but not limited to, general economic and business conditions and stock market conditions. The Reporting Persons may determine to increase or decrease their equity position in the Issuer by acquiring additional shares or disposing of some of the shares they may hold, in each case in accordance with the terms and conditions contained in the Certificate of Designations and the agreements executed at Closing.

Item 5. Interest in Securities of the Issuer

Item 5 is hereby amended and restated as follows:

- (a) - (b) As of the date hereof, Smart Hydrogen is the beneficial owner of 44,626,939 shares of Common Stock, or approximately 34.95% of the Issuer's outstanding Common Stock. This amount is the sum of (i) 5,126,939 shares of Common Stock; and (ii) 395,000 shares of Class B Capital Stock which are presently convertible into 39,500,000 shares of Common Stock. By virtue of the direct and indirect ownership of Smart Hydrogen, each of Clayburn, Branton, Norilsk Nickel, and Mr. Potanin may be deemed to be a beneficial owner of 44,626,939 shares of Common Stock or approximately 34.95% of the outstanding shares of Common Stock.
- (c) No transactions in the Common Stock were effected in the past 60 days, by the persons named in response to Item 5(a), except for the WGC-3 Purchase Agreement described in Item 4 and hereby incorporated in this Item 5(c).

- (d) All persons known to have the right to receive or the power to direct the dividends from, or the proceeds from the sale of, the securities described in this Item 5 are described in this Statement.
- (e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer

Item 6 is hereby amended and supplemented as follows:

As described in Items 4 through 5 of this Statement, which are hereby incorporated by reference in this Item 6, on October 14, 2008, Smart Hydrogen and WGC-3 entered into the WGC-3 Purchase Agreement, whereby Smart Hydrogen has agreed, subject to the terms and conditions of the WGC-3 Purchase Agreement, to sell all of the Issuer Stock to WGC-3 for an aggregate purchase price of \$33,023,935. Following the consummation of this transaction, Mr. Potanin and Norilsk Nickel, will retain their entire beneficial ownership in the Common Stock, and WGC-3 will acquire beneficial ownership in the Common Stock. Following the consummation of this transaction, Smart Hydrogen, Clayburn, and Branton will no longer have any beneficial ownership in the Common Stock.

Except as described in this Statement, none of the Reporting Persons, nor to the knowledge of the Reporting Persons, any of the persons listed in Exhibit A of the Original Statement, has any contract, arrangement, understanding, or relationship (legal or otherwise) with any person with respect to any securities of the Issuer, including but not limited to transfer or voting of such securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding or proxies.
