The transaction value also includes the aggregate offer price for a maximum of 2,811,996 shares of common stock issuable pursuant to outstanding options with an exercise price less than \$63.50 per share, which is calculated by multiplying the number of shares underlying such outstanding options by an amount equal to \$63.50 minus the weighted average exercise price of such options. ### Item 11. Additional Information.

#### Regulation M-A Item 1011

(a) **Agreements, Regulatory Requirements and Legal Proceedings.** Item 11(a) of the Schedule TO is hereby amended and supplemented by restating in its entirety the sub-section captioned *Litigation* as follows:

#### *Litigation.*

On December 1, 2010, a putative class action lawsuit was filed in the Sebastian County Circuit Court of Arkansas, docketed as *Cottrell v. Baldor Electric Company, et al.*, Case Number CV-2010-2142 VI. On December 9, 2010, the plaintiff filed an amended complaint. The amended complaint names the Company, each of the members of the Company Board, and Parent and Purchaser as defendants. The amended complaint alleges, among other things, that the Company Board breached fiduciary duties owed to the Company's shareholders by failing to take steps to maximize shareholder value. The amended complaint also alleges that the Company, Parent and Purchaser aided and abetted the Company Board in the alleged breach of their fiduciary duties. The plaintiff seeks relief that includes, among other things, an injunction prohibiting the consummation of the Merger, a court order declaring that the Merger Agreement was entered into in breach of the fiduciary duties of the Company Board and is therefore unlawful and unenforceable, rescission (to the extent the proposed acquisition has already been implemented), and the payment of plaintiffs' attorneys' fees and costs. The plaintiff also filed on December 9, 2010 a motion for preliminary injunction and an emergency motion for expedited discovery. The motion for expedited discovery was resolved pursuant to an agreed order entered by the Court on December 16, 2010. On December 21, the Company filed a motion to dismiss the amended complaint for failure to state a claim. A hearing on the plaintiff's motion for preliminary injunction is scheduled for January 6, 2011.

On December 2, 2010, a putative class action lawsuit was filed in the Circuit Court of St. Louis County, Missouri, docketed as *Fortier v. McFarland, et al.*, Case Number 10 SL-CC 4903 (the Fortier Action). The complaint names the Company, each of the members of the Company Board, and Parent and Purchaser as defendants. The complaint alleges, among other things, that the Company Board breached fiduciary duties owed to the Company's shareholders by failing to take steps to maximize shareholder value. The complaint also alleges that the Company and

Parent aided and abetted the Company Board in the alleged breach of their fiduciary duties. The plaintiff seeks relief that includes, among other things, an injunction prohibiting the consummation of the Merger, rescission (to the extent the proposed acquisition has already been implemented), and the payment of plaintiff's attorneys' fees and costs.

On December 6, 2010, a putative class action lawsuit was filed in the Circuit Court of St. Louis County, Missouri, docketed as *Chance v. McFarland, et al.*, Case Number 10 SL-CC 4904 (the "Chance Action"). The complaint names the Company, each of the members of the Company Board, and Parent and Purchaser as defendants. The lawsuit alleges, among other things, that the Company Board breached fiduciary duties owed to the Company's shareholders by failing to take steps to maximize shareholder value. The complaint also alleges that the Company and Parent aided and abetted the Company Board in the alleged breach of their fiduciary duties. The plaintiff seeks relief that includes, among other things, an injunction prohibiting the consummation of the Merger, rescission (to the extent the proposed acquisition has already been implemented), and the payment of plaintiff's attorneys' fees and costs.

On December 16, 2010, the plaintiff in the Fortier Action filed an amended complaint. The amended complaint alleges, among other things, that the Company Board breached fiduciary duties owed to the Company's shareholders by failing to take steps to maximize shareholder value. The amended complaint also alleges that the Company and Parent aided and

abetted the Company Board in the alleged breach of their fiduciary duties. The amended complaint names the plaintiff in the Chance Action as an additional plaintiff in the Fortier Action. The plaintiffs seek relief that includes, among other things, an injunction prohibiting the consummation of the Merger, rescission (to the extent the proposed acquisition has already been implemented), and the payment of plaintiff's attorneys' fees and costs.

On December 22, 2010, a putative class action lawsuit was filed in the Circuit Court of St. Louis County, Missouri, docketed as *Ecker v. Asher, et al.*, Case Number 10 SL-CC 5127. The complaint names the Company, each of the members of the Company Board, and Parent and Purchaser as defendants. The complaint alleges, among other things, that the Company Board breached fiduciary duties owed to the Company and the Company's shareholders by failing to ensure a fair process and maximize shareholder value. The complaint also alleges that Parent aided and abetted the Company Board in the alleged breach of their fiduciary duties. The plaintiff seeks relief that includes, among other things, a court order declaring that the proposed transaction was entered into in breach of the fiduciary duties of the Company Board and is therefore unlawful and unenforceable, an injunction prohibiting the consummation of the Offer and the Merger, a court order requiring the calling of an annual meeting, rescission (to the extent the proposed acquisition has already been implemented), and the payment of plaintiff's attorneys' fees and costs. On December 23, 2010, the plaintiff filed a motion for a preliminary injunction as well as an emergency motion for expedited discovery and a hearing and briefing schedule on the motion for preliminary injunction.

Parent and Purchaser believe that each of these lawsuits is without merit and intend to vigorously defend against the claims against them. There can be no assurance, however, with regard to the outcome of any of these lawsuits.

Item 11(a) of the Schedule TO is hereby amended and supplemented by adding the following at the end of the sub-section captioned "Other Foreign Laws" :

On December 22, 2010, the German Federal Cartel Office ( Bundeskartellamt ) cleared Parent's acquisition of the Company without conditions.
