**Item 1.01**

**Entry into a Material Definitive Agreement.**

*Agreement and Plan of Merger*

On October 3, 2012, BioSante Pharmaceuticals, Inc., a Delaware corporation ( *BioSante* ), entered into an agreement and plan of merger (the *Merger Agreement* ) with ANIP Acquisition Company, a Delaware corporation d/b/a ANI Pharmaceuticals, Inc. ( *ANI* ). The *Merger Agreement* provides that, upon the terms and subject to the conditions set forth in the *Merger Agreement*, ANI will merge with and into BioSante (the *Merger* ), with BioSante continuing as the surviving company.

At the effective time of the *Merger* (the *Effective Time* ), each outstanding share of capital stock of ANI will be converted into the right to receive a number of shares of BioSante common stock, if any, as determined pursuant to the exchange ratio described in the *Merger Agreement* (the *Exchange Ratio* ) and the provisions of ANI's certificate of incorporation, and all options, warrants or other rights to purchase shares of capital stock of ANI, will be canceled without consideration therefor, except for certain warrants which although not cancelled will not represent the right to acquire any equity or other interest in the combined company after the merger. No fractional shares of BioSante common stock will be issued in connection with the *Merger*, and holders of ANI capital stock will be entitled to receive cash in lieu thereof. Following the consummation of the transactions contemplated by the *Merger Agreement*, the current stockholders of ANI are expected to own approximately 53% of the outstanding shares of common stock of the combined company, and current stockholders of BioSante are expected to own approximately 47% of the outstanding shares of common stock of the combined company. The *Exchange Ratio* is subject to potential adjustment as described in the *Merger Agreement* depending upon the amount of *net cash* of BioSante, as defined in the *Merger Agreement* and generally consisting of BioSante's cash and cash equivalents less certain expenses and liabilities, as of a determination date prior to the closing date of the *Merger*, but in no event will the current ANI stockholders own less than 50.1% (or the current BioSante stockholders own more than 49.9%) of the outstanding shares of common stock of the combined company. The *Merger* is intended to qualify as a *reorganization* within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended.

The *Merger Agreement* provides that, immediately following the *Effective Time*, the board of directors of the combined company will consist of five former directors of ANI and two former directors of BioSante, and ANI's current executive officers are expected to serve as executive officers of the combined company. In connection with the *Merger*, BioSante will seek to amend its certificate of incorporation to: (i) effect a reverse split of BioSante common stock at a ratio between the range of 1:2 and 1:5, as determined by BioSante and ANI, which is intended to ensure that the listing requirements of The NASDAQ Global Market or The NASDAQ Capital Market are satisfied; and (ii) change the name of BioSante to ANI Pharmaceuticals, Inc. or another name as designated by ANI (together, the *Charter Amendments* ). No fractional shares of BioSante common stock will be issued in connection with the reverse split and holders of BioSante common stock will be entitled to receive cash in lieu thereof.

Consummation of the *Merger* is subject to a number of conditions, including, but not limited to (i) the adoption and approval of the *Merger Agreement* and the transactions contemplated thereby by both BioSante's and ANI's stockholders and the approval of the *Charter Amendments* by BioSante's stockholders; (ii) the effectiveness of a Form S-4 registration statement to be filed by BioSante with the Securities and Exchange Commission (the *SEC* ) to register the shares of BioSante common stock to be issued in connection with the *Merger*, which will contain a joint proxy statement/prospectus; (iii) approval for the listing of shares of BioSante common stock to be issued in the *Merger* on The NASDAQ Global Market or The NASDAQ Capital Market; (iv) written opinions of counsel that the *Merger* will qualify as a *reorganization* within the meaning of Section 368(a) of the Code; and (v) other customary closing conditions. In addition, the obligation of ANI to effect the *Merger* is subject to a condition that

BioSante's net cash, as calculated pursuant to the terms of the Merger Agreement, be no less than \$17 million immediately prior to the effective time of the Merger.

Each of BioSante and ANI have made customary representations, warranties and covenants in the Merger Agreement, including among others, covenants that (i) each party will conduct its business in the ordinary course consistent with past practice during the interim period between the execution of the Merger Agreement and the consummation of the Merger; (ii) each party will not engage in certain kinds of transactions or take certain actions during such period; (iii) ANI will convene and hold a meeting of its stockholders for the purpose of considering the adoption and approval of the Merger Agreement and the transactions contemplated thereby and the board of directors of ANI will recommend that its stockholders adopt and approve the Merger Agreement, subject to certain exceptions; and (iv) BioSante will convene and hold a meeting of its stockholders for the purpose of considering the adoption and approval of the Merger Agreement and the transactions contemplated thereby and the approval of the Charter Amendments and the board of directors of BioSante will recommend that its stockholders adopt and approve the Merger Agreement and approve the Charter Amendments, subject to certain exceptions. Each of BioSante and ANI also has agreed not to solicit proposals relating to alternative business combination transactions or enter into discussions or an agreement concerning any proposals for alternative business combination transactions, subject to exceptions for BioSante in the event of its receipt of a superior proposal.

The Merger Agreement contains certain termination rights in favor of each of ANI and BioSante in certain circumstances. If the Merger Agreement is terminated due to certain triggering events specified in the Merger Agreement, BioSante will be required to pay ANI a termination fee of up to \$1.0 million or ANI will be required to pay BioSante a termination fee of up to \$750,000. The Merger Agreement also provides that under specified circumstances, BioSante may be required to reimburse ANI up to \$500,000 for ANI's expenses in connection with the transaction. Any expenses paid by BioSante will be credited against the \$1.0 million termination fee if the termination fee subsequently becomes payable by BioSante.

The foregoing description of the Merger Agreement does not purport to be complete and is subject to, and qualified in its entirety by reference to, the full text of the Merger Agreement, which is filed as Exhibit 2.1 to this current report on Form 8-K and is incorporated herein by reference. The Merger Agreement and related description are intended to provide you with information regarding the terms of the Merger Agreement and are not intended to modify or supplement any factual disclosures about BioSante in its reports filed with the SEC or ANI. In particular, the Merger Agreement and related description are not intended to be, and should not be relied upon as, disclosures regarding any facts and circumstances relating to BioSante or ANI. The representations and warranties have been negotiated with the principal purpose of not establishing matters of fact, but rather as a risk allocation method establishing the circumstances in which a party may have the right not to close the Merger if the representations and warranties of the other party prove to be untrue due to a change in circumstance or otherwise. The assertions embodied in the representations and warranties made by ANI and BioSante in the Merger Agreement are qualified in information contained in confidential disclosure schedules that ANI and BioSante have delivered to each other in connection with the signing of the Merger Agreement made for purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts. The representations and warranties also may be subject to a contractual standard of materiality different from those generally applicable under the securities laws. Stockholders of BioSante and ANI are not third-party beneficiaries under the Merger Agreement and should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of BioSante, ANI or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement.

### *Voting Agreements*

Concurrently and in connection with the execution of the Merger Agreement, certain of ANI's stockholders, who collectively hold approximately 90 percent of the outstanding shares of ANI capital stock as of the close of business on October 3, 2012, entered into voting agreements with BioSante, in substantially the form of Exhibit 10.1 hereto (the "ANI Voting Agreements"), pursuant to which each stockholder agreed to vote its shares of ANI capital stock in favor of the Merger, the Merger Agreement and the transactions contemplated by the Merger Agreement and against certain transactions or certain actions that would delay, prevent or nullify the Merger or the transaction contemplated by the Merger Agreement. In addition, one of the stockholders of ANI, who holds approximately 57 percent of the outstanding shares of ANI capital stock as of the close of business on October 3, 2012, has agreed to vote in favor of the election of the two directors designated by BioSante at the first annual meeting of stockholders following the completion of the Merger (the "Director Voting Agreement").

In addition, certain of BioSante's stockholders, directors and officers, who collectively hold approximately two percent of the outstanding shares of BioSante capital stock as of the close of business on October 3, 2012, entered into voting agreements with ANI, in substantially the form of Exhibit 10.2 hereto (the "BioSante Voting Agreements"), pursuant to which each stockholder agreed to vote its shares of BioSante capital stock in favor of the Merger, the Merger Agreement and the transactions contemplated by the Merger Agreement and the Charter Amendments, and against certain transactions or certain actions that would delay, prevent or nullify the Merger or the transaction contemplated by the Merger Agreement.

Both the ANI Voting Agreements and the BioSante Voting Agreements will terminate upon the earlier of the consummation of the Merger or the termination of the Merger Agreement. The Director Voting Agreement will terminate upon the earlier of the completion of the first annual meeting of stockholders following the completion of the Merger or the termination of the Merger Agreement.

The foregoing description of the ANI Voting Agreements, the Director Voting Agreement and the BioSante Voting Agreements does not purport to be complete and is qualified in its entirety by reference to the form of ANI Voting Agreement, the form of Director Voting Agreement and the form of BioSante Voting Agreement, which are attached as Exhibits 10.1, 10.2 and 10.3 to this current report on Form 8-K, respectively, and are incorporated herein by reference.

### *Lock-Up Agreements*

Concurrently and in connection with the execution of the Merger Agreement, ANI's chief executive officer and chief financial officer and certain stockholders of ANI, who collectively hold approximately 85 percent of the outstanding shares of ANI capital stock as of the close of business on October 3, 2012, entered into lock-up agreements with BioSante, in substantially the form of Exhibit 10.4 hereto (the "ANI Lock-Up Agreements"), pursuant to which each stockholder will be subject to a six-month lock-up on the sale of shares of BioSante common stock received in the Merger.

### *Contingent Value Rights Agreement*

BioSante has the right in its sole discretion to issue contingent value rights (each, a "CVR" and collectively, the "CVRs") to existing BioSante stockholders immediately prior to the completion of the Merger. BioSante expects that one CVR will be issued for each share of BioSante

## Edgar Filing: BIOSANTE PHARMACEUTICALS INC - Form 425

common stock outstanding as of the record date to be set at a date prior to the completion of the Merger. However, the CVRs will not be certificated and will not be attached to the shares of BioSante common stock. Each CVR will be a non-transferable (subject to certain limited exceptions) right to potentially receive certain

cash payments in the event BioSante receives net cash payments during the ten-year period after the distribution of the rights as a result of the sale, transfer, license or similar transaction relating to BioSante's LibiGel® program, upon the terms and subject to the conditions set forth in a contingent value rights agreement to be entered into between BioSante and an as of yet unidentified third party, as rights agent (the CVR Agreement). The aggregate cash payments to be distributed to the holders of the CVRs, if any, will be equal to 66% of the net cash payments received by BioSante as a result of the sale, transfer, license or similar transaction relating to BioSante's LibiGel® program, as determined pursuant to the CVR Agreement, and will not exceed \$40 million in the aggregate.

The foregoing description of the CVR Agreement does not purport to be complete and is qualified in its entirety by reference to the CVR Agreement, which will be finalized by the parties thereto at a later date.
