## JOINT PROXY STATEMENT

### ARES DYNAMIC CREDIT ALLOCATION FUND, INC. ARES MULTI-STRATEGY CREDIT FUND, INC.

#### ANNUAL MEETINGS OF STOCKHOLDERS

July 14, 2015

#### INTRODUCTION

This Joint Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the "Board", the members of which are referred to as "Directors") of each of Ares Dynamic Credit Allocation Fund, Inc. ("ARDC" or a "Fund") and Ares Multi-Strategy Credit Fund, Inc. ("ARMF" or a "Fund" and, together with ARDC, the "Funds"), each a Maryland corporation, for use at the Annual Meetings of Stockholders (the "Meeting"), to be held at the offices of Ares Capital Management II LLC (the "Investment Manager"), 2000 Avenue of the Stars, 12th Floor, Los Angeles, California 90067, on July 14, 2015 at 11:00 a.m., local time, and at any postponements or adjournments thereof.

Proxy solicitations will be made, beginning on or about May 29, 2015, by mail, in person or by telephone or facsimile or other electronic means, by officers of the Funds or personnel of the Investment Manager. Any stockholder authorizing a proxy has the power to revoke it by executing a superseding proxy by telephone, Internet or mail following the process described on the proxy card or by submitting a notice of revocation to the relevant Fund(s) prior to the date of the Meeting or in person at the Meeting. All properly executed proxies received in time for the Meeting will be voted as specified in the proxy or, if no specification is made, "FOR" the election of the nominees as Directors, as described in this Joint Proxy Statement, and at the discretion of the proxy holders as to the transaction of any other business that may properly come before the Meeting.

A quorum of stockholders is constituted by the presence in person or by proxy of stockholders entitled to cast a majority of the votes entitled to be cast (without regard to class). For purposes of determining the presence of a quorum for transacting business at the Meeting for each Fund, executed proxies returned without marking a vote on Proposal 1 will be treated as shares that are present for quorum purposes for the Fund and will be voted "FOR" the election of the nominees as Directors. Abstentions are included in the determination of the number of shares present at the Meeting for purposes of determining the presence of a quorum for a Fund. **If a stockholder of a Fund is present in person or by proxy at the Meeting but does not cast a vote, the stockholder's shares will count towards a quorum for the Fund.** In the event a quorum is not present at the Meeting, or in the event that a quorum is present at the Meeting but sufficient votes to approve any of the proposed items are not received, the Meeting may be adjourned by the chairman of the Meeting (as determined pursuant to each Fund's Bylaws). If a quorum is present, a stockholder vote may be taken on one or more of the proposals in this Joint Proxy Statement prior to such adjournment if sufficient votes have been received for approval and it is otherwise appropriate. The chairman of the Meeting may adjourn any meeting of stockholders from time to time to a date not more than 120 days after the original record date without notice other than announcement at the meeting. At such adjourned meeting at which a quorum shall be present, any business may be transacted which might have been transacted at the Meeting as originally notified. Each Fund may postpone or cancel a meeting of stockholders by making a public announcement (as defined in each Fund's Bylaws) of such postponement or cancellation prior to the meeting. Notice of the date, time, and place to which the meeting is postponed shall be given not less than ten days prior to such date and otherwise in the manner set forth in each Fund's Bylaws.

The Board of each Fund has fixed the close of business on May 22, 2015 as the record date for the determination of stockholders entitled to notice of and to vote at the Meeting and at any postponement or adjournment thereof.

Stockholders on the record date will be entitled to one vote for each share held, with no shares having cumulative voting rights. As of the record date, ARDC had outstanding 17,166,012 shares of common stock and ARMF had outstanding 5,204,200 shares of common stock.

Management of the Funds knows of no business other than those mentioned in Proposal 1 of the Notice of Meeting, which will be presented for consideration at the Meeting. If any other matter is properly presented, it is the intention of the persons named in the enclosed proxy to vote in accordance with their discretion.

**The Funds will furnish, without charge, a copy of their annual reports for the fiscal year ended October 31, 2014, and a copy of the most recent semiannual report succeeding the annual report, if any, to any**

**stockholder requesting such report. Requests for an annual or semiannual report should be made in writing to D.F. King & Co., Inc., 48 Wall Street, 22nd Floor, New York, New York 10005, or by accessing your Fund's website at [www.arespublicfunds.com](http://www.arespublicfunds.com), or by calling (866) 796-7186 or by sending an e-mail to [ares@dfking.com](mailto:ares@dfking.com).**

### **PROPOSAL 1 ELECTION OF DIRECTORS**

Each Fund's Articles of Amendment and Restatement provide that the Board shall be divided into three classes: Class I, Class II and Class III. The terms of office of the current Directors of each Fund in each class expire at the Annual Meeting of Stockholders in the year indicated and until their respective successors are duly elected and qualify: Class I, 2017; Class II, 2015; and Class III, 2016. At each subsequent annual election, Directors chosen to succeed those whose terms are expiring will be identified as being in the same class and will be elected for a three-year term. The effect of these staggered terms is to limit the ability of other entities or persons to acquire control of the Funds by delaying the replacement of a majority of the Board members.

The terms of Messrs. Seth J. Brufsky and John J. Shaw will expire at the 2015 Annual Meeting of Stockholders of each Fund. At a meeting held on April 2, 2015, each Board nominated Messrs. Brufsky and Shaw for election to serve as Class II Directors of the respective Fund until the Fund's 2018 Annual Meeting of Stockholders and until his successor is duly elected and qualifies. The persons named in the accompanying form of proxy card intend, in the absence of contrary instructions, to vote all proxies "FOR" the election of Messrs. Brufsky and Shaw, each to serve for a term for each Fund expiring on the date on which the Annual Meeting of Stockholders is held in 2018, and until his successor is duly elected and qualifies. Each nominee has indicated that he will serve if elected. If a nominee should be unable to serve, an event not currently anticipated, the proxies will be voted for such person, if any, as is designated

by the Boards to replace the nominee. The election of a Director for a Fund will require the affirmative vote of the holders of a majority of the shares of common stock outstanding and entitled to vote thereon. If you submit a proxy and do not indicate whether your vote should be cast for or against the proposal, your shares will be voted "FOR" the election of the nominees as Directors. The Funds' Directors are not required to attend the Funds' Annual Stockholder Meetings. All the Directors of the Funds attended each Fund's Annual Meeting of Stockholders held on June 18, 2014.

**Information Concerning the Nominees and Members of the Boards of Directors**

The following table provides information concerning the nominees and other members of the Boards of the Funds. Each Board consists of five Directors, three of whom are not "interested persons" of the Funds, as that term is defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (the "1940 Act") (each, an "Independent Director" ). The terms of the Class I and Class III Directors do not expire this year.

During the fiscal year ended October 31, 2014, the Boards of ARDC and ARMF met five and six times, respectively. Each Director then serving in such capacity attended at least 75% of the aggregate number of meetings of the Board of each Fund and of any committee of each Fund of which he is a member.

## **Leadership Structure, Composition and Role of Boards of Directors of the Funds in Risk Oversight**

The 1940 Act requires that at least 40% of the Directors be Independent Directors. Certain exemptive rules promulgated under the 1940 Act require that a majority of the Directors be Independent Directors. Currently, three of the five Directors (60%) of each Fund are Independent Directors. The Independent Directors exercise their informed business judgment to appoint an individual of their choosing to serve as Chairman of the Board, regardless of whether the Director happens to be independent or a member of management.

The Board has determined that their leadership structure, in which the Chairman of the Board is an interested person of the Funds, is appropriate because the Independent Directors believe that an interested Chairman has a personal and professional stake in the quality and continuity of services provided by management to the Funds. The Independent Directors have determined that they can act independently and effectively without having an Independent Director serve as Chairman and that a key factor for assuring that they are in a position to do so is for the directors who are independent of management to constitute a majority of the Board. In addition, the Independent Directors have designated a lead Independent Director who chairs meetings or executive sessions of the Independent Directors, represents the views of the Independent Directors to management and facilitates communication among the Independent Directors and their counsel and between management and the Independent Directors. Michael H. Diamond is the lead Independent Director.

Each Board performs its risk oversight function primarily through (a) its two standing committees, the Audit Committee and the Nominating and Governance Committee, which report to the entire Board and are comprised solely of Independent Directors, and (b) monitoring by the Funds' Chief Compliance Officer in accordance with the Funds' compliance policies and procedures. Each Board retains the responsibility for: (1) conducting periodic reviews of its Fund's investment portfolio and investment performance, (2) approving and amending its Fund's investment guidelines, (3) approving the appointment and retention terms of the Investment Manager and its Fund's other service providers and officers, and (4) providing risk management oversight by reviewing and monitoring the services and activities provided by the Investment Manager and other service providers and officers.

As described below in more detail under "Committees of each Board of Directors," the applicable Audit Committee and the Nominating and Governance Committee assist each Board in fulfilling its risk oversight responsibilities. Each Audit Committee's risk oversight responsibilities include overseeing the applicable Fund's accounting and financial reporting processes, the applicable Fund's systems of internal controls regarding finance and accounting and audits of the Fund's financial statements and discussing with management the applicable Fund's major financial risk exposures and the steps management has taken to monitor and control such exposures, including the Fund's risk assessment and risk management policies. Each Nominating and Governance Committee's risk oversight responsibilities include selecting, researching and nominating directors for election by the applicable Fund's stockholders, developing and recommending to the Board a set of corporate governance principles and overseeing the evaluation of the Board and its committees. The Audit Committees and the Nominating and Governance Committees consist solely of Independent Directors.

Each Board performs its risk oversight responsibilities with the assistance of the Funds' Chief Compliance Officer. The Funds' Chief Compliance Officer periodically makes reports to each Board regarding each Fund's compliance program and prepares a written report annually discussing the adequacy and effectiveness of the compliance policies and procedures of each Fund and certain of the Funds' service providers. The Chief Compliance Officer's report, which is reviewed by the Board, addresses at a minimum: (a) the operation of the compliance policies and procedures of each Fund and certain of the Funds' service providers since the Chief Compliance Officer's last report; (b) any material changes to such policies and procedures since the Chief Compliance Officer's last report; (c) any recommendations for material changes to such policies and procedures as a result of the Chief Compliance Officer's annual review; and (d) any material compliance matter that has occurred since the date of the Chief Compliance Officer's last report about which the Board would reasonably need to know to oversee each Fund's compliance

activities and risks. In addition, the Chief Compliance Officer meets separately in executive session with the Independent Directors at least once each year.

Each Fund believes that the extent of the Board's (and its committees') role in risk oversight complements each Board's leadership structure because it allows the Funds' Independent Directors, through the two fully independent Board committees, a lead Independent Director, executive sessions with the Chief Compliance Officer and auditor and otherwise, to exercise oversight of risk without any conflict that might discourage critical review.

## Committees of each Board of Directors

Each Board has established an Audit Committee and a Nominating and Governance Committee. Neither Fund has a Compensation Committee because closed-end management investment companies, such as the Funds, are exempt from the requirement to have a compensation committee under the applicable New York Stock Exchange ("NYSE") rules.

*Audit Committee.* The members of each Audit Committee are Michael H. Diamond, John J. Shaw and Bruce H. Spector, each of whom is an Independent Director for purposes of the 1940 Act and the NYSE's corporate governance regulations. Mr. Shaw serves as chairman of each Audit Committee and as the Audit Committee Financial Expert for each Fund. Each Audit Committee is responsible for approving its Fund's independent accountants, reviewing with the Fund's independent accountants the plans and results of the audit engagement, approving professional services provided by the Fund's independent accountants, reviewing the independence of the Fund's independent accountants and advising the Board with respect to the valuation of portfolio assets. The Audit Committees of ARDC and ARMF met three and four times, respectively, during the fiscal year ended October 31, 2014. The Audit Committees have a joint charter which is available on the Funds' website at ([www.arespublicfunds.com](http://www.arespublicfunds.com)).

*Nominating and Governance Committee.* The members of each Nominating and Governance Committee are Michael H. Diamond, John J. Shaw and Bruce H. Spector, each of whom is an Independent Director for purposes of the 1940 Act and the NYSE's corporate governance regulations. Mr. Diamond serves as chairman of each Nominating and Governance Committee. Each Nominating and Governance Committee is responsible for selecting, researching and nominating Directors for election by the Fund's stockholders, selecting nominees to fill vacancies on the Board or a committee of the Board, developing and recommending to the Board a set of corporate governance principles and overseeing the evaluation of the Board and its committees. The Nominating and Governance Committees of ARDC and ARMF each met three times during the fiscal year ended October 31, 2014. The Nominating and Governance Committees have a joint charter which is available on the Funds' website at ([www.arespublicfunds.com](http://www.arespublicfunds.com)).

Each Nominating and Governance Committee may consider recommendations for nomination of individuals for election as Directors from stockholders. Nominations made by stockholders must be delivered to or mailed (setting forth the information required by the relevant Fund's Bylaws) and received at the relevant Fund's principal executive offices not earlier than the 150th day nor later than 5:00 p.m., Eastern time, on the 120th day prior to the first anniversary of the date on which the Fund first mailed its proxy materials for the previous year's Annual Meeting of Stockholders; provided, however, that if the date of the annual meeting has changed by more than 30 days from the prior year, the nomination must be received not earlier than the 150th day prior to the date of such annual meeting nor later than 5:00 p.m., Eastern time, on the later of (a) the 120th day prior to the date of such annual meeting or (b) the 10th day following the day on which public announcement of such meeting date is first made.

## Director Qualifications

The Nominating and Governance Committees seek candidates who possess the background, skills and expertise to make a significant contribution to the Board, the Fund and its stockholders. In considering possible candidates for election as a Director, each Nominating and Governance Committee takes into account, in addition to such other factors as it deems relevant, the desirability of selecting Directors who:

- are of high character and integrity;
- are accomplished in their respective fields, with superior credentials and recognition;
- have relevant expertise and experience upon which to be able to offer advice and guidance to management;

- have sufficient time available to devote to the affairs of a Fund;
- are able to work with the other members of the Board and contribute to the success of a Fund;
- can represent the long-term interests of a Fund's stockholders as a whole; and
- are selected such that the Board represents a range of backgrounds and experience.

The Nominating and Governance Committees do not have a formal policy regarding the consideration of diversity in identifying Director candidates. However, the Nominating and Governance Committees may

consider whether a potential nominee's professional experience, education, skills, and other individual qualities and attributes, including gender, race or national origin, would provide beneficial diversity of skills, experience or perspective to the Board's membership and collective attributes. Such considerations will vary based on the Board's existing membership and other factors, such as the strength of a potential nominee's overall qualifications relative to diversity considerations.

The following is a summary of the experience, qualifications, attributes and skills of each Director and Director nominee that support the conclusion that each Director and Director nominee should serve as a Director of each Fund.

The Boards believe that each Director's experience, qualifications, attributes or skills on an individual basis and in combination with those of the other Directors lead to the conclusion that the Boards possess the requisite attributes and skills. The Boards believe that the Directors' ability to review critically, evaluate, question and discuss information provided to them, to interact effectively with the Investment Manager, other service providers, counsel and the auditor, and to exercise effective business judgment in the performance of their duties, support this conclusion. In addition, the following specific experience, qualifications, attributes and/or skills apply to each Director. The Directors have not set a mandatory retirement age.

Each Director, except for Mr. Spector, has served as a board member of the closed-end funds in the Ares Fund Complex for approximately two and a half years. Mr. Spector has served as a board member of the closed-end funds in the Ares Fund Complex for approximately sixteen months. Mr. Sachs has substantial experience as a founding member and Senior Partner of Ares Management, L.P. and advising clients with respect to the credit markets. Mr. Brufsky has substantial experience as a founding member and Senior Partner of Ares Management, L.P. and advising clients with respect to the credit markets. Mr. Diamond has substantial experience practicing law and advising clients with respect to corporate governance and fiduciary matters, and as a legal consultant. Mr. Shaw has substantial experience as a senior executive of an operating company and as a business consultant. Mr. Spector has substantial experience as a senior advisor for a private equity firm, practicing law and advising clients with respect to restructurings, insolvency reorganizations and related bankruptcy matters, and as a business consultant. References to the experience, qualifications, attributes and skills of Directors are pursuant to requirements of the SEC, do not constitute holding out of a Board or any Director as having any special expertise, and shall not impose any greater responsibility or liability on any such person or on the Boards.

### Broker Non-Votes

Brokers holding shares of a Fund in "street name" for the benefit of their customers and clients will request the instructions of such customers and clients on how to vote their shares on Proposal 1 before the Meeting. Under the rules of the NYSE, such brokers may, for certain "routine" matters, grant discretionary authority to the proxies designated by the Boards to vote if no instructions have been received from their customers and clients prior to the date specified in the brokers' request for voting instructions. Proposal 1 is a "routine" matter and, accordingly, beneficial owners who do not provide proxy instructions or who do not return a proxy card may have their shares voted by broker-dealer firms in favor of the election of the nominees as Directors. Consequently, a properly executed proxy card or other authorization by a beneficial owner of shares that does not specify how the beneficial owner's shares should be voted on Proposal 1 may be deemed an instruction to vote such shares in favor of the election of the nominees as Directors.

**Stockholder Approval**

Election of the listed nominees for Director requires the affirmative vote of the holders of a majority of the shares of common stock outstanding and entitled to vote thereon. If you submit a proxy and do not indicate whether your vote should be cast for or against the proposal, your shares will be voted "FOR" the election of the nominees as Directors.

**THE BOARD OF DIRECTORS OF EACH FUND RECOMMENDS THAT THE STOCKHOLDERS VOTE  
"FOR" THE ELECTION OF EACH NOMINEE.**

**Independent Registered Public Accounting Firm**

Ernst & Young LLP ("EY") has been selected to serve as the Funds' independent registered public accounting firm for the fiscal year ending October 31, 2015. The engagement of EY as the Funds' independent registered public accounting firm was approved by the Audit Committees of the Boards of Directors and ratified by the full Boards of Directors of the Funds.

EY served as the Funds' independent registered public accounting firm for the fiscal years ended October 31, 2013 and 2014, auditing and reporting on the annual financial statements of the Funds and reviewing certain regulatory reports and the Funds' federal income tax returns. EY also performed other professional audit and certain allowable non-audit services, including tax services, when the Funds engaged it to do so. Set forth in the table below are the audit fees and non-audit related fees billed to each Fund by EY for professional services for the fiscal years ended October 31, 2013 and 2014.

Audit Committee Pre-approval. The Audit Committees' policy is to pre-approve all auditing and non-auditing services to be provided to the Funds by the Funds' independent registered public accounting firm; provided, however, that the preapproval requirement with respect to the provision of non-auditing services to the Funds by the Funds' independent registered public accounting firm may be waived by the Audit Committees under certain circumstances. For the fiscal years ended October 31, 2013 and 2014, the Funds' Audit Committees did not waive the pre-approval requirement of any non-audit services to be provided to the Funds by EY. All of the audit, audit-related, tax and other services described above for which EY billed the Funds fees for the fiscal year ended October 31, 2013 and 2014 were pre-approved by the Audit Committees.

For the fiscal years ended October 31, 2013 and 2014, aggregate non-audit fees billed by EY for services rendered to ARDC were \$7,500 and \$8,000, respectively. For the fiscal years ended October 31, 2013 and 2014, aggregate non-audit fees billed by EY for services rendered to ARMF were \$7,500 and \$8,000, respectively.

For the fiscal years ended October 31, 2013 and 2014, aggregate non-audit fees billed by EY for services rendered to the investment adviser and any entity controlling, controlled by or under common control with the investment adviser that provides ongoing services to ARDC and ARMF ("Affiliated Service Providers") were \$0 and \$0, respectively for each Fund.

EY notified the Audit Committee of ARDC and ARMF of all non-audit services that were rendered by EY to the Affiliated Service Providers of the Funds that were not pre-approved pursuant to paragraph (c)(7)(ii) of Rule 2-01 of Regulation S-X, allowing the Fund's Audit Committee to consider whether such services were compatible with maintaining EY's independence.

The Funds expect that a representative of EY will be present at the Meeting, and will have an opportunity to make a statement if he or she so chooses and will be available to answer questions.

### Audit Committee Report

The Audit Committees have reviewed and discussed each Fund's audited financial statements for the fiscal year ended October 31, 2014 with management of the Funds and with EY, and have discussed with EY the matters required to be discussed by Statement on Auditing Standards No. 114 (Codification of Statements on Auditing Standards), as may be modified or supplemented. The Audit Committees have received the written disclosures and the letter on auditor independence from EY required by Independence Standards Board No. 1 (Independence Standards Board No. 1, Independence Discussion with Audit Committees), as may be modified or supplemented, and has discussed with EY its independence. Based on the Audit Committees' review and discussions referred to in the two preceding sentences, the Audit Committees recommended to the Boards of Directors that the audited financial statements of each Fund for the fiscal year ended October 31, 2014 be included in its annual report to stockholders and each Fund's annual report filed with the SEC.

Each Fund's Bylaws require stockholders that wish to nominate Directors or make proposals to be voted on at a Fund's Annual Meeting of Stockholders (and which are not proposed to be included in the Fund's proxy materials pursuant to Rule 14a-8 under the 1934 Act) to provide timely notice of the nomination or proposal in writing. Any stockholder who desires to bring a proposal at a Fund's 2016 Annual Meeting of Stockholders without including such proposal in the Fund's proxy statement in accordance with Rule 14a-8 must deliver written notice thereof to the Secretary of the applicable Fund (addressed to Ares Capital Management II LLC, 2000 Avenue of the Stars, 12th Floor, Los Angeles, California 90067). To be considered timely for the 2016 Annual Meeting, any such notice must be delivered to the Secretary of the applicable Fund at the principal executive offices of the Fund at the address set forth on the first page of this Joint Proxy Statement no earlier than December 28, 2015 and no later than 5:00 p.m. Eastern time on January 27, 2016; provided, however, that if the 2016 Annual Meeting is to be held on a date that is earlier than June 14, 2016 or later than August 13, 2016, such notice must be delivered to the Fund not earlier than the 150th day prior to the date of such annual meeting and not later than 5:00 p.m., Eastern time, on the later of the 120th day prior to the date of such annual meeting, as originally convened, or the tenth day following the date on which public announcement of the date of the 2016 Annual Meeting of Stockholders was first made. Any such notice by a stockholder shall set forth the information required by the respective Fund's Bylaws with respect to each nomination or matter the stockholder proposes to bring before the 2016 Annual Meeting of Stockholders.

### **Householding of Proxy Materials**

In a further effort to reduce printing costs, postage fees and the impact on the environment, we have adopted a practice approved by the SEC called "householding." Under this practice, stockholders who have the same address and last name and do not participate in electronic delivery of proxy materials will receive only one copy of our proxy materials, unless any of these stockholders notifies us that he or she wishes to continue receiving individual copies. Stockholders who participate in householding will continue to receive separate proxy cards.

If you share an address with another stockholder and received only one set of proxy materials, but would like to request a separate copy of these materials, please contact D.F. King & Co., Inc. by calling (866) 796-7186, or by sending an e-mail to [ares@dfking.com](mailto:ares@dfking.com) or by writing to D.F. King & Co., Inc., 48 Wall Street, 22nd Floor, New York, New York 10005. Similarly, you may also contact D.F. King & Co., Inc. if you received multiple copies of the proxy materials and would prefer to receive a single copy in the future.

**Voting Results**

Stockholders of the Funds will be informed of the voting results of the Meeting in the Funds' next report to stockholders.
