Effective at 12:01 a.m. (Eastern Time) on July 1, 2018, KKR LP converted from a Delaware limited partnership to a Delaware corporation (the “Conversion”). ITEM 15. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

The Registrant is incorporated under the laws of Delaware.

Section 145 of the Delaware General Corporation Law (the “DGCL”) provides that a corporation may indemnify directors and officers as well as other employees and individuals against expenses (including attorneys’ fees), judgments, fines and amounts paid in settlement in connection with any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, in which such person is made a party by reason of the fact that the person is or was a director, officer, employee or agent of the corporation (other than an action by or in the right of the corporation—a “derivative action”), if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe such person’s conduct was unlawful. A similar standard is applicable in the case of derivative actions, except that indemnification only extends to expenses (including attorneys’ fees) incurred in connection with the defense or settlement of such action, and the statute requires court approval before there can be any indemnification where the person seeking indemnification has been found liable to the corporation. The statute provides that it is not exclusive of other indemnification that may be granted by a corporation’s bylaws, disinterested director vote, stockholder vote, agreement or otherwise.

Under the Registrant’s certificate of incorporation, in most circumstances the Registrant will indemnify the following persons, to the fullest extent permitted by law, from and against all losses, claims, damages, liabilities, joint or several, expenses (including legal fees and expenses), judgments, fines, penalties, interest, settlements or other amounts: (a) KKR Management LLC (“KML”) and any successor or permitted assign that owns the Class B common stock of the Registrant at the applicable time (the “Class B Stockholder”); (b) KML in its capacity as the former general partner of KKR & Co. L.P. (the “Former Managing Partner”); (c) any person who is or was an affiliate of the Class B Stockholder or the Former Managing Partner; (d) any person who is or was a member, partner, Tax Matters Partner (as defined in the U.S. Internal Revenue Code of 1986, as amended (the “Code”) and in effect prior to 2018), Partnership Representative (as defined in the Code), officer, director, employee, agent, fiduciary or trustee of the Registrant or its subsidiaries, any KKR Group Partnership (as defined in the Registrant’s certificate of incorporation), the Class B Stockholder or any Former Managing Partner or any affiliate of the Registrant or its subsidiaries, the Class B Stockholder or the Former Managing Partner; (e) any person who is or was serving at the request of the Registrant or any Former Managing Partner or any affiliate of the Registrant or any Former Managing Partner as an officer, director, employee, member, partner, Tax Matters Partner, Partnership Representative, agent, fiduciary or trustee of another person (provided that a person shall not be an indemnitee by reason of providing, on a fee-for-services basis or similar arms-length compensatory basis, agency, advisory, consulting, trustee, fiduciary or custodial services); or (f) any person designated by the Registrant as an indemnitee. Currently, Section 102(b)(7) of the DGCL requires that liability be imposed for the following:

- any breach of the director’s duty of loyalty to the corporation or its stockholders;

II-1

- any act or omission not in good faith or which involved intentional misconduct or a knowing violation of law;
- unlawful payments of dividends or unlawful stock repurchases or redemptions as provided in Section 174 of the DGCL; and
- any transaction from which the director derived an improper personal benefit.

The Registrant has agreed to provide this indemnification unless there has been a final and non-appealable judgment by a court of competent jurisdiction determining that these persons acted in bad faith or engaged in fraud or willful misconduct. The Registrant has also agreed to provide this indemnification for criminal proceedings. Any indemnification under these provisions will only be out of the Registrant's assets. Unless it otherwise agrees, the Class B Stockholder will not be liable for, or have any obligation to contribute or loan any monies or property to the Registrant to enable the Registrant to effectuate, indemnification. The indemnification of the persons described above shall be secondary to any indemnification such person is entitled from another person or the relevant KKR fund to the extent applicable. The Registrant may purchase insurance against liabilities asserted against and expenses incurred by persons in connection with its activities, regardless of whether the Registrant would have the power to indemnify the person against liabilities under the Registrant's certificate of incorporation.

In addition, the Registrant has entered into indemnification agreements with KML and each of the Registrant's directors. A description of the Registrant's indemnification agreements is set forth in the section entitled "Part II. Item 5. Other Information—Reorganization and Amendments to Material Agreements" in KKR & Co. L.P.'s Quarterly Report on Form 10-Q for the quarterly period ended March 31, 2018 and the section entitled "Certain Relationships and Related Party Transactions, and Director Independence—Indemnification of Directors, Officers and Others" in KKR & Co. L.P.'s Annual Report on Form 10-K for the fiscal year ended December 31, 2017, each of which is incorporated herein by reference, which disclose that the Registrant will generally indemnify KML and the Registrant's directors, to the fullest extent permitted by law, against all losses, claims, damages or similar events. The Registrant has agreed to provide this indemnification unless there has been a final and non-appealable judgment by a court of competent jurisdiction determining that these persons acted in bad faith or engaged in fraud or willful misconduct.

The Registrant currently maintains liability insurance for its directors and officers. Such insurance would be available to the Registrant's directors and officers in accordance with its terms.

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the

changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the “Calculation of Registration Fee” table in the effective registration statement.

II-2

- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that Paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78m or 78o(d)) that are incorporated by reference in the registration statement or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective (2) amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the

- (B) registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date; and

- (5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities:

The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:
