Item 2.02 Results of Operations and Financial Condition.

On October 11, 2005, RITA Medical Systems, Inc., a Delaware corporation (the "Company"), provided a preliminary financial outlook for the third quarter and three month period ended September 30, 2005. A copy of the Company's press release announcing and commenting upon these financial results is attached as Exhibit 99.1 hereto and incorporated by reference herein.

The Company uses, and the press release refers to, a non-GAAP measure of sales for the third quarter of 2004. The Company uses a non-GAAP measure of sales for the third quarter of 2004 that includes the sales results of Horizon Medical Products, Inc. for the period from July 1, 2004 through July 28, 2004. Horizon's sales results for this period are not included in the Company's GAAP sales results for the third quarter of 2004 because its merger with Horizon was not completed until July 29, 2004. The Company uses this non-GAAP measure of sales because management believes it facilitates a more meaningful comparison with sales results for the quarter ended September 30, 2005. Reconciliation of this measure to the most directly comparable GAAP measure is included in the press release.
