Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On October 23, 2006, Patient Safety Technologies, Inc. (the “Company”) received notice from the staff of the American Stock Exchange (“AMEX”) indicating that it intends to strike the Company’s common stock from listing on AMEX by filing a delisting application with the Securities and Exchange Commission. In its letter, AMEX stated that it has determined that the Company has failed to comply with certain continued listing standards in that it does not meet the exchange’s stockholders equity requirements and is financially impaired. In addition, the Company failed to pay certain listing fees, and issued securities without prior approval of the exchange.

The Company intends to appeal AMEX’s determination by requesting a hearing in accordance with appropriate procedures as outlined by the Amex Company Guide, and will request AMEX’s approval to continue trading during the appeal process. If unsuccessful on appeal, the Company intends to continue to trade on another public exchange.

A copy of the press release announcing the receipt of the AMEX notice is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers.

In addition, on October 24, 2006, the Board appointed Milton “Todd” Ault, III as the Company’s Chief Executive Officer and as a member and Chairman of the Board to fill the vacancies created.
