Item 1.01

Entry Into a Material Definitive Agreement

On October 17, 2007, Patient Safety Technologies, Inc. (the “Company”) sold 1,272,000 shares of its common stock (“Common Stock”) at \$1.25 price per share (for a total of \$1,590,000) and issued five-year warrants to purchase 763,200 shares of Common Stock (the “Warrants”) at an exercise price of \$1.40 per share, pursuant to a Securities Purchase Agreement (the “Agreement”) entered into with Francis Capital Management, LLC. The investor paid \$1,500,000 in cash and agreed to extinguish \$90,000 in existing debt owed to it by the Company. Pursuant to the terms of the Agreement, the Company may sell up to an aggregate of \$3,000,000 in common stock and warrants under the Agreement by no later than November 16, 2007.

Francis Capital Management was granted, along with other potential investors in the offering, the right to designate up to two individuals for appointment to the Company’s Board of Directors, subject to approval of the Company’s Board of Directors, which approval shall not be unreasonably withheld. In order to provide for the new Board designees, William B. Horne intends to resign from the Board of Directors.

The Company also entered into a Registration Rights Agreement with the investor in the offering, pursuant to which the Company agreed to provide customary registration rights, including “piggy back” and demand registration rights covering the shares issued under the Agreement and the shares issuable upon exercise of the Warrants.

The financing was completed through a private placement to one or more accredited investors and is exempt from registration under the Securities Act of 1933, as amended (the “Securities Act”), pursuant to Section 4(2) thereof and Rule 506 thereunder. The shares of Common Stock, the Warrants and the shares issuable upon exercise of the Warrants have not been registered under the Securities Act or any state securities laws. Unless so registered, such securities may not be offered or sold absent an exemption from, or in a transaction not subject to, the registration requirement of the Securities Act and any applicable state securities laws.

The press release announcing the transaction is attached hereto is filed as an exhibit hereto.

The foregoing description of the transaction and material agreements is only a summary, does not purport to be complete and is qualified in its entirety by reference to the definitive transaction documents which are filed as exhibits hereto.
