Director Independence

The Board of Directors has determined that Haig S. Bagerdjian, Louise C. Forlenza, Stewart R. Massey, Todd H. Solomon and Anthea C. Stratigos are independent directors. The independent directors comprise a majority of the Board. The only director who is not independent is Jack S. Abuhoff, the Company's Chairman, President and Chief Executive Officer ("CEO"). The Company defines independence as meeting the requirements to be considered as an independent director as set forth in the Nasdaq Marketplace Rule 5605(a)(2). To assist in determining director independence, the Board of Directors also considers any business relationship with any independent director, including any business entity with which any independent director is affiliated, to determine if there is any material relationship that would impair a director's independence. In making its determination, the Board of Directors reviewed information provided by each of the directors and information gathered by the Company.

Board Leadership Structure

Chairman of the Board and Chief Executive Officer Positions

The Board of Directors believes that having a combined Chairman of the Board/Chief Executive Officer, independent directors with strong leadership and management experience, an independent director serving as the lead director and Board of Directors committees being comprised solely of independent directors, provides an effective and efficient leadership structure that is appropriate for the Company at the present time. The Chairman/CEO has primary responsibility for managing the business. Combining the leadership role avoids duplication of efforts while strengthening the Chairman/CEO's ability to provide insight and direction on important strategic initiatives to both management and the independent directors.

Lead Independent Director

The Board of Directors has appointed Todd H. Solomon as the Company's Lead Independent Director. The principal responsibilities of the Lead Independent Director are to:

- Schedule and preside over executive sessions of the independent directors;
- Preside over Board of Directors meetings in the absence of the Chairman;
- Provide input to the Chairman in the preparation of agendas for Board of Directors meetings; and
- Enhance the effective functioning of the independent directors by facilitating communications and collaboration between and among them.

The Board's Role in Risk Oversight

The Board of Directors believes that the goal of risk oversight is to identify and assess risks which may affect the Company's ability to fulfill its business objectives, and to formulate plans to mitigate potential effects. The Board of Directors administers its oversight function directly, through both its Audit and Compensation Committees, and through executive management of the Company, as follows:

- Through Board of Directors discussion on general business strategy and risks that could drive tactical and strategic decisions in the near and long term;
- Through the Audit Committee with respect to financial risks and risks that may affect the financial situation of the Company;
- Through the Compensation Committee with respect to risks associated with executive compensation plans and arrangements;
- Through executive management of the Company with respect to risks which may arise in the ordinary course of business, such as operational, managerial, business, legal, regulatory and reputational risks; and
- Through the CEO, in the CEO's combined role as Chairman, via updates to the Board of Directors during Board of Directors meetings with respect to potential material risks identified by executive management, as is deemed appropriate based on the circumstances.

The Board of Directors believes the various roles of the board committees and executive management in risk oversight described above complement the Board of Directors' leadership structure described above, including the combination of the Chairman of the Board and Chief Executive Officer positions.

Meetings of the Board of Directors

The Board of Directors meets throughout the year on a set schedule. The Board of Directors also holds special meetings and acts by unanimous written consent from time to time as appropriate. The Board of Directors held ten meetings during the year ended December 31, 2009. Each director attended at least (i) 75% of all of the meetings of the Board of Directors held during the period they served as Director; and (ii) 75% of the meetings of all committees on which he or she served, except for Ms. Stratigos. The Company does not have a policy requiring incumbent directors and director nominees to attend the Company's annual meeting of stockholders. Two directors attended last year's annual meeting.

The Board of Directors meets in executive sessions without management, as needed, during or immediately following its regularly scheduled meetings. The Board of Directors also schedules executive sessions during the year for the independent directors only.

Committees of the Board of Directors

Audit Committee

The Company has a separately designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Exchange Act. The Audit Committee operates under a written charter adopted by the Board of Directors. A copy of the charter is available on our website at www.innodata-isogen.com. Serving on the Committee are Ms. Forlenza and Messrs. Bagerdjian and Solomon. The Board of Directors has determined that it has an audit committee financial expert serving on the audit committee: Ms. Forlenza. The functions of the Audit Committee are, among other things, to make recommendations concerning the selection each year of independent auditors of the Company, to assist the Board of Directors in fulfilling its oversight responsibilities relating to the quality and integrity of the Company's financial reports and financial reporting processes and systems of internal controls, to consider whether the Company's principal auditor's provision of non-audit services is compatible with maintaining the principal accountant's independence and to determine through discussions with the independent auditors whether any

instructions or limitations have been placed upon them in connection with the scope of their audit or its implementation. To carry out its responsibilities, the Audit Committee met five times during fiscal 2009. The Company defines independence as meeting the standards to be considered as an independent director as set forth in the Nasdaq Marketplace Rule 5605(a)(2), and the Board of Directors has determined that all the members of the Audit Committee are "independent" as defined in the Nasdaq Marketplace Rule 5605(c)(2)(A).

The Compensation Committee operates under a written charter adopted by the Board of Directors. A copy of the charter is available on our website at www.innodata-isogen.com. The function of the Compensation Committee is to discharge the responsibilities of the Board of Directors regarding executive and director compensation, including determining and approving the compensation packages of the Company's executive officers, including its Chief Executive Officer. The Compensation Committee also reviews and approves stock option grants to non-executive officer employees. The Chief Executive Officer recommends to the Compensation Committee proposed compensation for the executive officers other than the Chief Executive Officer. The Compensation Committee engages the services of an independent compensation consultant on an as-needed basis to provide market data and advice regarding executive compensation and proposed compensation programs and amounts. To carry out its responsibilities, the Compensation Committee met four times during fiscal 2009. The Company defines independence as meeting the standards to be considered as an independent director as set forth in the Nasdaq Marketplace Rule 5605(a)(2), and the Board of Directors has determined that all the members of the Compensation Committee are "independent" as defined in the Nasdaq Marketplace Rule 5605(a)(2).

Compensation Committee Interlocks and Insider Participation. The Compensation Committee is currently comprised of Messrs. Massey and Solomon and Ms. Forlenza. Mr. Solomon was formerly an officer of the Company serving as its President and Chief Executive Officer until September 1997.

Nominating Committee

The Company has a standing Nominating Committee comprised of Messrs. Solomon and Bagerdjian, and Ms. Forlenza. The Company does not have a Nominating Committee charter. The primary responsibilities of the Nominating Committee include assisting the Board of Directors in identifying and evaluating qualified candidates to serve as directors; recommending to the Board of Directors candidates for election or re-election to the Board of Directors or to fill vacancies on the Board of Directors; and assisting in attracting qualified candidates to serve on the Board of Directors. Director nominees are selected by Board of Director resolution. All of the nominees recommended for election to the Board of Directors at the Meetings are directors standing for re-election. Although the Nominating Committee does not have a formal policy with respect to the consideration of diversity, when considering director candidates the Nominating Committee seeks individuals with backgrounds and qualities that, when combined with those of the Company's existing directors, provide a blend of skills and experience that will further enhance the Board of Directors' effectiveness at the time the consideration is made. When considering potential director candidates, the Nominating Committee considers the candidate's character, judgment, diversity, skills, including financial literacy, and experience in the context of the needs of the Company and the Board of Directors. The Nominating Committee has not established any minimum qualifications for director candidates. To carry out its responsibilities, the Nominating Committee met two times during fiscal 2009 and one time in fiscal 2010 to date. The Company defines independence as meeting the standards to be considered as an independent director as set forth in the Nasdaq Marketplace Rule 5605(a)(2), and the Board of Directors has determined that all the members of the Nominating Committee are "independent" as defined in the Nasdaq Marketplace Rule 5605(a)(2). In 2009 the Company did not pay any fees to any third party to assist in identifying or evaluating potential nominees.

The Company's by-laws include a procedure whereby its stockholders can nominate director candidates, as more fully described below under "Stockholder Proposals for the 2011 Annual Meeting." The Board of Directors will consider director candidates recommended by the Company's stockholders in a similar manner as those recommended by members of management or other directors, provided the stockholder submitting such nomination has complied with the procedures set forth in the Company's by-laws. To date, the Company has not received any recommended nominees from any non-management stockholder or group of stockholders that beneficially owns five percent or more of its voting stock.

The primary purpose of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities relating to the quality and integrity of the Company's financial reports and financial reporting processes and systems of internal controls. The Company retains independent auditors who are responsible for conducting independent audits of the Company's financial statements and internal control over financial reporting, in accordance with standards of the Public Company Accounting Oversight Board (United States), and issuing reports thereon.

The Audit Committee has reviewed and discussed the Company's consolidated audited financial statements as of and for the year ended December 31, 2009 with management and the independent auditors. The Audit Committee has discussed with the independent auditors the matters required to be discussed under standards established by the Public Company Accounting Oversight Board (United States), including those matters set forth in Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended, as adopted by the Public Company Accounting Oversight Board in rule 3200T. The Audit Committee has concluded that the independent auditors are independent from the Company and its management.

On the basis of the foregoing reviews and discussions, the Audit Committee recommended to the Board of Directors that the consolidated audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2009, for filing with the Securities and Exchange Commission. EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Overview

This compensation discussion and analysis describes and analyzes the material elements of compensation awarded, earned by, or paid to each of our Executive Officers who served as Named Executive Officers during the last completed fiscal year. This compensation discussion and analysis focuses on the information contained in the following tables and related footnotes and narrative for primarily the last completed fiscal year, but we also describe compensation actions taken before or after the last completed fiscal year to the extent it enhances the understanding of our executive compensation disclosure.

Executive Compensation Objectives and Philosophy

The Compensation Committee of the Board of Directors is responsible for overseeing and administering our executive compensation program and for establishing our executive compensation philosophy. The objectives of our compensation program are to:

- Attract, motivate and retain qualified, talented and dedicated executives
- Motivate executives to achieve business and financial objectives that will enhance stockholder value
- Align the interests of our executives with the long term interests of stockholders through stock-based incentives
- Maintain a strong link between pay and performance by placing a portion of the executive's total pay at risk

The Committee applies these objectives in selecting the specific elements of compensation. The Committee also reviews and considers:

- Company performance, both separately and in relation to similar companies
- The individual executive's performance, experience and scope of responsibilities
- Historical compensation levels and stock option awards at the Company
 - Competitive market and peer company data
 - Internal equity among executive officers
 - The recommendations of management

Executive Officer Compensation Processes

The Committee uses the following processes, procedures and resources to help it perform its responsibilities:

- Executive sessions without management present to discuss various compensation matters, including the compensation of our CEO
 - The services of an independent compensation consultant, who advises the Committee on an as-needed basis
- A periodic review of all executive compensation and benefit programs for reasonableness and cost effectiveness
 - The recommendations of the CEO on compensation for the other executive officers

Competitive Benchmarking / Peer Group Analysis

Although the Company has no policy regarding the retention of independent consultants to conduct competitive benchmarking and/or a peer group analysis, it has, from time to time, engaged such consultants to assist the Committee in the review and determination of various executive compensation matters.

In January 2009 the Committee engaged an independent compensation consultant, Frederic W. Cook & Co., Inc. (the "Consultant") for the primary purpose of reviewing the CEO's then existing employment agreement in advance of its expiration in February 2009. The agreement was reviewed to assess its market competitiveness relative to employment agreements of other CEOs at 19 publicly-traded small cap technology and business services companies. The companies in the peer group were: APAC Customer Services, Inc., Computer Programs and Systems, Inc., Double-Take Software, Inc., Edgewater Technology, Inc., EastLink Services International Corporation, eLoyalty Corporation, ICT Group, Inc., Intelligroup Inc., LionBridge Technologies, Inc., Monotype Imaging Inc., Online Resources Corporation, Perficient, Inc., NaviSite, Inc., Streamline Health Solutions, Inc., StarTek Inc., TechTeam Global, Inc., Transcend Services Inc., United American Healthcare Inc. and Virtusa Corporation. On March 25, 2009 the Company and the CEO executed an employment agreement with an effective date of February 1, 2009 as more fully described below in the Narrative Disclosure to Summary Compensation Table.

Components of the Executive Compensation Program

The primary elements of the Company's Executive Compensation Program are:

- Base salary
- Performance-based cash incentives
- Stock-based incentives
- Benefits and perquisites
- Severance and change-of-control compensation

The Committee does not use a pre-set formula to allocate a percentage of total compensation to each compensation component, and the percentage of total compensation allocated to each compensation component varies among the executive officers. Instead, the Committee relies on the processes and factors described in this discussion and analysis and takes into account the current and historical compensation components, and amount of each component, for each executive officer.

Base Salary

The base salaries of our executive officers are designed to attract and retain a high performing and dedicated leadership team. The Committee reviews the performance evaluations and salary recommendations provided to the Committee by the CEO for each executive officer other than himself. Increases to the CEO's base salary are determined by the Committee without a recommendation by Company management. Adjustments to base salaries are determined based on the individual's responsibility levels, performance, contribution and length of service, after considering competitive market data and the Company's financial performance, as well as any requirements set forth in the executive officer's employment agreement for those executive officers with an employment agreement. No executive officer received a base salary increase in calendar year 2009.

Performance-Based Cash Incentives

Performance-based cash incentives provide the Company with a means of rewarding performance based upon the attainment of individual goals and corporate financial goals. The Committee reviews Company financial performance and individual performance, as well as recommendations provided to the Committee by the CEO for each executive officer other than the CEO. Cash incentives may be paid pursuant to an incentive compensation plan or as cash bonuses. Pursuant to the terms of Mr. Nalavadi's employment agreement with the Company, Mr. Nalavadi received a \$30,000 cash bonus for the year ended 2009. Based on the Company's financial performance in 2009, including the achieved level of revenues, bookings, gross margins and earnings before interest and taxes, in March 2010 the Committee awarded a cash bonus of \$55,444 to Mr. Mishra. At the request of Mr. Abuhoff no cash incentive or bonus was awarded by the Committee to Mr. Abuhoff for calendar year 2009.

Stock-Based Incentives

The Company uses stock option grants as the primary vehicle for employee stock-based incentives. The Company also uses restricted share grants as a form of stock-based incentives. The Committee believes stock-based incentives align the executive officers' interests with those of stockholders in building shareholder value, offer executive officers an incentive for the achievement of superior performance over time, and foster the retention of key management personnel. The number of stock options or restricted shares the Committee awards each executive officer is based on his relative position, responsibilities and performance, including anticipated future performance, potential and responsibilities, and performance over the previous fiscal year, to the extent applicable. The Committee also reviews and considers prior stock-based grants to each executive officer. The size of stock-based grants is not directly related to the Company's performance. The Committee also uses data on stock-based grants granted by companies that are comparable by industry and revenue. In March 2010 Mr. Nalavadi received a restricted share grant of 40,000 shares and a stock option grant of 100,000 shares, which grants were made pursuant to the terms of Mr. Nalavadi's employment agreement with the Company, as well as an additional stock option grant of 50,000 shares.

Benefits and Perquisites

The Company offers retirement, health, life, and disability benefits, as well as medical and dependent care reimbursement plans to all full-time employees. These plans do not discriminate in scope, terms or operation in favor of executive officers. In addition, in calendar year 2009, the Company reimbursed Mr. Abuhoff \$13,658 for the cost of life and disability insurance premiums and related taxes pursuant to his employment agreement, and paid \$5,000 for legal expenses incurred by Mr. Abuhoff in connection with the negotiation of his employment agreement. The Company also provided Mr. Mishra, in connection with his foreign assignment, benefits totaling \$39,251 for an apartment rental, utilities, medical insurance, related fringe benefit taxes, and spousal travel, and provided Mr. Nalavadi, in connection with his relocation to New Jersey, benefits totaling \$4,024 for an apartment rental, lease of a Company car, utilities and travel.

Severance and Change-of-Control

The Company uses severance and change-of-control agreements to attract and retain qualified, talented and dedicated executives and to help it remain competitive in the marketplace.

The Agreement provides for: annual base salary compensation of \$424,350 subject to cost of living adjustments and annual discretionary increases as determined by the Company's Board of Directors; additional cash incentive or bonus compensation for each calendar year determined by the Compensation Committee of the Board of Directors in its discretion and conditioned on the attainment of certain quantitative objectives to be established by the Compensation Committee with a target bonus of not less than 60% of Mr. Abuhoff's base salary for the year; and stock options and/or other equity-based and/or non-equity-based awards and incentives as determined by the Compensation Committee in its sole and absolute discretion. The Agreement also provides for indemnification, insurance and other fringe benefits, and contains confidentiality, non-compete and non-interference provisions.

In the event Mr. Abuhoff is terminated by the Company other than for cause (as defined), death or disability, or Mr. Abuhoff resigns his employment with the Company for good reason (as defined), Mr. Abuhoff is entitled to receive an amount equal to (i) 200% of his (A) base salary and (B) the greater of his most recently declared bonus (as defined) or the average of his three most recently declared bonuses to be paid in substantially equal payments over a period of 24 months; (ii) the continuation of his medical, dental, life, and disability insurance until the earlier of the end of the maximum applicable COBRA coverage period or for the 24 month period immediately following Mr. Abuhoff's termination (and if the COBRA period is shorter than the applicable 24 month period, pay Mr. Abuhoff an amount equal to the monthly cost charged by the Company for COBRA coverage during the period beginning upon the expiration of the maximum COBRA coverage period and the end of the 24 month continuation period); and (iii) the removal of any vesting, transfer, lock-up, performance or other restrictions or requirements on his stock options and other equity-based and non-equity-based awards and incentives. Payments on Termination (other than upon Change-of-Control)

Pursuant to Mr. Abuhoff's employment agreement, if Mr. Abuhoff's employment is terminated by the Company other than for cause, death or disability, or Mr. Abuhoff resigns his employment for good reason (including the Company's breach of its material obligations under the Agreement, the Company, without Mr. Abuhoff's prior consent, relocating Mr. Abuhoff's regular office location by more than 50 miles from its present location, the Company assigning duties to Mr. Abuhoff which represent a material diminution of his authorities, duties or responsibilities, or requiring him to report to any person or entity other than the Board of Directors, and the Company does not revoke or reasonably cure any such action within 30 days of receipt of notice from Mr. Abuhoff and Mr. Abuhoff resigns his employment within 30 days thereafter) Mr. Abuhoff will be entitled to (i) 200% of his (A) base salary and (B) the greater of his most recently declared bonus (as defined) or the average of the his three most recently declared bonuses to be paid in substantially equal payments over a period of 24 months; (ii) the continuation of his and his dependents' medical, dental, life, and disability insurance until the earlier of the end of the maximum applicable COBRA coverage period or for the 24 month period immediately following Mr. Abuhoff's termination (and if the COBRA period is shorter than the applicable 24 month period, pay Mr. Abuhoff an amount equal to the monthly cost charged by the Company for COBRA coverage during the period beginning upon the expiration of the maximum COBRA coverage period and the end of the 24 month continuation period); (iii) payment of up to six weeks' accrued but unused vacation and (iv) the removal of any vesting, transfer, lock-up, performance or other restrictions or requirements on his stock options and other equity-based and non-equity-based awards and incentives. If Mr. Abuhoff's employment is terminated for death, his estate will receive payment of his base salary through the date of termination, a pro-rated bonus based on his performance of his objectives through the date of termination, and payment of up to six weeks' accrued but unused vacation. If Mr. Abuhoff's employment is terminated for disability he will receive payment of his base salary for a 90 day period following the date of termination, a pro-rated bonus based on active duty with the Company and conditioned on attainment of quantitative objectives, and payment of up to six weeks' accrued but unused vacation. If Mr. Abuhoff's employment is terminated for cause, Mr. Abuhoff will receive his base salary through the date of termination, and payment of up to six weeks' accrued but unused vacation. In return for the benefits described above, Mr. Abuhoff is required to sign a separation agreement and general release, and agreed, for a 12 month period following termination of his employment, not to compete or interfere with the Company, and not to employ or retain the services of an employee of the Company.

The Agreement also provides for potential tax gross-up payments in respect of taxes, penalties and/or interest that may be incurred by Mr. Abuhoff under Section 409A of the Code.

In the event Mr. Abuhoff is a "specified employee" as defined in Section 409A of the Code at the time of his termination of employment, the payments referenced above (for both change-of-control and other than upon change-of-control) shall be delayed until the date that is six months and one day following his termination of employment (or, if earlier, the earliest other date as is permitted under Section 409A of the Code). The amount payable on such date shall include all amounts that would have been payable to Mr. Abuhoff prior to that date but for the application of Section 409A and the remaining payments shall be made in substantially equal installments until fully paid. Notwithstanding the foregoing, the six month delay shall not apply to any such payments made (A) during the short term deferral period set forth in Treasury Regulation Section 1.409A-1(b)(4), or (B) after said short term deferral period, payable solely on account of an involuntary separation from service (as defined in Section 409A of the Code) and in an amount less than the Section 409A Severance Exemption Amount. The Agreement also provides for potential tax gross-up payments in respect of taxes, penalties and/or interest that may be incurred by Mr. Abuhoff under Section 409A of the Code.

Pursuant to Mr. Mishra's agreement, if the agreement is terminated without cause or by Mr. Mishra with good reason (including the Company's material breach of its obligations, reduction of base salary below the amount forth in the agreement without Mr. Mishra's consent, and assignment of duties to Mr. Mishra inconsistent with his position, and the Company does not reasonably cure such event after receipt of written notice from Mr. Mishra that he intends to resign his employment), he will be entitled to his base salary for 12 months following the date of his termination or

resignation with good reason, any earned but unpaid incentive compensation, and payment for up to six weeks' accrued but unused vacation. If the agreement is terminated due to Mr. Mishra's death, his estate will receive payment of his base salary through the date of termination, any earned but unpaid incentive compensation, and payment for up to six weeks' accrued but unused vacation. If the agreement is terminated due to Mr. Mishra's disability he will receive payment of his base salary for a 90 day period following the date of termination, any earned but unpaid incentive compensation, and payment for up to six weeks' accrued but unused vacation. If this agreement is terminated for cause, Mr. Mishra will receive his base salary through the date of termination, and payment for up to six weeks' accrued but unused vacation. In return for the benefits described above, Mr. Mishra is required to sign a separation agreement and general release, and agreed not to compete with the Company for a 12 month period following termination of his employment, and not to solicit the customers of the Company or to solicit or employ the services of an employee of the Company for a 24 month period following termination of employment.

Pursuant to Mr. Nalavadi's employment agreement, if Mr. Nalavadi's employment is terminated by the Company other than for cause, death or disability, or Mr. Nalavadi resigns his employment for good reason (including the Company's breach of its material obligations under the Agreement, the Company assigning duties to Mr. Nalavadi which represent a material diminution of his authorities, duties or responsibilities, or requiring him to report to any person or entity other than the CEO, or the Company no longer permitting Mr. Nalavadi to work from El Dorado Hills, CA approximately one week per calendar month, and the Company does not reasonably cure any such action or event within 30 days of the date of notice from Mr. Nalavadi and Mr. Nalavadi resigns his employment within 30 days thereafter) Mr. Nalavadi will be entitled to (i) an amount equal to his (A) Base Salary (as defined) and (B) any amount of Earned Bonus (as defined), to be paid in substantially equal payments over a period of 12 months; and (ii) the continuation of his and his dependents' medical and dental insurance until the earlier of the end of the maximum applicable COBRA coverage period or for the 12 month period immediately following Mr. Nalavadi's termination (and if the COBRA period is shorter than the applicable 12 month period, pay Mr. Nalavadi an amount equal to the monthly cost charged by the Company for COBRA coverage during the period beginning upon the expiration of the maximum COBRA coverage period and the end of the 12 month continuation period); (iii) payment of up to six weeks' accrued but unused vacation and (iv) have 25% of all Company stock options and all other Company equity-based and non-equity based awards and incentives and related compensation rights, or entitlements, but exclusive of any Bonus, to become vested (to the extent that 25% have not yet vested), and to the extent applicable, exercisable, regardless of the otherwise applicable vesting/exercise schedules in connection therewith, and be relieved to such extent of otherwise applicable transfer restrictions, lock-up or performance requirements and other restrictions and/or contingencies of any kind. If Mr. Nalavadi's employment is terminated for death, his estate will receive payment of his base salary, any Earned Bonus (as defined), and reimbursement of all his incurred but unreimbursed reasonable business expenses, in each case through the date of termination, and payment of up to six weeks' accrued but unused vacation. If Mr. Nalavadi's employment is terminated for disability he will receive payment of his base salary for a 90 day period following the date of termination, a pro-rated bonus based on active duty with the Company and conditioned on attainment of quantitative objectives, reimbursement of all his incurred but unreimbursed reasonable business expenses and payment of up to six weeks' accrued but unused vacation. If Mr. Nalavadi's employment is terminated for cause, Mr. Nalavadi will receive his base salary through the date of termination, reimbursement of all his incurred but unreimbursed reasonable business expenses and payment of up to six weeks' accrued but unused vacation. In return for the benefits described above, Mr. Nalavadi is required to sign a separation agreement and general release, and agreed, for a 12 month period following termination of his employment, not to compete or interfere with the Company, and not to employ or retain the services of an employee of the Company.

In the event Mr. Nalavadi is a "specified employee" as defined in Section 409A of the Code at the time of his termination of employment, the payments referenced above (for both change-of-control and other than upon change-of-control) shall be delayed until the date that is six months and one day following his termination of employment (or, if earlier, the earliest other date as is permitted under Section 409A of the Code). The amount payable on such date shall include all amounts that would have been payable to Mr. Nalavadi prior to that date but for the application of Section 409A and the remaining payments shall be made in substantially equal installments until fully paid. Notwithstanding the foregoing, the six month delay shall not apply to any such payments made (A) during the short term deferral period set forth in Treasury Regulation Section 1.409A-1(b)(4), or (B) after said short term deferral period, payable solely on account of an involuntary separation from service (as defined in Section 409A of the Code) and in an amount less than the Section 409A Severance Exemption Amount.

Solicitation will be made by the Company primarily through the mail, but regular employees of the Company may solicit Proxies personally, by telephone, facsimile or electronic communication.
