PROXY STATEMENT FOR THE ANNUAL MEETING OF  
STOCKHOLDERS TO BE HELD JUNE 2, 2011

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of The Buckle, Inc. ("the Company") for use at the Annual Meeting of Stockholders of the Company to be held June 2, 2011, or at any adjournments of said meeting (the "Meeting"). The enclosed form of proxy, if executed, may nevertheless be revoked at any time insofar as it has not been exercised. When such proxy is properly executed and returned, the shares it represents will be voted at the meeting in accordance with any directions given; or if no direction is indicated, it will be voted in favor of the proposals set forth in the notice attached hereto.

The Company will bear the cost of solicitation of proxies, including the charges and expenses of brokerage firms and others for forwarding solicitation materials to beneficial owners of stock. In addition to the use of mail, proxies may be solicited by personal interview, by internet, or by telephone. Copies of the Proxy Statement and proxy form will be first provided to stockholders on April 21, 2011.

VOTING INFORMATION

As of March 25, 2011, the Company had outstanding 47,281,314 shares of Common Stock. Each share of Common Stock is entitled to one vote. Only stockholders of record on March 25, 2011 will be entitled to vote at the Annual Meeting of Stockholders. A holder of Common Stock is entitled to cumulate his or her votes in the election of Directors and may give one or more candidates as many votes as the number of Directors to be elected multiplied by the total number of shares owned by such stockholder. Under Nebraska law there are no conditions precedent to the exercise of cumulative voting rights. On all other matters which may come before the Meeting, each holder of Common Stock will be entitled to one vote for each share owned.

Votes cast by proxy or in person at the Annual Meeting will be tabulated by the election inspector appointed for the meeting and will determine whether or not a quorum is present. The election inspector will treat abstentions as shares that are present and entitled to vote for purposes of determining the presence of a quorum, but as unvoted for purposes of determining the approval of any matter submitted to the stockholders for a vote. If a broker indicates on the proxy that it does not have discretionary authority as to certain shares to vote on a particular matter, those shares will not be considered as present and entitled to vote with respect to that matter.

### Proposal 1

#### ELECTION OF DIRECTORS

Directors will be elected at the June 2, 2011 Annual Meeting to serve until the next Annual Meeting and until their successors are elected and qualified. In accordance with the By-laws of the Company, the size of the Board of Directors has been fixed at nine, and nine Directors are to be elected at the Annual Meeting.

The Board of Directors recommends the election of the nine nominees listed below. In the absence of instructions to the contrary, shares represented by the Proxy will be voted for the election of all such nominees to the Board of Directors. The Board of Directors has no reason to believe that any of these nominees will be unable to serve. However, if any nominee should for any reason be unavailable to serve, the proxies will be voted for the election of such other person to the office of Director as the Board of Directors may recommend in place of such nominee. Set forth below is certain information concerning the nominees, which is based on data furnished by them.

Daniel J. Hirschfeld, age 69. Mr. Hirschfeld is Chairman of the Board of the Company. He has served as Chairman of the Board since April 19, 1991. Prior to that time, Mr. Hirschfeld served as President and Chief Executive Officer. Mr. Hirschfeld has been involved in all aspects of the Company's business, including the development of the

Company's management information systems. The Board believes that Mr. Hirschfeld's knowledge of Company operations based upon his longstanding experience with the Company as its founder allows him to provide strategic guidance and unique insights into the Company's challenges and opportunities.

Dennis H. Nelson, age 61. Mr. Nelson is President and Chief Executive Officer and a Director of the Company. He has served as President and a Director since April 19, 1991. Mr. Nelson was elected as Chief Executive Officer by the Board of Directors on March 17, 1997. Mr. Nelson began his career with the Company in 1970 as a part-time salesman while he was attending Kearney State College (now the University of Nebraska - Kearney). While attending college, he became involved in merchandising and sales supervision for the Company. Upon graduation from college in 1973, Mr. Nelson became a full-time employee of the Company and he has worked in all phases of the Company's operations since that date. Prior to his election as President and Chief Operating Officer on April 19, 1991, Mr. Nelson performed all of the functions normally associated with those positions. The Board believes that Mr. Nelson's experience with the Company for over forty years and his day-to-day leadership of the Company, as Chief Executive Officer, allows him to provide valuable guidance from his intimate knowledge of the Company's operations and the markets in which the Company operates.

Karen B. Rhoads, age 52. Ms. Rhoads is Vice President of Finance, Chief Financial Officer, and a Director of the Company. Ms. Rhoads was elected a Director on April 19, 1991. She worked in the corporate office during college and later worked part-time on the sales floor. Ms. Rhoads practiced as a CPA for 6 1/2 years, during which time she began working on tax and accounting matters for the Company as a client. She has been employed with the Company since November 1987. The Board believes that Ms. Rhoads' experience in public accounting, coupled with her longstanding experience with the Company, allows her to provide the Company with detailed analysis of the Company's financial operations.

James E. Shada, age 55. Mr. Shada has been a Director of the Company since March 11, 2002. Mr. Shada previously served as Vice President of Sales and Executive Vice President of Sales since April 19, 1991. Effective March 27, 2009, Mr. Shada retired from the Company, after stepping down from his executive position on June 30, 2008. Mr. Shada began his career with the Company in November 1978 as a part-time salesman while attending Kearney State College (now the University of Nebraska - Kearney). He later served as store manager for the Company before returning to the corporate office in 1985 as the Company's sales manager. He was also involved in site selection and development and education of personnel as store managers and as area and district managers. The Board believes that Mr. Shada's prior experience with the Company, as Executive Vice President of Sales, allows him to provide special insights on the Company's sales operations.

Robert E. Campbell, age 68. Mr. Campbell has been a Director of the Company since July 1, 1991. Since 1985, Mr. Campbell has served as Chairman and Chief Executive Officer, and currently President and Operating Manager, of Miller & Paine LLC, a company which owns and manages office and retail properties in Lincoln, Nebraska. Since September 1997, Mr. Campbell has also served as a development officer, and is currently Director of Development, for the Madonna Foundation, which supports the Madonna Rehabilitation Hospital in Lincoln, Nebraska. The Board believes that Mr. Campbell's experience with retail department stores allows him to provide a valuable perspective on various aspects of retail store operations.

Bill L. Fairfield, age 64. Mr. Fairfield has served as a Director of the Company since May 30, 1996. Mr. Fairfield currently serves on the Board of Directors of The Dolan Company (NYSE: DM), a leading provider of business information and professional services to legal, financial, and real estate sectors in the US. In 2003 and 2004 Mr. Fairfield was Executive Vice President of Sitel Corporation, and from 1991 until October 2000, Mr. Fairfield was President and Chief Executive Officer of Inacom Corp., a technology management services company. Prior to 1991 Mr. Fairfield was Chief Executive Officer of Valcom, the predecessor company to Inacom Corp. The Board believes that Mr. Fairfield's business experience related to technology and his former role as Chief Executive Officer of infoGROUP allow him to provide insight in technology, auditing, and financial matters.

Bruce L. Hoberman, age 64. Mr. Hoberman has served as a Director of the Company since June 2, 2000. He is currently Chief Executive Officer of Proxibid, Inc., an internet auction service provider. He previously served as a member of the MSI, Inc. Board of Directors. Mr. Hoberman was Founder and President of Homer's, Inc., a music retail chain and distribution company based in Omaha, Nebraska, from 1971 to 1993. The Board believes that Mr. Hoberman's experience with a music retail chain and his current role as Chief Executive Officer of Proxibid, Inc. allows him to provide insight in retail, technology, and financial matters.

John P. (Jack) Peetz, III, age 61. Mr. Peetz has served as a Director of the Company since June 2, 2006. Mr. Peetz is currently Executive Vice President and Chief Operating Officer for Crete Carrier Corporation, one of the largest privately held trucking companies in the United States, located in Lincoln, Nebraska. Prior to joining the Crete organization, Mr. Peetz practiced law in Sidney, Nebraska with the firm of Peetz, Peetz & Sonntag. The Board believes that Mr. Peetz's experience as Executive Vice President and Chief Operating Officer of Crete Carrier Corporation allows him to provide insight with respect to distribution and financial matters.

Michael E. Huss, age 56. Mr. Huss has served as a Director of the Company since May 29, 2009. Mr. Huss is General Counsel for Mutual of Omaha Bank and Deputy General Counsel, Chief Securities Compliance Officer, and Corporate Secretary for the Mutual of Omaha Companies. Mr. Huss has been with Mutual of Omaha since 1993, holding various positions prior to those he currently serves. Prior to joining the Mutual of Omaha Companies, Mr. Huss practiced law as a partner at Kutak Rock law firm in Omaha, Nebraska and was a certified public accountant in San Diego, California. The Board believes that Mr. Huss' experience as General Counsel for Mutual of Omaha Bank, Deputy General Counsel, Chief Securities Compliance Officer, and Corporate Secretary for Mutual of Omaha Companies, coupled with his prior experience as a certified public accountant, allows him to provide insight in accounting, audit, compliance, and financial matters. From his years of experience in accounting and law, he has knowledge and understanding of generally accepted accounting principles and auditing standards, and how they should be applied to financial reporting systems. Mr. Huss serves on the Company's Audit Committee and meets the SEC definition of an audit committee financial expert.

Approval of this Proposal requires a favorable vote of the holders of a majority of the votes cast by all holders of the outstanding shares of Common Stock voting together as a single class at the meeting. Therefore, an abstention will not have the effect of a vote for or against the Proposal and will not be counted in determining the number of votes required for approval, but will be counted in determining the presence of a quorum.

## CORPORATE GOVERNANCE

The Board has developed corporate governance practices to help it fulfill its responsibility to stockholders to oversee the work of management in the conduct of the Company's business and to seek to serve the long-term interests of stockholders. The Company's corporate governance practices are documented in the Corporate Governance Guidelines and in the charters of the three committees of the Board. The Company's Corporate Governance Guidelines and committee charters are periodically reviewed and updated as necessary to reflect changes in regulatory requirements and changes in oversight practices.

### Chairman and Chief Executive Officer

The Company does not have a formal policy regarding the separation of its Chairman and Chief Executive Officer positions. The role of Chairman and that of Chief Executive Officer currently are held separately. Daniel J. Hirschfeld serves as Chairman of the Board of Directors while Dennis H. Nelson serves as President and Chief Executive Officer. The Board of Directors believes that the Company's current leadership structure is appropriate and achieves important objectives for the Company. Mr. Nelson is positioned to fully focus his energies on implementing the Company's business strategy and administering its day-to-day affairs. Mr. Hirschfeld is positioned to draw on his relationships with existing Board members and his experience as a past President and Chief Executive Officer of the Company to effectively discharge the duties of Chairman, while also serving as a resource to Mr. Nelson. Further, Mr. Hirschfeld remains the Company's largest stockholder and, as Chairman, is in a position to promote the interests of all stockholders.

### Risk Oversight

The Company's Board of Directors oversees risk management with a focus on the Company's primary areas of risk: risk related to the Company's business strategy, financial risk, legal/compliance risk, and operational risk. The President and Chief Executive Officer and each of the Company's other executive officers are responsible for managing risk in their respective areas of authority and expertise, identifying key risks to the Board of Directors, and explaining to the Board how those risks are being addressed.

The Board of Directors receives reports from Company executives with respect to their areas of managerial responsibility. These reports include information concerning risks and risk mitigation strategies. For example, the Board of Directors receives quarterly reports from certain members of management regarding areas of operational risk. In addition, the Board evaluates risk related to business strategies and transactions. For example, the Board monitors significant capital expenditures through its review of the annual budget and quarterly capital expenditure reports from management.

The standing committees of the Board also have responsibility for risk oversight. The Audit Committee focuses on financial risk, including fraud risk and risks relating to internal controls over financial reporting. It receives an annual risk assessment report from the Company’s internal auditors, as well as financial risk assessment information in connection with particular events or transactions. In addition, the Audit Committee regularly receives reports regarding information reported through the Company’s “whistleblower hotline.” The Corporate Governance and Nominating Committee assists the Board of Directors in fulfilling its oversight responsibility with respect to regulatory compliance and receives regular reports from the Company’s General Counsel. As discussed below, the Compensation Committee addresses risks relating to the Company’s executive compensation strategies. The full Board of Directors receives regular reports from the chairs of the committees and receives reports and other meeting materials provided to each of the committees.

### Compensation Risk Assessment

In setting executive compensation, the Compensation Committee considers the risks to the Company’s stockholders and to achievement of Company goals that may be inherent in the compensation program. Although a significant portion of compensation for the Company’s executives is performance-based and “at-risk,” the Compensation Committee believes the Company’s executive compensation plans are appropriately structured and do not pose a material risk to the Company. Specifically, performance-based compensation for management is tied to growth in Same Store Sales, Gross Margin, and Pre-Bonus Net Income. The Compensation Committee has determined that growth in Same Store Sales, Gross Margin, and Pre-Bonus Net Income will likely translate to an increase in the share price of the Company’s common stock, thereby aligning management’s focus with that of the Company’s stockholders without creating incentives that are reasonably likely to have a material adverse effect on the Company. Incentive compensation for non-management employees, such as store managers and regional managers, is similarly tied to measures that align the employees’ focus with that of the Company’s stockholders.

### Board Committee Charters

The Board has four standing committees, the Executive Committee, the Audit Committee, the Compensation Committee, and the Corporate Governance and Nominating Committee. Except for the Executive Committee, whose members are all executive officers of the Company, all committee members meet the independence requirements of the United States Securities and Exchange Commission (“SEC”) and the New York Stock Exchange (“NYSE”). The charters of these committees are available on the Company’s website at [www.buckle.com](http://www.buckle.com) and upon written request to: Corporate Secretary, The Buckle, Inc., P.O. Box 1480, Kearney, Nebraska 68848. Current committee members are as listed:

Bill L. Fairfield	Chairman	X	X
Bruce L. Hoberman	X	X	Chairman

### Corporate Governance Guidelines

The Board of Directors has adopted Corporate Governance Guidelines to assist the Board in the exercise of its responsibilities. These Guidelines are available free of charge on the Company's website at [www.buckle.com](http://www.buckle.com) or upon written request to: Corporate Secretary, The Buckle, Inc., P.O. Box 1480, Kearney, NE 68848.

Code of Ethics

The Company has a Code of Ethics that applies to all employees, including the Chief Executive Officer and the Chief Financial Officer, as well as all members of the Board of Directors. The Code of Ethics is available free of charge on the Company's website at [www.buckle.com](http://www.buckle.com) or upon written request to: Corporate Secretary, The Buckle, Inc., P.O. Box 1480, Kearney, NE 68848.

The Company intends to satisfy its disclosure obligations under applicable rules of the SEC regarding an amendment to or waiver from a provision of the Company's Code of Ethics that applies to the Company's Chief Executive Officer or its Chief Financial Officer by posting such information on its internet website.

## Independence

The Company's Corporate Governance Guidelines require that a majority of the Board consist of Directors who qualify as independent under NYSE Listing Standards. The Board has determined that all non-employee Directors of the Company, except for James E. Shada, comprising five of the nine members of the Board of Directors during fiscal 2010, are independent under NYSE Standards. In addition, all committee members, other than the Executive Committee members, meet the applicable independence requirements of the NYSE Standards. The names of the independent directors are: Robert E. Campbell, Bill L. Fairfield, Bruce L. Hoberman, John P. (Jack) Peetz, III, and Michael E. Huss.

## Executive Sessions of Non-Management Directors

The Company's independent Directors meet separately in executive session without employee Directors or representatives of management at each regularly scheduled quarterly meeting of the Board. The Chair of these executive sessions is rotated among the non-employee Directors alphabetically.

## Stockholder Communication with the Board of Directors

Stockholders or other interested parties may contact an individual Director, the Board as a group, or the non-employee Directors as a group, by writing to: Board of Directors or Directors, c/o Corporate Secretary, The Buckle, Inc., P.O. Box 1480, Kearney, NE 68848. The communication should specify the applicable addressee(s) to be contacted as well as the address and telephone number of the person submitting the communication. The Board has instructed the Corporate Secretary to review all communications to the Board and to only distribute if appropriate to the duties and responsibilities of the Board. The Board has instructed the Corporate Secretary to not forward communications that she determines to be primarily commercial in nature, that relate to an improper or irrelevant topic, or that request general information about the Company. Communications regarding accounting, internal accounting controls, or auditing matters may also be reported to the Company's Board of Directors using the above address or through The Buckle Ethics Hotline. Information about how to contact The Buckle Ethics Hotline is available on the Company's website at [www.buckle.com](http://www.buckle.com) and in the Company's Code of Ethics.

## Company Website

Information on the Company's website is not incorporated by reference into this Proxy Statement.

## Meetings and Committees of the Board

During fiscal 2010, seven meetings of the Board of Directors, nine meetings of the Executive Committee, six meetings of the Compensation Committee, three meetings of the Corporate Governance and Nominating Committee, and seven meetings of the Audit Committee were held. No Director was absent from more than twenty-five percent of the aggregate of (1) the total number of meetings of the Board of Directors and (2) the total number of meetings held by all committees on which he or she served. The Company has the following standing committees:

**Executive Committee.** The Executive Committee has the power and authority of the Board of Directors to manage the affairs of the Company between meetings of the Board of Directors. The Executive Committee establishes compensation for all non-officer employees of the Company. The Committee also regularly reviews significant corporate matters and recommends action as appropriate to the Board. Members of the Executive Committee presently are Daniel J. Hirschfeld, Dennis H. Nelson, and Karen B. Rhoads.

**Audit Committee.** The Audit Committee meets with the Company's Chief Financial Officer and independent accountants to review the scope of auditing procedures and the policies relating to internal controls and to review the Company's public financial statements. The Board of Directors has determined that the Company has at least one audit committee member that meets the requirements of a financial expert. For fiscal 2010, Michael E. Huss, who served on the audit committee and fulfilled the audit committee financial expert role, was independent with respect to the Company and its management.

**Compensation Committee.** The Compensation Committee is responsible for establishing the Company's philosophy, policies, and strategies relating to executive compensation and for evaluating the performance of the Company's Chief Executive Officer. The Compensation Committee also administers the Company's 1997 Executive Stock Option Plan, the 1999 Employee Stock Option Plan, the 2005 Restricted Stock Plan, and the Company's incentive plans for management, including the 2011 Management Incentive Plan.

Corporate Governance and Nominating Committee. The Corporate Governance and Nominating Committee is responsible for researching and recruiting qualified new members for the Company's Board of Directors. In considering whether to recommend any candidate for inclusion in the slate of recommended Director nominees, the Corporate Governance and Nominating Committee applies the criteria set forth in the Company's Corporate Governance Guidelines. These criteria include the candidate's independence, integrity, experience, sound judgment in areas relevant to the Company's business, and willingness to commit sufficient time to the Board of Directors, all in the context of an assessment of the perceived needs of the Board of Directors at that point in time. The Corporate Governance and Nominating Committee seeks nominees with a broad diversity of experience, professions, skills, and backgrounds. The Committee does not assign specific weights to particular criteria and no particular criterion is necessarily applicable to all prospective nominees. The Company believes that the backgrounds and qualifications of the Directors, considered as a group, should provide a significant breadth of experience, knowledge, and abilities that will allow the Board of Directors to fulfill its responsibilities. The Committee is also responsible for reviewing the Company's Corporate Governance Guidelines and recommending to the Board any modifications the Committee deems appropriate. The Committee is charged with overseeing the evaluation and reporting to the Board on the performance and effectiveness of the Board and its committees. The Corporate Governance and Nominating Committee will consider nominees for Directors recommended by stockholders of the Company and will evaluate such nominees using the same criteria used to evaluate Director candidates otherwise identified by the Committee. Stockholders wishing to make such recommendations should write to: Corporate Governance and Nominating Committee, c/o Corporate Secretary, The Buckle, Inc., P. O. Box 1480, Kearney, NE 68848. Persons making submissions should include the full name and address of the recommended nominee, a description of the proposed nominee's qualifications, and other relevant biographical information.

#### Attendance at Annual Meeting

The Company requires all Directors to use all reasonable efforts to attend the Annual Meeting of Stockholders. The Board of Directors holds one of its regularly scheduled quarterly meetings immediately following adjournment of the Annual Stockholder Meeting. Each Director of the Company attended the Annual Meeting held in June 2010.

#### Chief Executive Officer Certification

The Listing Standards of the NYSE require that the Company's Chief Executive Officer certify to the NYSE each year that he or she is not aware of any violation by the Company of the NYSE Corporate Governance Listing Standards, qualifying the certification to the extent necessary. The Company's Chief Executive Officer, Dennis H. Nelson, filed such a certification with the NYSE for fiscal 2010.

#### Director Compensation

For their services as Directors in fiscal 2010, the members of the Board of Directors who are not employees of the Company were paid \$12,000 annually, \$3,000 for each quarterly Board meeting they attended, \$500 for each telephonic meeting less than 30 minutes, and \$1,000 for each telephonic meeting lasting 30 minutes or longer, held for the Board or any committee thereof. The Chairman of each committee of the Board received additional cash payment for service as Chairman as follows: the Audit Committee Chairman received \$2,500 per quarter, the Compensation Committee Chairman received \$1,500 per quarter, and the Chairman of the Corporate Governance and Nominating Committee received \$500 per quarter.

Effective February 1, 2009, the Company replaced the Director Stock Option Plan with the 2008 Director Restricted Stock Plan, approved by stockholders on May 28, 2008. Under the 2008 Director Restricted Stock Plan, 2,250 shares of non-vested stock are granted annually to each non-employee Director (a Director of the Company who is not an officer or employee of the Company) on the first day of each fiscal year, with the first grants being made on February

1, 2009. The Plan also provides that each non-employee Director be granted 750 shares of non-vested stock on the date such Director is first elected to the Board of Directors of the Company. The shares granted are vested 25 percent immediately, with an additional 25 percent vesting on each of the first three successive anniversaries of the date of the issuance. There are no family relationships among any of the Directors or Officers of the Company, except that Thomas B. Heacock, elected as Treasurer on March 21, 2011, is the son-in-law of Dennis H. Nelson, President, Chief Executive Officer, and Director.

The following table summarizes the compensation paid to the Company's non-employee Directors for the fiscal year ended January 29, 2011:

#### Section 16(a) Beneficial Ownership Reporting Compliance

Based solely on its review of the Section 16 Reports furnished to the Company by its Reporting Persons and, where applicable, any written representations by any of them that no Form 5 was required, all Section 16(a) filing requirements applicable to the Company's Reporting Persons during and with respect to fiscal 2010 have been complied with on a timely basis, except for one late Form 5 file by each James E. Shada and Patricia K. Whisler.

### EXECUTIVE COMPENSATION

#### Compensation Discussion and Analysis

The Company is engaged in a highly competitive industry, with fashion, selection, quality, price, location, store environment, and service being the principal competitive factors. In order to compete and succeed, the Company believes that it must be able to attract, motivate, and retain highly qualified executives. The Company emphasizes the promotion of store managers and other management personnel from within. The Company's compensation philosophy is that each member in a position to make the Company grow should be rewarded for growth and, as such, the compensation plan is intended to provide a relationship between the compensation earned by executive officers and the creation of value for stockholders. The Company has a team philosophy, reflected by the facts that (i) employees have always been referred to as "teammates"; and (ii) performance goals upon which performance bonuses for executive officers are based are strategic goals for Company performance, not individual goals.

#### Elements of Executive Compensation

For fiscal 2010, the compensation program for all executive officers, including Mr. Dennis H. Nelson, who served as President and Chief Executive Officer, and Karen B. Rhoads, who served as Vice President of Finance, Treasurer, and Chief Financial Officer, consisted of:

competitive base salary;  
incentive cash bonus, based upon the actual performance of the Company;  
benefits including a health and welfare plan, 401(k) plan, and supplemental non-qualified deferred compensation plan (to provide officers with a benefit comparable to that being currently provided to other employees under the 401(k) plan); and  
shares of Restricted Stock (hereafter referred to as “Non-Vested Stock” in accordance with terminology used in Generally Accepted Accounting Principles (“GAAP”)).

The first three elements listed above are short-term in nature and designed to attract, motivate, and retain a talented executive team. Non-Vested Stock provides a long-term incentive designed to reward executives for the achievement of sustainable growth in stockholder value. Non-Vested Stock was granted in accordance with the 2010 Management Incentive Plan, which was previously approved by stockholders.

#### Salary

Fiscal 2010 salaries for executive officers were set in January 2010 and were increased over salaries paid for fiscal 2009. The salary amounts are reported in the Summary Compensation Table on page 14. When establishing base salaries, the Compensation Committee considered factors such as the seniority of the individual, the functional role of the position, the level of the individual's responsibility, the ability to replace the individual, the base salary of the individual in prior years with the Company, and the number and availability of well qualified candidates to assume the individual's role. Base salary ranges are reviewed and re-established by the Compensation Committee annually.

#### Incentive Cash Bonus

The 2010 Management Incentive Plan, which was approved by stockholders at the Annual Meeting in 2010, in addition to creating a Bonus Pool as a cash incentive for executive officers, granted the Compensation Committee discretion to grant year-end cash incentives for extraordinary events as may be determined by the Compensation Committee. No discretionary awards were made pursuant to that authority.

The Bonus Pool for fiscal 2010 included 8.0% of the increase in Same Store Sales (as defined in the Plan), 5.0% of the increase in Gross Margin (as defined in the Plan), and 15.0% of the increase in Pre-Bonus Net Income (as defined in the Plan). The base year amounts under the Plan are the immediately preceding fiscal year for Same Store Sales and the prior three-year rolling average for Gross Margin and Pre-Bonus Net Income. For fiscal 2010, the Company achieved the incentive goal in each of the following three criteria: Same Store Sales, Gross Margin, and Pre-Bonus Net Income. The Bonus Pool, computed in accordance with the 2010 Management Incentive Plan, was \$5,751,024, which was allocated among the executive officers as disclosed in the Summary Compensation Table on page 14.

Management of the Company has identified both Same Store Sales and Gross Margin as key indicators of Company performance, and the Compensation Committee has determined that growth in both Same Store Sales and Gross Margin, as well as growth in Pre-Bonus Net Income (as defined) will likely translate to an increase in the share price of the Company's stock, thereby aligning management's focus with that of the Company's stockholders.

#### Non-Vested Stock

Non-Vested Stock is currently the only long-term compensation component of the Company's executive compensation program. Beginning in 2005, for a variety of market and competitive reasons, the Compensation Committee started limiting the use of stock options as long-term incentive compensation and instead began making grants of Non-Vested Stock. The Compensation Committee believes that the use of Non-Vested Stock brings a greater degree of predictability and stability to the long-term incentive component of the management compensation program and more closely aligns the interests of management with those of stockholders.

The Compensation Committee determines the number of shares of Non-Vested Stock to be granted to the President. The Compensation Committee also determines the number of shares of Non-Vested Stock to be granted to the other executive officers after consultation with the President. The objective is to align compensation with long-term stockholder return and create a compensation program that motivates management to focus both on immediate results and economic rewards and on creating sustainable, long-term enterprise value for the Company's stockholders. In addition, in determining the number of shares for Non-Vested Stock grants, the Compensation

Committee considers (among other facts such as market and competitive data) dilution and potential dilution. The Compensation Committee considers the percentage of the total outstanding shares of the Company, determined on a fully diluted basis, represented by shares of Non-Vested Stock and the remaining outstanding stock options held both by executive officers and by all employees of the Company as a whole. A subcomponent of that dilution is represented by shares of Non-Vested Stock held by executive management.

Each grant of Non-Vested Stock vests only upon achievement of performance goals and then in increments over a four-year period commencing on the date the Compensation Committee certifies that the performance goals were achieved. The Compensation Committee believes that a four-year vesting period motivates management to adopt a longer term perspective on Company performance while simultaneously developing a strong retention incentive for executive officers.

The Committee believes the performance goals further align management's compensation with long-term stockholder returns. The Company is seeking stockholder approval of performance goals for performance-based grants under the 2005 Restricted Stock Plan. The Company intends that performance-based Non-Vested Stock grants for executive officers comply with the requirements for qualifying performance-based compensation under Section 162(m) of the Internal Revenue Code. For additional information, see Proposal 4, Proposal to Approve Performance-Based Awards Granted Pursuant to the Company's 2005 Restricted Stock Plan.

Shares of Non-Vested Stock were granted pursuant to the 2005 Restricted Stock Plan as of February 9, 2010 and vest according to the terms of the 2010 Management Incentive Plan. Those terms include a performance feature whereby one-half of the shares vest over four years if a 2.5% increase in Pre-Bonus Net Income is achieved and the other one-half vest over four years if a 6% increase in Pre-Bonus Net Income is achieved. Shares granted for fiscal 2010 are disclosed in the Grants of Plan-Based Awards chart shown on page 15.

The Company achieved only the first of the two performance goals set for fiscal 2010, thus 50% of the shares granted to executive officers and others on February 9, 2010 were forfeited as of March 21, 2011. The remaining 50% of the shares, related to the achievement of the first performance goal, vested 20% immediately upon certification by the Compensation Committee that the goal had been met, with the remaining shares to vest 20% on January 28, 2012 and 30% on each February 2, 2013 and February 1, 2014.

The Compensation Committee has considered the application of the Internal Revenue Code which disallows a public company's deduction for top executive's compensation in the excess of \$1,000,000. The Committee intends that all of the compensation payable to its executive officers be deductible for income tax purposes.

#### Option Grants in Last Fiscal Year

There were no stock options granted in fiscal 2010 to any executive officer, employee, or director.

#### Employment Agreements

The Company has no employment agreements under which any employee, including the executive officers, is entitled to employment for any specific period of time. Each fiscal year the named executive officers sign an acknowledgment which contains the anticipated compensation arrangement for the employee for the current fiscal year, acknowledges that the employee is an employee at will, and that the terms of the employment arrangement can be changed by the Company or terminated by either the Company or the officer at any time. Each executive officer listed in the summary compensation table receives a salary plus a cash incentive, based on growth in key performance categories, and Non-Vested Stock, as provided for in the 2010 Management Incentive Plan. For fiscal 2010 the acknowledgments provided base salary for each of these executive officers as follows: Dennis H. Nelson \$925,000, Karen B. Rhoads \$290,000, Patricia K. Whisler \$335,000, Brett P. Milkie \$325,000, and Kari G. Smith \$325,000. For fiscal 2009 and 2008, the bonus amounts were paid according to the 2009 Management Incentive Plan and the 2008 Management Incentive Plan, respectively. (See "Report of the Compensation Committee.")

Bonuses are payable before April 15 of the year following the year to which they related and are contingent upon the employee being employed by the Company on the last day of the fiscal year for which the bonus was earned. For purposes of computing bonuses for all executive officers identified in the summary compensation table "Profits" mean Pre-Bonus, Pre-Tax Net Income, excluding income on cash and investments and after deducting bonus draws.

#### Related Party Transactions

The total amount owed to the Company by the Hirschfeld Family Trust is \$1,065,000 (\$600,000 principal plus \$465,000 of accrued interest). The loans are repayable with interest at the rate of 5% per annum and are represented by promissory notes dated July 27, 1994, July 14, 1995, and July 16, 1996, and are secured pursuant to, and in accordance with, the terms of a collateral assignment dated July 27, 1994, pursuant to which Jeffrey L. Orr, as Trustee, has assigned and conveyed to the Company, as security for the loan, all of the Trust's right, title, and interest in a certain life insurance policy owned by the Trust and insuring the life of Daniel J. Hirschfeld. The 1996 loan completed the planned periodic premium payments due on the insurance policy, requiring no additional loans.

Dennis H. Nelson, President, Chief Executive Officer, and Director, is related to the following employees of the Company: son-in-law, Thomas B. Heacock, Treasurer and Corporate Controller; daughter, Christina N. Heacock, Director of Recruiting and Sales Support; and daughter, Carissa N. Crocker, Men's Buyer. Karen B. Rhoads, Vice President of Finance, Chief Financial Officer, and Director, is related to the following employee: sister, Diane L. Applegate, Director of Merchandising Operations. For fiscal 2010, these four individuals received aggregate cash compensation from the Company in the amount of \$666,615.

## Other Compensation

The Compensation Committee does not believe that perquisites and other compensation and benefits should play a major role in the overall executive compensation program. The Company's executive officers are offered the opportunity to defer a portion of their annual base salary and annual performance bonus through a 401(k) plan that is generally available Company-wide and through a more restricted (i.e., participation is limited to the Company's President and other executive officers) non-qualified deferred compensation program, both of which include Company matching contributions. The Compensation Committee views these deferral programs more as an individual retirement planning option for the employees and not as a long-term compensation program. The amount of Company matching contributions for each named executive officer is reported in a footnote to the Summary Compensation Table.

The Company provided limited personal use of the Company's airplane to the President and Chief Executive Officer. The amount of this benefit is reported as a footnote to the Summary Compensation Table.

## Potential Payments Upon Change in Control

The "Restricted Stock Agreement" pursuant to which Non-Vested Stock is issued pursuant to the Company's 2005 Restricted Stock Plan contains provisions providing for the immediate vesting of all non-vested shares, for which performance goals have been achieved and certified, upon the occurrence of a Change in Control or in the event employment with the Company is terminated by Company for other than Good Cause or if the employee terminates his or her employment for Good Reason.

Generally a Change in Control is deemed to occur upon:

Any acquisition (other than by an employee benefit plan sponsored or maintained by the Company, or by Dan Hirschfeld, or any member of his family) of 25% or more of the then outstanding voting securities of the Company, or 25% of more of the total value of all equity securities, if, at the time of such acquisition, Dan Hirschfeld, members of his family and his affiliates own less than 50% of the outstanding voting securities of the Company or less than 50% of the total value of all equity securities of the Company;

If individuals who as of the effective date of each Plan constitute the Board of Directors of the Company, and subsequently elected members of the Board whose election is approved or recommended by at least a majority of the current members or their successors, cease for any reason to constitute at least a majority of the Board of Directors.

Approval by the stockholders of the Company of a merger, reorganization, or consolidation with respect to which the individuals and entities who were the respective beneficial owners of the Common Stock of the Company immediately before the merger, reorganization, or consolidation, do not, after such merger, reorganization, or consolidation, beneficially own, directly or indirectly, more than 60% of respectively, the then outstanding Common Shares and the combined voting power other than outstanding voting securities entitled to vote generally in the election of directors of the Corporation resulting from such merger, reorganization, or consolidation, or approval by the stockholders of a liquidation or dissolution of the Company, or the sale or other disposition of all or substantially all of the assets of the Company.

Generally, pursuant to the restricted stock agreements, "Good Cause" includes:

dishonesty, intentional breach of fiduciary obligation, or intentional wrongdoing or malfeasance;  
conviction of a criminal violation involving fraud or dishonesty; or  
material breach of the terms of any agreement between the employee and the Company.

Generally, pursuant to these agreements, "Good Reason" is deemed to exist when there is a:

significant reduction in the scope of the employee's authority;  
reduction in the participant's rate of base pay;

the Company changes the principal location in which employee is required to perform services; or  
the Company terminates or amends any incentive plan or retirement plan that, when considered in the aggregate with any substitute plan or plans, the incentive plans and retirement plans fail to provide employee with the level of benefits equivalent to at least 90% of the value of the level of benefits provided in the aggregate by the plans existing at the date of the Change in Control.

If a Change in Control were to take place as of January 29, 2011, or if the executives were to be terminated without Good Cause or resigned for Good Reason at such date, the estimated benefits that would be provided are as follows:

Name	Maximum Value of Accelerated Vesting of Stock Options	Maximum Value of Accelerated Vesting of Non-Vested Shares	Total
Dennis H. Nelson	0	\$4,324,185	\$4,324,185
Karen B. Rhoads	0	\$ 719,345	\$ 719,345
Patricia K. Whisler	0	\$ 719,345	\$ 719,345
Brett P. Milkie	0	\$ 719,345	\$ 719,345
Kari G. Smith	0	\$ 719,345	\$ 719,345

Proposal 3

PROPOSAL TO APPROVE THE COMPANY'S 2011 MANAGEMENT INCENTIVE PLAN

The Board of Directors believes that the continued success of the Company depends on its ability to attract, retain, and motivate key employees. Accordingly, the Compensation Committee of the Board of Directors has reviewed the Company's executive incentive compensation program and recommends that the Company's stockholders approve the 2011 Management Incentive Plan (the "2011 Incentive Plan"). In order for payment of certain incentive awards to be deductible under the current Internal Revenue Code (the "Code"), such awards must be paid under a plan like the 2011 Incentive Plan, which has been approved by the stockholders. The 2011 Incentive Plan is set forth in Exhibit "A" to this Proxy Statement.

The following discussion is qualified in its entirety by reference to the text of the 2011 Incentive Plan.

Background

The 2011 Incentive Plan is modeled after the 2010 Management Incentive Plan approved by the stockholders of the Company at the Annual Meeting held in 2010 (the "2010 Incentive Plan"). The 2010 Incentive Plan was designed to motivate the Company's key employees to improve stockholder value by linking a portion of their compensation to the Company's financial performance. The 2010 Incentive Plan was a one-year plan. The 2011 Incentive Plan is also a one-year plan.

The goals of the Compensation Committee with regard to cash compensation have been and continue to be:

- to establish base salaries at a competitive level;
- to establish a cash bonus program that rewards exceptional performance;
- to eliminate cash bonuses based upon participation in the first dollar of profits; and
- to eliminate an automatic and mathematical bonus in the event that the Company's performance does not at least equal performance for the immediately preceding fiscal year.

Description of the Incentive Plan

The 2011 Incentive Plan is administered by the Compensation Committee of the Board of Directors. The Compensation Committee must be comprised solely of Directors who are "Directors" as defined in Section 162(m) of the Code. The 2011 Incentive Plan encompasses two types of incentives:

- an annual Cash Award; and
- an annual grant of Non-Vested Stock pursuant to the 2005 Restricted Stock Plan.

The Committee's powers include authority, within the limitations set forth in the 2011 Incentive Plan, to:

- select the persons to be granted Cash Awards and Shares of Non-Vested Stock;
- determine the time when Cash Awards and Non-Vested Stock will be granted;
- determine whether objectives and conditions for earning Cash Awards and Non-Vested Stock have been met;
- determine whether payment of Cash Awards and Non-Vested Stock will be made at the end of an award period or deferred; and
- approve discretionary year-end cash incentives for extraordinary events.

Any employee of the Company whose performance the Compensation Committee determines can have a significant effect on the success of the Company - designated a Key Employee by the Plan - will be granted annual incentive Cash Awards under the 2011 Incentive Plan. Because the number of Key Employees may change over time and because the selection of participants is discretionary, it is impossible to determine the number of persons who will be eligible for awards under the 2011 Incentive Plan during its term. However, it is anticipated that seven persons will receive Cash Awards for fiscal 2011 under the 2011 Incentive Plan.

The 2011 Incentive Plan includes the creation of a Bonus Pool as a cash incentive for executives. This Bonus Pool will be calculated based upon dollars of growth in key performance categories compared to the Base Year Amounts, multiplied by the applicable percentage amounts as outlined in the plan, multiplied by a factor determined by the growth in Pre-Bonus Net Income (the “Pre-Bonus Net Income Factor”), and multiplied by a factor determined by the growth in Gross Margin (the “Margin Factor”) (see Exhibit A). The applicable percentage amounts for the 2011 Incentive Plan include 8.0% of the increase in Same Store Sales, 5.0% of the increase in Gross Margin, and 15.0% of the increase in Pre-Bonus Net Income. The Base Year Amounts are determined using the immediately preceding fiscal year for Same Store Sales and the prior three-year rolling average for Gross Margin and Pre-Bonus Net Income, with each year receiving equal weighting. The Same Store Sales and Pre-Bonus Net Income Factors are .90 of the increase in each Same Store Sales and Pre-Bonus Net Income for increases from 0% to 19.99%; .70 for growth in Same Store Sales and Pre-Bonus Net Income of at least 20.0% and up to 29.99%; .64 for growth in Same Store Sales and Pre-Bonus Net Income of at least 30.0% and up to 39.99%; and .55 for growth in Same Store Sales and Pre-Bonus Net Income of 40% or greater. The Margin Factor is .90 for growth in Gross Margin up to 19.99%; .70 for growth in Gross Margin of at least 20.0% and up to 39.99%; and .64 for growth in Gross Margin of 40% or greater. Bonus Pool Awards pursuant to the 2011 Incentive Plan will be in addition to base salaries.

Base salaries for fiscal 2011 for the executive officers included in the Summary Compensation Table are as follows:

Name	Base Salary
Dennis H. Nelson	\$950,000
Karen B. Rhoads	\$308,000
Patricia K. Whisler	\$350,000
Brett P. Milkie	\$347,500
Kari G. Smith	\$347,500

#### Cash Awards

Each participant in the 2011 Incentive Plan shall receive a Cash Award equal to 100% of the participant’s share of the Bonus Pool. The President’s share of the Bonus Pool is 40%, and the share of each other participant in the Bonus Pool shall be determined by the President prior to the first day of each plan year (or immediately upon adoption of the Plan).

No Cash Award payment for the year may be made to an executive until the Company’s Same Store Sales, Gross Margin, and Pre-Bonus Net Income for the year are certified by the Compensation Committee. A Participant shall not be entitled to receive payment of an Award unless such participant is still in the employ of the Company on the last day of the fiscal year for which the Cash Award is earned.

#### Non-Vested Stock

Non-Vested Stock was granted, subject to stockholder approval, to participants pursuant to the 2005 Restricted Stock Plan as of January 30, 2011. Shares awarded under the Plan will vest according to a performance feature whereby one-half of the shares granted will vest over four years if a 2.5% increase in fiscal 2011 Pre-Bonus Net Income is achieved, and the second half of the shares granted will vest over four years if a 6% increase in fiscal 2011 Pre-Bonus Net Income is achieved. Upon the Compensation Committee’s certification of the achievement of the performance results, 20% of the Non-Vested Stock Shares would vest immediately, with 20% vesting on February 2, 2013, 30% on February 1, 2014, and 30% in January 31, 2015. The participant must remain in the employ of the Company on the vesting date in order to become vested in the shares.

#### Amendments

The Committee may amend the 2011 Incentive Plan from time to time, provided that no amendment to the 2011 Incentive Plan shall be effective unless approved by the Company's stockholders, to the extent that such stockholder approval is required under Section 162(m) of the Code with respect to awards which are intended to qualify under that Section.

## New Plan Benefits

No Cash Awards have been granted under the 2011 Incentive Plan, and it is not determinable what Cash Awards will be received by any employee under the 2011 Incentive Plan. However, the following table provides information concerning the Cash Award and shares of Non-Vested Stock that would have been received by each of the following persons and groups for the last completed fiscal year had the 2011 Incentive Plan been in effect:

Name and Position	Cash Award	Non-Vested Stock
Dennis H. Nelson, President and CEO	5,078,220	45,000
Karen B. Rhoads, Vice President of Finance and CFO	1,015,644	7,500
Patricia K. Whisler, Vice President of Women's Merchandising	1,015,644	7,500
Brett P. Milkie, Vice President of Leasing	1,015,644	7,500
Kari G. Smith Vice President of Sales	1,015,644	7,500
All Executive Officers	10,410,350	86,250
Non-Executive Officer Directors (0 persons)	0	0

Approval of this Proposal requires a favorable vote of the holders of a majority of the votes cast by all holders of the outstanding shares of Common Stock voting together as a single class at the meeting. Therefore, an abstention will not have the effect of a vote for or against the Proposal and will not be counted in determining the number of votes required for approval, but will be counted in determining the presence of a quorum.

WITH RESPECT TO PROPOSAL 3, THE BOARD OF DIRECTORS RECOMMENDS THE STOCKHOLDERS VOTE FOR APPROVAL OF THE COMPANY'S 2011 MANAGEMENT INCENTIVE PLAN.

## Proposal 4

PROPOSAL TO APPROVE PERFORMANCE-BASED AWARDS GRANTED PURSUANT TO THE COMPANY'S 2005 RESTRICTED STOCK PLAN

On January 30, 2011, the Compensation Committee approved grants of Non-Vested Stock to certain executive officers of the Company pursuant to the 2005 Restricted Stock Plan, as follows:

Name	Number of Non-Vested Shares
Dennis H. Nelson	90,000
Karen B. Rhoads	15,000
Patricia K. Whisler	15,000
Brett P. Milkie	15,000
Kari G. Smith	15,000

The shares of Non-Vested Stock were granted subject to a performance feature that requires that the Company's fiscal 2011 Pre-Bonus Net Income increase at least 2.5% above the fiscal 2010 Pre-Bonus Net Income for one-half of the shares of Non-Vested Stock to be vested; and increase 6.0% above the fiscal 2010 Pre-Bonus Net Income for the second half of the shares of Non-Vested Stock to be vested. The grant of Non-Vested Stock provides that if the performance target is met, the Non-Vested Stock will vest 20% upon the Compensation Committee's certification of the performance results, 20% on February 2, 2013, 30% on February 1, 2014, and 30% on January 31, 2015. The participant must remain in the employ of the Company on the vesting date in order to become vested in the shares.

You are being asked to approve the terms of the performance goals. This approval is required under the Internal Revenue Code and Internal Revenue Service Regulations (the “Code”) in order to preserve the Company’s federal income tax deduction with respect to the grant of these Non-Vested Shares.

## Purpose of Proposal

As discussed in the Report of the Compensation Committee in this Proxy Statement, the Company generally seeks to preserve its ability to claim tax deductions for compensation paid to executives to the greatest extent practicable. Section 162(m) of the Code sets limits on the Company's federal income tax deduction for compensation paid in any taxable year to an individual who, on the last day of the taxable year, was (i) the Chief Executive Officer or (ii) among the four other highest-compensated executive officers whose compensation is reported in the Summary Compensation Table of the Proxy Statement. "Qualified performance-based compensation" which can include compensation from stock options, cash awards, and certain grants of Non-Vested Stock, is not subject to this deduction limit, and therefore is fully deductible, if certain conditions are met. One of the conditions is stockholder approval of the material terms of the performance goals under which the compensation is paid.

Non-Vested Stock granted by the Compensation Committee on January 30, 2011 was subject to the condition that the stockholders approve the performance goals.

## Material terms of the performance goals

Under the terms of the grant of Non-Vested Stock, performance goals apply to fiscal 2011, requiring Pre-Bonus Net Income for the fiscal year to increase at least 2.5% and 6.0% over the Pre-Bonus Net Income for the prior fiscal year before each one-half of the Non-Vested Stock vests. Non-Vested Stock was granted to each executive officer.

Approval of this Proposal requires a favorable vote of the holders of a majority of the votes cast by all holders of the outstanding shares of Common Stock voting together as a single class at the meeting. Therefore, an abstention will not have the effect of a vote for or against the Proposal and will not be counted in determining the number of votes required for approval, but will be counted in determining the presence of a quorum.

**WITH RESPECT TO PROPOSAL 4, THE BOARD OF DIRECTORS RECOMMENDS THE STOCKHOLDERS VOTE FOR APPROVAL OF THE PERFORMANCE-BASED AWARDS GRANTED PURSUANT TO THE COMPANY'S 2005 RESTRICTED STOCK PLAN.**

## Proposal 5

### ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Company historically has presented its yearly Management Incentive Plans and performance-based stock awards to stockholders for approval, as it is doing this year in Proposal 3 and Proposal 4. Under the Dodd-Frank Wall Street Reform and Consumer Protection Act and the rules and regulations of the Securities and Exchange Commission, the Company is also required to provide stockholders with the opportunity to cast periodic advisory votes on overall executive compensation.

Pursuant to Section 14A of the Securities Exchange Act of 1934, the Company is seeking an advisory vote from stockholders to approve our named executive officer compensation, as set forth above. The Company and the Board of Directors welcome the stockholders' views on this subject and will carefully consider the outcome of this vote consistent with the best interests of all stockholders. As an advisory vote, however, the outcome is not binding on the Board of Directors or the Company.

As described in detail above under the heading "Executive Compensation," the Company's executive compensation plan is designed to attract, motivate, and retain highly qualified executives. The Company's compensation philosophy is that each member in a position to make the Company grow should be rewarded for growth and, as such, the

Company's compensation plan should provide a relationship between the compensation earned by executive officers and the creation of value for stockholders. As a result, a substantial portion of compensation for the Company's named executive officers is earned through growth in specified performance areas under annual Management Incentive Plans and restricted stock awards. Both the Management Incentive Plans and the performance-based restricted stock awards are presented for stockholder approval each year.

The Board of Directors is asking the Company's stockholders to indicate their support for the named executive officers' overall compensation as described in this proxy statement. This proposal, commonly known as a "say-on-pay" proposal, gives the Company's stockholders the opportunity to express their views on the compensation of the named executive officers. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the Company's named executive officers and the philosophy, policies, and practices described in this proxy statement. Accordingly, the Company's stockholders will be asked at the Annual Meeting to vote on the following resolution:

"RESOLVED, that the stockholders approve, on an advisory basis, the compensation of the Company's named executive officers as disclosed in the proxy statement pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, the compensation tables, and related narrative disclosure in the proxy statement."

WITH RESPECT TO PROPOSAL 5, THE BOARD OF DIRECTORS RECOMMENDS THE STOCKHOLDERS VOTE FOR APPROVAL OF THE RESOLUTION ABOVE TO APPROVE EXECUTIVE COMPENSATION.

#### Proposal 6

#### ADVISORY VOTE ON FREQUENCY OF FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION

In addition to providing stockholders with the opportunity to cast an advisory vote on executive compensation, the Board of Directors also is providing stockholders with the opportunity to cast an advisory vote on how frequently the Company should seek an advisory vote on the compensation of named executive officers in the future.

By voting on this Proposal 6, stockholders may indicate whether they would prefer an advisory vote on named executive officer compensation once every one, two, or three years.

The Board of Directors has determined that holding an advisory vote on overall executive compensation every three years is the most appropriate policy for the Company at this time. As a result, the Board of Directors recommends that stockholders vote for future advisory votes on executive compensation to occur every three years. As noted above, the Company historically has presented its Management Incentive Plan and performance-based stock awards to the stockholders for approval every year. The Company expects to continue this practice for the foreseeable future. Consequently, the Board of Directors believes that it already receives substantial feedback on executive compensation each year through stockholder consideration of these items. The Board of Directors believes an additional advisory vote on overall compensation every three years will be an effective way to obtain further information from stockholders, while minimizing potential burdens and distractions that could accompany a more frequent vote. In addition, an advisory vote on overall compensation every three years will allow adequate time for the Company to respond to stockholders' feedback and to engage with stockholders to understand and respond to the vote results.

Stockholders will be able to specify one of four choices for Proposal 6 on the proxy card: one year, two years, three years, or abstain. Stockholders are not being asked to approve or disapprove the recommendation of the Board of Directors, but rather to indicate their own choice from among the frequency options. The option of one year, two years, or three years that receives the highest number of votes cast by stockholders will be the frequency for future advisory votes on executive compensation that has been selected by stockholders. Because this vote is advisory, it is not binding on the Board of Directors or the Company. However, the Board of Directors values the opinions of the Company's stockholders and will consider the outcome of the vote when setting the frequency of future advisory votes

on executive compensation.

WITH RESPECT TO PROPOSAL 6, THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE THREE YEAR ALTERNATIVE SET OUT ON THE PROXY CARD.
