PROXY STATEMENT
for
ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON MAY 5, 2010

This Proxy Statement is being furnished to the holders of Class A Stock, par value \$1.00 per share (the “Class A Stock”), of Ampal-American Israel Corporation (the “Company” or “Ampal”) in connection with the solicitation of proxies by the Board of Directors (the “Board” or “Board of Directors”) for use at the annual meeting of the shareholders of the Company to be held on May 5, 2010, and at any adjournment(s) or postponement(s) thereof (the “Annual Meeting”). The mailing address of our principal executive office is 555 Madison Avenue, New York, NY 10022. This Proxy Statement and enclosed proxy card are first being mailed to the shareholders of the Company entitled to vote at the Annual Meeting on or about March 31, 2010. If you need directions to attend the Annual Meeting and vote in person, you should contact the Company by telephone at (866) 447-8636. In an effort to present the information contained in this Proxy Statement in a clear manner, the Company has decided to use a question and answer format.

Q: What am I voting on?

The election of Ampal’s ten directors for one-year terms and the ratification of the appointment of Kesselman & Kesselman, a member firm of PricewaterhouseCoopers International Limited (“Kesselman & Kesselman”), as the independent registered public accounting firm of the Company for the fiscal year ending December 31, 2010.

Q: Who is entitled to vote?

Holders of the Class A Stock as of the close of business on March 17, 2010 (the “Record Date”) are entitled to notice of, and to vote at, the Annual Meeting. As of the Record Date, the Company had 56,133,764 shares of Class A Stock outstanding (excluding treasury shares). Each shareholder is entitled to one vote for each share of Class A Stock held on the Record Date. The Class A Stock does not have cumulative voting rights.

Q: How can I get a copy of Ampal’s annual report on Form 10-K?

Upon request, the Company will provide, without charge to any shareholder entitled to vote at the Annual Meeting, a copy of Ampal’s annual report on Form 10-K to the Securities and Exchange Commission (the “SEC”) for the fiscal year ended December 31, 2009. Such request should be made to the Secretary of the Company at the address shown on the accompanying Notice of Annual Meeting of Shareholders. The Company’s annual report on Form 10-K, as well as its other filings with the SEC, are available via the Internet at the Company’s website at <http://www.ampal.com> and at the SEC’s website at <http://www.sec.gov>. In connection with the Annual Meeting, the Company’s annual report on Form 10-K is also available via the Internet at <http://bnymellon.mobular.net/bnymellon/ampal>.

Q: How can I review Ampal's financial statements for the fiscal year ended December 31, 2009?

A copy of Ampal's 2009 annual report on Form 10-K containing the Company's audited financial statements for the fiscal year ended December 31, 2009 has been mailed with this Proxy Statement to all holders of Class A Stock entitled to vote at the Annual Meeting on or about March 31, 2010. In connection with the Annual Meeting, the Company's annual report on Form 10-K is also available via the Internet at <http://bnymellon.mobular.net/bnymellon/ampl>.

Q: Who are the principal shareholders of Ampal and how will they vote?

As of the Record Date, a group of shareholders (the "Controlling Shareholder Group") consisting of Yosef A. Maiman, Ohad Maiman, Noa Maiman, and Yoav Maiman, and the companies Merhav (M.N.F.) Ltd. ("Merhav"), De Majorca Holdings Ltd. ("De Majorca") and Di-Rapallo Holdings Ltd. ("Di-Rapallo") beneficially owns approximately 61.5% of the voting power of our Class A Stock (excluding shares issuable upon the exercise of outstanding options). The Controlling Shareholder Group was formed in recognition of the Maiman family's strong connection with the Company and in furtherance of the group's common goals and objectives as shareholders, including the orderly management and operation of the Company. By virtue of its ownership of Ampal, the Controlling Shareholder Group is able to control our affairs and to influence the election of the members of our board of directors. (See the sections below entitled "Security Ownership of Certain Beneficial Owners" and "Security Ownership of Management" for more details regarding the principal shareholders.) The Controlling Shareholder Group has advised the Company that it will vote in favor of the Board's slate of nominees for directors and in favor of the ratification of the appointment of Kesselman & Kesselman as the independent registered public accounting firm of the Company for the fiscal year ending December 31, 2010.

Q: Who is bearing the cost of preparing this Proxy Statement?

The cost of preparing, assembling and mailing the Notice of Annual Meeting of Shareholders, this Proxy Statement and the proxy card is being borne by the Company. The Company will also reimburse brokers who are holders of record of shares of the Company for their expenses in forwarding proxies and proxy soliciting material to the beneficial owners of the shares held by them.

Q: Besides shareholders, who else will attend the Annual Meeting?

Some of the directors of Ampal, senior management of Ampal and representatives of BNY Mellon Shareowner Services, the Company's transfer agent, will be present at the Annual Meeting. Additionally, representatives of Kesselman & Kesselman, whom the Audit Committee has appointed to be its independent registered public accounting firm for the fiscal year ending December 31, 2010, are expected to be present and will have an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions from shareholders.

Q: What constitutes a quorum?

The holders of record of one-third of the outstanding Class A Stock entitled to vote at any meeting of shareholders shall constitute a quorum for the Annual Meeting. A quorum of shares of Class A Stock outstanding (excluding treasury shares) as of the Record Date therefore equals 18,711,255 shares of Class A Stock. All votes will be tabulated by the inspector of elections appointed for the meeting. The inspector of elections will also determine whether or not a quorum is present. Votes for and against, abstentions and "broker non-votes" will each be counted as present for purposes of determining the presence of a quorum.

Q: How do I vote using the proxy?

Sign your name exactly as it appears in the proxy, and return it in the enclosed prepaid envelope. IF YOU SIGN YOUR PROXY BUT DO NOT INDICATE YOUR VOTING PREFERENCES, YOUR VOTE WILL BE COUNTED FOR ALL OF THE BOARD'S NOMINEES FOR DIRECTORS AND THE RATIFICATION OF THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM. THE PROXIES, IN THEIR DISCRETION, ARE AUTHORIZED TO VOTE UPON ANY OTHER MATTERS THAT MAY PROPERLY COME BEFORE THE ANNUAL MEETING OR ANY ADJOURNMENT(S) OR POSTPONEMENT(S) THEREOF.

Q: May I revoke my proxy?

A proxy may be revoked at any time before it is exercised at the Annual Meeting by notifying the Company's Secretary in writing or by returning a later-dated proxy. You may also revoke your proxy by voting in person at the meeting (although your attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy).

Q: How many votes are needed for the election of a director?

The election of a nominee director requires a plurality of the votes cast by the holders of shares present in person or represented by proxy at the Annual Meeting. Proxies cannot be voted for a greater number of persons than the number of nominees listed in the Proxy Statement. The Board of Directors of Ampal unanimously recommends the election of the following persons to the Board of Directors: Yosef A. Maiman, Leo Malamud, Dr. Joseph Yerushalmi, Dr. Nimrod Novik, Yehuda Karni, Gideon Weinstein, Menahem Morag, Erez Meltzer, Daniel Vaknin and Joseph Geva. Set forth below in this Proxy Statement is information about each nominee, including biographical data for at least the last five years.

Q: How many votes are needed for the ratification of the appointment of Kesselman & Kesselman as the independent registered public accounting firm of the Company for the fiscal year ending December 31, 2010?

The ratification of the appointment of Kesselman & Kesselman as the independent registered public accounting firm of the Company for the fiscal year ending December 31, 2010 requires a plurality of the votes cast by the holders of shares present in person or represented by proxy at the Annual Meeting. The Board of Directors of Ampal unanimously recommends the ratification of the appointment of Kesselman & Kesselman as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2010.

Q: How will abstentions and broker non-votes be treated with respect to the proposals to be voted upon at the Annual Meeting?

Abstentions and broker non-votes (i.e., shares held by a broker or nominee which are represented at the Annual Meeting, but with respect to which the broker or nominee is not empowered to vote on a particular matter) will have no effect on the outcome of these proposals. As you may know, the New York Stock Exchange recently eliminated broker discretionary voting for the election of directors. These rules will likely affect us notwithstanding the fact that the shares of our Common Stock are traded on the NASDAQ Global Market. Therefore, unlike in prior years, your broker may not be able to vote on your behalf in any director election without voting instructions from you.

Q: Will any other matters be brought before the Annual Meeting?

Management does not presently know of any other matters which will be brought before the Annual Meeting. If, however, other matters requiring the vote of the shareholders, not now known or contemplated, do properly come before the meeting or any adjournment or postponement thereof, it is the intention of the persons named in the proxy to vote the proxies held by them in accordance with their judgment in such matters.

THE FOLLOWING QUESTIONS AND ANSWERS RELATE TO THE NOMINEES FOR ELECTION TO THE BOARD OF DIRECTORS

7

Q: Does the Board of Directors have any committees?

Yes. The Board of Directors has the following standing committees: Audit Committee, Executive Committee and Stock Option and Compensation Committee. The Board will elect new members to the committees following the Annual Meeting. The current members, activities and functions of the various committees are set forth below.

Director Independence

Because the Controlling Shareholder Group owns more than 50% of the voting power of the Company, the Company is deemed to be a “controlled company” under the rules of the NASDAQ Global Market. As a result, the Company is exempt from the NASDAQ Global Market rules that require listed companies to have (i) a majority of independent directors on the Board, (ii) a compensation committee and nominating committee composed solely of independent directors, (iii) the compensation of executive officers determined by a majority of independent directors or a compensation committee composed solely of independent directors and (iv) a majority of the independent directors or a nominating committee composed solely of independent directors elect or recommend director nominees for selection by the Board. The Company has an Audit Committee of the Board consisting of three independent directors as defined under the rules of the National Association of Securities Dealers, Inc. and the rules promulgated by the Securities and Exchange Commission. Other than the members of the Audit Committee, Messrs. Vaknin, Morag and Karni, there are no other independent directors that serve on the Board.

Code of Business Conduct and Ethics

The Company has adopted a (i) Code of Ethics for the Company’s Senior Financial Officers and (ii) Code of Conduct applicable to all of the Company’s employees and directors. These codes are designed to both insure that the Company’s business is conducted in a consistently legal and ethical manner, and address specific areas of professional conduct, including conflicts of interest, fair dealing and the strict adherence to all laws and regulations applicable to the conduct of the Company’s business. Copies of the Company’s Code of Ethics for Senior Financial Officers and Code of Conduct are available on the Company’s website at www.ampal.com.

Communications Between Shareholders and the Board of Directors

Shareholders and other interested persons seeking to communicate with the Board should submit any communications in writing to the Company’s Secretary at the following address: Ampal-American Israel Corporation, 555 Madison Avenue, New York, NY 10022. Any such communication must state the number of shares beneficially owned by the shareholder making the communication. The Company’s Secretary will forward such communication to the Board or to any individual director or directors to whom the communication is directed.

Policy Governing Director Nominations

As stated above, because the Controlling Shareholder Group owns more than 50% of the voting power in the Company, the Company is deemed to be a “controlled company” under the NASDAQ Global Market rules. Because the Company is a “controlled company,” the Board has decided not to establish a separate nominating committee or implement formal rules that would govern director nominations from shareholders, and each member of the Board participates in the consideration of director nominees. In the event of any vacancy on the Board, or in the event that the Board is to be expanded, the Board will determine at such time the appropriate procedures for filling the vacancy or additional position. The Board may decide at such time to authorize a committee of the Board of Directors to conduct the search for a director and to recommend nominations to the full Board of Directors.

Minimum Qualifications. The Company does not set specific criteria for directors except to the extent required to meet applicable legal, regulatory and stock exchange requirements, including, but not limited to, the independence requirements of the NASDAQ Global Market and the SEC, as applicable. Nominees for director will be selected on the basis of outstanding achievement in such person’s career; board experience; wisdom; integrity; ability to make independent, analytical inquiries; understanding of the business environment; and willingness to devote adequate time to the Board duties. While the selection of qualified directors is a complex and subjective process that requires consideration of many intangible factors, the Board believes that each director should have a basic understanding of (i) principal operational and financial objectives as well as plans and strategies of the Company, (ii) results of operations and financial condition of the Company and of any significant subsidiaries and investee companies, and (iii) the relative standing of the Company, its business segments and investee companies in relation to its competitors.

The Board also may consider (i) whether a candidate would be deemed to be “independent” under the applicable laws, rules and regulations of the NASDAQ Global Market and the SEC, as applicable, (ii) whether the candidate’s existing business commitments would interfere with the candidate’s ability to devote sufficient time to discharge his or her duties as a director and (ii) the input of the Controlling Shareholder Group.

Audit Committee

The Audit Committee currently consists of Messrs. Karni, Vaknin and Morag, each of whom is an independent director as defined under the rules of the National Association of Securities Dealers’ and the rules promulgated by the SEC. The Board has determined that Messrs. Morag and Vaknin are “audit committee financial experts” for purposes of the rules promulgated by the SEC. The Audit Committee held five meetings and did not act by written consent during the fiscal year ended December 31, 2009.

The Audit Committee assists the Board in fulfilling its responsibility to oversee management’s conduct of the Company’s financial reporting process, including the review of the financial reports and other financial information provided by the Company to any governmental or regulatory body, the public or other users thereof, the Company’s systems of internal accounting and financial controls, and the annual independent audit of the Company’s financial statements. The Audit Committee also has the duty and responsibility of approving all transactions between the Company, on the one hand, and any officer, director, or affiliate thereof, on the other hand, or any transaction in which any officer, director or affiliate has a material interest. A full description of the Audit Committee’s primary responsibilities is contained in the Audit Committee’s written charter, a copy of which was filed as Appendix A to the Company’s proxy statement for its annual meeting of shareholders in 2005 and is also available on the Company’s website at <http://www.ampal.com>.

Report of the Audit Committee

To the Board of Directors of Ampal-American Israel Corporation:

We have reviewed and discussed with management the Company's audited financial statements as of and for the year ended December 31, 2009.

We have discussed with Kesselman & Kesselman the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended.

We have received the written disclosures and the letter from Kesselman & Kesselman required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence, and have discussed with them their independence from the Company and management.

Based on the reviews and discussions referred to above, we recommended to the Board of Directors that the audited financial statements referred to above be included in the Company's annual report on Form 10-K for the year ended December 31, 2009.

AUDIT COMMITTEE

Yehuda Karni, Chairman
Daniel Vaknin
Menahem Morag

Executive Committee

The Executive Committee meets as necessary between regularly scheduled meetings of the Board and, consistent with certain statutory limitations, exercises all authority of the Board. During the fiscal year ended December 31, 2009, the Executive Committee of the Board was composed of the following individuals: Yosef A. Maiman, Leo Malamud, Dr. Joseph Yerushalmi and Yehuda Karni.

The Executive Committee held no meetings and did not act by written consent during the fiscal year ended December 31, 2009.

Stock Option and Compensation Committee

The Stock Option and Compensation Committee administers the Company's stock option plans and other option grants and determines the Company's policies regarding certain compensation of Yosef A. Maiman. During the fiscal year ended December 31, 2009 the members of the Stock Option and Compensation Committee were Yehuda Karni, Daniel Vaknin and Menahem Morag, each of whom is an independent director as defined under the rules of the NASDAQ Global Market and the SEC. The Stock Option and Compensation Committee held one meeting and acted once by written consent during the fiscal year ended December 31, 2009.

In light of the fact that the Company is a "controlled company" under the rules of NASDAQ and the fact that Mr. Yosef A. Maiman is the Chief Executive Officer of Ampal, , the Board decided, as follows: The Stock Option and Compensation Committee will be responsible for (i) administering the Option Plans and determining the officers and key employees who are to be granted options under the Option Plans and the number of shares subject to such options and (ii) determining the annual base salary and non-equity based annual bonus for Mr. Maiman in his capacity as

Chairman, President and Chief Executive Officer; Mr. Maiman will be responsible for (i) determining the annual base salary and non-equity based annual bonuses for all executive officers (other than the Chief Executive Officer) and for (ii) recommending to the Board director compensation and benefit programs. Mr. Maiman also may attend and participate in meetings of the Stock Option and Compensation Committee.

No outside compensation consultant is engaged by the Company at this time, although the Company may elect to do so in the future.

Compensation Committee Report

The Stock Option and Compensation Committee and Yosef A. Maiman have reviewed and discussed the Compensation Discussion and Analysis required by Regulation S-K, Item 402(b) with management. Based on the review and discussions referred to in the preceding sentence, the Stock Option and Compensation Committee and Yosef A. Maiman recommended to the board of directors that the Compensation Discussion and Analysis be included in this Proxy Statement on Schedule 14A.

STOCK OPTION AND COMPENSATION COMMITTEE

Yehuda Karni, Chairman

Daniel Vaknin

Menahem Morag

Yosef A. Maiman (not a member of the committee)

Compensation Committee Interlocks and Insider Participation

The current members of the Stock Option and Compensation Committee are Mr. Yehuda Karni, Mr. Daniel Vaknin and Mr. Menahem Morag, none of whom is an officer or employee or former officer or employee of the Company. During 2009, no executive officer of the Company served on the compensation committee or the Board of Directors of another entity whose executive officer(s) served on the Company's Stock Option and Compensation Committee or the Board of Directors.

Effective as of September 19, 2006, the Board determined that Mr. Yosef A. Maiman, our President and CEO, shall be responsible for (i) determining the annual base salary and non-equity based annual bonuses for all executive officers (other than the Chief Executive Officer) and for (ii) recommending to the Board director compensation and benefit programs. The Stock Option and Compensation Committee shall continue to be responsible for (i) administering the Option Plans and determining the officers and key employees who are to be granted options under the Option Plans and the number of shares subject to such options and (ii) determining the annual base salary and non-equity based annual bonus for Mr. Maiman in his capacity as Chairman, President and Chief Executive Officer. Mr. Maiman also may attend and participate in meetings of the Stock Option and Compensation Committee.

Special Committee of the Board

On October 28, 2004, the Board formed a Special Committee of the Board which is now composed of Mr. Yehuda Karni, Mr. Daniel Vaknin and Mr. Menahem Morag, each of whom is an independent director. The Special Committee held four meetings and did not act by written consent during the fiscal year ended December 31, 2009.

The Board appointed the Special Committee of independent directors to consider alternatives available to the Company to maximize shareholder value. The Special Committee was formed in response to a suggestion from Mr. Yosef A. Maiman, Chairman of the Board and member of the Controlling Shareholder Group, that he is reviewing his alternatives with regard to his investment in the Company. The Special Committee reviews and approves transactions with any related party.

Q: Did all directors attend all of the Board and Committee meetings in 2009?

Other than Dr. Joseph Yerushalmi, all directors attended more than 75% of the aggregate of (1) the total number of meetings of the Board held during the fiscal year ended December 31, 2009 for which such individual was a director and (2) the total number of meetings held by all committees of the Board on which such individual served in the fiscal year ended December 31, 2009 (during the period of such service). In total, the Board held 4 regularly scheduled meetings during the fiscal year ended December 31, 2009 and acted 4 times by written consent during the fiscal year ended December 31, 2009.

Although the Company has no formal policy requiring director attendance at the Company's Annual Meeting, the Chief Executive Officer, who is currently the Chairman of the Board of Directors is encouraged to attend the Annual Meeting. The other members of the Board of Directors are welcome to attend the Annual Meeting. Last year, 10 directors attended the Company's 2009 annual meeting of shareholders.

Board Leadership Structure and Risk Oversight

The Board of Directors believes that combining the Chairman of the Board of Directors and Chief Executive Officer positions is the appropriate board leadership structure for the Company. The Board of Directors believes that the Chief Executive Officer is most knowledgeable about the Company's business and corporate strategy and is in the best position to lead the Board of Directors. Mr. Maiman, the Chairman and Chief Executive Officer, is also a member of the Controlling Shareholder Group. Because the Company is a "controlled company" under the rules of the NASDAQ Global Market, it does not have a majority of independent directors, and it also does not have a lead director.

The Board of Directors as a whole is responsible for risk oversight for the Company. The Board of Directors risk oversight process builds upon management assessment of the Company's risks and processes for managing and mitigating such risks. At meetings of our Board of Directors, the executive officers of the Company address and discuss with our Board of Directors risks of the Company and the manner in which the Company manages or mitigates its risks. While our Board of Directors has the ultimate responsibility for risk oversight for the Company, our Board of Directors works in conjunction with its committees on certain aspects of its risk oversight responsibilities. In particular, the Audit Committee focuses on financial reporting risks and related controls and procedures. The Special Committee and/or the Audit Committee have oversight of and assess risks associated with related party transactions. The Stock Option and Compensation Committee and Mr. Maiman strive to create compensation practices that do not encourage excessive levels of risk taking that would be inconsistent with the Company's strategy and objectives.

Q: How are the Company's executives compensated?

Objectives of Compensation Program

This section contains a discussion of the material elements of compensation awarded to, earned by or paid to the principal executive and principal financial officers of the Company, and the other three most highly compensated executive officers of the Company. These individuals are referred to as the "Named Executive Officers" in this Report.

The objectives of our compensation program are (i) to attract and retain qualified personnel in the Israeli marketplace, (ii) to provide incentives and rewards for their contributions to the Company, and (iii) to align their interests with the long-term interests of the Company's shareholders.

Our Named Executive Officers compensation has three primary components: salary, an annual cash incentive bonus and stock option awards. In addition, we provide our Named Executive Officers with benefits that are generally available to our salaried employees.

We determine the appropriate level for each compensation component based in part, but not exclusively, on competitive benchmarking consistent with a broad spectrum of companies in Israel and in the United States.

Due to the small size of our executive team and the need to tailor each Named Executive Officer's compensation package for retention and recruitment purposes, we have not adopted any formal policies or guidelines for allocating compensation between long term and currently payable compensation, between cash and non cash compensation or among different forms of compensation (except for Mr. Meltzer – see also "Compensatory arrangement with certain officer" below).

Responsibilities

The Compensation Committee is composed of independent directors as defined under the rules of NASDAQ and the SEC. The Compensation Committee does not operate pursuant to a written charter.

The Compensation Committee is responsible for (i) administering the Option Plans and determining the officers and key employees who are to be granted options under the Option Plans and the number of shares subject to such options and (ii) determining the annual base salary and non-equity based annual bonus for Mr. Maiman in his capacity as Chairman, President and Chief Executive Officer.

Mr. Maiman is responsible for (i) determining the annual base salary and non-equity based annual bonuses for all executive officers (other than the Chief Executive Officer) and for (ii) recommending to the Board directors compensation and benefit programs. Mr. Maiman also may attend and participate in meetings of the Compensation Committee.

No outside compensation consultant is engaged by the Company at this time, although the Company may elect to do so in the future.

Elements of Compensation

The material elements of the Company's executive compensation program for Named Executive Officers includes three primary components: salary, an annual cash incentive bonus and stock option awards. In addition, we provide our Named Executive Officers with benefits that are generally available to our salaried employees.

Base Salary

We set our salaries for our Named Executive Officers generally based on what we believe enables us to hire and retain individuals in the competitive environment in Israel and rewards individual performance and the contribution to our overall business goals. We also take into account the base salaries paid by similarly situated companies in Israel and in the United States with which we believe we generally compete for talent. There are no formal guidelines or formulas used by us to determine annual base salary for our Named Executive Officers, as annual salary determinations are made on a case by case basis from year to year to react to compensation market trends in Israel and to take into account the Named Executive Officer's performance. Additionally, stock price performance has not been a factor in determining annual compensation because the price of the Company's common stock is subject to a variety of factors outside our control. Our approach to annual base salary is designed to retain our Named Executive Officers so that they will continue to operate at high levels in the best interests of the Company.

Determinations for annual base salary for the fiscal year ended December 31, 2009, were made by the Compensation Committee regarding Mr. Maiman and by Mr. Maiman regarding other executive officers.

Annual Cash Incentive Bonus Compensation

The non-equity based annual bonus compensation is based on each Named Executive Officer's individual performance for the Company over the fiscal year, which is measured in terms of overall effort, performance and contribution to the Company. In 2009, we considered the performance of our Named Executive Officers with respect to certain material transactions during the year and allocated an amount among the Named Executive Officers who were involved in those special efforts. We take into account the amount of annual base salary paid to each Named Executive Officers in determining such Named Executive Officers' non-equity based annual bonus compensation. Determinations for non-equity based annual bonus compensation for the fiscal year ended December 31, 2009 were made by Mr. Maiman.

Long-Term Equity Incentive Compensation

At this time, we do not award long-term equity incentive compensation to our Named Executive Officers on an annual basis, however we may elect to award this form of compensation in the future. Following the April 2002 acquisition by Y.M. Noy Investments Ltd. of a controlling interest in the Company, we awarded long-term equity incentive compensation in April 2002 to provide the new management team with incentives aligned with shareholder interests and in December 2004, in recognition of the Named Executive Officers' assistance to a Special Committee of the Board of Directors that had been appointed to consider alternatives available to the Company to maximize shareholder value. In December 2006, the Stock Option Committee granted Mr. Maiman an option to acquire 250,000 shares of our Class A Stock for his service as Chairman of the Board. The amount of this award was consistent with the amount of the option grant previously awarded to Mr. Maiman in August 2002, which became fully vested in August 2006.

On December 8, 2008, the Compensation Committee and the Board of Directors approved the repricing of outstanding options to purchase, in the aggregate, 2,270,000 shares of Ampal's Class A Stock, which were previously granted to ten of the Company's current employees, executive officers and directors pursuant to the 2000 Plan, including the Named Executive Officers. The Compensation Committee and the Board of directors believed that, as a result of the outstanding options having exercise prices well above the then recent trading price of Class A Stock, the outstanding options were no longer achieving the purposes for which they were intended and that it was in the best interest of the Company to reprice the outstanding options in order to provide adequate incentives to the option holders. See "Stock Option Plans" below.

On March 8, 2010, the Stock Option and Compensation Committee approved the grant to the following executive officers of options to purchase, in the aggregate, 730,000 shares of Class A Stock, pursuant to the Company's 2000 Incentive Plan: (i) to Yosef A. Maiman, Options to purchase 340,000 shares of Class A Stock; (ii) to Irit Eluz, Options to purchase 205,000 shares of Class A Stock; and (iii) to Amit Mantsur, Options to purchase 185,000 shares of Class A Stock. The Options have a ten year term beginning on the date of grant and vest in sixteen equal quarterly installments. The exercise price of the Options is \$2.95 per share.

While our current policy is to award option grants to our executive officers and directors, the awards granted under the Option Plans may be in the form of options, restricted stock, dividend equivalent awards and/or stock appreciation rights. There are no formal guidelines or formulas used by us to determine equity compensation awards for our Named Executive Officers.

As stated above, the Compensation Committee is responsible for determining long-term equity incentive compensation in accordance with the Option Plans. Such determinations are made in consultation with Mr. Maiman and other executive officers from time to time.

Compensatory arrangement of certain officer

On November 1, 2008, Erez I. Meltzer was appointed Chief Executive Officer of Gadot Chemical Tankers and Terminals Ltd. ("Gadot"), a wholly-owned subsidiary of Ampal. On April 13, 2009, Mr. Meltzer entered into an employment agreement with Gadot, dated as of April 13, 2009 (the "Agreement"). Pursuant to the Agreement, Mr. Meltzer will be entitled to a monthly salary of NIS 157,625 (approximately \$37,782) (the "Base Salary") and an annual bonus equal to 2% of the pre-tax annual operating profit for Gadot, as determined under International Financial Reporting Standards rules.

Pursuant to the Agreement, Gadot will grant Mr. Meltzer options to purchase 3,565,228 shares of capital stock of Gadot (the "Options"), representing approximately 5% of Gadot's outstanding shares, which shall vest as follows: Options for 376,336 shares are immediately vested and, Options for 227,778 shares shall vest at the end of each calendar quarter. The Options shall expire on the date (the "Option Expiration Date") which is earlier of (x) April 12, 2014 or (y) 90 days after the termination of Mr. Meltzer's employment. Mr. Meltzer may exercise such Options only upon the occurrence of: (i) the public issuance of shares of capital stock of Gadot; (ii) a merger between Gadot and another company, provided that such company did not control Gadot prior to the merger; (iii) a change of control of Gadot; or (iv) the cessation of Gadot's commercial activities (each an "Entitling Transaction"). The exercise price of the Options shall be a price per share equal to NIS 488,179,254 (approximately \$117,013,244) divided by the number of shares of Gadot outstanding as of the date of the Agreement (the "Exercise Price").

At any time prior to the Option Expiration Date, Mr. Meltzer shall have the option (the “Put Option”) to sell to Gadot the vested Options for an amount equal to the Current Price per share less the Exercise Price. “Current Price” is based on a valuation of Gadot using a fixed multiple of EBITDA less the net sum of certain financial obligations (as more specifically set forth in the Agreement).

If an Entitling Transaction occurs before October 30, 2012, the Put Option price per share will be the higher of the Current Price or the share price as valued in the Entitling Transaction. Beginning on the date of the initial exercise of a Put Option through the second anniversary of the Option Expiration Date, if and when Gadot generally pays a dividend, Gadot shall pay Mr. Meltzer an amount equal to the dividends that would have been paid on the number of shares covered by the Options sold to Gadot pursuant to the exercise of his Put Option as if Mr. Meltzer still owned such shares. If no Entitling Transaction has occurred by the Option Expiration Date, then Gadot shall be entitled to purchase from Mr. Meltzer all of the vested Options that have not been sold pursuant to the Put Option for an amount equal to the Current Price less the Exercise Price.

Under the Agreement, Mr. Meltzer shall be entitled to sick leave and a certain number of paid vacation days, as well as the use of a car, mobile phone, telephone expenses, and stipends for traveling out of the country from time to time, each to be paid for by Gadot. In addition, Mr. Meltzer shall be entitled to certain severance, retirement and other benefits that are customary in Israel for employees in comparable positions and which shall be provided for in part by contributions made by Gadot and in part by contributions made by Mr. Meltzer.

Perquisites

As is customary in Israel, we provide each Named Executive Officer with the use of a car, mobile phone, one meal per day, telephone expenses, economic newspapers, and stipends for traveling out of the country from time to time. The value of the specific car an employee receives varies according to his or her pay grade within the Company.

Additionally, consistent with practice in the Israeli marketplace, the Company reimburses the Named Executive Officers for a portion of the taxes associated with the use of the car and mobile phone.

Severance and Change of Control Benefits

Israeli labor laws and agreements require payment of severance pay upon dismissal of an employee or upon termination of employment in certain other circumstances, including retirement. The Company’s severance pay is calculated based upon length of service and the latest monthly base salary (one month’s salary for each year worked). Severance pay is paid from a fund into which the Company contributes up to 8 1/3% of the employee’s base salary each month, in accordance with Israeli law and the customary practice in Israel. The Company’s liability for severance pay pursuant to Israeli law is partly offset by insurance policies, where the Named Executive Officers are the beneficiaries of such insurance policies.

In addition to the above the Named Executive Officers are eligible to participate in a Pension Plan in which both the employee and the Company contribute up to 5% of the employee’s base salary each month. The Named Executive Officers are eligible to receive the fund upon termination of employment, including retirement.

In addition to the above benefits, each of the employment agreements of certain executive officers provide that such executive officer shall receive an additional payment of six months' salary (together with all related benefits for the six month period including social benefits, use of a vehicle, mobile telephone and any other rights accompanying the executive officer's employment by the Company) in the event (i) of a change of control of Ampal and (ii) such executive officer's employment is terminated within six months from the date of the change of control of Ampal. These arrangements were designed to provide these key employees with an additional benefit consistent with Israeli practice for employees in comparable positions.

Pursuant to the terms of the employment agreements of each of the certain executive officers, following the termination of employment, such executive officers shall not be involved, directly or indirectly, with any business or entity that is in the field of the Company's activities and/or is in direct competition in the field of the Company's activities for a period of six months following the termination of employment. Furthermore, during the term of employment at the Company and for a period of twenty four months following the termination of employment, each of these executive officers shall abstain from providing services in any manner whatsoever, including consulting services, either paid or not paid, to any business or occupation in which the Company was involved.

Education Fund

The Named Executive Officers are eligible to participate in an education fund in which both the employee and the Company contribute up to 2.5% and 7.5% respectively of the employee's base salary each month. The Named Executive Officers are eligible to receive the fund upon termination of employment, including retirement. The education fund contribution, which is customary in Israel, can be used by the Named Executive Officers at any time for professional education and every 6 years for any other purpose. As is customary in Israel, the Company also reimburses the Named Executive Officers for taxes associated with Company contributions to this fund beyond the maximum contributed amount allowed according to the Israel Tax law.

Vacation Provision and Recreation Pay

The Named Executive Officers are eligible to take one month vacation per year. Additionally, pursuant to Israeli employment laws, each Named Executive Officer is entitled to a certain amount of recreation pay to be used for any other purpose. Each Named Executive Officer is entitled to receive 13 days of recreation pay, which amounts to approximately \$1,690 on an annual basis.

Stock Ownership and Retention Guidelines

The Company does not have any stock ownership or retention guidelines or policies.

Q: What other benefits does the Company provide for its employees?

On February 15, 2000, the Compensation Committee approved an Incentive Plan ("2000 Plan"), under which the Company has reserved 4 million shares of Class A Stock, permitting the granting of options to all employees, officers and directors. The 2000 Plan was approved by the Board of Directors at a meeting held on March 27, 2000 and was approved by a majority of the Company's shareholders at the June 29, 2000 annual meeting of shareholders.

On December 8, 2008, the Compensation Committee and the Board of Directors approved the repricing of outstanding options to purchase, in the aggregate, 2,270,000 shares of Ampal's Class A Stock, which were previously granted to ten of the Company's current employees, executive officers and directors pursuant to the 2000 Plan. The outstanding options had been originally issued with exercise prices ranging from \$3.12 to \$5.35 per share, which represented the then current market prices of Class A Stock on the dates of the original grants. The repricing was effected by canceling the outstanding options, and granting to each holder of cancelled outstanding options a new option, with a ten year term, to purchase the total number of shares of Class A Stock underlying such cancelled outstanding options, at an exercise price equal to \$1.17 per share, the closing price of Class A Stock on NASDAQ on December 5, 2008, the most recent closing price prior to the approval by the board and the committee. The repriced options maintain the vesting schedule of the cancelled outstanding options.

On November 9, 2009, the Board of Directors approved the grant of 180,000 options to Mr. Weinstein with an exercise price of \$2.35 per share.

On March 8, 2010, the Stock Option and Compensation Committee approved the grant to the following executive officers of options to purchase, in the aggregate, 730,000 shares of Class A Stock, pursuant to the Company's 2000 Plan: (i) to Yosef A. Maiman, options to purchase 340,000 shares of Class A Stock; (ii) to Irit Eluz, options to purchase 205,000 shares of Class A Stock; and (iii) to Amit Mantsur, options to purchase 185,000 shares of Class A Stock. The options have a ten year term beginning on the date of grant and vest in sixteen equal quarterly installments. The exercise price of the options is \$2.95 per share.

The 2000 Plan remains in effect, with respect to any equity award granted under the 2000 Plan, for a period of ten years from the date of the grant of such equity award, however, the Company may not make any other equity awards under the 2000 Plan after March 26, 2010.. As of December 31, 2009, 3,053,001 options of the 2000 Plan are outstanding.

The options granted under the 2000 Plan may be either incentive stock options, at an exercise price to be determined by the Compensation Committee but not less than 100% of the fair market value of the underlying options on the date of grant, or non-incentive stock options, at an exercise price to be determined by the Compensation Committee. The Compensation Committee may also grant, at its discretion, "restricted stock," "dividend equivalent awards," which entitle the recipient to receive dividends in the form of Class A Stock, cash or a combination of both and "stock appreciation rights," which permit the recipient to receive an amount in the form of Class A Stock, cash or a combination of both, equal to the number of shares of Class A Stock with respect to which the rights are exercised multiplied by the excess of the fair market value of the Class A Stock on the exercise date over the exercise price. The options granted under the 2000 Plan were granted either at market value or above.

Under the 2000 Plan, all granted but unvested options become immediately exercisable upon the occurrence of a change in control of the Company.

Q: Have the Company's officers, directors and shareholders filed all appropriate beneficial ownership reports with the SEC?

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires Ampal's executive officers and directors, and persons who own more than 10% of a registered class of Ampal's equity securities, to file with the Securities and Exchange Commission initial statements of beneficial ownership (Form 3), and statements of changes in beneficial ownership (Forms 4 and 5), of Class A Stock of Ampal. To the Company's knowledge, based solely on its review of the copies of such forms received by it, all filing requirements applicable to its executive officers, directors and greater than 10-percent stockholders were complied with.

Q: Does the Company enter into transactions with affiliated parties?

On December 31, 2009, the Company signed an option exercise agreement (the "Exercise Agreement") with Merhav pursuant to which it exercised, subject to certain conditions, its option (the "Option") to convert the Company's existing loan to Merhav (consisting of \$20 million of principal plus accrued interest) (the "Loan") into a 25% equity interest in the sugarcane ethanol production project in Colombia (the "Project") being developed by Merhav. The Loan is evidenced by an Amended and Restated Promissory Note, dated December 25, 2008 (the "Note"), issued by Merhav in favor of the Company, and is secured by Merhav's pledge of its shares of Class A Stock of the Company, pursuant to that certain Pledge Agreement, dated December 24, 2007, between Merhav and the Company (the "Pledge Agreement"). Merhav's obligations under the Note are guaranteed by Mr. Yosef A. Maiman pursuant to a personal guaranty, dated as of December 25, 2008 (the "Guaranty"). The Option is evidenced by an Option Agreement, dated December 25, 2007, between Merhav and the Company, as amended on December 25, 2008 (the "Option Agreement"). The Loan, Option and related transactions are summarized in previously filed annual and periodic reports.

Pursuant to the Exercise Agreement, the conversion of the Loan into a 25% equity interest in the Project will take the form of the issuance to the Company of 25% of all of the issued and outstanding equity interests in Merhav Renewable Energies Limited, a Cyprus corporation and subsidiary of Merhav ("Merhav Energies"). The purchase price for the 25% equity stake in Merhav Energies, to be paid at closing, is the outstanding balance of the Note on December 31, 2009, or approximately \$22.249 million. The closing of the purchase of the 25% equity stake and the conversion of the Loan is subject to, among other things, (i) the initial disbursement of (or other evidence of) long term debt financing for the Project obtained from Banco do Brasil or any other unaffiliated third party lender (the date such financing is obtained, the "Qualified Financing Date"), (ii) the payment in full of all outstanding amounts due and payable under the Note, and (iii) the delivery at closing of the Shareholders' Agreement (as defined below) by Merhav and the Company, setting forth certain agreements relating to the governance of Merhav Energies. At closing, the Note and the Guaranty shall be cancelled and the pledge of Merhav's shares of Class A Stock under the Pledge Agreement shall be released. The closing is to occur on the Qualified Financing Date or as soon as practicable thereafter, but no later than December 31, 2010. The Exercise Agreement contains other customary closing conditions, as well as customary representations and warranties.

Pursuant to the Exercise Agreement, the Note was amended to extend its maturity date to the earlier of the Qualified Financing Date or December 31, 2010. Additionally, Merhav and the Company have agreed that, under certain circumstances, each will arrange for loans to Merhav Energies from time to time through third parties, directly or indirectly, for up to \$15 million.

As stated above, as a condition to closing the Company's purchase of a 25% equity stake in Merhav Energies, Merhav, the Company and Merhav Energies will enter into a Shareholders' Agreement (the "Shareholders' Agreement"), to provide for, among other things, (i) restrictions on the transfer of shares of Merhav Energies, (ii) a right of first

refusal on transfers of shares of Merhav Energies, (iii) tag-along and drag-along rights on the transfer of shares of Merhav Energies, (iv) preemptive rights on the issuance of new shares of capital stock (or other equity interest) by Merhav Energies, subject to the anti-dilution rights of the Company, and (v) the right of the Company to designate 25% of the directors of Merhav Energies. In addition to preemptive rights under the Shareholders' Agreement, the Company has been granted anti-dilution protection, which may result in the issuance of additional shares of Merhav Energies to the Company, in the event that, prior to end of the 180 day period following the commencement of the Project's operations, Merhav sells, or Merhav Energies issues, shares of Merhav Energies at a per share price that is less than the per share price paid by the Company under the Exercise Agreement.

Merhav is a multinational corporation with interests in a range of sectors, including energy, infrastructure projects and agriculture. Merhav is a significant shareholder of the Company and is wholly owned by Mr. Yosef A. Maiman, the President, CEO and member of the controlling shareholder group of the Company. Because of the foregoing relationship, a special committee of the Board of Directors of the Company composed of the Company's independent directors negotiated and approved the transaction. Houlihan Lokey Howard & Zukin Financial Advisors, Inc., which has been retained as financial advisor to the special committee, advised the special committee on this transaction.

In connection with the offering of its Series B debentures, Ampal entered into a trust agreement (the "Agreement") with Clal Finance Trustees 2007 Ltd. (the "Trustee") which became effective on April 28, 2008, pursuant to which the Company issued its Series B debentures to investors in Israel. The Trustee is a member of a group of affiliated companies, controlled by and affiliated with IDB Holding Corporation Ltd. (collectively, the "IDB Group"), that owns approximately 6.59% of the Company's outstanding Class A stock as of the date of this annual report. In November 2007, Clal Electronics Industries Ltd. ("Clal Electronics"), also a member of the IDB Group, entered into a previously disclosed joint venture with the Company, through a wholly-owned subsidiary of the Company, that will focus on the new development and acquisition of controlling interests in wind energy projects outside of Israel. The joint venture is owned equally by Clal Electronics and the Company through its wholly-owned subsidiary. Clal Finance, also a member of the IDB Group, led distributors in the offering in Israel of the Series B debentures, and members of the IDB Group purchased a portion of the Series B debentures. A member of the IDB Group is acting as a market maker on the Tel Aviv Stock Exchange for the purchase and sale of the Company's Class A stock and Series A debentures.

Gadot entered into a management services agreement with the Company, according to which the Company provides Gadot with management services for an annual consideration calculated as a percentage of Gadot's profits. For 2009 Gadot paid the Company a sum of NIS 12.8 million (\$ 3.4 million) as the annual consideration.

The Company entered into a management services agreement with Merhav, according to which Merhav provides the Company and its subsidiaries with management, marketing, financial, development and other administrative services for an annual consideration of NIS 10 million (\$ 2.6 million).

The Audit Committee has the authority to engage independent legal, financial and other advisors. The Audit Committee has reviewed and approved the terms of each of the transactions described above.
