Item 2.03 Creation of a Direct Financial Obligation.

Item 3.02 Unregistered Sales of Equity Securities.

On August 8, 2007, we issued and sold a \$100,000 principal amount secured promissory note bearing interest at a rate of 10% per annum and a warrant to purchase 200,000 shares of our common stock to Glenn A. Little.

The promissory note and accrued but unpaid interest thereon are convertible into shares of our common stock at a price of \$0.50 per share by the holder of the promissory note at any time from August 8, 2007, through August 7, 2008, and shall automatically convert on August 8, 2008 at a conversion price of \$0.096274883 per share, which is equal to a 20% discount to the average volume, weighted average price of our common stock for the ten trading days prior to issuance. At any time prior to conversion, we have the right to prepay the promissory note and accrued but unpaid interest thereon upon 3 days prior written notice (during which period the holder can elect to convert the note). Until the principal and interest under the promissory note is paid in full, or converted into our common stock, the promissory note will be secured by a security interest in all of our assets. This security interest is *pari passu* with the security interest granted to the holders of \$150,000 of \$50,000 principal amount secured convertible promissory notes issued on June 27, 2007, with the security interest granted to James A. Hayward, a director, the Chairman of the Board of Directors, our President and Chief Executive Officer, for an aggregate principal amount of \$550,000 in secured convertible promissory notes issued on April 23, 2007, June 30, 2007 and July 30, 2007, and with the security interest granted to the holders of \$1,500,000 of \$50,000 principal amount secured convertible promissory notes issued as part of an offering completed on March 8, 2006.

The warrant is exercisable for a four-year period commencing on August 8, 2008, and expiring on August 7, 2012, at a price of \$0.50 per share. The warrant may be redeemed at our option at a redemption price of \$0.01 upon the earlier of (i) August 7, 2010, and (ii) the date our common stock has traded on The Over the Counter Bulletin Board at or above \$1.00 per share for 20 consecutive trading days.
