General Information

The Board of Directors of SMTC Corporation, a Delaware corporation (the Company), is soliciting the enclosed proxy form from our stockholders. The proxy will be used at our 2005 Annual Meeting of Stockholders to be held at 11:00 a.m., Eastern Daylight Time, on Tuesday, May 24, 2005, at The Sheraton Centre Toronto Hotel, located at 123 Queen Street West, Toronto, Ontario, Canada M5H 2M9.

This Proxy Statement contains important information regarding our annual meeting. Specifically, it identifies the proposal on which you are being asked to vote, provides information that you may find useful in determining how to vote, and describes voting procedures.

We use several abbreviations in this proxy statement. We refer to our company as SMTC or the Company. We call our board of directors the Board. References to fiscal 2004 mean our 2004 fiscal year, which began on January 1, 2004 and ended on December 31, 2004.

This Proxy Statement and the accompanying proxy are being sent by mail to common stockholders, the trustee for the special voting share and holders of exchangeable shares on or about April 25, 2005. The solicitation of proxies will be conducted by mail and the Company will bear all attendant costs.

The Company will reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation materials to such beneficial owners, including beneficial owners of exchangeable shares subject to and in accordance with the provisions of National Instrument 54-101 Communication with Beneficial Owners of Securities of a Reporting Issuer. Proxies may be solicited by certain of the Company's directors, officers and regular employees, without additional compensation, personally or by telephone, facsimile or telegram.

Who May Attend And Vote?

Edgar Filing: SMTC CORP - Form DEF 14A

Each holder of the Company's common stock, par value \$.01 per share (Common Stock), is entitled to one vote for each share of Common Stock owned as of the record date, and CIBC Mellon Trust Company (the Trustee), the holder of the Company's special voting share (the Special Voting Share), is entitled to one vote for each exchangeable share (an Exchangeable Share) of SMTC Manufacturing Corporation of Canada (SMTC Canada), a subsidiary of the Company, outstanding as of the record date, April 13, 2005 (other than Exchangeable Shares owned by the Company and its subsidiaries). Holders of Common Stock and the Special Voting Share are collectively referred to as Stockholders. Votes cast with respect to Exchangeable Shares will be voted through the Special Voting Share by the Trustee as directed by the holders of Exchangeable Shares, except votes cast with respect to Exchangeable Shares whose holders request to vote directly in person as proxy for the Trustee at the Annual Meeting. On the record date, 9,170,619 shares of our Common Stock were issued and outstanding, one share of the Company's Special Voting Stock was issued and outstanding and 5,470,714 Exchangeable Shares of SMTC Canada were issued and outstanding (excluding Exchangeable Shares owned by the Company and its subsidiaries, which are not voted). Each Exchangeable Share is exchangeable at any time, at the option of its holder, for one share of Common Stock.

Table of Contents

At least ten days before the 2005 Annual Meeting of Stockholders, SMTC will make a complete list of the Stockholders entitled to vote at the Annual Meeting open to the examination of any Stockholder for any purpose germane to the Annual Meeting at its principal executive offices at 635 Hood Road, Markham, Ontario, Canada L3R 4N6. The list will also be made available to Stockholders present at the Annual Meeting.

How Do I Vote?

As a Stockholder, you have the right to vote on certain business matters affecting the Company. The proposal that will be presented at the Annual Meeting, and upon which you are being asked to vote, is discussed in the section of this proxy statement entitled "The Proposal." Each share of SMTC Common Stock you own entitles you to one vote. The Trustee is entitled to one vote for each Exchangeable Share of SMTC Canada outstanding as of the record date (other than Exchangeable Shares owned by the Company and its subsidiaries). The enclosed proxy card indicates the number of shares you own.

By signing and returning the proxy card according to the enclosed instructions, you are enabling the individuals named on the proxy card to vote your shares at the meeting in the manner you indicate. We encourage you to sign and return the proxy card even if you plan to attend the meeting. In this way, your shares will be voted even if you are unable to attend the meeting. Your shares will be voted as you direct on the proxy card. If you attend the meeting, you may deliver your completed proxy card in person or fill out and return a ballot that will be supplied to you. In the absence of instructions on a properly executed proxy, proxies from holders of Common Stock will be voted FOR the Proposal.

Votes with respect to Exchangeable Shares represented by valid voting instructions received by the Trustee will be cast by the Trustee in accordance with those instructions. If a properly executed voting instruction card is not received by the Trustee from a holder of Exchangeable Shares, the votes to which such holder is entitled will not be exercised.

What Does the Board of Directors Recommend?

If you submit the proxy card but do not indicate your voting instructions, the persons named as proxies on your proxy card will vote in accordance with the recommendations of the Board of Directors. The Board recommends that you vote FOR the two nominees for director identified in the Proposal.

What Vote Is Required For The Proposal?

A majority of the shares entitled to vote, present in person or represented by proxy, constitutes a quorum for the transaction of business at the Annual Meeting. For the election of directors, the two candidates receiving the greatest number of affirmative votes (a plurality vote) of the votes attached to shares of Common Stock and the Special Voting Share will be elected.

An automated system administered by the Company's transfer agent will tabulate votes cast by proxy at the Annual Meeting, and an officer of the Company will tabulate votes cast in person at the Annual Meeting.

Edgar Filing: SMTC CORP - Form DEF 14A

Shares represented by proxies that indicate an abstention or a broker non-vote will be counted as shares that are present and entitled to vote on the matter for purposes of determining the presence or absence of a quorum. A broker non-vote exists with respect to any shares represented at the Annual Meeting held by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter. With respect to the election of directors, requiring a plurality vote, broker non-votes and abstentions will have no effect.

Table of Contents

May I Change My Vote After I Return My Proxy Card?

Yes. A proxy may be revoked by the Stockholder giving the proxy at any time before it is voted by written notice of revocation delivered to the Company prior to the meeting, and a prior proxy is automatically revoked by a Stockholder giving a subsequent proxy or attending and voting at the Annual Meeting. Attendance at the Annual Meeting in and of itself does not revoke a prior proxy.

Holders of Exchangeable Shares who wish to direct the Trustee to cast the votes attached to the Special Voting Share on their behalf should follow carefully the instructions provided by the Trustee, which accompany this Proxy Statement. The procedure for instructing the Trustee differs in certain respects from the procedure for delivering a proxy, including the place for depositing the instructions and the manner for revoking the proxy.

THE PROPOSAL ELECTION OF DIRECTORS

The number of directors on the Board is currently fixed at seven. The Company's Certificate of Incorporation and By-laws divide the Company's Board of Directors into three classes. The members of each class of directors serve staggered three year terms.

In March 2004, Mr. Caldwell became Chair of the Board, replacing William Brock who had previously served in that capacity. In April 2004 the Board voted to reduce the number of directors of the Company to seven and to re-classify John Caldwell as a Class I director. In February 2005, Ian Loring and Mark Benham both resigned from the Board of Directors.

The Board is currently composed of two Class I directors (Blair Hendrix and John Caldwell), two Class II directors (William Brock and Wayne McLeod) and two Class III directors (Stephen Adamson and Thomas Cowan), whose terms will expire upon the election and qualification of directors at the Annual Meeting of Stockholders held in 2007, 2005 and 2006, respectively. One Class III seat on the Board of Directors is currently vacant. At each Annual Meeting of Stockholders, directors will be elected for a full term of three years to succeed those directors whose terms are expiring.

At this Annual Meeting, the Stockholders will elect two Class II directors, each to serve a three year term until the 2008 Annual Meeting of Stockholders and until a qualified successor is elected and qualified or until the director's earlier resignation or removal. The two directors whose terms of office expire at the 2005 Annual Meeting have been nominated for re-election to our Board of Directors. The Board has no reason to believe that any of the nominees named below will be unable or unwilling to serve as a director if elected. If, however, any nominee cannot or will not serve as a director, the persons named on your proxy card may vote for a substitute nominee designated by the Board.

Certain information about the Board nominees is furnished below.

Class II Director Nominees

William Brock has served as a director since October 2001. Mr. Brock retired from The Toronto-Dominion Bank in January 2000 as Deputy Chairman and Director, after a career of 37 years. From March 2000 to February 2001, he was President and CEO of Dover Industries, a Toronto Stock Exchange listed company, which manufactures ice cream cones, flour, and assorted disposable fast food paper products. Presently, he is also a director of Crombie Properties Limited, a commercial property company, Atlas Cold Storage Limited, a cold storage company, and a Trustee of Atlas Cold Storage Income Trust, and Chairman, Board of Trustees, Heritage Trust at the University of Guelph.

Wayne McLeod has served as a director since February 2005. Mr. McLeod served as President, Chief Executive Officer and Chairman of CCL Industries during his term there from 1980-1999. He is currently a member of the Boards of Directors of Morguard Corp., Turbo Genset Inc., Richards Packaging Inc. and Atlas Cold Storage, all listed on the Toronto Stock Exchange. He also serves on the Boards of the Canadian Utility Council and the Institute of Corporate Directors.

Edgar Filing: SMTC CORP - Form DEF 14A

The two nominees receiving the highest number of affirmative votes of the votes attached to the Common Stock and the Special Voting Share, voting together as a single class, represented and voting on the Proposal at the Annual Meeting, will be elected Class II directors of the Company to serve their respective terms or until their successors have been elected and duly qualified.

THE BOARD RECOMMENDS A VOTE FOR THE ELECTION OF EACH OF THE NOMINEES NAMED ABOVE.

Stockholders can communicate directly with the Board of Directors by writing to: Board of Directors, SMTC Corporation, 635 Hood Road, Markham Ontario, Canada L3R 4N6. These communications will be reviewed by the Investor Relations department, who will determine how to handle them. A stockholder wishing

Table of Contents

to communicate only with the non-management members of the Board can address the communication to Non- Management Directors, c/o Board of Directors at the address above. These communications will be handled by a member of the Nominating and Governance Committee. Finally, communications can be sent directly to individual directors by addressing letters to their individual name, c/o the Board of Directors, at the address above. Board members are invited to attend the annual meeting. Three (3) directors attended the Company's previous annual meeting, held on May 20, 2004.

The Board has three standing committees: the Nominating and Governance Committee, the Audit Committee and the Compensation and Management Development Committee.

The Nominating and Governance Committee

The Nominating and Governance Committee of the Board of Directors consists of William Brock, Blair Hendrix and Wayne McLeod. In February 2005 Mr. McLeod became a member of the Nominating and Governance Committee, replacing Mark Benham, who resigned as a director. The Nominating and Governance Committee (i) identifies individuals qualified to become members of the Board, (ii) selects, or recommends that the Board select, the director nominees for the next annual meeting of stockholders, (iii) develops and recommends to the Board a set of corporate governance principles applicable to the Company and (iv) oversees the evaluation of the Board and its dealings with management and the committees of the Board. During 2004, the mandate of the Nominating and Governance Committee was undertaken by the full Board of Directors. Accordingly, the Nominating and Governance Committee did not meet in separate session during 2004.

The Board approved a written charter for the Nominating and Governance Committee in April 2004, which is available on the Company's website at www.smtc.com. All of the Nominating and Governance Committee's members are independent directors as defined in Rule 4200 of the NASD's listing standards and as required by Rule 4350(c)(4) of the NASD's listing standards.

The Nominating and Governance Committee considers, among others, the following characteristics and qualities when proposing a nominee for the Board of Directors:

Personal qualities, including leadership, character, judgment and integrity;

Relevant business and personal experience in such areas as business, the electronic manufacturing services industry, finance, accounting, marketing and other relevant fields;

Ability to commit the time necessary to prepare for, and participate in, Board and committee meetings; and

Whether the candidate enhances the diversity of skills and experiences of the members of the Board generally.

The Nominating and Governance Committee believes it is important that the Company have directors with extensive and relevant business experience as well as experience in finance and accounting generally.

Edgar Filing: SMTC CORP - Form DEF 14A

The Nominating and Governance Committee will consider and evaluate up to two director candidates recommended by stockholders for inclusion on the slate of directors nominated by the Board. A stockholder or group of stockholders that, individually or as a group, have beneficially owned at least 5% of the Company's shares for at least one year may submit one candidate for the committee's consideration. If the committee receives more than two submissions, it will consider the submissions put forth by the two nominating stockholders who beneficially own the most shares. Stockholders wishing to recommend a candidate must submit the recommendation no later than 120 days before the date that the proxy statement for the previous year's annual meeting was first mailed to stockholders. Each nominating stockholder must submit the number of shares it beneficially owns, and a representation that it meets the ownership requirements described above and will continue to hold any shares owned at least through the date of the next annual meeting at which directors are

Table of Contents

elected. In addition, a nominating stockholder will be required to furnish certain information with respect to the nominee and the nominee must submit certain written representations. Stockholders who wish to recommend candidates to the Nominating and Governance Committee may get more information about the process by contacting the Company's Investor Relations Department at 635 Hood Road, Markham, Ontario, Canada L3R 4N6.

The Nominating and Governance Committee will consider and evaluate candidates recommended by stockholders on the same basis as candidates recommended by other sources. The Nominating and Governance Committee identifies candidates for director through a variety of formal and informal channels, most notably the business networks of the members of the Board and management.

The Audit Committee

The Audit Committee, which met four (4) times in fiscal 2004, consists of William Brock, Thomas Cowan and Wayne McLeod. The Board has determined that Mr. Brock is a financial expert. In February 2005, Mr. McLeod became a member of the Audit Committee. All Audit Committee members, including Mr. Brock, are independent directors as defined in Rule 4200 of the NASD's listing standards and Rule 10A-3(b)(1) under the Securities and Exchange Act of 1934, and as required by Rule 4350(d)(2)(A) of the NASD's listing standards.

The Audit Committee (i) appoints, oversees and replaces, if necessary, the Company's independent auditor, (ii) assists the Board of Directors oversight of the preparation of the Company's financial statements, the Company's compliance with legal and regulatory requirements, the independent auditor's qualifications and independence, and the performance of the Company's independent auditor and (iii) prepares the Audit Committee Report included in this proxy statement.

The Board adopted and approved a revised written charter for the Audit Committee in April 2004, and the Audit Committee evaluates its sufficiency on an annual basis.

The Compensation and Management Development Committee

The Compensation and Management Development Committee currently consists of Stephen Adamson, Blair Hendrix and William Brock. All of the Compensation and Management Development Committee's members are independent directors as defined in Rule 4200 of the NASD's listing standards and as required by Rule 4350(c)(3) of the NASD's listing standards.

The Compensation and Management Development Committee met three (3) times in separate session in fiscal 2004. The general duties of the Compensation and Management Development Committee are (i) to provide a general review of the Company's compensation and benefit plans and (ii) to review and establish compensation practices and policies for the officers of the Company.

COMPENSATION OF DIRECTORS

Edgar Filing: SMTC CORP - Form DEF 14A

We pay no additional remuneration to our employees for serving as directors or on committees. In October 2001 the Board approved a compensation arrangement for William Brock. Under that arrangement, we paid Mr. Brock a \$25,000 base fee per year for serving on our Board and meeting fees of \$500 for Board conference calls or Board committee meetings and \$1,000 for full Board meetings.

In March 2003, the Board approved a revised compensation plan effective January 1, 2003 for independent directors not affiliated with our major stockholders (the 2003 Compensation Plan). During fiscal 2004, we paid each independent director not affiliated with our major stockholders a \$25,000 base fee per year for serving on our Board and meeting fees of \$500 for Board conference calls or Board committee meetings and \$1,000 for full Board meetings.

Table of Contents

Under the 2003 Compensation Plan, each independent director who was not affiliated with our major stockholders was granted an option to purchase 3,000 shares of our common stock when appointed to the Board, and could be granted an option to buy 2,000 shares in each subsequent year. Half of each award vested one year after it was granted, and the balance on the second anniversary of the grant. Each award will have a term of five years from the date of the award. Share amounts in this paragraph have been adjusted to reflect the one-for-five reverse stock split of the Company's common stock that occurred on October 4, 2004.

Mr. Brock received options to purchase 5,000 shares under the original compensation arrangement when he joined the Board, and these vest over five years with a maximum term of ten years. Mr. Caldwell, who was then an independent director not affiliated with our major stockholders, and Mr. Cowan were granted their initial options to purchase 3,000 shares on May 6, 2003. Mr. Brock, who was in his second year as a director was granted an option to purchase 2,000 shares on May 6, 2003. The terms related to the options issued on May 6, 2003, were in accordance with the March 2003 compensation plan. Share amounts in this paragraph have been adjusted to reflect the one-for-five reverse stock split of the Company's common stock that occurred on October 4, 2004.

In addition, we paid Mr. Caldwell at a rate of \$250.00 per hour for his service as chairman of the Board's Special Restructuring Committee prior to his employment by the Company.

In September 2004, the Board approved a revised compensation plan effective January 1, 2005 for independent directors (the 2005 Compensation Plan). Beginning fiscal 2005, we will pay each independent director a \$40,000 base fee per year for serving on our Board, meeting fees of \$600 for Board or committee conference calls and \$1,200 for full Board meetings or committee meetings. A minimum of \$25,000 of the annual base fee will be in the form of shares of common stock or deferred share units until a \$100,000 threshold is attained. Members of the Audit Committee will receive an annual retainer of \$4,000, with the Chairman of the Audit Committee receiving an additional annual retainer of \$2,000. Members of other committees will receive an annual retainer of \$2,000, with the respective Chairman of each committee receiving an additional annual retainer of \$3,000.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

No interlocking relationship exists between any member of the Company's Board or Compensation and Management Development Committee and any member of the Board of Directors or compensation committee of any other company, nor has any interlocking relationship existed in the past.

The Audit Committee of the Board of Directors currently consists of three directors, William Brock, Thomas Cowan and Wayne McLeod. The duties of the Audit Committee are (i) to review with management and the independent auditors the scope and results of any and all audits, the nature of any other services provided by the independent auditors, the independence of the auditors, changes in the accounting principles applied to the presentation of the Company's financial statements, and any comments by the independent auditors on the Company's policies and procedures with respect to internal accounting, auditing and financial controls, (ii) to review the consistency and reasonableness of the financial statements contained in the Company's quarterly and annual reports prior to filing them with the Securities and Exchange Commission (or with any other regulatory authority) and discuss the results of these quarterly reviews, annual audits and any other matters required to be communicated by the independent auditors under generally accepted auditing standards and (iii) to select the Company's independent auditors and approve or pre-approve all auditing services and permitted non-audit services to be rendered by the auditor. The Board of Directors has adopted a written charter of the Audit Committee, the sufficiency of which is evaluated each year by the Audit Committee.

Consistent with its duties, the Audit Committee has reviewed and discussed with the Company's management the audited financial statements for the year ended December 31, 2004. KPMG LLP issued their unqualified report dated April 15, 2005 on SMTC's financial statements.

The Audit Committee has also received the written disclosures and the letter from KPMG LLP required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, and has discussed with KPMG LLP its independence as an auditor.

Based on these reviews and discussions, the Audit Committee has recommended to the Board of Directors that SMTC's audited financial statements for the year ended December 31, 2004 be included in the Annual Report on Form 10-K for the fiscal year then ended.

EXECUTIVE COMPENSATION AND RELATED INFORMATION

Compensation And Management Development Committee Report

Notwithstanding anything to the contrary set forth in any of SMTC's previous filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, that might incorporate future filings, including this proxy statement, in whole or in part, the following report and the performance graph on page 23 shall not be incorporated by reference into any such filings.

The Compensation and Management Development Committee is currently composed of three directors: Stephen Adamson, William Brock and Blair Hendrix. The Compensation and Management Development Committee is responsible for providing a general review of the Company's compensation and benefit plans to ensure that they meet corporate objectives, reviewing the Chief Executive Officer's recommendations on compensation of all officers, adopting and changing major compensation policies and practices, reporting its recommendations to the whole Board of Directors for approval and authorization and administering the Company's stock plans. The Compensation and Management Development Committee also has the power to select directors and officers to receive awards under the SMTC Corporation/SMTC Manufacturing Corporation of Canada 2000 Equity Incentive Plan. No member of this committee was an officer or employee of SMTC during fiscal 2004 and all members are independent directors as defined in Rule 4200 of the NASD's listing standards and as required by Rule 4350(c)(3) of the NASD's listing standards.

Compensation Philosophy. SMTC has developed and implemented compensation policies and plans that seek to align the financial interests of SMTC's senior management with the interests of its stockholders. SMTC seeks to reward performance in those quantitative areas believed to be important to the long-term interests of stockholders, namely enhanced profitability, return on invested capital and the successful development and implementation of the Company's strategic and operating plans. SMTC believes that any success in these quantitative areas also evidences success in qualitative areas relating to the work environment for SMTC employees, employee training and employee opportunity for advancement.

SMTC seeks to provide total compensation packages that will attract the best talent to SMTC, motivate individuals to perform at their highest levels, reward outstanding performance and retain executives whose skills are critical for building long-term stockholder value.

Elements of Compensation. The guiding principle of the Compensation and Management Development Committee is to provide the Company's senior management with competitive compensation opportunities based upon their contributions to the financial success of the Company and their personal performance. It is the Compensation and Management Development Committee's objective to make a portion of senior management's compensation contingent upon the Company's performance as well as upon his or her own level of performance. Accordingly, the compensation package for senior management is generally comprised of three components: (i) base salary, which reflects individual performance and is designed to be competitive with salary levels in the industry, (ii) annual performance awards payable in cash and tied to the Company's achievement of financial performance targets and individual performance and (iii) long-term stock-based incentive awards, which strengthen the alignment of interests between the executive officers and the Company's stockholders.

General. With respect to SMTC's senior management, compensation is determined in consultation with the Compensation and Management Development Committee by the President and Chief Executive Officer. Compensation of all senior management, including that of officers party to employment agreements, including the Chief Executive Officer, is or has been founded on the policies and general guidelines described below. SMTC's officers serve at the pleasure of the Board.

Base Salary. The base salaries for officers are determined on the basis of the following factors: experience, personal performance, salary levels for comparable positions within and without the industry and

Table of Contents

changes from year to year in an officer's functional responsibilities. The weight given to each of these factors varies from individual to individual.

Performance Awards. Bonuses may be earned by executive officers on the basis of the Company's achievement of certain corporate financial performance goals established for each fiscal year and individual performance.

Long-Term Compensation. Executive long term compensation is comprised of grants of stock options under the SMTC Corporation/SMTC Manufacturing Corporation of Canada 2000 Equity Incentive Plan (the "Plan"). Stock option grants are considered on an annual basis and are awarded at the Board's discretion. Stock options are intended to offer an equity incentive for superior performance and to foster the retention of key personnel through awards structured to vest and become exercisable over time, provided that the individual remains employed by SMTC. There is no set formula for the award of options. Factors considered in making option awards to employees and executives of SMTC generally include the importance of retaining such individual's services, such employee's potential to contribute to the success of SMTC and such employee's past contributions to SMTC. The actual options granted in fiscal 2004 to each of the named executive officers is indicated in the table labeled "Option Grants in Fiscal 2004" appearing on page 21 of this proxy statement.

Employment Agreements with Executive Officers. John Caldwell is and Philip Woodard was party to an employment agreement with the Company. Each of the contracts provides for a base salary and eligibility for a performance based bonus. Through the payment of annual bonuses the compensation of each of such officers, including that of the Chief Executive Officer, has been tied to corporate performance. For details regarding these employment agreements, see "Employment Arrangements" on page 20 of this proxy statement.

INDEPENDENT AUDITORS

The Audit Committee has selected KPMG LLP as independent auditors for the year ending December 31, 2005. KPMG LLP acted as independent auditors for SMTC for the year ending December 31, 2004.

Fees to SMTC for professional services rendered by KPMG LLP during fiscal 2003 and fiscal 2004 were as follows: *Audit Fees*: \$501,500 for fiscal 2003 and \$796,000 for fiscal 2004; *Audit Related Fees*: \$45,000 for fiscal 2003 and \$0 for fiscal 2004, which were in connection with reviewing the Company's internal controls documentation; *Tax Fees*: \$131,500 for fiscal 2003 and \$59,000 for fiscal 2004, which were in connection with tax compliance matters including the preparation of tax returns; and *All Other Fees*: \$0 for fiscal 2003 and \$0 for fiscal 2004.

In April 2004, the Board adopted an Audit and Non-Audit Services Pre-Approval Policy for the Audit Committee. Under the policy, the Audit Committee has pre-approved certain audit and audit related services, tax services and other services. The Audit Committee has determined that the provision of those services that are pre-approved in the policy will not impair the independence of the auditor. The provision of services by the auditor which are not pre-approved in the policy are subject to separate pre-approval by the Audit Committee. The policy also pre-approved certain specified fee levels for the specific services. Payments in excess of these specified levels are subject to separate pre-approval by the Audit Committee.

The Audit Committee has considered whether KPMG LLP's provision of non-audit services is compatible with its independence. We expect that representatives from KPMG LLP will be present at the Annual Meeting and will be available to respond to appropriate questions and have the opportunity to make a statement if they desire.

Notice to Exchangeable Shareholders

Our records show that you own exchangeable shares (Exchangeable Shares) in the capital of SMTC Manufacturing Corporation of Canada (SMTC Canada), a Canadian company. The Exchangeable Shares provide you with economic and voting rights which are, as nearly as practicable, equivalent to those of holders of shares of common stock of SMTC Corporation, the U.S. parent of SMTC Canada, including the right to attend and vote at meetings of the common stockholders of SMTC Corporation. SMTC Corporation (the Company) will be holding an annual meeting (the Annual Meeting) of its common stockholders on May 24, 2005 to:

1. Elect two Class II directors to serve until the 2008 Annual Meeting of Stockholders and until their successors are elected and qualified in accordance with the by-laws of the Company.
2. Transact such other business as may properly come before the Annual Meeting and any adjournment or postponement thereof.

At such Annual Meeting you will have voting rights, as described below, equal to the number of Exchangeable Shares you hold. You are permitted to instruct CIBC Mellon Trust Company, the Trustee under the Voting and Exchange Trust Agreement, as to how the Trustee is to vote your Exchangeable Shares at the Annual Meeting of SMTC Corporation. If you do not give voting instructions, the Trustee will not be entitled to exercise the voting rights attached to your Exchangeable Shares. Alternatively, you may instruct the Trustee to give you, or a person designated by you, a proxy to exercise personally the voting rights attached to your Exchangeable Shares. To instruct the Trustee as to how you wish to exercise your voting rights, you must complete, sign, date and return the enclosed voting instruction card to the Trustee by 5:00 p.m., Eastern Daylight Time, on May 23, 2005. Whether or not you plan to attend, please sign, date and return the voting instruction card in the envelope provided in order to ensure that your Exchangeable Shares will be represented at the Annual Meeting.

You have the right to revoke any instructions to the Trustee by giving written notice of revocation to the Trustee or by executing and delivering to the Trustee a later-dated voting instruction card. No notice of revocation or later-dated voting instruction card however, will be effective unless received by the Trustee prior to 5:00 p.m., Eastern Daylight Time, on May 23, 2005.

Non-Registered Holders

Only registered holders of Exchangeable Shares of SMTC Canada are permitted to instruct the Trustee as to how to vote their Exchangeable Shares at the Annual Meeting or to attend and vote at the Annual Meeting in person or by proxy as described above. You may be a beneficial owner of Exchangeable Shares (a Non-Registered Holder) if your Exchangeable Shares are registered either:

- (i) in the name of an intermediary (an Intermediary) with whom you deal in respect of the Exchangeable Shares, such as, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, and similar plans; or

Edgar Filing: SMTC CORP - Form DEF 14A

(ii) in the name of a clearing agency (such as The Canadian Depository for Securities Limited) of which the Intermediary is a participant.

SMTC Corporation has distributed copies of the Notice of Annual Meeting, the Proxy Statement dated April 22, 2005 and the Notice to Exchangeable Shareholders (collectively, the Meeting Materials) to Intermediaries

Table of Contents

who are required to forward these Meeting Materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. If you are a Non-Registered Holder who has not waived the right to receive Meeting Materials you will be given either:

- (i) a voting instruction card which has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Exchangeable Shares beneficially owned by you but which is otherwise blank. This voting instruction card need not be signed by you. In this case, if you wish to direct the voting of the Exchangeable Shares held by you or attend and vote at the Annual Meeting (or have another person attend and vote on your behalf) you should properly complete the voting instruction card and deposit it with CIBC Mellon Trust Company, Proxy Department, 200 Queens Quay East, Unit 6, Toronto, Ontario, M5A 4K9 or by fax to (416) 368-2502 prior to 5:00 p.m., Eastern Daylight Time, on May 23, 2005; or

- (ii) a voting instruction form which must be completed and signed by you in accordance with the directions on the voting instruction form.

The purpose of these procedures is to permit you, as a Non-Registered Holder, to direct the voting of the Exchangeable Shares you beneficially own or to attend and vote at the Annual Meeting, in person or by proxy. Non-Registered Holders should carefully follow the instructions of their Intermediaries and their service companies.

A Non-Registered Holder may revoke a voting instruction card/form given to an Intermediary at any time by written notice to the Intermediary, except that an Intermediary is not required to act on a revocation of a voting instruction card/form that is not received by the Intermediary at least seven days prior to the Annual Meeting.

Information relating to SMTC Corporation

Exchangeable Shares are exchangeable on a one-for-one basis for shares of common stock of SMTC Corporation and you, as a holder of Exchangeable Shares, are entitled to receive dividends from SMTC Canada payable at the same time as and equivalent to, on a per-share basis, any dividends paid by SMTC Corporation to holders of its shares of common stock. As a result of the economic and voting equivalency between the Exchangeable Shares and shares of common stock of SMTC Corporation you, as a holder of Exchangeable Shares, will have a participating interest determined by reference to SMTC Corporation not SMTC Canada. Accordingly, it is information relating to SMTC Corporation that is relevant to you and enclosed in this package is SMTC Corporation's Proxy Statement which we urge you to read carefully.
