Item 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

Nautilus, Inc. 2005 Long Term Incentive Plan

On June 6, 2005 the shareholders of Nautilus, Inc. (the Company) approved the Nautilus, Inc. 2005 Long Term Incentive Plan (the Plan). The Plan permits flexibility in types of awards, and specific terms of awards, which will allow future awards to be based on then-current objectives for aligning compensation with increasing long-term shareholder value.

The Compensation Committee of the Board of Directors (the Committee) will generally administer the Plan. The Committee will have full power and authority to determine when and to whom awards will be granted, including the type, amount, form of payment and other terms and conditions of each award, consistent with the provisions of the Plan. In addition, the Committee has the authority to interpret the Plan and the awards granted under the Plan, and establish rules and regulations for the administration of the Plan.

The Committee may delegate certain administrative duties associated with the Plan to the Company's officers, including the maintenance of records of the awards and the interpretation of the terms of the awards. The Committee may also delegate the authority to grant awards to a subcommittee comprised of one or more Board members, or to executive officers of the Company, provided that such subcommittee or executive officers cannot be authorized to grant awards to executive officers.

Awards under the Plan may be granted to any person who is (i) an employee of the Company, (ii) a non-employee member of the Board of Directors or the board of directors of any Company subsidiary, or (iii) a consultant who provides services to the Company; provided that stock appreciation rights and non-qualified stock options shall be granted only to persons as to which the Company is the service recipient, as such term is defined in Section 409A of the Internal Revenue Code.

The Plan will terminate on June 5, 2015, unless all shares available for issuance have been issued, the Plan is earlier terminated by the Board or the Committee, or the Plan is extended by an amendment approved by the Company's shareholders. No awards may be made after the termination date. However, unless otherwise expressly provided in an applicable award agreement, any award granted under the Plan prior to the termination date may extend beyond the end of such period through the award's normal expiration date.

The aggregate number of shares of the common stock authorized for issuance as awards under the Plan is 4,000,000, plus any shares of common stock that were previously reserved for issuance under the Company's Stock Option Plan and were not subject to grant on June 6, 2005 or as to which the option award is forfeited on or after June 6, 2005. The maximum aggregate number of shares of common stock subject to stock options, stock appreciation rights, restricted stock or stock unit awards which may be granted to any one participant in any one year under the Plan is 1,000,000.

Edgar Filing: NAUTILUS, INC. - Form 8-K

The aggregate number of shares available for issuance under the Plan shall be reduced by two (2) shares for each share delivered in settlement of any stock appreciation rights, restricted stock, stock unit or performance unit award, and one (1) share for each share delivered in settlement of a stock option award.

Under the Plan, the Committee can grant stock options, stock appreciation rights, restricted stock, stock units and performance units. Awards may be granted alone, in addition to, or in combination with any other award granted under the Plan. Subject to the limitations set forth in the Plan, the terms and conditions of each award shall generally be governed by the particular document or agreement granting the award. The terms and conditions set forth in an award agreement may include, as appropriate:

deemed issuance date;

expiration date;

number of shares covered by the award;

acceptable means of payment;

price per share payable upon exercise;

applicable vesting schedule;

individual performance criteria;

Company or group performance criteria;

continued employment requirement;

transfer restrictions; or

any other terms or conditions deemed appropriate by the Committee, in each case not inconsistent with the 2005 Plan.

Stock Options and Stock Appreciation Rights. The holder of an option will be entitled to purchase a number of shares of common stock at an exercise price not less than 100% of the fair market value of a share on the date of grant during a specified time period, as determined by the Committee. The option exercise price shall be paid in cash or in such other form if and to the extent permitted by the Committee, including without limitation by delivery of already owned shares. Other than in connection with a change in the capitalization of the Company, the exercise price of an option may not be reduced without shareholder approval.

The holder of a stock appreciation right will be entitled to receive, in cash or stock (as determined by the Committee), value with respect to a specific number of shares equal to or otherwise based on the excess of the market value of a share at the time of exercise over the exercise price of the right.

Restricted Stock and Stock Units. The holder of restricted stock will own shares of common stock subject to restrictions imposed by the Committee and subject to forfeiture to the Company if the holder does not satisfy certain requirements (including, for example, continued

employment with the Company) for a specified period of time. The holder of restricted stock units will have the right, subject to any restrictions imposed by the Committee, to receive shares of common stock, or a cash payment equal to the fair market value of those shares, at some future date determined by the Committee, provided that the holder has satisfied certain requirements (including, for example, continued employment with the Company until such future date).

Performance Units. The holder of performance units will have the right, subject to any restrictions imposed by the Committee to receive shares or cash upon achievement of certain goals relating to performance.

Unless otherwise provided by the Committee, awards under the Plan may only be transferred by will or the laws of descent and distribution. The Committee may permit further transferability pursuant to conditions and limitations that it may impose, except that no transfers for consideration will be permitted.

In the event of any stock dividend, stock split, combination of shares, extraordinary dividend of cash and/or assets, recapitalization, reorganization or any similar event, the Committee is entitled to appropriately and equitably adjust the number and kind of shares or other securities which are subject to the Plan or subject to any award under the Plan.

Subject to any restrictive terms which may be set forth in award agreements, in the event the Company is a party to a merger or other reorganization, outstanding awards shall be subject to the agreement of merger or reorganization. Such agreement may provide, without limitation, for the assumption of outstanding awards by the surviving corporation or its parent, for their continuation by the Company (if the Company is a surviving corporation) for accelerated vesting and accelerated expiration, or for settlement in cash.

The Board may generally amend or terminate the Plan as determined to be advisable. Shareholder approval may also be required for certain amendments pursuant to the Internal Revenue Code, the rules of the New York Stock Exchange, or rules of the Securities and Exchange Commission. No amendment or alteration of the Plan may be made which would impair the rights of any participant under any outstanding award, without such participant's consent, provided that no consent is required with respect to any amendment or alteration if the Committee determines that such amendment or alteration is either:

required or advisable in order for the Company, the Plan or the award to satisfy any law or regulation or to meet the requirements of any accounting standard, or

not reasonably likely to significantly diminish the benefits provided under such award, or that any such diminishment has been adequately compensated.

A copy of the Plan is attached as Exhibit 10.1 to this report and is incorporated herein. The foregoing description of the Plan does not purport to be complete and is qualified in its entirety by reference to such exhibit.
