The information in this Current Report on Form 8-K, including Exhibits 99.1 and 99.2, is being furnished in accordance with the provisions of General Instruction B.2 of Form 8-K.

**Forward-Looking Statements**

Certain statements in the transcript and slides attached hereto relate to future events and expectations and as such constitute forward-looking statements. Forward-looking statements also include those containing such words as anticipates, believes, estimates, expects, hopes, targets, should, will, will likely result, forecast, outlook, projects or similar expressions. Such forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause actual results, performance or achievements of Alcoa to be different from those expressed or implied in the forward-looking statements. Alcoa disclaims any intention or obligation, other than as required by law, to update or revise any forward-looking statements. Important factors that could cause actual results to differ materially from those in the forward-looking statements include: (a) material adverse changes in economic or aluminum industry conditions generally, including global supply and demand conditions and prices for primary aluminum, alumina and other products; (b) material adverse changes in the markets served by Alcoa, including the transportation, building, construction, distribution, packaging, industrial gas turbine and other markets; (c) Alcoa's inability to mitigate impacts from rising energy and raw materials costs, employee benefit costs, or other cost inflation; (d) Alcoa's inability to achieve the level of productivity improvements or earnings or revenue growth anticipated by management, whether due to unplanned production outages, equipment failures, unfavorable changes in product mix, labor disputes, or other factors; (e) Alcoa's inability to realize the full extent of expected savings or benefits from its restructuring activities or to complete such activities in accordance with its planned timetable; (f) Alcoa's inability to complete its expansion projects and investment activities outside the U.S. as planned and by targeted completion dates, or to assure that the anticipated integration costs at its recently acquired Russian facilities will not exceed its estimates; (g) unfavorable changes in laws, governmental regulations or policies, currency exchange rates, or competitive factors in the countries in which Alcoa operates; (h) significant legal proceedings or investigations adverse to Alcoa, including environmental, product liability, safety and health and other claims; (i) Alcoa's inability to satisfactorily renegotiate collective bargaining agreements in the U.S. and other countries when they expire and (j) the other risk factors summarized in Alcoa's Form 10-K for the year ended December 31, 2005 and other reports filed with the Securities and Exchange Commission.
