PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

General Information

The Board of Directors of SMTC Corporation, a Delaware corporation, is soliciting your proxy form to vote your shares at our 2009 Annual Meeting of Stockholders to be held on Monday, July 6, 2009 at 11:00 a.m., Eastern Daylight Time, at our offices located at 635 Hood Road, Markham, Ontario, Canada, L3R 4N6.

This Proxy Statement contains important information regarding our annual meeting. Specifically, it identifies the proposals on which you are being asked to vote, provides information that you may find useful in determining how to vote, and describes voting procedures.

We use several abbreviations in this Proxy Statement. We refer to our company as SMTC or the Company. We call our board of directors the Board. References to 2008 mean our fiscal period 2008, which began on January 1, 2008 and ended on January 4, 2009. We refer to the 2009 Annual Meeting of Stockholders as the Annual Meeting.

As permitted by rules recently adopted by the Securities and Exchange Commission, we are making this proxy statement and our annual report available to our stockholders electronically via the Internet. On May [], 2009, we mailed to our common stock shareholders of record as of the close of business on May 8, 2009 a Notice of Internet Availability of Proxy Materials, or the Notice, containing instructions on how to access this proxy statement and our annual report online, and we began mailing these proxy materials to the trustee for the special voting share and holders of exchangeable shares. If you received a Notice by mail, you will not receive a printed copy of the proxy materials in the mail. Instead, the Notice instructs you on how to access and review all of the important information contained in the proxy statement and annual report. The Notice also instructs you on how you may submit your proxy over the Internet. If you received a Notice by mail and would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting such materials included in the Notice. The Company will bear all attendant costs of the solicitation of proxies.

The Company will reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation materials to such beneficial owners, including beneficial owners of exchangeable shares subject to and in accordance with the provisions of National Instrument 54-101 Communication with Beneficial Owners of Securities of a Reporting Issuer. Proxies may be solicited by certain of the Company's directors, officers and regular employees, without additional compensation, personally or by telephone, facsimile, or email, or by a third party.

Who May Attend and Vote?

Each holder of the Company's common stock, par value \$.01 per share (Common Stock), is entitled to one vote for each share of Common Stock owned as of the record date, and CIBC Mellon Trust Company (the Trustee), the holder of the Company's special voting share (the Special Voting Share), is entitled to one vote for each exchangeable share (an Exchangeable Share) of SMTC Manufacturing Corporation of Canada (SMTC Canada), a subsidiary of the Company, outstanding as of the record date, May 8, 2009 (other than Exchangeable Shares owned by the Company and its subsidiaries). Holders of Common Stock and the Special Voting Share are collectively referred to as Stockholders. Votes cast with respect to Exchangeable Shares will be voted through the Special Voting Share by the Trustee as directed by the holders of Exchangeable Shares, except votes cast with respect to Exchangeable Shares whose holders request to vote directly in person as proxy for the Trustee at the Annual Meeting. On the record date, 13,900,784 shares of our Common Stock were issued and outstanding, one share of the Company's Special Voting Stock was issued and outstanding and 745,548

Table of Contents

Exchangeable Shares of SMTC Canada were issued and outstanding (excluding Exchangeable Shares owned by the Company and its subsidiaries, which are not voted). Each Exchangeable Share is exchangeable at any time, at the option of its holder, for one share of Common Stock.

At least ten days before the 2009 Annual Meeting of Stockholders, the Company will make a complete list of the stockholders entitled to vote at the Annual Meeting open to the examination of any stockholder for any purpose germane to the Annual Meeting at its principal executive offices at 635 Hood Road, Markham, Ontario, Canada L3R 4N6. The list will also be made available to Stockholders present at the Annual Meeting.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Most SMTC Stockholders hold their shares through a broker, bank or other nominee rather than directly in their own name as the Stockholder of record. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholder of Record If your shares are registered directly in your name with SMTC's Transfer Agent, BNY Mellon Shareowner Services. (BNY Mellon), you are considered, with respect to those shares, the *Stockholder of record*. As the *Stockholder of record*, you have the right to grant your voting proxy directly to SMTC or to vote in person at the Annual Meeting.

Beneficial Owner If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held *in street name* and your broker or nominee is considered, with respect to those shares, the *Stockholder of record*. As the beneficial owner, you have the right to direct your broker or nominee on how to vote and are also invited to attend the Annual Meeting. However, since you are not the *Stockholder of record*, you may not vote these shares in person at the Annual Meeting unless you receive a proxy from your broker or nominee. Your broker or nominee has provided voting instructions for you to use. If you wish to attend the Annual Meeting and vote in person, please contact your broker or nominee so that you can receive a legal proxy to present at the Annual Meeting.

How Do I Vote?

As a Stockholder, you have the right to vote on certain business matters affecting the Company. The proposals that will be presented at the Annual Meeting, and upon which you are being asked to vote, are discussed in the sections of this proxy statement entitled Proposal No. 1 Election of Directors and Proposal No. 2 Approval of Amendment to the Charter to Eliminate Director Classes. Each share of the Company's Common Stock you own entitles you to one vote. The Trustee is entitled to one vote for each Exchangeable Share of SMTC Canada outstanding as of the record date (other than Exchangeable Shares owned by the Company and its subsidiaries).

Stockholders of record can vote in person at the Annual Meeting or by proxy. There are three ways to vote by proxy:

By Telephone Stockholders of record located in the United States can vote by telephone by calling 1-866-540-5760 and following the instructions on the Notice;

By Internet You can vote over the Internet at www.proxyvoting.com/smtx by following the instructions on the Notice; or

By Mail If you received your proxy materials by mail or printed the proxy card posted at www.smtc.com/en/proxy, you can vote by mail by signing, dating and mailing the proxy card to: SMTC Corporation, 635 Hood Road, Markham, Ontario, Canada L3R 4N6. Telephone and Internet voting facilities for stockholders of record will be available 24 hours a day and will close at 11:59 p.m. (EDT) on July 5, 2009.

If you vote by proxy, you enable the individuals named by you in your proxy (your proxies) to vote your shares at the Annual Meeting in the manner you indicate. We encourage you to vote by proxy even if you plan to attend the Annual Meeting. In this way, your shares will be voted if you are unable to attend the Annual Meeting.

Table of Contents

Your shares will be voted as you direct on your proxy, whichever way you choose to submit it. If you attend the Annual Meeting, you may deliver your completed proxy card in person or fill out and return a ballot that will be supplied to you. In the absence of instructions on a properly executed proxy, proxies from holders of Common Stock will be voted FOR the proposals.

Votes with respect to Exchangeable Shares represented by valid voting instructions received by the Trustee will be cast by the Trustee in accordance with those instructions. If a properly executed voting instruction card is not received by the Trustee from a holder of Exchangeable Shares, the votes to which such holder is entitled will not be exercised.

Beneficial Owners should follow voting instructions provided by their broker or nominee.

What Does the Board of Directors Recommend?

If you submit a proxy but do not indicate your voting instructions, the person[s] named as proxies on your proxy will vote in accordance with the recommendations of the Board of Directors. The Board recommends that you vote:

FOR the nominees for director identified in Proposal No. 1.

FOR the amendment to the Company's Amended and Restated Certificate of Incorporation to eliminate the number of classes of directors detailed in Proposal No. 2.

What Vote Is Required For The Proposal?

A majority of the shares entitled to vote, present in person or represented by proxy, constitutes a quorum for the transaction of business at the Annual Meeting. The following votes are required with respect to the proposals.

For the election of directors, the candidate receiving the greatest number of affirmative votes (a plurality vote) of the votes attached to shares of Common Stock and the Special Voting Share will be elected.

For the approval of Proposal No. 2, the affirmative vote of a majority of the shares outstanding and entitled to vote thereon at the Annual Meeting is required.

An automated system administered by the Company's transfer agent will tabulate votes cast by proxy at the Annual Meeting, and an officer of the Company will tabulate votes cast in person at the Annual Meeting.

Shares represented by proxies that indicate an abstention or a broker non-vote will be counted as shares that are present and entitled to vote on the matter for purposes of determining the presence or absence of a quorum. Shares that abstain from voting as to a particular matter, and shares held in street name by brokers or nominees that indicate on their proxy that they do not have discretionary authority to vote such shares as to a particular matter, will not be counted as votes in favor of such matter and will also not be counted as votes cast or shares voting on such matter. Abstentions and broker non-votes will not be included in vote totals and will not affect the outcome of the voting on the election of directors but will have the effect of a negative vote on Proposal No. 2.

May I Change My Proxy?

Yes. A proxy may be revoked by the Stockholder giving the proxy at any time before it is voted by written notice of revocation delivered to the Company prior to the Annual Meeting, and a prior proxy is automatically revoked by a Stockholder giving a subsequent proxy or attending and voting at the Annual Meeting. To revoke a proxy previously submitted by telephone or through the Internet, you may simply vote again at a later date, using the same procedures, in which case your later submitted vote will be recorded and your earlier vote revoked. Attendance at the Annual Meeting in and of itself does not revoke a prior proxy.

Edgar Filing: SMTC CORP - Form PRER14A

Holders of Exchangeable Shares who wish to direct the Trustee to cast the votes attached to the Special Voting Share on their behalf should follow carefully the instructions provided by the Trustee, which accompany this Proxy Statement. The procedure for instructing the Trustee differs in certain respects from the procedure for delivering a proxy, including the place for depositing the instructions and the manner for revoking the instructions.

PROPOSAL NO. 1 ELECTION OF DIRECTORS

The number of directors on the Board is currently fixed at six. The Company's Amended and Restated Certificate of Incorporation, or our Charter, and Amended and Restated By-laws, or our By-laws, currently divide the Company's Board of Directors into three classes. The members of each class of directors serve staggered three year terms.

The Board is currently composed of two Class I directors (John Caldwell and John Marinucci), two Class II directors (David Sandberg and Wayne McLeod) and two Class III directors (Thomas Cowan and Alex Walker), whose terms will expire upon the election and qualification of directors at the Annual Meeting of Stockholders held in 2010, 2011 and 2009, respectively.

At this Annual Meeting, the Stockholders will elect two Class III directors to serve a three year term until the 2012 Annual Meeting of Stockholders and until a qualified successor is elected and qualified or until the director's earlier resignation or removal. If Proposal No. 2 detailed below is approved the three director classes are discontinued and the Board of Directors would be elected annually.

Two directors whose term of office expires at the 2009 Annual Meeting, Thomas Cowan and Alex Walker, have been nominated for re-election to our Board of Directors. The Board has no reason to believe that Mr. Cowan or Mr. Walker will be unable or unwilling to serve as a director if elected. If, however, any nominee cannot or will not serve as a director, the persons named on your proxy may vote for a substitute nominee designated by the Board.

Class III Director Nominees

Thomas Cowan has served as a director since March 2003. Mr. Cowan is currently CEO of Vecker Corporation. From January 2005 to December 2005 Mr. Cowan was Executive in Residence at RockRidge Capital Partners. From December 2001 to December 2004, Mr. Cowan was Chairman, President and CEO of OutlookSoft Corporation. From March 2000 to December 2001, Mr. Cowan served as Chairman and President of Vcommerce Corporation. Previously he served for over 20 years in various financial and general management positions at IBM Corporation.

Alex Walker was appointed director in June 2008. Mr. Walker is currently Founder and Managing Director of Blackmore Partners Inc., a strategy and financial advisory firm. Prior to joining Blackmore Partners in 2007, Mr. Walker held CEO, COO, and CFO roles for private and public technology and manufacturing companies, such as Cube Route Inc., Abridgean Inc., Divine Inc., GNC Inc., and Guernsey Bel. Mr. Walker has served on the boards of several companies. He received an MBA from the University of Chicago and a Mechanical Engineering Degree from Queen's University.

REQUIRED VOTE

The nominees receiving the highest number of affirmative votes of the votes attached to the Common Stock and the Special Voting Share, voting together as a single class, will be elected Class III directors of the Company.

THE BOARD RECOMMENDS A VOTE IN FAVOR OF THE ELECTION OF THE NOMINEES NAMED ABOVE.

PROPOSAL NO. 2 APPROVAL OF AMENDMENT TO THE CHARTER TO ELIMINATE DIRECTOR CLASSES

As described in Proposal No. 1 above, our Charter currently provides for the Board of Directors to be divided into three classes, for one of the three classes to be elected each year, and for each director to serve a three-year term. The provisions relating to the three classes of the Board are set forth in Article X of the Charter. In conjunction with the global settlement agreement (the Settlement Agreement) that we entered into with our largest shareholder on June 10, 2008, the Board believes that the elimination of classes of directors reflects current corporate governance best practices and is in the best interests of the Company, and recommends the elimination of classes of directors. Therefore, the Board is asking for your approval to amend the Company's Charter to implement this change, which requires the affirmative vote of holders of a majority of the shares outstanding and entitled to vote at the Annual Meeting.

The Board has adopted, and recommends for Stockholder approval, an amendment to the following sections of Article X of the Charter that would, if adopted, eliminate the division of the Board into three classes. The proposed amendment to the provisions of Article X of the Charter set forth below is referred to in this proxy statement as the Class Charter Amendment. If this Proposal No. 2 is approved, Sections 2 and 5 of Article X of the Charter will be deleted, the section will be renumbered to reflect these deletions and Section 4 will be amended to read in its entirety as follows:

4. *Terms of Office.* Except as provided in Section 6 of this Article X, each director shall serve for a term ending on the date of the annual meeting following the annual meeting at which such director was elected; *provided, however*, that the term of each director shall be subject to the election and qualification of his or her successor and to his or her earlier death, resignation or removal.

If this Proposal No. 2 receives the requisite approval by Stockholders at the Annual Meeting, we will file with the Secretary of State of the State of Delaware an amendment and restatement of the Charter implementing the Class Charter Amendment, substantially in the form attached to this proxy statement as Appendix A. Additionally, the Board will approve an amendment to the By-laws to give effect to the changes described in this Proposal 2. If this Proposal No. 2 fails to receive the requisite approval by Stockholders at the Annual Meeting, the Board of Directors will remain classified in three classes as described under Proposal No. 1.

Before voting, we encourage Stockholders to read Appendix A, which qualifies the description of the Class Charter Amendment in its entirety.

REQUIRED VOTE

To be approved by the Stockholders, Proposal No. 2 must receive For votes from a majority of the shares outstanding and entitled to vote thereon at the Annual Meeting. If you abstain from voting, it will have the same effect as an Against vote, and broker non-votes will have the same effect as an Against vote.

THE BOARD RECOMMENDS A VOTE IN FAVOR OF PROPOSAL NO. 2.

The Board approved a written charter for the Nominating and Governance Committee in April 2004, which is available on the Company's website at www.smtc.com.

The Nominating and Governance Committee considers, among others, the following characteristics and qualities when proposing a nominee for the Board of Directors:

The Board adopted and approved a revised written charter for the Audit Committee in April 2004, which was attached as an annex to the Company's proxy statement filed in connection with its 2007 annual meeting of stockholders. The Audit Committee evaluates the sufficiency of its charter on an annual basis.

The Compensation and Management Development Committee

The Compensation Committee currently consists of all independent members of the Board of Directors. Until March 24, 2008, Stephen Adamson served on the Compensation Committee, and until December 10, 2008, William Brock served on the Compensation Committee. The Compensation Committee met two (2) times in separate sessions in 2008. The general duties of the Compensation Committee are (i) to provide a general review of the Company's compensation and benefit plans and (ii) to review compensation practices and policies and establish compensation for the officers of the Company.

DIRECTOR INDEPENDENCE

The Board has determined that each of Thomas Cowan, John Marinucci, David Sandberg, Alex Walker and Wayne McLeod is an independent director as defined in the rules of the NASDAQ Global Market (NASDAQ Rules). Stephen Adamson and William Brock were also considered to be independent directors.

All members of the Nominating and Governance Committee are independent directors as defined in and as required by NASDAQ Rules.

All Audit Committee members are independent directors as defined in NASDAQ Rules and Rule 10A-3(b)(1) under the Securities and Exchange Act of 1934, and as required by NASDAQ Rules.

All Compensation Committee members are independent directors as defined in and as required by NASDAQ Rules.

COMPENSATION OF DIRECTORS

From January 1st, 2005 to December 31st, 2008, director compensation was governed by a plan presented to the Board in September of 2004 (the 2005 Compensation Plan). Under the 2005 Compensation Plan, we paid the Chairman of the Board a \$75,000 base fee per year, and each independent director a \$40,000 base fee per year, for serving on our Board, meeting fees of \$600 for Board or committee conference calls and \$1,200 for full Board meetings or committee meetings. Over the course of each director's service, a minimum of \$25,000 of the annual base fee due to such director each year is paid in the form of shares of Common Stock or deferred share units, until a \$100,000 threshold is attained. Thereafter, the director's fees are paid all in cash. Members of the Audit Committee received an annual retainer of \$4,000, with the Chairman of the Audit Committee receiving an additional annual retainer of \$2,000. Members of other committees received an annual retainer of \$2,000, with the respective Chairman of each committee receiving an additional annual retainer of \$3,000.

In 2008, the Company completed a Director Compensation benchmarking analysis using publicly available data from fourteen North American public EMS companies with revenues in the range of \$118 million to \$2.9 billion. With respect to director compensation, the Company concluded that the compensation paid to directors was below average within the group. If the larger peers were excluded from the group, our director compensation was in line with industry norms.

In November 2008, the Board approved a revised compensation plan effective January 1st, 2009 for independent directors (the 2009 Compensation Plan). Pursuant to the 2009 Compensation Plan, independent directors will earn a retainer of CDN \$50,000 per year for serving on our Board. The Chairman of the Board will earn an additional retainer of CDN \$15,000, the Chairman of the Audit Committee will earn an additional retainer of CDN \$6,000 and the Chairman of all other committees will earn an additional retainer of CDN \$3,000. Board fees will be reduced on a prorated basis for non-attendance. The Members of the Board are also required over a five year period to own shares valued at CDN \$50,000.

Table of Contents**POST-TERMINATION COMPENSATION AND CHANGE OF CONTROL PAYMENTS**

Mr. Caldwell's employment was governed by an employment agreement dated February 7, 2005, until that employment agreement was superseded by an employment agreement dated August 15, 2006. With respect to the other executive officers prior to fiscal year 2007, the terms of employment regarding compensation and termination benefits were governed by terms outlined in individual offers of employment. In March of 2007, we amended the employment agreement with Mr. Caldwell, and the employment arrangements for Mr. Hoffrogge and Ms. Todd were formalized into employment agreements that mirrored the provisions outlined in each original offer letter. There are no changes between Mr. Caldwell's prior agreement and the offer letters that had been in place with Mr. Hoffrogge and Ms. Todd as compared to the new employment agreements with respect to any of the termination provisions detailed in this section.

Termination Without Cause

The executive officers have employment agreements with the Company that provide compensation upon termination for other than cause.

Under the agreements, the Company provides its executive officers, except for the Chief Executive Officer, with benefits equal to:

- a) Salary continuation for a period of twelve (12) months, plus one (1) month for every completed year of active employment beyond twelve (12) years of service, in the case of Ms. Todd and Mr. Hoffrogge, to a maximum of eighteen (18) months of salary continuance, and
- b) benefits continuation for the severance period.

In the event that, prior to the end of the salary continuation period, the executive officer obtains alternative employment that provides total remuneration that is at least 75% of the executive officer's total compensation previously provided by the Company, then the salary continuation payments will be discontinued and the Company will provide a lump sum payment, less applicable deductions, that is equivalent to 50% of the then remaining salary continuation payments that the executive officer would have been entitled to.

The Chief Executive Officer's employment agreement also provides compensation upon termination for other than cause. Under this agreement, the Company provides the Chief Executive Officer a lump sum payment, less applicable statutory deductions, equivalent to two times the aggregate base salary and benefits plus the target bonus payable under the Incentive Plan.

In the event that an executive officer is terminated without cause and is the recipient of the compensation described above, the executive officer must adhere to certain non-solicitation and confidentiality covenants in his or her respective employment agreement in order to receive such compensation during the severance period. Specifically, such executive officer cannot solicit any of the Company's customers or employees for a period of eighteen (18) months, in the case of Mr. Hoffrogge, twelve (12) months, and he or she cannot disclose or make use of any of the Company's confidential information in the same manner that was agreed to in the employment agreement. If the executive officer violates any of these covenants during the salary continuation period, all salary continuation payments and any rights to such will be terminated.

Based on a hypothetical termination date of January 4, 2009, the severance benefits for the executive officers are as follows:

	Base Salary	Car	Benefits	Bonus	Total
John Caldwell	\$ 1,002,006	\$ 67,536	\$ 11,256	\$ 1,002,006	\$ 2,082,804
Jane Todd	\$ 236,898	\$ 13,507	\$ 5,628		\$ 256,033
Steve Hoffrogge	\$ 343,384	\$ 18,010	\$ 7,035		\$ 368,429

Termination in the Event of a Change of Control

The Company has included a change of control provision in the employment agreement of the Chief Executive Officer. In the event of a change of control as described below, if within six months following the change of control the Chief Executive Officer is terminated without cause or is constructively dismissed, the Chief Executive Officer is entitled to a lump sum payment, less applicable statutory deductions, equivalent to two times the aggregate base salary plus the target bonus payable under the Incentive Plan. In establishing this provision, the Board of Directors considered the market competitiveness of the arrangement and the Company's ability at the time to retain a qualified Chief Executive Officer.

Based on a hypothetical termination date of December 31, 2008, the severance benefit in the event of a change of control for the Chief Executive Officer is \$2,082,804.

In the Chief Executive Officer's employment agreement, a change of control is defined as follows:

- a) the acquisition, directly or indirectly and by any means whatsoever, by any one stockholder, or group of stockholders acting jointly or in concert, of more than 50% of the outstanding voting shares of the Company; or
- b) a sale by the Company (in one or more transactions) of all or substantially all of its assets to an unrelated third party, or other liquidation or dissolution; or
- c) a merger, consolidation, arrangement or other reorganization of the Company which results in the Company's stockholders owning less than 50% of the voting shares of the resulting entity.

Termination as a Result of the Privatization of the Company

In the event that the Company's common shares cease to be publicly traded or the Company ceases to be an SEC registrant (except by reason of a change of control where the executive officer continues as Chief Executive Officer of a successor public company), the Chief Executive Officer may at his option, deem his employment to have been terminated without cause. He would then be entitled to all of the benefits specific to him described above in Termination Without Cause.

Accelerated Vesting of Stock Options in the Event of a Change of Control

The 2000 Plan contains provisions to protect the executive officers in the event of a change of control, defined in the 2000 Plan as a covered transaction.

In the 2000 Plan, a covered transaction is defined as any of:

- (i) a consolidation or merger in which the Company is not the surviving corporation or which results in the acquisition of all or substantially all of the Company's then outstanding Common Stock by a single person or entity or by a group of persons and/or entities acting in concert,
- (ii) a sale or transfer of all or substantially all of the company's assets, or
- (iii) a dissolution or liquidation of the Company.

In the event of a covered transaction:

Edgar Filing: SMTC CORP - Form PRER14A

- a) all outstanding awards shall vest and if relevant become exercisable, immediately prior to the covered transaction;
- b) all deferrals, other than deferrals of amounts that are neither measured by reference to nor payable in shares of Common Stock or exchangeable shares, shall be accelerated, immediately prior to the covered transaction; and
- c) upon consummation of a covered transaction, all awards then outstanding and requiring exercise shall be forfeited unless, in each case, such awards and deferrals are assumed by the acquiring or surviving entity or its affiliate.

Table of Contents

In connection with any covered transaction in which there is an acquiring, a surviving entity or in which all or substantially all of the Company's then outstanding Common Stock is acquired, the Compensation Committee may provide for substitute or replacement awards from, or the assumption of awards by, the company, the acquiring or surviving entity or its affiliates, as applicable.

Termination in the Event of Disability

The employment agreements of the executive officers provide for termination in the event of a partial or total disability of an executive officer.

Partially or Totally Disabled means any physical or mental incapacity, disease or affliction, as determined by a legally qualified medical practitioner, which prevents the executive officer from performing the essential duties of his position.

In the event that the executive officer is Partially or Totally Disabled for a period of six (6) months or less, he shall receive all remuneration including bonuses, payments and rights including all benefits provided for under the employment agreement, as if he were regularly and fully employed.

In the event that the executive officer is Partially or Totally Disabled for a continuous period of more than six (6) months, the Company shall be entitled to terminate the employment of the executive officer by giving written notice to the executive officer. In the event of a termination of employment under these circumstances, the executive officer shall be entitled to the salary continuance benefits that would have been payable if the termination was involuntary and not for cause (as described above).

INDEPENDENT AUDITORS

KPMG LLP acted as independent auditors for the Company for the period ended January 4, 2009.

Fees to the Company for professional services rendered by KPMG LLP during 2007 and 2008 were as follows: *Audit Fees*: U.S.\$700,500 for 2007 and U.S.\$632,200 for 2008; *Tax Fees*: U.S.\$27,900 for 2007 and U.S.\$5,300 for 2008, which were in connection with tax compliance matters; and *All Other Fees*: \$0 for each of 2007 and 2008.

In April 2004, the Board adopted an Audit and Non-Audit Services Pre-Approval Policy for the Audit Committee. Under the policy, the Audit Committee has pre-approved certain audit and audit related services, tax services and other services. The Audit Committee has determined that the provision of those services that are pre-approved in the policy will not impair the independence of the auditor. The provision of services by the auditor which are not pre-approved in the policy are subject to separate pre-approval by the Audit Committee. The policy also pre-approved certain specified fee levels for the specific services. Payments in excess of these specified levels are subject to separate pre-approval by the Audit Committee.

The Audit Committee has considered whether KPMG LLP's provision of non-audit services is compatible with its independence. We expect that representatives from KPMG LLP will be present at the Annual Meeting and will be available to respond to appropriate questions and have the opportunity to make a statement if they desire.

Stockholder Proposals

In order for Stockholder proposals that are submitted pursuant to Rule 14a-8 of the Securities Exchange Act of 1934, as amended (the Exchange Act), to be considered by the Company for inclusion in the proxy material for SMTC's 2010 Annual Meeting of Stockholders, they must be received by the Secretary of the Company on or before January 26, 2010 at its principal executive offices, 635 Hood Road, Markham, Ontario, Canada L3R 4N6.

For proposals that Stockholders intend to present at the 2010 Annual Meeting of Stockholders outside the processes of the Rule 14a-8 of the Exchange Act, unless the Stockholder notifies the Company of such intent on or before May 13, 2010, any proxy that management solicits for such annual meeting will confer on the holder of the proxy discretionary authority to vote on the proposal so long as such proposal is properly presented at the meeting.

Notwithstanding the foregoing, our Amended and Restated By-Laws set forth procedures Stockholders must comply with to make nominations for election to the Board of Directors. Such nominations must be made by notice in writing delivered or mailed to the Secretary of the Company and received at the Company's principal executive office, 635 Hood Road, Markham, Ontario, Canada L3R 4N6 not less than 60 days or more than 90 days prior to the anniversary date of the immediately preceding annual meeting of Stockholders. If the annual meeting is not held within 30 days before or after such anniversary date, then such nomination must have been delivered to or mailed and received by the Secretary not later than the close of business on the 10th day following the date on which the notice of the meeting was mailed or such public disclosure was made, whichever occurs first. Such notice must set forth (a) as to each proposed nominee (i) the name, age, business address and, if known, residence address of each such nominee, (ii) the principal occupation or employment of each such nominee, (iii) the number of shares of stock of the Company beneficially owned by each such nominee, and (iv) any other information concerning the nominee that must be disclosed as to nominees in proxy solicitations pursuant to Regulation 14A under the Exchange Act, including such person's written consent to be named as a nominee and to serve as a director if elected; and (b) as to the Stockholder giving the notice (i) the name and address, as they appear on the Company's books, of such Stockholder and (ii) the class and number of shares of

the Company that are beneficially owned by such Stockholder (and evidence of such ownership if not also held of record by such Stockholder). The Company may require any proposed nominee or nominating Stockholder to furnish such other information as may reasonably be required to determine the eligibility of such proposed nominee to serve as a director of the Company. If such procedures are not complied with, the chairman of the meeting may determine and declare to the meeting that a nomination was not made in accordance with the foregoing procedures and the defective nomination will be disregarded.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Company's directors, executive officers and any persons who directly or indirectly hold more than 10% of the Company's Common Stock (Reporting Persons) to file reports of ownership and changes in ownership with the Securities and Exchange Commission (SEC) on Forms 3, 4 and 5. Reporting Persons are required by SEC regulations to furnish the Company with copies of all Forms 3, 4 and 5 they file.

Based on the Company's review of copies of such forms it has received from its executive officers, directors and greater than 10% beneficial owners, the Company believes that during the year ended January 4, 2009, all Section 16(a) filing requirements applicable to its Reporting Persons were met in a timely manner.

ARTICLE VIII

1. *Indemnification.* The Corporation shall, to the maximum extent permitted under the DGCL and except as set forth below, indemnify, hold harmless and, upon request, advance expenses to each person (and the heirs, executors or administrators of such person) who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he or she is or was, or has agreed to become, a director or officer of the Corporation, or is or was serving, or has agreed to serve, at the request of the Corporation, as a director, officer or trustee of, or in a similar capacity with, another corporation, partnership, joint venture, trust or other enterprise, including any employee benefit plan (any such person being referred to hereafter as an *Indemnitee*), or by reason of any action alleged to have been taken or omitted in such capacity, against all expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him or her or on his or her behalf in connection with such action, suit or proceeding and any appeal therefrom, if he or she acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the Corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. Notwithstanding anything to the contrary in this Article, the Corporation shall not indemnify an Indemnitee seeking indemnification in connection with any action, suit, proceeding, claim or counterclaim, or part thereof, initiated by the Indemnitee unless the initiation thereof was approved by the Board of Directors of the Corporation.
2. *Advance of Expenses.* Notwithstanding any other provisions, this Amended and Restated Certificate of Incorporation, the By-Laws of the Corporation, or any agreement, vote of stockholder or disinterested directors, or arrangement to the contrary, the Corporation shall advance payment of expenses incurred by an Indemnitee in advance of the final disposition of any matter only upon receipt of an undertaking by or on behalf of the Indemnitee to repay all amounts so advanced in the event that it shall ultimately be determined that the Indemnitee is not entitled to be indemnified by the Corporation as authorized in this Article. Such undertaking may be accepted without reference to the financial ability of the Indemnitee to make such repayment.
3. *Subsequent Amendment.* No amendment, termination or repeal of this Article or of the relevant provisions of the DGCL or any other applicable laws shall affect or diminish in any way the rights of any Indemnitee to indemnification under the provisions hereof with respect to any action, suit, proceeding or investigation arising out of or relating to any actions, transactions or facts occurring prior to the final adoption of such amendment, termination or repeal.
4. *Other Rights.* The Corporation may, to the extent authorized from time to time by its Board of Directors, grant indemnification rights to other employees or agents of the Corporation or other persons serving the Corporation and such rights may be equivalent to, or greater or less than, those set forth in this Article.
5. *Reliance.* Persons who after the date of the adoption of this provision become or remain directors or officers of the Corporation or who, while a director or officer of the Corporation, become or remain a director, officer, employee or agent of a subsidiary, shall be conclusively presumed to have relied on the rights to indemnity, advance of expenses and other rights contained in this Article in entering into or continuing such service. The rights to indemnification and to the advance of expenses conferred in this Article shall apply to claims made against an indemnitee arising out of acts or omissions which occurred or occur both prior and subsequent to the adoption hereof.
6. *Merger or Consolidation.* If the Corporation is merged into or consolidated with another corporation and the Corporation is not the surviving corporation, the surviving corporation shall assume the obligations of the Corporation under this Article with respect to any action, suit, proceeding or investigation arising out of or relating to any actions, transactions or facts occurring prior to the date of such merger or consolidation.

7. *Insurance.* The Corporation shall have power to purchase and maintain insurance on behalf of any person who is or was, or has agreed to become, a director, officer, employee or agent of the Corporation, or is or was serving, or has agreed to serve, at the request of the Corporation as a director, officer, employee, agent or trustee of another corporation, partnership, joint venture, trust or other enterprise, including any employee benefit plan, against all expenses (including attorney's fees) judgments, fines or amounts paid in settlement incurred by such person in any such capacity or arising out of his or her status as such, whether or not the Corporation would have the power to indemnify him or her against such expenses under the DGCL.
8. *Savings Clause.* If this Article or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the Corporation shall nevertheless indemnify each Indemnitee as to any expenses, including attorneys' fees, judgments, fines and amounts paid in settlement in connection with any action, suit, proceeding or investigation, whether civil, criminal or administrative, including an action by or in the right of the Corporation, to the fullest extent permitted by any applicable portion of this Article that shall not have been invalidated and to the fullest extent permitted by applicable law.

ARTICLE IX

The Corporation reserves the right to amend, alter, change or repeal any provision contained in this Amended and Restated Certificate of Incorporation, in the manner now or hereafter prescribed by statute and this Amended and Restated Certificate of Incorporation, and all rights conferred upon stockholders herein are granted subject to this reservation.

ARTICLE X*

This Article is inserted for the management of the business and for the conduct of the affairs of the Corporation.

2. *Election of Directors.* Elections of directors need not be by written ballot except as and to the extent provided in the By-Laws of the Corporation.
3. *Terms of Office.* Except as provided in Section 6 of this Article X, each director shall serve for a term ending on the date of the annual meeting following the annual meeting at which such director was elected; provided, however, that the term of each director shall be subject to the election and qualification of his or her successor and to his or her earlier death, resignation or removal.*
4. *Removal.* The directors of the Corporation may not be removed without cause and may be removed for cause only by the affirmative vote of the holders of at least seventy-five percent (75%) of the shares of the capital stock of the Corporation issued and outstanding and entitled to vote generally in the election of directors cast at a meeting of the stockholders called for that purpose, notwithstanding the fact that a lesser percentage may be specified by law.
5. *Vacancies.* Any vacancy in the Board of Directors, however occurring, including a vacancy resulting from an enlargement of the Board, shall be filled only by vote of a majority of the directors then in office, although less than a quorum, or by a sole remaining director. A director elected to fill a vacancy shall be elected for the unexpired term of his or her predecessor in office, and a director chosen to fill a position resulting from an increase in the number of directors shall hold office until the next election of the class for which such director shall have been chosen, subject to the election and qualification of his or her successor and to his or her earlier death, resignation or removal.

6. *Stockholder Nominations and Introduction of Business, Etc.* Advance notice of stockholder nominations for election of directors and other business to be brought by stockholders before either an annual or special meeting of stockholders shall be given in the manner provided by the By-Laws of this Corporation.

ARTICLE XI

1. *Dividends.* The Board of Directors shall have authority from time to time to set apart out of any assets of the Corporation otherwise available for dividends a reserve or reserves as working capital or for any other purpose or purposes, and to abolish or add to any such reserve or reserves from time to time as said board may deem to be in the interest of the Corporation; and said Board shall likewise have power to determine in its discretion, except as herein otherwise provided, what part of the assets of the Corporation available for dividends in excess of such reserve or reserves shall be declared in dividends and paid to the stockholders of the Corporation.
2. *Issuance of Stock.* The shares of all classes of stock of the Corporation may be issued by the Corporation from time to time for such consideration as from time to time may be fixed by the Board of Directors of the Corporation, provided that shares of stock having a par value shall not be issued for a consideration less than such par value, as determined by the Board. At any time, or from time to time, the Corporation may grant rights or options to purchase from the Corporation any shares of its stock of any class or classes to run for such period of time, for such consideration, upon such terms and conditions, and in such form as the Board of Directors may determine. The Board of Directors shall have authority, as provided by law, to determine that only a part of the consideration which shall be received by the Corporation for the shares of its stock which it shall issue from time to time, shall be capital; provided, however, that, if all the shares issued shall be shares having a par value, the amount of the part of such consideration so determined to be capital shall be equal to the aggregate par value of such shares. The excess, if any, at any time, of the total net assets of the Corporation over the amount so determined to be capital, as aforesaid, shall be surplus. All classes of stock of the Corporation shall be and remain at all times nonassessable.

The Board of Directors is hereby expressly authorized, in its discretion, in connection with the issuance of any obligations or stock of the Corporation (but without intending hereby to limit its general power so to do in other cases), to grant rights or options to purchase stock of the Corporation of any class upon such terms and during such period as the Board of Directors shall determine, and to cause such rights to be evidenced by such warrants or other instruments as it may deem advisable.

3. *Inspection of Books and Records.* The Board of Directors shall have power from time to time to determine to what extent and at what times and places and under what conditions and regulations the accounts and books of the Corporation, or any of them, shall be open to the inspection of the stockholders; and no stockholder shall have any right to inspect any account or book or document of the Corporation, except as conferred by the laws of the State of Delaware, unless and until authorized so to do by resolution of the Board of Directors or of the stockholders of the Corporation.
4. *Location of Meetings, Books and Records.* Except as otherwise provided in the By-laws, the stockholders of the Corporation and the Board of Directors may hold their meetings and have an office or offices outside of the State of Delaware and, subject to the provisions of the laws of said State, may keep the books of the Corporation outside of said State at such places as may, from time to time, be designated by the Board of Directors or by the By-laws of this Corporation.

Notice to Exchangeable Stockholders

Our records show that you own exchangeable shares (Exchangeable Shares) in the capital of SMTC Manufacturing Corporation of Canada (SMTC Canada), a Canadian company. The Exchangeable Shares provide you with economic and voting rights which are, as nearly as practicable, equivalent to those of holders of shares of common stock of SMTC Corporation, the U.S. parent of SMTC Canada, including the right to attend and vote at meetings of the common stockholders of SMTC Corporation. SMTC Corporation (the Company) will be holding an annual meeting (the Annual Meeting) of its common stockholders on July 6, 2009 to:

1. To elect two Class III directors to serve until the 2012 Annual Meeting and until a successor is elected and qualified in accordance with the by-laws of the Company.
2. To approve an amendment to the SMTC Corporation Amended and Restated Certificate of Incorporation eliminating the number of classes of directors.
3. To transact such other business as may properly come before the Annual Meeting and any adjournment or postponement thereof.

At such Annual Meeting you will have voting rights, as described below, equal to the number of Exchangeable Shares you hold. You are permitted to instruct CIBC Mellon Trust Company, the Trustee under the Voting and Exchange Trust Agreement, as to how the Trustee is to vote your Exchangeable Shares at the Annual Meeting of SMTC Corporation. If you do not give voting instructions, the Trustee will not be entitled to exercise the voting rights attached to your Exchangeable Shares. Alternatively, you may instruct the Trustee to give you, or a person designated by you, a proxy to exercise personally the voting rights attached to your Exchangeable Shares. To instruct the Trustee as to how you wish to exercise your voting rights, you must complete, sign, date and return the enclosed voting instruction card to the Trustee by 5:00 p.m., Eastern Daylight Time, on July 3, 2009. Whether or not you plan to attend, please sign, date and return the voting instruction card in the envelope provided in order to ensure that your Exchangeable Shares will be represented at the Annual Meeting.

You have the right to revoke any instructions to the Trustee by giving written notice of revocation to the Trustee or by executing and delivering to the Trustee a later-dated voting instruction card. No notice of revocation or later-dated voting instruction card however, will be effective unless received by the Trustee prior to 5:00 p.m., Eastern Daylight Time, on July 3, 2009.

Non-Registered Holders

Only registered holders of Exchangeable Shares of SMTC Canada are permitted to instruct the Trustee as to how to vote their Exchangeable Shares at the Annual Meeting or to attend and vote at the Annual Meeting in person or by proxy as described above. You may be a beneficial owner of Exchangeable Shares (a Non-Registered Holder) if your Exchangeable Shares are registered either:

- (i) in the name of an intermediary (an Intermediary) with whom you deal in respect of the Exchangeable Shares, such as, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, and similar plans; or
- (ii) in the name of a clearing agency (such as The Canadian Depository for Securities Limited) of which the Intermediary is a participant.

Table of Contents

SMTC Corporation has distributed copies of the Notice of Annual Meeting, the Proxy Statement dated May 26, 2009, and the Notice to Exchangeable Stockholders (collectively, the Meeting Materials) to Intermediaries who are required to forward these Meeting Materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. If you are a Non-Registered Holder who has not waived the right to receive Meeting Materials you will be given either:

- (i) a voting instruction card which has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Exchangeable Shares beneficially owned by you but which is otherwise blank. This voting instruction card need not be signed by you. In this case, if you wish to direct the voting of the Exchangeable Shares held by you or attend and vote at the Annual Meeting (or have another person attend and vote on your behalf) you should properly complete the voting instruction card and deposit it with CIBC Mellon Trust Company, P.O. Box 721, Agincourt, Ontario M1S 0A1 or by fax to (416) 368-2502 prior to 5:00 p.m., Eastern Daylight Time, on July 3, 2009; or
- (ii) a voting instruction form which must be completed and signed by you in accordance with the directions on the voting instruction form.

The purpose of these procedures is to permit you, as a Non-Registered Holder, to direct the voting of the Exchangeable Shares you beneficially own or to attend and vote at the Annual Meeting, in person or by proxy. Non-Registered Holders should carefully follow the instructions of their Intermediaries and their service companies.

A Non-Registered Holder may revoke a voting instruction card/form given to an Intermediary at any time by written notice to the Intermediary, except that an Intermediary is not required to act on a revocation of a voting instruction card/form that is not received by the Intermediary at least seven days prior to the Annual Meeting.

Information relating to SMTC Corporation

Exchangeable Shares are exchangeable on a one-for-one basis for shares of common stock of SMTC Corporation and you, as a holder of Exchangeable Shares, are entitled to receive dividends from SMTC Canada payable at the same time as and equivalent to, on a per-share basis, any dividends paid by SMTC Corporation to holders of its shares of common stock. As a result of the economic and voting equivalency between the Exchangeable Shares and shares of common stock of SMTC Corporation you, as a holder of Exchangeable Shares, will have a participating interest determined by reference to SMTC Corporation not SMTC Canada. Accordingly, it is information relating to SMTC Corporation that is relevant to you and enclosed in this package is SMTC Corporation's Proxy Statement which we urge you to read carefully.
