KEPCO-group Asset Revaluation Plan to Prepare for IFRS Compliance

Korea Electric Power Corporation (KEPCO) and its wholly-owned six generation subsidiaries (GENCOs) decided to revalue most of their tangible assets as specified below for purposes of preparing their financial statements as they are required to do so in order to be in compliance with the International Finance Reporting Standards (IFRS), which KEPCO and the subsidiaries will adopt from fiscal year 2011. The information stated in the table below may change in the process of asset revaluation. The result of the asset revaluation is expected to be announced in the first quarter of 2010 after approval of Board of Directors meeting. The asset value as of January 1, 2010 will serve as the base of conducting the revaluation, and the results of revaluation are to be reflected in the financial accounting on and from January 1, 2011.

Table 1: Assets to be Revalued (As of July 31, 2009, the figures are to be changed and finalized after revaluation)
