PROXY STATEMENT

QUESTIONS AND ANSWERS

1. Q: Why am I receiving these materials?

A: This Proxy Statement and enclosed forms of Proxy (first mailed to the holders of Class A and Class C Common Stock, and to the holders of Class B and Class D Common Stock who requested to receive printed Proxy Materials, on or about April 9, 2010) are furnished in connection with the solicitation by our Board of Directors of Proxies for use at the Annual Meeting of Stockholders, or at any adjournment thereof. A Notice Regarding the Availability of Proxy Materials was first mailed to all of our other stockholders beginning on or about April 9, 2010. The Annual Meeting will be held on Wednesday, May 19, 2010 at 10:00 a.m., at our offices located at Universal Corporate Center, 367 South Gulph Road, King of Prussia, Pennsylvania. As a stockholder, you are invited to attend the Annual Meeting and are requested to vote on the items of business described in this Proxy Statement.

2. Q: What is the purpose of the Annual Meeting?

A: The Annual Meeting is being held (1) to have the holders of Class A and C Common Stock elect two Class II directors, to serve for a term of three years until the annual election of directors in 2013 and the election and qualification of their successors; (2) to have the holders of Class B and Class D Common Stock elect one Class II director, to serve for a term of three years until the annual election of directors in 2013 and the election and qualification of his successor; (3) to have the holders of Class A, Class B, Class C and Class D Common Stock adopt the Universal Health Services, Inc. 2010 Employees Restricted Stock Purchase Plan; (4) to have the holders of Class A, Class B, Class C and Class D Common Stock approve the Universal Health Services, Inc. 2010 Executive Incentive Plan, and; (5) to transact such other business as may properly be brought before the meeting or any adjournment thereof. We will also discuss our business and be available for your comments and discussion.

3. Q: Are these materials available on the internet?

A: Yes. In accordance with the notice and access rule adopted by the U.S. Securities and Exchange Commission, or SEC, we are making available the Proxy Materials to all of our stockholders on the internet. Please visit <http://www.proxyvoting.com/uhs>.

4. Q: Why did holders of Class B and Class D Common Stock receive a notice in the mail regarding the internet availability of Proxy Materials instead of a full set of Proxy Materials?

A: In accordance with rules adopted by the SEC, we may furnish Proxy Materials, including this Proxy Statement and our Annual Report to Stockholders, to our stockholders by providing access to such documents on the internet instead of mailing printed copies. Most holders of Class B and Class D Common Stock will not receive printed copies of the Proxy Materials unless they request them. Instead, the Notice, which was mailed to most holders of Class B and Class D Common Stock, will instruct you as to how you may access and review all of the Proxy Materials on the internet. The Notice also instructs you as to how you may submit your Proxy on the internet. If you would like to receive a paper or e-mail copy of our Proxy Materials, you should follow the instructions for requesting such materials in the Notice.

5. Q: How do I get electronic access to the Proxy Materials?

A: The Notice will provide you with instructions regarding how to view our Proxy Materials for the Annual Meeting on the internet.

6. Q: Who may attend the Annual Meeting?

A: Stockholders of record as of the close of business on March 31, 2010, or their duly appointed Proxies, may attend the meeting. Stockholders whose shares are held through a broker or other nominee will need to bring a copy of a brokerage statement reflecting their ownership of our Common Stock as of the record date.

7. Q: Who is entitled to vote at the Annual Meeting?

A: Only stockholders of record as of the close of business on March 31, 2010 are entitled to vote at the Annual Meeting. On that date, 6,656,808 shares of Class A Common Stock, par value \$.01 per share, 665,400 shares of Class C Common Stock, par value \$.01 per share, 89,740,723 shares of Class B Common Stock, par value \$.01 per share, and 37,490 shares of Class D Common Stock, par value \$.01 per share, were outstanding.

8. Q: Who is soliciting my vote?

A: The principal solicitation of Proxies is being made by the Board of Directors by mail. Certain of our officers, directors and employees, none of whom will receive additional compensation therefor, may solicit Proxies by telephone or other personal contact. We will bear the cost of the solicitation of the Proxies, including postage, printing and handling and will reimburse the reasonable expenses of brokerage firms and others for forwarding material to beneficial owners of shares.

9. Q: What items of business will be voted on at the Annual Meeting?

A: The holders of Class A and C Common Stock will elect two Class II directors, to serve for a term of three years until the annual election of directors in 2013. The holders of Class B and Class D Common Stock will elect one Class II director, to serve for a term of three years until the annual election of directors in 2013. The holders of Class A, Class B, Class C and Class D Common Stock will adopt the Universal Health Services, Inc. 2010 Employees Restricted Stock Purchase Plan. The holders of Class A, Class B, Class C and Class D Common Stock will approve the Universal Health Services, Inc. 2010 Executive Incentive Plan. Other than the election of Class II directors, the adoption of the 2010 Employees Restricted Stock Purchase Plan and the approval of the 2010 Executive Incentive Plan, we know of no other business to be presented for action

10. Q: How does the Board of Directors recommend that I vote?

A: The Board of Directors recommends that holders of Class A and Class C and Class B and Class D Common Stock vote shares FOR the election of each of the nominees to the Board of Directors for which they are entitled to vote.

11. Q: How will voting on any other business be conducted?

A: Other than the items of business described in this Proxy Statement, we know of no other business to be presented for action at the Annual Meeting. As for any business that may properly come before the Annual Meeting, your signed Proxy gives authority to the persons named therein. Those persons may vote on such matters at their discretion and will use their best judgment with respect thereto.

12. Q: What is the difference between a stockholder of record and a street name holder?

A: These terms describe how your shares are held. If your shares are registered directly in your name with BNY Mellon Shareowner Services, our transfer agent, you are a stockholder of record. If your shares are held in the name of a brokerage, bank, trust or other nominee as a custodian, you are a street name holder.

13. Q: How do I vote my shares if I am a stockholder of record?

A: A separate form of Proxy applies to our Class A and Class C Common Stock and a separate form of Proxy applies to our Class B and Class D Common Stock. For specific instructions on how to vote your shares, please refer to the instructions on the Notice Regarding the Availability of Proxy Materials you received in the mail or, if you received printed Proxy Materials, your enclosed Proxy card. If you received printed Proxy Materials, enclosed is a Proxy card for the shares of stock held by you on the record date. If you received printed Proxy Materials, you may vote by signing and dating each Proxy card you receive and returning it in the enclosed prepaid envelope, or you may vote by telephone or internet. Unless otherwise indicated on the Proxy, shares represented by any Proxy will, if the Proxy is properly executed and received by us prior to the Annual Meeting, be voted FOR each of the nominees for directors. You may also vote by telephone or internet.

14. Q: How do I vote by telephone or electronically?

A: Instead of submitting your vote by mail on the enclosed Proxy card (if you received printed Proxy Materials), your vote can be submitted by telephone or electronically, via the internet. Please refer to the specific instructions set forth on the Notice Regarding the Availability of Proxy Materials or, if you received printed Proxy Materials, on the enclosed Proxy card. For security reasons, our electronic voting system has been designed to authenticate your identity as a stockholder.

15. Q: How do I vote my shares if they are held in street name?

A: If your shares are held in street name, your broker or other nominee will provide you with a form seeking instruction on how your shares should be voted.

16. Q: Can I change or revoke my vote?

A: Yes. Any Proxy executed and returned to us is revocable by delivering a later signed and dated Proxy or other written notice to our Secretary at any time prior to its exercise. Your Proxy is also subject to revocation if you are present at the meeting and choose to vote in person.

17. Q: What is the vote required to approve each proposal?

A: The two director nominees receiving the highest number of affirmative votes of the shares of Class A and Class C Common Stock, voting as a class, present in person or represented by Proxy and entitled to vote, a quorum being present, shall be elected as Class II directors. The director nominee receiving the highest number of affirmative votes of the shares of Class B and Class D Common Stock, voting as a class, present in person or represented by Proxy and entitled to vote, a quorum being present, shall be elected as a Class II director.

The affirmative vote of the holders of a majority of the Class A, B, C and D Common Stock votes present in person or represented by Proxy and entitled to vote on the matter is required for the adoption of the Universal Health Services, Inc. 2010 Employees Restricted Stock Purchase Plan and the approval of the Universal Health Services, Inc. 2010 Executive Incentive Plan.

18. Q: What constitutes a quorum ?

A: The holders of a majority of the common stock votes issued and outstanding and entitled to vote, either in person or represented by Proxy, constitutes a quorum. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting.

19. Q: What are our voting rights with respect to the election of directors?

A: Our Restated Certificate of Incorporation provides that, with respect to the election of directors, holders of Class A Common Stock vote as a class with the holders of Class C Common Stock, and holders of Class B Common Stock vote as a class with holders of Class D Common Stock, with holders of all classes of Common Stock entitled to one vote per share.

Each holder of Class A Common Stock may cumulate his or her votes for directors giving one candidate a number of votes equal to the number of directors to be elected, multiplied by the number of shares of Class A Common Stock, or he or she may distribute his or her votes on the same principle among as many candidates as he or she shall see fit. For a holder of Class A Common Stock to exercise his or her cumulative voting rights, the stockholder must give notice at the meeting of such intention to cumulate votes.

As of March 31, 2010, the shares of Class A and Class C Common Stock constituted 7.5% of the aggregate outstanding shares of our Common Stock, had the right to elect six members of the Board of Directors and constituted 87.3% of our general voting power; and as of that date the shares of Class B and Class D Common Stock (excluding shares issuable upon exercise of options) constituted 92.5% of the outstanding shares of our Common Stock, had the right to elect two members of the Board of Directors and constituted 12.7% of our general voting power.

20. Q: What are our voting rights with respect to matters other than the election of directors?

A: As to matters other than the election of directors, our Restated Certificate of Incorporation provides that holders of Class A, Class B, Class C and Class D Common Stock all vote together as a single class, except as otherwise provided by law. Other than the election of directors, the adoption of the 2010 Employees Restricted Stock Purchase Plan and the approval of the 2010 Executive Incentive Plan, we know of no other business to be presented for action at the Annual Meeting.

Each share of Class A Common Stock entitles the holder thereof to one vote; each share of Class B Common Stock entitles the holder thereof to one-tenth of a vote; each share of Class C Common Stock entitles the holder thereof to 100 votes (provided the holder of Class C Common Stock holds a number of shares of Class A Common Stock equal to ten times the number of shares of Class C Common Stock that holder holds); and each share of Class D Common Stock entitles the holder thereof to ten votes (provided the holder of Class D Common Stock holds a number of shares of Class B Common Stock equal to ten times the number of shares of Class D Common Stock that holder holds).

In the event a holder of Class C or Class D Common Stock holds a number of shares of Class A or Class B Common Stock, respectively, less than ten times the number of shares of Class C or Class D Common Stock that holder holds, then that holder will be entitled to only one vote for every share of Class C Common Stock, or one-tenth of a vote for every share of Class D Common Stock, which that holder holds in excess of one-tenth the number of shares of Class A or Class B Common Stock, respectively, held by that holder. The Board of Directors, in its discretion, may require beneficial owners to provide satisfactory evidence that such owner holds ten times as many shares of Class A or Class B Common Stock as Class C or Class D Common Stock, respectively, if such facts are not apparent from our stock records.

21. Q: What if I abstain from voting or withhold my vote?

A: Stockholders entitled to vote for the election of directors can abstain from voting or withhold the authority to vote for any nominee. If you attend the meeting or send in your signed Proxy with instructions to withhold authority to vote for one or more nominees, you will be counted for the purposes of determining whether a quorum exists. Abstentions and instructions on the accompanying Proxy card to withhold authority to vote will result in the respective nominees receiving fewer votes. However, the number of votes otherwise received by the nominee will not be reduced by such action.

22. Q: Will my shares be voted if I do not sign and return my Proxy card or vote by telephone or internet?

A: If you are a stockholder of record and you do not sign and return your Proxy card or vote by telephone or internet, your shares will not be voted at the Annual Meeting. If your shares are held in street name and you do not issue instructions to your broker, your broker may vote your shares at its discretion on routine matters, but may not vote your shares on nonroutine matters. Under the New York Stock Exchange rules, the proposals relating to the election of directors, the adoption of the 2010 Employees' Restricted Stock Purchase Plan and the approval of the 2010 Executive Incentive Plan are deemed to be nonroutine matters with respect to which brokers and nominees may not exercise their voting discretion without receiving instructions from the beneficial owner of the shares.

23. Q: What is a broker non-vote ?

A: Broker non-votes are shares held by brokers or nominees which are present in person or represented by Proxy, but which are not voted on a particular matter because instructions have not been received from the beneficial owner. Under the rules of the Financial Industry Regulatory Authority, member brokers generally may not vote shares held by them in street name for customers unless they are permitted to do so under the rules of any national securities exchange of which they are a member. Under the rules of the New York Stock Exchange, New York Stock Exchange-member brokers who hold shares of Common Stock in street name for their customers and have transmitted our Proxy solicitation materials to their customers, but do not receive voting instructions from such customers, are not permitted to vote on nonroutine matters. Under the New York Stock Exchange rules, the proposals relating to the election of directors, the adoption of the 2010 Employees' Restricted Stock Purchase Plan and the approval of the 2010 Executive Incentive Plan are deemed to be nonroutine matters with respect to which brokers and nominees may not exercise their voting discretion without receiving instructions from the beneficial owner of the shares.

24. Q: What is the effect of a broker non-vote?

A: Broker non-votes will be counted for the purpose of determining the presence or absence of a quorum and will result in the respective nominees for director receiving fewer votes. However, the number of votes otherwise received by the nominee will not be reduced by such action.

25. Q: Who will count the votes?

A: The Secretary will count the Class A and Class C votes. Our transfer agent will count the Class B and Class D votes and serve as inspector of elections.

26. Q: When are stockholder proposals due in order to be included in our Proxy Statement for the 2011 Annual Meeting?

A: Any proposal that you wish to present for consideration at the 2011 Annual Meeting must be received by us no later than December 20, 2010. This date provides sufficient time for inclusion of the proposal in the 2011 Proxy Materials.

27. Q: Can I receive more than one set of Annual Meeting materials?

A: If you share an address with another stockholder, each stockholder may not receive a separate copy of our Annual Report and Proxy Statement. We will promptly deliver a separate copy of either document to any stockholder upon written or oral request to our Secretary at Universal Health Services, Inc., Universal Corporate Center, 367 South Gulph Road, P.O. Box 61558, King of Prussia, Pennsylvania 19406, telephone (610) 768-3300. If you share an address with another stockholder and (i) would like to receive multiple copies of the Proxy Statement or Annual Report to Stockholders in the future, or (ii) if you are receiving multiple copies and would like to receive only one copy per household in the future, please contact your bank, broker, or other nominee record holder, or you may contact us at the above address and phone number.

28. Q: How can I obtain additional information about the Company?

A: Copies of our annual, quarterly and current reports we file with the Securities and Exchange Commission, or SEC, and any amendments to those reports, are available free of charge on our website, which is located at <http://www.uhsinc.com>. Copies of these reports will be sent without charge to any shareholder requesting it in writing to our Secretary at Universal Health Services, Inc., Universal Corporate Center, P.O. Box 61558, 367 South Gulph Road, King of Prussia, Pennsylvania 19406. The information posted on our website is not incorporated into this Proxy Statement.

The Board of Directors is currently fixed at eight members, and is divided into three classes, with members of each class serving for a three-year term. At each Annual Meeting of Stockholders, directors are chosen to succeed those in the class whose term expires at such Annual Meeting and, in the case of this Annual Meeting, directors will be elected to fill the vacancies in the Class II directors. Under our Restated Certificate of Incorporation, holders of shares of our outstanding Class B and Class D Common Stock are entitled to elect 20% (but not less than one) of the directors, currently two directors, one in Class II and one in Class III, and the holders of Class A and Class C Common Stock are entitled to elect the remaining six directors, three in Class I, two in Class II, and one in Class III.

The persons listed below include our Board of Directors and nominees. The terms of the three current Class II directors, Mr. Anthony Pantaleoni, Mr. Rick Santorum, and Mr. Robert H. Hotz expire at the 2010 Annual Meeting. Mr. Anthony Pantaleoni and Mr. Rick Santorum have been nominated to be elected by the holders of Class A and Class C Common Stock. Mr. Robert H. Hotz has been nominated to be elected by the holders of Class B and Class D Common Stock. SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors and executive officers, and persons who own more than ten percent of a registered class of our equity securities, to file with the Securities and Exchange Commission initial reports of ownership and reports of changes in ownership of our Common Stock and other equity securities.

Based upon a review of the copies of such reports furnished to us during fiscal year 2009 and written representations from our executive officers and directors, we believe that during the 2009 fiscal year, the officers, directors and holders of more than 10% of our Class A and Class B Common Stock complied with all Section 16(a) filing requirements, with the following exception:

Alan B. Miller donated 10,000 shares of Class B Common Stock to The College of William and Mary on December 14, 2009. This transaction was subsequently reported on a Form 5 filed by Alan B. Miller on February 19, 2010. The adjusted post-split amount was 20,000 shares.

PROPOSAL NO. 2

ADOPTION OF THE 2010 EMPLOYEES RESTRICTED STOCK PURCHASE PLAN

On March 30, 2010 the Company's Board of Directors adopted the Universal Health Services, Inc. 2010 Employees Restricted Stock Purchase Plan (the Restricted Stock Plan), subject to the approval of the Company's stockholders.

In assessing this proposal, stockholders should consider that executive officers and certain directors of the Company are eligible to receive incentive compensation under the Restricted Stock Plan and thus may have a substantial interest in this proposal.

Description of 2010 Restricted Stock Plan

The following summary describes the principal features of the Restricted Stock Plan and is qualified in its entirety by reference to the plan document, a copy of which is attached hereto as Exhibit A.

The Restricted Stock Plan provides for the purchase by certain employees of, and consultants to, the Company or its subsidiaries of shares of Class B Common Stock of the Company at a price equal to the par value of such shares at the time of such sale. The Restricted Stock Plan is administered by a committee (the Committee) which consists of not less than two non-employee directors, as that term is defined in Rule 16b-3 under the Securities Exchange Act of 1934, as amended. Currently, the Compensation Committee has been appointed as the Committee under the Plan. The Committee has full authority under the Restricted Stock Plan to select the employees to whom shares shall be sold, to determine the number of shares to be sold, the times at which shares shall be sold, the time at which the restrictions on the shares shall lapse and the terms and conditions of the Restricted Stock Purchase Agreement (the Agreement) pursuant to which the shares are sold. The Agreement gives the Company the right to repurchase all of the shares sold to an employee, for an amount equal to the price paid by the employee, in the event his employment terminates for any reason during the periods set forth in the Agreement.

The Restricted Stock Plan authorizes the issuance of up to 4,000,000 shares of the Company's Class B Common Stock prior to its expiration on the tenth anniversary of the date the Restricted Stock Plan is adopted. In any calendar year, the number of shares of Class B Common Stock which may be issued or sold under the Restricted Stock Purchase Plan to any employee may not exceed 800,000. The closing price of the Company's Class B Common Stock on the New York Stock Exchange on March 31, 2010 was \$35.09. The Restricted Stock Plan was adopted for the purposes of encouraging key employees and consultants, who are expected to make continued substantial contributions to the development of the Company and its subsidiaries, to increase their personal and proprietary interest in the Company's and its subsidiaries' growth and success.

The Committee will establish performance-based conditions as it may deem appropriate; provided that, in the case of awards intended to qualify as performance-based compensation under Section 162(m) of the Code,

the Committee will establish objective performance goals based upon one or more of the following business criteria:

- (i) attainment of certain target levels of, or a specified percentage increase in, revenues, income before income taxes and extraordinary items, net income, earnings before income tax, earnings before interest, taxes, depreciation and amortization or a combination of any or all of the foregoing;
- (ii) attainment of certain target levels of, or a percentage increase in, after-tax or pre-tax profits;
- (iii) attainment of certain target levels of, or a specified increase in, operational cash flow;
- (iv) attainment of a certain level of, reduction of, or other specified objectives with regard to limiting the level of increase in, all or a portion of, the Company's bank debt or other long-term or short-term public or private debt or other similar financial obligations of the Company, which may be calculated net of such cash balances and/or other offsets and adjustments as may be established by the committee;
- (v) attainment of a specified percentage increase in earnings per share or earnings per share from continuing operations;
- (vi) attainment of certain target levels of, or a specified increase in return on capital employed or return on invested capital;
- (vii) attainment of certain target levels of, or a percentage increase in, after-tax return on stockholders' equity;
- (viii) attainment of certain target levels of, or a specified increase in, economic value added targets based on a cash flow return on investment formula;
- (ix) attainment of certain target levels in the fair market value of the shares of the Company's Common Stock; and
- (x) growth in the value of an investment in the Company's Common Stock assuming the reinvestment of dividends.

In general, a person granted shares under the Restricted Stock Plan will realize ordinary income when the shares granted become transferable or are no longer subject to the risk of forfeiture in an amount equal to the excess of the fair market value of the shares at that time over the purchase price; and the Company will be able to claim a business expense deduction in an equal amount, subject to any application limitation under Section 162(m) of the Code. It is contemplated that, upon approval of the Restricted Stock Plan by our shareholders, we will be able to grant awards under the Restricted Stock Plan that can qualify for the performance-based compensation exemption from the executive compensation deduction limitation provisions of Section 162(m) of the Code.

The Restricted Stock Plan will become effective on the date of the 2010 annual meeting of the Company's stockholders, subject to the approval of the Company's stockholders representing at least a majority of the Common Stock votes of the Company present or represented at the 2010 annual meeting of stockholders. The Board of Directors may amend or terminate the Restricted Stock Plan at any time, provided that no amendment

will become effective without the approval of the Company's stockholders if such amendment would increase the number of shares which may be issued under the Restricted Stock Plan or if such approval is necessary or desirable to comply with applicable law or exchange requirements. In addition, no amendment or termination shall affect the rights of any employee with respect to shares previously sold under the Restricted Stock Plan. The Board may re-submit the performance goals contained in the Restricted Stock Plan for shareholder approval from time to time in order to satisfy the shareholder approval conditions of Section 162(m) of the Code, it being understood that, under current law, such re-submission would first be required to be made at the first meeting of stockholders of the Company (or any adjournment or postponement thereof) in 2015.

As of March 30, 2010, approximately 300 employees are eligible to participate in the Restricted Stock Plan.

Vote Required

The affirmative vote of a majority of the shares of the Common Stock votes of the Company present and entitled to vote at the 2010 Annual Meeting of Stockholders is required for the adoption of the proposal set forth above.

THE BOARD OF DIRECTORS DEEMS PROPOSAL NO. 2 ADOPTION OF THE 2010 EMPLOYEES RESTRICTED STOCK PURCHASE PLAN, TO BE IN THE BEST INTERESTS OF THE COMPANY AND ITS STOCKHOLDERS AND RECOMMENDS A VOTE FOR APPROVAL THEREOF.

PROPOSAL NO. 3

APPROVAL OF THE 2010 EXECUTIVE INCENTIVE PLAN

On March 30, 2010, the Company's Board of Directors adopted the Universal Health Services, Inc. 2010 Executive Incentive Plan (the "Executive Incentive Plan"), subject to the approval of the Company's stockholders, to replace the Company's 2005 Executive Incentive Plan. The Executive Incentive Plan is intended to attract, retain and motivate highly qualified senior management and other executive officers of the Company and its affiliates through the payment of performance-based incentive compensation.

In assessing this proposal, stockholders should consider that executive officers and certain directors of the Company are eligible to receive incentive compensation under the Executive Incentive Plan and thus may have a substantial interest in this proposal.

Description of 2010 Executive Incentive Plan

The following summary describes the principal features of the Executive Incentive Plan and is qualified in its entirety by reference to the plan document, a copy of which is attached hereto as Exhibit B.

The Executive Incentive Plan will be administered by the Compensation Committee, or such other committee of directors designated by the Board of Directors. Subject to the provisions of the Executive Incentive Plan, the committee, acting in its sole and absolute discretion, will have full power and authority to interpret, construe and apply the provisions of the Executive Incentive Plan and to take such action as may be necessary or desirable in order to carry out the provisions of the Executive Incentive Plan.

Annual incentive compensation may be awarded under the Executive Incentive Plan to members of senior management and other executive officers of the Company and its affiliates, as selected by the committee for any calendar year. Currently, less than ten employees are eligible to receive incentive compensation under the Executive Incentive Plan.

The amount of a participant's incentive award for a calendar year will be based upon the participant's target bonus amount and the extent to which the performance goal(s) applicable to the participant are achieved. For each calendar year, a participant's target bonus amount will be equal to a fixed percentage of the participant's annual rate of base salary (determined as of the beginning of the calendar year).

For each calendar year, the committee will establish performance goals for each participant, using such business criteria and other measures of performance as it may deem appropriate; provided that, in the case of incentive awards intended to qualify as performance-based compensation under Section 162(m) of the Code, the committee will establish objective performance goals based upon one or more of the following business criteria:

- (i) attainment of certain target levels of, or a specified increase in, revenues, income before income taxes and extraordinary items, net income, earnings before income tax, earnings before interest, taxes, depreciation and amortization or a combination of any or all of the foregoing;

- (ii) attainment of certain target levels of, or a specified increase in, after-tax or pre-tax profits;
- (iii) attainment of certain target levels of, or a specified increase in, operational cash flow;
- (iv) attainment of a certain level of, reduction of, or other specified objectives with regard to limiting the level of increase in, all or a portion of, the Company's bank debt or other long-term or short-term public or private debt or other similar financial obligations of the Company, which may be calculated net of such cash balances and/or other offsets and adjustments as may be established by the committee;
- (v) attainment of certain target levels of, or a specified increase in, earnings per share or earnings per share from continuing operations;
- (vi) attainment of certain target levels of, or a specified increase in, return on capital or return on invested capital;
- (vii) attainment of certain target levels of, or a specified increase in, after-tax return on stockholders' equity;
- (viii) attainment of certain target levels of, or a specified increase in, economic value added targets based on a cash flow return on investment formula; and/or
- (ix) attainment of certain target levels in the fair market value of the Class B Common Stock or growth in the value of an investment in the Class B Common Stock assuming the reinvestment of dividends.

As to any participant or class of participants, the performance goals may be based upon one or more of such permissible criteria and may be based upon the performance of the Company, on a consolidated basis, the individual participant or class of participants, a regional, local or divisional unit of the Company, one or more subsidiaries or other affiliates of the Company or a combination thereof, either on an absolute basis or relative to an index or peer-group.

For each calendar year, the committee will establish a performance factor or a range of performance factors for each participant, based on varying levels of attainment of the performance goals for the year. The performance factor(s) will be used to determine the portion, if any, of the participant's target bonus amount that is earned for the year. The performance factors may be expressed in a performance matrix established by the committee. If the target level performance goals for a year are achieved (but not exceeded), the participant will be entitled to an incentive bonus for the year equal to 100% of the participant's target bonus amount. The committee may establish higher or lower percentage factors for levels of performance that are more or less than the target levels. If the minimum level of performance for a year is not achieved, then the participant's performance factor will be zero and no incentive compensation will be payable to participant for the year.

In general, in the case of an award intended to qualify as performance-based compensation under Section 162(m) of the Code, the applicable target bonus amount, performance goals and performance factors with respect to any calendar year will be established in writing by the committee no later than 90 days after the commencement of that year. Promptly after the date on which the necessary financial or other information for a particular year becomes available, the committee will determine the amount, if any, of the incentive compensation payable to each participant for that calendar year and will certify in writing prior to payment that the performance goals for the year were in fact satisfied.

A participant's incentive award for a calendar year will be paid to the participant at such time as the committee determines, but in no event later than 2 1/2 months following the end of the applicable calendar year. The committee may, however, establish a separate arrangement pursuant to which payment of all or a portion of a participant's incentive award for a calendar year will or must be deferred. All awards are paid in cash.

The maximum incentive award which any participant may earn under the Executive Incentive Plan for any calendar year shall not exceed \$5 million.

Unless the committee determines otherwise, no incentive award will be payable to a participant with respect to a calendar year if the participant's employment with the Company and its affiliates terminates at any time prior to the payment thereof.

The Executive Incentive Plan will become effective as of the date of the 2010 annual meeting of the Company's stockholders, subject to the approval of the Company's stockholders. The Board of Directors may amend or terminate the Executive Incentive Plan at any time. The Board may re-submit the performance goals contained in the Executive Incentive Plan for shareholder approval from time to time in order to satisfy the shareholder approval conditions of Section 162(m) of the Code, it being understood that, under current law, such re-submission would first be required to be made at the first meeting of stockholders of the Company (or any adjournment or postponement thereof) in 2015.

Generally, for federal income tax purposes, bonuses paid under the Executive Incentive Plan are taxable to participants as ordinary income in the year of payment and, subject to certain tax law limitations, the Company is entitled to claim a corresponding deduction. It is anticipated that, with shareholder approval of the Executive Incentive Plan, we will be able to make awards under the Executive Incentive Plan that will qualify for the performance-based compensation exemption from the \$1 million deduction limitation for executive compensation imposed by Section 162(m) of the Code.

Vote Required

The affirmative vote of the holders of a majority of the Common Stock votes present in person or represented by proxy and entitled to vote on the matter is required for the approval of the Executive Incentive Plan. Abstentions from voting on this proposal will have the practical effect of a vote against this proposal because an abstention results in one less vote for the proposal. Broker non-votes will have no effect on the outcome of this proposal.

THE BOARD OF DIRECTORS DEEMS PROPOSAL NO. 3 APPROVAL OF THE 2010 EXECUTIVE INCENTIVE PLAN TO BE IN THE BEST INTERESTS OF THE COMPANY AND ITS STOCKHOLDERS AND RECOMMENDS A VOTE FOR APPROVAL THEREOF.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Compensation Philosophy and Objectives

In designing our compensation programs for our named executive officers, we follow our belief that compensation should reflect the value created for stockholders while supporting our strategic business goals. In doing so, our compensation programs reflect the following objectives:

Compensation should encourage increased stockholder value;

Compensation programs should support our short-term and long-term strategic business goals and objectives;

Compensation programs should reflect and promote our core values set forth in our mission statement, which includes commitment to excellence, high ethical standards; teamwork and innovation;

Compensation should reward individuals for outstanding performance and contributions toward business goals, and;

Compensation programs should enable us to attract, retain and motivate highly qualified professionals.

These objectives govern the decisions that the Compensation Committee of the Board of Directors (the "Compensation Committee") and management of the Company make with respect to the amount and type of compensation payable to our named executive officers. The Compensation Committee believes that linking executive compensation to corporate performance results in a better alignment of compensation with corporate business goals and stockholder value. This belief has been adhered to by developing incentive pay programs which provide competitive compensation and reflect our performance. Our compensation programs are designed to reward our employees for outstanding performance and contributions that increase our stock price thereby increasing stockholder value. Both short-term and long-term incentive compensation are based on our performance and the value received by stockholders. As our performance goals are met or exceeded, resulting in increased value to stockholders, executives are rewarded commensurately. The majority of our compensation programs are reviewed annually to ensure that these objectives continue to be met.

Compensation Setting Process

The Compensation Committee has traditionally relied upon the input and recommendations of our Chairman and Chief Executive Officer, Mr. Alan Miller, who reviews and advises the Compensation Committee with respect to our compensation programs, including the compensation arrangements with our named executive officers. The Compensation Committee believes that Mr. Alan Miller, due to his role within the Company, his years of healthcare experience and other factors, as mentioned below, provides a valuable resource to the Compensation Committee. Mr. Alan Miller regularly attends Compensation Committee meetings by invitation, however, he does not have the right to vote on matters addressed by the Compensation Committee and he does not participate in the discussions with respect to his own compensation. Mr. Alan Miller conducts formal performance evaluations on an annual basis with the named executives who have direct reporting responsibility to him.

Unlike our other named executive officers, Mr. Alan Miller's base salary, minimum annual bonus and certain perquisites are determined under his employment agreement. In late 2009, the Compensation Committee engaged Towers Watson & Co. (formerly Towers Perrin) to assess Mr. Alan Miller's total compensation as compared to the total compensation levels (salary, bonus and long term incentives) of other chief executive officers from a selected peer group and from Towers Watson & Co.'s 2009 Executive Compensation Database. Please also refer to the discussion of Mr. Alan Miller's employment agreement in the *Chief Executive Officer Employment Agreement* section of this Proxy Statement. In addition, the compensation setting process for Mr. Alan Miller varies from that of our other named executive officers because it is determined by the Compensation Committee without Mr. Alan Miller's input or participation. The Compensation Committee, in determining Mr. Alan Miller's compensation, takes into account his position as Chief Executive Officer, his role as a founder of our company in 1978, his years of dedicated service and his expertise in the hospital management industry. The Compensation Committee also considers Mr. Alan Miller's responsibilities in overseeing all of our Company's businesses, its operations, development and overall strategy and his role as the public face of our company, which shapes our corporate image and identity. These factors differentiate Mr. Alan Miller from the other named executive officers. In light of these factors, the Compensation Committee believes that Mr. Alan Miller's compensation is appropriate and adequately reflects our compensation objectives that are discussed in this Proxy Statement.

The targeted amount and mix of compensation levels, as well as the individual pay components for each of our named executive officers, are evaluated on an annual basis. When setting the current year's compensation, the prior year performance of the named executive is considered as is our operating performance relative to our competitors. For the named executives other than Mr. Alan Miller, compensation data from competitor proxy statements is compiled by our human resources personnel to compare the compensation levels of our named executive officers against those of comparable positions in other comparable companies. This data is discussed in greater detail below in connection with the base salaries, bonuses and equity grants for our named executive officers.

There were no base salary adjustments for our top five executives in 2009 as base salaries were held constant at prior year levels due to the unfavorable general economic and employment conditions existing in the country at the beginning of the year. The Compensation Committee approved the bonuses and long-term compensation awards to each of the named executive officers in 2009 and believes that the forms and amounts of compensation during 2009 adequately reflect our compensation goals and policies.

Tax Considerations

Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code") places a limit of \$1 million on the amount of compensation we may deduct for federal income tax purposes in any one year with respect to our chief executive officer, our chief financial officer and the next three most highly compensated officers, which we refer to herein as the named executive officers. However, performance-based compensation that meets certain requirements is excluded from this \$1 million limitation.

In reviewing the effectiveness of the executive compensation program, the Compensation Committee considers the anticipated tax treatment to us and to the named executive officers of various payments and

benefits. However, the deductibility of certain compensation payments depends upon the timing of an executive's vesting or exercise of previously granted awards, as well as interpretations and changes in the tax laws and other factors beyond the Compensation Committee's control. For these and other reasons, including to maintain flexibility in compensating the named executive officers in a manner designed to promote varying corporate goals, the Compensation Committee will not necessarily, or in all circumstances, limit executive compensation to that which is deductible under Section 162(m) of the Code and has not adopted a policy requiring all compensation to be deductible.

The Compensation Committee will consider various alternatives to preserving the deductibility of compensation payments and benefits to the extent reasonably practicable and to the extent consistent with its other compensation objectives. The portion of Mr. Alan Miller's 2009 base salary exceeding \$1 million will not be deductible by virtue of Section 162(m) of the Code, nor will the special bonus, payable in five, \$1 million annual installments (paid in each of 2006, 2007, 2008 and 2009 thus far), awarded to Mr. Alan Miller during 2006 whereby we agreed to fund a portion of Mr. Alan Miller's contribution to The College of William and Mary (see *Executive Compensation-Summary Compensation Table*, included in this Proxy Statement).

Elements of Compensation

Our executive compensation is based on six primary components, each of which is intended to serve the overall compensation objectives. These components include:

annual base salary;

annual bonuses;

long-term incentive awards;

deferred compensation;

retirement benefits; and

fringe benefits, including perquisites.

Annual Base Salary

Our annual base salary levels are intended to be consistent with competitive pay practices and level of responsibility, with salary increases reflecting competitive trends, our overall financial performance, the performance of each individual executive and general economic conditions.

The base salary for each of our named executive officers is paid in cash and is intended to reward the performance and efforts of each named executive officer during the fiscal year relative to his or her position with us. In establishing the base salary for our named executive officers, various criteria is reviewed including the following:

the executive officer's achievements, performance in his or her position with us, taking into account the tenure of service, the complexity of the position and current job responsibilities;

Mr. Alan Miller's recommendations as to the proposed base salary, other than his own;

our financial performance, and;

relative salaries of our comparable companies.

As mentioned above, Towers Watson & Co. was engaged during 2009 to assess Mr. Alan Miller's total compensation as compared to the total compensation levels (salary, bonus and long term incentives) of other chief executive officers from a selected peer group. In connection with this analysis, the following companies were used in the selected peer group:

Community Health Systems Inc.

HCA Inc.

Health Management Associates, Inc.

LifePoint Hospitals, Inc.

Psychiatric Solutions, Inc.

Tenet Healthcare Corporation

We believe the companies are comparable peer companies based upon the median revenues of this peer group which were approximately \$6.7 billion as compared to our 2009 revenues of \$5.2 billion. Towers Watson & Co. also analyzed published survey compensation data for chief executive officers from their 2009 Executive Compensation Database. This information provided an additional reference point for the analysis.

During the period analyzed (2008 fiscal year), the base salary for Mr. Alan Miller was above the peer group and survey data 75th percentiles. Target total direct compensation was in the lower quartile of the proxy peer group, but aligned with the 50th percentile of the published survey group.

For our named executive officers, during 2009, an internal review was conducted by our human resources personnel utilizing the fiscal year end 2008 proxy statements, as filed with the Securities and Exchange Commission by nine companies that we believe are comparable to us. The companies are as follows:

Community Health Systems Inc.

HCA Inc.

Health Management Associates, Inc.

Kindred Healthcare, Inc.

LifePoint Hospitals, Inc.

MedCath Corporation

Psychiatric Solutions, Inc.

Tenet Healthcare Corporation

Vanguard Health Systems, Inc.

During 2009, we targeted the median (fiftieth percentile) of actual base salary paid by the comparable companies (listed above) as our base market rate for the base salaries paid to each of our named executive officers, with the exception of Mr. Alan Miller. We generally consider the competitive range for base salary to be within 15% of the base salary market rate. However, actual base salaries are not determined solely by the base salary market rate. We also take into account an individual's expertise, tenure in the position, responsibilities and achievements. In 2009, the actual base salary rates for Messrs. Filton, Marquez, and Ms. Osteen were within 5%, 4% and 6%, respectively, of the median base salary market rate. Mr. Marc Miller's salary rate variance from the median base salary market rate was 31% under and reflects his short tenure in his current position. He became company President in May of 2009.

For Mr. Alan Miller, our human resource personnel reviewed both his base and his total compensation as compared to the other chief executive officers from this same peer group. While his base exceeded the 75th percentile of the peer group, this was due to his long tenure in the position. Median years of experience of other executives in this group was 5 years compared to Mr. Alan Miller's over 30 years.

Mr. Alan Miller's total compensation was between the 50th and 75th percentiles of the group.

Annual Bonuses

Bonuses for our executive officers are typically awarded annually under the Universal Health Services, Inc. 2005 Executive Incentive Plan (the Executive Incentive Plan), which was adopted by our stockholders at our 2005 Annual Meeting. The Executive Incentive Plan is intended to support our efforts to attract, retain and motivate highly qualified senior management and other executive officers through the payment of performance-based incentive compensation. Annual incentive compensation may be awarded under the Executive Incentive Plan to our named executive officers and others as selected by the Compensation Committee for any calendar year. The Compensation Committee believes that the payment of bonuses to our named executive officers under the Executive Incentive Plan is consistent with the objectives for our compensation programs by rewarding such officers for the achievement of specified business goals and performance objectives and, ultimately, may increase the value of our stock.

The amount of an employee's incentive award for a calendar year is based upon the employee's target bonus amount and the extent to which the performance goal(s) applicable to the employee are achieved. For each calendar year, an employee's target bonus amount will be equal to a fixed percentage of the employee's base salary earned during the year.

The Compensation Committee establishes performance goals for the named executive officers using such business criteria and other measures of performance discussed herein; provided that, in the case of incentive awards intended to qualify as performance-based compensation under Section 162(m) of the Code, the Compensation Committee will establish objective performance goals based upon one or more of the following business criteria:

attainment of certain target levels of, or a specified increase in, revenues, income before income taxes and extraordinary items, net income, earnings before income tax, earnings before interest, taxes, depreciation and amortization or a combination of any or all of the foregoing;

attainment of certain target levels of, or a specified increase in, after-tax or pre-tax profits;

attainment of certain target levels of, or a specified increase in, operational cash flow;

attainment of a certain level of, reduction of, or other specified objectives with regard to limiting the level of increase in, all or a portion of, our bank debt or other long-term or short-term public or private debt or other similar financial obligations, which may be calculated net of such cash balances and/or other offsets and adjustments as may be established by the committee;

attainment of certain target levels of, or a specified increase in, earnings per share or earnings per share from continuing operations;

attainment of certain target levels of, or a specified increase in, return on capital or return on invested capital;

attainment of certain target levels of, or a specified increase in, after-tax return on stockholders' equity;

attainment of certain target levels of, or a specified increase in, economic value added targets based on a cash flow return on investment formula, and/or;

attainment of certain target levels in the fair market value of our Class B Common Stock or growth in the value of an investment in the Class B Common Stock assuming the reinvestment of dividends.

In the case of an award intended to qualify as performance-based compensation under Section 162(m) of the Code, except as otherwise permitted under Section 162(m) of the Code, the applicable target bonus amount, performance goals and performance factors with respect to any calendar year will be established in writing by the Compensation Committee no later than 90 days after the commencement of that year. Promptly after the date on which the necessary financial or other information for a particular year becomes available, the Compensation Committee will determine the amount, if any, of the incentive compensation payable to each participant for that calendar year and will certify in writing prior to payment that the performance goals for the year were in fact satisfied. The maximum incentive award which any participant may earn under the Executive Incentive Plan for any calendar year shall not exceed \$5 million. The Executive Incentive Plan provides the Compensation Committee with the discretion to establish higher or lower performance factors for levels of performance that are more or less than the target levels. Performance goals may be adjusted for changes in accounting methods, corporate transactions and other similar types of events, provided that, such adjustment is permitted under Section 162(m) of the Code.

Although no special bonuses were awarded to our named executive officers related to 2009, from time to time, special bonuses may be granted to our named executive officers in order to reward outstanding performance or achievement of a business milestone. Special bonus awards support our overall compensation objectives by helping us retain and motivate highly qualified professionals and by providing rewards for outstanding performance. Because special bonus awards are made in recognition of outstanding performance, they do not affect decisions that we make regarding other elements of compensation.

2010 and 2009 Cash Bonus Formula and Performance Goals: The Compensation Committee approved the specific bonus formula for the determination of annual incentive compensation for our executive officers pursuant to the Executive Incentive Plan with respect to the years ending December 31, 2010 and 2009. Under

the formula approved by the Compensation Committee, each of the executive officers, with the exception of Mr. Alan Miller, was assigned a percentage of such executive officer's annual base salary as a target bonus. The target bonus awards indicated below for Mr. Alan Miller are stipulated in his employment agreement.

For 2010 and 2009, pursuant to the Executive Incentive Plan and the formula approved by the Compensation Committee, each named executive officer is entitled to receive between 0% and 250% of that executive officer's target bonus based, either entirely or in part, on our achievement of a combination of: (i) a specified range of target levels of earnings per share from continuing operations (as defined below), and; (ii) a specified range of target levels of return on capital (net income divided by quarterly average net capital) for the years ending December 31, 2010 and 2009.

For 2010 and 2009, pursuant to the Executive Incentive Plan and the formula approved by the Compensation Committee, the annual bonuses for our named executive officers are: (i) with respect to Messrs. Alan Miller, Marc Miller and Filton, based entirely on the achievement of certain corporate performance criteria, or; (ii) with respect to Ms. Osteen and Mr. Marquez, based 25% on the achievement of certain corporate performance criteria and 75% on the achievement of divisional specified income targets.

The 2009 EPS Target, which represented our projected consolidated earnings per share estimate for the year as publicly released by us during the first quarter of 2009, was \$2.05 per diluted share (as adjusted for the two-for-one stock split that occurred on December 15, 2009). The 2009 Return on Capital Target was 6.7%. Pursuant to the terms of the Executive Incentive Plan and the formula approved by our Compensation Committee, for 2009, our named executive officers were eligible to receive the applicable portion of their bonuses (which were based on the corporate performance criteria) at various increments ranging from 0% of their bonus target award (based upon the achievement of an EPS Target of \$1.87 or less and Return on Capital of 5.3% or less) up to 250% of their bonus target award (based upon the achievement of an EPS Target of \$2.23 or greater and Return on Capital of 8.1% or greater). Although the bonus formula in fiscal year 2010 is unchanged from 2009's bonus formula, the 2010 EPS Target and Return of Capital Targets have been increased.

In determining the corporate and divisional performance criteria, various factors are considered, including the projected revenue and earnings growth over the prior year. Since the value received by stockholders is measured, in large part, by an increase in stock price, which is in turn typically influenced by increases in revenues and earnings, our performance criteria are established at reasonably aggressive levels to encourage the attainment of our financial objectives which, if accomplished, may result in an increase to our stock price and increased value to stockholders. As mentioned above, the corporate performance criteria are established annually and the EPS Target component directly correlates to the annual earnings guidance which is typically publicly disclosed by us during the first quarter of each year. The divisional performance criteria, although not publicly disclosed, are also established annually and represent each division's respective portion of the corporate performance criteria. We do not publicly disclose the divisional performance criteria since we believe doing so may result in confusion to investors since it will not be apparent how this information correlates to our consolidated financial statements. Although the divisional performance criteria represent each division's respective portion of the corporate performance criteria, it excludes certain material components of the corporate performance criteria such as corporate overhead and related costs. The corporate overhead and related costs are

included in the annual bonus computations for our named executives that are entirely or partially based on the achievement of the corporate performance criteria (which is based on our consolidated financial statements). However, since these costs are excluded from the divisional performance criteria, the divisional performance projections/results typically aggregate to substantially more than our consolidated projections/results. We do not believe the disclosure of the divisional performance criteria is critical to our investors' understanding of our compensation policies and decisions since we do not believe investors can derive meaningful insight into our consolidated operating results from disclosure of this information. We believe that the disclosure provided above with respect to our corporate performance criteria, and from which the divisional performance criteria are derived, provides a meaningful understanding of our performance objectives to investors.

The following table shows each named executive officer's target bonus as a percentage of his or her base salary for 2010 and 2009:

Name	Title	Target Award	
		2010	2009
Alan B. Miller	Chief Executive Officer and Chairman of the Board	100%	100%
Marc D. Miller	President	50%	50%
Steve G. Filton	Senior Vice President and Chief Financial Officer	50%	50%
Debra K. Osteen	President, Behavioral Health Division and Senior Vice President	50%	50%
Michael Marquez	President, Acute Care Division and Senior Vice President	50%	50%

The actual bonuses awarded for 2009 (which were based upon corporate performance criteria) were based upon the achievement of 250% of the bonus target award, as determined by the Compensation Committee in March of 2010. During 2009, our adjusted net income attributable to UHS, upon which the EPS Target is based, was \$2.49 per diluted share. This adjusted net income attributable to UHS per diluted share was publicly disclosed and reconciled to our reported 2009 net income attributable to UHS of \$2.64 per diluted share, on the Schedule of Non-GAAP Supplemental Consolidated Income Information, included with the our earnings for the year ended December 31, 2009, as filed on Form 8-K on February 25, 2010. The Return on capital was 8.1% for 2009. The Return on capital is calculated by dividing our adjusted net income attributable to UHS for the year by the consolidated average net capital.

The performance goals related to the Executive Incentive Plan, as outlined above, are generally based upon the achievement of our business plan financial objectives. Performance goals are established at reasonably aggressive levels to encourage and motivate executive performance and attainment of our financial objectives. At the time the Compensation Committee approved the Executive Incentive Plan for fiscal years 2009 and 2010, we believed that the performance goals were attainable, but not certain. We achieved 100% or greater of the target award, based on the achievement of the corporate performance criteria, during each of the last three years (250% of target award achieved in each of 2009 and 2008 and 113% of target award achieved in 2007).

Pursuant to the above-mentioned compensation analysis conducted by Towers Watson & Co. during 2009 for Mr. Alan Miller, his 2009 bonus target award (100% of base salary) was below the peer group 50th percentile for 2009 (of 125% of base salary). Relative to the broader general industry, Mr. Alan Miller's 2009 bonus target award is at the 50th percentile level. Based upon that data, there was no change made by the Compensation Committee to Mr. Alan Miller's annual bonus target award of 100% of his base salary.

As part of our peer company compensation review for other executive officers as discussed above in *Annual Base Salary*, we also targeted the median (fiftieth percentile) of actual annual bonuses paid by competitor companies as reported in proxy data, for Messrs. Marc Miller, Filton, Marquez and Ms. Osteen. The Annual Bonus Award-Market Median reflects the bonus award median obtained from proxy data and the Annual Bonus Award-UHS Actual column reflects the actual bonuses earned by each individual during 2009.

	Annual Bonus Award-Market Median	Annual Bonus Award-UHS Actual	UHS % of Market Median
Marc D. Miller	\$ 540,000	\$ 537,520	100%
Steve G. Filton	\$ 343,996	\$ 531,270	154%
Michael Marquez	\$ 408,447	\$ 504,710	124%
Debra K. Osteen	\$ 408,447	\$ 451,580	111%

The 2009 bonus awards to the four above-mentioned individuals exceeded the targeted median range since each of their respective incentive plan targets were exceeded (Messrs. Marc Miller's and Filton's were based entirely on the achievement of certain corporate performance criteria and Ms. Osteen's and Mr. Marquez's were based 25% on the achievement of certain corporate performance criteria and 75% on the achievement of divisional specified income targets). The Compensation Committee believes that the cash bonuses paid to our named executive officers are appropriate to facilitate our ability to attract, retain, motivate and reward our named executive officers.

For a further description of the cash bonuses and other elements of compensation granted to our named executive officer for 2009, 2008 and 2007, please refer to the Summary Compensation Table in this Proxy Statement.

Long-Term Incentives

The Compensation Committee believes that the grant of non-cash, long-term compensation, primarily in the form of long-term incentive awards, to our named executive officers is appropriate to attract, motivate and retain such individuals, and enhance stockholder value through the use of equity incentive compensation opportunities. Further, long-term incentive awards reward individuals for their performance and achievement of business goals. The Compensation Committee believes that our best interests will be advanced by enabling our named executive officers, who are responsible for our management, growth and success, to receive compensation in the form of long-term incentive awards which may increase in value in conjunction with the satisfaction by the Company of pre-determined performance measures and/or an increase in the value of our common stock and which will provide our named executive officers with an incentive to remain in their positions with us.

Like base salaries, with respect to grants of long-term incentive awards, an individual's performance is reviewed in light of his or her position, responsibilities and contribution to our financial performance. In addition, the Compensation Committee takes into account an individual's potential contribution to our growth and productivity. There is no other predetermined formula, factors or specified list of criteria that is followed.

For a description of the long-term incentive awards granted to our named executive officers for 2009, you should read the Summary Compensation Table and the Grants of Plan-Based Awards Table included in this Proxy Statement.

Stock options. Our 2005 Stock Incentive Plan (the "Stock Incentive Plan"), as amended in 2008, provides for the issuance of options to purchase shares of our Class B Common Stock at an exercise price equal to the fair market value on the date of grant. The Stock Incentive Plan is intended to provide a flexible vehicle through which we may offer equity based compensation incentives to our named and executive officers and other eligible personnel in support of our compensation objectives.

Awards under the Stock Incentive Plan may be in the form of options to purchase shares of Class B Common Stock (including options intended to qualify as "incentive stock options" within the meaning of Section 422 of the Code and options which do not qualify as "incentive stock options") and stock appreciation rights ("SARs"). Awards may be granted to our present or future employees, our affiliates and our directors and consultants who are not employees. To date, no SARs have been granted.

Typically, option awards are granted by the Compensation Committee on specific dates that are scheduled in advance, which generally coincide with regularly scheduled meetings of the Compensation Committee and the Board of Directors. There is no separate policy with respect to the timing of option awards to our named executive officers. Typically, option awards are granted to our named executive officers at the same time as option awards are granted to our other employees. In certain circumstances, such as new hires or promotions, option awards are granted separately.

Subject to the provisions of the Stock Incentive Plan, the Compensation Committee has the responsibility and full power and authority to select the persons to whom awards will be made, to prescribe the terms and conditions of each award and make amendments thereto, to construe, interpret and apply the provisions of the Stock Incentive Plan and of any agreement or other instrument evidencing an award and to make any and all determinations and take any and all other actions as it deems necessary or desirable in order to carry out the terms of the Stock Incentive Plan. The grant of stock options is based primarily on an employee's level in the organization and their contribution to our growth and profitability.

Stock options have such vesting and other terms and conditions as the Compensation Committee, acting in its discretion, may determine. Generally, grants of stock options vest in equal amounts over four years and, unless otherwise determined by the Compensation Committee, employees must be employed by us for such options to vest. We do not have any plan to select option grant dates for our named executive officers in coordination with the release of material non-public information. The exercise price per share of Class B Common Stock covered by an option may not be less than 100% of the fair market value of the underlying

Class B Common Stock on the date of grant. For purposes of the Stock Incentive Plan, unless otherwise determined by the Compensation Committee, the fair market value of a share of Class B Common Stock as of any given date is the closing sale price per share reported on a consolidated basis for securities listed on the principal stock exchange or market on which the Class B Common Stock is traded on the date as of which such value is being determined or, if there is no sale on that day, then on the next day on which a sale was reported.

In December 2009, we granted stock options to each of our named executive officers in addition to other eligible employees. The Compensation Committee believes that these grants of stock options are consistent with the objectives of our executive compensation program by providing an incentive for the creation of stockholder value. For a description of the long-term incentive awards granted to our named executive officers for 2009, you should read the *Summary Compensation Table* and the *Grants of Plan-Based Awards Table* included in this Proxy Statement.

Pursuant to the above-mentioned compensation analysis conducted by Towers Watson & Co. during 2009 for Mr. Alan Miller, which utilized and reviewed data relating primarily to 2008, the expected aggregate value of the restricted stock award granted to him in February of 2009 and the stock options granted to him in November of 2008 was in the lower quartile of the established peer group and below the 50th percentile of the published survey data.

During 2008, in conjunction with a periodic review of our peer companies performed every two or three years, our human resource personnel conducted a review to compare certain features of our Stock Incentive Plan against the stock based compensation plans at nine companies that we believe are comparable to us (the nine companies are disclosed above in *Elements of Compensation*). At that time, we determined that awards under the Stock Incentive Plan were comparable in terms of eligibility, vesting schedule and frequency of option grants. However, the five-year term of our typical option awards was shorter than the term of the option awards made by some of our peer companies. Generally, these other companies had regular annual grants with a typical term of ten years. We also noted the continuing prevalence of restricted stock grants by the pool of comparable companies. In addition, a review of our outstanding stock options, relative to our peer companies (as measured by comparing the percentage of stock option expense, as calculated pursuant to ASC 718, to the earnings of our peer companies against our comparable stock option expense percentage) indicated that, although our level of grants had improved, our grants remained below the peer group median. As a result of our review, no changes to the Stock Incentive Plan were deemed necessary.

In December of 2009, Mr. Alan Miller recommended that our Compensation Committee award stock options to our named executive officers and other eligible employees. The number of stock options awarded to each of our named executive officers during 2009 was comparable to the awards granted to each individual in 2008, with Messrs. Marc Miller and Marquez receiving additional awards in 2009 as a result of promotions they received during the year. As adjusted for the two-for-one stock split that occurred in December, 2009, the number of stock options awarded to each of our named executive officers in December of 2009 was as follows: Alan B. Miller (590,000); Marc D. Miller (90,000); Steve G. Filton (70,000); Debra K. Osteen (70,000), and; Michael Marquez (80,000). In determining the number of options to award to our named executive officers, the Compensation Committee considered Mr. Alan Miller's recommendations and took into account individual

performance in light of a named executive officer's position, responsibilities and contribution to our financial performance as well as his or her potential contribution to our growth and productivity. In addition, we reviewed historical internal practices for awards of options, which also helped to determine award amounts.

Restricted Stock Awards. The Second Amended and Restated 2001 Employee's Restricted Stock Purchase Plan (the "Restricted Stock Plan"), which is administered by the Compensation Committee, provides for the sale of shares of our Class B Common Stock to eligible personnel for a purchase price equal to par value. Shares of our Class B Common Stock may be sold under the Restricted Stock Plan to any of our employees or consultants.

Vesting conditions on shares issued under the Restricted Stock Plan may consist of continuing employment for a specified period of time following the purchase date. Alternatively, or in addition, vesting may be tied to the satisfaction of specific performance objectives established by the Compensation Committee based upon any one or more of the business criteria used in determining the bonuses for our named executive officers, as mentioned above. We have the right to repurchase the shares for the same purchase price (par value) if specified vesting conditions are not met.

Typically, a vesting condition based upon any of the above performance criteria will qualify for the exception to the Code's Section 162(m) deduction limitation if it is imposed in writing by the Compensation Committee within 90 days of the beginning of the applicable performance period, and it is sufficiently objective to enable a third party having knowledge of the relevant facts to determine whether the condition is met. The Compensation Committee is solely responsible for determining whether a performance-based vesting condition is satisfied at the end of the applicable performance period.

The Compensation Committee believes restricted stock awards are effective in achieving our compensation objectives because employees realize immediate value as restricted stock awards vest, with the value increasing as our stock performance increases. Additionally, cash dividends are paid on all outstanding awards of restricted stock as an additional element of compensation and to provide employees incentives to sustain or increase our performance. We do not have any plan to select restricted stock award grant dates for our named executive officers in coordination with the release of material non-public information.

In February, 2009, pursuant to the terms of Mr. Alan Miller's employment agreement dated December 27, 2007, the Compensation Committee approved the issuance of 109,850 restricted shares of our Class B Common Stock to Mr. Miller (market value of \$2.2 million on date of grant) which satisfied the 2009 minimum annual long-term incentive plan award as stipulated in the employment agreement. These shares, which were granted pursuant to the terms of the Restricted Stock Plan, are scheduled to vest ratably on each of the first, second, third and fourth anniversary dates of the award. In addition, the restricted shares will fully vest: (i) upon the termination of Mr. Miller's employment due to disability, death, by the Company without cause, or due to a breach of the employment agreement by the Company, or; (ii) if Mr. Miller's term as Chief Executive Officer ends due to nonrenewal of the initial or a renewal term. 27,463 of these shares became fully vested during February, 2010.

In January, 2010, pursuant to the terms of Mr. Alan Miller's employment agreement dated December 27, 2007, the Compensation Committee approved the issuance of 49,472 restricted shares of our Class B Common

Stock to Mr. Alan Miller (market value of \$1.5 million on the date of grant). These restricted shares are scheduled to vest ratably on the first, second, third and fourth anniversaries of the grant date. Certain compensation under these awards does not qualify for the performance-based compensation exemption from the \$1 million deduction limitation for executive compensation imposed by Section 162(m) of the Code. In addition, the restricted shares will fully vest: (i) upon the termination of Mr. Miller's employment due to disability, death, by the Company without cause, or due to a breach of the employment agreement by the Company, or; (ii) if Mr. Miller's term as Chief Executive Officer ends due to nonrenewal of the initial or a renewal term.

Deferred Compensation

Our Deferred Compensation Plan, which is subject to the applicable provisions of Internal Revenue Code Section 409A, provides that eligible employees may elect to defer a portion of their base salary and bonus award into deferred compensation accounts that accrue earnings based upon the selection of available investment options. An eligible employee under the Deferred Compensation Plan is: (i) an employee whose base compensation for 2010 is expected to be \$110,000 or higher and has been approved by our Chief Executive Officer, or; (ii) any other employee who has been approved by our Chief Executive Officer. The base compensation threshold is adjusted annually for cost-of-living increases. Pursuant to the terms of the Deferred Compensation Plan, the minimum annual amount that can be deferred is \$2,000. No more than 25% of an employee's base salary or 50% of an employee's annual bonus may be deferred under the Deferred Compensation Plan in any calendar year. Employees may allocate a portion of their deferred compensation to be distributed in a lump sum or installments to begin at retirement or a scheduled distribution date. The available investment options consist of certain mutual funds, which include: (i) conservative (e.g. money markets or bonds); (ii) moderately conservative (e.g. balanced funds), and; (iii) aggressive (e.g. domestic and international equity). Our obligation to make payments of amounts credited to participants' deferred compensation accounts is a general unsecured obligation. In addition, under the Deferred Compensation Plan, we may make discretionary contributions on behalf of an eligible employee. Since inception of the Deferred Compensation Plan, we have not made any discretionary contributions on behalf of employees. Three of our named executive officers deferred a portion of their base salary and/or bonus paid during 2009 to the Deferred Compensation Plan. The Compensation Committee believes that, by offering an alternative savings alternative for our named executive officers, the Deferred Compensation Plan supports our objectives to attract, retain and motivate talented personnel.

For a further description of the Deferred Compensation Plan, please refer to *the Nonqualified Deferred Compensation Table* and the narrative discussion included in this Proxy Statement.

Retirement Benefits

Our retirement benefits consist of our Executive Retirement Income Plan and a 401(k) plan. These plans are designed in combination to provide an appropriate level of replacement income upon retirement. The Compensation Committee believes that these retirement benefits provide a balanced and competitive retirement program and support our objectives to attract, retain and motivate talented personnel.

Executive Retirement Income Plan. In October 1993, the Board of Directors adopted the Executive Retirement Income Plan pursuant to which certain management or other highly compensated employees designated by the Board of Directors who have completed at least 10 years of active employment with us may receive retirement income benefits. The monthly benefit is payable to a participant who retires after he or she reaches age 62 (applicable to participants added to the plan before 2008) or age 65 (applicable to participants added to the plan after January 1, 2008). The benefit is equal to 3% of the employee's average monthly base salary over the three years preceding retirement multiplied by the number of qualified years (not to exceed 10) of the participant's employment with us.

Payment of the benefit will be made in 60 monthly installments following the participant's retirement date. If an employee ceases employment with us prior to the applicable retirement age, or an employee has not completed at least 10 years of active employment with us, no retirement income will be payable to the employee unless the Board of Directors determines otherwise. For a further description of the Executive Retirement Income Plan, please refer to the Pension Benefits Table included in this Proxy Statement.

401(k) Plan. We maintain a 401(k) plan for all employees, including our named executive officers, as an additional source of retirement income. Pursuant to the 401(k) plan, in 2009, we made matching contributions (subject to highly compensated employee limits set by the Internal Revenue Code) to the 401(k) plan of approximately \$20.3 million. Most of the named executive officers participated in the 401(k) plan in 2009. Accordingly, we made matching contributions equal to \$7,350 to the 401(k) plan for each of the participating named executives.

Benefits

Our named executive officers are eligible to participate in the benefit plans generally available to all of our employees, which include health, dental, life insurance, vision, life and disability plans, all of which the Compensation Committee believes are commensurate with plans of other similarly situated public companies in the hospital management industry.

Company Aircraft. We purchased a partial ownership interest in a fixed wing aircraft which has been utilized for business purposes by members of our management team, including our named executive officers, and for personal use by Mr. Alan Miller, as stipulated in his employment agreement. When the aircraft is utilized for personal purposes by Mr. Alan Miller and/or his family members, the incremental costs incurred, including the regular hourly charges, variable fuel charges and associated fees and taxes, are directly reimbursed to us by Mr. Alan Miller and therefore no imputed amounts are included in the *Summary Compensation Table*.

Automobile. Mr. Alan Miller utilizes his automobile for both business and personal purposes. As reimbursement for his business-related usage, we paid 70% of the original purchase price of the vehicle and Mr. Alan Miller paid the remainder. We also pay for other expenses related to the vehicle including maintenance and fuel costs, \$905 in 2009 of which (the amount deemed to be related to his personal use) is included in the *Summary Compensation Table* in All other compensation.

Reimbursement of Relocation Expenses. In the normal course of business, in an effort to satisfy our staffing needs with high-quality personnel and/or support the career development of an employee by enabling them to assume a position of broader scope and complexity, we may need to place an executive in a position in a geographic location which differs from that in which the individual resides. The relocation benefits for our executives are patterned on standard industry practices and are competitive in design. The provisions for relocation benefits are the same for several of the top layers of management and consistently administered. Included in the relocation benefits are reimbursements or direct payment to vendors for expenses that include items like a short duration house hunting trip, movement of household goods and personal items, short duration of interim living expenses and certain closing costs for the sale and purchase of a house. Relocation reimbursement that is taxable to the individual is typically grossed-up to cover the resulting incremental income tax expense. During 2009, we did not pay any relocation expenses for any of the named executive officers.

Other Perquisites. From time to time, we make tickets to cultural and sporting events available to our employees, including our named executive officers, for business purposes. If not utilized for business purposes, the tickets are made available to our employees, including our named executive officers, for personal use.

Split-Dollar Life Insurance Agreements. In October 1998, we entered into split dollar life insurance agreements, with a combined face value of \$16.0 million, in connection with second to die insurance policies issued on the lives of Alan B. Miller and his wife and owned by the Alan B. Miller 1998 Dual Life Insurance Trust (the 1998 Trust). This agreement and the related collateral assignment were assumed by and assigned to us in October 1998. As currently in force, this agreement requires us to make annual premium payments on the policies and gives us an economic interest in the policies. We are entitled to receive a portion of the death proceeds equal to its share of the aggregate premium payments. Our interest in each policy is secured by a collateral assignment of the policy. With the consent of Mr. Miller, we have not paid the annual premiums on these policies since 2002.

We entered into two additional split dollar life insurance agreements, with a combined face value of \$30.5 million, in connection with life insurance policies issued on the life of Alan B. Miller and owned by the Alan B. Miller 2002 Trust (the 2002 Trust) in January 2002. These agreements and the related collateral assignments were assumed by and assigned to us in January, 2002. As currently in force, these agreements require us to make annual premium payments on the policies and give us an economic interest in the policies. In January, 2002, we made premium payments pursuant to these agreements of \$942,274, and the 2002 Trust reimbursed us the one-year term cost of the insurance protection to which the 2002 Trust is entitled under the insurance policies pursuant to these split dollar life insurance agreements. Such cost is determined under the principles established by applicable U.S. Treasury Department pronouncements, notices, rulings and regulations in effect for determining such costs for insurance protection, which, subject to and until changed, shall be the lesser of the current published one-year term rates of the issuing insurance company pursuant to the guidelines set forth in Rev. Rule. 66-110 and Rev. Rule 67-154 or the Table 2001 set forth in IRS Notice 2002-8. We are entitled to receive a portion of the death proceeds equal to its share of the aggregate premium payments. Our interest in each policy is secured by a collateral assignment of the policy. With the consent of Mr. Alan Miller, we have not paid the annual premiums on these two additional policies since 2002.

The Compensation Committee has determined to offer the above-described fringe benefits and perquisites in order to attract and retain our named executive officers by offering compensation opportunities that are competitive with those offered by our peers. In determining the total compensation payable to our named executive officers, for a given fiscal year, the Compensation Committee considers such fringe benefits and perquisites. However, given the fact that such fringe benefits and perquisites, which are available to our named executive officers, represent a relatively insignificant portion of their total compensation, they do not materially influence the decisions made by the Compensation Committee with respect to other elements of the total compensation to which our named executive officers are entitled or awarded. For a further description of the fringe benefits and perquisites received by our named executive officers during 2009, please refer to the narrative discussion included in this Proxy Statement.

Rewards/Compensation Risk Analysis: A rewards programs risk assessment was conducted our human resource personnel in conjunction with senior management. As part of its oversight of the Company's executive compensation program, the Compensation Committee considers the impact of the Company's executive compensation program, and the incentives created by the compensation awards that it administers, on the Company's risk profile. In addition, the Company reviews all of its compensation policies and procedures, including the incentives that they create and factors that may reduce the likelihood of excessive risk taking, to determine whether they present a significant risk to the Company. The review found that there were no excessive risks encouraged by the Company's reward programs and the rewards programs do not produce payments that have a material impact on the financial performance of the organization. Approximately 150 employees (including the five named executive officers) of our 28,100 full-time employees (comprising 0.5% of our full-time employees) have incentive plans that entitle those individuals to larger bonus awards if profitability increases. However, although the plans are based on profitability, the bonus awards for these employees are capped at specific award levels (typically at 125% of base salary). Therefore, should our profitability increase, even by significant amounts, we do not believe the additional aggregate bonus awards would have a material unfavorable impact on our future results of operations.

Summary

The foregoing discussion describes the compensation objectives and policies which were utilized with respect to our named executive officers during 2009. In the future, as the Compensation Committee continues to review each element of the executive compensation program with respect to our named executive officers, the objectives of our executive compensation program, as well as the methods that the Compensation Committee utilizes to determine both the types and amounts of compensation to award to our named executive officers, may change.

Chief Executive Officer Employment Agreement

As discussed in the *Compensation Discussion and Analysis*, unlike our other named executive officers, Mr. Alan Miller's compensation is determined in large part by the terms of his employment agreement. Mr. Miller's base salary, minimum annual bonus and certain perquisites are determined under his employment agreement. On December 27, 2007, we entered into an employment agreement with Alan B. Miller which provides that Mr. Miller will continue to serve as Chief Executive Officer and Chairman of our Board of Directors through December 31, 2012, followed by annual one-year renewal periods unless either party elects otherwise. The new agreement also contemplates that Mr. Alan Miller will remain as Executive Chairman of our Board of Directors for three years after the expiration of his term as chief executive officer, followed by a term of up to two years as non-executive chairman (in any case ending December 31, 2017).

Mr. Alan Miller participates in benefit plans and programs that are made available to other employees and he receives certain executive perquisites, including, but not limited to, split dollar life insurance benefits, payment of certain automobile costs, payment of country club dues, tax and accounting services, use of a private plane for personal purposes for up to 60 hours per year, subject to reimbursement by Mr. Alan Miller at market rates, and such other fringe benefits as the Compensation Committee of our Board of Directors may determine (as discussed in the Compensation Discussion and Analysis above).

Mr. Alan Miller's salary as our Chief Executive Officer will be \$1,377,000 for 2010 which is a 2% increase over his 2009 salary. Although Mr. Alan Miller's employment agreement provides for annual salary increases in an amount at least equal to the percentage increase in the consumer price index over the previous year, Mr. Alan Miller elected to forgo his 2009 salary increase. Mr. Miller is also entitled to an annual bonus opportunity target equal to 100% of his salary. The amount of the annual bonus for any year may be more or less than the target amount and will be determined by the Board of Directors in accordance with pre-established performance measures.

In addition to the restricted stock and stock options granted to Mr. Alan Miller during 2008, 2009 and 2010, as discussed above in the *Compensation Discussion and Analysis-Restricted Stock Awards and Stock Options*, he is also eligible to receive awards under our long term incentive plan(s), including minimum awards of \$1.5 million of restricted stock for years 2008, 2009 and 2010.

For a further description of the employment agreement, please refer to the *Potential Payments Upon Termination or Change-in-Control* section below. For a further description of the compensation setting process with respect to Mr. Miller, please refer to the *Compensation Discussion and Analysis* section above.

Pursuant to the terms of the grant, 25%, or 15,340 shares of restricted stock vested on each of November 21, 2009 and 2008.

The restricted stock awarded to Mr. Miller did not impact decisions regarding other elements of Mr. Miller's compensation package.

In October 1993, the Board of Directors adopted the Executive Retirement Income Plan pursuant to which certain management or other highly compensated employees designated by the Board of Directors who have completed at least 10 years of active employment with us may receive retirement income benefits. The monthly benefit is payable to a participant who retires after he or she reaches age 62 (applicable to participants added to the plan before 2008) or age 65 (applicable to participants added to the plan after January 1, 2008). The benefit is equal to 3% of the employee's average monthly base salary over the three years preceding retirement multiplied by the number of qualified years (not to exceed 10) of the participant's employment with us.

Payment of the benefit will be made in 60 monthly installments following the participant's retirement date. Under certain circumstances, the participant may be entitled to elect to receive the present value of the payments in one lump sum or receive payments over a period of 10 years. If an employee ceases employment with us prior to the applicable retirement age, or an employee has not completed at least 10 years of active employment with us, no retirement income will be payable to the employee unless the Board of Directors determines otherwise.

For Mr. Alan Miller the aggregate benefit payable (for the 60 months in which the participant receives benefits) assuming retirement as of December 31, 2009 amounted to \$1,933,935. As of December 31, 2009, the projected aggregate benefit payable for each of Steve G. Filton, Debra K. Osteen, Michael Marquez and Marc D. Miller, were \$803,290, \$769,815, \$723,830 and \$595,395, respectively, based upon the following assumptions: (i) each participant will retire at the age of 62, and; (ii) annual salary increases of 3% are provided until the age of 62 is attained.

Deferred Compensation

Our Deferred Compensation Plan, which is subject to the applicable provisions of Internal Revenue Code Section 409A provides that eligible employees may elect to convert and defer a portion of their base salary and bonus award into investment options in lieu of receiving cash. An eligible employee under the Deferred Compensation Plan is: (i) an employee whose base compensation for 2010 is expected to be \$110,000 or higher and has been approved by our Chief Executive Officer, or; (ii) any other employee who has been approved by our Chief Executive Officer. The base compensation threshold is adjusted annually for cost-of-living increases.

Pursuant to the terms of the Deferred Compensation Plan, the minimum annual amount that can be deferred is \$2,000. No more than 25% of an employee's base salary or 50% of an employee's annual bonus may be deferred under the Deferred Compensation Plan in any calendar year. Employees may allocate a portion of their deferred compensation to be distributed in a lump sum or installments to begin at retirement or a scheduled distribution date. The mutual fund investment options include: (i) conservative (e.g. money markets or bonds); (ii) moderately conservative (e.g. balanced funds), and; (iii) aggressive (e.g. domestic and international equity). In addition, under the Deferred Compensation Plan, we may make discretionary contributions on behalf of an eligible employee. Since inception of the Deferred Compensation Plan, we have not made any discretionary contributions on behalf of employees.

Our obligations under the Deferred Compensation Plan in connection with an employee's retirement account are payable, beginning at retirement at age 55 and 10 years of service, in equal installments over a ten year period; except that an employee may make a distribution election to receive the balance of the participant's retirement account in either a single one lump sum or equal annual or less frequent installments over a period not to exceed ten years. An employee will receive a lump sum distribution as a result of termination of employment for other than retirement, death or disability. An employee may change his distribution elections by making new distribution elections at least 12 months prior to the date on which such payment was otherwise scheduled to be made and must be delayed until a date that is at least five years after the date the distribution was previously scheduled to begin.

Our obligations under the Deferred Compensation Plan in connection with an employee's scheduled distribution are payable in a lump sum or installments of two to ten years, commencing on the date indicated by the employee. If the employee's employment is terminated prior to the distribution of obligations in accordance with a scheduled distribution then the amounts credited to such accounts will be transferred to the employee's retirement account and distributed in accordance with the employee's distribution election for that account.

If an employee experiences a financial hardship that is the result of an unforeseeable emergency, as defined under the Deferred Compensation Plan, he or she may apply to the administrator of the Deferred Compensation Plan for an emergency withdrawal against his or her accounts. Such an emergency withdrawal may be allowed at the discretion of the administrator, in which case the employee's account will be reduced accordingly.

For a description of the Executive Retirement Income Plan and potential payments thereunder, please refer to the Pension Benefits Table and the related narrative discussion included in this Proxy Statement.

Potential Payments Upon Termination or Change-in-Control

Mr. Alan Miller's employment agreement provides that Mr. Alan Miller will continue to serve as Chief Executive Officer and Chairman of our Board of Directors through December 31, 2012, followed by annual one-year renewal periods unless either party elects otherwise. The agreement also contemplates that Mr. Alan Miller will remain as Executive Chairman of our Board of Directors for three years after the expiration of his term as Chief Executive Officer, followed by a term of up to two years as non-executive Chairman (in any case ending December 31, 2017). The employment agreement also contains customary non-disparagement, non-solicitation and non-competition provisions.

During the term of Mr. Alan Miller's service as Executive Chairman of our Board of Directors, Mr. Alan Miller will receive the same compensation, benefits and perquisites as he would have been entitled to receive if the term of his employment as Chief Executive Officer had continued, except: (i) his annual salary will not be subject to an annual cost of living adjustment, and; (ii) he will not be entitled to an annual bonus. If Mr. Alan Miller serves as non-Executive Chairman of our Board of Directors pursuant to his employment agreement, he will receive an annual cash retainer of at least \$250,000, as well as such equity and other incentive award opportunities and other non-cash compensation as are provided to other non-management directors. In addition, during the period of his service as non-executive Chairman of the Board of Directors, Mr. Alan Miller will receive certain perquisites.

If the Board of Directors determines that Mr. Alan Miller shall not serve as executive Chairman for the full three-year or other term prescribed by the employment agreement, then Mr. Miller will receive a lump sum payment equal to the salary he would have received had he served as executive Chairman for the remainder of such term, as well as the perquisites and fringe benefits that would have been provided during such period.

In general, Mr. Alan Miller's long-term incentive awards granted pursuant to his employment agreement will become fully vested upon termination of his employment other than by us for cause or voluntarily by Mr. Alan Miller before the end of the applicable term (under circumstances not involving a breach of the employment agreement by us).

If Mr. Alan Miller's employment is terminated for cause, as defined in the employment agreement, he will be entitled to any benefits payable to or earned by Mr. Miller with respect to any period of his employment or other service prior to the date of such discharge.

If Mr. Alan Miller's employment as Chief Executive Officer is terminated due to his disability, Mr. Alan Miller shall be paid a pro rata portion of the annual bonus which would otherwise have been payable for the year in which his employment terminates, plus an amount equal to one-half of Mr. Alan Miller's base salary, payable in twelve equal monthly installments. If Mr. Alan Miller's employment or service terminates due to his death, Mr. Alan Miller's beneficiary shall receive a pro rata portion of the annual bonus which would otherwise have been payable to Mr. Alan Miller for the year of his death.

If Mr. Miller terminates his employment or other service under the employment agreement because of a material change in the duties of his office or any other breach by us of our obligations, or in the event of the termination of Mr. Alan Miller's employment by us without cause or otherwise in breach of the employment agreement, Mr. Alan Miller will generally continue to receive all of the cash compensation, benefits and minimum long term incentive compensation set forth in the employment agreement as if his employment or service had not terminated, and the vesting of his long-term incentive plan awards will accelerate.

The following table provides quantitative disclosure of the estimated payments that would be made to Mr. Alan Miller under his employment agreement as of December 31, 2009, the last business day of our fiscal 2009, assuming that the employment agreement would have been in effect at that time:

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Marc D. Miller, a member of our Board of Directors and President of the Company, is the son of Alan B. Miller, our CEO. Marc D. Miller is a named executive officer and therefore the salary and other compensation arrangements between us and Marc D. Miller are disclosed and described throughout this Proxy Statement.

Anthony Pantaleoni, a member of our Board of Directors and a member of the Executive Committee is Of Counsel to Fulbright & Jaworski L.L.P., the law firm we use as our principal outside counsel. This law firm also provides personal legal services to our Chief Executive Officer. Mr. Pantaleoni is also the trustee of certain trusts for the benefit of the Chief Executive Officer and his family.

Studioality provides certain website services for the Company. The owner of Studioality is the son-in-law of Alan B. Miller, our Chairman and Chief Executive Officer. Fees earned by Studioality for such services during 2009 were approximately \$119,000 on terms that we believe are comparable to those we would have paid to an unaffiliated third party for such services.

Pursuant to our Code of Business Conduct and Corporate Standards, all employees, officers and directors of the Company and its subsidiaries are prohibited from engaging in any relationship or financial interest which is a conflict of interest with, or which interferes or has the potential to interfere with, the interests of the Company or any of its subsidiaries or facilities. In addition, all employees, officers and directors of the Company and its subsidiaries are required to disclose to our compliance officer any financial interest or ownership interest or any other relationship that he or she (or a member of his or her immediate family) has with customers, vendors, or competitors of the Company or any of its subsidiaries or facilities. Matthew Klein, our General Counsel, is currently our compliance officer.

All employees, officers and directors of the Company and its subsidiaries are prohibited from entering into a related party transaction with the Company without the prior approval of our compliance officer. Any request for the Company to enter into a transaction with an employee, officer or director or any of such persons' immediate family members must first be presented to our compliance officer for review, consideration and approval. In approving or rejecting the proposed agreement, our compliance officer will consider the relevant facts and circumstances available and deemed relevant, including but not limited to, the risks, costs, and benefits to the Company, the terms of the transactions, the availability of other sources for comparable services or products, and, if applicable, the impact on director independence. Our compliance officer shall only approve those agreements that, in light of known circumstances, are in or are not inconsistent with, the Company's best interests, as determined in good faith by our compliance officer.

Except as otherwise disclosed in this Proxy Statement, since the beginning of the Company's last fiscal year, we have not been a party to, and we have no plans to be a party to, any transaction or series of similar transactions in which the amount involved exceeded or will exceed \$120,000 and in which any employee, executive officer or director, holder of more than 5% of our voting securities, or any member of the immediate family of any of the foregoing, had or will have a direct or indirect material interest.

Please see "Corporate Governance - Director Independence" for additional information on the independence of our directors.

CORPORATE GOVERNANCE

Director Independence

Our Board of Directors has affirmatively determined that five of its eight current members (Leatrice Ducat, John H. Herrell, Robert H. Hotz, Rick Santorum and Daniel B. Silvers) are independent directors under the applicable rules and regulations of the SEC and the New York Stock Exchange listing standards.

In determining independence, the Board of Directors affirmatively determines each year whether directors have any material relationship with us. When assessing the materiality of a director's relationship with us, the Board of Directors considers all relevant facts and circumstances, not merely from the director's standpoint, but also from the standpoint of the persons or organizations with which the director has an affiliation. Material relationships can include commercial, banking, industrial, consulting, legal, accounting, charitable and familial

relationships. The Board of Directors has concluded that no material relationship exists between us and any of our independent directors, other than each such person's position as one of our directors.

We are eligible to be treated as a controlled company under New York Stock Exchange Rule 303A due to the fact that the family of Alan B. Miller holds more than 95% of the shares of Class A and Class C Common Stock, which is entitled to elect 80% of the entire Board of Directors and constitutes more than 50% of our aggregate voting power. New York Stock Exchange Rule 303A states that a controlled company need not have a majority of independent directors on its board or have nominating/corporate governance and compensation committees composed entirely of independent directors. We have elected to avail ourselves of a limited aspect of the Rule 303A exemption, determining that the Nominating & Governance Committee is not responsible for identifying and recommending qualified candidates for Board positions that, in accordance with our Restated Certificate of Incorporation, are to be elected by the holders of Class A and Class C Common Stock of the Company. We currently intend to have a majority of independent directors on our Board of Directors and all independent directors on our Audit Committee, Compensation Committee and Nominating & Governance Committee.

Meetings of the Board of Directors

Regular meetings of the Board of Directors are generally held every other month, while special meetings are called when necessary. Before each Board of Directors or committee meeting, directors are furnished with an agenda and background materials relating to matters to be discussed. During 2009, there were six Board of Directors meetings. All directors participated in at least 75% of the aggregate of the total number of meetings of the Board of Directors and of the total number of meetings held by all committees of the Board of Directors on which they served. Directors are expected to attend the Annual Meeting of Stockholders. All of our directors, with one exception, attended the 2009 Annual Meeting of Stockholders.

Our Corporate Governance Guidelines provide that the Board of Directors shall hold, in accordance with a schedule determined by the Nominating & Governance Committee of the Board of Directors, executive sessions where non-management directors (i.e., directors who are not our officers, but who do not otherwise have to qualify as independent directors) meet without management participation (except as otherwise specifically requested by the non-management directors). John H. Herrell is the presiding director who presides over the executive sessions of the non-management directors. Interested parties may communicate directly and confidentially with the presiding director or with the non-management directors of the Board of Directors as a group by writing to that person or group at Universal Health Services, Inc., c/o Secretary, Universal Corporate Center, 367 South Gulph Road, P.O. Box 61558, King of Prussia, PA 19406.

Board Leadership Structure and Board of Directors

Mr. Alan B. Miller serves as both the Company's Chairman of the Board and Chief Executive Officer. John H. Herrell is the presiding director who presides over the executive sessions of the non-management directors. The Company believes this structure allows all of the non-management directors to participate in the full range of the Board's responsibilities with respect to its oversight of the Company's management. The Board has

determined that this leadership structure is appropriate given the size and complexity of the Company, the number of directors overseeing the Company and the Board's oversight responsibilities.

The specific experience, qualifications, attributes or skills that led to the conclusion that each Director should serve as a Director of the Company, in light of the Company's business and structure, are as follows:

Alan B. Miller has been a Director of the Company since 1978. Mr. Alan Miller has been the Company's Chairman of the Board and Chief Executive Officer since 1978, when he founded the Company, and previously served as the Company's President until May 2009. The Board has access to legal counsel for consultation concerning any issues that may occur during or between regularly scheduled Board meetings. As discussed below, the Board has established a Compensation Committee, an Audit Committee and a Nominating & Governance Committee to assist the Board in performing its oversight responsibilities.

The Nominating & Governance Committee annually oversees a self-evaluation of the current Board members and those committees as the Board shall specify from time to time and reports to the Board with respect to whether the Board and its committees are functioning effectively. The full Board discusses each evaluation report to determine what, if any, actions should be taken to improve the effectiveness of the Board or any committee thereof.

The Board's Role in Risk Oversight

Consistent with its responsibility for oversight of the Company, the Board, among other things, oversees risk management of the Company's business affairs directly and through the committee structure that it has established. The principal risks associated with the Company are risks related to concentration of the locations of our facilities, dependence on payments from the government and other third party payors, the inability to collect payments from patients, a worsening of the economic and employment conditions in the United States, uncertainties regarding health care reform, competition for patients from other hospitals and health care providers, our ability to recruit and retain quality physicians, our ability to attract and retain qualified nurses and medical support staff, compliance with extensive laws and government regulations, liabilities from claims brought against our facilities, governmental investigations, regulatory actions and whistleblower lawsuits, accreditation of our facilities, acquisition and integration of hospitals, state efforts to regulate the construction or expansion of health care facilities, fluctuations in our operating results, quarter to quarter earnings and other factors, significant corporate regulation as a public company, and dependence on key management personnel.

The Board's role in the Company's risk oversight process includes regular reports from senior management on areas of material risk to the Company, including operational, financial, legal and regulatory, and strategic and reputational risks. The full Board (or the appropriate committee) receives these reports from management to identify and discuss such risks.

The Board periodically reviews with management its strategies, techniques, policies and procedures designed to manage these risks. Under the overall supervision of the Board, management has implemented a variety of processes, procedures and controls to address these risks.

The Board requires management to report to the full Board on a variety of matters at regular meetings of the Board and on an as-needed basis, including the performance and operations of the Company and other matters relating to risk management. The Audit Committee also receives regular reports from the Company's independent registered public accounting firm on internal control and financial reporting matters. These reviews are conducted in conjunction with the Board's risk oversight function and enable the Board to review and assess any material risks facing the Company. The Lead Independent Director periodically meets with management and the Company's independent registered public accounting firm to review and discuss the activities of the Company and to provide direction with respect thereto.

Stockholder Communications

Stockholders who wish to send communications to the Board of Directors or an individual director should address such communications to Universal Health Services, Inc., c/o Secretary, Universal Corporate Center, 367 South Gulph Road, P.O. Box 61558, King of Prussia, PA 19406. Committees of the Board of Directors

The Compensation Committee, the Audit Committee, the Nominating & Governance Committee, the Executive Committee and the Finance Committee are the standing committees of the Board of Directors. A current copy of the our Corporate Governance Guidelines, Code of Business Conduct and Corporate Standards, Code of Ethics for Senior Financial Officers, Compensation Committee Charter, Nominating & Governance Committee Charter and Audit Committee Charter are available free of charge on the our website at www.uhsinc.com. Copies of these documents also are available in print free of charge to any stockholder who requests them. We intend to satisfy the disclosure requirements under Item 5.05 of Form 8-K relating to amendments to or waivers of any provision of our Code of Ethics for Senior Financial Officers by promptly posting the information on our website.

Compensation Committee. The current members of the Compensation Committee are Robert H. Hotz, Leatrice Ducat and Rick Santorum. The Compensation Committee met three times during 2009. The Board of Directors has determined, in its business judgment, that each member of the Compensation Committee qualifies as an independent director under the regulations adopted by the SEC and the New York Stock Exchange.

The Compensation Committee reviews and approves our goals and objectives relevant to the compensation of our Chief Executive Officer and other executive officers, evaluates their performance, determines and approves their compensation level, reviews and determines the form and amount of compensation of the non-management members of the Board of Directors, administers incentive-compensation plans and equity-based plans and approves compensation awards, among other duties and responsibilities.

The amount and mix of the compensation paid to our named executive officers and directors are evaluated on an annual basis. See the section titled Compensation Setting Process, in the Compensation Discussion & Analysis for an additional discussion.

The Compensation Committee has the authority to establish one or more subcommittees which shall have the responsibilities and consist of those members of the Compensation Committee as the Compensation Committee may determine from time to time. The Compensation Committee also has the sole authority to retain and terminate compensation consultants to assist it in evaluating our compensation plans, particularly those pertaining to our directors, our Chief Executive Officer and our other executive officers, and to approve the fees and other terms relating to the provision of those services. As discussed in the *Compensation Discussion and Analysis*, unlike our other named executive officers, Mr. Alan Miller's compensation is determined in large part by the terms of his employment agreement.

Audit Committee. Members of the Audit Committee are Leatrice Ducat, John H. Herrell, Robert H. Hotz and Daniel B. Silvers. No member serves on the audit committee of more than three public companies. The Audit Committee met fourteen times during 2009.

The Board of Directors has determined, in its business judgment, that each member of the Audit Committee qualifies as an independent director under the regulations adopted by the SEC and the New York Stock Exchange and is financially literate and that John H. Herrell qualifies as an audit committee financial expert under SEC regulations and has accounting or related financial management expertise.

The Audit Committee provides assistance to the Board of Directors in fulfilling its oversight responsibility to the stockholders, potential stockholders, the investment community and others relating to: the integrity of our financial statements, the financial reporting process, the systems of internal accounting and financial controls, the performance of our internal audit function and independent auditors, the independent auditors' qualifications and independence and our compliance with legal and regulatory requirements. This Committee has the authority, duties and responsibilities set forth in its Audit Committee Charter, as amended.

Nominating & Governance Committee. The current members of the Nominating & Governance Committee are Leatrice Ducat, Robert H. Hotz and Rick Santorum. This Committee met twice during 2009. The Board of Directors has determined, in its business judgment, that each member of the Nominating & Governance Committee qualifies as an independent director under the regulations adopted by the SEC and the New York Stock Exchange.

The Nominating & Governance Committee was established, with respect to those directors who are to be elected by the holders of Class B and Class D Common Stock of the Company in accordance with the our Restated Certificate of Incorporation, for the purpose of: (i) assisting the Board of Directors by identifying individuals who are qualified to become directors, consistent with the criteria approved by the Board of Directors; (ii) recommending to the Board of Directors Class B and D director nominees for the next annual meeting of stockholders at which a Class B and D director is to be elected; (iii) developing and recommending to the Board of Directors a set of corporate governance principals in the form of our corporate governance guidelines; (iv) leading and overseeing the Board of Directors in its annual review of the performance of the Board of Directors and our management, and; (v) recommending to the Board of Directors director nominees for each committee of the Board of Directors. The Nominating & Governance Committee provides such assistance in identifying and recommending Class A and Class C Common Stock director nominees as may be requested by the entire Board of Directors. The Nominating & Governance Committee adopted our Corporate Governance Guidelines.

In light of the concentration of over 95% of the voting power of our Class A and Class C Common Stock in a single individual and related entities, and in accordance with the Controlled Companies exemption set forth in Section 303A of the New York Stock Exchange Listed Company Manual, the Nominating & Governance Committee is not responsible for identifying and recommending qualified candidates for directors that, in accordance with our Restated Certificate of Incorporation, are to be elected by the holders of Class A and Class C Common Stock. The Nominating & Governance Committee shall, however, provide such assistance in identifying and recommending Class A and C Director nominees as may be requested by the entire Board of Directors.

The Nominating & Governance Committee will consider Class B and D director nominees recommended by stockholders. Under our Restated Certificate of Incorporation, the number of directors to be elected by the Class B and D Common stockholders is limited to 20% of the entire Board of Directors, or a maximum of two directors. Stockholders who wish to recommend a nominee for the Nominating & Governance Committee's consideration may do so by submitting the individual's name and qualifications to the Nominating & Governance Committee c/o Secretary, Universal Corporate Center, 367 South Gulph Road, P.O. Box 61558, King of Prussia,

PA 19406. Recommendations must be received by the Nominating & Governance Committee no later than the date by which stockholder proposals for presentation at the next Annual Meeting must be received. Recommended nominees will only be considered if there is a vacancy or if the Board of Directors decides to increase the number of directors.

The Nominating & Governance Committee identifies and evaluates committee-recommended Class B and D director nominees considering, among other factors, the following minimum qualifications: the individual's integrity, experience, education, expertise, independence and any other factors that the Board of Directors and the Nominating & Governance Committee deem would enhance the effectiveness of the Board of Directors and our governance. The Nominating & Governance Committee seeks persons who have achieved prominence in their fields and who possess significant experience in areas of importance to the Company. Additionally, strong analytical skills, independence, energy, forthrightness and integrity are desired characteristics that the Nominating & Governance Committee seeks in potential candidates. We do not have a formal policy with regard to the consideration of diversity in identifying director nominees. However, the Board of Directors believes that it is essential that its members represent diverse viewpoints, with a broad array of experiences, professions, skills, geographic representation and backgrounds that, when considered as a group, provide a sufficient mix of perspectives to allow the Board of Directors to best fulfill its responsibilities to the long-term interests of our stockholders. The Nominating & Governance Committee will evaluate a nominee on the same basis if the individual is recommended by a stockholder. The Nominating & Governance Committee does not currently pay a fee to a third party to identify or evaluate nominees, but may consider from time to time engaging a search firm to identify Class B and D director candidates.

Executive Committee. The Executive Committee has the responsibility, between meetings of the Board of Directors, to advise and aid our officers in all matters concerning the management of the business and, while the Board of Directors is not in session, has the power and authority of the Board of Directors to the fullest extent permitted under law. The Executive Committee met twice in 2009. Members of the Committee are Alan B. Miller, Robert H. Hotz and Anthony Pantaleoni.

Finance Committee. The Finance Committee is responsible for reviewing our overall long-term financial planning. The Finance Committee did not meet in 2009. Members of this Committee are Alan B. Miller, Robert H. Hotz, Anthony Pantaleoni and Marc D. Miller.

AUDIT COMMITTEE REPORT

The Board of Directors is committed to the accuracy and integrity of the Company's financial reporting. The Audit Committee takes an involved and active role in delivering on this commitment.

The Audit Committee provides independent, objective oversight of our accounting functions and internal controls.

The Audit Committee reviews and evaluates, and discusses and consults with our management, internal audit personnel and the independent auditors about the following:

the plan for, and the independent auditors' report on, each audit of the Company's consolidated financial statements and internal controls;

changes in our accounting practices, principles, controls or methodologies, or in the Company's financial statements;

significant developments in accounting rules;

the adequacy of our internal accounting controls, and accounting, financial and auditing personnel; and

the establishment and maintenance of a work environment that promotes ethical behavior.

The Audit Committee acts under a written charter which was originally adopted by the Board of Directors in 2004 and is reviewed and approved on an annual basis. The Audit Committee reviews, acts on and reports to the Board of Directors with respect to various auditing, accounting, financial reporting, internal control and regulatory compliance matters. In discharging its oversight role, the Audit Committee may engage independent counsel and other advisers as it determines necessary. In accordance with the Sarbanes-Oxley Act of 2002, the Audit Committee also has the direct responsibility to select, evaluate, determine the compensation of, oversee, and where appropriate, replace our independent auditors, and has the authority to resolve disagreements between management and our auditors. The Audit Committee may establish procedures for the receipt, retention and treatment of complaints received by us regarding accounting and auditing matters, as well as confidential, anonymous submission by employees. The Board of Directors has determined that each of the members of the audit committee is independent within the meaning of the rules of the New York Stock Exchange and the Securities Exchange Act of 1934, as amended by the Sarbanes-Oxley Act of 2002.

The Audit Committee recommended to the Board of Directors that the consolidated financial statements be included in the Annual Report on Form 10-K. The Audit Committee took a number of steps in making this recommendation for 2009:

First, the Audit Committee discussed with our independent auditors the overall scope and plans for their audits.

Second, the Audit Committee met with the independent auditors, without management present, to discuss the results of their audits, their evaluations of our internal controls and the overall quality of our financial reporting.

Third, the Audit Committee reviewed and discussed the audited consolidated financial statements in the Annual Report on Form 10-K with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the consolidated financial statements.

Fourth, the Audit Committee reviewed with the independent auditors their judgments as to the quality, not just the acceptability, of the our accounting principles and such other matters as are required to be discussed with the Audit Committee under the standards of the Public Company Accounting Oversight Board (United States).

Fifth, the Audit Committee discussed with the independent auditors the auditors' independence from management and the Company, including the matters in the written disclosures required by the Independence Standards Board, and considered the compatibility of non-audit services with the auditors' independence.

Finally, the Audit Committee obtained and reviewed a report from the independent auditor describing: (i) the independent auditor's internal quality-control procedures; (ii) any material issues raised by the most recent internal quality-control review, or peer review, of the independent auditor, or by any inquiry or investigation by governmental or professional authorities within the preceding five years inspecting one or more independent audits carried out by the independent auditor, and any steps taken to deal with any such issues; and (iii) all relationships between the independent auditor and the Company.

The Audit Committee reviewed our consolidated financial statements with the Board of Directors and discussed them with PricewaterhouseCoopers LLP during the 2009 fiscal year, along with the matters required to be discussed by Statement on Auditing Standards No. 114, as amended (AICPA Professional Standards, Vol. 1 AU Section 380) as adopted by the Public Company Accounting Oversight Board in Rule 3200T. The Audit Committee received from PricewaterhouseCoopers LLP the written disclosures, including the letter, required by PCAOB 3526 and discussed with PricewaterhouseCoopers LLP its independence. Based on the discussions with PricewaterhouseCoopers LLP and management, the consolidated financial statement review, and such other matters deemed relevant and appropriate by the Audit Committee, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in our 2009 Annual Report on Form 10-K.

RELATIONSHIP WITH INDEPENDENT AUDITORS

PricewaterhouseCoopers LLP (PwC) served as our independent auditors during 2009 and 2008. Representatives from PwC will be present at the Annual Meeting and will have an opportunity to make a statement, if they desire to do so, and to respond to any appropriate inquiries of the stockholders or their representatives.

PwC's audit report on our consolidated financial statements as of and for the years ended December 31, 2009 and 2008 did not contain an adverse opinion or a disclaimer of opinion and was not qualified or modified as to uncertainty, audit scope or accounting principles.

Set forth below are the fees paid or accrued for the services of PwC during 2009 and 2008:

	2009	2008
Audit fees to PwC	\$ 1,717,500	\$ 1,767,500
Audit-related fees to PwC	46,000	103,800
Audit fees to KPMG LLP (1)		91,911
Tax fees to PwC	334,000	301,228
All other fees		
Total	\$ 2,097,500	\$ 2,264,439

- (1) On March 16, 2007, we informed KPMG LLP that it was being dismissed as our principal accountants, effective immediately for the year ended December 31, 2007. On March 16, 2007, we engaged PwC as our new principal accountants and they served in that capacity for the years ended December 31, 2009, 2008 and 2007.

Audit fees consisted of professional services rendered to us or certain of our subsidiaries. Such audit services include audits of financial statements, audit of our annual management assessment of the effectiveness of internal control over financial reporting in 2009 and 2008 (as required by Section 404 of the Sarbanes-Oxley Act of 2002), reviews of our quarterly financial statements, and audit services provided in connection with regulatory filings.

Fees to PwC for audit-related services in 2009 consisted primarily of agreed upon procedures for certain of our subsidiaries.

Fees for tax services in 2009 and 2008 consisted primarily of consultation on various tax matters related to us and our subsidiaries and preparation of federal and state income tax returns for certain of our subsidiaries.

There were no other fees in 2009 or 2008.

The Audit Committee has considered and determined that the provision of non-audit services by our principal auditor is compatible with maintaining auditor independence.

All audit and permissible non-audit services provided to us by the independent auditors are pre-approved by the Audit Committee, which considers whether the proposed services would impair the independence of the independent auditors. The Chairperson of the Audit Committee may pre-approve audit and permissible non-audit services during the time between Audit Committee meetings if the fees for the proposed services are less than \$25,000.

UNIVERSAL HEALTH SERVICES, INC.

2010 EMPLOYEES RESTRICTED STOCK PURCHASE PLAN

1. *Purpose.* The purpose of this 2010 Employees Restricted Stock Purchase Plan (the Plan), is to secure for Universal Health Services, Inc. (the Company) the benefits of the additional incentive resulting from the ownership of its Shares of Class B Common Stock, par value \$.01 per share (the Shares), by selected employees of, and consultants to, the Company or its subsidiaries (for convenience such persons are hereinafter collectively referred to as employees) who are important to the success and the growth of the business of the Company and its subsidiaries, and to help the Company and its subsidiaries secure and retain the services of such persons.
2. *Restricted Stock Committee.* The Plan will be administered by the compensation committee of the Company's Board of Directors (the Board), or such other committee of directors designated by the Board (the Committee), provided that all of said designated directors qualify as non-employee directors (within the meaning of Rule 16b-3(b)(3) under the Securities Exchange Act of 1934, as amended) and as outside directors (within the meaning of Treas. Reg. Section 1.162-27(e)(3)).
3. *Shares Subject to Plan.* Subject to the adjustment provisions of paragraph 9, the number of shares of Class B Common Stock which may be issued or sold under the Plan shall not exceed 4,000,000.

Shares sold under the Plan may be authorized and unissued Shares of Class B Common Stock, issued Shares of Class B Common Stock held in the Company's treasury, or both. Should any Shares sold pursuant to the Plan be repurchased by the Company or surrendered to the Company for the satisfaction of applicable tax withholding, such Shares shall again become available for sale hereunder. All awards of restricted stock under the Plan are deemed issued and outstanding for all purposes. Subject to adjustment under paragraph 9, the number of shares of Class B Common Stock which may be issued or sold under the Plan to any employee during any calendar year shall not exceed 800,000.
4. *Employees Eligible.* Shares may be sold pursuant to the Plan to all employees and consultants of the Company and its subsidiaries (including officers of the Company or any of its subsidiaries whether or not they are also directors of the Company or any of its subsidiaries). For purposes of the Plan, subsidiary shall mean a subsidiary corporation as defined in Section 424(f) of the Internal Revenue Code of 1986, as amended (the Code). In making determinations as to whom Shares should be sold, the Committee shall take into consideration an employee's present and potential contribution to the success of the Company and its subsidiaries and such other factors as the Committee may deem proper and relevant.
5. *Purchase of Shares, Price and Delivery of Payment.* Subsequent to a determination by the Committee that Shares shall be sold pursuant to the Plan, the Company or a subsidiary shall deliver to the employee a letter advising him of such determination. Within 30 days of the date of such letter, the employee must complete the Restricted Stock Purchase Agreement enclosed therewith and return it to the Company along with payment in full by cash or check. The price of each Share sold pursuant to the Plan shall be the par value thereof at the time

of sale. Prior to delivery by an employee to the Company of a completed Restricted Stock Purchase Agreement and payment in full for the Shares, the Committee may, at its discretion, revoke its decision to sell Shares to an employee.

6. *Restrictions.* All Shares sold pursuant to the Plan shall be sold subject to a Restricted Stock Purchase Agreement which gives the Company the right to repurchase all or a portion of such Shares, for an amount equal to the price paid by the employee, in the event that the employee's employment terminates for any reason (subject to any exceptions as the Committee may specify) before such restrictions lapse pursuant to the vesting conditions set forth in such Restricted Stock Purchase Agreement. Each employee shall also be required to agree that all Shares purchased by the employee pursuant to the Plan are purchased for investment purposes and not for the purpose of resale or other distribution thereof.

Notwithstanding the foregoing, in the event that an employee of the Company or one of its subsidiaries who has purchased Shares under the plan terminates his employment with such employer and immediately commences employment with the Company or a different subsidiary thereof, such event shall not be treated as a termination of employment under the Plan, and the Company's repurchase rights with respect to such Shares shall not be triggered by such event. Upon the termination of employment in such cases, the Restricted Stock Purchase Agreement entered into between such employee and his employer may be assumed by the new employer or cancelled and replaced by a new Restricted Stock Purchase Agreement between the transferring employee and the employer.

6A. *Performance-Based Awards.* The provisions of this paragraph 6A will apply to awards under the Plan that are intended to generate qualified performance-based compensation within the meaning of Section 162(m) of the Internal Revenue Code of the Code). Awards made under this paragraph will be interpreted and construed accordingly.

(a) Shares issued or sold pursuant to this paragraph 6A shall be subject to such performance-based conditions as the Committee deems appropriate, consistent with the requirements of this paragraph and Section 162(m) of the Code. A performance condition established by the Committee in connection with a sale or issuance of Shares pursuant to this paragraph must be (1) objective, so that a third party having knowledge of the relevant facts could determine whether the condition is met, (2) prescribed in writing by the Committee before the beginning of the applicable performance period or at such later date (when fulfillment is substantially uncertain) as may be permitted under Section 162(m) of the Code, and (3) based on one or more of the following performance criteria:

(i) attainment of certain target levels of, or a specified percentage increase in, revenues, income before income taxes and extraordinary items, net income, earnings before income tax, earnings before interest, taxes, depreciation and amortization or a combination of any or all of the foregoing;

(ii) attainment of certain target levels of, or a percentage increase in, after-tax or pre-tax profits;

(iii) attainment of certain target levels of, or a specified increase in, operational cash flow;

(iv) achievement of a certain level of, reduction of, or other specified objectives with regard to limiting the level of increase in, all or a portion of, the Company's bank debt or other long-term or

short-term public or private debt or other similar financial obligations of the Company, which may be calculated net of such cash balances and/or other offsets and adjustments as may be established by the Committee;

- (v) attainment of a specified percentage increase in earnings per share or earnings per share from continuing operations;
- (vi) attainment of certain target levels of, or a specified increase in return on capital employed or return on invested capital;
- (vii) attainment of certain target levels of, or a percentage increase in, after-tax return on stockholders' equity;
- (viii) attainment of certain target levels of, or a specified increase in, economic value added targets based on a cash flow return on investment formula;
- (ix) attainment of certain target levels in the fair market value of the shares of the Company's Common Stock; and
- (x) growth in the value of an investment in the Company's Common Stock assuming the reinvestment of dividends.

If and to the extent permitted under Section 162(m) of the Code, performance conditions may be determined without regard to (or adjusted for) changes in accounting methods, corporate transactions (including, without limitation, dispositions and acquisitions) and other similar types of events or circumstances occurring during the applicable performance period. The Committee may not delegate any responsibility with respect to the establishment or certification of the achievement of performance conditions to which awards covered by this paragraph are subject.

(b) Upon the expiration of the performance period applicable to a performance-based award, the Committee will certify in writing the extent to which the performance conditions applicable to the award and any other material terms were in fact achieved and the percentage of such award that has been earned.

(c) The Board of Directors may re-submit the performance goals contained in this Section 6A for shareholder approval from time to time in order to satisfy the shareholder approval conditions relating to the for exemption of Plan compensation from the deduction limitations of Section 162(m) of the Code, it being understood that, under current law, such re-submission would be first be required to be made at the first meeting of stockholders of the Company (or any adjournment or postponement thereof) in 2015.

7. *Transferability.* No Shares subject to repurchase by the Company may be sold, assigned, transferred, disposed of, pledged or otherwise hypothecated, by the purchase of such Shares. Any attempt to do any of the foregoing shall be null and void and may cause the immediate forfeiture of such Shares.

8. *Right to Terminate Employment or Service.* Nothing in the Plan or in any Restricted Stock Purchase Agreement shall confer upon any employee the right to continue in the employment or other service of the Company or affect the right of the Company to terminate the employee's employment or other service at any time, subject, however, to the provisions of any agreement between the Company and the employee.

9. *Withholding.* Notwithstanding anything to the contrary contained herein, the vesting or lapse of the Company's repurchase right with respect to Shares issued hereunder shall be subject to and conditioned upon the satisfaction by the employee of applicable tax withholding obligations. The Company and its subsidiaries may require the employee to remit an amount sufficient to satisfy applicable withholding taxes and/or deduct or withhold all or part of such amount from any payments otherwise payable to the employee (whether or not under this Plan). The Committee, acting in its sole and absolute discretion, may permit an employee to satisfy the employee's tax withholding obligation arising with respect to the vesting of Shares by surrendering (or having the Company retain) Shares that would otherwise become unrestricted, provided, however, that the fair market value of the Shares so surrendered or retained (on the date the applicable tax withholding is satisfied) for the satisfaction of applicable tax withholding shall not be greater than the minimum amount required to be withheld pursuant to applicable law.

10. *Adjustment Upon Changes in Capitalization, etc.* In the event of one or more stock splits, reverse stock splits, stock dividends, reclassifications, recapitalizations or any other change in the character or amount of the Company's Shares, the number, kind and purchase price of Shares which may thereafter be sold under the Plan and the number of Shares that may be issued or sold to any individual employee during any calendar year shall be adjusted as determined by the Board, in its sole discretion, to give effect thereto, and all new, substituted or additional securities to which any employee may become entitled by reason of the employee's ownership of Shares previously purchased or issued pursuant to the Plan shall be subject to the terms of the Plan and the Restricted Stock Purchase Agreement under which such Shares were purchased or issued.

11. *Amendment or Termination of Plan.* The Board of Directors shall have the authority to amend or terminate the Plan at any time; provided, however, that no such amendment or termination shall adversely affect the rights of any employee with respect to Shares previously sold hereunder. Notwithstanding the above, no amendment to the Plan will become effective without the approval of the Company's stockholders if such amendment would increase the number of shares which may be issued under the Plan or if such approval is necessary or desirable to comply with applicable law or exchange requirements.

12. *Expiration of the Plan.* Unless sooner terminated by the Board of Directors, shares may be sold under the Plan at any time and from time to time, prior to the tenth anniversary of the date the Plan is adopted. Any Shares sold under the Plan that remain outstanding on or after such expiration date shall remain subject to the terms of the applicable Restricted Stock Purchase Agreement and the Plan until any restrictions thereon have lapsed or they have been repurchased by the Company.

13. *Effective Date of Plan.* The Plan shall become effective on May 19, 2010, subject, nevertheless, to approval by the Stockholders representing at least a majority of the Common Stock votes of the Company present or represented at the 2010 Annual Meeting of Stockholders.

UNIVERSAL HEALTH SERVICES, INC.

2010 EXECUTIVE INCENTIVE PLAN

1. *Purpose.* The purpose of the 2010 Executive Incentive Plan (the *Plan*) is to foster the ability of Universal Health Services, Inc., a Delaware corporation (the *Company*), and its affiliates to attract, retain and motivate highly qualified senior management and other executive officers of the Company and its affiliates through the payment of performance-based incentive compensation.

2. *Administration.* The Plan will be administered by the Compensation Committee of the Company's Board of Directors (the *Board*), or such other committee of directors designated by the Board (the *Committee*), provided that all of said designated directors qualify as outside directors (within the meaning of Treas. Reg. Section 1.162-27(e)(3) under Section 162(m) of the Internal Revenue Code of 1986, as amended (the *Code*)). Subject to the provisions of the Plan, the Committee, acting in its sole and absolute discretion, will have full power and authority to interpret, construe and apply the provisions of the Plan and to take such action as may be necessary or desirable in order to carry out the provisions of the Plan. A majority of the members of the Committee will constitute a quorum. The Committee may act by the vote of a majority of its members present at a meeting at which there is a quorum or by unanimous written consent. The Committee will keep a record of its proceedings and acts and will keep or cause to be kept such books and records as may be necessary in connection with the proper administration of the Plan. The Company shall indemnify and hold harmless each member of the Committee and any employee or director of the Company or an affiliate to whom any duty or power relating to the administration or interpretation of the Plan is delegated from and against any loss, cost, liability (including any sum paid in settlement of a claim with the approval of the Board), damage and expense (including reasonable legal fees and other expenses incident thereto and, to the extent permitted by applicable law, advancement of such fees and expenses) arising out of or incurred in connection with the Plan, unless and except to the extent attributable to such person's fraud or willful misconduct.

3. *Eligibility.* Annual incentive compensation may be awarded under the Plan to any person who is a member of the senior management of the Company and to other executive officers of the Company or an affiliate. Subject to the provisions hereof, the Committee will select the persons to whom incentive compensation may be awarded for any calendar year and will fix the terms and conditions of each such award.

4. *Annual Performance Bonus.* The amount of a participant's incentive award for a calendar year will be based upon the participant's target bonus amount and the extent to which the performance goal(s) applicable to the participant are achieved, all as described in (a) through (c) below, subject to the limitation in (e) below.

(a) *Target Bonus Amount.* For each calendar year, a participant's target bonus amount will be equal to a fixed percentage of the participant's annual base salary. The applicable percentage will be determined by the Committee on a participant-by-participant and year-by-year basis.

(b) *Performance Goals.* For each calendar year, the Committee shall establish performance goals for each participant, using such business criteria and other measures of performance as it may deem appropriate;

provided that, in the case of incentive awards intended to qualify as performance-based compensation under Section 162(m) of the Code, the Committee shall establish objective performance goals based upon one or more of the following business criteria: (i) attainment of certain target levels of, or a specified increase in, revenues, income before income taxes and extraordinary items, net income, earnings before income tax, earnings before interest, taxes, depreciation and amortization or a combination of any or all of the foregoing; (ii) attainment of certain target levels of, or a specified increase in, after-tax or pre-tax profits; (iii) attainment of certain target levels of, or a specified increase in, operational cash flow; (iv) attainment of a certain level of, reduction of, or other specified objectives with regard to limiting the level of increase in, all or a portion of, the Company's bank debt or other long-term or short-term public or private debt or other similar financial obligations of the Company, which may be calculated net of such cash balances and/or other offsets and adjustments as may be established by the Committee; (v) attainment of certain target levels of, or a specified increase in, earnings per share or earnings per share from continuing operations; (vi) attainment of certain target levels of, or a specified increase in return on capital or return on invested capital; (vii) attainment of certain target levels of, or a specified increase in, after-tax return on stockholders' equity; (viii) attainment of certain target levels of, or a specified increase in, economic value added targets based on a cash flow return on investment formula; and/or (ix) attainment of certain target levels in the fair market value of the shares of the Company's Class B Common Stock, par value \$.01 (the Common Stock) or growth in the value of an investment in the Common Stock assuming the reinvestment of dividends. As to any participant or class of participants, the performance goals may be based upon one or more of such permissible criteria and may be based upon the performance of the Company, on a consolidated basis, the individual participant or class of participants, a regional, local or divisional unit of the Company, one or more subsidiaries or other affiliates of the Company or a combination thereof, either on an absolute basis or relative to an index or peer-group. Performance goals may be determined without regard to, or adjusted to reflect, items that are nonrecurring or non-operational in nature including items such as, but not limited to, gains on sales of assets and businesses, reserves for settlements, legal judgments and lawsuits and other amounts that may be reflected in the current or prior year financial statements that relate to prior periods, provided that, in the case of an award intended to qualify as performance-based compensation under Section 162(m) of the Code, such determination or adjustment is permitted under Section 162(m) of the Code.

(c) *Performance Factor.* For each calendar year, the Committee will establish a performance factor or a range of performance factors (performance factors) for each participant, based on varying levels of attainment of the performance goals for the year. The performance factor(s) will be used to determine the portion, if any, of the participant's target bonus amount that is earned for the year. The performance factors may be expressed in a performance matrix established by the Committee. If the target level performance goals for a year are achieved (but not exceeded), the participant will be entitled to an incentive bonus for the year equal to 100% of the participant's target bonus amount. The Committee may establish higher or lower percentage factors for levels of performance that are more or less than the target levels. If the minimum level of performance for a year is not achieved, then the participant's performance factor will be zero and no incentive compensation will be payable to participant for the year.

(d) *Prestablished Goals.* In the case of an award intended to qualify as performance-based compensation under Section 162(m) of the Code, except as otherwise permitted under Section 162(m) of the Code, the applicable target bonus amount, performance goals and performance factors with respect to any

calendar year will be established in writing by the Committee no later than 90 days after the commencement of that year.

(e) *Limitation on Amount of Incentive Awards.* Notwithstanding anything to the contrary contained herein, the maximum incentive award which any participant may earn hereunder for any calendar year shall not exceed \$5 million.

5. *Calculation and Payment of Performance Bonus.* Promptly after the date on which the necessary financial or other information for a particular year becomes available, the Committee shall determine the amount, if any, of the incentive compensation payable to each participant for that calendar year and shall certify in writing prior to payment that the performance goals for the year were in fact satisfied. A participant's incentive award for a calendar year will be paid to the participant at such time as the Committee determines, but in no event later than 2 1/2 months following the end of the applicable calendar year. Notwithstanding the preceding sentence, the Committee may establish an arrangement, separate and apart from the Plan, pursuant to which payment of all or a portion of a participant's incentive award for a calendar year will or must be deferred. It is intended that any such arrangement will comply with the requirements of Section 409A of the Code. Unless the Committee determines otherwise, no incentive award will be payable to a participant with respect to a calendar year if the participant's employment with the Company and its affiliates terminates at any time prior to the payment thereof.

6. *Amendment or Termination.* The Board may amend or terminate the Plan at any time.

7. *Effective Date of Plan; Stockholder Approval Conditions.* The Plan will become effective as of the date of the 2010 annual meeting of the Company's stockholders, subject to approval by the stockholders at such meeting. The Board may re-submit the performance goals contained in this Section 4 for shareholder approval from time to time in order to satisfy the shareholder approval conditions of Section 162(m) of the Code, it being understood that, under current law, such re-submission would first be required to be made at the first meeting of stockholders of the Company (or any adjournment or postponement thereof) in 2015.

8. *Governing Law.* The Plan and each award made under the Plan shall be governed by the laws of the State of Delaware, without regard to its principles of conflicts of law. In the case of an annual incentive compensation award that is intended constitute performance-based compensation under Section 162(m) of the Code, the terms and conditions of the Plan and of such award shall be interpreted and construed accordingly. The Plan is not intended to be a nonqualified deferred compensation plan within the meaning of Section 409A of the Code and will be interpreted and construed accordingly.

9. *No Rights Conferred.* Nothing contained herein will be deemed to give any person any right to receive an incentive compensation award under the Plan or to be retained in the employ or service of the Company or any affiliate or interfere with the right of the Company or any affiliate to terminate the employment or other service of any person for any reason.

10. *Decisions of the Committee to be Final.* Any decision or determination made by the Committee shall be final, binding and conclusive on all persons.
