CUSIP No. 45668X 10 5

Item 4. Purpose of Transaction.

Merger Agreement

On December 15, 2010, Stanley Black & Decker entered into an Agreement and Plan of Merger (the *Merger Agreement*) with InfoLogix and Iconic Merger Sub, Inc., a Delaware corporation and direct wholly owned subsidiary of Stanley Black & Decker (*Merger Sub*). Pursuant to the *Merger Agreement*, at the effective time of the merger, *Merger Sub* will merge with and into InfoLogix, with InfoLogix surviving the merger as a wholly owned subsidiary of Stanley Black & Decker (the *Merger*). At the effective time of the *Merger*, each outstanding share of Common Stock will be cancelled and converted automatically into the right to receive \$4.75 in cash, without interest, except for shares (i) in respect of which appraisal rights have been properly exercised under Delaware law and (ii) owned by InfoLogix or any of its wholly owned subsidiaries or by Stanley Black & Decker or any of its wholly owned subsidiaries. At the effective time of the *Merger*, options to acquire shares of Common Stock held by three of InfoLogix's executive officers and the vested stock options to acquire shares of the Common Stock that are in the money held by two members of InfoLogix's board of directors will be cancelled in exchange for an amount per share of Common Stock underlying the applicable stock option equal to \$4.75 less the exercise price payable in respect of each share of Common Stock underlying the stock option. Furthermore, each warrant to acquire shares of Common Stock that are currently in the money that is outstanding and unexercised immediately prior to the effective time of the *Merger*, will be cancelled in exchange for an amount per share of Common Stock underlying the applicable warrant equal to \$4.75 less the exercise price payable in respect of each share of Common Stock underlying the warrant.

The consummation of the *Merger* is subject to various customary closing conditions, including (i) 20 days having elapsed from the mailing of the definitive information statement, with respect to the *Merger Agreement*, to InfoLogix's stockholders in conjunction with the Act, and the rules and regulations promulgated thereunder, (ii) the absence of a material adverse effect on InfoLogix, (iii) the absence of legal prohibitions on the completion of the *Merger*, (iv) the accuracy of the representations and warranties made by InfoLogix, Stanley Black & Decker and *Merger Sub* and (v) the performance, in all material respects, by each of InfoLogix, Stanley Black & Decker and *Merger Sub* of all of its respective obligations, agreements and covenants under the *Merger Agreement*. The *Merger* is not subject to any financing condition. Completion of the *Merger* is expected to occur early in the first quarter of 2011 although there can be no assurance the *Merger* will close during the expected time frame or at all.

The *Merger Agreement* contains customary representations and warranties made by InfoLogix, Stanley Black & Decker and *Merger Sub*. InfoLogix has also agreed to various covenants in the *Merger Agreement*, including, among other things, covenants (i) to conduct its material operations in the ordinary course of business consistent with past practice and (ii) not to take certain actions prior to the closing of the *Merger* without the prior consent of Stanley Black & Decker.

The *Merger Agreement* prohibits InfoLogix from soliciting or encouraging competing acquisition proposals. InfoLogix may, however, subject to the terms and conditions set forth in the *Merger Agreement*, provide information to a third party that makes an unsolicited acquisition proposal during the 30 calendar day period after the date of the *Merger Agreement* and may engage in discussions and negotiations with such third party until the expiration of 30 days after the date of the *Merger Agreement*, provided that, among other things, the board of directors determines in good faith (after consultation with its outside counsel) that such unsolicited acquisition proposal is, or could reasonably be expected to lead to, a Superior Proposal (as defined in the *Merger Agreement*). Under certain circumstances, InfoLogix is permitted to terminate the *Merger Agreement* to enter into a definitive agreement with respect to such Superior Proposal, provided that InfoLogix must, among other things, notify Stanley Black & Decker at least three days in advance of its intention to take such action and concurrently with entering into such agreement pay Stanley Black & Decker the termination fee discussed below.

The *Merger Agreement* may be terminated by either InfoLogix or Stanley Black & Decker in certain circumstances, and if the *Merger Agreement* is terminated, then InfoLogix or Stanley Black & Decker may be required under certain circumstances specified in the *Merger Agreement* to pay the other a termination fee of \$2,000,000.

CUSIP No. 45668X 10 5

Voting Agreement

After the execution of the Merger Agreement, pursuant to the terms of a Written Consent and Voting Agreement (the *Voting Agreement*) entered into by and among Stanley Black & Decker, Hercules Technology Growth Capital, Inc. (*Hercules*) and Hercules Technology I, LLC (*HTI*), a wholly owned subsidiary of Hercules (Hercules and HTI, together, the *Principal Stockholders*), the Principal Stockholders executed and delivered to InfoLogix a written consent approving and adopting the Merger Agreement and the transactions contemplated thereby, including the Merger. As a result, no further action by any other InfoLogix stockholder is required in connection with the adoption of the Merger Agreement and the approval of the transactions contemplated thereby.

Pursuant to the Voting Agreement, Stanley Black & Decker may be deemed to beneficially own 6,261,781 shares of Common Stock (solely with respect to those matters described in the Voting Agreement) (the *Voting Agreement Shares*), which includes, as of December 15, 2010, (i) 2,691,790 shares of outstanding Common Stock owned by HTI, (ii) 1,813,878 shares of outstanding Common Stock owned by Hercules, (iii) 1,083,165 shares of Common Stock underlying convertible debt held by Hercules, and (iv) 672,948 shares of Common Stock underlying warrants held by HTI.

The Voting Agreement terminates upon the earliest of (i) the effective date of the Merger, (ii) the termination of the Merger Agreement in accordance with its terms and (iii) an amendment to the Merger Agreement without the prior written consent of Hercules that reduces the amount, changes the form or imposes any material restrictions or conditions on the receipt of the consideration payable in the Merger or is otherwise adverse to the holders of the Common Stock.

Purchase and Sale Agreement

InfoLogix presently has outstanding approximately \$22.1 million of indebtedness to Hercules. In connection with the Merger Agreement and pursuant to a Purchase and Sale Agreement, dated December 15, 2010 (the *Purchase and Sale Agreement*), by and among Stanley Black & Decker, Hercules and HTI, which addresses the treatment of all outstanding debt owed by InfoLogix to Hercules and HTI's outstanding warrant to purchase shares of Common Stock, immediately prior to the effective time of the Merger, Stanley Black & Decker will purchase all of InfoLogix's indebtedness to Hercules. The Purchase and Sale Agreement also provides for the cash-out of HTI's warrant and the ability of Hercules to convert certain obligations currently outstanding into Common Stock. Stanley Black & Decker would be substituted in place of Hercules under InfoLogix's Amended and Restated Loan Agreement dated November 20, 2009, as amended February 19, 2010, April 6, 2010, June 25, 2010 and October 28, 2010. A portion of the proceeds payable to holders of options and warrants upon the Merger, as well as amounts paid immediately prior to the effective time of the Merger in satisfaction of certain of InfoLogix's indebtedness at the effective time will be set aside for deposit into an escrow fund for subsequent release.

The foregoing descriptions of the Merger Agreement, the Voting Agreement and the Purchase and Sale Agreement do not purport to be complete and are subject to and qualified in their entirety by reference to the Merger Agreement, a copy of which (and the terms therein) is incorporated herein by reference as Exhibit 2.1, the Voting Agreement, a copy of which (and the terms therein) is incorporated herein by reference as Exhibit 10.1, and the Purchase and Sale Agreement, a copy of which is attached hereto as Exhibit 99.1 and the terms of which are incorporated herein by reference.

Item 5. Interest in Securities of the Issuer.

(a) (b) As of December 15, 2010, pursuant to the Voting Agreement, Stanley Black & Decker may be deemed to beneficially own the Voting Agreement Shares, which represent approximately 70.6% of the shares of Common Stock that would have been outstanding as of December 15, 2010 if all outstanding convertible debt was converted into shares of Common Stock and all outstanding options and warrants were exercised into shares of Common Stock (based solely upon information provided by InfoLogix). To the extent provided in the Voting Agreement and the Purchase and Sale Agreement, Stanley Black & Decker shares voting and dispositive power over the Voting Agreement Shares.

Neither the filing of this Schedule 13D nor any of its contents shall be deemed to constitute an admission by Stanley Black & Decker that it is the beneficial owner of any of the Common Stock referenced herein for purposes of the Act, or for any other purpose, and such beneficial ownership is expressly disclaimed.

Edgar Filing: InfoLogix Inc - Form SC 13D

To Stanley Black & Decker's knowledge, no shares of Common Stock are beneficially owned by any of the persons identified on Appendix A.

(c) Other than as described in this Schedule 13D, neither Stanley Black & Decker, nor, to its knowledge, any person identified on Appendix A, has effected any transaction in shares of the Common Stock during the past 60 days.

(d) To Stanley Black & Decker's knowledge, no person other than the Principal Stockholders has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the shares of Common Stock covered by this Schedule 13D.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

Except for the agreements described above and in the agreements incorporated herein by reference and set forth as exhibits hereto, Stanley Black & Decker does not have, and to the best of Stanley Black & Decker's knowledge the persons identified on Appendix A do not have, any contracts, arrangements, understandings or relationships (legal or otherwise), including, but not limited to, transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies, between the persons named in Item 2 and any other person with respect to any securities of InfoLogix, including any securities pledged or otherwise subject to a contingency the occurrence of which would give another person voting power or investment power over such securities other than standard default and similar provisions contained in loan agreements.
