Dear Colleague,

Now that we are nearing the time that we will join together Kindred and RehabCare/Triumph, we wanted to take the opportunity to provide you with a better idea of what you will experience Day 1 and the days immediately following the close. As we have continued to express, we want to make the transition and integration as seamless as possible for everyone. I would like to reassure everyone that in many ways you will see very little change immediately following the close.

Let me start by expressing my appreciation for the patience and support that the entire RehabCare and Triumph teams have provided leading up to the planned integration with Kindred. I would also like to say thank you for your ongoing dedication to quality care, improved patient and resident outcomes and our promise of hope, healing and recovery.

While many programs and processes will remain unchanged for Day 1, we continue to assess best practices for the combined company. Before any changes are made after the close, we will clearly communicate them with the field.

Here is what you can expect on Day 1 in several key areas:

Benefits

Nothing will change in regard to your benefits for the remainder of 2011. Later this fall, you will participate in Kindred's Open Enrollment process for 2012 benefits.

HR Policies, Forms and Procedures

Your HR policies, forms and procedures will remain unchanged on Day 1. Specifically, processes regarding requesting time off and holiday pay will not change. Additionally, the current process for RehabCare and Triumph employees ordering items such as business cards and letterhead remains exactly as it is today.

Pay Periods/Pay Dates

On Day 1 there will be no change in pay periods or pay dates for any employees. Additionally, all direct deposit selections will remain uninterrupted.

Time Keeping

On Day 1 there will be no change in your current timekeeping process and procedures.

Edgar Filing: REHABCARE GROUP INC - Form 425

IT Day 1 Support Desk

RehabCare and Triumph employees should continue to call their existing support line **(877-796-0836)** for support of current applications as well as new Kindred applications. After dialing this number they will have a Kindred application option (option 4). This will route them to the Kindred Support Desk. Additionally, we will be providing onsite IT support in hospitals and in other key locations.

Compliance Hotline

On Day 1, all RehabCare and Triumph employees should use their current Compliance Hotline **(800-617-7007)**. This number will be redirected to Kindred s Hotline call center.

Email Address and Access

The email address that you currently use, whether it is a RehabCare or Triumph address, will still work without interruption on Day 1. You will continue to access your RehabCare/Triumph mailbox just as you do now. The Outlook Global Directory will be expanded to include both companies for Day 1.

Remote Access

Remote access will continue for RehabCare and Triumph employees without interruption on Day 1. For specific questions, employees can utilize the IT support line **(877-796-0836 option 4)**.

Portable Technology

There will be no change on Day 1 for handheld devices including cellphones, iPhones, iPads and Blackberry.

Websites

On Day 1, the RehabCare and Triumph websites will continue to exist, but will be updated to explain how we have combined the strengths of Kindred with RehabCare and/or Triumph and will link back to www.kindredhealthcare.com with the full details of the joint company.

Expense and Travel Reimbursement

There will be no changes on Day 1 to the expense and travel reimbursement program currently in place for RehabCare and Triumph employees.

Workers Compensation

For any workers comp claims, beginning on Day 1 all employees should follow the Kindred process and call **(877-821-3409)**.

For any questions that haven't been addressed, employees should go to their local leadership for specific information.

Since our last Combining Our Strengths we have continued to receive additional employee questions, and we would like to take a few moments to answer those now.

Will there be any tuition reimbursement available for per diem or part time staff?

There will be no changes to the tuition reimbursement system for the remainder of 2011. More detailed information regarding Kindred's Education Assistance Program will be communicated after the close.

Will Kindred provide liability coverage for therapists or will we be responsible for our own coverage?

It is Kindred's policy, like RehabCare, to provide liability coverage for all employees and that policy will continue after the close.

Will there be any changes in facility staffing after the merge?

After the two companies have been combined, decisions regarding staffing will be made at the local level based on the needs of the particular market.

As Triumph Healthcare employees when it was bought by RehabCare, our PTO hours were converted into PDO hours under RehabCare. Are we able to keep all of this PDO as well as the PTO hours we currently have after the close? If not, how much/how may we keep?

Let me be as clear as possible, nobody will lose any banked PDO/PTO time when we close.

I am currently on an H1B working Visa and RehabCare has also sponsored my Greencard application. What will happen during the change of employer from RehabCare to Kindred with regards to my Greencard application and H1 B working visa?

At this time, we do not anticipate the need to transfer employee H-1Bs as a result of the merger.

While we move forward, I want to remind everyone that until the close of the transaction, Kindred and RehabCare are competitors. From a legal and business perspective, it is critically important to maintain the businesses as completely independent from one another.

As I have stated in previous editions, I encourage everyone to submit any and all questions you may have regarding the planned transition to asktheceo@rehabcare.com or share it with
