## PART II

### INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

#### Item 6. Indemnification of Directors and Officers.

As permitted by Section 102 of the General Corporation Law of Delaware (the *DGCL*), Section 9.1 of the Company's amended and restated certificate of incorporation includes a provision that eliminates the personal liability of the Company's directors to the fullest extent permitted by the DGCL. Section 145 of the DGCL gives Delaware corporations broad powers to indemnify their present and former directors and officers and those of affiliated corporations against expenses incurred in the defense of any lawsuit to which they are made parties by reason of being or having been such directors or officers, subject to specified conditions and exclusions, gives a director or officer who successfully defends an action the right to be so indemnified and authorizes the corporation to buy directors' and officers' liability insurance. Such indemnification is not exclusive of any other right to which those indemnified may be entitled under any by-law, agreement, vote of stockholders or otherwise.

Article 8 of the Company's By-Laws provides that it shall indemnify every person who is or was a director or officer or is or was serving at the Company's request as a director or officer of another corporation, partnership, joint venture, trust or other enterprise to the full extent authorized by the DGCL as the same exists or may hereafter be amended (but, in the case of any such amendment, only to the extent that such amendment permits the Company to provide broader indemnification rights than said law permitted prior to such amendment). Any such indemnification shall continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such a person.

The Company has procured insurance for the purpose of substantially covering its future potential liability for indemnification under the DGCL as discussed above and certain future potential liability of individual directors or officers incurred in their capacity as such which is not subject to indemnification.

The Company has entered into indemnification agreements with each of its directors and officers. The indemnification agreements provide that the Company will indemnify and keep indemnified the indemnitee to the fullest extent authorized by Section 145 of the DGCL as it may be in effect from time to time from and against any expenses (including expenses of investigation and preparation and reasonable fees and disbursements of legal counsel, accountants and other experts), judgments, fines and amounts paid in settlement by the indemnitee in connection with any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, and whether or not the cause of action, suit or proceeding incurred before or after the date of the indemnification agreements.
