Further, shareholders should notify Cindy L. VOTING PROCEDURES

Solicitation and Voting of Proxies

The Board solicits this proxy for use at the Corporation s 2012 Annual Meeting of Shareholders. The Corporation s directors, officers and Bank employees may solicit proxies in person or by telephone, facsimile, email or other similar means without additional compensation. The Corporation will pay the cost of preparing, assembling, printing, mailing and soliciting proxies and any additional material that the Corporation sends to its shareholders. The Corporation will make arrangements with brokerage firms and other custodians, nominees and

Table of Contents

fiduciaries to forward proxy solicitation materials to the beneficial owners of stock held by these entities. The Corporation will, upon request, reimburse these third parties for their reasonable expenses in forwarding solicitation material to the beneficial owners of stock.

Only shareholders of record as of the close of business on February 15, 2012, may vote at the annual meeting. The Corporation's records show that, as of the voting record date, 3,484,509 shares of common stock were outstanding. On all matters to come before the annual meeting, shareholders may cast one vote for each share held. Cumulative voting rights do not exist with respect to the election of directors. See "Principal Shareholders" on page 27 for a list of the persons known by the Corporation to be beneficial owners of 5% or more of the Corporation's common stock.

If your shares are registered directly in your name with the Corporation's transfer agent, Registrar and Transfer Company, you are considered, with respect to those shares, the shareholder of record, and these proxy materials are being sent directly to you by the Corporation. As the shareholder of record, you have the right to grant your voting proxy directly to the proxy holders or to vote in person at the meeting. The Corporation has enclosed a proxy for your use.

If your shares are held in a stock brokerage account or by a bank or other nominee, you will receive instructions from the holder of record who has forwarded these materials to you. You must follow the instructions of the holder of record in order for your shares to be voted. If your shares are not registered in your name and you plan to vote your shares in person at the annual meeting, you should contact your broker or agent to obtain a legal proxy or broker's proxy card and bring it to the annual meeting in order to vote.

For shares held in "street name" through a broker, bank or other nominee, the broker, bank or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon. Thus, if shareholders do not give their broker, bank or nominee specific instructions, including with respect to director elections, their shares will not be voted on those matters and will not be counted in determining the number of shares necessary for approval.

By properly completing a proxy, the shareholder appoints Roberta A. Hoffman, Randall L. Klinger and Scott W. Micklewright as proxy holders to vote the shares as indicated on the proxy. Proxy holders will vote any signed proxy, not specifying to the contrary, **FOR** the election of Steven T. Boyer, Jere M. Coxon and Rory G. Ritrievi as Class B directors for three-year terms expiring in 2015, **FOR** the non-binding proposal on executive compensation and **FOR** the ratification of ParenteBeard LLC as the Corporation's independent registered public accounting firm for 2012.

Quorum and Vote Required For Approval

In order to hold the annual meeting, a quorum of shareholders must be present. Under Pennsylvania law and the Corporation's By-laws, the presence, in person or by proxy, of the holders of a majority of the shares entitled to vote is necessary to constitute a quorum for the

Table of Contents

transaction of business at the meeting. Non-votes by banks, brokerage houses, custodians, nominees and other fiduciaries (broker non-votes) and abstentions will be counted for the purpose of determining whether a quorum is present, but broker non-votes will not be included for determining whether shareholder approval of a matter has been obtained.

If a quorum is present, the three candidates for director receiving the highest number of votes cast, even if less than a majority, by shareholders will be elected. Consequently, any shares not voted (whether by abstention, broker non-vote or otherwise) will not be included in determining which nominees received the highest number of votes. A properly executed proxy that withholds authority with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum.

If a quorum is present, approval of the non-binding proposal on executive compensation and ratification of the appointment of ParenteBeard LLC as the Corporation's independent registered public accounting firm for 2012 will require the affirmative vote of the holders of at least a majority of the votes cast at the annual meeting. Under Pennsylvania law, abstentions are not considered votes cast and, accordingly, will not affect the outcome of the voting on the non-binding proposal on executive compensation or the ratification of the appointment of ParenteBeard LLC.

Revocability of Proxy

Shareholders of record who sign proxies may revoke them at any time before they are voted by:

delivering a written notice of revocation to Cindy L. Wetzel, Secretary of Mid Penn Bancorp, Inc., at 349 Union Street, Millersburg, Pennsylvania 17061, before the vote is taken at the annual meeting;

delivering a duly executed proxy bearing a later date to the Secretary of the Corporation, before the vote is taken at the annual meeting; or

voting in person after giving written notice to the Secretary of the Corporation. (Your attendance at the annual meeting, in and of itself, will not revoke the proxy.)

You have the right to vote and, if desired, to revoke your proxy any time before the vote is taken at the annual meeting. Should you have any questions, please call Cindy L. Wetzel at (717) 692-2133.

Methods of Voting

Shareholder Questions

In order for management to thoroughly answer any questions that shareholders may have about the Corporation or our annual materials including financial statements, we ask that shareholders submit their questions prior to the annual meeting of shareholders. Shareholders may submit questions either by mail, email or telephone by contacting Cindy L. Wetzel, Secretary, Mid Penn Bancorp, Inc., 349 Union Street, Millersburg, Pennsylvania 17061, cindy.wetzel@midpennbank.com, (717) 692-2133. Questions received in advance of the meeting will be compiled by the Secretary and relayed promptly to management and the Board. Management and the Board will endeavor to address all relevant questions submitted at the Annual Meeting of Shareholders.

GOVERNANCE OF THE CORPORATION

Governance

The Board believes that the purpose of corporate governance is to ensure that it maximizes shareholder value in a manner consistent with legal requirements and the highest standards of integrity. The Board has adopted and adheres to corporate governance practices, which the Board and senior management believe promote this purpose, are sound and represent best practices. These governance practices, Pennsylvania law (the state of incorporation), the rules and listing standards of The NASDAQ Stock Market LLC (NASDAQ) and Securities and Exchange Commission (SEC) regulations, as well as best practices suggested by recognized governance authorities are continually reviewed.

Currently, the Board has eleven members. Under the NASDAQ standards for independence, the following directors meet the standards for independence: Robert A. Abel, Steven T. Boyer, Jere M. Coxon, Matthew G. DeSoto, Robert C. Grubic, Gregory M. Kerwin, Theodore W. Mowery, Donald E. Sauve and William A. Specht, III. This constitutes more than a majority of the Board. Only independent directors serve on the Audit, Compensation and Nominating and Corporate Governance Committees.

In determining the directors' independence, the Board considered loan transactions between the Bank and the directors, their family members and businesses with whom they are associated, as well as any contributions made to non-profit organizations with whom they are associated.

Table of Contents

The table below includes a description of other categories or types of transactions, relationships or arrangements considered by the Board (in addition to those listed above) in reaching its determination that the directors are independent.

Other		
Name	Independent	Transactions/Relationships/Arrangements
Mr. Abel	Yes	None
Mr. Boyer	Yes	None
Mr. Coxon	Yes	None
Mr. DeSoto	Yes	None
Mr. Grubic	Yes	Engineering services/Leasehold arrangement
Mr. Kerwin	Yes	Legal services
Mr. Mowery	Yes	Insurance commissions
Mr. Sauve	Yes	Lawn care/Lot maintenance
Mr. Specht	Yes	None

In each case, the Board determined that none of the transactions above impaired the independence of the director. For more information, please refer to *Certain Relationships and Related Transactions* on page 27.

During the year ended December 31, 2011, the Corporation's and Bank's Boards of Directors each held thirteen meetings. In addition, the Corporation's independent Board members held one independent Board Meeting during 2011.

Board Leadership Structure

The Board is led by a non-executive Chairman selected by the Board from time to time. After serving as Interim President and Chief Executive Officer of the Corporation and the Bank from October 29, 2008 to February 25, 2009, Edwin D. Schlegel resumed his position as non-executive Chairman of the Board effective February 25, 2009. Mr. Schlegel will retire as Chairman and from the Board at the 2012 Annual Meeting. The Chairman of the Board organizes Board activities to enable the Board to effectively provide guidance to and oversight and accountability of management. To fulfill that role, the Chairman, among other things: creates and maintains an effective working relationship with the Chief Executive Officer and other members of management and with other members of the Board; provides the Chief Executive Officer ongoing direction as to Board needs, interests and opinions; and assures that the Board agenda is appropriately directed to the matters of greatest importance to the Corporation. In carrying out his responsibilities, the Chairman preserves the distinction between management and oversight, maintaining the responsibility of management to develop corporate strategy and the responsibility of the Board to review and express its views on corporate strategy. The functions of the Chairman include:

presiding over all meetings of the Board and shareholders, including regular executive sessions of non-management directors of the Board;

Table of Contents

advising committee chairs, in consultation with the Chief Executive Officer, on meeting schedules, agenda and information needs for the committees of the Board;

servicing as Acting Chief Executive Officer in concert with the Board until a President/CEO is selected in the event there is a separation with the existing Chief Executive Officer;

coordinating the annual performance review of the Chief Executive Officer and other key members of senior management;

consulting with committee chairs about the retention of advisors and experts;

acting as the principal liaison between the independent directors and the Chief Executive Officer on sensitive issues;

working with the Nominating and Corporate Governance Committee to develop and maintain the agreed-on definitions of the role of the Board and the organization, processes and governance guidelines necessary to carry it out;

after consulting with other members of the Board and the Chief Executive Officer, making recommendations to the Nominating and Corporate Governance Committee as to the membership of various Board committees and committee chairs;

working with management on effective communication with shareholders, including being available for consultation and direct communication upon the reasonable request of major shareholders;

encouraging active participation by each member of the Board; and

performing such other duties and services as the Board may require.

Risk Oversight by Board

The Board oversees all business, property and affairs of the Corporation. The Chairman and the Corporation's officers keep the members of the Board informed of the Corporation's business through meetings and by providing reports and other materials to the members.

Edgar Filing: MID PENN BANCORP INC - Form DEF 14A

In addition to the general oversight of Bank business, the Board also reviews a comprehensive quarterly Risk Management Report, prepared by the Bank's Senior Risk Officer, which includes metrics and trends on ten major risk areas, including asset quality, interest rate risk, capital adequacy and liquidity.

Table of Contents

Code of Ethics

In 2003, the Corporation and the Bank's Board of Directors adopted a Code of Ethics that applies to its directors, officers and employees. The Code of Ethics encourages individuals to report any conduct that they believe in good faith to be an actual or apparent violation of the Code of Ethics. The Code of Ethics is available under the *Corporate Governance* section of the *Investors* page of the Bank's website at www.midpennbank.com.

Shareholder Communications

Any shareholder who wishes to communicate with the Board may send correspondence to Rory G. Ritrievi, President and Chief Executive Officer, Mid Penn Bancorp, Inc., at 349 Union Street, Millersburg, Pennsylvania 17061. Written communications received from shareholders are shared with the full Board or appropriate committee as warranted. The Board has a complaint procedure for communicating accounting, internal accounting controls and auditing matters. Complaints generated are directed to a separate mailing address, which is under the control of the Chairman of the Audit Committee. Please refer to the *Corporate Governance* section of the *Investors* page of Mid Penn's website at www.midpennbank.com for complete details.

A shareholder who intends to nominate an individual for election to the Board (other than a candidate proposed by the Board) must notify the Secretary of the Corporation in compliance with the requirements of Article 10, Section 10.1 of the Corporation's By-laws. Any shareholder who intends to nominate a candidate for election to the Board must notify the Secretary of the Corporation in writing not less than the earlier of (1) 120 days prior to the anniversary date of the initial proxy materials or of a notice of the meeting by the Corporation in connection with the immediately preceding Annual Meeting of Shareholders (which would be November 26, 2012 for the 2013 annual meeting), or (2) the deadline for submitting shareholder proposals for inclusion in a proxy statement and form of proxy as calculated under Rule 14a-8(e) promulgated by the Securities and Exchange Commission (which is also November 26, 2012 for the 2013 annual meeting).

Annual Meeting Attendance

All directors attended the 2011 Annual Meeting of Shareholders. While the Corporation does not have a formal policy regarding attendance, all directors are strongly encouraged to attend the Annual Meeting of Shareholders.

Committees and Meetings of the Corporation's Board

During 2011, the Board maintained four standing committees: Executive, Audit and Compensation Committees, which jointly serve the Corporation and the Bank, and the Nominating and Corporate Governance Committee, which serves only the Corporation. Only independent directors serve on the Audit, Compensation and Nominating and Corporate Governance Committees, and Chairman Schlegel attends these meetings only when and to the extent requested by the committees. The Nominating and Corporate Governance Committee has a charter which is available under the *Corporate Governance* section of the *Investors* page of the Bank's website at www.midpennbank.com. Candidates for director must be qualified in terms of education, professional experience, business contacts and special skills. Other less tangible, but equally important qualifications include general representation from the markets served, enthusiasm, maturity, reputation, compatibility with other members of the Board, diplomacy and independent judgment. In addition, candidates should have a vested interest in the Corporation through ownership of Corporation stock. Board candidates, upon their appointment, are required to own 500 shares with the understanding that they accumulate a minimum of 2,500 shares in total by

the end of their second year on the Board. The Board recognizes that its members have various abilities to acquire shares beyond the minimum threshold depending on their personal circumstances and may, in special circumstances, extend the two-year period for accumulating 2,500 shares to a longer period of time as determined by the Board. Members of the Board are encouraged to continue to accumulate shares over time to the extent possible considering their personal circumstances.

The Nominating and Corporate Governance Committee does not have a formal policy with respect to the diversity of the Corporation's Board members. However, the committee believes it is essential that Board members represent diverse view points and experiences. In considering candidates for the Board, the committee considers the entirety of each candidate's credentials in the contexts of these standards.

When developing a list of potential nominees, the Nominating and Corporate Governance Committee may take into consideration names provided by shareholders, directors or executive management. Information is gathered concerning the potential Board member's location of business and residence, shares owned, profession or business, and deposit and loan relationship with the Bank. Personal information about the individual is also gathered to determine if he/she meets the criteria listed in the Nominating and Corporate Governance Committee Policy and Charter. The Nominating and Corporate Governance Committee screens this information to narrow its search of final candidates to be interviewed. Upon completion of the interviews, the Nominating and Corporate Governance Committee makes a final recommendation to the full Board for appointment. All potential candidates are screened by the same process regardless of whether they were recommended by a shareholder or by another party.

EXECUTIVE. This committee may exercise the authority of the Board in the intervals between the meetings of the Board so far as may be permitted by law. Edwin D. Schlegel serves as Chairman of this committee.

AUDIT. This committee oversees audit coverage, selects the independent registered public accounting firm, reviews the annual and quarterly financial statements of the Corporation and auditor's reports, and monitors with management and the auditor the system of internal controls and its accounting and reporting practices. All members of the Audit Committee are non-employee directors and are independent as defined by NASDAQ listing standards. The Audit Committee has a charter which is available under the *Corporate Governance* section of the *Investors* page of the Bank's website at www.midpennbank.com. Matthew G. DeSoto currently serves as Chairman of this Committee, and Robert A. Abel serves as the Audit Committee Financial Expert.

COMPENSATION. This committee assures that senior executives are compensated effectively in a manner consistent with the Bank's compensation strategy, internal equity considerations, competitive practice and the requirements of the appropriate regulatory bodies. This committee also reviews salary adjustments, compensation and benefits programs for all employees and makes recommendations to the Board. All members of the Compensation Committee are independent (as independence is currently defined by NASDAQ listing standards). The Compensation Committee has a charter which is available under the *Corporate Governance* section of the *Investors* page of the Bank's website at www.midpennbank.com. Theodore W. Mowery serves as Chairman of this committee.

PROPOSAL NO. 1: ELECTION OF DIRECTORS

Qualifications and Nomination of Directors

The Corporation's By-laws authorize the number of directors to be not less than five (5) nor more than twenty-five (25). The By-laws also provide for three classes of directors with staggered three-year terms of office. Terms of the members of each Class expire at successive annual meetings. Currently, Class A consists of three directors; Class B consists of four directors; and Class C consists of four directors. At the 2012 Annual Meeting, Mr. Schegel will retire as a Class B director and Mr. Sauve will retire as a Class C director.

The Board nominated the three persons named below to serve as directors until the 2015 Annual Meeting of Shareholders and until his successors are duly elected and qualified or until his earlier death, resignation, retirement or removal from office. The nominees are presently members of the Board and have consented to serve another term as a director if re-elected. If the nominees should be unavailable to serve for any reason, a majority of the Board then in office may select someone to fill the vacancy until the expiration of the term of the Class of directors to which he or she is appointed.

The proxy holders intend to vote proxies for the election of each of the three nominees named below, unless you indicate that your vote should be withheld from any or all of them. Unlike previous years, brokers holding shares beneficially owned by their clients will no longer have the ability to cast votes with respect to the election of directors unless they have received instructions from the beneficial owner of the shares. **It is therefore important that you provide instructions to your broker if your shares are held by a broker so that your vote with respect to directors is counted.**

The Board proposes the following nominees for election as Class B Directors at the annual meeting:

Steven T. Boyer

Jere M. Coxon

Rory G. Ritrievi

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR THE ELECTION OF EACH OF THE NOMINEES LISTED ABOVE AS CLASS B DIRECTORS OF MID PENN BANCORP, INC.

The Bank maintains a deferred fee plan for directors, which enables a director to annually elect to defer payment of up to \$12,000 of his fees until he terminates service on the Bank's Board of Directors. Participating directors may elect to receive either a lump sum or equal monthly installments in an amount equal to his deferral account (plus interest) upon retirement, early termination, disability, change in control or a hardship. If a director dies before distribution of his deferral account commences, his designated beneficiary is entitled to receive the amounts in his deferral account or the projected account balance at the time the Bank adopted the deferred fee plan (limited by the amount of net coverage purchased by the Bank), whichever is greater. For 2011, Messrs. Coxon and Mowery each deferred \$12,000; Mr. Sauve deferred \$10,000; Mr. Abel deferred \$9,000; and Mr. Grubic deferred \$8,000.

In May 1995, the Bank adopted the Mid Penn Bank Director Retirement Plan. The five-year service requirement is waived if a director's service is terminated for disability or within 90 days

of a change in control. The annual benefit is determined by multiplying the base retirement amount for the director's position (\$574.30 for the Chairman, \$287.15 for all other directors, which reflect the inflationary adjusted rates for 2011) by the number of full years the member served. The plan contains an annual inflationary adjustment provision. Benefits are paid in cash on a quarterly basis and continue for 60 quarterly payments or the director's death, if earlier.

COMPENSATION DISCUSSION AND ANALYSIS*Introduction*

The Board has delegated the task of administering the Bank's compensation program to the Compensation Committee, the primary responsibility of which is to assure that the executive officers of the Corporation and its subsidiaries are compensated effectively in a manner consistent with the stated compensation strategy of the Corporation and Bank, competitive practice, and the requirements of the appropriate regulatory bodies.

Table of Contents

In 2011, the named executive officers were:

Rory G. Ritrievi, President and Chief Executive Officer

Kevin W. Laudenslager, Senior Executive Vice President, Northern Region

President/Chief Operating Officer and Chief Financial Officer of the Corporation

Terrence M. Monteverde, Senior Vice President and Chief Credit Officer

Scott W. Micklewright, Senior Vice President and Chief Lending Officer

Edward P. Williams, Senior Vice President and Chief Financial Officer of the Bank

Compensation Objectives and Design

The Corporation and Bank seek to serve our customers and shareholders. To better accomplish this, our compensation objectives include offering a fair and competitive compensation package to attract and maintain competent, dedicated and ambitious managers whose efforts will enhance the products and services of the Corporation and of the Bank, resulting in higher profitability, increased dividends to the Corporation's shareholders and appreciation in market value of the Corporation's common stock.

The elements of compensation for 2011 for the named executive officers were base salary and retirement and insurance benefits.

Management's Role in Determining Compensation

The Compensation Committee considers the views and recommendations of the Chief Executive Officer in making compensation decisions affecting executive officers who report to him. The Chief Executive Officer's role in recommending compensation and compensation programs is to develop and recommend appropriate performance measures and targets for each individual, to report on the respective individual's performance, to provide data and background material to enable the Compensation Committee to assess the labor market and to make specific recommendations on each named executive officer's respective salary. The Chief Executive Officer does not recommend his own salary and is not present during the Compensation Committee's or Board's discussions or decisions regarding his compensation.

Compensation Consultant's Role in Determining Compensation

In 2011, the Compensation Committee did not hire a compensation consultant to specifically assist in determining the named executive officers' compensation. The Compensation Committee was provided data excerpted from the L.R. Webber Salary/Benefits Survey for Financial Institutions for its review of the Chief Executive Officer's recommendations for base salary for the named executive officers who report to him and in determining if the Compensation Committee's recommendation of base salary for the Chief Executive Officer is appropriate.

Table of Contents

Results of Shareholder Say on Pay Vote in Determining Compensation

The Compensation Committee reviewed the shareholder response to the Say on Pay Vote in the proxy statement dated March 25, 2011. Since the Annual Meeting of Shareholders occurred after the increase in base salary was awarded in 2011, the Compensation Committee did not have the opportunity to consider the shareholders' overwhelming approval of executive compensation as described in the Compensation Discussion and Analysis and the tabular disclosure when reviewing whether to significantly change the Corporation's compensation policies and practices. The Compensation Committee will consider the results in awarding compensation in 2012.

Components of Compensation

Base Salary

Base salary levels are set to attract and retain executives who can further the Corporation's and Bank's strategic objectives. Base salary is the most significant component of the named executive officers' compensation, and it is reviewed every year to determine whether the salary for each respective named executive officer is at the appropriate level. As mentioned above, the Chief Executive Officer reviews each named executive officer's performance in making specific salary recommendations to the Compensation Committee. The Compensation Committee reviews the Chief Executive Officer's performance in making a specific salary recommendation to the Board of Directors. The Chief Executive Officer and the Compensation Committee consider the named executive officer's general management performance; policy, procedure, and regulatory compliance; public relations; strategic objectives management; length of service with the Corporation and/or Bank; and the named executive officer's position in making its determination of the appropriate level of base salary.

Benchmarking

The Compensation Committee did not benchmark the named executive officers' salary. However, the Bank participates in the 2011 L.R. Webber Salary/Benefits Survey for Financial Institutions, which provides salary levels in ranges for financial institutions in the Bank's asset size and in its geographic region. Data excerpted from the survey is provided to the Compensation Committee in order to educate its members on the current trends in compensation and benefits for financial institutions. The Compensation Committee did not rely directly upon the survey in determining increases in salaries, but used it as background material in judging whether the proposed increases were consistent with industry standards.

Benefit Plans Available for All Employees

Benefit plans are not tied to Bank or individual performance. The cost of providing such plans to all eligible employees and executive officers is not taken into account when determining specific salaries of the named executive officers and is seen as a cost of doing business.

Table of Contents

Group Insurance Plans

The named executive officers participate in benefit plans that are generally available to all employees. These plans include group life insurance, group disability, health insurance and voluntary dental and vision benefits. Such plans are standard in the industry and in the geographic area for all industries, as well as necessary to compete for talented employees at all levels of the Bank.

Retirement Plans

In 2011, the Bank also provided a qualified retirement plan and maintained an Employee Stock Ownership Plan (ESOP) for all employees who meet the eligibility requirements. The Bank believes that it is important to assist employees in saving for retirement and believes that by providing a mechanism to save for retirement, the Bank is providing the named executive officers with incentive to continue in the employ of the Bank.

Employee Stock Purchase Plan

In 2010, the Board of Directors approved an Employee Stock Purchase Plan (the Plan) effective January 1, 2011, to provide eligible employees of the Corporation or Bank with an opportunity to purchase shares of common stock of the Corporation through payroll deductions. Participation in the Plan provides eligible employees with a convenient method to acquire an interest in the long-term performance and success of the Corporation, thereby, providing them an incentive to ensure the success of the Corporation.

Company Vehicle

The President and Chief Executive Officer is provided a company vehicle. Provision of a company vehicle or for a car allowance is standard in the financial services industry as named executive officers frequently meet clients and business associates offsite.

Accounting and Tax Treatments

There were no decisions or changes made to compensation or benefit plans as a result of accounting and/or tax treatments. As part of the TARP requirements, as further discussed below, the Bank agreed that it will not take a deduction for any compensation paid in excess of \$500,000 to any named executive officer which would not be deductible if Internal Revenue Code Section 162(m)(5) applied to the Bank. The Bank's compensation levels are less than \$500,000; therefore, this agreement does not affect the named executive officers' levels of compensation.

Material Differences in Named Executive Officers' Compensation

The differential between salary levels for each of the named executives is primarily driven by their respective positions with consideration also given to the experience and time in their respective positions.

Table of Contents

Executive Agreements

On October 26, 2011, the Corporation, Bank and Messrs. Ritrievi and Laudenslager (the executives) mutually agreed to terminate their respective employment and change in control agreements. The Board of the Corporation and the Bank and the executives believed that it was in their best interests to terminate the agreements.

TARP Requirements

The named executive officers have signed an omnibus agreement agreeing to have their compensation limited by the mandates contained in The American Recovery and Reinvestment Act, if applicable.

Additionally, the Compensation Committee met with the Senior Risk Officer and reviewed the Corporation s and Bank s compensation plans and has determined that the plans do not encourage any employee to take unnecessary and excessive risks, do not pose unnecessary risks to the Corporation or Bank, and do not contain features which would encourage the manipulation of earnings.

COMPENSATION COMMITTEE REPORT

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis with management, and based on the review and discussions, the Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in the Corporation s proxy statement.

The Compensation Committee certifies that:

- (1) It has reviewed with the Senior Risk Officer the senior executive officer (SEO) compensation plans and has made all reasonable efforts to ensure that these plans do not encourage SEOs to take unnecessary and excessive risks that threaten the value of the Corporation;
- (2) It has reviewed with the Senior Risk Officer the employee compensation plans and has made all reasonable efforts to limit any unnecessary risks these plans pose to the Corporation; and
- (3) It has reviewed the employee compensation plans to eliminate any features of these plans that would encourage the manipulation of reported earnings of the Corporation to enhance the compensation of any employee.

COMPENSATION COMMITTEE INTERLOCKS

AND INSIDER PARTICIPATION

The Corporation has no Compensation Committee interlocks. Messrs. Mowery, Coxon, DeSoto, Grubic, Sauve and Specht constitute all of the directors who served on the Compensation Committee at any time during 2011. Each of them is an independent outside director. None of them is a current or former officer or employee of the Corporation. During 2011, the Bank engaged in customary banking transactions and had outstanding loans to certain of its directors, executive officers, members of the immediate families of certain directors and executive officers, and their associates. These loans were made in the ordinary course of business and were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with persons not related to the lender. In the opinion of management, these loans do not involve more than normal risk of collectability or present other unfavorable features. Edwin D. Schlegel, Chairman of the Board, and Rory G. Ritrievi, President and Chief Executive Officer of the Corporation, attended Compensation Committee meetings only when and to the extent requested by the Committee. Mr. Ritrievi did not participate in determining his own compensation.

The following discussion provides details of the various components of executive compensation.

Mid Penn Bank Qualified Retirement Plan

The Corporation does not maintain a defined benefit pension plan. The Bank, however, maintains the Mid Penn Bank Retirement Plan, created in 1949, restated in 1994, and last amended in 2011, which covers all Bank employees who meet eligibility requirements. The Board of Directors instituted a 401(k) Plan as part of the Retirement Plan effective January 1, 2007 for all Bank employees who satisfy eligibility requirements. Eligible employees are entitled to receive a share of the Bank's contribution to the plan if they are Bank employees on December 31st. For the year 2011, the Board approved a matching contribution rate of 50% of the employee contribution, up to a maximum Bank contribution of 3%. The Board maintains the right to adjust its matching rate on an annual basis.

Table of Contents

The annual contribution to the Retirement Plan is determined by the Bank's Board of Directors based on the recommendation of the Compensation Committee. Distributions under the plan can be made to participating employees upon retirement, either normal or early retirement as defined in the plan, at death or disability of the participating employee or upon severing employment if either partially or fully vested. The plan provides for percentage vesting of 20% for the first full two years of service increasing annually thereafter to 100% vesting after six full years of participation. The plan provides for an accelerated vesting schedule in the event it becomes top-heavy. The market value of the plan was approximately \$6,207,417 at December 31, 2011.

Employee Stock Ownership Plan

Effective January 1, 1998, the Board of Directors adopted the Mid Penn Bank Employee Stock Ownership Plan for all Bank employees who satisfy length of service requirements. The plan was last amended in 2011. Participants did not contribute to the plan. The plan invests in shares of Mid Penn Bancorp, Inc. stock, holding approximately 41,873 shares as of December 31, 2011. Each year the Bank may, in its discretion, contribute to the ESOP. As of January 1, 2012, the Board of Directors suspended further contributions to the plan. As of December 31, 2011, the total market value of the Employee Stock Ownership Plan was approximately \$315,828. All employees who participate in the Employee Stock Ownership Plan became 100% vested in their account.

Employment Agreements

On October 26, 2011, the Corporation, Bank and Messrs. Ritrievi and Laudenslager mutually agreed to terminate their respective employment and change in control agreements.

Risk Analysis of Compensation Practices and Policies

The Bank reviewed its compensation policies and practices for all employees and determined that they do not create risks that are reasonably likely to have a material adverse effect on the Corporation or Bank. The Compensation Committee reviewed the terms, structure and implementation of incentive compensation structures with the Bank's Senior Risk Officer. The Compensation Committee determined that such arrangements do not create risks that are reasonably likely to have a material adverse effect on the Corporation or Bank.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE OF CONTROL

As of December 31, 2011, none of the named executive officers are parties to any employment or change of control agreement with the Corporation or Bank. Should a named executive officer have been terminated on December 31, 2011, the named executive officer would have only been entitled to benefits under the Bank's retirement plan or disability plan which do not discriminate in scope, terms or operation, in favor of the named executive officers and are available generally to all salaried employees.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Neither the Corporation nor the Bank have entered into any material transactions, proposed or consummated, with any director or executive officer of the Corporation or the Bank, or any associate of the foregoing persons. From time to time, the Bank has engaged in and intends to continue to engage in banking and financial transactions in the ordinary course of business with directors and officers and their associates on comparable terms with similar interest rates as those prevailing from time to time for other customers.

Related party transactions greater than \$10,000 must be approved by the Board prior to any commitment by the Bank to any such transaction. Directors do not participate in the discussions and are not present for voting on their own related party transactions. All of the material terms, conditions and purpose of the transaction shall be described in writing and provided to the Board, together with the written request for approval of any such related party transaction. The transaction should be reviewed and approved by the appropriate senior officer before being submitted to the Board for approval. Related party transactions for ongoing or continuing services can be reviewed and pre-approved within reasonable parameters by the Board on an as-needed basis. If the terms, pricing or conditions change so as to go outside the specified parameters cited in the request, the transactions shall be resubmitted for review and approval after the fact.

The Bank has made loans to the Corporation's and the Bank's officers and directors and their immediate families and companies in which they had an ownership interest of 10% or more. Loans to such persons were made in the ordinary course of business, were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable loans with persons not related to the lender, and did not involve more than the normal risk of collectability or present other unfavorable features.

PROPOSAL NO. 2: NON-BINDING ADVISORY VOTE ON EXECUTIVE

COMPENSATION

The American Recovery and Reinvestment Act of 2009 amended Section 111 of the Emergency Economic Stabilization Act of 2008 to require companies participating in the Capital Purchase Program under the Troubled Asset Relief Program to permit a non-binding shareholder vote to approve the compensation of executives as disclosed in the Compensation Discussion and Analysis and the tabular disclosure regarding named executive officers found in this proxy statement. On December 19, 2008, the United States Department of the Treasury purchased \$10 million of the Corporation's Fixed Rate Cumulative Perpetual Preferred Stock, Series A, under the Troubled Asset Relief Program Capital Purchase Program, and the Corporation is submitting the following resolution for the approval of the shareholders:

Resolved, that the shareholders hereby approve the executive compensation, as described in the Compensation Discussion and Analysis and the tabular disclosure (together with the accompanying narrative disclosure), regarding named executive officers in this proxy statement.

Because your vote is advisory, it will not be binding upon the Board. However, the Compensation Committee will take into consideration the outcome of the vote when considering future executive compensation arrangements.

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR APPROVAL OF THE EXECUTIVE COMPENSATION, AS DESCRIBED IN THE COMPENSATION DISCUSSION AND ANALYSIS AND THE TABULAR DISCLOSURE REGARDING NAMED EXECUTIVE OFFICERS (TOGETHER WITH THE ACCOMPANYING NARRATIVE DISCLOSURE) IN THIS PROXY STATEMENT.

PROPOSAL NO. 3: RATIFICATION OF THE APPOINTMENT OF PARENTEBEARD LLC AS THE CORPORATION'S INDEPENDENT REGISTERED

PUBLIC ACCOUNTING FIRM FOR 2012

The Audit Committee of the Board has appointed ParenteBeard LLC as its independent registered public accounting firm for the year ending December 31, 2012. Services provided to the Corporation and the Bank by ParenteBeard LLC in 2010 and 2011 are described under the Audit Committee Report, above.

The Corporation is asking its shareholders to ratify the selection of ParenteBeard LLC as its independent registered public accounting firm. Although this ratification is not required by the Corporation's By-laws or otherwise, the Board is submitting the selection to its shareholders for ratification as a matter of good corporate practice.

Representatives of ParenteBeard LLC will be present at the annual meeting to respond to appropriate questions and to make such statements as they may desire.

Table of Contents

THE BOARD UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE FOR RATIFICATION OF THE APPOINTMENT OF PARENTEBEARD LLC AS THE CORPORATION S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2012.

No determination has been made as to what action the Audit Committee would take if shareholders do not ratify the appointment. In the event that shareholders do not ratify the appointment of ParenteBeard LLC, the Audit Committee would take a number of factors into account in determining its course of action, including its evaluation of the services provided by ParenteBeard LLC and the remaining term of the Corporation s engagement of ParenteBeard LLC. Even if the selection is ratified, the Audit Committee in its discretion may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Corporation.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires that officers and directors, and persons who own more than 10% of a registered class of the Corporation s equity securities, file reports of ownership and changes in ownership with the Securities and Exchange Commission. Officers, directors and greater than 10% shareholders are required by SEC regulation to furnish the Corporation with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of these forms, or written representations from certain reporting persons, the Corporation believes that, during the period from January 1, 2011 through December 31, 2011 its officers and directors complied with all applicable filing requirements except for Mr. Mowery who filed one late report for two transactions.

SHAREHOLDER PROPOSALS FOR 2013 ANNUAL MEETING

In order for a shareholder proposal to be considered for inclusion in the Corporation s proxy statement for next year s annual meeting, the written proposal must be received by the Corporation no later than November 26, 2012. All proposals must comply with the Securities and Exchange Commission regulations regarding the inclusion of shareholder proposals in company-sponsored proxy materials and the shareholder proposal provisions of Section 2.6 of the Corporation s By-laws. If a shareholder proposal is submitted to the Corporation after November 26, 2012, it is considered untimely, and the Corporation is not obligated to include it in the 2013 proxy statement or act upon it at the annual meeting. Similarly, in compliance with the Corporation s By-laws, shareholders wishing to nominate a candidate for election to the Board must notify the Corporation s Secretary in writing no later than 120 days in advance of the meeting. Shareholders must deliver any proposals or nominations in writing to the Secretary of the Corporation at its principal executive office, 349 Union Street, Millersburg, Pennsylvania 17061. See page 7 for more information about nominations to the Board.
