Item 7.01 Regulation FD Disclosure.

On February 4, 2013, an alleged stockholder of Abiomed filed a derivative action on behalf of Abiomed against Abiomed and each of its directors in the U.S. District Court for the District of Massachusetts. The complaint alleges that the directors breached their fiduciary duties to Abiomed and its stockholders in connection with disclosures related to the U.S. Food and Drug Administration and the marketing and labeling of our Impella 2.5 product and seeks damages in an unspecified amount. Abiomed has reviewed the complaint and believes that the allegations are without merit. Abiomed plans to vigorously defend itself against the allegations. Abiomed's policy is not to discuss pending litigation.
