Item 1.01 Entry into a Material Definitive Agreement.

On October 15, 2013, Alleghany Corporation (the "Company") entered into a four-year credit agreement (the "Credit Agreement") with the Lenders party thereto and U.S. Bank National Association, as administrative agent for the Lenders. The Credit Agreement provides for an unsecured credit facility in an aggregate principal amount of up to \$200 million. The Credit Agreement is scheduled to terminate on October 15, 2017, unless earlier terminated. Borrowings under the Credit Agreement will be available for working capital and general corporate purposes. The Credit Agreement replaced the Company's previous three-year credit agreement which provided for a two tranche revolving credit facility in an aggregate principal amount of up to \$100 million, consisting of a secured credit facility in an aggregate principal amount of up to \$50,000,000 and an unsecured credit facility in an aggregate principal amount of up to \$50,000,000 (the "Prior Credit Agreement"). The Prior Credit Agreement expired on September 9, 2013. Capitalized terms used but not defined herein have the meanings ascribed thereto in the Credit Agreement.

ABR Borrowings (which are borrowings bearing interest at a rate determined by reference to the Alternate Base Rate) under the Credit Agreement will bear interest at (x) the greatest of (a) the administrative agent's Prime Rate, (b) the Federal Funds Effective Rate plus 0.5 percent or (c) the Adjusted LIBO Rate for a one month Interest Period on such day plus 1 percent, plus (y) the Applicable Margin. Eurodollar Borrowings under the Credit Agreement will bear interest at the Adjusted LIBO Rate for the Interest Period in effect plus the Applicable Margin. The Credit Agreement requires that all loans be repaid in full no later than the Maturity Date. The Credit Agreement provides for the Company to pay a Commitment Fee each quarter in a range of between 12.5 and 30 basis points per annum, based upon the Company's Moody's Rating and S&P Rating, on the daily unused amount of the Commitments.

The Credit Agreement contains representations, warranties and covenants customary for bank loan facilities of this nature. In this regard, the Credit Agreement requires the Company to, among other things, (x) maintain Consolidated Net Worth of not less than the sum of (i) \$4,223,942,000 plus (ii) 50% of the cumulative Consolidated Net Income earned in each fiscal quarter thereafter (if positive) commencing on September 30, 2013 and (y) maintain a ratio of Consolidated Total Indebtedness to Consolidated Capital as of the end of each fiscal quarter of not greater than 0.35 to 1.0. Additionally, the Credit Agreement contains various negative covenants with which the Company must comply, including, but not limited to, limitations respecting: the creation of liens on any property or asset; the incurrence of indebtedness; mergers, consolidations, liquidations and dissolutions; change of business; sales of assets; transactions with affiliates; anti-terrorism laws and foreign asset control regulations and other provisions customary in similar types of agreements.

In addition, at any time when a Default has occurred and is continuing or would result therefrom, the Credit Agreement proscribes the Company's ability to declare or pay, or permit any of its Material Subsidiaries to declare or pay, any dividend on, or make any payment on account of, or set apart assets for a sinking or other analogous fund for, the purchase, redemption, defeasance, retirement or acquisition of, any stock of the Company or any of its Material Subsidiaries.

Under the Credit Agreement, an Event of Default is defined as (a) a failure to pay any principal or interest on any of the Loans or any fee or any other amount payable under the Credit Agreement or any other Loan Document within designated time periods; (b) a representation or warranty made in the Credit Agreement or any other Loan Document proves to have been incorrect in any material respect when made or deemed made; (c) a failure to observe or perform certain specified covenants, conditions or agreements; (d) a failure to observe or perform any other conditions, covenants or agreements in the Credit Agreement or any other Loan Document within 30 days after knowledge or written notice of such failure; (e) a failure by the Company or any Subsidiary to pay any Indebtedness (other than the Loans) or any obligation in respect of Hedging Agreements of the Company or any Subsidiary in an aggregate amount exceeding \$50 million (Material Indebtedness) when due or payable, or any event or condition occurs that results in the acceleration of the maturity of Material Indebtedness or which enables or permits the holder of such Material Indebtedness to cause the acceleration of such indebtedness (except for secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness); (f) the occurrence of certain involuntary or voluntary bankruptcy, insolvency or reorganization events of the Company or any of its Material Subsidiaries; (g) the rendering of certain money judgments against the Company or any Subsidiary of the Company in an aggregate amount in excess of \$25 million; (h) a failure by the Company or any ERISA Affiliate to pay any material amounts to the Pension Benefit Guaranty Corporation or to an employee pension benefit plan or the institution of an enforcement proceeding under ERISA or the occurrence of an ERISA Event which would reasonably be expected to have a Material Adverse Effect or the occurrence of certain material events under ERISA covered plans; or (i) the occurrence of a Change of Control of the Company.

If an Event of Default occurs, then, to the extent permitted in the Credit Agreement, the Lenders may direct the Administrative Agent to, or the Administrative Agent may, with the consent of Lenders holding more than 50% of the aggregate outstanding principal amount of the Loans, as applicable, terminate the Commitments, accelerate the repayment of any outstanding loans and exercise all rights and remedies available to such Lenders under the Credit Agreement and applicable law. In the case of an Event of Default that exists due to the occurrence of certain involuntary or voluntary bankruptcy, insolvency or reorganization events of the Company, the Commitments will automatically terminate and the repayment of any outstanding loans shall be automatically accelerated.

The foregoing description of the Credit Agreement does not purport to be a complete statement of the parties' rights and obligations under the Credit Agreement or the transactions contemplated thereby. The foregoing description is qualified in its entirety by reference to the Credit Agreement, a copy of which is attached hereto as Exhibit 10.1(a), which agreement is incorporated herein by reference. Certain of the Lenders and their affiliates have in the past performed, and may in the future from time to time perform, investment banking, financial advisory, lending and/or commercial banking services, or other services to the Company and its subsidiaries, for which they have received, and may in the future receive, customary compensation and expense reimbursement.
