Employment Questions

Will all employees transition to Old National? And, will I have to apply?

All associates employed by the company at closing will transfer to Old National upon the closing of the partnership without being required to formally apply. Certain other paperwork may be required such as an authorization to perform background checks.

What is considered, full time, part-time level one, etc.?

At Old National full time associates are those who are regularly scheduled to work 35 or more hours per week. Part-time Level I associates are regularly scheduled to work 20 to 34 hours per week. Part-time Level II associates are scheduled to work less than 20 hours per week and therefore, are not eligible for most benefits. This is different from LSB where the requirement for full time is 30 hours. Reduced hours employees who routinely work 32 hours per week would be considered Part-time Level I with Old National, assuming no changes to their work schedule.

When will I learn whether my job will be impacted?

Today, we know that revenue producing positions will continue after the closing, including all retail positions in the branches. We need some time to complete an assessment process in order to determine other resource requirements. And, staffing decisions for support positions will be predicated on what we learn in the assessment phase. Certainly, no job loss associated with these staffing decisions will occur prior to the systems conversion.

We recognize that some associates will be dealing with uncertainty during this time. And, we will make our best effort to complete the review process in a timely manner. Yet, our time line could change as together we learn more about each other's operations. We will commit that any associate whose job is eliminated will be eligible for severance benefits and will be given at least 60 days of notice, if not longer. And, employees facing job loss will be supported with transition services including workshops on résumé writing, job search strategies, interviewing skills and one-on-one job search counseling. Additionally, the transition services counselor will assist associates who are interested in pursuing opportunities at Old National in other roles, markets or business units.

How do I apply for positions within Old National? Can Old National hire Lafayette Savings Bank employees now?

For associates to benefit from the employment terms of the partnership (i.e. years of service credit, etc.), they must transfer to Old National at close. If you wish to express interest in a position prior to close, please utilize Old National's on-line application process at www.oldnational.jobs. You may identify yourself as a Lafayette Savings Bank employee by selecting that option on the drop down box for referral source. Additionally, please communicate your interest for any position to your Human Resources Department. LSB's HR team will work closely with Old National's team to review candidates, assist with the selection process and if appropriate, determine an appropriate transition to Old National.

Compensation Questions

Will any associates experience a decrease in base pay upon transfer to Old National?

Old National will not reduce the base pay for associates transferring to a comparable role. If an employee is offered a position that is not comparable to his or her current role, we will consider Old National's salary range and the compensation of other similarly situated associates to determine an appropriate salary for the new role.

How are associates at Old National paid?

Employees at Old National are paid bi-weekly via direct deposit. Exempt associates are paid current through the pay date. Non-exempt associates are paid one week in arrears.

Severance Benefits**What are Old National severance benefits?**

Associates who are eligible for severance will receive a statement that shows their specific severance benefit.

Severance benefits are based on Old National's Severance Pay Plan.

Under the plan, severance benefits are based on position grade level or pay rate and years of service.

	SALARY	SEVERANCE	MINIMUM	MAXIMUM
CATEGORY	GRADE	AMOUNT*	SEVERANCE	SEVERANCE
I	40 - 57	1.00	5 Weeks Pay	26 Weeks Pay
II	58 - 60	1.25	8 Weeks Pay	32 Weeks Pay
III	61 +	1.50	12 Weeks Pay	39 Weeks Pay

*The amount shown in this column is multiplied times the years of service to determine the severance benefit in weeks of pay. For example, an associate in salary grade 58 with seven years of service would receive $1.25 \times 7 \text{ years} = 8.75$ weeks of severance pay.

Associates whose jobs are not assigned a salary grade as of the date of the termination notice will be assigned to Category I, II, or III based on the schedule below:

Category	Annual Salary
I	Up to \$55,100
II	\$55,100 - \$94,499
III	\$94,500 and greater

For example, Jane Doe qualifies for severance benefits. Her Salary Grade is 58, and her years of service are 7.

Week of Pay: \$ 1,153.85 (\$60,000 annually)

Severance Multiple

(1.25): 8.75 weeks of severance

Lump sum Severance

Benefits: \$ 10,096.19

Years of Service means the number of complete years of service at the time of job elimination based on the most recent service date shown in LSB's personnel records. A partial year will be rounded up to the next year if it is greater than six months, and rounded down if it is six months or less.

For non-exempt associates, Week of Pay means the budgeted weekly hours multiplied by the associate's hourly pay rate. For exempt associates a Week of Pay equals annual base compensation divided by 52 weeks.
