Hamilton Bancorp, Inc.

Proxy Statement

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors of Hamilton Bancorp, Inc. (the Company or Hamilton Bancorp) to be used at the annual meeting of stockholders of the Company. The Company is the holding company for Hamilton Bank (the Bank). The annual meeting will be held at the Bank's executive and administrative office located at 501 Fairmount Avenue, Suite 200, Towson, Maryland 21286 on Tuesday, August 19, 2014 at 5:00 p.m. local time. This proxy statement and the enclosed proxy card are being mailed to stockholders of record on or about July 18, 2014.

Voting and Proxy Procedure

Who Can Vote at the Meeting

You are entitled to vote your Company common stock if the records of the Company show that you held your shares as of the close of business on July 1, 2014. If your shares are held through a broker, bank or similar holder of record, you are considered the beneficial owner of shares held in street name and these proxy materials are being forwarded to you by your broker or other holder of record. As the beneficial owner, you have the right to direct your broker or other holder of record how to vote by filling out a voting instruction form that accompanies these proxy materials. Your broker or other holder of record may allow you to provide voting instructions by telephone or by the Internet. Please see the voting instruction form provided by your broker or other holder of record that accompanies this proxy statement.

As of the close of business on July 1, 2014, there were 3,415,345 shares of Company common stock outstanding. Each share of common stock has one vote. The Company's articles of incorporation provide that record owners of Company common stock beneficially owned by a person who beneficially owns in excess of 10% of the Company's outstanding common stock (a 10% beneficial owner), shall not be entitled to vote, in the aggregate, shares beneficially owned by the 10% beneficial owner in excess of 10% of the Company's outstanding common stock, unless a majority of unaffiliated directors (as defined in the articles of incorporation) grant such entitlement by resolution in advance of the acquisition of the excess shares.

Attending the Meeting

If you were a stockholder as of the close of business on July 1, 2014, you may attend the meeting. However, if your shares of Company common stock are held in street name, you will need proof of ownership to be admitted to the meeting. A recent account statement or letter from your broker or other holder of record are examples of proof of ownership. If you want to vote your shares of Company common stock held in street name in person at the meeting, you will have to get a written proxy in your name from your broker or other holder of record.

Quorum and Vote Required for Proposals

Quorum. A majority of the outstanding shares of common stock entitled to vote is required to be represented at the meeting to constitute a quorum for the transaction of business.

Votes Required for Proposals. At this year's annual meeting, stockholders will elect two directors to serve for a term of three years and until their successors are elected and qualified. In voting on the election of directors, you may vote in favor of the nominees, withhold votes as to all nominees, or withhold votes as to specific nominees. There is no cumulative voting for the election of directors. Directors must be elected by a plurality of the votes cast at the annual meeting. This means that the nominees receiving the greatest number of votes will be elected.

In voting on the ratification of the appointment of Rowles & Company, LLP as the Company's independent registered public accounting firm, you may vote in favor of the proposal, vote against the proposal or abstain from voting. To ratify the selection of Rowles & Company, LLP as our independent registered public accounting firm for the fiscal year ending March 31, 2015, the affirmative vote of a majority of the votes cast on the proposal is required.

Broker Non-Votes. If you do not provide your broker or other record holder with voting instructions on certain non-routine matters, your broker will not have discretion to vote your shares on such matters. The election of directors is a non-routine matter. In the case of routine matters, such as the ratification of the appointment of the Company's independent registered public accounting firm, your broker or other holder of record is permitted to vote your shares in the record holder's discretion if you have not provided voting instructions. A broker non-vote occurs when your broker submits a proxy for the meeting with respect to routine matters, but does not vote on non-routine matters because you did not provide voting instructions on such matters.

How Votes Are Counted. If you return valid proxy instructions or attend the meeting in person, we will count your shares for purposes of determining whether there is a quorum, even if you abstain from voting. Broker non-votes also will be counted for purposes of determining the existence of a quorum.

In counting votes for the election of directors, votes that are withheld and broker non-votes will have no effect on the outcome of the election.

In counting votes on the proposal to ratify the selection of the independent registered public accounting firm, abstentions will have no effect on the outcome of the vote.

Voting by Proxy

The Company's Board of Directors is sending you this proxy statement to request that you allow your shares of Company common stock to be represented at the annual meeting by the persons named in the enclosed proxy card. All shares of Company common stock represented at the meeting by properly executed and dated proxies will be voted according to the instructions indicated on the proxy card. If you sign, date and return a proxy card without giving voting instructions, your shares will be voted as recommended by the Company's Board of Directors.

The Board of Directors recommends that you vote:

for each of the nominees for director; and

for ratification of the appointment of Rowles & Company, LLP as the Company's independent registered public accounting firm.

If any matters not described in this proxy statement are properly presented at the annual meeting, the persons named in the proxy card will use their judgment to determine how to vote your shares. This

includes a motion to adjourn or postpone the meeting to solicit additional proxies. If the annual meeting is postponed or adjourned for less than 30 days, your Company common stock may be voted by the persons named in the proxy card on the new meeting date, provided you have not revoked your proxy. The Company does not currently know of any other matters to be presented at the meeting.

You may revoke your proxy at any time before the vote is taken at the meeting. To revoke your proxy, you must advise the Corporate Secretary of the Company in writing before your common stock has been voted at the annual meeting, deliver a later dated proxy or attend the meeting and vote your shares in person by ballot. Attendance at the annual meeting will not in itself constitute revocation of your proxy.

Participants in the Hamilton Bank ESOP or 401(k) Plan

If you participate in the Hamilton Bank Employee Stock Ownership Plan (the ESOP), you will receive a vote authorization form for the plan that reflects all shares you may direct the trustees to vote on your behalf under the ESOP. Under the terms of the ESOP, the ESOP trustee votes all shares held by the ESOP, but each ESOP participant may direct the trustee how to vote the shares of common stock allocated to his or her account. The ESOP trustee, subject to the exercise of its fiduciary responsibilities, will vote all unallocated shares of Hamilton Bancorp common stock held by the ESOP and allocated shares for which no voting instructions are received in the same proportion as shares for which it has received timely voting instructions. Under the terms of the Hamilton Bank 401(k) Profit Sharing Plan (the 401(k) Plan), a participant is entitled to vote the shares credited to his or her 401(k) Plan account. Shares for which no voting instructions are given or for which instructions were not timely received may be voted by the 401(k) Plan trustee as directed in the sole discretion of the Plan Administrator, subject to the determination that such a vote is for the exclusive benefit of plan participants and beneficiaries. **The deadline for returning your ESOP and 401(k) Plan voting instructions is August 12, 2014.**

Corporate Governance and Board Matters

General

The Company periodically reviews its corporate governance policies and procedures to ensure that the Company meets the highest standards of ethical conduct, reports results with accuracy and transparency and maintains full compliance with the laws, rules and regulations that govern the Company's operations. As part of this periodic corporate governance review, the Board of Directors reviews and adopts best corporate governance policies and practices for the Company.

Code of Ethics and Business Conduct

The Company has adopted a Code of Ethics and Business Conduct that is designed to promote the highest standards of ethical conduct by the Company's directors, executive officers and employees. The Code of Ethics and Business Conduct requires that the Company's directors, executive officers and employees avoid conflicts of interest, comply with all laws and other legal requirements, conduct business in an honest and ethical manner and otherwise act with integrity and in the Company's best interest. Under the terms of the Code of Ethics and Business Conduct, directors, executive officers and employees are required to report any conduct that they believe in good faith to be an actual or apparent violation of the Code of Ethics and Business Conduct. A copy of the Code of Ethics and Business Conduct can be found in the *Investor Relations Corporate Overview Corporate Governance Documents* section of the Company's website, www.hamilton-bank.com.

As a mechanism to encourage compliance with the Code of Ethics and Business Conduct, the Company has established procedures for receiving, retaining and addressing complaints regarding

accounting, internal accounting controls and auditing matters. These procedures ensure that individuals may submit concerns regarding questionable accounting or auditing matters in a confidential and anonymous manner. The Code of Ethics and Business Conduct also prohibits the Company from retaliating against any director, executive officer or employee who reports actual or apparent violations of the Code of Ethics and Business Conduct.

Director Independence

Hamilton Bancorp currently has eight directors. The Board has determined that directors William E. Ballard, Carol L. Coughlin, James R. Farnum, Jr., William W. Furr and Bobbi Macdonald are independent as defined in the NASDAQ Stock Market Rules (the Nasdaq rules). Director Robert A. DeAlmeida is not independent because he is the Chief Executive Officer of Hamilton Bancorp. Director James F. Hershner is not independent because of his past service as an executive officer of Hamilton Bancorp, and director Russell K. Frome is not independent because he is the brother-in-law of director Hershner. In determining the independence of the directors listed above, the board of directors reviewed accounts that directors and their affiliates had with the Bank, none of which are required to be reported in this proxy statement under the heading Transactions With Related Persons.

Meetings of the Board of Directors

The Company conducts business through meetings of its Board of Directors and through activities of its committees. During the fiscal year ended March 31, 2014, the Board of Directors held 15 meetings. No director attended fewer than 75% of the total meetings of the Company's Board of Directors and the board committees on which such director served.

Board Leadership Structure

At the Company, the positions of Chairman of the Board and Chief Executive Officer are held by different individuals. Chairman Russell Frome provides guidance to our Chief Executive Officer, Robert DeAlmeida, and is active in setting the agenda for Board meetings and presides over meetings of the full Board. The Chief Executive Officer is responsible for setting the strategic direction for the Company and the day to day leadership and performance of the Company. We believe that this separation of roles enhances the Chairman's leadership of the Board, which in turn oversees management, and enhances the Chief Executive Officer's focus on managing Company operations.

Because our Chairman's brother-in-law is a former executive officer, our Chairman is not considered independent under Nasdaq rules. Accordingly, the Board has also appointed director Carol Coughlin as Lead Independent Director with certain roles and responsibilities such as coordinating the activities of the other independent directors, and performing such other duties and responsibilities as the Board of Directors may determine. The Lead Independent Director presides over all executive sessions of the independent directors. In addition given the Lead Independent Director's role, she may attend certain committee meetings even if not a member of such committee. She also has the authority to call meetings of the independent directors.

Board's Role in Risk Oversight

The Board's role in the Company's risk oversight process includes receiving regular reports from members of senior management on areas of material risk to the Company, including operational, financial, legal and regulatory, strategic and reputational risks. The full Board (or the appropriate committee in the case of risks that are reviewed and discussed at committee meetings) receives these reports from the appropriate risk owner within the organization to enable the Board or appropriate

committee to understand our risk identification, risk management and risk mitigation strategies. When a committee receives the report, the Chairman of the relevant committee reports on the discussion to the full Board at the next Board meeting. This enables the Board and its committees to coordinate the risk oversight role, particularly with respect to risk interrelationships.

Committees of the Board of Directors

The following table identifies our standing Board committees and their members as of July 1, 2014. All members of each committee are independent as defined by Nasdaq rules. Each committee operates under a written charter or charters available in the *Investor Relations Corporate Overview Corporate Governance Documents* section of the Company's website, www.hamilton-bank.com.

Number of Meetings in Fiscal 2014:	6	9	7

* Denotes Chairperson.

Audit Committee. The Audit Committee assists the Board of Directors in its oversight of the Company's accounting and reporting practices, the quality and integrity of the Company's financial reports and the Company's compliance with applicable laws and regulations. The Audit Committee is also responsible for engaging the Company's independent registered public accounting firm and monitoring its conduct and independence. The board of directors of Hamilton Bancorp has designated director Carol L. Coughlin as an audit committee financial expert, as that term is defined by the rules and regulations of the Securities and Exchange Commission. The report of the Audit Committee required by the rules of the Securities and Exchange Commission is included in this proxy statement under the heading *Audit Committee Report*.

Compensation Committee. The Compensation Committee is responsible for recommending to the full Board the compensation of the Chief Executive Officer and other executive officers and directors, and administering the overall compensation policy of the Company. The Compensation Committee's duties include:

establishing, reviewing, modifying and approving the executive compensation philosophy of the Company;

reviewing all compensation components for the Company's Chief Executive Officer and other executive officers, including base salary, annual incentive, long-term incentives and perquisites;

determining, in consultation with the Governance and Nominating Committee, the compensation to be paid to directors of the Company and of affiliates of the Company for their service as directors;

administering and having discretionary authority over the Company's incentive compensation plans and programs; and

reviewing, evaluating and recommending succession planning and development for executive officers. The performance of the Chief Executive Officer and other executive officers is reviewed annually by the Compensation Committee. While strict numerical formulas are not used to evaluate overall performance, the Compensation Committee considers the performance of the Company and the Bank based on common performance metrics such as earnings, return on equity, return on assets and asset quality, and each executive officer's contribution to the Company's successful operation. Decisions by the Compensation Committee with respect to the compensation of executive officers are reported to the full Board for ratification.

The executive officers of the Company are generally not engaged directly with the Compensation Committee in setting the amount or form of executive officer or director compensation. However, as part of the annual performance review of the Company and the executive officers, the Compensation Committee considers the Chief Executive Officer's perspective on each executive officer's individual performance (other than the Chief Executive Officer's performance) and the performance of the Company. In addition, the Compensation Committee may delegate to management certain of its duties and responsibilities, including with respect to the adoption, amendment, modification or termination of the Company's tax-qualified retirement plans and health and welfare plans.

During the fiscal year ended March 31, 2014, the Compensation Committee engaged Meridian Compensation Partners, LLC (Meridian), a nationally recognized compensation consulting firm, to assist in carrying out its duties. Meridian's specific assignments included competitive reviews of our director and senior executive officer compensation levels and practices, and a more focused view of our incentive compensation strategies. In addition, the Compensation Committee continued to work with Broder & Associates (Broder) with respect to reviewing the Company's broad-based employee compensation and benefit plans, Broder also provided the Compensation Committee with compensation survey data used for compensation benchmarking. Both Meridian and Broder provide services only to the Compensation Committee and provide no other services to the Company. Moreover, the Compensation Committee has determined that neither Meridian nor Broder has engaged in any work that would cause a conflict of interest in their role of determining or recommending the amount or form of the Company's executive and director compensation.

Governance and Nominating Committee. The Company's Governance and Nominating Committee assists the Board of Directors in identifying qualified individuals to serve as Board members. The Governance and Nominating Committee also considers and recommends the nominees for director to stand for election at the Company's annual meeting of stockholders, including considering recommendations for nominees submitted by stockholders. The procedures of the Governance and Nominating Committee required to be disclosed by the rules of the Securities and Exchange Commission are included in this proxy statement under the heading *Governance and Nominating Committee Procedures*.

The Governance and Nominating Committee also develops and recommends corporate governance guidelines to the Board for its approval, makes recommendations to the Board regarding the

size and composition of the Board and develops and recommends to the Board criteria for the selection of individuals to be considered for election or re-election to the Board. The Governance and Nominating Committee reviews the Board's committee structure and recommends to the Board for its approval directors to serve as members of each committee. In addition, the Governance and Nominating Committee reviews and approves all related person transactions in accordance with the Company's Policy and Procedures for Approval of Related Person Transactions, and reviews and monitors director relationships with the Company and the Company's independent accounting firm to ensure the Board's compliance with the Nasdaq rules regarding director independence.

Director Attendance at the Annual Meeting

The Board of Directors encourages each director to attend annual meetings of stockholders. All of our then-current directors attended the 2013 annual meeting of stockholders.

Governance and Nominating Committee Procedures

General

It is the policy of the Governance and Nominating Committee of the Board of Directors to consider director candidates recommended by stockholders who appear to be qualified to serve on the Company's Board of Directors. The Governance and Nominating Committee may choose not to consider an unsolicited recommendation if no vacancy exists on the Board of Directors and the Governance and Nominating Committee does not perceive a need to increase the size of the Board of Directors. To avoid the unnecessary use of the Governance and Nominating Committee's resources, the Governance and Nominating Committee will consider only those director candidates recommended in accordance with the procedures set forth below.

Procedures to be Followed by Stockholders

To submit a recommendation of a director candidate to the Governance and Nominating Committee, a stockholder should submit the following information in writing, addressed to the Chairman of the Governance and Nominating Committee, care of the Corporate Secretary, at the main office of the Company located at 501 Fairmount Avenue, Suite 200, Towson, Maryland 21286:

A statement that the writer is a stockholder and is proposing a candidate for consideration by the Governance and Nominating Committee;

The name and address of the stockholder as they appear on the Company's books, and the number of shares of the Company's common stock that are owned beneficially by the stockholder (if the stockholder is not a holder of record, appropriate evidence of the stockholder's ownership will be required);

The name, address and contact information for the candidate, and the number of shares of common stock of the Company that are owned by the candidate (if the candidate is not a holder of record, appropriate evidence of the candidate's share ownership should be provided);

A statement of the candidate's business and educational experience;

Such other information regarding the candidate as would be required to be included in the proxy statement pursuant to Securities and Exchange Commission Regulation 14A;

A statement detailing any relationship between the candidate and any customer, supplier or competitor of the Company;

Detailed information about any relationship or understanding between the proposing stockholder and the candidate; and

A statement that the candidate is willing to be considered and willing to serve as a director if nominated and elected.

In order for a director candidate to be considered for nomination at the Company's annual meeting of stockholders, the recommendation must be received by the Governance and Nominating Committee at least 180 calendar days before the date the Company's proxy statement was released to stockholders in connection with the previous year's annual meeting, advanced by one year.

Process for Identifying and Evaluating Nominees

The process that the Governance and Nominating Committee follows to identify and evaluate individuals to be nominated for election to the Board of Directors is as follows:

Identification. For purposes of identifying nominees for the Board of Directors, the Governance and Nominating Committee relies on personal contacts of the committee members and other members of the Board of Directors, as well as its knowledge of members of the communities served by the Bank. The Governance and Nominating Committee will also consider director candidates recommended by stockholders in accordance with the policy and procedures set forth above. The Governance and Nominating Committee has not previously used an independent search firm to identify nominees.

Evaluation. In evaluating potential nominees, the Governance and Nominating Committee determines whether the candidate is eligible and qualified for service on the Board of Directors by evaluating the candidate under certain criteria, which are described below. If such individual fulfills these criteria, the Governance and Nominating Committee will conduct a check of the individual's background and interview the candidate to further assess the qualities of the prospective nominee and the contributions he or she would make to the Board of Directors.

Qualifications

The Governance and Nominating Committee has recommended, and the Board of Directors has adopted, a set of criteria for the Governance and Nominating Committee to consider when it selects individuals to be nominated for election to the Board of Directors. A candidate must meet the eligibility requirements set forth in the Company's bylaws, which include an age restriction, a residency requirement and a requirement that the candidate not have been subject to certain criminal or regulatory actions. A candidate also must meet any qualification requirements set forth in any Board or committee governing documents.

If the candidate is deemed eligible for election to the Board of Directors, the Governance and Nominating Committee will then evaluate the following criteria in selecting nominees:

financial, regulatory and business experience;

familiarity with and participation in the local community;

integrity, honesty and reputation in connection with upholding a position of trust with respect to customers;

dedication to the Company and its stockholders; and

independence.

The Committee will also consider any other factors the Governance and Nominating Committee deems relevant, including age, diversity, size of the Board of Directors and regulatory disclosure obligations. We do not maintain a specific diversity policy, but diversity is considered in our review of candidates. Diversity includes not only gender and ethnicity, but the various perspectives that come from having differing viewpoints, geographic and cultural backgrounds, and life experiences.

With respect to nominating an existing director for re-election to the Board of Directors, the Governance and Nominating Committee will consider and review an existing director's board and committee attendance and performance; length of board service; experience, skills and contributions that the existing director brings to the Board; and independence.

Submission of Business Proposals and Stockholder Nominations

The Company must receive proposals that stockholders seek to include in the proxy statement for the Company's next annual meeting no later than March 20, 2015. However, if next year's annual meeting is held on a date more than 30 calendar days from August 19, 2015, a stockholder proposal must be received by a reasonable time before the Company begins to print and mail its proxy solicitation for such annual meeting. Any stockholder proposals that are intended to be included in the proxy statement for the Company's next annual meeting will be subject to the requirements of the proxy rules adopted by the Securities and Exchange Commission.

In addition, the Company's bylaws provide that, in order for a stockholder to make nominations for the election of directors or proposals for business to be brought before the annual meeting, a stockholder must deliver notice of such nominations and/or proposals to the Secretary not less than 80 days before the date of the annual meeting. However, if less than 90 days' notice or prior public disclosure of the date of the annual meeting is given to stockholders, such notice must be received not later than the close of business of the tenth day following the day on which notice of the date of the annual meeting was mailed to stockholders or prior public disclosure of the meeting date was made. A copy of the bylaws may be obtained from the Company.

Proposal 1 Election of Directors

Hershner will retire as a director of Hamilton Bancorp and Hamilton Bank on the date of the annual meeting of stockholders. The number of directors of Hamilton Bancorp and Hamilton Bank will be reduced from eight to seven immediately following the annual meeting.

It is intended that the proxies solicited by the Board of Directors will be voted for the election of the nominees named above unless other instructions are provided. If any nominee is unable to serve, the proxy committee will vote your shares to approve the election of any substitute proposed by the Board of Directors. Alternatively, the Board of Directors may adopt a resolution to reduce the size of the Board. At this time, the Board of Directors knows of no reason why any nominee might be unable to serve.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ELECTION OF ALL NOMINEES.

- (3) For fiscal 2013, includes services rendered in connection with the mutual-to-stock conversion and related stock offering.

Pre-Approval of Services by the Independent Registered Public Accounting Firm

The Audit Committee is responsible for appointing, setting the compensation received by, and overseeing the work of the independent registered public accounting firm. In accordance with its charter, the Audit Committee approves, in advance, all audit and permissible non-audit services to be performed by the independent registered public accounting firm. Such approval process ensures that the external auditor does not provide any non-audit services to the Company that are prohibited by law or regulation.

In addition, the Audit Committee has established a policy regarding pre-approval of all audit and permissible non-audit services provided by the independent registered public accounting firm. Requests for services by the independent registered public accounting firm for compliance with the auditor services policy must be specific as to the particular services to be provided. The request may be made with respect to either specific services or a type of service for predictable or recurring services. During the year ended March 31, 2014, all services were approved, in advance, by the Audit Committee in compliance with these procedures.

Audit Committee Report

The Company's management is responsible for the Company's internal controls and financial reporting process. The Company's independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements and issuing an opinion on the conformity of those financial statements with generally accepted accounting principles. The Audit Committee oversees the Company's internal controls and financial reporting process on behalf of the Board of Directors.

In this context, the Audit Committee has met and held discussions with management and the independent registered public accounting firm. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent registered public accounting firm. The Audit Committee discussed with the independent registered public accounting firm matters required to be discussed by Public Company Accounting Oversight Board (United States) Auditing Standard No. 16,

Communications with Audit Committees, including the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of the disclosures in the financial statements.

In addition, the Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the Audit Committee concerning the independent registered public accounting firm's independence, and has discussed such independence with the independent registered public accounting firm. In concluding that the registered public accounting firm is independent, the Audit Committee considered, among other factors, whether the non-audit services provided by the firm were compatible with its independence.

The Audit Committee discussed with the Company's independent registered public accounting firm the overall scope and plans for their audit. The Audit Committee meets with the independent registered public accounting firm, with and without management present, to discuss the results of their audit, their evaluation of the Company's internal controls, and the overall quality of the Company's financial reporting.

In performing all of these functions, the Audit Committee acts only in an oversight capacity. In its oversight role, the Audit Committee relies on the work and assurances of the Company's management, which has the primary responsibility for financial statements and reports, and of the independent registered public accounting firm who, in their report, express an opinion on the conformity of the Company's financial statements to generally accepted accounting principles. The Audit Committee's oversight does not provide it with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions with management and the independent registered public accounting firm do not ensure that the Company's financial statements are presented in accordance with generally accepted accounting principles, that the audit of the Company's financial statements has been carried out in accordance with standards of the Public Company Accounting Oversight Board or that the Company's independent registered public accounting firm is in fact independent.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the board has approved, that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended March 31, 2014, for filing with the Securities and Exchange Commission. The Audit Committee also has approved, subject to stockholder ratification, the selection of the Company's independent registered public accounting firm, for the fiscal year ending March 31, 2015.

Employment and Change in Control Agreements

Employment Agreement with Mr. DeAlmeida. On October 10, 2012, Hamilton Bank and the Company entered into separate employment agreements with Mr. DeAlmeida. The employment agreements have essentially identical provisions, except that the employment agreement with the Company: (i) provides for daily, rather than annual, renewal of the term; (ii) obligates the Company to make payments not made by Hamilton Bank under its agreement with Mr. DeAlmeida (provided that no duplicate payments are made); and (iii) will not require an automatic cut-back of severance benefits payable on termination of employment in connection with a change in control in order to avoid an excess parachute payment under Section 280G of the Internal Revenue Code.

The employment agreement with the Company has a three-year term that will automatically renew daily so that the remaining term is always three years. The employment agreement with Hamilton Bank has an initial term of three years. At least 60 days prior to the anniversary date of the agreement, the disinterested members of the board of directors of Hamilton Bank must conduct a comprehensive performance evaluation and affirmatively approve any extension of the Hamilton Bank employment agreement for an additional year or determine not to extend the term of the Hamilton Bank employment agreement. If the board of directors determines not to extend the term, it must notify Mr. DeAlmeida at least 30 days, but not more than 60 days, prior to the anniversary date.

The employment agreements provide Mr. DeAlmeida with an annual base salary, which was \$264,457 for the year ended March 31, 2014. The base salary may be increased, but not decreased (other than a decrease which is applicable to all senior officers). In addition to base salary, Mr. DeAlmeida is entitled to participate in any bonus programs and benefit plans that are made available to management employees, and will be reimbursed for all reasonable business expenses incurred.

In the event of Mr. DeAlmeida's involuntary termination of employment for reasons other than cause, disability or death, or in the event of his resignation for good reason, he will receive a severance payment equal to the base salary that he would have earned had he remained employed with the Hamilton Bank and the Company from his date of termination until, and including, the last day of the remaining term of his employment agreements. Such payment will be payable in a lump sum within 30 days following Mr. DeAlmeida's date of termination. In addition, Mr. DeAlmeida will be entitled to receive from Hamilton Bank or the Company continued life insurance and non-taxable medical and dental insurance coverage under the same cost-sharing arrangements that apply for active employees of Hamilton Bank and Hamilton Bancorp. Such coverage will cease upon the earlier of: (i) the completion of the remaining term of the employment agreements or (ii) the date on which Mr. DeAlmeida receives substantially similar benefits from another employer. For purposes of the employment agreements, good reason is defined as: (i) a material reduction in base salary or benefits (other than reduction by Hamilton Bank or the Company that is part of a good faith, overall reduction of such benefits applicable to all employees); (ii) a material reduction in Mr. DeAlmeida's duties or responsibilities; (iii) a relocation of Mr. DeAlmeida's principal place of employment by more than 25 miles from Hamilton Bank's or the Company's main office location; or (iv) a material breach of the employment agreements by Hamilton Bank or the Company.

If Mr. DeAlmeida's involuntary termination of employment other than for cause, disability or death or voluntary resignation for "good reason" occurs on or after the effective date of a change in control of the Company or Hamilton Bank, he would be entitled to (in lieu of the payments and benefits described in the previous paragraph) a severance payment equal to three times the sum of his highest rate of base salary and annual bonus paid to, or earned by, him during the current calendar year of his date of termination or either of the three calendar years immediately preceding his date of termination. Such payment will be payable in a lump sum within 30 days following Mr. DeAlmeida's date of termination. In addition, Mr. DeAlmeida would be entitled, at no expense, to the continuation of substantially comparable life insurance and non-taxable medical and dental insurance coverage until the earlier of: (i) the date which is three years after his date of termination or (ii) the date on which he receives substantially similar benefits from another employer. Notwithstanding the foregoing, the payments required under the Hamilton Bank employment agreement but not under the Company employment agreement in connection with a change in control will be reduced to the extent necessary to avoid penalties under Section 280G of the Internal Revenue Code.

Furthermore, should Mr. DeAlmeida become disabled, he will be entitled to disability benefits, if any, provided under a long-term disability plan sponsored by Hamilton Bank or the Company. In the event of Mr. DeAlmeida's death while employed, his beneficiaries will be paid his base salary for one year following death, and his family will continue to receive non-taxable medical and dental coverage for one year thereafter.

Upon any termination of employment that would entitle Mr. DeAlmeida to a severance payment (other than a termination in connection with a change in control), Mr. DeAlmeida will be required to adhere to one-year non-competition and non-solicitation covenants.

Change in Control Agreement with Mr. Marzullo. October 10, 2012, Hamilton Bank entered into a change in control agreement with Mr. Marzullo. The agreement has an initial term of two years. At least 60 days prior to the anniversary date of the agreement, the disinterested members of the board of directors of Hamilton Bank must conduct a comprehensive performance evaluation and affirmatively approve any extension of the agreement for an additional year or determine not to extend the term of the agreement. If the board of directors determines not to extend the term, it must notify the executive at least 30 days, but not more than 60 days, prior to the anniversary date of the agreement.

Under each agreement, in the event of Mr. Marzullo's involuntary termination of employment other than for cause, disability or death, or voluntary resignation for "good reason" occurs on or after the effective date of a change in control of the Company or Hamilton Bank, Mr. Marzullo would be entitled to a severance payment equal to two times the sum of his highest rate of base salary and annual bonus paid to, or earned by, him during the current calendar year of his date of termination or either of the two calendar years immediately preceding his date of termination. Such payment will be payable in a lump sum within 30 days following Mr. Marzullo's date of termination. In addition, Mr. Marzullo would be entitled to the continuation of substantially comparable life insurance and non-taxable medical and dental insurance coverage until the earlier of: (i) the date which is two years after his date of termination or (ii) the date on which he receives substantially similar benefits from another employer. Notwithstanding the foregoing, the payments required under the agreement will be reduced to the extent necessary to avoid penalties under Section 280G of the Internal Revenue Code. For purposes of the change in control agreement, "good reason" is defined as: (i) a material reduction in Mr. Marzullo's base salary or benefits (other than reduction by Hamilton Bank that is part of a good faith, overall reduction of such benefits applicable to all employees); (ii) a material reduction in his duties or responsibilities; (iii) a relocation of his principal place of employment by more than 25 miles from Hamilton Bank's main office location; or (iv) a material breach of the change in control agreement by Hamilton Bank.

Benefit Plans

2013 Equity Incentive Plan. On November 18, 2013, our stockholders approved the 2013 Equity Incentive Plan to provide employees and directors of the Company and Hamilton Bank with additional incentives to promote the growth and performance of the Company and to further align the interests of our directors and management with the interests of our stockholders by increasing the ownership interests of directors and management in the common stock of the Company. The 2013 Equity Incentive Plan is administered by the Compensation Committee. The 2013 Equity Incentive Plan initially authorized the issuance of up to 518,420 shares of common stock, of which up to 370,300 shares of common stock may be delivered pursuant to the exercise of stock options and 148,120 shares of common stock may be issued pursuant to grants of restricted stock awards and/or restricted stock units.

The Compensation Committee may determine the type and terms and conditions of the awards under the 2013 Equity Incentive Plan, and these determinations will be set forth in an award agreement delivered to each recipient. Awards may be granted in a combination of incentive and non-qualified stock options or restricted stock or restricted stock units, as follows:

- (i) **Stock Options.** A stock option gives the recipient the right to purchase shares of Company common stock at a specified price for a specified period of time. The exercise price may not be less than the fair market value on the date the stock option is grant. Stock options are either incentive stock options or non-qualified stock options. Incentive stock options have certain tax advantages and must comply with the requirements of

Section 422 of the Internal Revenue Code. Only employees are eligible to receive incentive stock options.

- (ii) Restricted Stock. A restricted stock award is a grant of common stock of the Company, subject to vesting requirements, to a recipient for no consideration or minimum consideration as may be required by applicable law. Restricted stock awards are granted in whole shares of common stock and are subject to vesting conditions and other restrictions established by the Compensation Committee as set forth in the 2013 Equity

Incentive Plan or the award agreement. Unless otherwise determined by the Compensation Committee, the recipient of a restricted stock award may exercise any voting rights with respect to common stock subject to an award and receive dividends and distributions with respect to the common stock.

- (iii) **Restricted Stock Units.** Restricted stock units are similar to restricted stock awards in that the value of a restricted stock unit is denominated in shares of stock, however, unlike a restricted stock award, no shares of stock are transferred to the recipient until certain requirements or conditions associated with the award are satisfied.

With respect to restricted stock and restricted stock units, performance measures may be applied to the awards so that they are conditioned on the achievement of one or more performance measures set forth in the 2013 Equity Incentive Plan and specified in the recipient's underlying award agreement. Such shares are referred to as performance shares. The performance shares will vest only on the achievement of one or more performance measures in whole or in part, which are predetermined and specified in the recipient's award agreement. Notwithstanding the foregoing, unless otherwise specified in the recipient's award agreement, all awards will vest upon death, disability or involuntary termination of employment or termination of service as a director following a change in control.

Hamilton Bank Agreement for Deferred Compensation of Salaries. Hamilton Bank adopted the Agreement for Deferred Compensation of Salaries on January 1, 1984. Messrs. DeAlmeida and Hershner are participants in this plan. The plan allows for the executive to defer payment of a specified percentage or fixed amount of his base salary to be paid during the next calendar year. The executive's deferred salary is held by Hamilton Bank through a grantor trust. Legg Mason Trust, fsb serves as trustee of the grantor trust and is directed by Hamilton Bank as to the investment of the assets held by the grantor trust. If the executive elects to defer payment of his salary, the executive is required to elect the time and manner in which his deferred salary will be paid. Specifically, the executive must elect that his deferred salary will (i) either be paid on either a specified date or upon his separation from service and (ii) be paid in the form of either a lump sum distribution or equal installments over a specified period of time.

Executive Split Dollar Agreements. Hamilton Bank has entered into Executive Split Dollar Agreements with each of Messrs. DeAlmeida and Marzullo. Under the agreements, each executive's designated beneficiary is entitled to share in the proceeds under a life insurance policy owned by Hamilton Bank in the event of the executive's death while employed with Hamilton Bank. The death benefit payable to each executive's designated beneficiary is \$350,000.

401(k) Plan. Hamilton Bank maintains the 401(k) Plan, a tax-qualified defined contribution retirement plan, for all employees who have satisfied the 401(k) Plan's eligibility requirements. Each eligible employee can begin participating in the 401(k) Plan on the first day of the plan year quarter next following the date on which the employee attains age 18 and has completed one year of service.

A participant may contribute up to 100% of his or her compensation to the 401(k) Plan on a pre-tax basis, subject to the limitations imposed by the Internal Revenue Code. For 2014, the salary deferral contribution limit is \$17,500 provided, however, that a participant over age 50 may contribute an additional \$5,500 to the 401(k) Plan. In addition to salary deferral contributions, the 401(k) Plan provides that Hamilton Bank will make a safe harbor employer contribution to each participant's account equal to at least 3% of the participant's compensation earned during the plan year (referred to as a non-elective contribution). A participant is always 100% vested in his or her salary deferral and non-elective contributions.

In addition, Hamilton Bank is permitted to make a discretionary profit sharing contribution to the 401(k) Plan that is allocated to each participant based on his or her group category. Each participant will be categorized into one of the following groups: (i) Group A will consist of the President and Chief Executive Officer; (ii) Group B will consist of the Executive Vice President; (iii) Group C will consist of Senior Officers; (iv) Group D will consist of Junior Officers; (v) Group E will consist of Managers; (vi) Group F will consist of Staff; (vii) Group G will consist of Terminated Highly Compensated Employees; and (viii) Group H will consist of Terminated Non-Highly Compensated Employees. Hamilton Bank may contribute a different percentage of the profit sharing contribution to each group, with the amount contributed to be allocated to each participant in the group proportionately based on his or her compensation compared to the total compensation paid to all participants in the group during the plan year. Each participant vests in his or her profit sharing contribution at a rate 20% per year such that the participant will become 100% vested upon the completion of five years of credited service. However a participant will immediately become 100% vested in any employer contributions upon the participant's death, disability or attainment of age 65 (or the fifth anniversary of joining the 401(k) Plan, if later) while employed with Hamilton Bank.

Generally, a participant (or participant's beneficiary) may receive a distribution from his or her vested account at retirement, age 59 ½ (while employed with Hamilton Bank), death, disability or termination of employment, and elect for the distribution to be paid in the form of either a lump sum or installment payments of at least \$1,000 over a specified period.

Each participant has an individual account under the 401(k) Plan and may direct the investment of his or her account among a variety of investment options available, including the Hamilton Bancorp Stock Fund, which allows participants to invest in the common stock of the Company.

ESOP. Effective January 1, 2012, Hamilton Bank adopted the ESOP, a tax-qualified retirement plan, for eligible employees. Eligible employees who have attained age 21 will begin participation in the ESOP on the later of the effective date of the ESOP or upon the first entry date commencing on or after the eligible employee's completion of 1,000 hours of service during a continuous 12-month period. Employees who had attained age 21 and completed 1,000 hours of service during a continuous 12-month period as of October 10, 2012 (the effective date of the conversion) were eligible to immediately participate in the ESOP.

The ESOP trustee purchased, on behalf of the ESOP, 296,240 shares of Company common stock issued in connection with the conversion and stock offering. The ESOP funded its stock purchase with a loan of \$2,962,400 from the Company, which represented the aggregate purchase price of the common stock. The loan is repaid principally through Hamilton Bank's contribution to the ESOP and dividends payable on unallocated common stock held by the ESOP over a 20-year term of the loan. The interest rate for the ESOP loan is an adjustable-rate equal to the prime rate, as published in *The Wall Street Journal*. The interest rate will adjust annually and will be the prime rate on the first business day of the calendar year, retroactive to January 1 of such year.

The trustee will hold the shares purchased by the ESOP in an unallocated suspense account. Shares will be released from the suspense account on a pro-rata basis as we repay the loan. The trustee will allocate the shares released among the participants' accounts on the basis of each participant's proportional share of compensation relative to all participants. Participants will vest in their benefit at a rate of 20% per year, such that the participants will be 100% vested upon completion of five years of credited service. Participants who were employed by Hamilton Bank immediately prior to the conversion will receive credit for vesting purposes for years of service prior to adoption of the ESOP. Participants also will become fully vested upon normal retirement, death or disability, a change in control, or termination of the ESOP. Generally, participants will receive distributions from the ESOP upon severance from employment. The ESOP reallocates any unvested shares forfeited upon termination of employment among the remaining participants.

The ESOP permits participants to direct the trustee as to how to vote the shares of common stock allocated to their accounts. The trustee votes unallocated shares and allocated shares for which participants do not provide instructions on any matter in the same ratio as those shares for which participants provide instructions, subject to fulfillment of the trustee's fiduciary responsibilities.

Under applicable accounting requirements, Hamilton Bank will record a compensation expense for the ESOP at the fair market value of the shares as they are committed to be released from the unallocated suspense account to participants' accounts. The compensation expense resulting from the release of Company common stock from the suspense account and allocation to plan participants will result in a corresponding reduction in the Company's earnings.

Supplemental ESOP. Hamilton Bank adopted the Hamilton Bank Non-Qualified Supplemental Employee Stock Ownership Plan (the Supplemental ESOP), effective January 1, 2012. The Supplemental ESOP is a non-tax qualified benefit restoration plan that provides additional cash benefits, equal to the participant's account balance, at retirement or other termination of employment (or upon a change in control) to participants who are key employees selected by the compensation committee to participate in the plan and whose benefits under the tax-qualified ESOP described above are limited by tax limitation laws applicable to tax-qualified plans. Mr. DeAlmeida is the only participant in the Supplemental ESOP.

Each plan year, the Supplemental ESOP credits each participant who also participates in the tax-qualified ESOP with an annual amount equal to the sum of the difference (denominated in shares of phantom stock) between: (i) the number of shares of common stock of the Company that would have been allocated to the participant's account in the ESOP, but for the tax law limitations imposed by the Internal Revenue Code, plus earnings thereon; and (ii) the actual number of shares allocated to the participant's account in the ESOP plus earnings thereon. Hamilton Bank, at its discretion, may establish a rabbi trust to hold assets attributable to the Supplemental ESOP to fund its benefit obligation or may account for the assets of the Supplemental ESOP solely as bookkeeping entries. One share of phantom stock will have a value equal to the fair market value of one share of Company common stock. Dividends deemed paid on shares of phantom stock held in the participant's account will immediately be deemed to be reinvested in shares of phantom stock.

The participant's accumulated benefit under the Supplemental ESOP will be payable in a lump sum payment within 30 days following the first to occur of: (i) the participant's separation from service; (ii) the participant's death; (iii) the participant's disability; or (iv) a change in control of Hamilton Bank or the Company. The accumulated benefit will be paid to the participant in cash equal to the fair market value of the participant's phantom shares, plus earnings thereon, as of the date of distribution.

Amounts related to stock awards and option awards are reported in the table above pursuant to applicable Securities and Exchange Commission regulations that require that we report the full grant-date fair value of grants in the year in which such grants are made. Because grants vest (are earned) at a rate of 20% per year beginning February 3, 2015, none of the directors actually recognized any income from the awards during the year ended March 31, 2014.

These awards vest equally over a five-year period beginning on February 3, 2015. Each director listed in the table was granted 4,500 shares of restricted stock, except for director Farnum who was granted 750 shares of restricted stock. The assumptions used in the valuation of these awards are included in Note 17 to our audited financial statements included in our Annual Report on Form 10-K for the year ended March 31, 2014 as filed with the Securities and Exchange Commission.
- (4) Reflects the aggregate grant date fair value of awards of stock options granted to each director on February 3, 2014 with a grant date fair value of \$4.65 per stock option and an exercise price of \$13.85 per option. These awards vests equally over a five-year period beginning on February 3, 2015. Each director listed in the table was granted 9,500 options. The assumptions used in the valuation of these awards are included in Note 17 to our audited financial statements included in our Annual Report on Form 10-K for the year ended March 31, 2014 as filed with the Securities and Exchange Commission.
- (5) No director received any perquisites or benefits that, in the aggregate, were equal to or greater than \$10,000.
- (6) Mr. Farnum was appointed director on September 16, 2013.

Director Fees. All non-employee directors received fees per board and committee meetings attended for the fiscal year ended March 31, 2014. Each non-employee director was paid a retainer of \$2,000 per month, with the exception of Chairman Frome who was paid \$3,000 per month. In addition, Directors Coughlin, Furr and Macdonald each received an annual retainer for their service as Chairman of the Audit Committee (\$3,600), Compensation Committee (\$2,400) and Governance and Nominating Committee (\$1,200), respectively. Each non-employee director was also paid \$500 for each special board meeting and committee meeting attended. A special board meeting is a board meeting other than our regularly scheduled monthly meeting. The table below identifies the meetings, by type, for which each non-employee director was compensated during the year ended March 31, 2014.

Director Plans

Hamilton Bank Agreement for Deferred Compensation of Director Fees. Hamilton Bank adopted the Agreement for Deferred Compensation of Director Fees on January 1, 1984. Mr. Frome is the only participant in the plan. The plan allows for Mr. Frome to defer payment of a specified percentage or fixed amount of his director fees to be paid during the next calendar year. The deferred fees are held through a grantor trust established by Hamilton Bank and are credited with earnings based on certificate of deposit interest rates when credited. If Mr. Frome elects to defer payment of his fees, he is required to elect the time and manner in which his deferred fees will be paid. Specifically, he must elect that his deferred salary will: (i) either be paid on either a specified date or upon his separation from service; and (ii) be paid in the form of either a lump sum distribution or equal installments over a specified period of time.

Executive officers, directors and greater than 10% stockholders are required by regulation to furnish the Company with copies of all Section 16(a) reports they file.

Based solely on the Company's review of copies of the reports it has received and written representations provided to it from the individuals required to file the reports, the Company believes that each of its executive officers and directors has complied with applicable reporting requirements for transactions in Hamilton Bancorp common stock during the year ended March 31, 2014.

Transactions with Related Persons

The Sarbanes-Oxley Act of 2002 generally prohibits us from making loans to our executive officers and directors, but it contains a specific exemption from such prohibition for loans made by Hamilton Bank to our executive officers and directors in compliance with federal banking regulations. At March 31, 2014, all of our loans to directors and executive officers were made in the ordinary course of business, were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable loans with persons not related to Hamilton Bank, and did not involve more than the normal risk of collectability or present other unfavorable features. These loans were performing according to their original terms at March 31, 2014, and were made in compliance with federal banking regulations.
