Item 1.01 Entry into a Material Definitive Agreement.

On October 21, 2015, American Tower Corporation (the Company), through its wholly owned subsidiary, ATC Asia Pacific Pte. Ltd. (the Purchaser), entered into an agreement (the Share Purchase Agreement) with Viom Networks Limited (Viom), a telecommunications infrastructure company that owns and operates approximately 42,200 wireless communications towers and 200 indoor distributed antenna systems in India, and certain existing Viom shareholders, including the current managing shareholder, SREI Infrastructure Finance Limited, several other minority shareholders and Tata Teleservices Limited (collectively, the Selling Shareholders), to acquire approximately 51% of the outstanding common membership interests of Viom from the Selling Shareholders for cash consideration of approximately 76 billion Indian Rupees, subject to certain adjustments (the Transaction). American Tower International, Inc., a wholly owned subsidiary of the Company, will guarantee payment of the purchase price by the Purchaser.

The Share Purchase Agreement contains customary representations, warranties and covenants of the parties. Consummation of the Transaction is subject to certain conditions, including regulatory approval. The Transaction is expected to close in mid-2016. The Share Purchase Agreement contains customary termination provisions and, in addition, will automatically terminate if closing has not occurred by July 31, 2016, unless such failure to close is due to a breach of the party seeking termination.

On October 21, 2015, the Purchaser also entered into a shareholders agreement (the Shareholders Agreement) with Viom and certain remaining Viom shareholders, including Tata Sons Limited, Tata Teleservices Limited, IDFC Private Equity Fund III, Macquarie SBI Investments Pte Limited and SBI Macquarie Infrastructure Trust (collectively, the Remaining Shareholders). The Shareholders Agreement will become effective on the closing date of the Transaction.

Pursuant to the Shareholders Agreement, (i) the Purchaser will have the right to nominate a certain number of directors on Viom's board of directors, based on the percentage of Viom's share capital it holds on a fully diluted basis, (ii) if Viom issues new securities, the Purchaser and the Remaining Shareholders will have preemptive rights of subscription on a pro rata basis, (iii) the Purchaser will be restricted from transferring any Viom securities for a certain period of time if, as a result, its shareholding in Viom would fall below its shareholding immediately after the closing of the Transaction, unless the Purchaser purchases the entire share capital held by the Remaining Shareholders and (iv) in the event the Purchaser desires to transfer all or part of its interest in Viom, the Purchaser must first offer the Tata Teleservices entities an option to purchase all of such interest.

The Remaining Shareholders will have put options under the Shareholders Agreement, exercisable during certain Put Periods (as defined therein), to require the Purchaser to purchase additional common membership interests in Viom from the applicable Remaining Shareholders. Also, if the shareholding of the Purchaser exceeds 74% of the entire share capital of Viom at any time or if there is a direct or indirect change in control of the Purchaser or American Tower International, Inc., each Remaining Shareholder will be entitled to require the Purchaser to purchase its entire shareholding.

The Purchaser will have a call option under the Shareholders Agreement, exercisable during certain Call Periods (as defined therein) to require the Remaining Shareholders to sell all of such shareholders' common membership interests in Viom to the Purchaser. Also, in the event of a change of control in Tata Teleservices Limited, the Purchaser will be entitled to require Tata Teleservices Limited and Tata Sons Limited to sell their entire shareholding to the Purchaser.

The foregoing description of the Share Purchase Agreement and the Shareholders Agreement does not purport to be complete and is qualified in its entirety by reference to the Share Purchase Agreement and the Shareholders Agreement, copies of which will be filed as exhibits to the Company's Form 10-K for the year ended December 31, 2015.
