**Response to certain press relating to a potential acquisition of photovoltaic power plants located in the United States and United Kingdom:**

There was a news article in the Korean press claiming that Korea Electric Power Corporation ( KEPCO ) is pursuing a potential acquisition of photovoltaic power generation plants located in the United States and United Kingdom.

KEPCO is currently considering a potential acquisition of renewable energy generation businesses and existing power plants and had considered engaging advisors for such transaction.

KEPCO is currently in the process of internally evaluating the merits of potential acquisitions, and no specific plans have been determined yet regarding any such transactions.

KEPCO will provide further details through public filings once the specifics mentioned above are determined.

**SIGNATURES**
