1. The election of eight directors to hold office until the next Annual Meeting of stockholders and until their respective successors have been elected or appointed;

3. To transact such other business as may properly come before the Annual Meeting and any adjournment or postponement thereof. The foregoing matters are described in more detail in the attached Proxy Statement.

The Company's Board of Directors has fixed March 31, 2016 as the record date for determining stockholders entitled to vote at the Annual Meeting of Stockholders.

The Company's Proxy Statement is attached hereto. Financial and other information about the Company is contained in the Annual Report to Stockholders for the year ended December 31, 2015.

You are cordially invited to attend the meeting in person. Your participation in these matters is important, regardless of the number of shares you own. PROXY STATEMENT

The Board of Directors of Beasley Broadcast Group, Inc., a Delaware corporation (the "Company"), is soliciting your proxy with this Proxy Statement. Your proxy will be voted at the Annual Meeting of Stockholders (the "Annual Meeting") to be held on Thursday, May 26, 2016, at 12:00 p.m. Eastern time, at the corporate offices of Beasley Broadcast Group, Inc., 3033 Riviera Drive, Suite 200, Naples, Florida, and any adjournment or postponement thereof. This Proxy Statement and the Company's Annual Report to Stockholders are first being made available to stockholders on or about April 15, 2016.

VOTING SECURITIES

Voting Rights and Outstanding Shares

Only stockholders of record on the books of the Company as of 5:00 p.m. Eastern time, March 31, 2016, which is the Record Date, will be entitled to vote at the Annual Meeting. At the close of business on March 31, 2016, the Company had 6,655,699 shares of Class A Common Stock outstanding (the "Class A Shares"), and 16,662,743 shares of Class B Common Stock outstanding (the "Class B Shares" and together with the Class A Shares, the "Common Stock").

Under the Company's Amended and Restated Certificate of Incorporation and Third Amended and Restated Bylaws (the "Bylaws"), in the election of directors, the holders of the Class A Shares are entitled by class vote, exclusive of all other stockholders, to elect two of the Company's directors, with each Class A Share being entitled to one vote. With respect to the election of the other six directors and all other matters submitted to the stockholders for vote, the holders of Class A Shares and Class B Shares shall vote as a single class, with each Class A Share being entitled to one vote and each Class B Share entitled to ten votes.

Votes cast by proxy or in person at the Annual Meeting will be tabulated by the Inspector of Elections with the assistance of the Company's transfer agent. Except with respect to the election of directors (which is discussed separately under "Proposal 1: Election of Directors") and except in certain other specific circumstances, the affirmative vote of a majority of votes cast in person or by proxy at a duly held meeting at which a quorum is present is required under Delaware law and our Bylaws for approval of proposals presented to stockholders.

The Inspector will also determine whether or not a quorum is present. Our Bylaws provide that a quorum consists of the presence in person or by proxy of a majority of the votes entitled to be cast on a matter to be acted upon at the Annual Meeting. The Inspector will treat abstentions as shares that are present and entitled to vote for purposes of determining the presence of a quorum. An abstention is deemed present but it is not deemed a vote cast. Broker non-votes occur when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power on that item and has not received instructions from the beneficial owner. Abstentions and broker non-votes are included in determining whether a quorum is present but are not included in the tabulation of the voting results. As such, abstentions and broker non-votes do not affect the voting results with respect to the election of directors or the issues requiring the affirmative vote of a majority of the votes cast at the Annual Meeting. Abstentions and broker non-votes will have the effect of a vote against the approval of any items requiring the affirmative vote of the holders of a majority or greater of the outstanding common stock.

Shareholders of record may submit their proxy by telephone prior to the Annual Meeting, rather than filling out and mailing a proxy card. To help explain this process, we have included a brief question and answer section below.

How do I vote my shares without attending the Annual Meeting?

If you are a shareholder of record, you can vote by telephone by following the instructions on the Notice of Availability of Proxy Materials.

If your shares are held in the name of a bank, broker or other record holder, follow the voting instructions on the form that you receive from them. The availability of telephone and Internet voting will depend on the bank's or other record holder's voting process. Your bank, broker or other record holder may not be permitted to exercise voting discretion as to some of the matters to be acted upon. Therefore, please give voting instructions to your bank, broker or other record holder.

How will my proxy be voted?

Your proxy, when properly submitted by telephone and not revoked, will be voted in accordance with your instructions relating to the election of directors. If any other matter is properly presented, the persons named as proxies will have discretion to vote in their best judgment.

Unless you give other instructions when you cast your vote by telephone, the persons named as proxies will vote in accordance with the recommendations of the Board of Directors and a vote will be cast FOR the election of directors, FOR the advisory vote on executive compensation and as the proxy holders deem advisable on other matters that may come before the meeting. If a broker indicates on the proxy or its substitute that it does not have discretionary authority as to certain shares to vote on a particular matter, those shares will not be considered as present with respect to that matter. The Company believes that the tabulation procedures to be followed by the Inspector are consistent with the general statutory requirements in Delaware concerning voting of shares and determination of a quorum.

May I revoke or change my vote?

If you are a shareholder of record, you may revoke your proxy at any time before it is actually voted by:

giving written notice of revocation to our Secretary, Caroline Beasley;

by delivering a proxy bearing a later date (including by telephone); or

by attending and voting in person at the Annual Meeting.

Attendance at the Annual Meeting will not cause your previously granted proxy to be revoked unless you specifically make that request. If you are a beneficial owner of shares, you may submit new voting instructions by contacting your bank, broker or other record holder, or, if you have obtained a legal proxy from your bank, broker or other record holder giving you the right to vote your shares, by attending the meeting and voting in person.

How do I vote my shares in person at the Annual Meeting?

Shares held in your name as the shareholder of record may be voted in person at the Annual Meeting. Shares held beneficially in street name may be voted in person at the Annual Meeting only if you obtain a legal proxy from the broker, bank or other record holder that holds your shares giving you the right to vote the shares. Even if you plan to attend the Annual Meeting, we recommend that you also submit your proxy or voting instructions as described above and on the Notice of Availability of Proxy Materials, so that your vote will be counted if you later decide not to attend the Annual Meeting.

What is the deadline for voting my shares?

If you are a shareholder of record, and plan to vote by telephone, your vote must be received by 11:59 p.m. Eastern time on May 25, 2016. If your shares are held in street name, you should return your voting instructions in accordance with the instructions provided by the bank, broker or other record holder that holds the shares on your behalf.

The cost of soliciting proxies will be borne by the Company. In addition, the Company may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial owners.

Proxies may also be solicited by certain of the Company's directors, officers and regular employees, without additional compensation, personally or by telephone or telegram.

PROPOSAL NO. 1: ELECTION OF DIRECTORS

Eight directors are to be elected at the Annual Meeting to serve until the next Annual Meeting of stockholders or until their respective successors are elected or appointed. Nominees for election to the Board of Directors shall be approved by the following vote:

For Nominees to be Elected by the Holders of the Class A Shares: by a plurality of the votes cast by the holders of Class A Shares present in person or by proxy at the Annual Meeting, with each share being entitled to one vote.

For Nominees to be Elected by the Holders of All Classes of Common Stock: by a plurality of the votes cast by the holders of all classes of Common Stock present in person or by proxy at the Annual Meeting, with each Class A Share being entitled to one vote and each Class B Share being entitled to ten votes.

Abstentions from voting on the election of directors, including broker non-votes, will have no effect on the outcome of the election of directors. In the event any nominee is unable or unwilling to serve as a nominee, the proxies may be voted for the balance of those nominees named and for any substitute nominee designated by the present Board of Directors or the proxy holders to fill such vacancy, or for the balance of those nominees named without nomination of a substitute, or the Board of Directors may be reduced in accordance with the Bylaws of the Company. The Board of Directors has no reason to believe that any of the persons named will be unable or unwilling to serve as a nominee or as a director if elected.

The Board believes that each of the nominees listed brings strong skills and extensive experience to the Board, giving the Board as a group the appropriate skills to exercise its oversight responsibilities.

Recommendation of the Board of Directors:

The Board of Directors recommends a vote **FOR** the election of all nominees named above.

THE BOARD OF DIRECTORS AND ITS COMMITTEES

The Company's Board of Directors met four times during 2015 and did not act by unanimous written consent. Each member of the Board attended at least 75% of the aggregate number of meetings of the Board of Directors and the committees of the Board of Directors of which he or she was a member. The Company does not have a formal policy regarding director attendance at annual meetings of stockholders, but encourages directors to attend. All of our then-current directors, except Mr. Fowler, attended the 2015 Annual Meeting of stockholders.

Controlled Company

The Company qualifies as a controlled company, within the meaning of Rule 5615(c)(1) of the NASDAQ Listing Rules. The Company currently qualifies as a controlled company because more than 50% of the Company's voting power is controlled by the Company's Chairman and Chief Executive Officer, George Beasley. As a result, the Company is not required to have a Board of Directors consisting of a majority of Directors who are independent or compensation committee or nominating committee composed solely of independent directors.

Leadership Structure

Like a majority of publicly traded companies in the United States, our Chief Executive Officer currently serves as Chairman of the Board of Directors. In his position as Chief Executive Officer, Mr. Beasley has primary responsibility for the day-to-day operations of the Company and provides consistent leadership on the Company's key strategic objectives. In his role as Chairman of the Board, he sets the strategic priorities for the Board, presides over its meetings and communicates its strategic findings and guidance to management. We believe that this structure reduces the likelihood of confusion about leadership roles and duplication of efforts. During Mr. Beasley's medical leave of absence Caroline Beasley is serving as Interim Chief Executive Officer and Mr. Beasley continues to serve as Chairman.

The Board believes that Mr. Beasley, as the founder and majority shareholder of our Company with more than fifty years of management experience in the radio broadcast industry, detailed and in-depth knowledge of the issues, opportunities and challenges facing the Company and is thus best positioned to identify the key risks facing the organization and ensure that these are brought to the attention of the Board.

The Company has procedures to ensure a strong and independent Board. The Audit Committee and the Compensation Committee consist entirely of non-management directors. In addition to their responsibilities on these Committees, these independent directors meet in executive sessions without any members of management present. The purpose of these executive sessions is to promote open and candid discussion among the non-management directors. The Board has not designated a lead independent director.

The Board's Role in Risk Oversight

Management is responsible for the Company's day-to-day risk management activities and the Board's role is to engage in informed risk oversight. In fulfilling this oversight role, the Board of Directors focuses on understanding the nature of our enterprise risks, including our operations and strategic direction, as well as the adequacy of our risk management processes and overall risk management system.

The Board performs this function by receiving management updates on the Company's business operations, financial results and strategy at its regularly scheduled meetings. The Audit and Compensation Committees, which consist entirely of independent directors, assist the Board in its oversight of risk management. Currently, the risk areas reported to the Board relate to credit risk, liquidity risk, fraud risk and operational risks including regulatory, economic, competitive, legal, and mergers and acquisitions risks.

The Board administers its risk oversight function by (i) identifying key areas of risk exposure facing the Company; (ii) discussing the level of risk the Company is willing to take and the variance from stated risk tolerance that is considered acceptable; (iii) identifying and discussing the key risk indicators and the early warning signs of increased risk exposure; and (iv) discussing with management the Company's guidelines for monitoring risk indicators and encouraging communication of key risk indicators to management and the Board.

Committees of the Board of Directors

During 2015, the Board of Directors had an Audit Committee and a Compensation Committee.

The Board of Directors currently does not have a nominating committee or a committee performing the functions of a nominating committee. The Board of Directors is not required to have a nominating committee because the Company is a controlled company as defined in the NASDAQ Listing Rules. Although there are no formal procedures for stockholders to nominate persons to serve as directors, the full Board of Directors will consider recommendations from stockholders, which should be addressed to Caroline Beasley, Secretary of Beasley Broadcast Group, Inc. at the Company's address. The Company has not adopted a formal process because it believes that the informal consideration process has been adequate to date.

The Board does not have a specific policy regarding diversity of director candidates. However, as a matter of practice the Board recommends candidates based on the diversity their business or professional experience, background, talents and perspectives. The Board considers diversity in the context of the Board as a whole and takes into account the personal characteristics, including gender, ethnicity and age, and experience, including financial expertise, educational and professional background of current and prospective directors. The Board believes this process will best facilitate Board deliberations that reflect a broad range of perspectives and lead to a more effective decision-making process.

The Audit Committee, established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the Exchange Act), consists of Messrs. Cox, Fowler and McCord, each of whom is an Independent Director as that term is defined in Rule 5605(a)(2) of the NASDAQ Listing Rules and Rule 10A-3 under the Exchange Act. The Board of Directors has determined that Mr. Cox is an Audit Committee financial expert as that term is defined in the Exchange Act. The responsibilities of the Audit Committee as set forth in its written charter include:

Recommending to the Board of Directors independent auditors to conduct the annual audit of the Company's financial statements;

Reviewing the proposed scope of the audit and approving the audit fees to be paid;

Reviewing the Company's accounting and financial controls with the independent auditors and its financial and accounting staff; and

Reviewing and approving transactions, other than compensation matters, between the Company and its directors, officers and affiliates.

The Audit Committee met nine times during 2015 and did not act by unanimous written consent. The charter of the Audit Committee is available on the Company's website at www.bbgi.com.

The Compensation Committee consists of Messrs. Cox, Fowler, and McCord each of whom is an Independent Director as that term is defined in Rule 5605(a)(2) of the NASDAQ Listing Rules. This Committee is responsible for establishing compensation policies for the Company's executive officers, including the Chief Executive Officer, and reviewing the Company's compensation plans to ensure that they meet corporate objectives. The responsibilities of the Compensation Committee also include administering and interpreting the 2007 Equity Incentive Award Plan of the Company. The Compensation Committee met four times during 2015 and did not act by unanimous written consent. As a controlled company, the Compensation Committee is not required to, and does not, have a charter.

Stockholder Communication with Board Members

Although the Company has not to date developed formal processes by which stockholders may communicate directly to directors, it believes that the informal process (in which stockholder communications received by the Secretary for the Board's attention, or summaries thereof, will be forwarded to the Board) has served the Board's and the stockholders' needs. In view of SEC disclosure requirements relating to this issue, the Board of Directors may consider developing more specific procedures. Until any other procedures are developed and posted on the Company's corporate website, any communications to the Board of Directors should be sent to it in care of the Secretary.

PROPOSAL NO. 2: ADVISORY VOTE ON EXECUTIVE COMPENSATION.

Pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act and Section 14A of the Securities Exchange Act of 1934, as amended, we provide our stockholders with the opportunity to vote to approve, on a nonbinding, advisory basis, the overall compensation of our named executive officers as disclosed in this Proxy Statement. This advisory vote is commonly referred to as say-on-pay.

In 2013, the Board recommended that this say-on-pay vote be conducted annually and stockholders voted in favor of this recommendation by a substantial majority. Accordingly, the Board has determined that it will include an advisory resolution to approve named executive officer compensation annually until the next vote to determine the frequency of such an advisory vote in 2019.

Our executive compensation programs are designed to convey recognition of services performed by the recipients and motivate and retain the recipients over the long term. The purpose of the executive compensation is to provide competitive compensation in order to attract, motivate, and retain talented and experienced executives, who are instrumental to our success, and to reward the executive officers for the achievement of short-term and long-term strategic and operational goals and the creation of enhanced value for our stockholders. We seek to closely align the interests of our named executive officers with the interests of our stockholders, and our Compensation Committee regularly reviews named executive officer compensation against peer companies, the general market trend and other industry data to ensure that such compensation is consistent with our compensation philosophy.

Accordingly, we ask our stockholders to vote on the following resolution at the Annual Meeting:

RESOLVED, that the Company's stockholders approve the compensation paid to the Company's named executive officers, as disclosed in the Company's Proxy Statement for the 2016 Annual Meeting of Stockholders pursuant to Item 402 of Regulation S-K, including the Summary Compensation Table, the other related compensation tables and narrative discussion.

This advisory resolution is non-binding on the Board. Although non-binding, the Board and the Compensation Committee will carefully review and consider the voting results when evaluating our executive compensation program.

Recommendation of the Board of Directors:

The Board of Directors unanimously recommends a vote **FOR** proposal number 2.

Incentive Compensation

Our Compensation Committee has historically utilized two forms of incentive compensation: annual cash bonuses and equity awards. The cash component is designed to convey an immediate recognition of services performed by the recipient, while the equity component is tied to vesting requirements and is designed to not only compensate but to also motivate and retain the recipient over the vesting period.

All of our named executive officers are eligible to receive annual cash bonuses under our Performance Incentive Plan, which was adopted by our Board of Directors, effective as of January 1, 2012 and awards of equity-based compensation under our 2007 Equity Incentive Award Plan.

Annual cash bonus awards are determined based upon our Company's achievement against a pre-established financial performance metric and the Compensation Committee's subjective assessment of performance. Target bonus award levels are set for each of the named executive officer and awards may be earned above or below the target level based on the total performance assessment, as determined by our Compensation Committee, although no pre-set formulas are established for this purpose. Awards can be earned in a range of up to a maximum of approximately 40%-50% of base salary for our Chief Operating Officer and Chief Financial Officer and up to approximately 75% of base salary for our Chief Executive Officer. For 2015, the financial performance metric

was based on aggregate station operating income, with the performance target level set at \$30.3 million. Subjective performance factors that are considered from time to time include station ratings, acquisition and divestiture activity, the Company's ability to manage extraordinary events and market conditions and the Company's overall performance relative to other similarly situated radio companies. Performance assessments may vary by individual, although no individual considerations were taken into account for 2015.

In 2015, we attained an aggregate station operating income of \$30.3 million and our Compensation Committee generally determined on a subjective basis that performance satisfied expectations for the year. In making its subjective determination of performance, our compensation committee took into account our overall financial and operational performance relative to other similarly situated radio companies as well as our transition activities related to the asset exchange with CBS Radio that was completed in December 2014. These transition activities required continued extraordinary efforts from our named executive officers throughout 2015 and represented a key driver in shaping the strategic focus of our company going forward. Based on these considerations, our named executive officers were each awarded a cash bonus as set forth in the 2015 Summary Compensation Table in the column entitled "Non-Equity Incentive Plan Compensation."

Retirement Plans

We have a Section 401(k) Savings/Retirement Plan (the "401(k) Plan") that covers eligible employees of the Company and any designated affiliate, including our named executive officers. The 401(k) Plan permits eligible employees to defer up to 100% of their annual compensation, subject to certain limitations imposed by the Internal Revenue Code of 1986, as amended. The employees' elective deferrals are immediately vested and non-forfeitable upon contribution to the 401(k) Plan. Employees aged twenty-one years or older are eligible to participate in the 401(k) Plan after completing one year of service with the Company. In addition, part-time employees must have completed 1,000 hours of service in order to be eligible to participate in the 401(k) Plan.

TERMINATION OR CHANGE IN CONTROL PAYMENTS

Potential Termination Payments

Each of our named executive officers entered into an employment agreement with us effective as of February 11, 2005 and amended as of December 31, 2008, providing for an initial three-year term, subject to

automatic one-year renewals if not terminated by either party. The employment agreements provide for severance benefits under certain events. The employment agreements provide that in the event of a termination by us without cause, a termination by the executive for good reason, or termination of employment due to death or disability, the terminated executive (or, in the case of death, the executive's estate) will be entitled to (i) severance payment that is equal to one year of the executive's annual base salary, (ii) continued receipt of certain benefits including medical insurance and life insurance for one year following the date of termination, and (iii) full vesting of all outstanding equity awards. The employment agreements provide for an additional lump sum payment equal to six months of the executive's annual base salary in the event of a termination by us without cause, a termination by the executive for material good reason, or termination of employment due to death or disability. In the event of a termination by us as a result of the executive's disability, the executive will continue to receive his or her annual base salary until the date of termination and be entitled to receive the payments and benefits described above following the date of termination.

Under the employment agreements, disability means the absence of the executive from the executive's duties on a full-time basis for a period of 180 consecutive days as a result of incapacity due to mental or physical illness. Cause, means the executive's: (i) failure substantially to perform his or her duties under the employment agreement, other than any such failure resulting from the executive's disability, after notice and reasonable opportunity for cure, all as determined by our board of directors; (ii) conviction of a felony or a crime involving moral turpitude; or (iii) fraud or personal dishonesty involving our assets. Good reason exists where we fail to make any payment or provide any benefit under the employment agreement or commit a material breach of the employment agreement and do not cure such failure or breach after notice and a reasonable opportunity to cure. Material good reason means the occurrence of any of the following: (i) a material diminution in the executive's annual base salary; (ii) a material diminution in the executive's authority, duties or responsibilities; (iii) a material diminution in the budget over which the executive retains authority; (iv) a material change in the geographic location at which the executive must perform services under the employment agreement; or (v) any other action or inaction that constitutes a material breach by us under the employment agreement; provided that the executive submits written notice of the occurrence of each such event within 90 days of the occurrence of such event, and we have not remedied such event within a 30-day period after receipt of such written notice.

RELATIONSHIP WITH INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The Audit Committee has reappointed Crowe Horwath LLP (Crowe Horwath) as the independent registered public accounting firm to audit the Company's financial statements for the fiscal year ending December 31, 2015. In making this appointment, the Audit Committee considered whether the audit and non-audit services Crowe Horwath will provide are compatible with maintaining the independence of the Company's outside auditors. The Audit Committee has adopted a policy that sets forth the manner in which the Audit Committee will review and approve all services to be provided by Crowe Horwath before the firm is retained. The Audit Committee pre-approves all audit and permitted non-audit services to be performed for the Company by its independent public accountants. The chairperson of the Audit Committee may represent the entire committee for the purposes of pre-approving permitted non-audit services. The Audit Committee does not consider the provision of the permitted non-audit services to be incompatible with maintaining the independent public accountant's independence.

Representatives of Crowe Horwath are expected to be present at the Annual Meeting and will have the opportunity to make a statement if they desire to do so. They are also expected to be available to respond to appropriate questions.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Related Party Transactions

Review and Approval of Related Party Transactions In 2007, the Board of Directors adopted the Company's Related Party Transaction Policy (the Policy). The Policy applies to any transaction, or series of transactions in which the Company, its subsidiaries or affiliates is or will be a participant, the aggregate amount involved will or may be expected to exceed \$100,000 in any calendar year, and in which any related party has or will have a direct or indirect interest. A related party for purposes of the policy includes:

any Company executive officer, director or nominee for election as a director;

an owner of 5% or more of Company stock; and

any immediate family member of any person listed above.

Under the Policy, the Audit Committee of the Board of Directors reviews the facts relating to all related party transactions and either approves or disapproves the Company's entry into the transaction. If advance Audit Committee approval of a transaction is not feasible, then the Audit Committee will consider the transaction and, if it determines the transaction to be appropriate, will ratify the transaction at the Committee's next regularly scheduled meeting.

As adopted, the Policy has standing pre-approvals for transactions that meet specific criteria or are not considered related person transactions by the SEC. Pre-approved transactions include:

any transaction with another company where the Related Party's only relationship with such other company is as an employee (other than an executive officer), director or beneficial owner of less than 10% of that other company's shares;

any charitable contribution, grant or endowment by the Company to a charitable organization, foundation or university at which a Related Party's only relationship is as an employee (other than an executive officer) or a director, if the aggregate amount involved does not exceed the lesser of \$100,000, or two percent of the charitable organization's total annual receipts;

any transaction where the Related Party's interest arises solely from the ownership of the Company's common stock and all holders of the Company's common stock received the same benefit on a *pro rata* basis (e.g., dividends); and

any transaction involving a Related Party where the rates or charges involved are determined by competitive bids.

During 2014 and 2015, the Company engaged in several transactions in which our executive officers, including our Chief Executive Officer, George G. Beasley, and members of his family were participants. These transactions are described below. While the Policy had not been adopted at the time certain of these transactions and arrangements were entered into or commenced, each has been subsequently ratified by the Audit Committee pursuant to the Policy.

Beasley Family Towers, LLC

On December 31, 2015, the Company sold the tower for one radio station in Augusta, GA to Beasley Family Towers, LLC (BFT), which is partially held by a trust for the benefit of Bruce G. Beasley, Caroline Beasley,

In December 2000, the Company finalized the sale of most of its radio towers and related real estate assets to BFT for \$5.1 million in unsecured notes. The Company sold these radio towers and related real estate assets primarily to focus on its core business of operating radio stations. On November 30, 2015, the notes receivable from BFT were repaid in full. The notes totaled \$1.7 million as of December 31, 2014. On November 17, 2015, two of the towers were sold to an unrelated party and \$0.3 million of the gain deferred in 2006 was recognized and reported in other income (expense), net. In addition, BFT prepaid rent of \$0.7 million on behalf of the Company to the unrelated party. The prepaid rent will be repaid with monthly payments of \$5,500 through November 17, 2025. Repayments of prepaid rent to BFT were approximately \$8,000 for the year ended December 31, 2015.

On April 7, 2014, BFT entered into an agreement to demolish a radio tower that was leased to the Company for a radio station in Miami, FL. As a result of the tower demolition, the agreement requiring the Company to make monthly lease payments of approximately \$3,000 per month to BFT was canceled and the Company forgave indebtedness of \$0.3 million associated with notes receivable from BFT. The related party debt forgiveness was approved by the Audit Committee.

The Company leases radio towers for 23 radio stations in various markets from BFT. The lease agreements expire on December 28, 2020. Rental expense was \$0.5 million for each of the years ended December 31, 2014 and 2015.

Rental expense was approximately \$31,000 and \$24,000 for the years ended December 31, 2014 and 2015, respectively.
