SUPPLEMENT NO. 1 TO THE PROXY STATEMENT DATED SEPTEMBER 15, 2016

FOR THE ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON OCTOBER 25, 2016

Explanatory Note

This Supplement No. 1 (this Supplement) supplements the definitive proxy statement filed on Schedule 14A by Synaptics Incorporated, a Delaware corporation (the Company) on September 15, 2016 (the Proxy Statement) in connection with its 2016 Annual Meeting of Stockholders to be held on October 25, 2016 (the Annual Meeting). The Annual Meeting will be held via live interactive webcast on the Internet. You will be able to attend, vote and submit your questions during the meeting at www.virtualshareholdermeeting.com/syna2016.

The purpose of this Supplement is to provide updated information about the terms of the Amended and Restated 2010 Incentive Compensation Plan (the Amended 2010 Plan), which stockholders have been asked to approve as Proposal Four described in the Proxy Statement, and this Supplement should be considered together with the Proxy Statement in casting your vote by proxy or at the Annual Meeting. Capitalized terms used but not otherwise defined in this Supplement have the meanings ascribed to them in the Proxy Statement. To the extent the information herein differs from or updates information contained in the Proxy Statement, the information herein is more current. This Supplement has been made available electronically together with the Proxy Statement and our 2016 Annual Report at www.proxyvote.com. The Notice of Internet Availability of Proxy Materials previously sent to our stockholders contains instructions on how to access those documents and vote over the Internet. You may also access the Company's filings through the website maintained by the SEC at <http://www.sec.gov>.

Revisions to the Amended 2010 Plan

At the Annual Meeting, the Company is requesting that the stockholders of the Company approve the Amended 2010 Plan, which, among other changes, provides for an increase of 2,600,000 shares of the Company's common stock authorized for issuance thereunder, as set forth in Proposal Four of the Proxy Statement.

After the release of the Proxy Statement, the Company amended the Amended 2010 Plan (the Plan Amendment) to, among other changes:

Clarify that the only shares of the Company's common stock not counted towards the maximum number of shares of the Company's common stock available for grant under the Amended 2010 Plan are those shares withheld to satisfy tax liabilities arising from the settlement of Full Value Awards (and not shares withheld to pay the exercise price or tax liabilities arising from the exercise of options or stock appreciation rights); and

Clarify that all awards granted under the Amended 2010 Plan (whether cash or equity) that are held by the Company's Chief Executive Officer and other executive officers (as defined by the Securities Exchange Act of 1934) are subject to the clawback provision in the Amended 2010 Plan.

As a result of the Plan Amendment, this Supplement supplements and updates the disclosures in the Proxy Statement as set forth below:

(1) In the Compensation Discussion & Analysis, the section titled "Compensation Recovery Policy" on p. 28 of the description in the Proxy Statement is replaced to read as follows:

On October 12, 2016, our Board of Directors approved an amendment and restatement of the Company's 2010 Incentive Compensation Plan, which now contains a clawback provision that applies to all awards held by the Company's executive officers (as defined by the Securities Exchange Act of 1934). All awards (cash and equity) held by an executive officer will be subject to clawback, recoupment or

forfeiture (i) to the extent that such executive officer is determined to have engaged in fraud or intentional illegal conduct that caused the Company's material non-compliance with any applicable financial reporting requirements and resulted in a financial restatement, the result of which is that the amount received from such award would have been lower had it been calculated on the basis of such restated results, or (ii) as required by applicable laws, rules, regulations or listing requirements. Such clawback, recoupment or forfeiture, in addition to any other remedies available under applicable law, will occur through the cancellation of the excess awards and the recoupment of any gains realized with respect to the excess awards. The executive officers may not claim the operation of the clawback as the basis for "good reason" to resign and receive severance benefits.

(2) In Proposal Four, the fifth bullet under the heading "Summary of Material Changes" on p. 46 of the Proxy Statement is replaced to read as follows:

Clawback Policy. The Amended 2010 Plan contains a clawback provision on all equity and cash awards held by the Company's executive officers. The clawback provision results in a forfeiture of cash compensation and equity compensation under the Amended 2010 Plan to the extent that an executive officer is determined to have engaged in fraud or intentional illegal conduct that caused the Company's material non-compliance with any applicable financial reporting requirements and resulted in a financial restatement, the result of which is that the amount received from such award would have been lower had it been calculated on the basis of such restated results. The clawback provision also provides for forfeitures of cash and equity compensation granted under the Amended 2010 Plan as required under applicable laws, rules, regulations or listing requirements (such as any final rules implemented under the Dodd-Frank Act).

(3) In Proposal Four, the fourth bullet under the heading "Other Responsible Plan Features" on p. 48 of the Proxy Statement is replaced to read as follows:

The Amended 2010 Plan contains a clawback provision on all awards held by each of the Company's executive officers that applies to cash and equity compensation to the extent such executive officer is determined to have engaged in fraud or intentional illegal conduct that caused the Company's material non-compliance with any applicable financial reporting requirements and resulted in a financial restatement, the result of which is that the amount received from such award would have been lower had it been calculated on the basis of such restated results. The clawback provision also provides for recovery of cash and equity compensation granted under the Amended 2010 Plan as provided under applicable laws, rules, regulations or listing requirements.

(4) In Proposal Four, the section titled "Clawback Policy" on p. 52 of the Proxy Statement is replaced to read as follows:

All awards (cash and equity) held by the Company's executive officers will be subject to clawback, recoupment or forfeiture (i) to the extent that such executive officer is determined to have engaged in fraud or intentional illegal conduct that caused the Company's material non-compliance with any applicable financial reporting requirements and resulted in a financial restatement, the result of which is that the amount received from such award would have been lower had it been calculated on the basis of such restated results, or (ii) as required by applicable laws, rules, regulations or listing requirements. Such clawback, recoupment or forfeiture, in addition to any other remedies available under applicable law, may require the cancellation of outstanding awards and the recoupment of any gains realized with respect to awards. An executive officer may not claim the operation of the clawback as the basis for "good reason" to resign and receive severance benefits.

(5) In Appendix B, Section 4(b) of the Amended 2010 Plan on p. B-5 of the Proxy Statement is replaced to read as follows:

Availability of Shares Not Issued pursuant to Full Value Awards. In the event that any withholding tax liabilities arising from a Full Value Award are satisfied by the withholding of shares of Stock from the Full Value Award by the Company, then only the number of shares of Stock issued net of the shares of Stock withheld shall be counted. Notwithstanding anything to the contrary contained in this Plan: (i) shares of Stock withheld by the Company, tendered or otherwise used in payment of the exercise price of an Option will not be added (or added back, as applicable) to the maximum number of shares of Stock available under the Plan; (ii) shares of Stock withheld by the Company, tendered or otherwise used to satisfy a tax withholding obligation with respect to Options

and Stock Appreciation Rights will not be added (or added back, as applicable) to the maximum number of shares of Stock available under the Plan; (iii) shares of Stock subject to a Stock Appreciation Right that are not actually issued in connection with the settlement in shares of Stock of such Stock Appreciation Right on the exercise thereof, will not be added back to the maximum number of shares of Stock available under the Plan; and (iv) shares of Stock reacquired by the Company on the open market or otherwise using cash proceeds from the exercise of an Option will not be added to the aggregate number of shares of Stock available under the Plan.

(6) In Appendix B, Section 4(d) of the Amended 2010 Plan on p. B-5 of the Proxy Statement is replaced to read as follows:

Minimum Vesting Requirements. In general, no Award granted on or after the 2016 Effective Date may vest, in the ordinary course, prior to the first anniversary of the date of grant of the Award. However, up to 5% of the sum of (i) the number of shares available for issuance under the Share Reserve as of the 2016 Effective Date plus (ii) the number of shares that are returned to the Share Reserve from time to time pursuant to Awards that are forfeited, or have expired, terminated or been canceled for any reason whatsoever (other than by reason of exercise or vesting), including shares that are returned to the Share Reserve from Awards outstanding on the 2016 Effective Date or from Full Value Awards in satisfaction of withholding tax liabilities, may be granted on or after the 2016 Effective Date in the form of Awards that do not meet such vesting requirements. Nothing in this Section 4(d) shall limit the Company's ability to grant Awards that contain rights to accelerated vesting on a termination of employment or service, or limit the Company's powers under Section 10(c). In addition, the minimum vesting criteria set forth in this Section 4(d) shall not apply to Awards granted pursuant to an assumption of or substitution for another stock award (which stock award was granted by another Person) in connection with a Change in Control or acquisition by the Company of the other Person.

(7) In Appendix B, Section 7(c)(iii) of the Amended 2010 Plan on p. B-10 of the Proxy Statement is replaced to read as follows:

Payout of Annual Incentive Awards. After the end of each fiscal year, the Committee shall determine the amount, if any, of (A) the Annual Incentive Award pool, and the maximum amount of potential Annual Incentive Award payable to each Participant in the Annual Incentive Award pool, or (B) the amount of potential Annual Incentive Award otherwise payable to each Participant. The Committee shall specify the circumstances in which an Annual Incentive Award shall be paid or forfeited in the event of termination of Continuous Service by the Participant prior to the end of a fiscal year or settlement of such Annual Incentive Award.

(8) In Appendix B, Section 10(c)(iii) of the Amended 2010 Plan on p. B-13 of the Proxy Statement is replaced to read as follows:

Other Adjustments. In addition, the Committee is authorized to make adjustments in the terms and conditions of, and the criteria included in, Awards (including Performance Awards and performance goals, and Annual Incentive Awards and any Annual Incentive Award pool or performance goals relating thereto) in recognition of unusual or nonrecurring events (including, without limitation, acquisitions and dispositions of businesses and assets) affecting the Company, any Related Entity or any business unit, or the financial statements of the Company or any Related Entity, or in response to changes in applicable laws, regulations, accounting principles, tax rates and regulations or business conditions or in view of the Committee's assessment of the business strategy of the Company, any Related Entity or business unit thereof, performance of comparable organizations, economic and business conditions, and any other circumstances deemed relevant; provided that without the consent of an affected Participant, no such Board action may materially and adversely affect the rights of such Participant under any previously granted and outstanding Award. In addition, no such adjustment shall be authorized or made if and to the extent that such authority or the making of such adjustment would cause Options, Stock Appreciation Rights, Performance Awards granted under Section 8(b) hereof or Annual Incentive Awards granted under Section 8(c) hereof to Participants designated by the Committee as Covered Employees and intended to qualify as performance-based compensation under Code Section 162(m) and the regulations thereunder to otherwise fail to qualify as performance-based compensation under Code Section 162(m) and regulations thereunder.

(9) In Appendix B, Section 10(d) of the Amended 2010 Plan on p. B-14 of the Proxy Statement is replaced to read as follows:

Clawback/Recovery. All Awards (cash and equity) held by the Company's Executive Officers shall be subject to clawback, recoupment or forfeiture (i) to the extent that such Executive Officer is determined to have engaged in fraud or intentional illegal conduct that caused the Company's material non-compliance with any applicable financial reporting requirements and resulted in a financial restatement, the result of which is that the amount received from such Award would have been lower had it been calculated on the basis of such restated results, or (ii) required by applicable laws, rules, regulations or listing requirements. Such clawback, recoupment or forfeiture, in addition to any other remedies available under applicable laws, rules, regulations or listing requirements, shall occur through the cancellation of such Awards (to the extent then-outstanding), the recoupment of any gains realized with respect to such Awards, or a combination of the foregoing, to the extent of the overpayment. The implementation of any clawback policy will not be deemed a triggering event for purposes of any definition of "good reason" for resignation or any "constructive termination".

The Board decided to make these changes in order to further align the Amended 2010 Plan with stockholder interests and market best practices. Other than the changes described above, all other terms of the Amended 2010 Plan remain the same as those described in the Proxy Statement. The full text of the Amended 2010 Plan, as amended by the Plan Amendment, is included as Appendix B to this Supplement.

(c) **Limitation of Liability.** The Committee, and each member thereof, shall be entitled to, in good faith, rely or act upon any report or other information furnished to him or her by any Executive Officer, other officer or Employee, the Company's independent auditors, Consultants or any other agents assisting in the administration of the Plan. Members of the Committee, and any officer or Employee acting at the direction or on behalf of the Committee, shall not be personally liable for any action or determination taken or made in good faith with respect to the Plan, and shall, to the extent permitted by law, be fully indemnified and protected by the Company with respect to any such action or determination.

(a) **Limitation on Overall Number of Shares Subject to Awards.** Subject to adjustment as provided in Section 10(c) hereof, the total number of shares of Stock reserved and available for delivery in connection with Awards under the Plan shall equal 6,589,889 shares of Stock (the **Share Reserve**). Any shares of Stock delivered under the Plan may consist, in whole or in part, of authorized and unissued shares or treasury shares. Full Value Awards granted under the Plan on or after the 2016 Effective Date shall count as 1.94 shares of Stock for purposes of the share limits under the Plan. If any shares of Stock covered by an Award granted under the Plan, or to which such an Award relates, are forfeited, or if an Award has expired, terminated or been canceled for any reason whatsoever (other than by reason of exercise or vesting), then the shares of Stock covered by such Award shall again be, or shall become, shares of Stock with respect to which Awards may be granted hereunder (and for the avoidance of doubt, after the 2016 Effective Date, any shares of Stock covered by Full Value Awards shall be returned to the Plan as 1.94 Shares for purposes of the share limits under the Plan).

(b) **Availability of Shares Not Issued pursuant to Full Value Awards.** In the event that any withholding tax liabilities arising from a Full Value Award are satisfied by the withholding of shares of Stock from the Full Value Award by the Company, then only the number of shares of Stock issued net of the shares of Stock withheld shall be counted as issued for purposes of determining the maximum number of shares of Stock available for grant under the Plan. Notwithstanding anything to the contrary contained in this Plan: (i) shares of Stock withheld by the Company, tendered or otherwise used in payment of the exercise price of an Option will not be added (or added back, as applicable) to the maximum number of shares of Stock available under the Plan; (ii) shares of Stock withheld by the Company, tendered or otherwise used to satisfy a tax withholding obligation with respect to Options and Stock Appreciation Rights will not be added (or added back, as applicable) to the maximum number of shares of Stock available under the Plan; (iii) shares of Stock subject to a Stock Appreciation Right that are not actually issued in connection with the settlement in shares of Stock of such Stock Appreciation Right on the exercise thereof, will not be added back to the maximum number of shares of Stock available under the Plan; and (iv) shares of Stock reacquired by the Company on the open market or otherwise using cash proceeds from the exercise of an Option will not be added to the aggregate number of shares of Stock available under the Plan.

(c) **Limitation on Number of Incentive Stock Option Shares.** Subject to adjustment as provided in Section 10(c) hereof, the number of shares of Stock which may be issued pursuant to Incentive Stock Options shall be the lesser of (i) the number of shares of Stock that may be subject to Awards under Section 4(a), or (ii) 15,000,000.

(d) **Minimum Vesting Requirements.** In general, no Award granted on or after the 2016 Effective Date may vest, in the ordinary course, prior to the first anniversary of the date of grant of the Award. However, up to 5% of the sum of (i) the number of shares available for issuance under the Share Reserve as of the 2016 Effective Date plus (ii) the number of shares that are returned to the Share Reserve from time to time pursuant to Awards that are forfeited, or have expired, terminated or been canceled for any reason whatsoever (other than by reason of exercise or vesting), including shares that are returned to the Share Reserve from Awards outstanding on the 2016 Effective Date or from Full Value Awards in satisfaction of withholding tax liabilities, may be granted on or after the 2016 Effective Date in the form of Awards that do not meet such vesting requirements. Nothing in this Section 4(d) shall limit the Company's ability to grant Awards that contain rights to accelerated vesting on a termination of employment or service, or limit the Company's powers under Section 10(c). In addition, the minimum vesting criteria set forth in this Section 4(d) shall not apply to Awards granted pursuant to an assumption of or substitution for another stock award (which stock award was granted by another Person) in connection with a Change in Control or acquisition by the Company of the other Person.

(e) **Application of Limitations.** The limitations contained in Section 4 shall apply only to Awards that are settled by the delivery of shares of Stock. The Committee may adopt reasonable counting procedures to ensure appropriate counting, avoid double counting (as, for example, in the case of tandem or substitute awards) and make adjustments if the number of shares of Stock actually delivered differs from the number of shares previously counted in connection with an Award.

5. Eligibility; Per-Person Award Limitations.

(a) **Eligibility.** Awards may be granted under the Plan only to Eligible Persons.

(b) **Per-Person Limitations.** In each fiscal year during any part of which the Plan is in effect, (i) an Eligible Person may not be granted Awards relating to more than 1,000,000 shares of Stock, subject to adjustment as provided in Section 10(c), under each of Sections 6(b), 6(c), 6(d), 6(e), 6(f), 6(g), 6(h), 7(b) and 7(c); (ii) the maximum amount that may be earned as an Annual Incentive Award or other cash Award (but excluding Performance Awards) in any fiscal year by any one Participant shall be \$2,000,000, and (iii) the maximum amount that may be earned as a Performance Award in respect of a performance period by any one Participant shall be \$5,000,000. If a Performance Award could (but is not required to) be paid out in cash, it will count only against the share limit under clause (i) above.

(c) **Limitation on Awards for Independent Directors.** In addition to any other limitations set forth this Section 5, in any fiscal year, no Independent Director will be granted compensatory equity awards (under this Plan or any other stock plan of the Company) that have an aggregate grant date fair value (as determined by the Company for financial reporting purposes) that, during such fiscal year, exceed \$750,000 for such fiscal year (the **Director Compensation Limit**). If the Company determines that the value of such equity awards with respect to an Independent Director exceed the Director Compensation Limit, the affected Independent Director shall return the excess compensation to the Company within 30 days after receiving written notice of such overpayment, with such reimbursement made from the number of shares of Stock granted to the Independent Director that had a grant date fair value in excess of the Director Compensation Limit. For the avoidance of doubt, in a year in which an Independent Director serves as an employee or consultant (including as an interim

officer), the Director Compensation Limit shall not apply to compensatory equity awards granted by the other Independent Directors to him or her in respect of such service as an employee or consultant.

6. Specific Terms of Awards.

(a) **General.** Awards may be granted on the terms and conditions set forth in this Section 6. In addition, the Committee may impose on any Award or the exercise thereof, at the date of grant or thereafter (subject to Section 10(f)), such additional terms and conditions, not inconsistent with the provisions of the Plan, as the Committee shall determine, including terms requiring forfeiture of Awards in the event of termination of Continuous Service by the Participant and terms permitting a Participant to make elections relating to his or her Award. The Committee shall retain full power and discretion to accelerate, waive or modify, at any time, any term or condition of an Award that is not mandatory under the Plan. Except in cases in which the Committee is authorized to require other forms of consideration under the Plan, or to the extent other forms of consideration must be paid to satisfy the requirements of Delaware law, no consideration other than services may be required for the grant (but not the exercise) of any Award.

(b) **Options.** The Committee is authorized to grant Options to Participants on the following terms and conditions:

(i) **Stock Option Agreement.** Each grant of an Option under the Plan shall be evidenced by a Stock Option Agreement. Such Stock Option Agreement shall be subject to all applicable terms and conditions of the Plan and may be subject to any other terms and conditions which are not inconsistent with the Plan and which the Committee deems appropriate for inclusion in a Stock Option Agreement. The provisions of the various Stock Option Agreements entered into under the Plan need not be identical.

(ii) **Number of Shares.** Each Stock Option Agreement shall specify the number of shares of Stock that are subject to the Option and shall provide for the adjustment of such number in accordance with Section 10(c) hereof. The Stock Option Agreement shall also specify whether the Option is an Incentive Stock Option or a Non-Qualified Stock Option, and in the absence of such designation, the Option shall be a Non-Qualified Stock Option.

(iii) **Exercise Price.**

(A) **In General.** Each Stock Option Agreement shall state the price at which shares of Stock subject to the Option may be purchased (the **Exercise Price**), which shall be not less than 100% of the Fair Market Value of the Stock on the date of grant.

(B) **Ten Percent Stockholder.** If an individual owns or is deemed to own (by reason of the attribution rules applicable under Section 424(d) of the Code) more than 10% of the combined voting power of all classes of stock of the Company or any Related Entity, the Exercise Price of an Incentive Stock Option must be at least 110% of the Fair Market Value of a share of Stock on the date of grant and such Incentive Stock Option by its terms is not exercisable after the expiration of five years from the date of grant.

(iv) **Time and Method of Exercise.** The Committee shall determine the time or times at which or the circumstances under which an Option may be exercised in whole or in part (including based on achievement of performance goals and/or future service requirements). The Committee may also determine the time or times at which Options shall cease to be or become exercisable following termination of Continuous Service or upon other conditions. The Committee may

determine the methods by which such exercise price may be paid or deemed to be paid (including in the discretion of the Committee a cashless exercise procedure), the form of such payment, including, without limitation, cash, Stock, other Awards or awards granted under other plans of the Company or a Related Entity, or other property (including notes or other contractual obligations of Participants to make payment on a deferred basis), and the methods by or forms in which Stock will be delivered or deemed to be delivered to Participants.

(v) **Incentive Stock Options.** The terms of any Incentive Stock Option granted under the Plan shall comply in all respects with the provisions of Section 422 of the Code. Anything in the Plan to the contrary notwithstanding, no term of the Plan relating to Incentive Stock Options (including any Stock Appreciation Rights in tandem therewith) shall be interpreted, amended or altered, nor shall any discretion or authority granted under the Plan be exercised, so as to disqualify either the Plan or any Incentive Stock Option under Section 422 of the Code, unless the Participant has first requested the change that will result in such disqualification or except as permitted under Section 9 and Section 10(c). Thus, if and to the extent required to comply with Section 422 of the Code, Options granted as Incentive Stock Options shall be subject to the following special terms and conditions:

(A) the Option shall not be exercisable more than seven years after the date such Incentive Stock Option is granted; provided, however, that if a Participant owns or is deemed to own (by reason of the attribution rules of Section 424(d) of the Code) more than 10% of the combined voting power of all classes of stock of the Company or any Parent Corporation and the Incentive Stock Option is granted to such Participant, the term of the Incentive Stock Option shall be (to the extent required by the Code at the time of the grant) for no more than five years from the date of grant; and

(B) The aggregate Fair Market Value (determined as of the date the Incentive Stock Option is granted) of the shares of stock with respect to which Incentive Stock Options granted under the Plan and all other option plans of the Company or its Parent Corporation during any calendar year are exercisable for the first time by the Participant during any calendar year shall not (to the extent required by the Code at the time of the grant) exceed \$100,000.

(vi) **Repurchase Rights.** The Committee shall have the discretion to grant Options which are exercisable for unvested shares of Common Stock. Should the Optionee's Continuous Service cease while holding such unvested shares, the Company shall have the right to repurchase, at the exercise price paid per share, any or all of those unvested shares. The terms upon which such repurchase right shall be exercisable (including the period and procedure for exercise and the appropriate vesting schedule for the purchased shares) shall be established by the Committee and set forth in the document evidencing such repurchase right.

(c) **Stock Appreciation Rights.** The Committee is authorized to grant Stock Appreciation Rights to Participants on the following terms and conditions:

(i) **Right to Payment.** A Stock Appreciation Right shall confer on the Participant to whom it is granted a right to receive, upon exercise thereof, the excess of (A) the Fair Market Value of one share of stock on the date of exercise, over (B) the grant price of the Stock Appreciation Right as determined by the Committee. The grant price of a Stock Appreciation Right shall not be less than the Fair Market Value of a share of Stock on the date of grant.

(ii) **Other Terms.** The Committee shall determine at the date of grant or thereafter, the time or times at which and the circumstances under which a Stock Appreciation Right may be exercised in whole or in part (including based on achievement of performance goals and/or future

service requirements), the time or times at which Stock Appreciation Rights shall cease to be or become exercisable following termination of Continuous Service or upon other conditions, the method of exercise, method of settlement, form of consideration payable in settlement, method by or forms in which Stock will be delivered or deemed to be delivered to Participants, whether or not a Stock Appreciation Right shall be in tandem or in combination with any other Award, and any other terms and conditions of any Stock Appreciation Right. Stock Appreciation Rights may be either freestanding or in tandem with other Awards.

(d) **Restricted Stock.** The Committee is authorized to grant Restricted Stock to Participants on the following terms and conditions:

(i) **Grant and Restrictions.** Restricted Stock shall be subject to such restrictions on transferability, risk of forfeiture and other restrictions, if any, as the Committee may impose, or as otherwise provided in this Plan. Subject to Section 4(c), the restrictions may lapse separately or in combination at such times, under such circumstances (including based on achievement of performance goals and/or future service requirements), in such installments or otherwise, as the Committee may determine at the date of grant or thereafter. Except to the extent restricted under the terms of the Plan and any Award agreement relating to the Restricted Stock, a Participant granted Restricted Stock shall have all of the rights of a stockholder, including the right to vote the Restricted Stock and the right to receive dividends thereon (subject to any mandatory reinvestment or other requirement imposed by the Committee). During the restricted period applicable to the Restricted Stock, subject to Section 10(b) below, the Restricted Stock may not be sold, transferred, pledged, hypothecated, margined or otherwise encumbered by the Participant.

(ii) **Forfeiture.** Except as otherwise determined by the Committee at the time of the Award, upon termination of a Participant's Continuous Service during the applicable restriction period, the Participant's Restricted Stock that is at that time subject to restrictions shall be forfeited (or, in accordance with Section 6(b)(vi), reacquired by the Company); provided that the Committee may provide, by rule or regulation or in any Award agreement, or may determine in any individual case, that restrictions or forfeiture conditions relating to Restricted Stock shall be waived in whole or in part in the event of terminations resulting from specified causes, and the Committee may in other cases waive in whole or in part the forfeiture of Restricted Stock.

(iii) **Certificates for Stock.** Restricted Stock granted under the Plan may be evidenced in such manner as the Committee shall determine. If certificates representing Restricted Stock are registered in the name of the Participant, the Committee may require that such certificates bear an appropriate legend referring to the terms, conditions and restrictions applicable to such Restricted Stock, that the Company retain physical possession of the certificates, and that the Participant deliver a stock power to the Company, endorsed in blank, relating to the Restricted Stock.

(iv) **Dividends and Splits.** As a condition to the grant of an Award of Restricted Stock, the Committee may require that any cash dividends paid on a share of Restricted Stock be automatically reinvested in additional shares of Restricted Stock or applied to the purchase of additional Awards under the Plan. Unless otherwise determined by the Committee, Stock distributed in connection with a Stock split or Stock dividend, and other property distributed as a dividend, shall be subject to restrictions and a risk of forfeiture to the same extent as the Restricted Stock with respect to which such Stock or other property has been distributed.

(e) **Deferred Stock Units.** The Committee is authorized to grant Deferred Stock Units to Participants, which are rights to receive Stock, cash, or a combination thereof at the end of a specified time period, subject to the following terms and conditions:

(i) **Award and Restrictions.** Satisfaction of an Award of Deferred Stock Units shall occur upon expiration of the time specified for such Deferred Stock Units by the Committee (or, if permitted by the Committee, as elected by the Participant). In addition, subject to Section 4(c), Deferred Stock Units shall be subject to such restrictions (which may include a risk of forfeiture) as the Committee may impose, if any, which restrictions may lapse at the expiration of the time period or at earlier specified times (including based on achievement of performance goals and/or future service requirements), separately or in combination, in installments or otherwise, as the Committee may determine. The terms of an Award of Deferred Stock Units shall be set forth in a written Award Agreement that shall contain provisions determined by the Committee and not inconsistent with the Plan. Deferred Stock Units may be satisfied by delivery of Stock, cash equal to the Fair Market Value of the specified number of shares of Stock covered by the Deferred Stock Units, or a combination thereof, as determined by the Committee at the date of grant or thereafter. Prior to satisfaction of an Award of Deferred Stock Units, an Award of Deferred Stock Units carries no voting or dividend or other rights associated with share ownership.

(ii) **Forfeiture.** Except as otherwise determined by the Committee, upon termination of a Participant's Continuous Service during the applicable time period thereof to which forfeiture conditions apply (as provided in the Award agreement evidencing the Deferred Stock Units), the Participant's Deferred Stock Units (other than those Deferred Stock Units subject to deferral at the election of the Participant) shall be forfeited; provided that the Committee may provide, by rule or regulation or in any Award agreement, or may determine in any individual case, that restrictions or forfeiture conditions relating to Deferred Stock Units shall be waived in whole or in part in the event of terminations resulting from specified causes, and the Committee may in other cases waive in whole or in part the forfeiture of Deferred Stock Units.

(iii) **Dividend Equivalents.** Unless otherwise determined by the Committee at date of grant, any Dividend Equivalents that are granted with respect to any Award of Deferred Stock Units shall be either (A) paid with respect to such Deferred Stock Units at the dividend payment date in cash or in shares of unrestricted Stock having a Fair Market Value equal to the amount of such dividends, or (B) deferred with respect to such Deferred Stock Units and the amount or value thereof automatically deemed reinvested in additional Deferred Stock Units, other Awards or other investment vehicles, as the Committee shall determine or permit the Participant to elect. Unless otherwise determined by the Committee, Stock distributed in connection with a Stock split or Stock dividend, and other cash or property distributed as a dividend, shall be subject to restrictions and a risk of forfeiture to the same extent as the Deferred Stock Unit with respect to which such Stock or other property has been distributed.

(f) **Bonus Stock and Awards in Lieu of Obligations.** The Committee is authorized to grant Stock as a bonus, or to grant Stock or other Awards in lieu of Company obligations to pay cash or deliver other property under the Plan or under other plans, provided that, in the case of Participants subject to Section 16 of the Exchange Act, the amount of such grants remains within the discretion of the Committee to the extent necessary to ensure that acquisitions of Stock or other Awards are exempt from liability under Section 16(b) of the Exchange Act. Stock or Awards granted hereunder shall be subject to such other terms as shall be determined by the Committee.

(g) **Dividend Equivalents.** The Committee is authorized to grant Dividend Equivalents to a Participant entitling the Participant to receive cash, Stock, other Awards, or other property equal in value to dividends paid with respect to a specified number of shares of Stock, or other periodic payments. Dividend Equivalents may be awarded on a free-standing basis or in connection with another Award. The Committee may provide that Dividend Equivalents shall be paid or distributed when accrued or shall be deemed to have been reinvested in additional Stock, Awards, or other investment vehicles, and subject to such restrictions on transferability and risks of forfeiture, as the Committee may

specify. Unless otherwise determined by the Committee, Stock distributed in connection with a Stock split or Stock dividend, and other cash or property distributed as a dividend, shall be subject to restrictions and a risk of forfeiture to the same extent as the underlying Dividend Equivalents.

(h) Other Stock-Based Awards. The Committee is authorized, subject to limitations under applicable law, to grant to Participants such other Awards that may be denominated or payable in, valued in whole or in part by reference to, or otherwise based on, or related to, Stock, as deemed by the Committee to be consistent with the purposes of the Plan, including, without limitation, convertible or exchangeable debt securities, other rights convertible or exchangeable into Stock, purchase rights for Stock, Awards with value and payment contingent upon performance of the Company or any other factors designated by the Committee, and Awards valued by reference to the book value of Stock or the value of securities of or the performance of specified Related Entities or business units. The Committee shall determine the terms and conditions of such Awards. Stock delivered pursuant to an Award in the nature of a purchase right granted under this Section 6(h) shall be purchased for such consideration (including without limitation loans from the Company or a Related Entity), paid for at such times, by such methods, and in such forms, including, without limitation, cash, Stock, other Awards or other property, as the Committee shall determine. The Committee shall have the discretion to grant such other Awards which are exercisable for unvested shares of Common Stock. Should the Optionee's Continuous Service cease while holding such unvested shares, the Company shall have the right to repurchase, at the exercise price paid per share, any or all of those unvested shares. The terms upon which such repurchase right shall be exercisable (including the period and procedure for exercise and the appropriate vesting schedule for the purchased shares) shall be established by the Committee and set forth in the document evidencing such repurchase right. Cash awards, as an element of or supplement to any other Award under the Plan, may also be granted pursuant to this Section 6(h).

7. Performance and Annual Incentive Awards.

(a) Performance Conditions. The right of a Participant to exercise or receive a grant or settlement of any Award, and the timing thereof, may be subject to such performance conditions as may be specified by the Committee. The Committee may use such business criteria and other measures of performance as it may deem appropriate in establishing any performance conditions, and may exercise its discretion to reduce the amounts payable under any Award subject to performance conditions, except as limited under Sections 7(b) and 7(c) hereof in the case of a Performance Award or Annual Incentive Award intended to qualify under Code Section 162(m).

(b) Performance Awards Granted to Designated Covered Employees. If and to the extent that the Committee determines that a Performance Award to be granted to an Eligible Person who is designated by the Committee as likely to be a Covered Employee should qualify as performance-based compensation for purposes of Code Section 162(m), the grant, exercise and/or settlement of such Performance Award shall be contingent upon achievement of pre-established performance goals and other terms set forth in this Section 7(b).

(i) Performance Goals Generally. The performance goals for such Performance Awards shall consist of one or more business criteria and a targeted level or levels of performance with respect to each of such criteria, as specified by the Committee consistent with this Section 7(b). Performance goals shall be objective and shall otherwise meet the requirements of Code Section 162(m) and regulations thereunder including the requirement that the level or levels of performance targeted by the Committee result in the achievement of performance goals being substantially uncertain. The Committee may determine that such Performance Awards shall be granted, exercised and/or settled upon achievement of any one performance goal or that two or more of the performance goals must be achieved as a condition to grant, exercise and/or settlement of such

Performance Awards. Performance goals may differ for Performance Awards granted to any one Participant or to different Participants.

(ii) **Business Criteria.** One or more of the following business criteria for the Company, on a consolidated basis, and/or specified Related Entities or business units of the Company (except with respect to the total stockholder return and earnings per share criteria), shall be used exclusively by the Committee in establishing performance goals for such Performance Awards: (1) total stockholder return; (2) such total stockholder return as compared to total return (on a comparable basis) of a publicly available index such as, but not limited to, the Standard & Poor's 500 Stock Index, the S&P Specialty Retailer Index or the Philadelphia Semiconductor Index; (3) net income; (4) pretax earnings; (5) earnings before interest expense, taxes, depreciation and amortization; (6) pretax operating earnings after interest expense and before bonuses, service fees, and extraordinary or special items; (7) operating margin; (8) earnings per share; (9) return on equity; (10) return on capital; (11) return on investment; (12) operating earnings; (13) working capital or inventory; (14) operating earnings before the expense for share based awards; and (15) ratio of debt to stockholders' equity. One or more of the foregoing business criteria shall also be exclusively used in establishing performance goals for Annual Incentive Awards granted to a Covered Employee under Section 7(c) hereof that are intended to qualify as performance-based compensation under Code Section 162(m).

(iii) **Performance Period; Timing For Establishing Performance Goals.** Achievement of performance goals in respect of such Performance Awards shall be measured over a performance period of up to seven years, as specified by the Committee. Performance goals shall be established not later than 90 days after the beginning of any performance period applicable to such Performance Awards, or at such other date as may be required or permitted for performance-based compensation under Code Section 162(m).

(iv) **Performance Award Pool.** The Committee may establish a Performance Award pool, which shall be an unfunded pool, for purposes of measuring Company performance in connection with Performance Awards. The amount of such Performance Award pool shall be based upon the achievement of a performance goal or goals based on one or more of the business criteria set forth in Section 7(b)(ii) hereof during the given performance period, as specified by the Committee in accordance with Section 7(b)(iii) hereof. The Committee may specify the amount of the Performance Award pool as a percentage of any of such business criteria, a percentage thereof in excess of a threshold amount, or as another amount which need not bear a strictly mathematical relationship to such business criteria.

(v) **Settlement of Performance Awards; Other Terms.** Settlement of such Performance Awards shall be in cash, Stock, other Awards or other property, in the discretion of the Committee. The Committee may, in its discretion, reduce the amount of a settlement otherwise to be made in connection with such Performance Awards. The Committee shall specify the circumstances in which such Performance Awards shall be paid or forfeited in the event of termination of Continuous Service by the Participant prior to the end of a performance period or settlement of Performance Awards.

(c) **Annual Incentive Awards Granted to Designated Covered Employees.** The Committee may, within its discretion, grant one or more Annual Incentive Awards to any Eligible Person, subject to the terms and conditions set forth in this Section 7(c).

(i) **Annual Incentive Award Pool.** The Committee may establish an Annual Incentive Award pool, which shall be an unfunded pool, for purposes of measuring Company performance in connection with Annual Incentive Awards. In the case of Annual Incentive Awards intended to qualify as performance-based compensation for purposes of Code Section 162(m), the

amount of such Annual Incentive Award pool shall be based upon the achievement of a performance goal or goals based on one or more of the business criteria set forth in Section 7(b)(ii) hereof during the given performance period, as specified by the Committee in accordance with Section 7(b)(iii) hereof. The Committee may specify the amount of the Annual Incentive Award pool as a percentage of any such business criteria, a percentage thereof in excess of a threshold amount, or as another amount which need not bear a strictly mathematical relationship to such business criteria.

(ii) **Potential Annual Incentive Awards.** Not later than the end of the 90th day of each fiscal year, or at such other date as may be required or permitted in the case of Awards intended to be performance-based compensation under Code Section 162(m), the Committee shall determine the Eligible Persons who will potentially receive Annual Incentive Awards, and the amounts potentially payable thereunder, for that fiscal year, either out of an Annual Incentive Award pool established by such date under Section 7(c)(i) hereof or as individual Annual Incentive Awards. In the case of individual Annual Incentive Awards intended to qualify under Code Section 162(m), the amount potentially payable shall be based upon the achievement of a performance goal or goals based on one or more of the business criteria set forth in Section 7(b)(ii) hereof in the given performance year, as specified by the Committee; in other cases, such amount shall be based on such criteria as shall be established by the Committee. In all cases, the maximum Annual Incentive Award of any Participant shall be subject to the limitation set forth in Section 5 hereof.

(iii) **Payout of Annual Incentive Awards.** After the end of each fiscal year, the Committee shall determine the amount, if any, of (A) the Annual Incentive Award pool, and the maximum amount of potential Annual Incentive Award payable to each Participant in the Annual Incentive Award pool, or (B) the amount of potential Annual Incentive Award otherwise payable to each Participant. The Committee shall specify the circumstances in which an Annual Incentive Award shall be paid or forfeited in the event of termination of Continuous Service by the Participant prior to the end of a fiscal year or settlement of such Annual Incentive Award.

(d) **Written Determinations.** All determinations by the Committee as to the establishment of performance goals, the amount of any Performance Award pool or potential individual Performance Awards and as to the achievement of performance goals relating to Performance Awards under Section 7(b), and the amount of any Annual Incentive Award pool or potential individual Annual Incentive Awards and the amount of final Annual Incentive Awards under Section 7(c), shall be made in writing in the case of any Award intended to qualify under Code Section 162(m). The Committee may not delegate any responsibility relating to such Performance Awards or Annual Incentive Awards if and to the extent required to comply with Code Section 162(m).

(e) **Status of Section 7(b) and Section 7(c) Awards Under Code Section 162(m).** It is the intent of the Company that Performance Awards and Annual Incentive Awards under Section 7(b) and 7(c) hereof granted to persons who are designated by the Committee as likely to be Covered Employees within the meaning of Code Section 162(m) and regulations thereunder shall, if so designated by the Committee, constitute qualified performance-based compensation within the meaning of Code Section 162(m) and regulations thereunder. Accordingly, the terms of Sections 7(b), (c), (d) and (e), including the definitions of Covered Employee and other terms used therein, shall be interpreted in a manner consistent with Code Section 162(m) and regulations thereunder. The foregoing notwithstanding, because the Committee cannot determine with certainty whether a given Participant will be a Covered Employee with respect to a fiscal year that has not yet been completed, the term Covered Employee as used herein shall mean only a person designated by the Committee, at the time of grant of Performance Awards or an Annual Incentive Award, as likely to be a Covered Employee with respect to that fiscal year. If any provision of the Plan or any agreement relating to such Performance Awards or Annual Incentive Awards does not comply or is inconsistent with the requirements of Code Section 162(m) or

regulations thereunder, such provision shall be construed or deemed amended to the extent necessary to conform to such requirements.

8. Certain Provisions Applicable to Awards or Sales.

(a) **Stand-Alone, Additional, Tandem, and Substitute Awards.** Awards granted under the Plan may, in the discretion of the Committee, be granted either alone or in addition to, in tandem with, or in substitution or exchange for, any other Award or any award granted under another plan of the Company, any Related Entity, or any business entity to be acquired by the Company or a Related Entity, or any other right of a Participant to receive payment from the Company or any Related Entity. Such additional, tandem, and substitute or exchange Awards may be granted at any time. If an Award is granted in substitution or exchange for another Award or award, the Committee shall require the surrender of such other Award or award in consideration for the grant of the new Award. In addition, Awards may be granted in lieu of cash compensation, including in lieu of cash amounts payable under other plans of the Company or any Related Entity in which the value of Stock subject to the Award is equivalent in value to the cash compensation.

(b) **Term of Awards.** The term of each Award shall be for such period as may be determined by the Committee or the Board; provided that in no event shall the term of any Option or Stock Appreciation Right exceed a period of seven years (or such shorter term as may be required in respect of an Incentive Stock Option under Section 422 of the Code).

(c) **Form and Timing of Payment Under Awards; Deferrals.** Subject to the terms of the Plan and any applicable Award agreement, payments to be made by the Company or a Related Entity upon the exercise of an Option or other Award or settlement of an Award may be made in such forms as the Committee shall determine, including, without limitation, cash, other Awards or other property, and may be made in a single payment or transfer, in installments, or on a deferred basis. The settlement of any Award may be accelerated, and cash paid in lieu of Stock in connection with such settlement, in the discretion of the Committee or upon occurrence of one or more specified events (in addition to a Change in Control). Installment or deferred payments may be required by the Committee (subject to Section 10(f) of the Plan) or permitted at the election of the Participant on terms and conditions established by the Committee. Payments may include, without limitation, provisions for the payment or crediting of a reasonable interest rate on installment or deferred payments or the grant or crediting of Dividend Equivalents or other amounts in respect of installment or deferred payments denominated in Stock.

(d) **Exemptions from Section 16(b) Liability.** It is the intent of the Company that this Plan comply in all respects with applicable provisions of Rule 16b-3 or Rule 16a-1(c)(3) to the extent necessary to ensure that neither the grant of any Awards to nor other transaction by a Participant who is subject to Section 16 of the Exchange Act is subject to liability under Section 16(b) thereof (except for transactions acknowledged in writing to be non-exempt by such Participant). Accordingly, if any provision of this Plan or any Award agreement does not comply with the requirements of Rule 16b-3 or Rule 16a-1(c)(3) as then applicable to any such transaction, such provision will be construed or deemed amended to the extent necessary to conform to the applicable requirements of Rule 16b-3 or Rule 16a-1(c)(3) so that such Participant shall avoid liability under Section 16(b).

(e) **Code Section 409A.** If and to the extent that the Committee believes that any Awards may constitute a nonqualified deferred compensation plan under Section 409A of the Code, the terms and conditions set forth in the Award Agreement for that Award shall be drafted in a manner that is intended to comply with, and shall be interpreted in a manner consistent with, the applicable requirements of Section 409A of the Code, unless otherwise agreed to in writing by the Participant and the Company.

(f) **No Option Repricing.** Other than pursuant to Section 10(c), without approval of the Company's stockholders, the Committee shall not be permitted to (A) lower the exercise price per share of Stock of an Option or Stock Appreciation Right after it is granted, (B) cancel an Option or Stock Appreciation Right when the exercise price per share of Stock exceeds the Fair Market Value of the underlying share of Stock in exchange for another Award or cash, or (C) take any other action with respect to an Option or Stock Appreciation Right that may be treated as a repricing.

9. Change in Control.

(a) **Effect of Change in Control.** If and to the extent provided in the Award, in the event of a Change in Control, as defined in Section 9(b):

(i) The Committee may, within its discretion, accelerate the vesting and exercisability of any Award carrying a right to exercise that was not previously vested and exercisable as of the time of the Change in Control, subject to applicable restrictions set forth in Section 10(a) hereof;

(ii) The Committee may, within its discretion, accelerate the exercisability of any Stock Appreciation Rights and provide for the settlement of such Stock Appreciation Rights for amounts, in cash;

(iii) The Committee may, within its discretion, lapse the restrictions, deferral of settlement, and forfeiture conditions applicable to any other Award granted under the Plan and such Awards may be deemed fully vested as of the time of the Change in Control, except to the extent of any waiver by the Participant and subject to applicable restrictions set forth in Section 10(a) hereof; and

(iv) With respect to any such outstanding Award subject to achievement of performance goals and conditions under the Plan, the Committee may, within its discretion, deem such performance goals and other conditions as having been met as of the date of the Change in Control.

(b) **Definition of Change in Control.** A Change in Control shall be deemed to have occurred upon:

(i) Upon the consummation of a transaction approved by the stockholders of the Company of a reorganization, merger, consolidation or other form of corporate transaction or series of transactions, in each case, with respect to which persons who were the stockholders of the Company immediately prior to such reorganization, merger or consolidation or other transaction do not, immediately thereafter, own more than 50% of the combined voting power entitled to vote generally in the election of directors of the reorganized, merged or consolidated company's then outstanding voting securities, or a liquidation or dissolution of the Company or the sale of all or substantially all of the assets of the Company;

(ii) Individuals who, as of the date on which the Award is granted, constitute the Board (the **Incumbent Board**) cease for any reason to constitute at least a majority of the Board, provided that any person becoming a director subsequent to the date on which the Award was granted whose election, or nomination for election by the Company's stockholders, was approved by a vote of at least a majority of the directors then comprising the Incumbent Board (other than an election or nomination of an individual whose initial assumption of office is in connection with an actual or threatened election contest relating to the election of the Directors of the Company) shall be, for purposes of this Agreement, considered as though such person were a member of the Incumbent Board; or

(iii) the acquisition (other than from the Company) by any person, entity or group, within the meaning of Section 13(d)(3) or 14(d)(2) of the Securities Exchange Act, of more than 50% of either the then outstanding shares of the Company's Common Stock or the combined voting power of the Company's then outstanding voting securities entitled to vote generally in the election of directors (hereinafter referred to as the ownership of a **Controlling Interest**) excluding, for this purpose, any acquisitions by (1) the Company or a Related Entity, (2) any person, entity or group that as of the date on which the Award is granted owns beneficial ownership (within the meaning of Rule 13d-3 promulgated under the Securities Exchange Act) of a Controlling Interest or (3) any employee benefit plan of the Company or a Related Entity.

The Committee shall have full and final authority, which shall be exercised in its discretion, to determine conclusively whether a Change in Control has occurred pursuant to the above definition, and the date of the occurrence of such Change in Control and any incidental matters relating thereto. If required for compliance with Section 409A of the Code, in no event will a Change in Control be deemed to have occurred if such transaction is not also a change in the ownership or effective control of the Company or a change in the ownership of a substantial portion of the assets of the Company as determined under Treasury Regulation Section 1.409A-3(i)(5) (without regard to any alternative definition thereunder).

10. General Provisions.

(a) **Compliance With Legal and Other Requirements.** The Company may, to the extent deemed necessary or advisable by the Committee, postpone the issuance or delivery of Stock or payment of other benefits under any Award until completion of such registration or qualification of such Stock or other required action under any federal or state law, rule or regulation, listing or other required action with respect to any stock exchange or automated quotation system upon which the Stock or other Company securities are listed or quoted, or compliance with any other obligation of the Company, as the Committee, may consider appropriate, and may require any Participant to make such representations, furnish such information and comply with or be subject to such other conditions as it may consider appropriate in connection with the issuance or delivery of Stock or payment of other benefits in compliance with applicable laws, rules, and regulations, listing requirements, or other obligations. The foregoing notwithstanding, in connection with a Change in Control, the Company shall take or cause to be taken no action, and shall undertake or permit to arise no legal or contractual obligation, that results or would result in any postponement of the issuance or delivery of Stock or payment of benefits under any Award or the imposition of any other conditions on such issuance, delivery or payment, to the extent that such postponement or other condition would represent a greater burden on a Participant than existed on the 90th day preceding the Change in Control.

(b) Limits on Transferability; Beneficiaries.

(i) **General.** Except as provided herein, a Participant may not assign, sell, transfer, or otherwise encumber or subject to any lien any Award or other right or interest granted under this Plan, in whole or in part, including any Award or right which constitutes a derivative security as generally defined in Rule 16a-1(c) under the Exchange Act, other than by will or by operation of the laws of descent and distribution, and such Awards or rights that may be exercisable shall be exercised during the lifetime of the Participant only by the Participant or his or her guardian or legal representative.

(ii) **Permitted Transfer of Option.** The Committee, in its sole discretion, may permit the transfer of an Option (but not an Incentive Stock Option, or any other right to purchase Stock other than an Option) as follows: (A) by gift to a member of the Participant's Immediate Family or (B) by transfer by instrument to a trust providing that the Option is to be passed to beneficiaries upon

death of the Optionee. For purposes of this Section 10(b)(ii), **Immediate Family** shall mean the Optionee's spouse (including a former spouse subject to terms of a domestic relations order); child, stepchild, grandchild, child-in-law; parent, stepparent, grandparent, parent-in-law; sibling and sibling-in-law, and shall include adoptive relationships. If a determination is made by counsel for the Company that the restrictions contained in this Section 10(b)(ii) are not required by applicable federal or state securities laws under the circumstances, then the Committee, in its sole discretion, may permit the transfer of Awards (other than Incentive Stock Options and Stock Appreciation Rights in tandem therewith) to one or more Beneficiaries or other transferees during the lifetime of the Participant, which may be exercised by such transferees in accordance with the terms of such Award, but only if and to the extent permitted by the Committee pursuant to the express terms of an Award agreement (subject to any terms and conditions which the Committee may impose thereon, and further subject to any prohibitions and restrictions on such transfers pursuant to Rule 16b-3). A Beneficiary, transferee, or other person claiming any rights under the Plan from or through any Participant shall be subject to all terms and conditions of the Plan and any Award agreement applicable to such Participant, except as otherwise determined by the Committee, and to any additional terms and conditions deemed necessary or appropriate by the Committee.

(c) Adjustments.

(i) Adjustments to Awards. In the event that any dividend or other distribution (whether in the form of cash, Stock, or other property), recapitalization, forward or reverse split, reorganization, merger, consolidation, spinoff, combination, repurchase, share exchange, liquidation, dissolution or other similar corporate transaction or event affects the Stock and/or such other securities of the Company or any other issuer such that a substitution, exchange, or adjustment is determined by the Committee to be appropriate, then the Committee shall, in such manner as it deems equitable, substitute, exchange, or adjust any or all of (A) the number and kind of shares of Stock which may be delivered in connection with Awards granted thereafter, (B) the number and kind of shares of Stock by which Plan limitations are measured (including but not limited to limitations established for purposes of Code Sections 162(m) and 421 as well as per Person award limits), (C) the number and kind of shares of Stock subject to or deliverable in respect of outstanding Awards, (E) the exercise price, grant price or purchase price relating to any Award and/or make provision for payment of cash or other property in respect of any outstanding Award, and (F) any other aspect of any Award that the Committee determines to be appropriate.

(ii) Adjustments in Case of a Change in Control. In the event of a Change in Control in which the Company is not the surviving corporation, or in which the shares of Stock are exchanged for or converted into securities issued by another entity, then the successor or acquiring entity or an affiliate thereof may, with the consent of the Committee, assume each outstanding Award or substitute an equivalent option or right. If the successor or acquiring entity or an affiliate thereof, does not cause such an assumption or substitution, then each Award shall terminate upon the consummation of such Change in Control. The Committee shall give written notice of any proposed transaction referred to in this Section 10(c)(ii) a reasonable period of time prior to the closing date for such transaction (which notice may be given either before or after the approval of such transaction), in order that Optionees may have a reasonable period of time prior to the closing date of such transaction within which to exercise any Options that are then exercisable (including any Options that may become exercisable upon the closing date of such transaction). An Optionee may condition his exercise of any Option upon the consummation of the transaction.

(iii) Other Adjustments. In addition, the Committee is authorized to make adjustments in the terms and conditions of, and the criteria included in, Awards (including Performance Awards and performance goals, and Annual Incentive Awards and any Annual Incentive Award pool or performance goals relating thereto) in recognition of unusual or nonrecurring events (including, without

limitation, acquisitions and dispositions of businesses and assets) affecting the Company, any Related Entity or any business unit, or the financial statements of the Company or any Related Entity, or in response to changes in applicable laws, regulations, accounting principles, tax rates and regulations or business conditions or in view of the Committee's assessment of the business strategy of the Company, any Related Entity or business unit thereof, performance of comparable organizations, economic and business conditions, and any other circumstances deemed relevant; provided that without the consent of an affected Participant, no such Board action may materially and adversely affect the rights of such Participant under any previously granted and outstanding Award. In addition, no such adjustment shall be authorized or made if and to the extent that such authority or the making of such adjustment would cause Options, Stock Appreciation Rights, Performance Awards granted under Section 8(b) hereof or Annual Incentive Awards granted under Section 8(c) hereof to Participants designated by the Committee as Covered Employees and intended to qualify as performance-based compensation under Code Section 162(m) and the regulations thereunder to otherwise fail to qualify as performance-based compensation under Code Section 162(m) and regulations thereunder.

(d) **Clawback/Recovery.** All Awards (cash and equity) held by the Company's Executive Officers shall be subject to clawback, recoupment or forfeiture (i) to the extent that such Executive Officer is determined to have engaged in fraud or intentional illegal conduct that caused the Company's material non-compliance with any applicable financial reporting requirements and resulted in a financial restatement, the result of which is that the amount received from such Award would have been lower had it been calculated on the basis of such restated results, or (ii) required by applicable laws, rules, regulations or listing requirements. Such clawback, recoupment or forfeiture, in addition to any other remedies available under applicable laws, rules, regulations or listing requirements, shall occur through the cancellation of such Awards (to the extent then-outstanding), the recoupment of any gains realized with respect to such Awards, or a combination of the foregoing, to the extent of the overpayment. The implementation of any clawback policy will not be deemed a triggering event for purposes of any definition of good reason for resignation or any constructive termination.

(e) **Taxes.** The Company and any Related Entity are authorized to withhold from any Award granted, any payment relating to an Award under the Plan, including from a distribution of Stock, or any payroll or other payment to a Participant, amounts of withholding and other taxes due or potentially payable in connection with any transaction involving an Award, and to take such other action as the Committee may deem advisable to enable the Company and Participants to satisfy obligations for the payment of withholding taxes and other tax obligations relating to any Award. This authority shall include authority to withhold or receive Stock or other property and to make cash payments in respect thereof in satisfaction of a Participant's tax obligations; either on a mandatory or elective basis in the discretion of the Committee.

(f) **Changes to the Plan and Awards.** The Board may amend, alter, suspend, discontinue or terminate the Plan, or the Committee's authority to grant Awards under the Plan, without the consent of stockholders or Participants, except that any amendment or alteration to the Plan shall be subject to the approval of the Company's stockholders not later than the annual meeting next following such Board action if (i) such stockholder approval is required by any federal or state law or regulation (including, without limitation, Rule 16b-3 or Code Section 162(m)) or the rules of any stock exchange or automated quotation system on which the Stock may then be listed or quoted, or (ii) the amendment or alteration to the Plan materially increases the benefits accruing to the participants under the Plan, materially increases the number of securities that may be issued under the Plan, or materially modifies the requirements for participant in the Plan, and the Board may otherwise, in its discretion, determine to submit other such changes to the Plan to stockholders for approval; provided that, without the consent of an affected Participant, no such Board action may materially and adversely affect the rights of such Participant under any previously granted and outstanding Award. The Committee may waive any

conditions or rights under, or amend, alter, suspend, discontinue or terminate any Award theretofore granted and any Award agreement relating thereto, except as otherwise provided in the Plan; provided that, without the consent of an affected Participant, no such Committee action may materially and adversely affect the rights of such Participant under such Award.

(g) **Change in Time Commitment.** If a Participant's regular level of time commitment in the performance of his or her services for the Company and any of the Related Entities is reduced (for example, and without limitation, if the Participant is an Employee of the Company and the Employee has a change in status from a full-time Employee to a part-time Employee) after the date of grant of any Award to the Participant, the Committee has the right in its sole discretion (and without the need to seek or obtain the consent of the affected Participant) to (i) make a corresponding reduction in the number of shares or cash amount subject to any portion of such Award that is scheduled to vest or become payable after the date of such change in time commitment, and (ii) in lieu of or in combination with such a reduction, extend the vesting or payment schedule applicable to such Award (but in no event will such extension extend the term of an Option or Stock Appreciation Right). In the event of any such reduction, the Participant will have no right with respect to any portion of the Award that is so reduced or extended.

(h) **Limitation on Rights Conferred Under Plan.** Neither the Plan nor any action taken hereunder shall be construed as (i) giving any Eligible Person or Participant the right to continue as an Eligible Person or Participant or in the employ of the Company or a Related Entity; (ii) interfering in any way with the right of the Company or a Related Entity to terminate any Eligible Person's or Participant's Continuous Service at any time, (iii) giving an Eligible Person or Participant any claim to be granted any Award under the Plan or to be treated uniformly with other Participants and Employees, or (iv) conferring on a Participant any of the rights of a stockholder of the Company unless and until the Participant is duly issued or transferred shares of Stock in accordance with the terms of an Award.

(i) **Unfunded Status of Awards; Creation of Trusts.** The Plan is intended to constitute an unfunded plan for incentive and deferred compensation. With respect to any payments not yet made to a Participant or obligation to deliver Stock pursuant to an Award, nothing contained in the Plan or any Award shall give any such Participant any rights that are greater than those of a general creditor of the Company; provided that the Committee may authorize the creation of trusts and deposit therein cash, Stock, other Awards or other property, or make other arrangements to meet the Company's obligations under the Plan. Such trusts or other arrangements shall be consistent with the unfunded status of the Plan unless the Committee otherwise determines with the consent of each affected Participant. The trustee of such trusts may be authorized to dispose of trust assets and reinvest the proceeds in alternative investments, subject to such terms and conditions as the Committee may specify and in accordance with applicable law.

(j) **Nonexclusivity of the Plan.** Neither the adoption of the Plan by the Board nor its submission to the stockholders of the Company for approval shall be construed as creating any limitations on the power of the Board or a committee thereof to adopt such other incentive arrangements as it may deem desirable including incentive arrangements and awards which do not qualify under Code Section 162(m).

(k) **Payments in the Event of Forfeitures; Fractional Shares.** Unless otherwise determined by the Committee, in the event of a forfeiture of an Award with respect to which a Participant paid cash or other consideration, the Participant shall be repaid the amount of such cash or other consideration. No fractional shares of Stock shall be issued or delivered pursuant to the Plan or any Award. The Committee shall determine whether cash, other Awards or other property shall be issued or

paid in lieu of such fractional shares or whether such fractional shares or any rights thereto shall be forfeited or otherwise eliminated.

(l) **Governing Law.** The validity, construction and effect of the Plan, any rules and regulations under the Plan, and any Award agreement shall be determined in accordance with the laws of the State of Delaware without giving effect to principles of conflicts of laws, and applicable federal law.

(m) **Plan Effective Date and Stockholder Approval; Termination of Plan.** The Plan became effective on the Effective Date. The Plan shall terminate on August 18, 2020, which is the tenth anniversary of the date the Plan was originally adopted by the Board.
