PART III NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

Bankrate, Inc. (the Company) is unable to file its Annual Report on Form 10-K for the period ended December 31, 2016 (its Annual Report) within the prescribed time period without unreasonable effort or expense due to the circumstances described below.

In connection with finalizing the financial statements for the fiscal year ended December 31, 2016, a calculation error was found in a valuation report prepared by a third party valuation specialist that was a key input in the valuation of the impairment of finite lived assets in the 2016 fiscal year in our Quizzle business. Additional time is needed to complete the analysis of this error, and, as a consequence, to complete the finalization of our consolidated financial statements to be included in the Annual Report. In addition, the Company expects to disclose a material weakness in its internal control over financial reporting in its Annual Report related to its controls over validating reports prepared by third party valuation specialists.

The Company has issued a Press Release (as defined below) regarding its results for the year ended December 31, 2016. Other than possible non-cash changes related to impairment of goodwill or intangible assets, and amortization expense that could impact our GAAP net income, the Company does not expect the financial results to be included in the Annual Report when filed to reflect any material changes from those included in the Press Release. The Company expects to file the Annual Report within the fifteen day extension period.

If answer is no, identify report(s). Yes No
- (3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? Yes No

Other than possible non-cash changes related to impairment of goodwill or intangible assets, and related to amortization expense, that could impact our GAAP net income, the Company expects that the results of operations to be included in the Annual Report will reflect the changes in results of operations from the prior year consistent with the comparative results of operations disclosed in the Company's earnings press release (the "Press Release") included in its Current Report on Form 8-K furnished with the Securities and Exchange Commission on March 8, 2017. In the Press Release, the Company reported:

total revenue for the fourth quarter of and full year 2016 as \$113.6 million and \$434.2 million, respectively, as compared to \$93.7 million and \$372.0 million in the corresponding 2015 periods.

net loss for the fourth quarter of and full year 2016 as \$(4.1) million and \$(34.1) million, respectively, as compared to net income (loss) of \$4.8 million and \$(13.3) million in the corresponding 2015 periods.

adjusted EBITDA for the fourth quarter of and full year 2016 as \$30.4 million and \$114.8 million, respectively, as compared to \$28.5 million and \$127.1 million in the corresponding 2015 periods. For a reconciliation of adjusted EBITDA to GAAP net income (loss), see the financial tables at the end of the Press Release.

The foregoing statements about the anticipated timing of the filing of the Annual Report and expectations regarding the financial statements to be included in the Annual Report are forward-looking statements. These forward-looking

statements are based upon information presently available to the Company and assumptions that it believes to be reasonable. Investors are cautioned that all such statements involve risks and uncertainties, including the risks that additional resources and time may be needed to complete and file the Annual Report and that in finalizing the filing of the Annual Report changes to the financial information included in the Press Release are required.
