Material Fact

Banco Bradesco S.A. ("Bradesco" or "Company") hereby informs the market, its shareholders, clients and employees that the Brazilian Antitrust Authority (CADE) approved, at a public decision session held today, the acquisition, by the Company, of the entire capital stock of HSBC Bank Brasil S.A. - Banco Múltiplo and HSBC Serviços e Participações Ltda (jointly referred to as "HSBC Brasil"). The decision will be published in the coming days.

The approval by CADE was conditioned to the signature of a Merger Control Agreement, through which the Company committed to adopt certain behavioral commitments, organized in six categories: (i) improve the communication and transparency of information related to its services; (ii) promote the portability of the credits of clients who were originated by HSBC Brasil; (iii) undertake to provide internal training activities, consequently reflecting on the rendering of services by Bradesco; (iv) adopt measures to improve customer service quality indicators; (v) implement an internal competition conduct policy, aligned to CADE's Compliance Guide; (vi) restrict the acquisition of financial institutions and consortium managing companies in Brazil for a period of 30 months as of the publication of the extract of CADE's decision in Diário Oficial da União.

The restriction to acquisitions does not apply to transactions which, according to the Central Bank of Brazil, are considered as interest to the country's financial system, as well as transactions related to the acquisition of interest in financial institutions in which Bradesco already has a majority interest. The restriction also does not apply to transactions related to the acquisition of financial institutions by companies in which Bradesco already has a minority interest or of which it holds joint control.

The adoption of the commitments above are aimed at mitigating eventual competition concerns, based on the analysis conducted by CADE and do not affect the structure or the valuation of the transaction.

The signature of the Share Purchase Agreement for the acquisition of 100% of HSBC Brasil, for the amount of US\$5.186 billion, was disclosed by Bradesco in a Material Fact published on August 03, 2015. The price to be paid will be restated based on HSBC's shareholders' equity variation between December 31, 2014 and the transaction's closing date.

Considering that the acquisition is currently approved by all competent regulating bodies, the company will take the measures necessary for its conclusion, expected to occur in early July.
