Item 1.01 Entry into a Material Definitive Agreement.

Avatar Properties Inc. ("Owner"), a wholly-owned subsidiary of Avatar Holdings Inc. ("Avatar"), entered into the First Amended and Restated Poinciana Parkway Regulatory Agreement (Polk County), dated as of August 6, 2008, with Polk County, Florida (the "First Amended Polk Agreement"), amending and restating the Poinciana Parkway Regulatory Agreement, dated as of December 20, 2006 (the "Original Polk Agreement").

Pursuant to the Original Polk Agreement, Owner acquired the rights-of-way for development and construction of the Poinciana Parkway (the "Parkway"), a four-lane road traversing a distance of 9.66 miles in Osceola and Polk counties in Florida (the "Counties"). The Parkway will include a 4.15 mile segment to be operated as a private toll road (the "Toll Road"). Except for the Toll Road, the Parkway will be owned, maintained and operated by the Counties upon completion. Owner has agreed to toll rates (including maximum increases over time) that may be charged for use of the Toll Road. The Original Polk Agreement provided that the Parkway be substantially complete and open to traffic by October 31, 2008, subject to delays beyond our control.

The principal amendments contained in the First Amended Polk Agreement are:

* Requirement that the Parkway be substantially complete and open to traffic not later than December 31, 2011 (subject to extension for delays beyond Owner's control).

* Elimination of Owner's affirmation of availability of all funds necessary to construct the Parkway and addition of provisions regarding Owner's ability to obtain lender financing under commercially reasonable terms.

Avatar and its subsidiaries have a relationship with Polk County in connection with real estate development and other business operations conducted by Avatar in such County. Zoning, permitting and other approvals are obtained from the County in connection with Avatar's development activities. In addition, from time to time, Avatar has contributed or sold parcels of land to Polk County for public purposes, such as the construction of schools, and has contributed roads, which have been developed by Avatar within its communities.
