Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On January 25, 2018, the Board of Directors (the "Board") of FleetCor Technologies, Inc. (the "Company") approved and adopted an amendment to Article IX of the Company's Amended and Restated Bylaws (as amended, the "Bylaws") to delete the provision requiring the affirmative vote of the holders of 66 2/3% of the voting power of the Company's outstanding shares of capital stock previously required to amend the Bylaws and to instead require the same voting standard set forth in Article TENTH of the Company's Amended and Restated Certificate of Incorporation (the "Certificate of Incorporation"). Article TENTH of the Certificate of Incorporation currently provides that an amendment to the Bylaws requires the affirmative vote of the holders of 66 2/3% of the voting power of the Company's outstanding shares of capital stock. However, on January 25, 2018, the Board also adopted a resolution approving an amendment to Article TENTH to eliminate this 66 2/3% voting power requirement and instead provide that the Bylaws may be amended by the affirmative vote of a majority of the voting power of the Company's outstanding capital stock and recommending that the Company's stockholders approve this amendment to Article TENTH of the Certificate of Incorporation at the Company's 2018 annual meeting (the "2018 Annual Meeting"). If the Company's stockholders approve this amendment to the Certificate of Incorporation at the 2018 Annual Meeting, then amendments to the Bylaws will require only the affirmative vote of the holders of a majority of the voting power of the Company's capital stock.

The foregoing summary does not purport to be complete and is qualified in its entirety by reference to the full text of the Bylaws, a copy of which is attached hereto as Exhibit 3.1 and incorporated herein by reference.
