Item 2.02 Results of Operations and Financial Condition

On March 24, 2016, as previously announced, BlueLinx held a teleconference and audio webcast to discuss its financial results from the fiscal fourth quarter and fiscal year ended January 2, 2016. The webcast will be archived and can be accessed via BlueLinx's website at www.BlueLinxCo.com. Additionally, BlueLinx has posted slides at its website, under the investor relations page, which were referenced during the audio webcast. These slides are furnished as Exhibit 99.1 hereto. All information on the slides and in the webcast is presented as of March 24, 2016, and BlueLinx does not assume any obligation to update such information in the future.

To supplement GAAP financial information, we may use adjusted measures of operating results which are non-GAAP measures. This non-GAAP adjusted financial information is provided as additional information for investors. These adjusted results exclude certain costs, expenses, gains and losses, and we believe their exclusion can enhance an overall understanding of our past financial performance and also our prospects for the future. These adjustments to our GAAP results are made with the intent of providing both management and investors a more complete understanding of our operating performance by excluding non-recurring, infrequent or other non-cash charges that are not believed to be material to the ongoing performance of our business. The presentation of this additional information is not meant to be considered in isolation or as a substitute for GAAP measures of net earnings, diluted earnings per share, or net cash used in operating activities prepared in accordance with generally accepted accounting principles in the United States. The information included in this Item 2.02, as well as Exhibit 99.1, shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933.
